All insurance required hereunder shall meet the requirements of the County's Department of Risk Management and shall name the County as an additional insured unless such designation is unavailable due to commercial practices in the insurance industry as to a particular type of coverage. With the exception of certificates required to be submitted with the Proposal, Contract shall deliver to the County satisfactory certificates evidencing compliance with this insurance provision prior to commencing performance under the Contract.

Deliverables may be rejected by the Purchasing Agent and/or the Director of the Using Department if they fail to meet Contract requirements or are provided in a manner which does not meet Contract requirements. In the event of such rejection, Deliverables shall be replaced and/or re-performed by the Contractor promptly and at no additional cost to the County. The Contractor expressly understands and agrees that any Performance Bond or insurance protection required of the Contractor, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify the County as hereinabove provided.

For purposes of this Section GC-09, Price Reduction, a general price reduction shall include reductions in the effective price charged by Contractor by reason of rebates, financial incentives, discounts, value points or other benefits with respect to the purchase of the Deliverables. Such price reductions shall be effective at the same time and in the same manner as the reduction Contractor makes in the price of the Deliverables to its prospective customers generally.

GC-10 Contractor Credits

To the extent the Contractor gives credits toward future purchases of goods or services, financial incentives, discounts, value points or other benefits based on the purchase of the materials or services provided for under this Contract, such credits belong to the County and

not any specific using department. Contractor shall reflect any such credits on its invoices and in the amounts it invoices the County.

The complaining party shall submit a written statement detailing the dispute and specifying the specific relevant Contract provision(s) to the Purchasing Agent. Upon request of the Purchasing Agent, the party complained against shall respond to the complaint in writing within five days of such request. The Purchasing Agent will reduce his decision to writing and mail or otherwise furnish a copy thereof to the Contractor and the Director of the Using Department. The decision of the Purchasing Agent will be final and binding. Dispute resolution as provided herein shall be a condition precedent to any other action at law or in equity. However, unless a notice is issued by the Purchasing Agent indicating that additional time is required to review a dispute, the parties may exercise their contractual remedies, if any, if no decision is made within sixty (60) days following notification to the Purchasing Agent of a dispute. No inference shall be drawn from the absence of a decision by the Purchasing Agent. Notwithstanding a dispute, Contractor shall continue to discharge all its obligations, duties and responsibilities set forth in the Contract during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

GC-12 Default

Contractor shall be in default hereunder in the event of a material breach by Contractor of any term or condition of this Contract including, but not limited to, a representation or warranty, where Contractor has failed to cure such breach within ten (10) days after written notice of breach is given to Contractor by the County, setting forth the nature of such breach.

In the event Contractor shall breach any material terms or conditions of this Contract on more than one occasion during any twelve month period during the term hereof, or in the event Contractor expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County may, at its option, declare the Contractor to be in default and the County shall be entitled to exercise all available remedies including, but not limited to, termination of the Contract, without affording the Contractor further opportunity to cure such breach. Failure of County to give written notice of breach to the Contractor shall not be deemed to be a waiver of the County's right to assert such breach at a later time, should the Contractor commit a subsequent breach of this Contract.

County shall be in default hereunder if any material breach of the Contract by County occurs which is not cured by the County within ninety (90) days after written notice has been given by Contractor to the County, setting forth the nature of such breach.

GC-13 County's Remedies

Following notice of material breach to Contractor, the County reserves the right to withhold payments otherwise owed to Contractor until such time as Contractor has cured the breach.

If the Contractor fails to remedy a material breach during the ten (10) day cure period pursuant to General Condition GC-12, Default, or if Contractor commits a subsequent material breach within a twelve month period or expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County shall have the right to terminate this Contract upon written notice to the Contractor which shall set forth the effective date of such termination.

In addition, the County shall have the right to pursue all remedies in law or equity.

GC-14 Contractor's Remedies

If the County has been notified of breach and fails to remedy the breach during the ninety(90) day cure period pursuant to General Condition GC-12, Default, the Contractor shall have the right to terminate this Contract upon not less than thirty (30) days prior written notice to the County, which notice shall set forth the effective date of termination.

Contractor shall have the right to pursue all remedies available in law or equity. In all cases the Contractor's damages shall be those actual provable damages not to exceed the amount of the Contract as awarded by the Cook County Board of Commissioners less all amounts paid to Contractor. In no event shall Contractor be entitled to any consequential damages. Irrespective of the exercise of remedies hereunder, Contractor shall not disrupt the County's operations or repossess any component thereof.

GC-15 Delays

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

GC-16 Modifications And Amendments

The parties may from time to time during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing. Modifications and amendments which individually or cumulatively result in additional cost of \$1,000.00 or greater or which extend the term of the Contract by thirty (30) days or more shall not be deemed as authorized without the approval of the Cook County Board of Commissioners. Modifications and amendments which increase cost by less than \$1,000.00 or which do not extend the term of the Contract by more than thirty (30) days may only be made with the written approval of the Purchasing Agent.

Subject to the foregoing, the Director of the Using Department may, by written order, make changes with respect to the dates of delivery and places of performance of the Contract, provided that any such changes shall not increase the Contract price or the time required for Contract performance.

Contractor is hereby notified that, except for modifications and amendments which are made in accordance with this Section GC-16, Modifications and Amendments, no County department or employee thereof has authority to make any modification or amendment to this Contract.

GC-17 Patents, Copyrights And Licenses

Contractor shall furnish the Director of the Using Department with all licenses required for the County to utilize any software, including firmware or middleware, provided by Contractor as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Purchasing Agent. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Contractor agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and consultants' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Contractor's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

GC-18 Compliance With The Laws

The Contractor shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Contractor's employees, agents or subcontractors shall be the responsibility of the Contractor.

The Contractor shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

GC-19 Minority And Women Business Enterprises

Cook County Ordinance Chapter 10-43.7 Professional And Consulting Service And Sole Source

I. POLICY AND GOALS

A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in the County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women- Owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority-and-Women-Owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five percent (35%) of the annual total dollar amount of professional, consulting service and sole source contracts and agreements to certified MBEs and WBEs.

B. A Proposer may achieve the MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a Mentor-Protégé Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the Proposer's business; or by a combination of the foregoing.

C. A Waiver Request must be submitted with the Proposal, documenting the inability of the Proposer to meet the goals, and providing written evidence of "Good Faith Efforts," to obtain goals.

D. A Proposer's failure to carry out its MBE/WBE commitments in the course of performance on a contract shall constitute a material breach of the contract, and if such breach is not appropriately cured, may result in the termination of the contract or such other remedies authorized by the Ordinance as the County deems appropriate.

II. REQUIRED SUBMITTALS

To be considered responsive to the requirements of the Ordinance, a Proposer shall submit Items A, B and C listed below. All documentation submitted shall be reviewed by the Contract Compliance Administrator. Failure to submit one of the items required shall be cause to consider a contract non-responsive to the Ordinance goals and may be rejected.

A. MBE/WBE Participation Documentation

Each Proposer shall submit supporting documentation which evidences efforts taken to achieve the County's "best efforts" MBE/WBE participation goals. Such documentation shall include:

1. A Utilization Plan identifying all firms intended to be utilized to fulfill the goals; the MBE/WBE status of each firm; the name, address, e-mail address and telephone number of the contact person for each MBE/WBE firm; the dollar value of the goods and services to be provided by the MBE/WBE firm; and the dollar value expressed as a percentage (%) of the total value of the purposed contract. (See Section I)

2. A Letter of Intent for each MBE/WBE containing specific information regarding goods to be provided or services to be performed by the MBE/WBE;

the dollar value of the goods or services, the percentage (%) of the dollar value; and the original signatures of the appropriate officer for both the Proposer and the MBE/WBE. (See Exhibit II)

3. Current Letter of Certification for each MBE/WBE firm. Acceptable certifying agencies are: Cook County, Illinois Unified Certification Program (IUCP) and U. S. Small Business Administration. (SBA) (8A) or any other governmental body or agency approved by the Contract Compliance Administrator as applying certification standards substantially similar to those applied by the County of Cook may also be accepted.

4. Waiver/Goal Reduction Petition must be included at the time of the submission of the Proposal document. Where the Proposer does not include all documentation in support of the Petition at the time of submission, such documentation must be submitted to the Office of Contract Compliance not less than three (3) business days after the submission date.

The Contract Compliance Administrator retains the right to reject the certification of any MBE or WBE on the ground that it does not meet the County's definition of a MBE or WBE.

B. Use of MBE/WBE Professionals

Each Proposer shall submit with its proposal, a statement which discloses how it intends to maximize the use of minority and women professionals in the course of performing the contract.

C. Affirmative Action Plan

Each Proposer shall submit a copy of its current EEO-1 Report and a copy of its current Letter of Compliance from the United States Department of Labor, Office of Federal Contract Compliance Programs. Absent a Letter from OFCCP, the Proposer shall submit a written report of the inclusion of minority and women professional in the workforce of their company.

III. NON-COMPLIANCE

Where the County of Cook determines that the Proposer has failed to comply with its contractual commitments or any portion of the Ordinance, it will notify the contractor of such non-compliance and may take any and all appropriate actions as set forth within the Ordinance.

IV. REPORTING/RECORD KEEPING REQUIREMENTS

The Proposer is required to comply with the reporting and record-keeping requirements as set forth in the Ordinance and as established by the Contract Compliance Administrator. Upon award of a contract, The Proposer is responsible for acquiring all necessary Office of Contract Compliance reporting and record-keeping forms as made available in the Office of Contract Compliance

The Office of Contract Compliance will notify each Contractor and Sub-Contractor upon award of a contract of their reporting obligations (Vendor Notification Letter)

The Office of Contract Compliance will notify each MBE/WBE Sub-Contractor of the award of a contract to a Prime Contractor, the MBE/WBE dollar amount of participation and the percentage (%) amount of participation. The Sub-Contractors will be required to submit on a timely basis, Sub-Contractors Payment Affidavits (see forms section) with proof of payment or money paid to them by the Prime Contractor.

The Office of Contract Compliance requests payment affidavits and proof of payment to MBE/WBE Sub-Contractors as follows:

1. Annual Contracts: monthly reporting from both Prime and Sub-Contractors.
2. Multi Year Contracts: quarterly reporting from both Prime and Sub-Contractors including proof of payments.
3. One time purchases require verification of proof of payment immediately. Failure to comply with this section will be reviewed as non-compliance as stated under Section III. Non-Compliance.

V. EQUAL EMPLOYMENT OPPORTUNITY

Compliance with MBE and WBE requirements will not diminish or supplant Equal Employment Opportunity and Civil Rights provisions as otherwise required by law as they relate to contractor and subcontractor obligations.

Unless otherwise stated in the notice, the effective date of such termination shall be three business days after the date the notice of termination is mailed by the County. If the County elects to terminate the Contract in full, unless otherwise specified in the notice of termination, the Contractor shall immediately cease performance and shall promptly tender to the County all Deliverables, whether completed or in process. If the County elects to terminate the Contract in part, unless otherwise specified in the notice of partial termination, the Contractor shall immediately cease performance of those portions of the Contract which are

Contractor acknowledges and agrees that information regarding this Contract is confidential and shall not be disclosed, directly, indirectly or by implication, or be used by Contractor in any way, whether during the term of this Contract or at any time thereafter, except solely as required in the course of Contractor's performance hereunder. Contractor shall comply with the applicable privacy laws and regulations affecting County and will not disclose any of County's records, materials, or other data to any third party. If Contractor carries out any of its duties under the Agreement through a subcontract with a related organization involving a value of cost of \$10,000.00 or more over a 12 month period, Contractor will cause such subcontract to contain a clause to the effect that, until the expiration of four years after the furnishing of any service pursuant to said subcontract, the related organization will make available upon request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of said subcontract and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of such costs. GC-33 Governing Law

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County in the City of Chicago, County of Cook, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

GC-34 Waiver

Such events shall be limited to acts of God, acts of war, fires, lightning, floods, epidemics, or riots.

GC-37 Independent Contractor Status; No Third Party Beneficiaries

The Contractor and its employees, agents and subcontractors are, for all purposes arising out of the Contract, independent contractors and not employees of the County. The System Board's or County's obligation to perform shall cease immediately upon receipt of notice to the vendor of lack of appropriated funds; and that the System Board's or County's obligation under the contract shall also be subject to immediate termination or cancellation at any time when there are not sufficient authorized funds lawfully available to the System Board to meet such obligation.

END OF SECTION

Cook County 2011 Federal Clauses

1.1 Interest of Members of or Delegates to the United States Congress

In accordance with 41 U.S.C. § 22, the Contractor agrees that it will not admit any member of or delegate to the United States Congress to any share or part of the Contract or any benefit derived therefrom.

1.2 False or Fraudulent Statements and Claims

(1) The Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended, 49 U.S.C. §§ 3081 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the Contract. Accordingly, by signing the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make pertaining to the Contract, including without limitation any invoice for its services. In addition to other penalties that may be applicable, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the Contractor to the extent the Federal Government deems appropriate.

(2) The Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the County or Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.

1.3 Federal Interest in Patents

(1) General. If any invention, improvement, or discovery of the Contractor is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor agrees to notify County immediately and provide a detailed report.

(2) Federal Rights. Unless the Federal Government later makes a contrary determination in writing, the rights and responsibilities of the County, Contractor, and the Federal Government pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof.

Unless the Federal Government later makes a contrary determination in writing, the Contractor agrees that, irrespective of its status or the status of any subcontractor at any tier (e.g., a large business, small business, non-profit organization, institution of higher education, individual), the Contractor agrees it will transmit to the Federal Government those rights due the Federal Government in any invention resulting from the contract.

1.4 Federal Interest in Data and Copyrights

(1) Definition. The term "subject data" used in this section means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. Examples include, but are not limited, to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to Contract administration.

(2) Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the Contract. Except as provided in the Contract and except for its own internal use, the Contractor may not publish or publicly reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the written consent of the County and the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.

(3) Federal Rights in Data and Copyrights. In accordance with subparts 34 and 36 of the Common Rule, the County and the Federal Government reserve a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for County or Federal Government purposes, the types of subject data described below. Without the copyright owner's consent, the County and Federal Government may not extend their license to other parties.

(a) Any subject data developed under the contract or subagreement financed by a federal Grant Agreement or Cooperative Agreement, whether or not a copyright has been obtained; and

(b) Any rights of copyright which the Contractor purchases ownership with Federal assistance.

(4) Special Federal Rights for Planning Research and Development Projects. When the Federal Government provides financial assistance for a planning, research, development, or demonstration project, its general intention is to increase public knowledge, rather than

limit the benefits of the project to participants in the project. Therefore, unless the Federal Government determines otherwise, the Contractor on a planning, research, development, or demonstration project agrees that, in addition to the rights in data and copyrights set forth above, the County or Federal Government may make available to any third party either a license in the copyright to the subject data or a copy of the subject data. If the project is not completed for any reason whatsoever, all data developed under the project will become subject data and will be delivered as the County or Federal Government may direct. This subsection, however, does not apply to adaptations of automatic data processing equipment or previously existing software programs for the County's use whose costs are financed with Federal transportation funds for capital projects.

(5) Hold Harmless. Unless prohibited by state law, upon request by the County or the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the County and the Federal Government and their officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Contract. The Contractor will not be required to indemnify the County or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the County or Federal Government.

(6) Restrictions on Access to Patent Rights. Nothing contained in this section on rights in data will imply a license to the County or Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the County or Federal Government under any patent.

(7) Application on Materials Incorporated into Project. The requirements of Subsections 2, 3, and 4 of this Section do not apply to material furnished by the County and incorporated into the work.

1.5 Records and Audits

Contractor will deliver or cause to be delivered all documents (including but not limited to all Deliverables and supporting data, records, graphs, charts and notes) prepared by or for the County under the terms of this Agreement to the County promptly in accordance with the time limits prescribed in this Contract, and if no time limit is specified, then upon reasonable demand therefor or upon termination or completion of the Services hereunder. In the event of the failure by the Contractor to make such delivery, then and in that event, the Contractor will pay to County reasonable damages the County may sustain by reason thereof.

The County and the Federal Government will have the right to audit all payments made to the Contractor under this Agreement. Any payments to the Contractor which exceed the amount to which the Contractor is entitled under the terms of this Agreement will be subject to set-off.

The Contractor will keep and retain records relating to this Agreement and will make such records available to representatives of the County and the Federal Government, including without limitation the sponsoring federal agency, other participating agencies, and the Comptroller General of the United States, at reasonable times during the performance of this Agreement and for at least five years after termination of this Agreement for purposes of audit, inspection, copying, transcribing and abstracting.

No provision in this Agreement granting the County or the Federal Government a right of access to records is intended to impair, limit or affect any right of access to such records which the County or the Federal Government would have had in the absence of such provisions.

1.6 Environmental Requirements

The Contractor recognizes that many Federal and state laws imposing environmental and resource conservation requirements may apply to the Contract. Some, but not all, of the major Federal Laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. The Contractor also recognizes that U.S. EPA, U.S. DOT and other agencies of the Federal Government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Contract. Thus, the Contractor agrees to adhere to, and impose on its subcontractors, any such Federal requirements as the Federal Government may now or in the future promulgate. Listed below are requirements of particular concern. The Contractor acknowledges that this list does not constitute the Contractor's entire obligation to meet all Federal environmental and resource conservation requirements. The Contractor will include these provisions in all subcontracts.

- (1) Environmental Protection. The Contractor agrees to comply with the applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq. in accordance with Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 59 Fed. Reg. 7629, Feb. 16, 1994; U.S. DOT statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Part 1500 et seq.; and U.S. DOT regulations, "Environmental Impact and Related Procedures," 23 C.F.R. Part 771 and 49 C.F.R. Part 622.
- (2) Air Quality. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Specifically, the Contractor agrees to comply with applicable requirements of U.S. EPA regulations, "Conformity to State of Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.
- (3) Clean Water. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et seq. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.
- (4) List of Violating Facilities. The Contractor agrees that any facility to be used in the performance of the Contract or to benefit from the Contract will not be listed on the U.S. EPA List of Violating Facilities ("List"), and the Contractor will promptly notify the County if the Contractor receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.
- (5) Preference for Recycled Products. To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of the work, the Contractor agrees to use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 C.F.R. Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962.

1.7 No Exclusionary or Discriminatory Specifications

Apart from inconsistent requirements imposed by Federal statute or regulations, the Contractor agrees that it will comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any Federal assistance to support subcontracts procured using exclusionary or discriminatory specifications.

1.8 Cargo Preference-Use of United States Flag Vessels

The Contractor agrees to comply with U.S. Maritime Administration regulations, "Cargo-Preference -- U.S. Flag Vessels," 49 C.F.R. Part 381, and to include the clauses required by those regulations, modified as necessary to identify the affected parties, in each subcontract or subagreement involving equipment, materials, or commodities suitable for transport by ocean vessel.

1.9 Fly America

Section 14.c of the Master Agreement states that if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air, the contract must require Contractors and subcontractors at every tier to use U.S.-flag air carriers, to the extent service by these carriers is available. 49 U.S.C. 40118 and 4 C.F.R. Part 52.

1.10 No Federal Government Obligations to Third Parties

The Contractor agrees that, absent the Federal Government's express written consent, the Federal Government will not be subject to any obligations or liabilities to any contractor or any other person not a party to the Grant Agreement or Cooperative Agreement between the County and the Federal Government which is a source of funds for this Contract. Notwithstanding any concurrence provided by the Federal Government in or approval of any solicitation, agreement, or contract, the Federal Government continues to have no obligations or liabilities to any party, including the Contractor.

1.11 Allowable Costs

Notwithstanding any compensation provision to the contrary, the Contractor's compensation under this Contract will be limited to those amounts which are allowable and allocable to the Contract in accordance with OMB Circular A-87 and the regulations in 49 C.F.R. Part 18. To the extent that an audit reveals that the Contractor has received payment in excess of such amounts, the County may offset such excess payments against any future payments due to the Contractor and, if no future payments are due or if future payments are

less than such excess, the Contractor will promptly refund the amount of the excess payments to the County.

1.12 Trade Restrictions

Contractor certifies that neither it nor any Subcontractor:

- (1) is owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
- (2) has knowingly entered into any contract or subcontract with a person that is a citizen or national of a foreign country on said list, nor is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- (3) will procure, subcontract for, or recommend any product that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no Notice-to-Proceed will be issued to an entity who is unable to certify to the above. If Contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the USDOT may direct, through the County, cancellation of the Contract at no cost to the Government.

Further, Contractor agrees that it will incorporate this provision for certification without modification in each subcontract. Contractor may rely on the certification of a prospective Subcontractor unless it has knowledge that the certification is erroneous. Contractor will provide immediate written notice to the County if it learns that its certification or that of a Subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. Each Subcontractor must agree to provide written notice to Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 1001.

1.13 Termination for Convenience

In addition to any other rights of termination or other remedies available to the County under the Contract, at law, or in equity, the County may, by written notice, terminate this Contract in whole or in part at any time, for the convenience of the County or the Federal Government. Upon Contractor's receipt of such notice, Contractor will immediately cease to perform Services (unless otherwise directed in the notice) and deliver to the County all materials, equipment, and supplies as may have been accumulated in the performance of this Contract, whether completed or in process. The Contractor will be paid an equitable portion of the Contract price for Services performed prior to the effective date of termination, but no amount will be allowed for anticipated profit on unperformed Services. If this Contract has been terminated for Contractor's default and it is determined that the Contractor did not default, the termination will be deemed to have been effected hereunder.

1.14 Contract Work Hours and Safety Standards Act

If applicable according to their terms, the Contractor agrees to comply and assures compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 333, and implementing U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5; and U.S. DOL regulations, "Safety and Health Regulations for Construction," 29 C.F.R. Part 1926. In addition to other requirements that may apply:

(1) In accordance with section of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 332, the Contractor agrees and assures that, for the Contract, the wages of every mechanic and laborer will be computed on the basis of a standard work week of 40 hours, and that each worker will be compensated for work exceeding the standard work week at a rate of not less than 1.5 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The Contractor agrees that determinations pertaining to these requirements will be made in accordance with applicable U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5.

(2) In accordance with section 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. § 333, the contractor agrees and assures that no laborer or mechanic working on a construction contract will be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to his or her health and safety, as determined in accordance with U.S. DOL regulations, "Safety and Health Regulations for Construction," 29 C.F.R. Part 1926.

1.15 Veteran's Preference

In the employment of labor (except in executive, administrative, and supervisory positions), preference will be given to Vietnam-era veterans and disabled veterans. However, this preference may be given only where individuals are available and qualified to perform the work to which employment relates.

1.16 Copyright Ownership

Consultant and the County intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the County's instance and expense pursuant to this Agreement are conclusively deemed "**works made for hire**" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 *et seq.* (the "Copyright Act"), and that the County will be the copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist.

To the extent that any Deliverable does not qualify as a "work made for hire," Consultant irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the County, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the County under this Agreement, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Consultant will execute all documents and perform all acts that the County may reasonably request in order to assist the County in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the County. Consultant warrants to County, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. If the above standards are inconsistent, the Consultant must comply with the standard providing the greatest accessibility. Also, the Consultant must, prior to construction, review the plans and specifications to insure compliance with the above referenced standards. If the Consultant fails to comply with the foregoing standards, the Consultant must perform again, at no expense, all services required to be re-performed as a direct or indirect result of such failure.

1.18 Visual Rights Act Waiver

The Consultant/Contractor waives any and all rights that may be granted or conferred under Section 106A and Section 113 of the United States Copyright Act, (17 U.S.C. § 101 *et seq.*) (the "*Copyright Act*") in any work of visual art that may be provided pursuant to this Agreement. Also, the Consultant/Contractor represents and warrants that the Consultant/Contractor has obtained a waiver of Section 106A and Section 113 of the Copyright Act as necessary from any employees and subcontractors, if any.

1.19. Equal Employment Opportunity

All contracts shall contain a provision requiring compliance with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

1.20. Copeland "Anti-Kickback" Act (18 U.S.C. 874 and 40 U.S.C. 276c)

All contracts and subgrants in excess of \$2000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

1.21. Davis-Bacon Act, as amended (40 U.S.C. 276a to a-7)

When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Federal awarding agency.

1.22. Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333)

Where applicable, all contracts awarded by recipients in excess of \$2000 for construction contracts and in excess of \$2500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by Department of Labor regulations (29 CFR part 5). Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 ½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

1.26. Debarment and Suspension (E.O.s 12549 and 12689)

No contract shall be made to parties listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." Reason: These vendors are grant partners for the Project Reclaim grant approved by the Illinois Criminal Justice Information Authority (ICJIA) and by this Board. Each specific vendor, with their unique skills and resources, will be able to provide all necessary resources to ensure all grant goals are met. These goals are obtained by maintaining interagency information sharing that tracks juvenile needs and services. Accountability-based programs will provide court advocacy services, gang intervention, mentoring programs, English classes, youth support groups, after school and summer youth programs, improved academic performance and positive decision-making skills. Restorative justice programs will provide peer jury and peer mediation, family group conferencing programs, viable alternatives to court prosecution and conflict resolution for first time or early juvenile offenders, victim/offender conferencing, and peace-making circles, all of which lead to the reduction of recidivism. Partners will also provide risk and needs assessment, intensive one-on-one mentoring services, counseling/therapy in individual, group and family modalities, and referrals to other mental health and substance abuse providers. The State's Attorney's Office has identified areas in need of services across Cook County by evaluating police and Juvenile Justice Enterprise Management System (GEMS) reports as well as reports generated through computer mapping of juvenile crime, and has identified these uniquely qualified partners in each of these areas.

Estimated Fiscal Impact: None. Grant Funded Amount: \$345,000.00. Contract period: June 1, 2011 through November 26, 2011. (833-260 Account).

**EXHIBIT A:
PROGRAM NARRATIVE**

JUVENILE ACCOUNTABILITY BLOCK GRANT PROGRAM

Please respond to each of the items in the following eight sections. The answers to these questions will be your proposal. You may use additional sheets if necessary.

I. Description of Organization

In this section, we are trying to gain a general sense of your agency's overall goals and activities, NOT solely the program for which you are seeking JABG funds.

1. Please provide a *brief* description of the program agency.

The service provider for this Juvenile Accountability Incentive Block Grant project will be the Township of Schaumburg, specifically its youth services department known as Spectrum Youth and Family Services. Since 1964, the Township has operated youth services targeted to delinquent adolescents or adolescents considered at-risk of delinquent behavior. Since the early 1970's, the Township has provided comprehensive individual, group and family counseling; street outreach; youth activities; psycho-educational programs for youth and parents; job readiness programs for youth; and information and referral services. Youth drop-in centers, which include alternative recreation and informal counseling for at-risk youth, have been operated by the agency since 1974. In the past nine years, the Township has also provided intensive individual and group mentoring to selected adolescents. A substantial number of youth served in all of these programs over the years has been adjudicated delinquents, station adjusted offenders or offenders otherwise diverted from the formal processes of the juvenile court.

II. Summary of Program

This section will help us understand the program for which you are seeking JABG (federal and match) funds. **Do not** include a description of activities that will not be funded through JABG.

1. List the Goal(s) and Objective(s) of this program.

Goal(s):

The Goal of our program is to reduce the number of juvenile offenders and juvenile offenses in our community.

Objective(s):

Our objective is to fulfill the above goal by reducing recidivism of youth who have had problem-related contact with police, have been station-adjusted or who have been referred to juvenile court for a variety of problems and offenses, through more consistent

and effective assessment and treatment of underlying mental/emotional and substance abuse problems of referred youth involved with, or behaviorally at risk of involvement in, the juvenile justice system.

2. Please provide the JABG purpose area(s) this program will address.

JABG Purpose Area: # 12

Explanation: Risk and needs assessment: Establishing and maintaining programs to conduct risk and need assessments of juvenile offenders that facilitate the effective early intervention and the provision of comprehensive services, including mental health screening and treatment and substance abuse testing and treatment to such offenders.

3. Please provide a narrative description of the program that is being proposed. This explanation should not exceed one page and should include (a) how the program will further the JABG purpose areas selected above, and (b) what strategies will be used to successfully implement the program.

The program proposes to utilize these JAIBG funds in order to address Purpose #12 by targeting adolescents (a) whose behavior puts them at-risk of arrest, or (b) who have already been subject to police contact or arrest, for a wide range of offenses, and whose arrest has either been station-adjusted by the police or who have been referred for services by the Circuit Court of Cook County, Juvenile Division, pursuant to an informal supervision arrangement, formal supervision order or probation order. These will be adolescents, ages 12 - 17 who either live or go to school within the boundaries of the Township of Schaumburg, or who have been subject to arrest by police in the area even if they live elsewhere. Whenever feasible, referred youth will be assessed using the Youth Screening Assessment Instrument (YASI), a well researched tool used by the Illinois Department of Human Services, Division of Community Health and Prevention, Bureau of Youth Services and Delinquency Prevention to assess risk of future involvement or re-involvement in the juvenile justice system and whether mental/emotional or substance abuse problems are contributing factors to overall risk. Youth who indicate moderate or high levels of risk associated with either the mental/emotional health-related domain or the substance abuse-related domain on the YASI (as well as youth for whom completion of the YASI is not feasible due to insufficient data but whose behavior clearly puts them at risk of involvement in the juvenile justice system) will undergo psychosocial assessment by a Qualified Mental Health Professional based on DSM-IV-TR (psychiatric diagnostic) criteria. If mental/emotional issues are significant contributors to risk, a qualified professional will determine whether referral to a consulting psychiatrist is appropriate for further evaluation and possible prescription of medications. If so, the youth will be referred to a psychiatrist with whom the agency regularly works or a psychiatrist at the local community mental health center for these services. If substance abuse is indicated as a significant risk factor, the youth will be referred for substance abuse testing and assessment to a local resource that provides these services. If clinical counseling/psychotherapy, family therapy and/or group counseling and/or mentoring are deemed appropriate services to ameliorate the mental/emotional problems of the youth, Spectrum's own clinical staff of social workers, mental health counselors and paraprofessional mentors will provide the services needed. Guidance, support and behavior-management education sessions for parents of these youth will be supplemental

to these programs in selected cases. By “mentoring,” we mean academic tutoring and life-skills coaching to reinforce principles of Aggression Replacement Training (anger management, pro-social skills and moral reasoning), which are key elements of the psycho-educational counseling group sessions that we will provide to many of these youth.

4. Discuss progress made toward securing other funds to continue the program upon expiration of federal funding.

We continue to examine other grant possibilities through foundations and other governmental sources, but no specific funding has been applied for or secured at this point. The Illinois Department of Human Services has expressed interest in setting aside funding to support such services, but these funds were not included in the budget passed by the legislature recently; and given the state’s financial situation, we do not know when such additional allocations would be available. The Township Board of the Township of Schaumburg has expressed support for the work of this program and has said it would consider allocating local tax dollars to its continuation if federal funds expire and its own fiscal situation allows it to allocate additional funds in this way. However, there are many competing priorities for the use of Township tax dollars, including a growing population of older residents who need special services.

III. Statement of Problem

This section should document the problem(s) faced by juveniles in your area that explains why this program is needed. Describe the juvenile crime and delinquency problem in your area and how it has changed in recent years. If the problem is system-oriented (e.g. insufficient number of detention beds), provide sufficient information to describe how the problem developed. Include as much quantitative data as possible; anecdotal information should be provided only if it supports quantitative data. Be sure to include a description of current efforts to address the problem(s), along with an explanation of why these efforts are not sufficiently reducing or eliminating the problem. When applicable, provide information that demonstrates an understanding of previous effective and/or ineffective efforts to address similar problems. Please limit your problem statement to two pages.

The target community for our grant proposal is the Township of Schaumburg, in northwest Cook County. According to the 2000 U.S. Census, there are 134,114 people living in the township area. Of those, 51% live within the jurisdiction of the Village of Schaumburg, 26% within the Village of Hoffman Estates, about 9% within the Village of Elk Grove, about 8% within the Village of Hanover Park, and smaller portions within the municipalities of Roselle, Rolling Meadows, and Streamwood and unincorporated areas. Including the Cook County Sheriff’s Police, which patrols the unincorporated areas, there are eight (8) police jurisdictions responsible for parts of the township area.

Juvenile crime is a significant problem in the Township of Schaumburg. In 2009, the eight police jurisdictions that comprise and/or overlap Schaumburg Township made more than 1,000 juvenile arrests. The police departments within our Township also estimate that there are seven juvenile street gangs active in the village and neighboring communities, involving approximately 150 members. These organizations foster youth crime especially among youth who are alienated from traditional social, cultural and familial institutions that can support positive youth development. Another factor

influencing arrests of juveniles in Schaumburg Village is the presence of major retail centers, such as the Woodfield Shopping Center, which attract youth from throughout the northwest suburbs and concomitantly a certain amount of juvenile crime as well. Police and Juvenile Court officials indicate that there is a need for a variety of alternative correctional and treatment options for these youth in order to reduce the likelihood of repeat offenses and re-arrest.

Additional evidence for the need for improved treatment options comes from the State of Illinois, Department of Human Services, Division of Community Health and Prevention, Bureau of Juvenile Justice and Delinquency Prevention. In 2002, this state agency began implementing a nationally validated, evidenced-based assessment instrument throughout its contracted youth services provider agencies. The state recognizes the importance of identifying and responding to risk factors as a way of preventing juvenile delinquency. Data on more than 7,000 cases through June 30, 2003 have confirmed that of youth served who were assessed at moderate or high-risk of offending or re-offending, approximately twenty-five percent (25%) were assessed as having mental health issues that are serious enough to require additional services. Substance abuse, including alcohol abuse, was found to be a significant contributing factor in approximately 27% to 52% of the moderate-to-high risk adolescents. However, at present, access to services for these underlying factors to overall risk is severely limited.

In light of this information, it is not surprising that an insufficient level of resources are committed to addressing the underlying mental health and substance abuse problems of these at-risk adolescents has helped sustain the level of juvenile crime in the area. While currently, several counseling programs are offered in the community, all of these agencies have been experiencing very long waiting lists (four to six weeks or more) before assignment to a therapist, and at some periods during the year several agencies, including Spectrum, have had to close their intakes because they could not effectively arrange service in a reasonable time. Psychiatric evaluations, with possible prescription of medications, have involved similar waiting periods or longer. Because of the agency's experience, described above, and the level of training and experience of its professional staff members, Spectrum is uniquely suited to dealing with the population of adolescents in the area who are both at-risk of involvement or re-involvement in the juvenile justice system, on the one hand, and exhibiting mental/emotional difficulties, on the other hand, which are themselves contributing factors to the overall level of risk.

IV. Progress Review

This section should be filled out if this is a continuing grant only. If you are applying for a new grant, please mark N/A in each box and continue on to Section V.

1. Explain program progress during the past funding cycle(s) and progress toward program performance measures.

We utilized the services of a clinical therapist and several part-time mentors to perform the functions supported by this grant. During this most current and past funding cycles, so far, 222 youth were referred into the program. The staff assessed 215 of these as meeting the criteria of involvement with the juvenile justice system or being acutely at-risk of said involvement, and, at the same time, exhibiting mental/emotional illness. Of those, we were able to engage 190, or 88% in ongoing services - case-management;

individual, group and/or family therapy; and in many cases mentoring. During this period, we also provided continued training and education for the workers funded by the grant to enhance and develop their project-related skills.

2. Explain the impact the federal funds have had on your existing juvenile justice program.

Without the federal funds, we would not have been able to maintain a mentor or the time of a clinical therapist to meet the demand for services to the target population. Therefore, our ability to serve this population would have been very much hampered.

V. Performance Measurement

In this section, the applicant should list the performance measures that will be used to measure progress throughout the grant period. Each grantee receiving JABG funds is responsible for collecting information on performance indicators. All of the information regarding purpose areas and performance indicators (i.e., output indicators, short-term outcomes, and intermediate-term outcomes) must be selected from the options provided. These indicators should not be altered; doing so will preclude the ability of the state and federal efforts to aggregate the data provided. Outcome indicators, short-term outcomes, and intermediate-term outcomes should be selected based upon their relevance to the program's objective(s).

1. Please provide the appropriate performance measures for each JABG purpose area the program will address. You are required to pick appropriate performance measures for each indicator (i.e. select at least one output indicator, one short-term outcome indicator, and one intermediate term outcome indicator for each purpose area).

JABG PURPOSE AREA (from Ex. A Instructions)	PERFORMANCE MEASURE (from Appendix A)	DATA FOR EACH PERFORMANCE MEASURE (from Appendix B)
Purpose Area #12: Risk and Needs Assessment	Mandatory Output Indicator #1: Number and percent of eligible youth served using graduated sanctions approaches. N/A to this sub-grantee's program.	a. 	Intermediate-term Outcome Indicator #11: Number and percent of times services identified through youth <u>assessment</u> are actually received by the <u>assessed</u> youth.	a. Number of times youth receive referred service b. Number of services youth were assessed as needing c. Percent (a/b)
	Long-term Outcome Indicator #15: Number and percent of program youth who offend or reoffend	a. Number of program youth who exited the program 6-12 months ago and were arrested or seen at a juvenile court for a new delinquent offense. b. Number of program youth who exited the program 6-12 months ago and were tracked for new arrests and delinquent offenses. c. Percent (a/b)

VI. Implementation Schedule

The implementation schedule should be used as a planning tool for the program and should reflect a realistic projection of how the program will proceed. The Implementation Schedule should indicate: the JABG funded activities and services that will be provided; the month the activity/service begins; the month the activity/service is completed; the personnel responsible for each activity/service; and the frequency with which the activity/service will be provided. Please use the following implementation schedule form using examples as a guide.

2. Graduated Sanctions

While participation in a system of graduated sanctions by individual courts is voluntary, states and units of local government must encourage courts to participate. The unit of government must have in effect laws, or have implemented policies and programs, that provide for a system of graduated sanctions.

Please provide a *brief* description of how the system of graduated sanctions functions.

A. BIDDER/PROPOSER HEREBY REQUESTS:

FULL MBE WAIVER

FULL WBE WAIVER

REDUCTION (PARTIAL MBE and/or WBE PARTICIPATION)

_____ % of Reduction for MBE Participation

_____ % of Reduction for WBE Participation

B. REASON FOR FULL/REDUCTION WAIVER REQUEST

Bidder/Proposer shall check each item applicable to its reason for a waiver request. Additionally, supporting documentation shall be submitted with this request. If such supporting documentation cannot be submitted with bid/proposal/quotation, such documentation shall be submitted directly to the Office of Contract Compliance no later than three (3) days from the date of submission date.

1) lack of sufficient qualified MBEs and/or WBEs capable of providing the goods or services required by the contract (please explain)

2) the specifications and necessary requirements for performing the Contract make it impossible or economically infeasible to divide the Contract to enable the contractor to utilize MBEs and/or WBEs in accordance with the applicable participation (please explain)

3) price(s) quoted by potential MBEs and/or WBEs are above competitive levels and increase cost of doing business and would make acceptance of such MBE and/or WBE bid economically impracticable, taking into consideration the percentage of total contract price represented by such MBE and/or WBE bid (please explain)

4) there are other relevant factors making it impossible or economically infeasible to utilize MBE and/or WBE firms (please explain)

Applicant is a local government implementing the program plan and is not allowed by its terms to subcontract for services; in addition, the nature and tiny amount of material purchases in the program plan do not lend themselves to a search for MBE or WBE vendors.

C. GOOD FAITH EFFORTS TO OBTAIN MBE/WBE PARTICIPATION

Bidder/Proposer shall check each item applicable to its reason for a waiver request. **Additionally, supporting documentation shall be submitted with this request. If such supporting documentation cannot be submitted with bid/proposal/quotation, such documentation shall be submitted directly to the Office of Contract Compliance no later than three (3) days from the date of submission date.**

- 2) Followed up initial solicitation of MBEs and WBEs to determine if firms are interested in doing business (please attach)

- 3) Advertised in a timely manner in one or more daily newspapers and/or trade publication for MBEs and WBEs for supply of goods and services (please attach)

- 4) Use the services and assistance of the Office of Contract Compliance Staff (please explain)

- 5) Engaged MBEs & WBEs for indirect participation (please explain)

D. OTHER RELEVANT INFORMATION
