COLLECTIVE BARGAINING AGREEMENT

This Collective Bargaining Agreement is made and entered into by and between Service Employees International Union, Local 73-HC, AFL-CIO, CLC, hereinafter referred to as the "Union" and the County of Cook, hereinafter referred to as the "County".

ARTICLE I

RECOGNITION

Section 1. Representation

The County recognizes the Union as the sole and exclusive representative for all regular full-time and regular part-time attending physicians and dentists employed by the County of Cook who normally spend a majority of their workweek at Oak Forest Hospital, but excluding: all voluntary, visiting, and contract physicians; Podiatrists; Chief Operating Officer; Medical Directors; Head, Employee Health Services; Director of Oncology/Hematology; Chair, Department of Radiology; Chair, Department of Surgery; Chief of Dentistry; Chair, Department of Medicine; Chair, Department of Rehabilitation Services; Chair, Department of Pathology; Chair, Department of Neurology; Chair, Department of Acute Care/Emergency Room; Chief Anesthesiologist; Chair, Department of Cardiology; all other Department chairs; Medical Directors, as well as all full-time and part-time attending physicians employed solely at the County of Cook's Oak Forest Specialty Clinic, Robbins Health Center, Cottage Grove Medical Center or Woody Winston Clinic; and all supervisory, managerial, and confidential employees as defined by the Act.

Section 2. Dues and Committee on Political Education ("COPE") Checkoff

With respect to any employee in the bargaining unit from whom the County receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the County, the County shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union, and the County may retain a service charge of five cents (\$.05) for making such deductions. The County shall provide a voluntary payroll deduction to the Union's COPE upon receipt of a written authorization from employees. Such deduction shall be remitted in a separate check on a monthly basis to the Union or COPE, as specified in writing by the Union.

Section 3. Fair Share

1. The County shall grant "Fair Share" to the Union in accordance with Sections 6(e)-(g) of the Illinois Labor Relations Act upon satisfactory demonstration to the County that the Union has more than 50% of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, within thirty (30) days of the Union meeting said conditions or within thirty (30) days of their employment by the County all employees covered by this Agreement will either (1) become members of the Union and pay the Union regular Union dues and fees or (2) pay to the Union each month

their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.

2. Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the mount constituting said fair share, not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.
3. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names and addresses of all employee non-members of the Union from which earnings the fair share payments shall be deducted and their work locations.
4. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, 50% of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verifications of the terms of the escrow arrangement and, upon request, the status of the fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide: that the escrow accounts be interest earning at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

5. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

Section 4. Religion Exemption

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their fair share of union dues, as Described in Section 4, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6(g) of the Illinois Labor Relations Act.

Section 5. Indemnification

The Union shall indemnify and hold the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken

by the county for the purpose of complying with any provision of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

ARTICLE II

DECLARATION OF RIGHTS

County Authority and Rights

The Union recognizes that the County has the full authority and responsibility for directing its operation and determining policy. The County reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by State and Federal statutes and Constitutions, and to adopt and apply all reasonable rules, regulations and policies as it may deem necessary to carry out its statutory and constitutional responsibilities. The County's rights shall be limited only by the specific and express terms of this Agreement. The County's rights include, but are not limited to:

- A. The exclusive right to determine its policies, standards of services and to operate and manage its affairs and to direct its work force in accordance with its responsibilities. The County has all the customary and usual rights, power and functions of management.
- B. The exclusive right to hire, transfer, and promote; and the exclusive right to discipline, suspend or discharge employees for just cause.
- C. The right to establish reasonable work rules, make work assignments, determine schedules of work, methods, processes and procedures by which work is to be performed, place, methods, means and number of personnel needed to carry out the County's responsibilities and duties; as well as the right to determine reasonable productivity, performance and evaluation standards.
- D. The right to change existing or introduce new methods, equipment or facilities and the right to contract for goods and services.
- E. The right to make, publish, enforce reasonable rules and regulations, and to revise same; and, the County has the right to reclassify existing positions based on assigned duties and responsibilities or make changes in assigned duties and responsibilities.
- F. The right to establish standards governing the standard of care to be rendered to patients.

ARTICLE III
HOURS OF WORK

Section 1. Normal Workweek

The normal workweek will consist of up to fifty (50) hours per week, but as professionals in the health care industry, Attending Physicians will work such hours as are necessary to fulfill their patient care responsibilities, as well as being on-call as needed, by rotation within their department.

When an Attending Physician is on-call, the Attending is expected to be able to report within one hour of being called. Discipline for failing to do so will not be automatic, but will be based on all of the facts, including how late the Attending Physician is, the reason for the delay, and whether a pattern exists, and shall be subject to the disciplinary and grievance procedures.

Section 2. Breaks

The work day normally will include a thirty (30) minute meal period and necessary breaks which Attending Physicians may take at their discretion, consistent with their professional judgment and responsibility provided that there will not be a disruption in patient care.

Section 3. Flex-Time

Flex time schedules may be granted by County, if there are legitimate and compelling personal reasons for the request and the flex time is consistent with the operational needs of the Hospital. Such requests for flex time shall not be unreasonably denied. Requests for flex time must be submitted by the employee at least two (2) weeks in advance. Flex time privileges may be cancelled or suspended by the County for legitimate operational reasons or due to misuse by the employee.

Section 4. Schedules

Attending Physician schedules shall be posted for the upcoming month at least two weeks in advance of the beginning of the month, including the schedule for moonlighting, rounds, and holidays. Once posted, schedules shall not be changed unless two (2) weeks notice is provided to the affected physician, except when the change is necessitated by the immediate need to provide patient care or when Physicians voluntarily exchange days or agree to cover other hours in which case the agreement to the schedule change shall be placed in writing by the affected Physicians.

Section 5. Emergency Room

- A. Weekend shifts will be either eight (8) hours or twelve (12) hours based upon a majority vote of emergency room Attending Physicians. If a majority of emergency room Attending Physicians subsequently vote to change that schedule to the other one, the Hospital will do so upon two months' notice.

- (1) A 52-week on-call schedule for Attending Physicians who work at least half-time in the emergency room shall be established with employees signing up. Attending Physicians can voluntarily switch schedules with each other without having to contact the attending on call. However, if the on-call Attending Physician must be utilized, the absent physician shall pay back the on-call Attending Physician by working an equivalent shift for him/her.
 - (2) Attending Physicians who are scheduled to work less than half time in the emergency room shall not be expected to be on-call. Those who work at least half time, but less than full time, will be on-call on a pro rata basis.
- B. Attending Physicians shall sign up on a holiday preference sheet. If there is not enough coverage for a particular holiday, Attending Physicians will be assigned on a rotating basis by reverse seniority.

ARTICLE IV

GRIEVANCE PROCEDURE

Section 1. Definition

A grievance is a difference between the Union and the County regarding the interpretation or application of provisions of this Agreement, but does not include decisions or actions regarding credentialing, appointment, reappointment or other discipline or other decisions or actions issued or made pursuant to the processes set forth in the Medical Staff Bylaws. The Union will send copies of grievances appealed to or submitted at Steps Three or Four to the Hospital COO/Designee.

Section 2. Grievance Procedure Steps

The steps and times as provided in the County's Grievance Procedure are as follows:

<u>Step</u>	<u>Submission Time Limit This Step (Calendar Days)</u>	<u>Submitted</u>	<u>Time Limit Meeting</u>	<u>Response</u>
1	30 days from the date the Grievant knew or should have known of the event(s) giving rise to the grievance	Immediate Supervisor	5 days	5 days
2	5 days	Hospital COO/Designee	5 days	10 days
3	10 days	Chief, Bureau of Human	30 days (Status report	30 days (Status report

		Resources/Hearing Officer	to Union if exceeded)	to Union if exceeded)
4	30 days	Impartial Third Party		30 days

When a grievance relates to all or a substantial number of employees, or the Union's own interests, the grievance may be initiated by the Union at Step 2.

Section 3. Time Limits

Time limits may be extended by mutual agreement in writing between the employee and/or the Union and the County. Neither the Union nor the County shall waive the established time limits unless by written, mutual agreement.

Section 4. Stewards

The Union will advise the County in writing of the names of the stewards and shall notify the County promptly of any changes. Stewards will be permitted to handle and process grievances during their work hours provided that patient care will not be adversely affected. One steward will be released pursuant to this Section to handle any particular grievance. If there is a desire to train stewards or a grievance is of an unusual nature, the Union may request the release of one additional steward, and the Union's request will not be unreasonably denied.

Up to two stewards shall be allowed to attend authorized meetings with Union representatives during normal hours without loss of pay, provided that at least 14 days' advance notice of such meetings is given and that patient care will not be adversely impacted. Such meetings shall be limited to a maximum of four per year per steward.

Section 5. Union Representatives

Duly authorized representatives of the Union will be permitted at reasonable times to enter the facilities for purposes of handling grievances or addressing other contract administration issues with physicians or Hospital representatives. These representatives will be identified to the Hospital COO/Designee in a manner suitable to the County, and on each occasion will first secure the approval of the Hospital COO/Designee to enter the Hospital and conduct their business so as not to interfere with the operation of the facility. The Union will not abuse this privilege, and such right of entry shall at all times be subject to general Hospital rules that are applicable to non-employees.

Section 6. Impartial Arbitration

If the Union is not satisfied with the Step 3 answer, within thirty (30) days after receipt of the Step 3 answer, it may submit in writing to the County notice that the Union is submitting the grievance to impartial arbitration. The Union and County will make arrangements with the arbitrator to hear and decide the grievance without unreasonable delay.

Expenses for the arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the County and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The arbitrator shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the arbitrator in writing by the County and the Union. The arbitrator's decision must be based solely upon his interpretation of the meaning of this Agreement or application of the express relevant language of the Agreement. The decision of the arbitrator shall be final.

The arbitrator shall be selected on a rotating basis from the permanent panel agreed to by the parties regarding all of their mutual bargaining units. Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The struck arbitrator will proceed on cases currently assigned, but will not receive any new case assignments. In the event that an arbitrator is struck from the panel, the parties shall meet as soon as possible to choose a mutually agreed upon replacement. Nothing herein shall prevent the parties, by mutual agreement, from selecting an arbitrator from outside the panel. Absent such mutual agreement, the arbitrator shall be selected from the panel in accordance with the above procedure.

Section 7. Right to Union Representation

An employee shall be entitled to the presence of a Union representative at an investigatory interview if he/she requests one and if the employee has reasonable grounds to believe that the information obtained in the interview may be used to support disciplinary action against him/her.

ARTICLE V

SENIORITY

Section 1. Probationary Period

An Attending Physician's probationary period shall be six (6) months from his/her most recent date of hire at Oak Forest Hospital. The Hospital may extend this probationary period for up to an additional six (6) months by written notice to the Attending Physician and to the Union. The Hospital shall meet with the Attending Physician to provide the reason for the extension, and the Attending Physician shall have the right to have a Union steward or representative present for that meeting. During the probationary period, an Attending Physician shall have no seniority, may be discharged for any lawful reason, and shall have no recall rights or recourse to the grievance procedure regarding any layoff, discipline or discharge. Upon completion of the probationary period, an Attending Physician's seniority shall be computed as the most recent date of hire. Any Attending Physician who has completed his or her probationary period as provided for in this section, and who then is transferred out of the bargaining unit to another position within Cook County Bureau of Health shall not serve an additional probationary period if he or she later transfers back into the unit.

Section 2. Definition of Seniority

Seniority is an employee's length of most recent continuous employment as an Attending Physician at the Hospital since his/her last hiring date.

Section 3. Return to Former Job

An employee who has been promoted, transferred or recalled to another job within the represented unit or in accordance with the provisions of this Article, may be returned by County to the former job within a reasonable period, but not to exceed thirty (30) calendar days, without loss of seniority, if the employee does not demonstrate the ability to satisfactorily perform the job to which he/she was promoted, transferred, or recalled. An employee who has accepted another position within the Cook County Bureau of Health, whether or not within the bargaining unit, in accordance with the provisions of this Article, may ask to return to the former job within thirty (30) calendar days after commencing work in the new position without loss of seniority.

Section 4. Return to Represented Unit

An employee who has been promoted or transferred out of the bargaining unit to another position within the Cook County Bureau of Health, and who is later transferred back to the unit, shall upon return to the unit be granted the seniority he/she would have had the employee continued to work in the bargaining unit.

Section 5. Discipline

Attending Physicians may only be disciplined for just cause and are entitled to Union representation in any disciplinary proceeding. A pre-disciplinary meeting for suspensions and discharges shall be held and the County shall make reasonable effort to accommodate the Union when scheduling such meetings. The County shall notify the Union and the employees of its intent to conduct a pre-disciplinary meeting, the reason for the meeting and the nature of the charge(s). During the pre-disciplinary meeting, the employee and/or the Union representative shall be given an opportunity to respond to the applicable charge(s). If the employee and/or the Union representative do not appear at the meeting, the County may proceed with the discipline, which shall be subject to the grievance procedure. Any verbal or written discipline less severe than a suspension shall not be used as the basis for the next step in progressive discipline if more than a year passes without the employee receiving additional discipline.

Section 6. Seniority List

Immediately after the effective date of this Agreement, and every six months thereafter, the County will furnish the Union a list showing the name, department, address, salary, classification, and last hiring date of each employee. The County will furnish the Union with reports of new hires and terminations within thirty (30) days of the event.

Section 7. Termination of Seniority

An employee's seniority and employment relationship with the County shall terminate upon occurrence of any of the following:

- A. Resignation or retirement;
- B. Discharge for just cause;
- C. Loss of clinical privileges at the Hospital or loss of appointment or reappointment to the Hospital Medical Staff pursuant to the procedures set forth in the Medical Staff Bylaws (not subject to the grievance and arbitration procedure);
- D. Absence for three consecutive work days without the employee notifying either his/her immediate supervisor or the Medical Director, unless the employee has an explanation that is satisfactory to the County which shall not act arbitrarily in applying this paragraph;
- E. Failure to report to work upon the termination of a leave of absence or vacation unless the employee has an explanation that is satisfactory to the County which shall not act arbitrarily in applying this paragraph;
- F. Absence from work because of layoff for twelve (12) months or for disability or approved leave of absence for twelve (12) months in the case of all non-probationary employees;
- G. Failure to notify the County within nine (9) calendar days of the employee's intent to report to work upon recall from layoff, or failure to report for work within fourteen (14) calendar days after notice to report for work is sent by certified mail to the employee's last address on file with County;
- H. Engaging in gainful employment while on an authorized leave of absence, unless written permission to engage in such employment was granted in advance by the County.

ARTICLE VI

HOLIDAYS

Section 1. Regular Holidays

All full-time Attending Physicians shall receive eight (8) hours pay at their regular hourly rate for the holidays listed below. These holidays are not to be counted as part of an employee's vacation time. (Part-time Physicians regularly working at least twenty (20) hours per week shall receive holiday pay on a pro rata basis.)

New Year's Day	Columbus Day
Martin Luther King's Birthday	Labor Day
Lincoln's Birthday	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day (Fourth of July)	Christmas Day

Section 2. Working On Holidays

Attending Physicians who work on any of the holidays identified in Section 1 of Article VI shall receive a day off (with eight (8) hours of pay at their regular hourly rate) before the end of the fiscal year in which the Attending Physician worked the holiday.

Section 3. Floating Holiday

In addition to the paid holidays in Section 1, Attending Physicians also shall accrue one (1) floating holiday on December 1 of each year. The Attending Physician may request to use the floating holiday at any time and requests shall not be unreasonably denied. Any floating holiday that an Attending Physician has not used during the fiscal year shall be lost and not carried over. An Attending Physician required to work on a previously scheduled floating holiday shall receive another day off as described in Section 2.

ARTICLE VII

VACATIONS

Section 1. Eligibility

Vacation credit shall be earned for each month during which the employee is in an active pay status for eighty (80) hours. The amount of annual paid vacation is based upon the following schedule:

<i><u>Service</u></i>	<i><u>Vacation</u></i>	<i><u>Maximum Accrual</u></i>
1 Year	15 Days	30 Days
5 Years	20 Days	40 Days
10 Years	25 Days	50 Days

Attending Physicians may use only such vacation leave as has been earned and accrued, except that use of one-half of the initial vacation allowance may be allowed after the first six (6) months of service.

Section 2. Maximum Accrual

Attending Physicians may accumulate up to the maximum accrual amounts set forth in Section 1 based upon the attending physician's years of service.

Section 3. Vacation Preference and Scheduling

In order to ensure the orderly operation of the Hospital and in the interests of patient care, the County reserves the right to limit the number of Attending Physicians within a department or team who will be permitted to be on vacation at any one time. The County, through the Department Chair in consultation with the Medical Director, further reserves the right to limit the number of consecutive vacation days to 15 days, if it determines that patient care will be adversely affected by the Attending Physician's continued absence despite any alternative
SEIU-20(73) OFH Physicians 2004-2008

coverage which has been arranged. The County will consider the Attending Physician's personal circumstances when considering vacation requests.

If more Attending Physicians wish to be off at one time than may be allowed, the Attending Physicians within the department or team first will be given an opportunity to resolve the issue. If they cannot do so, the Department Chair shall consult with the Attending Physicians within the department or team to attempt to obtain a resolution. If they cannot resolve the matter, the Department Chair shall decide the issue based upon seniority and the fair distribution of prime vacation times among the Attending Physicians. Emergency vacation requests will be granted if the County determines that patient care will not be adversely affected.

The County agrees that its determinations under the above two paragraphs will not be arbitrary or capricious.

Section 4. Accrued Benefits at Separation

Upon termination of employment, the Attending Physician shall be paid for all accrued but unused vacation days through the last day worked and for any compensating day that the employee has not taken for having worked a holiday that occurred before the termination of the employee's employment.

ARTICLE VIII

REDUCTION IN FORCE, LAYOFF, AND RECALL

Should the County find it necessary to decrease the number of Attending Physicians working within a specialty, the County shall give written notice to the Union at least three (3) weeks prior to the effective date of the layoff of the employees. During that interim period, the County will be willing to meet with the Union to discuss any alternatives to the layoff of any employee(s) but shall have no duty to bargain regarding its decision to lay off attending physicians nor the impact of that decision on the bargaining unit or members of the bargaining unit. In determining the identity of Attending Physicians who shall be laid off or recalled, the County shall consider the physicians' education, training, experience, knowledge, skill, ability, qualifications, credentials, productivity, and seniority. When all of these factors are equal the least senior Attending Physician shall be laid off. Non-probationary employees who are laid off shall be subject to recall for twelve months. No vacancy should be filled by an external hire if there is an Attending Physician with recall rights who is qualified to fill that position. Attending Physicians may refuse recall to a specialty other than that from which they were laid off.

ARTICLE IX

PROMOTION

Vacant positions shall be posted on all bulletin boards at Oak Forest Hospital currently used for postings for a period of fourteen (14) days. In determining who should fill a vacancy, including that of Senior Attending Physician should one exist, the County shall consider the attending physician's education, training, experience, knowledge, skill, ability, qualifications, credentials, productivity, and seniority. The County agrees to interview all qualified applicants
SEIU-20(73) OFH Physicians 2004-2008

from the bargaining unit and to provide a written response to an applicant within 30 days after the application process closes.

ARTICLE X

COMPENSATION

A. Pay Increase

Attending Physicians shall receive the following salary increases:

Effective the first full pay period on or after 12/1/04	1.00%
Effective the first full pay period on or after 12/1/05	1.00%
Effective the first full pay period on or after 6/1/06	2.00%
Effective the first full pay period on or after 12/1/06	1.50%

- B. Employees in pay status on December 1, 2007, also shall receive a one-time gross lump sum bonus of \$500.00.

Section 2. New Classification

If the County establishes new classifications, it will notify the Union and offer the Union an opportunity to discuss the new classification and pay rate. After the County has provided this opportunity, it may assign a pay rate. If the Union believes that the rate is unreasonable, it may grieve the reasonableness of the rate.

Section 3. Promotion, Reclassification and Demotion

Promotions – Attending Physicians promoted to a higher labor grade will proceed to the lowest step of the new grade that provides them with a pay rate increase.

Reclassifications – An Attending Physician whose position is reclassified to a higher labor grade shall be placed on the step that is closest to, but at least as high as, the Attending Physician's current pay rate. An Attending Physician whose position is reclassified to a lower labor grade shall not receive a pay rate cut, but will be placed in the step that is closest to the Attending Physician's pay rate prior to the reclassification. If the Attending Physician's pay rate is above the top step of the new labor grade, the Attending Physician shall not receive pay increases until the top step of the new labor grade exceeds that pay rate.

Demotions – An Attending Physician who is demoted to a lower labor grade shall be placed in the same step in the lower grade.

In Promotions, Reclassifications and Demotions, the anniversary date for future step movement shall be the effective date of the Promotion, Reclassification or Demotion.

Section 4. Entry Rate

A newly hired Attending Physician shall be paid at least at the minimum of the Grade K4 rate.

Section 5. Part-Time Employees

Part-time employees who are regularly employed for twenty (20) or more hours per week shall be entitled to vacations, sick pay, holidays, hospitalization insurance, life insurance, jury pay, and bereavement pay on a pro rata basis.

The extent to which part-time employees are entitled to disability and pension benefits is governed by the provisions of the Cook County Employees Pension Plan.

Section 2. Sick Pay

Attending Physicians shall accumulate sick pay credits at the rate of 3.69 hours per pay period in which the Attending Physician is in pay status for at least 40 hours. Sick leave may be accumulated to a maximum of one hundred fifty (150) days. Up to the accumulated sick leave credits, an Attending Physician prevented from working because of the Attending Physician's illness or injury (other than occupational illness or injury) or because of an illness in the Attending Physician's immediate family as defined in Article X, Section 2, shall be entitled to receive sick pay at his or her regular salary for each day of absence. All Attending Physicians employed on a part-time basis of at least forty (40) hours per pay period shall be granted sick leave with pay proportionate to the time worked per pay period.

Section 3. Disability Benefits

Attending Physicians incurring any occupational illness or injury will be covered by Worker's Compensation insurance benefits. Duty disability and ordinary disability benefits also will be paid to Attending Physicians who are participants in the County Employee Pension Plan in accordance with that Plan. Duty Disability benefits are paid to the Attending Physician by the Retirement Board when the Attending Physician is disabled while performing his/her work duties. Benefits amount to seventy-five percent (75%) of the Attending Physician's salary at the time of injury, and begin the day after the date his/her salary stops; such benefits to be reduced by any Worker's Compensation paid the County. Ordinary disability occurs when an Attending Physician becomes disabled due to any cause, other than injury on the job. An eligible Attending

Physician who has applied for such disability compensation will be entitled to receive, on the thirty-first (31st) day following disability, fifty percent (50%) of salary, less an amount equal to the sum deducted for all annuity purposes. If an Attending Physician receives accrued salary beyond the 31st day, disability payment will not begin until the 1st day the Attending Physician is in no-pay status after the 30 days have expired. The first thirty (30) consecutive days of ordinary disability are compensated for only by the use of any accumulated sick pay and/or vacation pay credits unless the Attending Physician and the County otherwise agree. The Attending Physician will not be required to use sick time and/or vacation time for any day of duty disability. All provisions of this section are subject to change to the extent required by State law.

Section 4. Life Insurance

All Attending Physicians shall be provided with life insurance in an amount equal to the Attending Physician's annual salary (rounded to the next \$1,000), at no cost to the Attending Physician, with the option to purchase additional insurance up to maximum of the Attending Physician's annual salary. No life insurance shall be offered through the County's HMO plans.

Section 5. Pension Plan

The County Employees and Officers Annuity and Benefit Fund will be continued in effect for the duration of this Agreement and all Attending Physicians of the County are required to become members of that Fund. The Fund will continue to provide Attending Physicians with annual statements of their interest therein.

Section 6. Dental Plan

All Attending Physicians shall be eligible to participate, at no cost to them, in the dental plan as set forth in Appendix B. No dental coverage shall be offered through the County's HMO plans.

Section 7. Vision Plan

All Attending Physicians shall be eligible to participate, at no cost to them, in the vision plan as set forth in Appendix C. No vision coverage shall be offered through the County's HMO plans.

Section 8. Hospitalization/New Hires

All new Attending Physicians covered by this Agreement shall be required to enroll in the County HMO plan of their choosing, such enrollment to be effective from the date of hire through the expiration of the first full health plan year following such date of hire.

Section 9. Flexible Benefits Plan

All Attending Physicians shall be eligible to participate, at no cost to them, in a flexible benefits plan to be established by the County. Such plan shall include segregated IRS accounts for child care and medical expenses.

Section 10. Insurance Claims

A dispute between an Attending Physician (or his/her covered dependent) and the processor of claims regarding the appropriateness of a claim or coverage shall not be subject to the grievance procedure provided for in this Agreement. Attending Physicians shall continue to be afforded an opportunity to present appeals of such insurance disputes in person, provided it is not an Attending Physician who is on duty if the proceeding occurs outside of Oak Forest Hospital.

ARTICLE XII

LEAVES OF ABSENCE

Section 1. Personal Leave

An Attending Physician may be granted a leave of absence without pay by the Department Chair, with the written approval of the Hospital's Chief Operating Officer. Such leave shall be intended to take care of emergency situations and shall be limited to one (1) month for every full year or continuous employment by the County and/or any of the Cook County Health Facilities, not to exceed one (1) year, except for military service. An employee granted a leave to absence shall be eligible, when such leave expires, to receive the salary and the same or comparable position at the time the leave was granted.

Section 2. Duty to Inform

Attending Physicians must inform their Department of their intention to go to leave in accordance with the notice provisions contained herein. Before their departure, they must provide the Department with a current address and telephone number and maintain current contact information while on leave. In addition, the Department may require Attending Physicians to report in on a reasonable periodic basis. Attending Physicians who wish to extend a leave must apply to their Department at least two (2) weeks before they are scheduled to return, unless medical circumstances preclude such notice. Attending Physicians on a leave of at least thirty (30) days must contact their Department at least two (2) weeks before returning from leave and complete all processing, including medical examinations, before they can return.

Section 3. Family and Medical Leave

An Attending Physician is entitled to a leave of absence under Family and Medical Leave if s/he has been employed at least twelve (12) months by the County and has worked at least 1,250 hours during the previous twelve (12) month period. Under Family and Medical Leave, eligible Attending Physicians are entitled to take up to a total of twelve (12) weeks of leave in a rolling twelve (12) month time period for:

- A. The birth of a child;
- B. Placement of a child with the Attending Physician for adoption or foster care;

- C. The care of an Attending Physician's spouse, son, daughter, or parent, who has a serious health condition; and
- D. A serious health condition that makes an Attending Physician unable to perform the functions of his/her position.

While an Attending Physician is on Family and Medical Leave, the County shall continue to pay its share of the employee's health insurance premium, and the employee is responsible for paying his/her applicable contribution. All terms in this section are used in accordance with the County's Family and Medical Leave Act ("FMLA") policy. Attending Physicians must first use accrued sick leave as part of their Family and Medical Leave unless the leave is due to the birth or adoption of a child. To the extent that the employee is using vacation or sick leave, the Family and Medical Leave is paid; otherwise, it is not.

Section 4. Maternity/Paternity Leave

Attending Physicians shall be granted unpaid maternity or paternity leaves of absence to cover periods of pregnancy and post-partum child care. Attending Physicians need not exhaust all accrued vacation or six time before going on maternity/paternity leave, but may apply such accrued time to the leave. The length of such leave, in general, shall not exceed six (6) months, but may be renewed by the Department Chair. Upon returning from such leave, the reinstatement rights of the employee will be identical to those of an employee returning from an ordinary disability leave. Leave granted under this section counts toward an employee's twelve (12) weeks of Family Medical Leave.

Section 5. Disability Leave

An Attending Physician who is receiving County disability benefits shall be granted a leave of absence without pay for the duration of the period for which disability benefits are received. During the first year while on such a leave, an employee will not be replaced. If at any time while the employee is eligible for the disability leave, the employee becomes able to perform their job, they will be granted the same or comparable position, at the same salary, to the extent that one is available for which they are qualified.

Section 6. Military Leave

Employees who enter the armed services of the United States, either voluntarily or by reason of conscription, shall be granted a leave of absence without pay and shall be entitled to be restored to the position they held prior to going on leave with the same anniversary and seniority dates. The employee must present a copy of military orders when requesting a leave, and must file a written request for reinstatement to a former position within sixty (60) days after termination of military service, along with a copy of military discharge papers.

An employee, who has at least six (6) months or more of continuous actual service and is a member of the Illinois National Guard or any of the Reserve Components of the Armed Forces of the United States, shall be entitled to a leave of absence with full pay for limited service in field training, cruises, and kindred recurring obligations. Such leave will normally be limited to eleven (11) working days in each year.

Section 7. Seniority on Leave

An employee on an approved unpaid leave of absence shall retain seniority accrued prior to the leave, but shall not accrue seniority, pension, vacation or other benefit service credit during such period (except as may be otherwise provided in the County's pension plan). Nor shall such period count toward an employee's entitlement to automatic progression in wage scale based on length of service. Employees who return from leave shall have their pay rates adjusted by any general increases that occurred while they were on leave.

Section 8. Retention of Benefits

An employee on any unpaid leave of absence other than FMLA will be required to pay the cost of the insurance benefits in order to keep these benefits in full force and effect during the period of leave. Arrangements for payments of such costs must be made with the Hospital's Payroll Office prior to departure on the leave. If the Physician fails to make such arrangements, the County may cancel insurance benefits, which will be reinstated upon the employee's return to work, subject to such waiting period and other rules and regulations as may be applicable to the insurance plan.

ARTICLE XIII

ADDITIONAL BENEFITS

Section 1. Bereavement Pay

In the event of death in the immediate family, an Attending Physician will be granted up to three (3) paid, excused days off. For purposes of this section, an employee's immediate family includes parents, spouse, children (including stepchildren and foster children), siblings and domestic partners. The three (3) days of bereavement leave shall not include the employee's unpaid scheduled days off. Any additional time needed for bereavement for these relationships, or for bereavement regarding spouse's parents, grandparents, grandchildren, or other members of the Attending Physician's household may be taken as emergency vacation.

Section 2. Jury Make-Up Pay

Attending Physicians shall be granted leave with pay for any jury duty, including required reporting for jury when summoned, whether or not the employee is used as a juror. The Attending Physician shall turn over to the County any compensation which is received for responding to the jury summons or serving on the jury.

Section 3. Election Day

If the Oak Forest Hospital work schedule of an Attending Physician who is a registered voter would prevent him/her from voting, he or she will be granted up to two hours off so that he or she may vote.

ARTICLE XIV

These union representatives will be identified to the Hospital's Director/Designee in a manner suitable to the County, and on each occasion will first secure the approval of the Hospital's Director/Designee to enter the Hospital and conduct their business so as not to interfere with the operation of the facility. The Union will not abuse this privilege, and such right of entry shall at all times be subject to general Hospital rules that are applicable to non-employees.

Section 3. Member Orientation

Within fourteen (14) days of the date on which the New Attending Physician begins employment, the County shall notify the Steward designated by the Union of the name and department of the newly-hired Physician so that the Steward may meet with the newly-hired Physician at the discretion of the Steward and Physician consistent with their judgment and responsibility so as not to disrupt care to patients.

Section 4. Union Office

The Hospital shall continue to provide the Union with an office within the facility which may be utilized by the Attending Physicians as well as other bargaining units at Oak Forest Hospital which are represented by the Union.

Section 5. Meeting Space

Upon at least ten (10) days advance notice, the Hospital will provide the Union with space for a membership meeting each quarter. The Hospital will make every reasonable effort to accommodate requests for more frequent membership meetings, provided there is available space.

The Hospital will provide the Union with space for a Stewards' Meeting each month upon at least five (5) days notice, and will make every reasonable attempt to provide the space with less notice.

Nothing in this section requires the Hospital to provide release time for Attending Physicians to attend membership or Stewards meetings.

Section 6. Bulletin Boards

The County will make two (2) bulletin boards available for use by the Union at the Hospital. Upon approval by Hospital Administration, which shall not be unreasonably delayed or withheld, the Union shall be permitted to post notices on these bulletin boards regarding Union meetings and Union business. There shall be no other postings by the Union or its members of materials other than as herein provided. No Attending Physicians shall make any distributions so as to interfere with the performance of his/her duties.

Section 7. Budget Preparation

Each Department Chair shall provide notice to Attending Physicians in his/her Department of any deadline for budget submissions and shall consider timely input from Attending Physicians in the Department in preparing his/her budget recommendations for each fiscal year. Attending Physicians may submit written input, and the Department Chair will meet with Attending Physicians upon request provided that the request is made sufficiently in advance of the date that the recommendations are due. The Department Chair will provide all Attending Physicians in the department with a copy of the budget recommendation upon request. Upon completion of the budget recommendation, the Medical Director shall notify the Attending Physicians, and provide the Union with a copy of this recommendation upon written request.

Section 8. Officers and Executive Board

One Attending Physician, if elected to a position as a Union officer or elected to a position on the Executive Board or Executive Council of the Local, up to once a month shall be permitted to attend meetings of the Executive Board and/or Council without loss of pay, provided that patient care will not be adversely affected. These meetings shall not occur more than once a month or last more than one day, and the Union shall provide fourteen (14) days notice of the meeting.

ARTICLE XV

Section 1. No Discrimination

No employee shall be discriminated against by the County or the Union on the basis of race, color, sex, age, religion, disability, national origin, ancestry, sexual orientation, marital status, military discharge status, political affiliation and/or belief, or activity or non-activity on behalf of the Union.

Section 2. Attending Physician Obligation and Professional Authority

Attending Physicians shall comply with assignments made by the County, but after doing so may utilize the grievance procedure if the Attending Physician has a dispute regarding the assignment; however the Attending Physician shall not be required to comply with an assignment if it would create an imminent threat of death or serious bodily injury to the employee or the patient.

Section 3. Safety

The County will continue to make reasonable provisions for the safety of its employees during their hours of employment. On Attending Physician from the represented unit, as designated by the Union, shall serve on and be expected to attend the Environment of Care Committee. On these occasions, the Union will give prior notification.

Section 6. Personnel File

Upon written request to the Director of Human Resources or designee, an employee may inspect his/her personnel file at a time mutually acceptable to the Hospital and the employee. None of these documents shall be maintained in a file other than those listed above.

Section 7. Physician's Statement

An employee who has been off duty for five (5) consecutive days or more for any health reason will be required to provide a physician's statement as proof of illness, and may be required to undergo examination by the County's physician before returning to work.

For health-related absences of less than five (5) consecutive days, a physician's statement or proof of illness will not be required except when the County has a reasonable basis to suspect that the individual did not have a valid health reason for the absence. If indicated by the nature of a health-related absence, examination by the County's physician may be required to make sure that the employee is physically fit for return to work.

Section 8. Credit Union

The County will deduct from the wages of employees duly authorized deductions for the Union's Credit Union, and shall forward such amounts to the Credit Union. To the extent practicable, the County also will permit use of its premises by the Credit Union.

Section 9. Distribution of Work Load
