# COLLECTIVE BARGAINING AGREEMENT

## PREAMBLE

This Collective Bargaining Agreement is made and entered into by and between the SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 73, hereinafter referred to as the "Union," and the COUNTY OF COOK, hereinafter referred to as the "Employer" or "County."

## **ARTICLE I** Recognition

### **Section 1.1 Representation:**

The County recognizes the Union as the sole and exclusive representative for all employees of the County at the Stroger Hospital of Cook County, Provident and Oak Forest Hospitals and Cermak Health Services in the job classifications set forth in Appendix A of this Agreement (except those employees working less than twenty (20) hours per week), and excluding all office employees, supervisors and all other employees.

### **Section 1.2 Union Membership:**

The County does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee as a condition of membership.

The County shall grant the Union thirty (30) minutes at the end of the orientation of new employees to present the benefits of union membership, at which time the Union may give the employees a copy of this Agreement.

The County and Union agree to communicate monthly regarding the time and place of the orientation. A steward designated by the Union shall be given reasonable notice of the orientation and he/she shall also be released with pay for such purpose.

### **Section 1.3 Dues Checkoff:**

The Union has established a political action committee which is called SEIU COPE. Union members may contribute voluntarily to this committee to support the political activities of the Union.

The Employer agrees to deduct the contribution amount established by the committee per pay period from the wage of employees who voluntarily authorize in writing such deductions. Such amounts shall be forwarded in a separate check thirty (30) days after the close of the pay period for which the deductions are made.

### **Section 1.4 "Fair Share:**

1. The County shall grant "Fair Share" to the Union in accordance with Sections 6(e)-(g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than fifty percent (50%) of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees

covered by this Agreement will within thirty (30) days of the Union meeting said condition or within thirty (30) days of their employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees or (2) pay to the Union each month their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.

2. Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the amount constituting said fair share, not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.
3. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names of and addresses of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.
4. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, fifty percent (50%) of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the Fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

5. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

**Section 1.5 Religion Exemption:**

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their fair share of Union dues, as described in Section 1.4 of this Article, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6(g) of the Illinois Public Labor Relations Act.

**Section 1.6 Indemnification:**

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

**Section 1.7 Fair Representation:**

The parties agree that classifications and units of unrepresented employees shall be free to communicate with and to choose or not choose representation by the Union. Such a choice shall be made consistent with the Illinois Labor Relations Act and in accordance with the procedures established by the Illinois Labor Relations Board.

**ARTICLE II**

**Employer and Union Rights and Obligations**

**Section 2.1 Community Interest:**

The parties acknowledge the interest of the general community in the medical care offered by the Hospital and its employees, and declare their intent that this humanitarian service shall not be interrupted by reason of any dispute or disagreement among the Union, the Hospital or its employees. The purpose of this Agreement is to establish and maintain harmony and cooperation between the Hospital and the employees by setting forth the complete understanding between the County and Union with respect to wages, hours and other terms and conditions of employment of such employees, and to provide an orderly procedure for the prompt and fair disposition of any grievances that might arise, thereby assuring patients at the Hospital that, with the flexibility in the use of Hospital personnel provided herein, they will receive efficient and uninterrupted care at all times.

**Section 2.2 County Authority:**

For the purpose of assuring the maintenance of efficient and uninterrupted medical care, and recognizing that all functions of the Hospital are integrally related to such care, the parties agree that the County shall have full right and authority to manage all functions of the Hospital and to direct its employees, except as such rights are specifically limited by this Agreement. These rights include, but are not limited to, the right to manage the business of the Hospital; to determine standards of patient care; to develop and use new methods, procedures and equipment; to train employees; to decide whether to purchase or use its own personnel; to direct the working force; to determine the schedules and nature of work to be performed by employees, and the methods, procedures and equipment to be utilized by the employees in the performance of their work; to eliminate, consolidate and develop new classifications, operating units and departments; to achieve the highest level of employee performance and production consistent with safety, good health and sustained effort; to make and enforce reasonable rules of conduct and regulations; to hire, lay off, promote and transfer employees, to discipline or discharge employees for just cause; to utilize employees wherever and however necessary in cases of emergency, or in the interest of patient care or the efficient operation of the Hospital; and to maintain safety, efficiency and order in the Hospital. The exercise or non-exercise of rights hereby retained by the County shall not be construed as waiving any such right, or the right to exercise them in some other way in the future.

**Section 2.3 County Obligation:**

The Union recognizes that this Agreement does not empower the County to do anything that it is prohibited from doing by law.

**Section 2.4 Employee and Management Obligation:**

The parties recognize that there may be reasonable differences of opinion as to whether a particular work assignment to an employee is within a specific limitation of this Agreement. It is agreed that in such instance the employee shall comply with the assignment and shall then utilize the grievance procedure, if necessary, to settle the difference.

**Section 2.5 Union and County Meetings Health Care:**

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, which agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

The subjects of consolidations and/or closures of positions and the possible effects of staffing levels on patient care shall be appropriate topics at such meetings. This shall not preclude the Union from utilizing remedies otherwise available, if any.

**Section 2.6 Union and County Meetings:**

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and County agree to meet periodically through designated representatives at the request of either party and at mutually agreed upon times and locations. The party requesting the meeting shall prepare a written agenda one (1) week prior to meeting if so asked by the other party. The Union and County shall each designate not more than five (5) representatives to a labor-management committee for this purpose. Both parties agree that prompt responses to issues raised in these meetings are of primary importance. Therefore, the time frame by which responses shall be provided to issues raised in these meetings will be determined by the designated representatives.

**ARTICLE III  
Hours of Work and Overtime**

**Section 3.1 Purpose of Article:**

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week, or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

**Section 3.2 Regular Work Periods:**

The regular work day for a full-time employee shall consist of eight (8) consecutive hours of work within the twenty-four (24) hour period beginning at his/her scheduled starting time. The

length of paid lunch periods and breaks presently granted at each institution shall remain in effect, provided that total time for lunch and break is not less than one (1) hour. The regular pay period shall consist of two (2) regular work weeks.

**Section 3.3 Overtime Pay:**

An employee shall be paid one and one-half (1½) times the total of the employee's regular hourly rate (including any shift differential) for all hours worked in excess of eight (8) in any regular work day, or over eighty (80) in any regular pay period. Daily overtime pay shall not be paid for excess hours worked on any day because of a permanent change in an employee's schedule, if the employee is free from all duty for at least eight (8) hours after completing his/her first eight (8) hours of work that day. Employees shall not be laid off from their regularly scheduled work to avoid the payment of overtime.

**Section 3.4 No Duplication of Overtime Pay:**

There shall be no pyramiding or duplicating of overtime pay. Hours compensated for at overtime rates under one (1) provision of this Agreement shall be excluded as hours worked in computing overtime pay under any other provision. When two (2) or more provisions requiring the payment of overtime or other premium pay are applicable, the one (1) most favorable to the employee shall apply.

**Section 3.5 Time Considered As Time Worked:**

Paid vacation time and holiday time, including a compensating day off as defined in this Agreement, shall be considered as hours worked for the purpose of computing overtime. Time spent on jury duty shall also be considered as time worked for overtime purposes.

**Section 3.6 Overtime Work:**

Employees will be expected to perform any reasonable amounts of overtime work assigned to them. The County will attempt to assign overtime work to the employees who are immediately available when the need for overtime occurs and who normally and customarily perform the work involved, except that in cases of emergency the County may assign the overtime work to any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a department or operating unit. In the event an employee for any reason does not receive a fair share of overtime, the employee shall not be entitled to payment for overtime not worked, but the Hospital will, when the matter is called to its attention, give preference to such employee with respect to future overtime assignments for which he/she would be normally eligible until a reasonably fair balance in the overtime distribution is re-established. The Hospital shall maintain such records as may be necessary to establish the overtime hours worked by each employee, such records shall be available for inspection by the Union.

**Section 3.7 Rest Periods:**

The number and length of rest periods presently granted at each institution shall remain in effect, except that if a lunch period is forty-five (45) minutes or less, employees will be given a break period if a break period is not already granted. Where two (2) break periods are allowed, it is generally understood that one (1) shall be granted in the first four (4) hours of work but no earlier than the first two (2) hours worked, and the remaining break period shall be in the second four (4) hours of the shift provided that when due to operational needs, it is not possible to provide

the employees with their breaks, the employees shall receive a lunch period of one (1) hour. Part-time employees who work six (6) hours shall be entitled to one (1) break of fifteen (15) minutes. Employees assigned to work overtime for a continuous period of four (4) hours or more beyond their regular work day will be granted an additional rest period of fifteen (15) minutes. Employees assigned to work overtime for a continuous period of eight (8) hours or more beyond their regular work day shall receive two (2) rest periods of fifteen (15) minutes and a forty-five (45) minute paid lunch period.

**Section 3.8 Flextime:**

Flex time schedules shall be granted for legitimate and compelling personal reasons when consistent with the operational needs of the Hospital. Requests for flex time must be submitted by the employee at least two (2) weeks in advance or when the situation is first known to the employee but in no event less than one (1) week before the flex time schedule becomes effective. Flex time privileges may be canceled or suspended by the Employer for legitimate operational reasons or due to misuse by the employee with proper timely notification.

**Section 3.9 Call-In Pay:**

In the event an employee is called into work and their services are no longer needed, the employee shall be paid a minimum of three (3) hours of their rate of pay.

**Section 3.10 Provident Hospital:**

The County shall establish work schedules two (2) pay periods in advance where they are normally and customarily used, the schedules shall be posted in the employee's department. After the work schedule has been posted changes shall be made only for legitimate hospital operations. Employees whose schedules are changed shall normally be notified at least seven (7) days in advance of the change. Employees shall not be laid off from their regularly scheduled work to avoid the payment of overtime.

Employees may switch work shifts and days off either temporarily or permanently with approval from their department head or designee. The department head or designee shall respond to the requested change within seven (7) days of receiving the employee's written request.

Employees will not be required to be involved in developing policy manuals and will not be held responsible for the policy manual.

**Section 3.11 Schedules:**

The County shall establish work schedules one (1) pay period in advance where they are normally and customarily used, the schedules shall be posted in the employee's department. After the work schedule has been posted changes shall be made only for legitimate hospital operations. Employees whose schedules are changed shall normally be notified at least seven (7) days in advance of the change. Employees shall not be laid off from their regularly scheduled work to avoid the payment of overtime.

Employees may switch work shifts and days off either temporarily or permanently with approval from their department head or designee. The department head or designee shall respond to the requested change within seven (7) days of receiving the employee's written request.

**Section 3.12 Employee Health Service:**

Employees incurring any occupational illness or injury shall be paid for time spent during their regular work day at the direction or request of the Hospital in obtaining medical care from Employee Health Service. Employees incurring non-occupational illness or injury during their regular work day shall be paid for time spent at the direction or request of the Hospital in obtaining emergent and urgent care from Employee Health Service, but shall not be paid for time spent thereafter in obtaining follow-up, long term or in-depth care from Employee Health Service or their private physician or health facility. Employees taking physical exams or obtaining clearances in return to work after a non-occupational illness or injury shall be paid for time so spent during the regular work day at the direction or request of the Hospital.

## **ARTICLE IV**

### **Seniority**

#### **Section 4.1 Probationary Period:**

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be ninety (90) calendar days. The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees, and the Union shall be consulted about the instituting of any such training program which extends the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any lawful reason, and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of most recent hire.

#### **Section 4.2 Definition of Seniority:**

Seniority is an employee's length of most recent continuous employment at the Hospital since his/her last hiring date.

#### **Section 4.3 Promotion and Lay-off Preference:**

In cases of promotion, layoff for a period in excess of five (5) days, and recalls for a period in excess of five (5) days, preference shall be given to employees as hereafter provided on the basis of:

- (a) Seniority, and
- (b) Ability and fitness to perform the required work.

When determining ability as stated in part (b), the amount of lab experience of an individual shall be considered, and where sufficient, be given as equal a weight as a required degree, where this substitution does not conflict with any state or federal requirements.

When the qualifications in (b) are equal among the employees involved, seniority is hereinafter provided shall be controlling.

#### **Section 4.4 Reduction in Work Force:**

The Union and the County agree that security in employment becomes relatively more important as employees increase their service at the Hospital. Should the County find it necessary to decrease the number of employees working within a job classification, the County shall give written notice to the Union at least three (3) weeks prior to the effective date of layoff of

employees, except when a layoff of five (5) days or less is made under Section 4.3, in which case no notice need be given before or after such period. During that interim period the County will meet with the Union to discuss any alternatives to the layoff of employees. Prior to the layoff of any bargaining unit employees the County shall first layoff all temporary and probationary County employees. Employees in the affected classifications shall be initially selected for layoff in accordance with Section 4.3 of this Article, and shall be given notice thereof at least two (2) weeks prior to the effective date, except when a layoff of five (5) days or less is made under Section 4.3 of this Article, in which case no notice need be given before or after such period. At the time notice of layoffs is given to the Union, Cook County will provide the Union with a list of employees impacted with their respective seniority. Prior to the displacement meeting, Cook County will provide a list of all SEIU bargaining unit vacancies by classification, department, and location.

An employee so selected shall be transferred to any other classification in which there is a vacancy, or which is filled by another employee who has not completed his/her probationary period, or, if neither such situation exists, the employee so selected shall be permitted to exercise bumping rights, all in accordance with Section 4.3 of this Article, as follows:

- If Non-ACHN: First within the Department/Division, then Division/Department, then the Facility and then throughout the Bureau of Health
- If ACHN: First within the Clinic, then the Region and Hub Facility, then throughout the Bureau of Health

To the extent that it is consistent with the efficient operation of the Hospital and the seniority of the employees, those employees initially selected for layoff will be transferred to positions on the same shift as that worked by them immediately prior to being selected for layoff. Employees not having the right to be transferred to any job shall be laid off, and employees initially selected for layoff may accept it in lieu of any transfer as provided in this Section. Employees laid off as a result of this procedure shall be subject to recall in accordance with the provisions of Section 4.3 of this Article before hiring new employees. Employees will be recalled to the classification held by them at the time of layoff, if a vacancy exists. Employees otherwise will be recalled to a vacancy in another classification, and subsequently returned to their classification prior to the layoff, all in accordance with Section 4.3 of this Article. Employees may refuse recall to a classification other than that from which they were laid off.

Pursuant to agreement between the Cook County Health and Hospitals System and the Union dated June 30, 2011, the following terms of the June 30, 2011 order issued by Arbitrator Edwin Benn are hereby incorporated into this Agreement:

1. With respect to the Termination of Seniority provisions in any applicable collective bargaining agreement, employees laid off in January of 2010 will have two years of recall rights instead of one. During the layoff, employees will not continue to accrue seniority, but if they are recalled within two years, they will retain the seniority they had as of the date of layoff.
2. HHS began the notice process under Article IV in October of 2009. However, in

order to accommodate requests of Local 73 for system-wide bumping rights which HHS and the County do not believe are required by certain of the applicable collective bargaining agreements, HHS sent additional notices to employees who may be affected by the process and who may be "bumped" as a result of the system-wide procedural steps requested by Local 73. Please note that additional employees who are "bumped" will be notified of the action during the layoff process and allowed to exercise rights under Section 4.4.

3. HHS has identified the least senior employees in each classification at each facility. In addition, the employees have been ranked in each classification in each facility by seniority.
4. For purposes of this layoff only, and not for purposes of amending the Oak Forest Hospital Service & Maintenance Collective Bargaining Agreement, the Transporter positions in the "DC" and the "DE" classifications at Oak Forest Hospital only shall be treated as a single classification as the job requirements are substantially similar.
5. For the purposes of this layoff only, and not for purposes of amending Article IV, seniority will be determined by reference to most recent hire date with the County. In the event two employees have equal hire dates, the order of selection and seniority for this layoff will be determined on a "last name alpha basis" with A being given preference to B and so on. Just as "Adam" has precedence over "Baker", "Cane" would have preference over "Cone". Definitions of seniority in the applicable CBA's will continue to govern seniority issues for all other purposes.
6. Employees identified for layoff will be listed in order of seniority without regard to job title or classification. Employees then will be allowed to exercise their rights under Article IV in the order of seniority (with the most senior employee acting first) as defined in this email.
7. An employee first will be allowed to claim vacancies for positions in any classification for which the employee is qualified based on ability and fitness, and as set forth in the job description for the position.
8. If no vacancy exists, then the employee will be allowed to "bump" employees in probationary positions.
9. If the foregoing steps in (7) and (8) do not result in the placement of the employee, he or she will be allowed to "bump" system-wide beginning with his or her current classification. Only if the employee cannot "bump" within his or her classification, will the employee be allowed to "bump" down in pay grades sequentially.
10. For any employee "bumping down", he or she will be allowed to review and bump a less senior employee in the next pay grade down, provided the employee

is qualified for the position.

11. If there is an available position in the next pay grade down from the employee exercising rights, he or she must either accept the position or accept layoff.
12. If there are no "bumping" opportunities in the next lower pay grade down for the employee identified for layoff, the employee then will continue to the following lower pay grades, sequentially, until a placement opportunity arises. If there is an available position in the next lower pay grade down from the employee exercising rights, he or she must either accept the position or accept layoff. No employee may forego a "bumping" opportunity to take a position in a lower pay grade. The bumping process for any employee will end when the first position is available for which the employee is qualified. The employee must accept that position or accept layoff.
13. Employees must qualify themselves for placement into a position at the time of layoff. This means they must bring supporting documentation acceptable to management, certifications and/or proof of education and training to verify their qualification for a new position if they exercise rights to claim a vacancy, or bump a probationary or less-senior regular employee.
14. All employees affected by the layoff must be present at the meetings. SEIU Local 73 is authorized to and must make a selection on behalf of any absent employee or any employee who otherwise is unable to attend the meeting.

**Section 4.5 Promotion and Assignment: Non-ACHN:**

Suspensions will be discarded from an employee's personnel file forty-eight (48) months from the date the suspension was issued, provided the employee has not received discipline for the same or similar offense during that forty-eight (48) month period. Once discipline is removed, it will not be considered in determining future disciplinary actions; provided, however, that neither the employee nor the Union will claim in any subsequent arbitration that the employee had a "clean" or "unblemished" record. In the event the Union or the employee makes such a claim or claims the County will be free to use any discipline issued to the employee regardless of the provisions of this Section.

The employee may temporarily remain in the existing position until it is filled through the posting and bidding procedures. If the employee fails to retain the position or obtain any other position through the bidding procedures, the employee shall be placed on layoff pursuant to Section 4.4 of this Article; however, if laid off, the employee will not be recalled to any job until it has been posted and bid upon by active employees. If the parties are unable to agree on the rate of pay, the County may put a rate into effect, and the Union, thereafter, may submit any dispute to the grievance procedure.
- B. An employee also may request that his/her position be reclassified, and the request will be reviewed by the employee's Department Head; if the Department Head agrees that the request is reasonable and/or justified, the Department Head will promote the employee if possible, or include this reclassification in the forthcoming departmental budget request. The County will discuss any reclassifications with the Union prior to implementation.

Subsequent increases within any new classification shall occur as of the first pay period commencing after the effective date of placement in the new classification.

In all cases of promotion, the effective date will set a new anniversary date.

In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified.

C. Demotions:

The following shall apply to demotions from one grade to another:

1. An employee performing the duties of a job continuously since the beginning of Fiscal Year 1960, and demoted to a job in a lower salary grade, shall have the salary adjusted in the new job to the same step of the new salary grade as was received in the salary grade of the job from which demoted.

Temporary assignments of such employees to the day shift shall not affect their right to receive such shift differential as part of their vacation pay.

**Section 7.5 Vacation Preference and Scheduling:**

Insofar as practicable, vacations will be granted to meet the requests of the employees, and seniority will control in conflicts in scheduling vacation periods. However, to insure the orderly operation of the Hospital and in the interest of patient care, the right to limit the number of employees who will be permitted to be on vacation at any one time is reserved to the County. ### **Section 9.4 School Conference and Activity Leave:**

The Employer agrees to comply with the provisions of the School Visitation Rights Act ("Act"), which at the time of the execution of this Agreement includes the following allowances for school conference and activity leave. The Employer must grant an employee leave of up to a total of eight (8) hours during any school year in increments of no less than one (1) hour, no

more than four (4) hours of which may be taken on any given day, to attend school conferences or classroom activities related to the employee's child. In the event of a conflict between the terms of this section and any subsequent amendment by the Act, the subsequently amended Act shall prevail.

## **ARTICLE X Leaves of Absence**

### **Section 10.1 Regular Leave:**

An employee not affected by the leave of absence rules of the Civil Service Commission of Cook County may be granted a leave of absence without pay by the Department Head, with the written approval of the Comptroller of Cook County. Such leave shall be intended to take care of emergency situations and shall be limited to one (1) month for every full year of continuous employment by the County and/or Cook County Health Facilities, not to exceed one (1) year, except for military service.

An employee desiring a leave of absence shall make written application to his/her immediate supervisor, who will then refer the application to the Department Head. If approved by the Department Head, the application will then be forwarded to the Cook County Comptroller for consideration. The application shall include the purpose for the leave of absence and the dates for which the leave is requested. An employee granted a leave of absence shall be eligible, when such leave expires, to receive the salary and the same or comparable position at the time the leave was granted.

Absence from County service on leave without pay for periods in excess of thirty (30) calendar days, all suspensions, time after layoffs for more than thirty (30) calendar days but less than one (1) year, and all absences without leave shall be deducted in computing total continuous service and will effect a change in anniversary date.

### **Section 10.2 Sick Leave:**

Employees absent or expecting to be absent from work due to their illness for any period of intended absence beyond the use of any accumulated vacation days, sick days or compensatory days, are required to request a leave of absence. Applications for sick leaves or any extensions thereof shall be handled in the manner specified in Section 10.1 of this Article, and shall not be denied for periods of bona fide disability.

Employees shall be granted maternity or paternity leaves of absence to cover periods of pregnancy and post-partum child care. The length of such leave, in general, shall not exceed six (6) months, but may be renewed by the Department Head. In addition, an employee who has at least two (2) years of service and has a need to be absent from work

to meet family responsibilities arising from the employee's role in his/her family or household may, upon request and for good cause shown, be granted a leave of absence for a period not to exceed a total of six (6) months (increasing up to one (1) year for those employees who have accrued personal leave entitling them to more time under current County policy) without pay. Insurance coverage shall be maintained only in accordance with the Family Medical Leave Act ("FMLA"), i.e., up to twelve (12) weeks and meeting FMLA standards.

**Section 10.3 Seniority on Leave:**

An employee on an approved leave of absence shall retain seniority, but shall not accrue pension benefits during such period (except as may be otherwise provided in the County's pension plan). Nor shall such period count toward an employee's entitlement to automatic progression in wage scale based on length of service. An employee returning from a leave of absence under Section 10.1 or 10.2 of this Article will be entitled to return to the same or comparable position held prior to commencement of such leave, if the employee has sufficient seniority.

**Section 10.4 Retention of Benefits:**

An employee will not earn sick pay or vacation credits while on a leave of absence. An employee on a leave of absence, except for maternity or paternity leave, will be required to pay the cost of the insurance benefits provided in Article VIII in order to keep these benefits in full force and effect during the period of leave. Arrangements for payments of such costs through normal deductions or otherwise must be made with the Hospital's Payroll Office prior to departure on the leave. For the failure to make such arrangements, the County may cancel insurance benefits, which will be reinstated upon the employee's return to work, subject to such waiting period and other rules and regulations as may be applicable to the insurance plan.

**Section 10.5 Union Leave:**

A leave of absence not to exceed one (1) year without pay, will be granted to an employee who is elected, delegated or appointed to participate in duly authorized business of the Union which requires absence from the job. Such employees shall have the same returning rights as a regular leave of absence. Employees duly elected as delegates of the Union will be allowed time off without pay, to attend State and National conferences and conventions of the Union, not to exceed ten (10) working days for all employees. Sick pay, vacation and insurance benefits will be provided as set forth in Section 10.4 of this Article.

**Section 10.6 Military Leave:**

Employees who enter the armed services of the United States shall be entitled to all the re-employment rights in accordance with State and Federal laws. An employee who has at least six (6) months or more of continuous actual service and is a member of the Illinois National Guard or any of the Reserve Components of the Armed Forces of the United States shall be entitled to a leave of absence with full pay for limited service in field training, cruises, and kindred recurring obligations. Such leave will normally be limited to eleven (11) working days in each year or as extended in accordance with Cook County Policy on Military Leave.

**Section 10.7 Maternity Leave:**

Employees shall be granted maternity or paternity leaves of absence to cover periods of pregnancy and post partum child care. The length of such leave, in general, shall not exceed six (6) months, but may be renewed by the department head.

The following rules shall apply:

1. An employee who will require a maternity leave shall inform her supervisor in writing of her request no later than three (3) months prior to her expected date of delivery and shall present a signed statement by her physician stating the expected date of delivery.

2. A pregnant employee may continue in her assignment as long as her attendant physician deems her to be able to perform her normal work routines. Her physician shall specify in writing the latest date maternity leave shall commence.
3. An employee who has been absent due to maternity leave shall be eligible for reinstatement as soon as her physician deems her to be able to assume her regular duties. The employee shall report to work with a written statement from her physician advising that the employee is physically capable of returning to her duties.
4. Upon return from maternity leave the reinstatement rights of the employee will be identical to those of an employee returning from an ordinary disability leave.

**Section 10.8 Educational Leave:**

Upon request, a leave of absence for a period not to exceed one (1) year may be granted to a full time employee with at least two (2) years of County service, if operational needs allow, in order that the employee may attend a recognized college, university, trade or technical school, or high school, provided that the course of instruction is logically related to the employee's employment opportunities with the County. Such leave shall not be arbitrarily or capriciously denied. Such leave may be extended for good cause and in accordance with the operational needs of the County.

**ARTICLE XI  
Grievance Procedure**

**Section 11.1 Policy:**

The provisions of this Article supplement and modify the provisions of the County's Grievance Procedure applicable to all employees.

**Section 11.2 Definition:**

A grievance is a difference between an employee or the Union and the County with respect to the interpretation or application of, or compliance with, the agreed upon provisions of this Agreement, the County's rules and regulations or disciplinary action. The Union will send copies of grievances appealed or submitted at steps 3 and 4 to the County's Director of Human Resources.

**Section 11.3 Representation:**

Only the aggrieved employee(s) and/or representatives of the Union may present grievances. Employees may take up grievances through steps 1 to 4 either on their own and individually or with representation by the Union. If an employee takes up a grievance without Union representation, any resolution of the grievance shall be consistent with this Agreement and the Union representative shall have the right to be present at such resolution. A grievance relating to all or a substantial number of employees or to the Union's own interests or rights with the County may be initiated at Step 3 by a Union representative.

**Section 11.4 Grievance Procedure Steps:**

The steps and time limits as provided in the County's Grievance Procedure are as follows:

<b><u>Step</u></b>	<b><u>Submission Time Limit This Step (Calendar Days)</u></b>	<b><u>Submitted</u></b>	<b><u>Time Limits Meeting</u></b>	<b><u>Response</u></b>
1	30 days	Dept/Division Head or Designee	10 days	5 days
2	7 days	Chief Operating Officer/Designee	10 days	10 days
3	10 days	Chief, Bureau of Human Resources/Hearing Officer (with a copy to affiliate HR Director)	30 days	30 days  (Status Report to Union if exceeded)
4	30 days	Impartial Third Party Arbitration		

Step 3 shall consist of a meeting that is held at least once every thirty (30) days on a pre-scheduled basis. The parties shall consult with each other at least ten (10) days in advance as to which grievances will be discussed. If the volume of grievances requires additional meetings, additional dates will be agreed upon. The parties can agree upon additional meetings to continue resolution discussions as to specific grievances.

**Section 11.5 Time Limits:**

Initial time limit for presenting a grievance shall be thirty (30) days and the same limit shall apply to hearings and decisions at step 4. Time limits may be extended by mutual agreement in writing between the employee and/or the Union and the County.

Priority shall be given to grievances in the following order:

1. Discharges
2. Suspensions
3. Other issues

Time limits shall be strictly enforced for all discharges, with every effort made to provide answers earlier than the specified time limits, if possible. Neither the Union nor the County shall waiver from the established time limits unless by mutual agreement. This does not preclude timely answers for all other types of grievances.

**Section 11.6 Stewards:**

Stewards shall be allowed to attend authorized meetings with Union representatives during normal hours without loss of pay. Such meetings shall be limited to a maximum of four (4) per year per steward.

The Union will advise the County in writing of the names of the stewards in each department or area agreed upon with the County and shall notify the County promptly of any changes. Upon obtaining approval from their supervisor before leaving their work assignment or area, stewards will be permitted to handle and process grievances referred by employees at the appropriate steps of the grievance procedure during normal hours without loss of pay, provided that such activity shall not exceed a reasonable period of time.

**Section 11.7 Union Representatives:**

Duly authorized business representatives of the Union will be permitted at reasonable times to enter the Hospital for purposes of handling grievances or observing conditions under which employees are working. These business representatives will be identified to the Hospital's Director/Designee in a manner suitable to the County, and on each occasion will first secure the approval of the Hospital Director/Designee to enter the Hospital and conduct their business so as not to interfere with the operation of the Hospital. The Union will not abuse this privilege, and such right of entry shall at all times be subject to general Hospital and medical office rules applicable to non-employees.

The County will grant the Union an opportunity during orientation of new employees to present benefits of Union membership, at which time the Union may give such employees a copy of this Agreement.

**Section 11.8 Impartial Arbitration:**

If the Union is not satisfied with the Step 3 answer, it may within thirty (30) days after receipt of the Step 3 answer submit in writing to the County notice that the grievance is to enter impartial arbitration. The County proposes a permanent list of arbitrators to be mutually agreed upon. The Union and the County will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding.

Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the Board and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the Arbitrator in writing by the County and the Union. His/her decision must be based solely upon his interpretation of the meaning or application of the express relevant language of the Agreement.

The Union and the County shall meet within thirty (30) days after the effective date of this Agreement for the purpose of selecting a permanent panel of seven (7) arbitrators. The arbitrators shall be selected on a rotating basis. Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The struck arbitrator will proceed on the cases currently assigned, but will not receive any new case assignments. In the event that an arbitrator is struck from the panel, the parties shall meet as soon as possible to choose a mutually agreed upon replacement. Nothing herein shall prevent the parties, by mutual agreement, from selecting an arbitrator from outside the panel. Absent such mutual agreement, the arbitrator shall be selected from the panel in accordance with the above procedure.

**Section 11.9 Right to Union Representation:**

An employee shall be entitled to the presence of a Union representative at an investigatory interview if he/she requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against him/her.

**Section 11.10 Expedited Arbitration:**

The parties may mutually agree that a grievance shall be submitted to expedited arbitration. If the parties agree to expedited arbitration, the following provisions of this paragraph shall apply. Immediately upon notification of the designated arbitrator, the parties shall arrange a place and date to conduct a hearing within a period of no more than thirty (30) calendar days, unless the parties agree to a longer period. If the designated arbitrator is not available to conduct a hearing within the thirty (30) calendar days and the parties do not otherwise agree to a longer period, the next panel member in the rotation shall be notified until an available arbitrator is obtained. Nothing herein precludes multiples case being heard on the same day before the same arbitrator.

The hearing shall be conducted under the following procedures:

- a. the hearing shall be informal;
- b. no briefs shall be filed or transcripts made;
- c. there shall be no formal rules of evidence; however, the arbitrator shall only rely on credible relevant evidence;
- d. the hearing shall normally be completed within one (1) day;
- e. the arbitrator may issue a bench decision at the hearing, but in any event shall render a decision within seven (7) calendar days after the conclusion of the hearing. Such decision shall be based on the evidence before the arbitrator and shall include a brief written explanation of the basis for such conclusion. Any arbitrator who issues a bench decision shall furnish a written copy of the award to the parties within seven (7) calendar days of the close of the hearing.

The decision of the arbitrator shall be final and binding, except that it shall not be regarded as precedent or be cited in any future proceeding.

The parties further agree to increase the arbitration panel from seven (7) arbitrators to twelve (12) arbitrators.

**ARTICLE XII  
Continuity of Operation**

**Section 12.1 No Strike:**

The Union will not cause or permit its members to cause, and will not sanction in any way, any work stoppage, strike, picketing or slowdown of any kind or for any reason, or the honoring of any picket line at the Hospital, or other curtailment, restriction or interference with any of the County's functions or operations; and no employee will participate in any such activities during the term of this Agreement or any extension thereof.

**Section 12.2 Union Responsibility:**

Should any activity prescribed in Section 12.1 of this Article occur, which the Union has or has not sanctioned, the Union shall immediately:

- (a) publicly disavow such action by the employees or other persons involved;
- (b) advise the County in writing that such action has not been caused or sanctioned by the Union;
- (c) notify the employees stating that it disapproves of such action and instructing all employees to cease such action and return to work immediately;
- (d) take such other steps as are reasonably appropriate to bring about observance of the provisions of this Article, including compliance with reasonable requests of the County to accomplish this end.

**Section 12.3 Discharge of Violators:**

The County shall have the right to discharge or otherwise discipline any or all employees who violate any of the provisions of this Article. In such event, the employee or employees, or the Union in their behalf, shall have no recourse to the grievance procedure, except for the sole purpose of determining whether an employee participated in the action prohibited by this Article. If it is determined that an employee did so participate, the disciplinary action taken by the County may not be disturbed. In the taking of such disciplinary action, the County will not discriminate among employees on the basis of race, color or creed.

**Section 12.4 No Lock Out:**

The County agrees that it will not lock out its employees during the term of this Agreement or any extension thereof.

**Section 12.5 Reservation of Rights:**

In the event of any violation of this Article by the Union or the County, the offended party may pursue any legal or equitable remedy otherwise available, and it will not be a condition precedent to the pursuit of any judicial remedy that any grievance procedure provided in this Agreement be first exhausted.

**ARTICLE XIII  
Miscellaneous**

**Section 13.1 No Discrimination:**

No employee shall be discriminated against on the basis of race, color, sex, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, political affiliation and/or beliefs, or activity or non-activity on behalf of the Union. The County and the Union acknowledge that the County of Cook has adopted and implemented a Human Rights Ordinance which will be complied with.

Applicants are to be recruited, selected, and hired without discrimination because of race, color, religion, national origin, political belief, sex, age, disability, or marital status.

**Section 13.2 Safety:**

The County will continue to make reasonable provisions for the safety of its employees during their hours of employment. One (1) employee from the represented unit, mutually agreed upon by the Hospital and the Union, shall serve on the Safety Committee at each Hospital. The parties understand that in certain instances an additional steward may need to attend committee meetings. On these occasions, the Union will give prior notification.

**Section 13.3 Doctor's Statement:**

An employee who has been off duty for five (5) consecutive days or more for any health reason will be required to provide a doctor's statement as proof of illness, and may be required to undergo examination by the facility's or County's physician before returning to work.

For health related absences of less than five (5) consecutive days, a doctor's statement or proof of illness will not be required except in individual instances where the Facility has sufficient reason to suspect that the individual did not have a valid health reason for the absence. If indicated by the nature of a health related absence, examination by a Facility physician may be required to make sure that the employee is physically fit for return to work.

**Section 13.4 Voluntary Workers:**

Voluntary organizations and workers perform services in the Hospital that are a valuable and necessary contribution to the welfare of patients and to the operation of the Hospital. Also, the Hospital engages in education and research which involve persons performing tasks and being taught to perform tasks which are similar or identical to work of employees of the Hospital. The Hospital shall continue to have the right to avail itself of any and all such voluntary services, and to engage in such educational and research activities. No regular employees shall be laid off because of work done by volunteers.

**Section 13.5 Bulletin Boards:**

The County will make bulletin boards available for the use of the Union in non-public locations. The Union will be permitted to have posted on these bulletin boards notices of a non-controversial nature, but only after submitting them to the Hospital Director/Designee for approval and posting. There shall be no distribution or posting by employees of advertising or political material, notices or other kinds of literature on the Hospital property other than herein provided.

**Section 13.6 Partial Invalidity:**

In the event any of the provisions of this Agreement shall be or become invalid or unenforceable by reason of any Federal or State law or local ordinance now existing or hereinafter enacted, such invalidity or unenforceability shall not affect the remainder of the provisions hereof.

**Section 13.7 Uniforms:**

The County and the Union shall discuss the color, style, availability and other problems relating to uniforms required to be worn by employees.

**Section 13.8 Representation at Security Investigations:**

Employees detained by Hospital Security shall be entitled to Union representation. Before interviewing an employee, security shall notify the Union to be present at the interview.

**Section 13.9 Training in New Techniques:**

It is understood by the parties to this Agreement that employees need to be trained in new methods, procedures and techniques as needs arise. This includes, but is not limited to, professional seminars and new equipment operation. Seniority will be the primary consideration in these matters. Primary consideration for attendance at seminars will be given to seniority of employees or on a rotating basis when applicable. Notification of seminars shall be posted by all Departments (e.g., Biochemistry, Blood Bank, Endocrinology, etc.) on their bulletin boards.

When authorized representatives of the Employer determine training is necessary, the Employer will provide and pay for such training to current employees to teach new or different skills pertaining to the employee's job requirements. Time spent by employees in such training will be compensated as hours worked. It cannot be guaranteed that such training will be provided on hospital premises. Employees must successfully complete such training in order to remain qualified for their classification. When training is determined to be necessary, the Employer will notify the Union of such training and its effective date. If necessary, the parties will meet to discuss the implementation of such training.

**Section 13.10 Credit Union:**

The County will continue to deduct from the wages of employees duly authorized deductions for the Union's Credit Union, and shall forward such amounts to the Credit Union. To the extent practicable, the County also will permit use of its premises by the Credit Union.

**Section 13.11 Personnel Files:**

Upon written request to the Department of Human Resources, an employee may inspect his/her personnel file at any time mutually acceptable to the employee and Employer.

The parties agree that there shall be only one (1) official personnel file which is in the Department of Human Resources.

**Section 13.12 Dignity and Respect:**

The County and the Union agree to promote a professional working atmosphere. Employees who believe they have been subjected to unprofessional or inappropriate treatment by a supervisor or co-worker may raise their concern regarding said treatment with the manager of Labor Relations (or equivalent) who will investigate the complaint and advise the employee and the Union of any action taken which has been deemed necessary and appropriate under the circumstances.

**Section 13.13 Supplies:**

Employees are to bring concerns over the quality or lack of necessary supplies and equipment to the attention of their supervisor. If the supervisor is unable to take corrective action, the problem will be promptly brought to the attention of a Divisional Director. Employees shall be kept informed of efforts to remedy any such problems. If such efforts have not resulted in corrective action, a meeting will be arranged at the Union's request with the Facility Administrator or Designee.

**Section 13.14 Parking:**

**JSH**

The Union is to be provided information regarding the allocation of parking spaces at JSH. Following receipt of the information, the Union is to be afforded an opportunity to meet with the person in charge of parking to review issues regarding allocation of parking.

**Cermak**

Parking will be granted to Cermak employees upon completion of the new parking facility. The safety on midnights will be addressed by providing escorts.

**Section 13.15 Direct Deposit:**

Upon the County's ability, through their payroll system, when it is capable, it will be implemented.

**Section 13.16 Distribution of Workloads:**

It is the intention of the parties that workloads will be distributed equitably among the employees in the same job classification within a department or operating unit in consideration of patient care and operational needs. In the event an employee is not treated fairly the issue will be brought to the Hospital's attention or a grievance may be submitted.

The County and the Union agree that quality patient care and an appropriate working environment are important considerations and the County and the Union agree to discuss the Union's concerns regarding staffing levels and changes in working conditions.

**Section 13.17 Job Quality:**

Healthcare workers will not be expected to ignore the responsibilities of their profession.

**Section 13.18 Sub-Contracting:**

It is the general policy of the County to continue to utilize its employees to perform work they are qualified to perform. The County may, however, subcontract where circumstances warrant. The County will advise the Union at least five (5) months in advance when such changes are contemplated and will discuss such contemplated changes with the Union, pursuant to the Illinois Public Labor Relations Act of 1984. The County will work with the Union in making every reasonable effort to place adversely affected employees into other bargaining unit positions.

**Section 13.19 Educational Fund:**

The Employer agrees to allocate funds for educational purposes in each year of the Agreement to be made available to all SEIU, LOCAL 73 bargaining unit employees. The Amount allocated shall be an aggregate total of twenty thousand dollars (\$20,000.00) for all LOCAL 73 bargaining units. Employee requests for such funds shall be for reimbursement for the costs of courses offered through any certified educational institution, including community colleges, continuing adult education, and other training or technical institutions. Such course work shall be employment related. An employee may request funds up to an amount no greater than four hundred dollars (\$400.00) in a fiscal year. Approval for reimbursement shall be offered on an equitable basis.

The parties shall meet within thirty (30) days of the date of this Agreement to work out the details concerning the implementation of this educational benefit. It is understood that the educational benefits provided herein are intended to supplement already existing educational benefits.

**Section 13.20 Job Advancement and Training:**

The Hospital Human Resource Director or designee will direct bargaining unit employees having questions regarding job advancement, including questions regarding skills and training needed for specific jobs and the availability of training inside and outside the Hospital, to the appropriate hospital official.

**ARTICLE XIV  
Duration**

**Section 14.1 Term:**

This Agreement shall become effective on December 1, 2008 and shall remain in effect through November 30, 2012. It shall automatically renew itself from year to year thereafter unless either party shall give written notice to the other party not less than ninety (90) calendar days prior to the expiration date, or any anniversary thereof, that it desires to modify or terminate this Agreement.

In the event such written notice is given by either party, this Agreement shall continue to remain in effect after the expiration date, until a new Agreement has been reached or either party shall give the other party five (5) consecutive days written notice of cancellation thereafter.

**Section 14.2 Notice:**

Any notice under this Agreement shall be given by registered or certified mail; if by the Union then one such notice shall be addressed to the President, Board of Cook County Commissioners, Room 537, with a copy to the County's Chief of Bureau of Human Resources, Room 840, and both addressed to 118 North Clark Street, Chicago, Illinois; or if by the County, then such notice shall be addressed to the Union's President at 300 South Ashland, Suite 400, Chicago, Illinois 60607.
