The County reserves the right to review and award alternate Contracts, if the commodity and/or service is suitable to its requirement.

Bid Proposals on other makes and catalogs shall be considered, provided each Bidder states on the face of the Bid Proposal exactly what is being proposed to be furnished or forwards with the Bid Proposal an illustration, or other descriptive matter which shall clearly indicate the character of the article covered by the Bid Proposal.

The County reserves the right to approve as an equal, or to reject as not being an equal, any article the Bidder proposes to furnish which contains major or minor variations from Specifications but which may comply substantially.

**GC-17 MINORITY AND WOMEN BUSINESS ENTERPRISES**  
**COOK COUNTY ORDINANCE CHAPTER 34, DIVISION 6, SECTION 34-275 to SECTION 34-303**

**I. POLICY AND GOALS**

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County contracts and to eliminate arbitrary barriers for participation, as both prime and sub-contractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women-owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes a goal of awarding not less than twenty-five percent (25%) of the annual total dollar amount of contracts to certified MBEs and ten percent (10%) of the annual dollar value of all such contracts to certified WBEs.
- B. The County may set contract-specific goals for each contract, based on the commodities or services specified in this bid document. The MBE/WBE percentages required for this contract are stated in the Special Conditions. A Bid or Quotation shall be rejected if the County determines that a Bid or Quotation fails to comply with this General Condition, including but not limited to, commitments to achieve for this contract, the MBE/ WBE goals of the contract amount or to include a Petition for Reduction/Waiver documenting why the goals are not attainable despite the contractor's Good Faith Efforts. A Bid or Quotation may be rejected and a new Bid or Quotation may be solicited if the public interest is served thereby. Unless otherwise specified in the Bid or Quotation Documents, for purposes of this GC-17, the contract amount is the amount that has been entered on the Proposal page of the Bid or Quotation Documents.
- C. Except to the extent that a Bid or Quotation includes a Reduction/Waiver request, the contract MBE and WBE participation goals may be achieved by the Bid or Quotation entities' status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs and WBEs; by establishing and carrying out a mentor/protégé agreement; by the Indirect Participation of one or more MBEs and WBEs used by the entity submitting a Bid or Quotation in other aspects of its business; or by any combination of the foregoing so long as the Utilization Plan evidences a commitment to the MBE and WBE contract goals set forth in (B) above.
- D. The same Business Enterprise, whether as a contractor, subcontractor or supplier, cannot be utilized as both a MBE and a WBE on the same contract.
- E. To the extent that the Ordinance does not apply to this Bid or Quotation, unless specifically waived in the Bid or Quotation Documents, this GC-17 and the wording of the Ordinance shall apply. If there is a conflict between this GC-17 and the Ordinance or the wording of the Ordinance, the Ordinance or its wording controls.
- F. A Contractor's failure to carry out its commitments in the course of the Contract's performance shall constitute a material breach of the Contract and if such breach is not appropriately cured, may result in the termination of the Contract or such remedy authorized by the Ordinance as the County deems appropriate.

**II. REQUIRED BID OR QUOTATION SUBMITTALS**

To be considered responsive, a Bid or Quotation shall meet the MBE and WBE goals by submitting a Utilization Plan with the Bid or Quotation, which shall be (1) supported by Letters of Intent from the MBEs and WBEs together with the MBEs/WBEs Letters of Certification, and/or (2) include a written Petition for Reduction/Waiver with the Bid or Quotation supported by documentation of Good Faith Efforts to meet the goals. Failure to submit the documents set forth in (A) and (B) of this Section II in accordance with these guidelines will cause the Bid or Quotation to be considered non-responsive and shall be cause to reject the Bid or Quotation.

**A. MBE/WBE Utilization Plan**

Each Bid or Quotation shall include with the Bid or Quotation a complete Utilization Plan. The Utilization Plan shall list the names, mail and email addresses, telephone number and contact persons of businesses intended to be used as MBEs and WBEs on the Contract. If the entity submitting a Bid or Quotation, or any of its subcontractors, suppliers or consultants, are certified MBEs or WBEs they shall be identified as an MBE or WBE within the Utilization Plan.

**1. Letter(s) of Intent**

Except as set forth below, a Bid or Quotation shall include with its Utilization Plan, Letter(s) of Intent executed by each MBE and WBE included in the Utilization Plan and by the entity submitting the Bid or Quotation, which sets forth that each MBE and WBE intends to perform as a subcontractor, supplier, joint venture partner and/or consultant on the contract. The Letters of Intent must accurately detail the work to be performed by the MBE or WBE firm and the agreed rates and/or prices to be paid.

If the Bid or Quotation does not include all Letter(s) of Intent with its Utilization Plan, such Letter(s) of Intent may be submitted to the Office of Contract Compliance within three (3) business days after the date of the Bid or Quotation Opening. Failure to submit all Letter(s) of Intent as required shall result in the Contract Compliance Administrator's determination that a Bid or Quotation is not responsive and shall be cause to reject the Bid or Quotation.

All commitments made by a Bid or Quotation in its Utilization Plan must conform to those included in the submitted Letter(s) of Intent. The Contract Compliance Administrator reserves the right to request supplemental information regarding the Letter(s) of Intent submitted with a Bid or Quotation and such information shall be furnished. (Reference pages EDS-3/4 for a format sample of a Letter of Intent)

**2. Letter(s) of Certification**

Only a Letter of Certification from one of the following entities shall be accepted as certification of MBE/WBE status:

County of Cook  
Small Business Administration 8A Program  
Illinois Unified Certification Program

or any other governmental body or agency approved by the Contract Compliance Administrator as applying certification standards substantially similar to those applied by the County of Cook may also be accepted.

The Contract Compliance Administrator retains the right to reject the certification of any MBE or WBE on the ground that it does not meet the County's definition of a MBE or WBE.

**3. Joint Venture Affidavit**

In the event a Bid or Quotation achieves MBE and/or WBE participation by entering into a Joint Venture, the Bid or Quotation shall include the required Joint Venture Affidavit which is available in the Office of Contract Compliance. Such Joint Venture Affidavit shall be submitted with the Bid or Quotation along with Letter(s) of Certification.

**B. Reduction/Waiver Petition**

In the event a Bid or Quotation is unable to meet the applicable contract MBE and WBE participation goals, the Bid or Quotation must include a Petition for Reduction/Waiver and submit the Petition with its Bid or Quotation. The Petition for Reduction/Waiver shall be supported with evidence and sufficient documentation to demonstrate the Bid's or Quotation's Good Faith Efforts in attempting to achieve the applicable MBE and WBE goals. If a Bid or Quotation does not include all documentation in support of the Petition with its Bid or Quotation, such documentation must be submitted to the Office of Contract Compliance within three (3) business days after the date of the Bid or Quotation opening.

### **III. REDUCTION/WAIVER OF MBE/WBE GOALS**

#### **A. Granting a Reduction/Waiver Request.**

1. The determination of the adequacy of the Good Faith Efforts to utilize MBEs and WBEs in a Bid or Quotation will be evaluated on the basis of the actions in attempting to achieve MBE and WBE participation goals set forth in the Bid or Quotation. Examples of actions constituting Good Faith Efforts for a Bid or Quotation are set forth within the Ordinance and in the "Petition for Reduction/Waiver of MBE/WBE Participation Goals" contained in the Bid or Quotation Documents.
2. The Contract Compliance Administrator may grant the Petition for Reduction/Waiver based upon the following criteria: (a) sufficient qualified MBEs and WBEs capable of providing the goods or services required by the contract are unavailable despite the good faith efforts of the contractor; (b) the specifications and the reasonable and necessary requirements for performing the contract make it impossible or economically infeasible to divide the contract into sufficiently small tasks or quantities to enable the contractor to utilize MBEs and WBEs in accordance with the applicable goals; (c) the price(s) quoted by any potential MBE or WBE source of goods or services is more than 10% above competitive levels; and (d) any other factor determined to be relevant by the Contract Compliance Administrator.

#### **B. Denying a Reduction/Waiver Request.**

1. If the Contract Compliance Administrator determines that a Bid or Quotation has not demonstrated adequate Good Faith Efforts to meet the applicable contract MBE and WBE goals, the Contract Compliance Administrator may deny a Petition for Reduction/Waiver and declare the Bid or Quotation non-responsive and recommend rejection of the Bid or Quotation.
2. Failure to undertake and/or to document adequate Good Faith Efforts shall be cause to deny a Petition for Reduction/Waiver. Determination of the adequacy of a Bid's or Quotation's Good Faith Effort will be evaluated on the basis of the Bid's or Quotation's actions as of the date of the Bid or Quotation opening.

### **IV. CHANGES IN CONTRACTOR'S UTILIZATION PLAN**

- A. Contractor, during its performance of the Contract, may not change the MBE or WBE commitments specified in its Utilization Plan, including but not limited to, terminating a MBE or WBE contract, reducing the scope of the work to be performed by a MBE/WBE, or decreasing the price to a MBE/WBE, except as otherwise provided by the Ordinance.
- B. Where an enterprise under the Contract was previously considered to be a MBE or WBE but is later found not to be, or work is found not to be creditable toward the MBE or WBE goals as stated in the Utilization Plan, the Contractor shall seek to discharge the disqualified enterprise, upon proper written notification to the Contract Compliance Administrator, and make every effort to identify and engage a qualified MBE or WBE as its replacement. Failure to obtain a MBE or WBE replacement within 30 working days of the Contract Compliance Administrator's written approval of the removal of a MBE or WBE may result in the termination of the contract or the imposition of such remedy authorized by the Ordinance, unless a written Petition for Reduction/Waiver is granted to Contractor allowing Contractor to award the work to a non-MBE or WBE.

### **V. NON-COMPLIANCE**

SC-11 INSIDE DELIVERY

Vendor is responsible for inside delivery.

SC-12 PICK UP AND DISPOSAL OF USED TONER CARTRIDGES

Prices for all toner cartridges shall include free pick-up and disposal of used toner cartridges.

SC-13 PRINTER CARTRIDGE RECYCLING AND REBATE PROGRAM

~~Cook County is seeking to implement a Printer Cartridge Rebate Program where the County receives value for returning and recycling used printer cartridges in the form of a rebate for each printer cartridge returned to the bidder. The rebate must be able to be applied and used to offset future printer cartridge costs that are contemplated by Cook County under the scope of this bid and contract. Please attach with the proposal page a description of the recycling and rebate process for your business and the manner in which you will collect, inventory, and rebate used Hewlett-Packard printer cartridges. Also describe in detail the extent to which Cook County will be involved in the return and tracking of used printer cartridges, including a clear delineation of responsibilities between Cook County and the successful bidder.~~

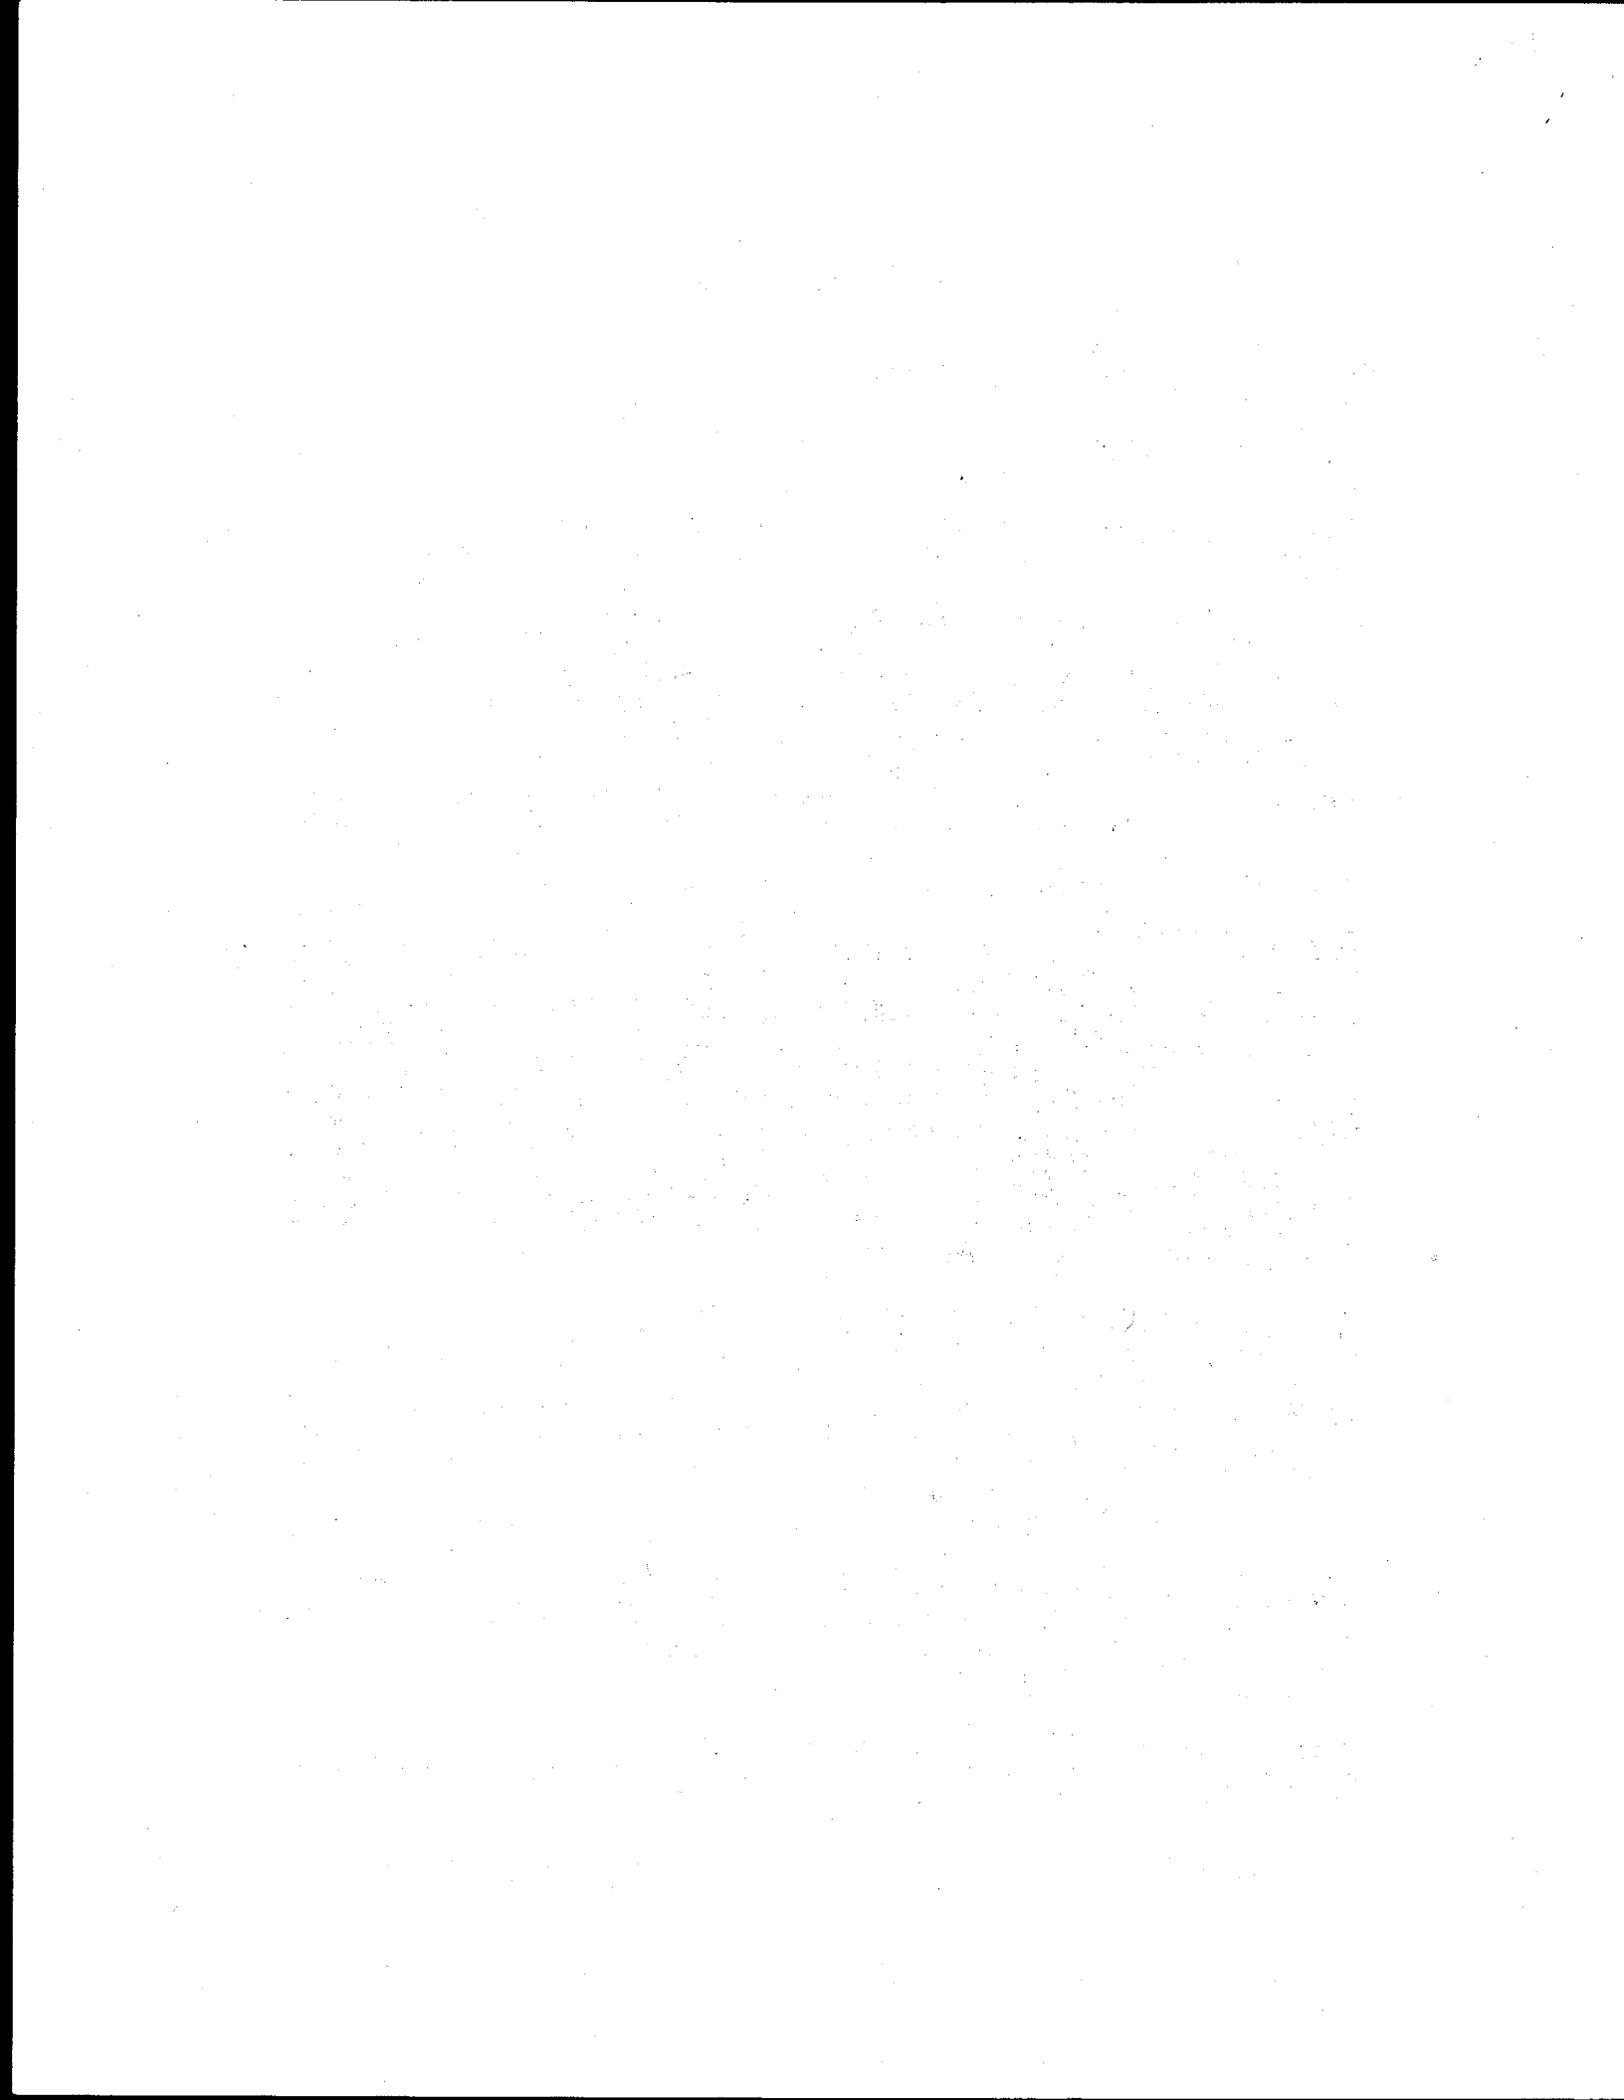

**The County shall participate in the Hewlett-Packard Planet Partners program which is Hewlett-Packard's return and recycling program with prepaid labels for return/recycling of used cartridges. The County shall also participate in the Hewlett-Packard PurchasEdge Program where the County will earn points when the County purchases Hewlett-Packard printer cartridges and the County shall redeem the points for new HP printers. These two programs shall be combined into a combo program called "PurchasEdge Points for Recycling" so that the County receives PurchasEdge points for returned empties, and can use those points, along with the points the County earned for buying the supplies, to redeem for new Hewlett-Packard supplies including printers, ink and paper, etc. The Vendor shall be responsible for administrating these two programs. The winning vendor shall report the sales from this contract into PurchasEdge so that the County recelves the points earned for each County department.**

SC-14 ONLINE REVERSE AUCTION EVENT PROCEDURES

The Cook County Office of the Purchasing Agent will accept bids for HEWLETT-PACKARD PRINTER CARTRIDGES AND SUPPLIES for COOK COUNTY AGENCIES using an **Online Reverse Auction Process** managed and hosted by Peralta Garcia Government Innovations, Inc. SPECIAL CONDITIONS

SC-14 ONLINE REVERSE AUCTION EVENT PROCEDURES (CONTINUED)

Bidder responses shall be opened in the presence of the Office of the County Clerk at the time, date and place designated on the cover page of this document. A list of respondents shall be made available.

A condition of participation in the Online Reverse Auction is that Vendors complete all bid proposal forms and be deemed responsive to all requirements and responsible to perform the services or provide the goods. Such determination will be a pre-requisite to participation in the live reverse auction event. Any vendor who fails to meet all requirements will be deemed non-responsive.

The Purchasing Agent reserves the right to prohibit vendors who are deemed non-responsive from participating in the online reverse auction.

Online Reverse Auction Rules

- PGGI shall provide written notice to each bidder through telephone or email regarding the bidder's inclusion or exclusion from the qualified bidders list.
- PGGI shall work with the bidder to prepare for the auction event. Preparation may include, but is not limited to: configuration of the auction computer system, testing of the bidder interface, review and discussion of Online Reverse Auction event procedures and other documentation, and training.

- The bidder interface will be configured such that a bidder will not know the identity of competing bidders until the event is complete.
- PGGI will begin the event through electronic notification to all qualified bidders. Bidders may submit multiple prices during the event. The lowest price offered will become the price portion of the bid response.
- Bids must be submitted by, or under the direction of, an authorized representative of the bidder as designated in the qualifications summary.
- The auction event will have a scheduled stop time. The event may be extended if bids are received within a predetermined amount of time prior to the scheduled stop time. Specific procedures on time extension shall be contained in the event procedures that will be reviewed and discussed with all qualified bidders.

SPECIAL CONDITIONS

SC-14 ONLINE REVERSE AUCTION EVENT PROCEDURES (CONTINUED)

- The event will conclude at either the scheduled stop time or the time at which all extensions are completed, whichever is later.
- After the conclusion of the auction event, the County will consider the qualifications summary and the price offered during the auction event to determine the lowest responsive and responsible bidder.

The department reserves the right to reject any and all bid responses.

**The bidder with whom the County enters into a contract is required to pay a transaction fee to PGGI pursuant to the Terms & Conditions signed and returned to the Cook County Purchasing Agent prior to the bid response due date. - **Term Purchase Contracts – The fee for contracts for a period of time during which goods are purchased or services are rendered will be due within 30 days of the end of each quarter of the term of the contract based on the estimated purchase price, and 1st payment will be due with the 1st delivery."**

SC-15 UNSPECIFIED HEWLETT-PACKARD PRINTER CARTRIDGES AND SUPPLIES

Any Hewlett-Packard Printer Cartridges and Supplies not specifically listed herein may be added to this Contract in the form of a written modification signed by the Contractor and the County if they fall within the same specific category of supply for Hewlett-Packard Printer Cartridges and Supplies specified (e.g. toner cartridge, ink cartridge, etc.). The lifetime usage of any Hewlett-Packard Printer Cartridges and Supplies added to this Contract must not exceed ten percent (10%) of the original Contract award dollar amount.

The Using Agencies will notify the Contractor in writing of Hewlett-Packard Printer Cartridges and Supplies which are necessary and request a written price proposal for the addition of the Hewlett-Packard Cartridges and Supplies to this Contract by modification, then forward the documents to the Purchasing Agent. Such Hewlett-Packard Cartridges and Supplies may be added to the contract only if the prices are competitive with current market prices and said Hewlett-Packard Printer Cartridges and Supplies are approved by the Purchasing Agent in the form of a written modification signed by the Contractor and the County. The Purchasing Agent reserves the right to seek competitive pricing information on said Hewlett-Packard Printer Cartridges and Supplies from other suppliers and to procure such Hewlett-Packard Printer Cartridges and Supplies in a manner which serves the best interest of the County.

Any such Hewlett-Packard Printer Cartridges and Supplies delivered by the Contractor, without a properly executed Contract modification signed by the Purchasing Agent, are delivered entirely at the Contractor's risk. Consequently, in the event that such modification is not executed by the County, the Contractor hereby releases the County from any liability whatsoever to pay for any items delivered prior to the Contractor's receipt of the fully signed modification.

Before a Contract can be awarded, additional copies of the specified current manufacturer's or other accepted published price lists/catalogs indicated on the Proposal Pages may be requested for use by the Office of the Purchasing Agent, the Using Agencies, Comptrollers Office, and each participating department to facilitate audit of all invoices and purchase order releases off the Contract.

## INSTRUCTIONS FOR COMPLETION OF ECONOMIC DISCLOSURE STATEMENT AND EXECUTION DOCUMENT

This Economic Disclosure Statement and Execution Document ("EDS") is to be completed and executed by every Bidder on a County contract, every party responding to a Request for Proposals or Request for Qualifications ("Proposer"), and others as required by the Purchasing Agent. If the Undersigned is awarded a contract pursuant to the procurement process for which this EDS was submitted (the "Contract"), this Economic Disclosure Statement and Execution Document shall stand as the Undersigned's execution of the Contract.

**Definitions.** Capitalized terms used in this EDS and not otherwise defined herein shall have the meanings given to such terms in the Instructions to Bidders, General Conditions, Request for Proposals, Request for Qualifications, or other documents, as applicable.

**"Affiliated Entity"** means a person or entity that, directly or indirectly: controls the Bidder, is controlled by the Bidder, or is, with the Bidder, under common control of another person or entity. Indicia of control include, without limitation, interlocking management or ownership; identity of interests among family members; shared facilities and equipment; common use of employees; and organization of a business entity following the ineligibility of a business entity to do business with the County under the standards set forth in the Certifications included in this EDS, using substantially the same management, ownership or principals as the ineligible entity.

**"Bidder," "Proposer," "Undersigned," or "Applicant,"** is the person or entity executing this EDS. Upon award and execution of a Contract by the County, the Bidder, Proposer, Undersigned or Applicant, as the case may be, shall become the Contractor or Contracting Party.

**"Proposal,"** for purposes of this EDS, is the Undersigned's complete response to an RFP/RFQ, or if no RFQ/RFP was issued by the County, the "Proposal" is such other proposal, quote or offer submitted by the Undersigned, and in any event a "Proposal" includes this EDS.

**"Code"** means the Code of Ordinances, Cook County, Illinois available through the Cook County Clerk's Office website (<http://www.cookctyclerk.com/sub/ordinances.asp>). This page can also be accessed by going to [www.cookctyclerk.com](http://www.cookctyclerk.com), clicking on the tab labeled "County Board Proceedings," and then clicking on the link to "Cook County Ordinances."

**"Contractor" or "Contracting Party"** means the Bidder, Proposer or Applicant with whom the County has entered into a Contract.

**"EDS"** means this complete Economic Disclosure Statement and Execution Document, including all sections listed in the Index and any attachments.

**"Lobby" or "lobbying"** means to, for compensation, attempt to influence a County official or County employee with respect to any County matter.

**"Lobbyist"** means any person or entity who lobbies.

**"Prohibited Acts"** means any of the actions or occurrences which form the basis for disqualification under the Code, or under the Certifications hereinafter set forth.

**Sections 1 through 3: MBE/WBE Documentation.** Sections 1 and 2 must be completed in order to satisfy the requirements of the County's MBE/WBE Ordinance, as set forth in the Contract Documents, if applicable. If the Undersigned believes a waiver is appropriate and necessary, Section 3, the Petition for Waiver of MBE/WBE Participation must be completed.

**Section 4: Certifications.** Section 4 sets forth certifications that are required for contracting parties under the Code. Execution of this EDS constitutes a warranty that all the statements and certifications contained, and all the facts stated, in the Certifications are true, correct and complete as of the date of execution.

**Section 5: Economic and Other Disclosures Statement.** Section 5 is the County's required Economic and Other Disclosures Statement form. Execution of this EDS constitutes a warranty that all the information provided in the EDS is true, correct and complete as of the date of execution, and binds the Undersigned to the warranties, representations, agreements and acknowledgements contained therein.

**Sections 6, 7, 8: Execution Forms.** The Bidder executes this EDS, and the Contract, by completing and signing three copies of the appropriate Signature Page. Section 6 is the form for a sole proprietor; Section 7 is the form for a partnership or joint venture; and Section 8 is the form for a corporation. RE: INDIRECT UTILIZATION PLAN - Bid **CONTRACT 11-84-007**

---

Tallgrass Systems Ltd. (TSL aka Mill Creek Micros), in its bid submittal, requests the acceptance of its participation in MBE/WBE through INDIRECT participation for the following reasons. The bid seeks proposals for a master contract of HP Toner throughout the year. We recap our reasons below and provide support for this request in seeking approval of our request for indirect utilization plan in meeting MBE/WBE goals. In addition, we are providing a letter of intent for indirect WBE participation of 30% (as required by the RFB).

The following outlines our reasons for not utilizing direct participation as mentioned in page EDS-I and using indirect participation instead.

### GOOD FAITH EFFORTS & REASONS FOR INDIRECT

#### Reason 1 – Sufficient MBE/WBE Suppliers

HP product is only sold direct to end users through its authorized resellers and through its authorized distributors which only sell to authorized resellers. Tallgrass Systems Ltd. is an authorized HP reseller. Only 4 of 23 resellers listed in the County MBE/WBE on-line directory (Computers...& Accessories) appear to be HP authorized resellers. This suggests that a majority of the published MBE/WBE to this RFP will not be certified HP resellers. Indirect participation, then, is the only realistic way to meet this goal for this RFP.

#### Reason 2 – Economically Infeasible and Impractical Division of Labor

This contract is for multiple purchase and delivery of HP ink and toner to any County location. TSL is an authorized reseller of HP printers with supplies. HP only sells their products two ways—direct to the end user and through authorized distributors. The tasks for this fulfillment are purchase of product from an authorized distributor and drop-ship directly to the County via common carrier or best way. TSL only touches the product when the logistics require alternative delivery (direct shipping keeps costs low). Besides the number of MBE/WBE HP authorized resellers in the Chicago area is limited. Therefore in the primary fulfillment of this order there is no opportunity to insert a WBE/WBE “sideways” source for these products and maintain the authorized direct relationships with HP, its distributors, ourselves and the County. In addition the price discounts for this project are based on maintaining this direct relationship of HP, authorized distribution and TSL.

#### Reason 3 – Price Uncompetitive

Pricing in the toner/ink OEM industry is based on very low margin and volume purchases. TSL negotiated special HP (through an HP Big Deal) pricing for this specific bid and only a few authorized Chicago area HP resellers (including TSL) qualified for this pricing discount. If TSL used direct participation or joint venture, then we could not provide a competitive price to the County as most MBE/WBE subcontract participation vendors

would not be eligible for the special pricing (as not being named or authorized). The additional logistical cost of such participation in this particular bid is not sustainable for winning a low-margin contract on ink and toners. The direct JIT (just-in-time) supply chain for these products results in real value to the County and probably saves the County 6-12% over more indirect sourcing. Using direct MBE/WBE participation in this particular RFP would burden our cost structure so much that our final proposed price would be uncompetitive and eliminate us from bidding. The only participation level we can offer and still compete with others is the indirect participation with a WBE to meet the 30% goal.

#### Reason 4 – Other Factors

While MBE/WBE firms may exist as HP ink and toner resellers, as potential subcontractors, they really are our competitors. In addition, partnering with them would not only violate our HP reseller agreement, but potentially allow them access to our business practices and trade secrets. So we could not use these firms as the contract specifications require genuine HP brand and not just a generic ink and toner. If substitute brands were allowed the opportunity for partnering at a value price point would be more feasible. The contract product requirements limit the universe of subcontract vendors.

#### Reason 5 – Reviewed Directories

TSL reviewed the on-line directories in the appropriate computer technology categories and found four who are HP resellers (out of 23). However, since our HP reseller authorization disallows "sideways" sales we are unable to utilize them as direct joint ventures to fulfill product in a competitive manner for purposes of this proposal. Purchasing OEM toner from a subcontractor for this bid would only add costs to the delivered product. Besides there are no businesses authorized to sell OEM HP product to us other than HP themselves or a HP authorized distributor.

#### Reason 6 – Discussions and Followup

TSL initially identified Computer Products & Supplies Intl. (CPSI) as possibly willing to work with us on this bid as a joint venture (subcontractor providing product). CPSI has worked with us on other public sector deals through indirect utilization in the past. However, once the cost analysis for this bid relationship was reviewed, CPSI itself deemed this RFP unprofitable overall, especially considering the size and scope of the lot purchases. In addition, CPSI is not HP authorized for SLG accounts. We used indirect participation because we are not allowed to cross-ship authorized HP product. The authorized distribution channel for HP products is HP to authorized distributor to authorized reseller to end user. This is true for new and remanufactured HP products. Hence we intend to work with CPSI on an indirect basis for this contract's utilization plan using them for other products, services and consulting as needed for other projects and deals.

#### Reason 7 – Engaged WBE

TSL engaged Computer Products & Supplies Int'l (CPSI) in a business relationship for services designed to assist us in marketing computer, office and related products. These services will constitute the 30% indirect participation goal of the County for WBE.

#### MBE/WBE UTILIZATION PLAN

We provide a letter of intent to provide indirect participation with Computer Products & Supplies Int'l for WBE at 30% as required by the RFP. The strict nature of the bid for the HP brand (no substitution of reman cartridges which are sold by many more local MBE/WBE businesses) and the lack of other substantial services (the recycling/rebate requirement was eliminated as a required service and replaced by an HP recycle program) in the RFB limit opportunities for greater participation and still maintain a competitive and potentially winning price to the County. The price we bid on these items greatly relies upon drop-ship delivery of the product

from the warehouse to the County. This reduces delivery costs overall. Hence we ask that the County accept our indirect utilization plan.

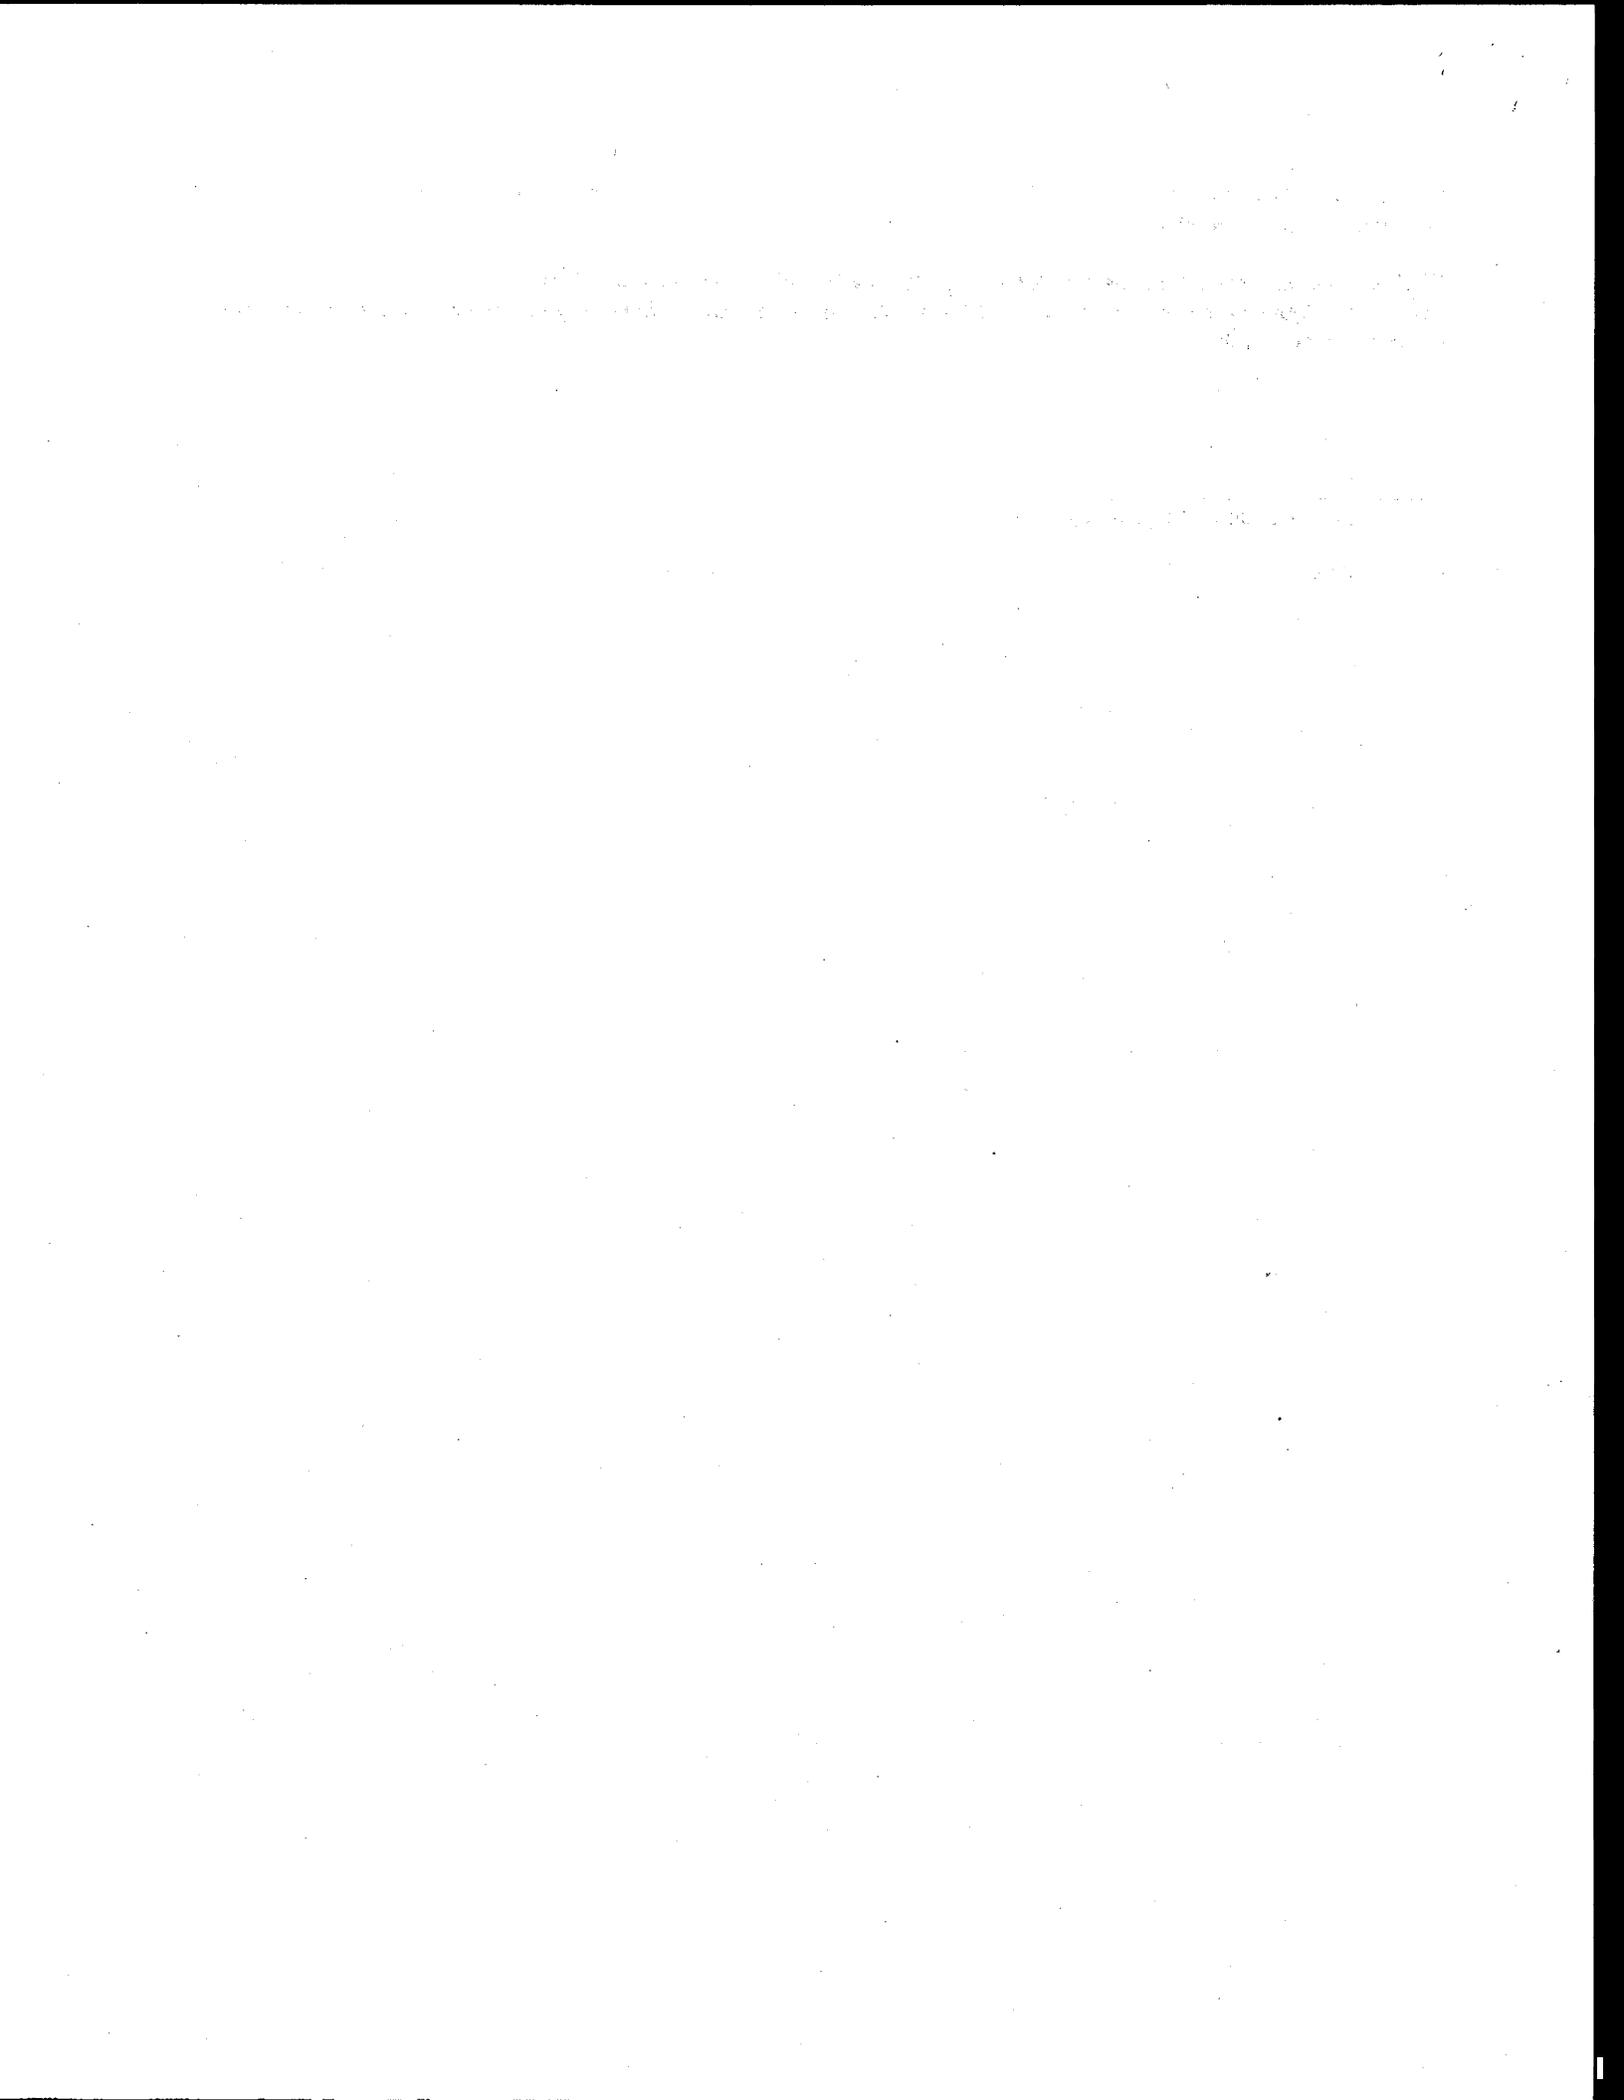

CPSI is listed as certified on the Cook County MBE/WBE website as of January 2011.  
TSL is a small business certified as such in Illinois. We appreciate the opportunity to earn a County contract and to compete fairly for it.

SUPPLIER AGREEMENT TERMS AND CONDITIONS

**Please Review the following rules for participating in an Online Dynamic Reverse Auction Event:**

- I understand the auction configuration parameters as they are displayed in the section above, entitled, "Reverse Auction Event Configuration."
- I acknowledge that I have received and fully understand the training and I am capable of bidding in the online event. If someone else is designated by me to bid in this event, I take responsibility for that bidder's capabilities, will notify PGGI, and I acknowledge that this Agreement will apply to the designated bidder.
- I understand that I should not attempt to troubleshoot any technical problems on my own, especially problems I am experiencing in the auction and that I should call PGGI IMMEDIATELY at 330-931-4687.
- I understand that if I encounter any difficulties in placing a bid that I am to contact PGGI via phone immediately and that, if necessary, PGGI will assist me in placing a bid. I understand that adequate time must be provided to PGGI to assist me and agree that PGGI is not liable if I am unable to place a bid for any reason before the online bid closes.
- I understand that the official auction clock is maintained by PGGI's server and due to Internet connection speeds the auction clock on my computer may vary. For this reason, it is important that I submit my bid with ample time remaining in the auction to prevent late bids from being rejected due to the lag in connection speeds and clock times. Ultimately, PGGI's server is the official clock and by following instructions in this document, I will minimize the possibility that my intended bid will not be accepted.
- I understand that there are extensions built into this auction event in order to allow fair and ample opportunity for all bidders to counter last-minute bids. This is done to leverage Internet connection speeds. If a bid is placed within the last 3 minutes of the auction the clock will reset to 3 minutes until no further bids are placed and the time expires.
- I understand that I should not wait until the last 60 seconds of an auction to place a bid. I also understand that by waiting until the last 60 seconds to place a bid I risk problems associated with Internet transmission speeds and take the chance of having my bid rejected. I agree that neither PGGI nor the Buyer using the online auction for purchases is responsible or liable if my bid is submitted too late or improperly and is not accepted by the software.
- I understand that in some cases, an auction might be re-opened if technical issues prevented a bidder or bidders from placing bids and those issues were brought to PGGI's attention immediately. I acknowledge that a re-opening decision will be at the discretion of PGGI and the Buyer. Due to the possibility of a re-opening, I understand that I should remain logged on and attentive to the PGGI Auctions site until a broadcast message announces the bid has officially closed.
- I understand that PGGI is under no obligation to re-open an auction for a bidder to place a bid for any reason, particularly if a bidder does not contact PGGI immediately after attempting to place a rejected bid.
- I understand that there may be an opening price in the auction and that I cannot place a bid higher than this price. This price represents the maximum allowable price that the system will accept in the auction.
- I understand that an established reserve price may have been set in the auction and that this price reflects the price at or below which the Buyer intends to award the bid. I do not know this price, but there will be indication on my screen when the reserve has been met. I also understand that if this price is not met during the auction, the Buyer retains the right to not award the bid.
- I understand that the Buyer has the right to reject any and all bids and that possessing the low bid in the auction does not necessarily guarantee that the low bidder will be awarded.
- I understand that there is a minimum bid decrement and that I must bid according to this decrement for my bid to be accepted. In a Dynamic Reverse Formatted Auction, this means that each subsequent bid I make must be the minimum bid decrement less than my last bid or lower. In an English Reverse Formatted Auction, this means that each subsequent bid I make must be at least the minimum bid decrement less than the leading bid.
- I understand that I should review all Bid Package files/documents uploaded to the Bid Manager Event or provided by the Bid Manager
- I understand that if I do not place a test bid in the training auction (using the same machine I will use for the live auction), PGGI will not provide assistance, including placing bids on my behalf (proxy bidding) should I experience technical problems before or during the auction.
- I understand that PGGI recommends I make the following precautions to avoid any technical issues during the auction:
  - I should arrange for another computer to act as a backup in case something happens to my computer during the auction. I should log into <http://ra.eprocurelive.com> prior to the live auction and place test bids in the training auction using this backup computer to make sure it will function properly in case it needs to be used as a back up during the live auction.
  - I should make sure no other programs are running during the auction to prevent my computer from running slowly and not getting my bid submitted in time.
- I understand that important changes to the configuration of the auction or terms of the bid may be made after this communication is sent and that I must review all Bid Manager messages, emails, calls, and auction site broadcast messages sent from PGGI and the Buyer carefully and diligently.

Barb,

I have attached an updated price list for the HP Ink & Toner contract #11-84-07. This is a more complete listing of all cartridges available from HP. I have indicated in bold blue the items that were specifically listed on the bid. All other pricing is at the 72% off manufacturer's list price as we stated on the reverse auction. Perhaps you can use this to help load details into your system for the internal requisitions.

When you have an opportunity, I would like to speak to you about the HP Purchase Edge program and our responsibilities in administering it for you.
