SALARY SCHEDULES

The salary schedules, including a range of pay for each grade, are set forth in the Schedules attached hereto and included in Appendix A, Section 1.

In addition, there shall be a salary grade for salaries established by state statute, and salary grades which shall be used for flat or single rates, rather than salary ranges.

I. GENERAL INTENT

It is the intent of the Board of Commissioners of Cook County that all provisions of this resolution shall apply to all designated officers and/or employees, without regard to race, color, gender, age, religion, disability, national origin, ancestry, sexual orientation, gender identity, marital status, parental status, military discharge status, source of income or housing.

II. ENTRY RATE

A new employee entering the County service shall be paid the minimum salary provided in the salary grade in which the job has been placed. An employee who is separated from the County payroll for reasons other than disability, leave of absence or termination for cause shall be eligible to receive the salary received at the time of separation if the employee returns within 30 calendar days from the date of separation unless otherwise required in the relevant collective bargaining agreement.

III. APPLICABILITY OF STEP PROGRESSION AND STEP PLACEMENT

Employees compensated according to the salary schedules shall be required to work a minimum of one year at each step, except where elsewhere provided for in this section.

In general, the following rules shall apply unless otherwise required in the relevant collective bargaining agreement:

A. Step advances shall be granted upon completion of one year of continuous service in each step until the maximum salary is reached except as provided for personnel employed at the first step of the following salary schedules and grades:
   SCHEDULE II Grades FA through FF
   SCHEDULE VIII Grades CA through CK
   SCHEDULE IX Grades DA through DK

B. Anniversary step advancement will be effective the first full pay period following the employee's anniversary date.

C. Eligibility for longevity step advancement and longevity step placement must be in conformance with the regulations as established in the respective salary schedules.

D. Eligibility for step placement for Trades Apprentices shall be in accordance with provisions as set forth in agreement between the County and respective trades.

IV. EXISTING RATES

An employee whose compensation is above the maximum salary of the salary grade in which the job classification has been placed shall not have the salary reduced during the incumbency in the job classification held as of the date of this resolution unless the reduction is authorized by the Cook County Board of Commissioners pursuant to the implementation of shutdown days, a furlough program, unpaid holidays or another program established to address a budget deficit.

No salary shall be raised if it exceeds the maximum salary of the salary grade in which the job has been placed.

An employee whose salary is within the limits of the salary grade in which the position is placed, but does not correspond to one of the established steps of the salary grade, shall be eligible for an increase to the first established step above the present salary at the time of the employee's next anniversary as required by the applicable collective bargaining agreement.

V. TRANSFERS OR CHANGES OF POSITIONS

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary he or she has been receiving at the time of transfer, provided the budget of the department to which he or she has been transferred can accommodate the salary and, if not, the employee shall be eligible to have the salary received prior to the transfer restored at the earliest possible date. Such appointment shall not set a new anniversary date.

VI. PROMOTIONS

An employee who is promoted to a position in a higher salary grade shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least two steps above the salary received at the time the promotion is made, provided that:

A. The new salary does not exceed the maximum established for the grade to which the employee is promoted.

B. The new salary is not below the first step established for the grade to which the employee is promoted.

C. Years of service requirements are fulfilled concerning longevity step placement.

D. A previous promotion has not been given within the same fiscal year.

E. The budget of the department to which the employee is assigned can accommodate the salary.

F. In all cases, an employee must spend at least 6 months in the job classification to which he or she is being promoted.

If an employee has been given a previous promotion within the same fiscal year, the employee shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least one step above the salary received at the time the promotion is made. However, in all cases such salary will be in conformity with the provisions of (A), (B), (C), (E) and (F) above.

In all cases of promotion, the effective date will set a new anniversary date and a new probationary period unless otherwise required in the relevant collective bargaining agreement.

VII. DEMOTIONS

The following shall apply to demotions from one grade to another:

A. An employee demoted to a position in a lower salary grade shall have the salary adjusted in the new position to the same step of the new salary grade as was received in the salary grade of the job from which demoted. The employee's anniversary date does not change.

B. An employee promoted to a position in a higher salary grade and subsequently demoted to a position in a lower salary grade shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which he or she was promoted.

VIII. RECLASSIFICATION OF POSITIONS

An employee whose position is reclassified to a lower classification shall be placed in the first step of the lower grade which provides a salary at least one step below the salary received at the time of the reclassification. Such action shall not change the employee's anniversary date.

An employee whose position is reclassified to a higher classification shall be placed in the first step of the higher grade which provides a salary at least one step above the salary received at the time of the reclassification. Such action will change the employee's anniversary date.

In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified.

IX. UPGRADING OF POSITIONS

An employee whose position is upgraded shall be placed in the first step of the new grade which is at least the same as the salary the employee was receiving prior to being upgraded.

In all cases of upgrading, the employee shall receive at least the first step of the new grade, and shall retain the anniversary date held prior to the upgrading.

X. SALARY RATES BASED UPON FULL-TIME EMPLOYMENT

The salary rates prescribed in the Salary Schedules are fixed on the basis of full-time service for normal work weeks of 40 hours unless otherwise defined in the applicable collective bargaining agreement. Overtime will accrue as defined in the applicable collective bargaining agreement.

CLASSIFICATION & COMPENSATION

XI. PREVAILING RATE POSITIONS

A prevailing rate (X) position is hereby defined as one for which the rate is established under the acceptable evidence of the wage prevailing in industry. Such positions are usually craft, labor or trade positions, and are not paid under the provisions of the position classification and compensation plan schedules.

XII. SALARIES AND WAGES OF EXTRA EMPLOYEES

Titles and grades of employees on the Extra Account (Account 130) shall be the same as positions on the 110 Account unless authorized in advance by the Chief, Bureau of Human Resources. All such positions shall conform to the provisions of these resolutions.

XIV. CONTINUITY OF SERVICE

Absence from County service due to leave without pay for periods in excess of 30 calendar days, all suspensions, layoffs for more than 30 calendar days but less than one year, and all absences without leave shall be deducted in computing total continuous service and will effect a change in the anniversary date.

Seasonal employment of less than 120 calendar days in any calendar year shall not be credited toward continuity of service.

XV. GENERAL PROVISIONS

All changes in pay shall be implemented the first full pay period following the effective date.

Notwithstanding these provisions as set forth, the Board of Commissioners of Cook County may in its discretion limit the amount of salary increases for any or all employees or provide for salary rates in excess of those prescribed. In addition, certain procedures may be in use at the Cook County Health and Hospital System (CCHHS), that are unique to the nature of its operation and may deviate somewhat from these provisions as set forth.

Any change in the job classification title terminology not involving a change in the major duties of the job will not affect the status of the employee, including eligibility for increases within a specific salary grade.

The Board of Commissioners may in its discretion adopt certain procedures in compliance with state guidelines or recommendations related to the compensation of Circuit Court probation service officers.

All questions concerning the specific application of the provisions of this resolution shall be interpreted and resolved by the Chief, Bureau of Human Resources.

The Longevity pay will be given on the anniversary day of the employee and is determined by the number of years of service at Cook County. The bonus is based on the salary group in which an employee's rate resides and the years of service. (See table)

D. Advanced Step progression is limited to 5 steps within the grade. Any movement above 5 steps requires a written letter of justification to the Chief, Bureau of Human Resources.

III. EXISTING RATES

An employee whose compensation is above the maximum salary of the salary grade in which the job classification has been placed shall not have the salary reduced during the incumbency in the job classification held as of the date of this resolution unless the reduction is authorized by the Cook County Board of Commissioners pursuant to the implementation of shutdown days, a furlough program, unpaid holidays or another program established to address a budget deficit.

No salary shall be raised without written approval from the Chief, Bureau of Human Resources.

IV. TRANSFERS OR CHANGES OF POSITIONS

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary he or she has been receiving at the time of transfer, provided the budget of the department to which he or she has been transferred can accommodate the salary. Such appointment shall not set a new anniversary date.

V. PROMOTIONS

An employee who is promoted to a position in a higher salary grade shall be entitled to placement in the step of the new salary grade which will provide a salary increase at least 10 steps above the salary received at the time the promotion is made, provided that:

A. The new salary does not exceed the maximum established for the grade to which the employee is promoted.

B. The new salary is not below the first step established for the grade to which the employee is promoted.

C. A previous promotion has not been given within the same fiscal year.

D. The budget of the department to which the employee is assigned can accommodate the salary.

E. In all cases, an employee must spend at least 6 months in the job classification to which he or she is being promoted.

If an employee has been given a previous promotion within the same fiscal year or has less than 6 months in the job classification from which he or she is being promoted, a written letter of justification is required for final approval by the Chief, Bureau of Human Resources.

In all promotion cases, the effective date will set a new anniversary date and a new probationary period.

VI. DEMOTIONS

The following shall apply to demotions from one grade to another:

A. An employee demoted to a position in a lower salary grade shall have the salary adjusted in the new position to the rate that is equal to 10 steps per grade lower than the current step but not lower than the lowest rate of the grade for the new job. The employee's anniversary date does not change.

B. An employee promoted to a position in a higher salary grade and subsequently demoted to a position in a lower salary grade shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which he or she was promoted.

VII. RECLASSIFICATION OF POSITIONS

An employee whose position is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date. If the salary rate received immediately prior to reclassification is less than the last step of the lower classification, the employee shall be entitled to further step advancement.

An employee whose position is reclassified to a higher classification shall be entitled to placement in the step of the new salary grade which will provide a salary increase of at least 10 steps above the salary received at the time of the reclassification, so long as the new salary is not below the first step or does not exceed the maximum established for the grade. Such action will change the employee's anniversary date.

VIII. INTERIM ASSIGNMENT

An employee may be temporarily assigned to perform and be held accountable for all of the duties that distinguish a specific higher graded position. All such assignments must be pre-approved in writing by the Chief, Bureau of Human Resources and the Budget Director. An interim assignment shall be no shorter than one(1) month and no longer than six (6) months without good cause and the approval of the Chief, Bureau of Human Resources and the Budget Director but should not exceed nine (9) months.

Interim pay or differential pay shall be afforded in an amount to account for an increase in current salary by 10% unless a greater increase is needed to bring the employee's current salary up to the first step of the higher graded position. The employee's adjusted salary cannot exceed the maximum amount allowable for the higher graded position.

The employee shall continue to receive the interim pay or differential pay for the duration of the interim assignment.

An interim assignment will not change an employee's anniversary date.

IX. SALARY RATES BASED UPON FULL-TIME EMPLOYMENT

The salary rates prescribed in the Salary Schedule are fixed on the basis of full-time service for normal work weeks of 40 hours. For positions which are exempt from the Fair Labor Standards Act, the normal work week of 40 hours generally applies, but the compensation is intended to be appropriate for the class regardless of variations in the time that may be required to satisfactorily fulfill the responsibilities of the positions. For positions covered by the Fair Labor Standards Act, compensatory time will accrue at a rate of 1½ hours for every hour worked over forty (40) hours in a week.

X. SALARIES AND WAGES OF EXTRA EMPLOYEES

Titles and grades of employees on the Extra Account (Account 130) shall be the same as positions on the 110 Account unless authorized in advance by the Chief, Bureau of Human Resources. All such positions shall conform to the provisions of these resolutions.

XI. CONTINUITY OF SERVICE

Absence from County service due to leave without pay for periods in excess of 30 calendar days, all suspensions, layoffs for more than 30 calendar days but less than one year, and all absences without leave shall be deducted in computing total continuous service and will effect a change in the anniversary date. Seasonal employment of less than 120 calendar days in any calendar year shall not be credited toward continuity of service.

XII. GENERAL PROVISIONS

All changes in pay shall be implemented the first full pay period following the effective date.

Notwithstanding these provisions as set forth, the Board of Commissioners of Cook County may in its discretion, limit the amount of salary increases for any or all employees or provide for salary rates in excess of those prescribed. In addition, certain procedures may be in use at the Health Facilities, which are unique to the nature of their operation and may deviate somewhat from these provisions as set forth.

Any change in the job classification title terminology not involving a change in the major duties of the job will not affect the status of the employee, including eligibility for increases within a specific salary grade.

All questions concerning the specific application of the provisions of this resolution shall be interpreted and resolved by the Chief, Bureau of Human Resources.

The heads of the various County offices, agencies, departments, or institutions, in order to conduct the business of Cook County in an orderly and efficient manner, shall be permitted to make rules and regulations pertaining to their own particular office, department, agency or institution which are not inconsistent with the provisions set forth herein. All questions concerning the specific application of the provisions of this resolution shall be interpreted and resolved by the Chief, Bureau of Human Resources.

It is the intent of the Board of Commissioners of Cook County that all provisions of this resolution shall apply to all designated officers and/or employees, without regard to race, color, gender, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, source of income or housing.

2. All salaried employees shall be granted the above holidays, or equivalent paid days off per year.

3. Should a certain holiday fall on Saturday, the preceding Friday shall be set as the holiday; should a certain holiday fall on a Sunday, the following Monday shall be set as the holiday.

4. In addition to the above, any other day or part of a day shall be considered a holiday when so designated by the Cook County Board of Commissioners.
   Note: Holiday benefits may vary for Cook County Health and Hospital System employees.

B. SICK LEAVE

1. Sick leave may be used for illness, disability incidental to pregnancy or non-job related injury to the employee; appointments with physicians, dentists, or other recognized practitioners; or for serious illness, disability, or injury in the immediate family of the employee.

2. Cook County grants sick leave because an employee is unable to perform his/her assigned duties, or because the employee's presence at work would jeopardize the health of his/her coworkers. Accordingly, sick leave shall not be used for any purpose other than to cover an absence related illness and shall not be used as additional vacation leave.

3. All eligible salaried employees, other than seasonal employees, shall be granted sick leave with pay at the rate of one working day for each month of service. Sick leave accruals will be carried out in accordance with the biweekly payroll system. Employees must be in a pay status for a minimum of five (5) days in a pay period to accrue sick time in that period.

4. All individuals employed on a part-time work schedule of twenty (20) hours per week or more shall be granted sick leave with pay proportionate to the time worked per pay period.

5. Sick leave may be accumulated to equal, but at no time to exceed, one hundred seventy-five (175) working days, except Cook County Health and Hospital System employees who cannot exceed one hundred fifty (150) days. Records of sick leave credit and use shall be maintained by each office, department, or institution. Severance of employment terminates all rights for the compensation thereunder. Amount of leave accumulated at the time when any sick leave begins shall be available in full, and additional leave shall continue to accrue while an employee is using that already accumulated.

6. Sick leave may be used as maternity or paternity leave by employees. After five (5) consecutive non FMLA sick days, employees shall submit to their department head a doctor's certificate as proof of illness. The department shall notify the Chief, Bureau of Human Resources if an employee has fourteen consecutive non-FMLA sick days.

7. The employee has the burden of establishing that an illness related absence was legitimate. Failure to provide such reasonable evidence of proof of illness may result in the denial of sick leave benefits, or revocation of benefits granted. The determination as to appropriateness of the sick leave will be made by the employee's supervisor. In addition to denial of sick leave benefits, where the circumstances indicate that the employee is abusing sick leave, disciplinary measures may be taken.

8. If, in the opinion of the executive head of the office, department or institution, the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine his/her vacation, sick leave and personal days with approval from the Chief, Bureau of Human Resources.

9. The employee may apply for disability under the rules and regulations established by the retirement board.

C. VACATION LEAVE

1. All officers and employees, other than seasonal employees and certain classifications of nursing personnel, who have completed one year of service with Cook County, including service mentioned in Appendix A, Section 2-I, Paragraph C-5, shall be granted vacation leave with pay for periods as follows. Vacation accruals for employees of the health facilities may vary in accordance with provisions of collective bargaining agreements or existing policies.

ANNIVERSARY OF EMPLOYMENT	DAYS OF VACATION	MAXIMUM ACCUMULATION
1st through 6th Years	10 Working Days	20 Working Days
7th through 14th Years	15 Working Days	30 Working Days
15 Years	20 Working Days	40 Working Days

3. All individuals employed on a part-time work schedule of twenty (20) hours per week or more shall be granted vacation leave with pay proportionate to the time worked per pay period.

4. Employees may use only such vacation leave as has been earned and accrued provided, however, that five (5) working days of the initial vacation allowance may be allowed after the first six (6) months of service. The heads of the County offices, departments, or institutions may establish the time when the vacation shall be taken.

5. Any employee of the County of Cook who has rendered continuous service to the City of Chicago, the Chicago Park District, the Forest Preserve District, the Metropolitan Water Reclamation District of Greater Chicago, agencies under the State of Illinois including, without limitation, the University System, the Chicago Transit Authority and/or the Chicago Board of Education shall have the right to have the period of such service credited and counted for the purpose of computing the number of years of service as employees of the County for vacation credit only. All discharges and resignations not followed by reinstatement within one (1) year shall interrupt continuous service, and shall result in the loss of all prior service credit. Credit for such prior service shall be established by filing, with the Chief of the Bureau of Human Resources, a certificate of such prior service from such former place or places of employment.

6. In the event an employee has not taken vacation leave as provided by reason of separation from service, the employee, or in the event of death, the employee's spouse or estate, shall be entitled to receive the employee's prevailing salary for such unused vacation periods.

7. In computing years of service for vacation leave, employees shall be credited with regular working time plus the time of duty disability.

8. Any Cook County employee who is a reemployed veteran shall be entitled to be credited with working time for each of the years absent due to military or naval service. The veteran's years of service for purposes of accrual of vacation time in the year of return to employment with Cook County, shall be the same as if employment had continued without interruption by military service.

9. Holidays recognized by the Board of Commissioners of Cook County are not to be counted as part of a vacation.

D. BEREAVEMENT LEAVE

Excused leave with pay will be granted up to three (3) days to an employee for the funeral of a member of the employee's immediate family or household. For purposes of this section, immediate family includes mother, father, husband/wife, domestic partner, child (including stepchildren and foster children),brothers sisters, grandchildren, grandparents, spouse's parents or such persons who have reared the employee.

Leave requested to attend the funeral of someone other than a member of an employee's immediate family or household may be granted, but time so used shall be deducted from the accumulated vacation or personal leave of the employee making the request.

E. JURY DUTY

Approval will be granted for leave with pay for any jury duty imposed upon any officer or employee of the County of Cook. However, any compensation must therefore be turned over to the County of Cook by said officer or employee.

F. VETERANS' CONVENTION LEAVE

Any employee who is a delegate or alternate delegate to a national or state convention of a recognized veterans' organization may request a leave of absence for the purpose of attending said convention, providing, however, that any employee requesting a leave of absence with pay must meet the following conditions:

- The employee must be a delegate or alternate delegate to the convention as established in the by laws of the organization.

- The employee must register with the credentials committee at the convention headquarters.

- The employee's name must appear on the official delegate-alternate rolls that are filed at the state headquarters of their organization at the close of the convention.

- The employee must have attended no other veterans' convention, with a leave of absence with pay, during the fiscal year.

- The employee must produce, upon returning from the convention, a registration card signed by a proper official of the convention, indicating attendance.

G. PERSONAL DAYS

1. All employees, except trades (Grade X), those in a per diem pay status, and those of the Cook County Health and Hospitals System, shall be permitted four (4) days off with pay each fiscal year. Employees may be permitted these four (4) days off with pay for personal leave for such occurrences as observance of a religious holiday or for other personal reasons. Such personal days shall not be used in increments of less than one-half (1/2) day at a time.

2. Employees entitled to receive such leave, who enter Cook County employment during the fiscal year, shall be given credit for such personal leave at the rate of one (1) day for each full fiscal quarter in pay status; except that two (2) personal days may be used for observance of religious holidays prior to accrual, to be paid back in the succeeding two (2) fiscal quarters. No more than four (4) personal days may be used in a fiscal year.

3. Personal days shall not be used as additional vacation leave. If the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine personal days, sick leave, and vacation leave with approval from the Chief, Bureau of Human Resources.

4. Personal days may not be used consecutively unless approved by the department head.

5. Personal days off shall be scheduled in advance to be consistent with operating necessities and the convenience of the employee, subject to department head approval.

6. In crediting personal days, the fiscal year shall be divided into the following fiscal quarters;

   2nd Quarter — March, April, May
   3rd Quarter — June, July, August
   4th Quarter — September, October, November

A. PERSONAL LEAVE

An employee not affected by the leave of absence rules as administered under collective bargaining agreements or the Merit Board may be granted a leave of absence, without pay, by the head of a department with the written approval of the Chief, Bureau of Human Resources. Upon approval by the Chief, Bureau of Human Resources, the department shall provide the County Comptroller with the name of any employee on leave of absence. Such leave of absence shall be limited to one month for every full year of continuous employment by the County, with a maximum of one year of leave, except for military service. During a personal leave, the employee may request to maintain insurance benefits; however the employee on personal leave will be required to pay the full cost of such insurance benefits on a monthly basis in order to maintain such insurance benefits. The County shall not pay any insurance benefits and is authorized to terminate such insurance benefits following notice to the employee on personal leave of the employees failure to pay the costs of such insurance benefits on a monthly basis. An employee granted a leave of absence shall be eligible, when such leave expires, to receive the salary he or she received at the time the leave of absence was granted.

B. MATERNITY/PATERNITY ABSENCE

Cook County is committed to supporting employees and their families, particularly when parents require time off to handle the added responsibilities of a new child. Upon the birth of a child or placement of a child for adoption or foster care, County employees have several leave options available including:

- Paid Parental Leave (available to non-union employees only)
- Paid leave using accrued sick, vacation or compensatory time;
- Unpaid parental leave;
- Ordinary disability benefits for partially paid leave for eligible employees;

FMLA will run concurrently with maternity/paternity leave. Employees are not required to use all accrued sick or vacation time before going on any parental leave or pregnancy disability.

The County shall continue to pay its share of health insurance during maternity/paternity leave. Disability benefits may also be available to qualified individuals through the County Employees' Annuity & Benefit Fund.

C. FAMILY AND MEDICAL LEAVE (FMLA)

Employees who have been employed by the County for at least 12 months and have worked at least 1,250 hours during the prior year may be eligible for FMLA. An eligible employee may use up to a total of 12 work weeks of unpaid leave in a 12 month period for one of the following reasons:

- Birth of a child or placement of a child for adoption or foster care;
- Care of employee's spouse, child or parent who has a serious health condition;
- A serious health condition that renders an employee unable to perform the functions of his/her job.

In addition, pursuant to the provisions of the National Defense Authorization Act for FY 2008 (NDAA), a spouse, son, daughter, parent, or next of kin may take up to 26 workweeks of unpaid leave to care for a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing

medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness.

Employees must provide their supervisors with at least 30 days notice of an intention to take FMLA, or as much notice as possible in an emergency. Employees must complete an FMLA packet, including a physician's certification and submit it to their supervisor. The supervisor shall send the FMLA packet to the Chief, Bureau of Human Resources for approval. The County shall pay its share of an employee's health insurance costs for the duration of FMLA leave. FMLA leave is subject to additional rules and restrictions.

III. DISABILITY PROVISIONS

A. ORDINARY DISABILITY

With the exception noted in Section II.B. above, an employee is required to use all accrued paid leave (sick, personal and vacation) before any disability payment can be made.

An employee who is on official disability leave and returns to work within 60 calendar days after disability leave is terminated shall be eligible to receive the salary paid at the time disability leave started, provided the budget of the department can accommodate the salary and, if not, the employee shall be eligible to have the salary received at the time disability leave started restored at the earliest possible date.

1. Temporary total disability is granted by Cook County because an employee has been injured in an accident which has arisen out of and was in the course of employment. As a form of compensation for the first three (3) working days following such injury, an employee who does not participate in the Cook County Employees' Annuity and Benefit Fund shall be entitled to seventy-five percent (75%) of the base wage rate paid at the time of the accident as supplemental temporary total disability. Any employee (annuity and benefit fund participants included) who is absent as a result of any injury on duty for a period of nine (9) days or less shall be eligible for supplemental temporary total disability.

2. Any employee who is off duty on supplemental temporary total disability shall not be eligible to receive duty disability leave as provided for by the Cook County Annuity and Benefit Fund for the period in which the employee is shown to be on supplemental temporary total disability.

3. Any employee who is injured in an accident arising out of and in the course of his/her employment will not be eligible to substitute sick leave, vacation leave, or personal days in place of supplemental temporary total disability or substitute for temporary total compensation as defined in the workers' compensation act.

4. Any period for which an employee is shown to be carried on supplemental temporary total disability or on temporary total disability compensation is subject to review by the Cook County Injury Compensation Committee. The Committee is authorized to require a physical examination of any employee injured in the course of employment to determine eligibility for supplemental temporary total disability or for temporary total disability compensation benefits. Any employee who fails to submit to such physical examination will immediately have supplemental temporary total disability or temporary total disability compensation benefits terminated.

5. No employee shall return to duty after having been carried on supplemental temporary total disability or on temporary total disability compensation without a physician's approval to return to work and authorization from Cook County.
