COLLECTIVE BARGAINING AGREEMENT

PREAMBLE

This Collective Bargaining Agreement is entered into between the County of Cook and Recorder of Deeds as joint employers of employees covered by this Agreement (hereinafter collectively referred to as the "Employer") and Local 73 - Service Employees International Union (S.E.I.U.), AFL-CIO hereinafter referred to as the "Union" or "Local 73").

ARTICLE I Recognition

Section 1.1. Representative Unit:

The Employer recognizes the Union as the sole and exclusive representative for all employees of the Employer in the job classification set forth in Appendix A of this Agreement and excluding all confidential employees, technicals, professionals, supervisors, managers, seasonal employees, all industrial relations and personnel department employees.

Section 1.2. Union Membership:

The Employer does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee required as a condition of membership.

Section 1.3. Dues Checkoff:

With respect to any employee from whom the Employer receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the Employer, the Employer shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendar days after the close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union, and the Employer shall continue to retain a service charge of five cents (5¢) for making each such deduction.

The Union shall advise the Employer of any increase in dues fair share fees, or other approved deductions in writing at least forty-five (45) days prior to its effective date. The Employer shall implement the increase in the first full period on or after the effective date.

Section 1.4. "Fair Share":

1. The County shall grant "Fair Share" to the Union in accordance with Sections 6(e)-(g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than fifty percent (50%) of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees covered by this Agreement will within thirty (30) days of the Union meeting said condition or within thirty (30) days of the employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees or (2) pay to the Union each month their fair share of the Union's costs of the collective bargaining

process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.

2. Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the amount constituting said fair share, not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.
3. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names and addresses of all employee non-members of the Union from whose earning the fair share payments shall be deducted and their work locations.
4. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, fifty percent (50%) of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

5. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

Section 1.5. "Fair Share": Administrative/Professional Unit:

The Recorder of Deeds agrees that within thirty (30) days of hire or thirty (30) days of signing this Agreement, all members of the Administrative and Professional Unit (consisting of Title Officers, Accountant IIIs, Examiner of Titles I and Surveyors) from whom there is no dues deduction card on file shall be subject to a fair share fee to be determined by the Union consistent with Section 6(e)-(g) of the Illinois Public Labor Relations Act.

Section 1.6. Religion Exemption:

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their fair share of Union dues, as described in Section 1.4, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6(g) of the Illinois Public Labor Relations Act.

Section 1.7. SEIU Cope:

The Union has established a political action committee which is called SEIU COPE. Union members may contribute voluntarily to this committee to support the political activities of the Union.

The Employer agrees to deduct the contribution amount established by the committee per pay period, from the wage of employees who voluntarily authorize in writing such deductions. Such amounts shall be forwarded thirty (30) days after the close of the pay period for which the deductions are made.

Section 1.8. Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

Section 1.9. Neutrality:

If the Union seeks to represent a group or groups of employees not covered by this Agreement, the Employer shall maintain a neutral position and shall not attempt to influence the decision of such employees with respect to Union representation. Representation shall be granted to the Union based upon voluntary procedures of the Illinois Public Relations Act and Illinois Local/State Labor Relations Board.

**ARTICLE II
Employer Authority**

Section 2.1. Employer Rights:

The Union recognizes that the Employer has the full authority and responsibility for directing its operations and determining policy. The Employer reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the statutes of the State of Illinois, and to adopt and apply all rules, regulations and policies as it may deem necessary to carry out its statutory responsibilities; provided, however, that the Employer shall abide by and be limited only by the specific and express terms of this Agreement, to the extent permitted by law.

Section 2.2. Employer Obligation:

The Union recognizes that this Agreement does not empower the Employer to do anything that it is prohibited from doing by law.

Section 2.3. Integrity of the Bargaining Unit:

Non-bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations, in training situations where a supervisor or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through

no fault of the Employer to perform required work other than with normal absenteeism and vacations, or where circumstances exist which are out of the ordinary and beyond the control of the Employer.

If non-bargaining unit employees repeatedly perform bargaining unit work, this issue shall immediately be grievable at the second step of the grievance procedure.

Section 2.4. Union and Employer Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and Employer agree to meet periodically through designated representatives at the request of either party and at mutually agreed upon times and locations. The Union and Employer shall each designate not more than five (5) representatives to a labor-management committee for this purpose.

Section 2.5. Labor Management Meetings on Career Development:

Labor Management meetings will be held periodically to discuss employee training and education as well as job classifications. The Labor Management Committee may call to the attention of the Recorder any existing jobs which it feels are incorrectly classified. The Recorder will review these, and if possible, any changes will be requested in the following fiscal year budget. The Labor Management Committee may also make recommendations to the Recorder and County concerning courses and in-service training to enhance career opportunities for employees in the bargaining unit. The Recorder will appoint a specific management representative to this Committee within thirty (30) days of the effective date of the Agreement.

Section 2.6. Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, which agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

**ARTICLE III
Hours of Work and Overtime**

Section 3.1. Purpose of Article:

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

Section 3.2. Regular Work Periods:

The regular work day for a full-time employee shall consist of eight (8) consecutive hours of work within the twenty-four (24) hour period beginning at his/her scheduled starting time.

The length of paid lunch periods and breaks presently granted by each department shall remain in effect.

Employees shall be paid once every two (2) weeks (bi-weekly). If possible, checks shall be distributed before lunch time on pay day.

Section 3.3. Compensatory Time and/or Overtime Compensation:

- A. Employees may be assigned to overtime work provided that such overtime shall be limited to either emergency conditions which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities of the institution or department.
- B. An employee shall be paid one and one-half (1½) times the average of the employee's regular hourly rate (including any differential) for all hours worked in excess of eight (8) in any regular work day, or over forty (40) in any regular work week. Employees shall not be laid off from their regularly scheduled hours of work to avoid payment of overtime. Hours in pay status, with the exception of sick time, shall count as time worked in computing overtime.
- C. Employees shall receive payment for overtime worked within thirty (30) days following the pay period in which the employee worked the overtime. The Employer shall also allow the overtime check to be paid through direct deposit for those employees who choose direct deposit.
- D. The employee may request in writing and the Employer may, in lieu of overtime pay, grant compensatory time off at the rate of one and one-half (1½) hours for each hour of overtime worked. All denials of a request shall be accompanied by an explanation.
- E. An employee may "bank" up to two hundred forty (240) hours (four (4) weeks) of compensatory time. All overtime worked above this limit must be compensated for in accordance with subsection B of this Section.
- F. An employee terminating employment with the County shall be paid for unused compensatory time in accordance with the Fair Labor Standards Act (FLSA).
- G. The Employer shall allow employees to take accrued compensatory time off within a reasonable period after making the request when such time off does not unduly disrupt the operation of the office.

Section 3.4. Overtime Work:

Employees will be expected to perform any reasonable amounts of overtime work assigned to them. The Recorder/Designee will attempt to assign overtime work to the employees who are immediately available when the need for overtime occurs, and who normally and customarily

perform the work involved, except that in cases of emergency the Recorder/Designee may assign the overtime work to any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a work section. Overtime opportunities shall be made available to employees of the Recorder within their specific job classification as equitably as possible and rotated on the basis of efficiency ratings and seniority. The least senior employees may be required to work overtime if a sufficient number of senior employees choose not to work. In order to qualify for overtime work, an employee, must not have been in "zero" time status during the preceding week.

Section 3.5. Flextime:

Requests by employees for flextime schedules may be granted if practicable to do so. The scheduling of flextime shall be by mutual arrangement between the employee and his/her supervisor. Flextime shall not be granted or denied in a discriminatory or arbitrary manner.

ARTICLE IV

Section 4.1. Probationary Period:

After the date of this Agreement, the probationary period for a new employee or an employee hired after a break in continuous service, shall be ninety (90) calendar days. The probationary period shall be extended for a period equal to the time required for any basic training required of any probationary employees, and the Union shall be consulted about the instituting of any such training which extends the probationary period. A probationary employee shall have no seniority and may be terminated for any just cause and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of his/her most recent hire.

The Employer may put the new and changed job classifications or duties into effect after timely notice to the Union, and discuss and set the rate of pay with the Union, using the duties, responsibilities, qualifications and grade levels of the classifications in Appendix A as a guide for determining the new rate. If the parties are unable to agree on the rate of pay, the Employer may put a rate into effect, and the Union, thereafter, may submit any dispute to the grievance procedure.

A grievance relating to all or a substantial number of employees or to the Union's own interests or rights with the Employer may be initiated at Step Two by a Union representative. Grievances may be initiated at Step Three by mutual agreement of the Union and Employer.

The County will grant the Union an opportunity during the orientation of new employees to present the benefits of Union membership at which time the Union may give such employees a copy of this Agreement.

Section 11.7. Union Representatives:

Duly authorized business representatives of the Union will be permitted at reasonable times to enter the appropriate County facility for purposes of handling grievances or observing conditions under which employees are working. These business representatives will be identified to the Recorder/Designee in a manner suitable to the Employer and on each occasion will first secure the approval of the Recorder/Designee to enter and conduct their business so as not to interfere with the operation of the Employer. The Union will not abuse this privilege, and such right of entry shall at all times be subject to general Recorder department rules applicable to non-employees.

Section 11.8. Impartial Arbitration:

If the Union is not satisfied with the Step Three answer, it may within thirty (30) days after receipt of the Step Three answer submit in writing to the Recorder notice that the grievance is to enter impartial arbitration. Demands for arbitration will not be filed for disciplinary actions which involve verbal reprimands or warnings. The parties will select an arbitrator from a permanent panel of arbitrators agreed upon by both parties. The Union and the County will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding. If the two (2) parties fail to reach agreement on an Arbitrator within ten (10) days, the Recorder and Union may request the Local Labor Relations Board, American Arbitration Association or the Federal Mediation and Conciliation Service to provide a panel of arbitrators. Each of the two (2) parties will confer within seven (7) days of receipt of the panel to alternately strike one (1) name at a time from the panel until only one (1) shall remain. The remaining name shall be the Arbitrator. The Union and the Recorder will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding.

Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the County and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the Arbitrator in writing by the Recorder and the Union. His/her decision must be based solely upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

The Union and the County shall meet within thirty (30) days after the effective date of this Agreement for the purpose of selecting a permanent panel of seven (7) arbitrators. The arbitrators shall be selected on a rotating basis. Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The struck arbitrator will proceed on the cases currently assigned, but will not receive any new case assignments. In the event that an arbitrator is struck from the panel, the parties shall meet as soon as possible to choose a mutually agreed upon replacement. Nothing herein shall prevent the parties, by mutual agreement, from selecting an arbitrator from outside the panel. Absent such mutual agreement, the arbitrator shall be selected from the panel in accordance with the above procedure.

Section 11.9. Expedited Arbitration:

The parties may mutually agree that a grievance shall be submitted to expedited arbitration. If the parties agree to expedited arbitration, the following provisions of this paragraph shall apply. Immediately upon notification of the designated arbitrator, the parties shall arrange a place and date to conduct a hearing within a period of no more than thirty (30) calendar days, unless the parties agree to a longer period. If the designated arbitrator is not available to conduct a hearing within the thirty (30) calendar days and the parties do not otherwise agree to a longer period, the next panel member in the rotation shall be notified until an available arbitrator is obtained. Nothing herein precludes multiple cases being heard on the same day before the same arbitrator.

The hearing shall be conducted under the following procedures:

- a. the hearing shall be informal;
- b. no briefs shall be filed or transcripts made;
- c. there shall be no formal rules of evidence; however, the arbitrator shall only rely on credible relevant evidence;
- d. the hearing shall normally be completed within one (1) day;
- e. the arbitrator may issue a bench decision at the hearing, but in any event shall render a decision within seven (7) calendar days after the conclusion of the hearing. Such decision shall be based on the evidence before the arbitrator and shall include a brief written explanation of the basis for such conclusion. Any arbitrator who issues a bench decision shall furnish a written copy of the award to the parties within seven (7) calendar days of the close of the hearing.

The decision of the arbitrator shall be final and binding, except that it shall not be regarded as precedent or be cited in any future proceeding.

The parties further agree to increase the arbitration panel from seven (7) arbitrators to twelve (12) arbitrators.

It is the intent of the parties that any reasonable accommodations adopted by the Employer conform to the requirements of this Agreement where practicable. The Employer may take all steps necessary to comply with the ADA. Any such steps which might conflict with the terms of this Agreement shall be discussed with the Union prior to implementation. The parties shall cooperate in resolving potential conflicts between the Employer's obligation under the ADA and the rights of the Union. Neither party shall unreasonably withhold its consent to the reasonable accommodation of an employee. The Employer agrees that it shall not apply this Section in a discriminatory, arbitrary or capricious manner.

Nothing in this Section shall require the Employer to take any action which would violate the ADA or any other applicable statutes. Information obtained regarding the medical condition or history of an employee shall be treated in a confidential manner.

This policy, however does not require the Employer to fill vacancies which they desire to keep vacant.
2. Bargaining unit work that constitutes the normal duties and responsibilities of regular employees on current payroll will not be removed and reassigned to welfare recipients and participants in welfare to work initiatives. Welfare recipients and participants in welfare to work initiatives will be assigned work in a manner that will not jeopardize the job classification of the current employees.

- 6. If the answer is not satisfactory, the employee may, within the ten (10) calendar days after receipt, or if no answer is given, advance the grievance to Step 2.

7. Failure to advance the grievance within ten (10) calendar days after the Step 1 answer is due, concludes the grievance procedure.

B. **STEP TWO:** The employee advances the grievance as follows:

1. On the Grievance Form, the employee checks that the answer is not satisfactory, writes the date referred to Step 2 and signs the form. The employee presents the grievance to the Recorder's Designee.

APPENDIX D

DRUG ABUSE POLICY AND TESTING PROCEDURES FOR THE OFFICE OF THE COOK COUNTY RECORDER AND TREASURER

I. INTRODUCTION

Abuse of controlled substances is universally recognized as a significant and pervasive health, safety and economic problem. The Cook County Department of Human Resources not only shares the public's concern about substance abuse, but is responsible to the public for ensuring that our employees are not a part of this epidemic social problem.

Hence, for both the protection of the general public and the well being of our employees, the County of Cook maintains a strict Drug Abuse Policy. Full compliance with this Policy is a condition of continued employment by Cook County. In addition, employees are required to comply fully with the Cook County Drug Free Workplace Act Policy and the rules of conduct set forth in the Cook County Disciplinary Action Policy and Procedure.

Any disciplinary action under this Policy is subject to (1) collective bargaining agreements between all affected unions and Cook County, (2) the Cook County Disciplinary Action Policy and Procedure, and (3) the Statutes and Rules of the Civil Service Commission of Cook County.

Cook County intends to give the same consideration to persons with chemical dependencies as it does to employees having other diseases. In the case of substance abuse, this agency will use constructive disciplinary measures to motivate the employee to seek assistance. If the available assistance fails, the penalty for continued drug use shall be termination of employment or other sanctions.

II. DRUG TESTING - GENERAL STATEMENT

A key component of the Cook County Drug Abuse Policy is drug testing of current employees working and all applicants for employment in the County under the following circumstances: (1) pre-employment, (2) reasonable suspicion, (3) return to work, (4) post-accident, and (5) transfer, other than intradepartmental transfers. A positive test result presumptively indicates that the employee is under the influence of drugs and is unfit for duty.

Drug tests in circumstances, post-accident, apply to the categories of Cook County employees: subject to those circumstances permitted under the collective bargaining agreement between their unions and Cook County and other locations and departments where imposed by the Cook County Director of Human Resources.

III. TESTING PROCEDURES

A. Drugs Tests

The Facility will test employees for the following:

THC (MARIJUANA) METABOLITES*
COCAINE METABOLITES**
OPIATE METABOLITES
AMPHETAMINES/METAMPHETAMINES
PHENCYCLIDINE (PCP)

B. Specimen Collection Procedures

Specimen collection is conducted by trained personnel of the Cook County Bureau of Human Resources Medical Unit. A urine drug testing custody and control form documents the specimen collection and accompanies the specimen to the laboratory. The disclosure of any prescription medications on the custody and control forms will require that the employee produce the prescription or medication container within five (5) working days to the Medical Department. Failure to provide the prescription within the five (5) day period will result in a report of a positive test, result and subject the employee to the provisions of Section V of this protocol.

Specific procedures followed during collection of the specimen include: (1) positive identification of the employee; (2) removal by the employee of his or her outer garments only; (3) washing of the employees hands prior to collection of specimen; (4) securing of the water sources in the collection site enclosure; (5) adding of blueing agent to toilet tank and bowl; (6) the collector remains outside the enclosure; (7) employee may flush the toilet only after releasing the specimen to the collector; (8) the specimen contained must contain at least 60 ml of urine and (9) the container will be sealed and initialed by the employee and collector.

An employee is ensured of individual privacy when providing a urine specimen for testing except when:

- (1) The employee presents a specimen that is outside the accepted temperature range and he or she refuses to have an oral body temperature measurement; or the body temperature measurement varies more than 1 degree C from the specimen temperature or the specimen has a pH concentration factor that is outside normal range; or

* Delta-9-tetrahydrocannabinol-9-carboxylic acid

** Benzoylecgonine

- (2) The collector observes conduct clearly and unequivocally indicating an attempt to adulterate or substitute the specimen; or
- (3) The employee's last provided specimen was determined to be diluted; or
- (4) The employee has previously had a verified positive test

If a direct observation is required as a result of these specific circumstances, the collector will be the same sex as the employee.

If the employee cannot provide a sufficient volume of urine, he or she shall remain at the collection site and be provided fluids to drink. An employee shall be given a three (3) hour period in which to provide an acceptable specimen. Failure to provide a specimen during that time period shall constitute a positive test result and subject the employee to the provisions of Section V of this protocol.

The Collector inspects the specimen for volume, temperature, color, pH concentration factor, and unusual signs of contamination.

If the employee refuses to cooperate with the collection process, the collector will notify the Cook County Bureau of Human Resources and note the noncooperation on the employee's urine custody and control form. Noncooperation with the collection process, failure to adequately complete, or falsification of questions on custody control forms, or any attempt to adulterate or substitute a specimen, shall be cause for disciplinary proceedings up to an including discharge.

C. Laboratory Operations

In all testing, an initial drug screening using DAU/EMIT methodology is performed by trained laboratory personnel of the Cook County Bureau of Human Resources Medical Department. If the specimen tests positive, the specimen is sent to a laboratory certified by the U.S. Department of Health and Human Services for confirmatory testing.

D. Laboratory Analysis Procedures

Following are the basic laboratory analysis procedures:

- (1) Use of a chain of custody procedure to track and preserve the integrity of the specimen throughout the lab processes.
- (2) Once accepted by the laboratory, the specimen remains in secured storage. Aliquots (small amounts) of the specimen will be used for conducting tests.

- (3) Screening of the specimen using an immunoassay analysis. Cut-off levels are established to determine if the specimen contains drug metabolites. If the amount of metabolite is below the cut-off level, the specimen is reported as negative.
- (4) A specimen that is positive in the initial screening will be sent to a DHHS-certified laboratory for confirmatory testing by gas chromatography/mass spectrometry methods. If the amount of metabolite is above the cut-off level, the specimen is confirmed positive; if it is below the cut-off level, it is reported as a negative result.

Both Cook County and confirmatory laboratories retain all records related to the specimen for a minimum of one year. The confirmatory laboratory provides secure storage of a positive specimen for at least one year.

E. Reporting of Urinalysis Results

All results are reported to Cook County's Medical Review Officer (MRO). The MRO is a licensed physician of the Director of Employee Drug Testing, who has knowledge of substance abuse disorders. The MRO receives a certified copy of the lab results.

The MRO's review and verification of positive test results is required before results are reported to the Facility. An employee whose test result is positive will be provided with an opportunity to discuss the test results with the MRO. If the employee refuses to discuss the test results with the MRO, the MRO may verify the test as positive.

If the MRO concludes that there is a legitimate medical explanation for the positive result, the test result is reported as negative to the Facility. Under such limited circumstances, no information that the test was reported positive by the laboratory is provided to the Facility.

The employee may request, through the MRO, a re-analysis (re-test) of his or her specimen. This means a re-analysis of the original specimen, not of another specimen subsequently collected.

If the MRO cannot contact the employee, the MRO must notify the Facility's Chief Operating Officer to contact the employee. If the Facility's Chief Operating Officer cannot contact the employee, it shall place the employee on temporary medically unqualified status or medical leave.

If after five days from being notified to do so, the employee does not contact the MRO, the MRO will verify the positive test results to the Facility's Chief Operating Officer.

F. Protection of Employee's Records

Both the Cook County Bureau of Human Resources Medical Department and the confirmatory laboratory maintain strict confidentiality of the test records in their possession. Access to those records is only permitted in the event of a lawsuit, grievance, or proceeding initiated by, on or behalf of the employee and arising from a positive drug test. Moreover, access under such circumstances, will be permitted only to the following: (1) the tested individual, (2) the Facility, or (3) the decision -maker in the lawsuit, grievance, or other proceeding.

III. TESTING REQUIREMENTS

A. Reasonable Suspicion

Reasonable suspicion is defined as a belief based on the sufficient facts that an employee is using, abusing, or is under the influence of drugs. The suspicion must be drawn from specific, objective facts and reasonable or rational inferences drawn from those facts in light of experience.

- (1) When based upon the direct observation of one supervisor trained in the detection of probable drug use and the employer has reasonable cause to believe that an employee is under the influence of a prohibited substance, the employer shall have the right to subject that employee to a drug test. The union will attend supervisor training and will receive a list of the employees tested, the reasonable suspicion observed, the test dates and test results.
- (2) An on-duty employee is required to submit to testing when the employer believes the actions or appearance or conduct of the employee are indicative of the use of a controlled substance. On-duty means all time from when an employee begins to work or is required to be ready to work until such time as he or she is relieved from work and all responsibility for performing work.
- (3) The employee shall be placed on administrative leave with pay until test results are available. If the test results prove negative, the employee shall be reinstated
- (4) However, any employee testing positive for drugs will be granted a one-time opportunity to successfully complete a drug rehabilitation program, as provided under Cook County's medical insurance plan(s). Any cost of rehabilitation, over and above that paid by the County's medical insurance plans(s) must be borne by the employee. The Employee Assistance Program for Cook County ("EAP"), in consultation with the employee, will help the employee to enroll in an appropriate rehabilitation program.
- (5) During the employee's period of rehabilitation, he or she will be placed on sick/medical leave, as governed by the collective bargaining agreement. No disciplinary action will be taken

provided the employee successfully completes such a program, including the employee's full cooperation with the treatment center. However, failure to successfully complete the program shall be cause for disciplinary proceedings, up to and including discharge.

B. Return to Work

An employee must submit to a drug test upon return from any leave of absence of thirty (30) days or more as part of his or her required return-to-work physical examination.

C. Post-Accident

An employee must submit to a drug test if he or she is involved in a work-related accident, involving a vehicle, provided, (a) the employee's conduct was a significant factor in the accident, or (b) the accident results in personal injuries requiring outside medical attention or in greater than minimal damage to property. Such testing will be required without regard to whether the Facility has any reasonable suspicion of drug usage, while under the influence of drugs, or reasonable suspicion to believe the employee was at fault in the accident and drug usage may have been a factor.

The employee is responsible for reporting such an accident to his or her supervisor and submitting a urine specimen as soon as possible after the accident. An employee who is seriously injured and cannot provide a specimen at the time of the accident must provide the necessary authorization for obtaining hospital records and other documents that would indicate whether there were any controlled substances in his or her system. The failure or refusal of an employee to fulfill these responsibilities will subject him or her to disciplinary action, up to and including discharge, in accordance with the collective bargaining agreement and Civil Service requirements, if applicable.

D. Random

(1) Post-Rehabilitation

If an employee is required by the Facility to enter a drug rehabilitation program, as outlined elsewhere in this policy, he or she will be subject to unannounced random testing up to four times during the one-year period after successful completion of the rehabilitation program.

Upon such an employee's return to work, he or she will be subject to unannounced random drug testing up to four times during the one-year period after completion of the rehabilitation program. If the employee has a verified positive drug test at any time during that year, he or she will be subject to disciplinary action, up to and including discharge, in

accordance with the collective bargaining agreement and Civil Service requirements, if applicable.

E. Management Responsibilities

A manager or supervisor requesting that an employee be required to submit to a drug test must document, in writing, the fact constituting reasonable suspicion.

F. Employee Responsibilities

While the use of medically prescribed drugs is not per se a violation of this policy, the employee shall place in his or her personnel file any prescribed drug that he or she is taking.

In the event, there is a question regarding an employee's ability to safely and effectively perform assigned duties while using prescribed drugs, clearance from a qualified physician shall be required.

IV. CONSEQUENCES OF A REPORTED POSITIVE TEST RESULT

If the MRO has verified a positive test result and notified the Facility, the employee will be considered medically unqualified to work for the facility and subject to disciplinary action, up to and including discharge, in accordance with the collective bargaining agreements and Civil Service requirements, if applicable. However, any employee testing positive for drugs will be granted a one-time opportunity to successfully complete a drug rehabilitation program, as provided under Cook County's medical insurance plan(s). Any cost of rehabilitation, over and above that paid by the County's medical insurance plan(s), must be borne by the employee. The Employee Assistance Program ("EAP"), in consultation with the employee, will help the employee to enroll in an appropriate rehabilitation program.

During the employee's period of rehabilitation treatment, he or she will be placed on sick leave, as governed by the collective bargaining agreement. No disciplinary action will be taken provided the employee successfully completes such a program, including the employee's full cooperation with the treatment center and the Facility.

If the employee is allowed to return to work after participating in an approved drug rehabilitation program, his or her return must be authorized by the program's attending physician. The attending physician must certify that the employee can meet the safety and performance standards of the Facility.

V. VOLUNTARY REHABILITATION PRIOR TO TESTING

To encourage employees with substance abuse problems to enroll voluntarily in a drug rehabilitation program, any employee will be permitted to enroll in such a program on a one-time basis. To be considered voluntary, (a) the employee's request to enroll in such a program must be made to the EAP prior to a request by the Facility that the employee submit to drug testing, and (b) the employee must successfully complete the program, including full cooperation with the treatment center and the Facility.

Any leave of absence required for the program will be treated as sick leave and will be governed by Cook County's medical insurance plan(s) and the collective bargaining agreement. Any cost of rehabilitation, over and above that paid by Cook County medical insurance plan(s), must be borne by the employee.

The employee's return to work must be authorized by the program's attending physician. The attending physician must certify that the employee can meet the safety and performance standards of the Facility. The employee also will be required to submit to a drug test as part of his or her return-to-work physical examination. Employees who voluntarily enter a drug rehabilitation program are not subject to the Post-rehabilitation random testing.
