County Statement of Work

Clarity Partners LLC is to develop a technology plan for Cook County's new public facing website. The deliverables includes developing the Information Architecture /Taxonomy, evaluation of 3rd party SaaS services, Social Media assessment along with evaluating Content Management Solutions (CMS) required to manage content within the website. A detailed plan will be delivered including technical requirements, process changes, planning, design, development, testing, implementation, training, transition, and the ongoing maintenance of the website.

Clarity Partners, LLC Proposal - Understanding

Cook County would like to rebuild its existing public facing website using a platform that allows more flexibility in terms of growth, management, maintenance, and support. The new platform will allow a more robust architecture including the ability to support complex content taxonomies, an updated look and feel, decentralized content management, and the ability for users to create and maintain a personalized user experience.

The new site will enable users to drive their own experience through personalization and a user-centric architecture designed to accomplish tasks in a simple and straight-forward manner.

The County has performed some initial research into websites that typify both the technology bases to leverage and public sector organizations that have successfully leveraged them, including whitehouse.gov, fcc.gov, house.gov, and UK.gov (which has recently gone into beta testing).

The County is requesting that a vendor provide an initial assessment of the methodology, effort, technologies, process changes, and overall cost (including planning, design, development, testing, implementation, training, transition, and ongoing maintenance) it would require to complete this project. The focus of these efforts shall be to create a high level plan that:

- ↳ Identifies how successful public sector organizations have made use of CMS best practices and how they can be reused/modified for use at the County
- ↳ Ensures that content can be created and maintained at every level of the organization, with appropriate safeguards to enforce content standards and approval processes within the content-driven site
- ↳ Ensures that end users have easy-to-use tools/interfaces to customize their user experience
- ↳ Ensures that interfaces to other existing County applications as well as third party SaaS applications can be easily integrated as detailed within the product road map
- ↳ Ensures that a 'minimum value deliverable' can be created quickly, acting as a platform for additional functionality build-out over time (e.g., product roadmap)
- ↳ Allows for the site to be presented on a range of devices and platforms
- ↳ Ensures that the overall design focuses on usability at all human touch points, intuitive navigation, and an elegant, world-class look and feel.

Scope and Deliverables

The scope of this assessment is as follows:

- ↳ **Conduct kick-off meeting** to refine the scope of the assessment phase and outline methodology for the engagement
- ↳ Conduct a **Benchmark** of other large government websites
- ↳ Outline a **Technology Plan** that provides an overview of the architecture, hardware, and software needed to complete the project as well as the interfaces and technologies that need to be considered when building out the website in future builds
- ↳ Create a draft **Information Architecture/Taxonomy** and perform a minimal effort usability assessment on the existing site and other County provided artifacts to support the initial draft Information Architecture
- ↳ Outline the approach that will be used to develop the **Final Information Architecture/Taxonomy** and **Technical Architecture** supporting the unique content strategy designed for Cook County including different views into the site (home page, my site, agency sites, persona/topic sites, district sites, special topic micro sites, and related online content not managed by the County's CMS)
- ↳ Conduct **preliminary evaluation of third party SaaS services** that are currently being used by the County supporting recommendations on the integration and ongoing viability of specific services in the redesigned website
- ↳ Conduct a **Social Media Assessment** which will focus on the following:
 - Creating and structuring the social media team
 - Identifying tangible, measurable goals that are linked to the County's overall mission and objectives
 - Discussing key policy and acceptable user guidelines
 - Identifying potential social media technologies to deploy and their related benefits and impacts
- ↳ Deliver a **Detailed Statement of Work** for the implementation phase to include any of the above and the following:
 - Project scope of work, timeline and staffing plan
 - Technology plan, including required software and hardware
 - Estimate of project costs, including hardware, software, and services
 - Document County resource requirements for implementation, transition and support

Clarity proposes three resources for this assessment:

- ↳ **Project Manager** – David C. Namkung
- ↳ **Drupal Architect/Developer/UI-UX expert** – Bryan Jalowitz
- ↳ **Social Media Consultant** – Spencer Stern
- ↳ **Business Analyst** – TBD based on project timing and need

All resources will be utilized as needed for the duration of the assessment. This assessment will be completed in approximately 6 to 8 weeks.

ARTICLE 3. DUTIES AND RESPONSIBILITIES OF CONSULTANT

3.01 Scope of Services

A. General

The type of Services which the Consultant may be requested to provide under this Agreement are those described in this Article 3 and Exhibit 1, which is attached to this Agreement and incorporated by reference as if fully set forth here, and all tasks necessary to complete such Services. The Consultant must provide Services in accordance with the standards of performance set forth in Section 3.02.

The Consultant is acting as an independent Consultant in performing under this Agreement and nothing in this Agreement is intended or should be construed as in any way creating or establishing the relationship of partners or joint venturers between the City and the Consultant, or as constituting the Consultant or any officer, owner, employee or agent of the Consultant as an agent, representative or employee of the City for any purpose or in any manner whatsoever.

B. Task Order Requests

1. Task Order Requests.

(a) From time to time the CIO and the CPO may issue Task Order Requests which are within the scope of this Pre-Qualified Consultant Pool Agreement. Task Order Requests, if any, will set forth the project for which Services are to be performed pursuant to the proposed Task Order and a desired completion date. Consultant must respond by proposing a time schedule, Budget, Deliverables, list of key personnel, and MBE/WBE involvement, all of which conform to the terms of the TOR and the terms and conditions of the Pre-Qualified Consultant Pool Agreement. Consultant must not respond to any TOR not approved in writing

and signed by the Commissioner and the Chief Information Officer or designee and/or not within the scope of service for the category awarded in the Pre-Qualified Consultant Pool Agreement. Costs associated with the preparation of Task Order Proposals are not compensable under the Pre-Qualified Consultant Pool Agreement and the City is not liable for any additional costs.

In the event that a project is funded in whole or part with state or federal funds, the Task Order Request may also set forth additional conditions required by the particular source of funds and such additional conditions will become part of this Agreement with respect to that specific project. By accepting a Proposal in response to a particular Task Order Request, this Agreement will be deemed to have been amended to include such special conditions pursuant to Section 12.03 but with respect to that project only. The Consultant will not respond to Task Order Requests which are not within the scope of this Agreement.

Following Consultant's submission of a Proposal in response to the TOR, the Commissioner, the Chief Information Officer and the Chief Procurement Officer will review the Task Order Proposal and may elect to approve it, reject it, or use it as a basis for further negotiations with the Consultant regarding the scope or fee of the project and the project completion date. If the City and the Consultant negotiate the scope or fee of the project and the project completion date, the Consultant must submit a signed revised Task Order Proposal (based upon such negotiations) to the City for approval.

All Task Orders are subject to the approval of the Chief Procurement Officer and no Task Order will become binding upon the City until it is approved, in writing, by the Chief Procurement Officer and Chief Information Officer. Absent approval of a Task Order by the Chief Procurement Officer and Chief Information Officer, the City will not be obligated to pay or have any liability, under any theory of recovery (whether under the Agreement, at law or in equity), to Consultant for any Services provided by Consultant pursuant to a Task Order, or otherwise.

(b) The Task Order Request under this Agreement will fall into two basic categories: (1) Task Order Requests for Advice ("Advice TOR"); and (2) Task Order Requests for Results ("Results TOR"). Advice TOR will ask the Consultant to provide professional consulting services, advice and assist the City. Results TOR will ask the Consultant to complete or implement a project or task for the City, such that contract conformity will be measured by the achievement of acceptance criteria and functional specifications. All Task Order Request will specify Advice or Results type.

(c) The Consultant acknowledges and agrees that the City is under no obligation to issue any Task Order Requests to the Consultant; that the level of Services requested may vary by project; and that the City has entered into similar agreements with other Consultants and, in the CPO's sole discretion, the City may issue a Task Order Request to only one consultant or may issue the same Task Order Request to more than one consultant in order to obtain competitive Proposals.

2. Proposals.

(a) The Consultant will respond to a Task Order Request by submitting a Proposal to the Commissioner and the Chief Information Officer which describes the Consultant's approach and plan for performing those Services and contains a time schedule for completion of Services, Deliverables to be provided and a schedule for delivery, a staffing schedule, and a Cost Proposal, all of which conform to the terms of the Task Order Request and the terms and conditions of this Agreement. Proposals will constitute

irrevocable offers for a period of 60 calendar days after receipt by the City. Any and all costs associated with the preparation of Proposals will not be a reimbursable cost under this Agreement.

(b) Proposals satisfactory to the Commissioner must be accepted on behalf of the City by the CPO before binding the City and Consultant. The City's acceptance will be demonstrated by a Notice-to-Proceed and a Task Order, issued pursuant to the Task Order procedures set forth in Section 3.01B. The Consultant will not commence Services, and the City will not be liable for any costs incurred by or payments to the Consultant, without a Notice-to-Proceed so executed. All approved Proposals will be governed by the terms and conditions of the Project Documents. The Project Documents will be interpreted in the following order of precedence: the terms of this Agreement, Task Order Request, and Task Order (approved Proposal).

Notwithstanding anything to the contrary contained in this Agreement, if any Task Order contains terms that are inconsistent or conflict with this Agreement, or shift the risk allocation contemplated in this Agreement, such Task Order must be treated as an amendment pursuant to Section 12.03. Further, it is contemplated that each Task Order will include scopes of services setting forth the obligations of the Contractor under that Task Order, but the parties recognize that, depending upon the nature of the scope of services, the terms and conditions in this Agreement may not be appropriate for the undertaking contemplated by the Task Order. Therefore, any project for which the terms of this Agreement are deficient as a business and/or legal matter, such as, without limitation, deficient risk allocation provisions or licensing provisions given the nature of the project, must be done by amendment pursuant to Section 12.03.

(c) The Consultant acknowledges and agrees that the City either may select from among those Proposals submitted in response to a Task Order Request that Proposal which is in the best interests of the City or may reject any and all Proposals submitted in response to a Task Order Request. The Consultant further acknowledges and agrees that this Agreement and any Task Order may be subject to approval by other governmental agencies and that, if such approval is required, the Consultant will perform no Services relating to a Proposal until such approval is obtained.

3. Deadlines for Submittal of Proposals. Proposals will be submitted to the Commissioner no later than the date set forth in the Task Order Request and if no date is specified then no later than 15 business days following Consultant's receipt of the Task Order Request. Failure to provide a Proposal on a timely basis may result in rejection of the Proposal.

4. Negotiation Possible. The City reserves the right, at its option, either to accept a Proposal as submitted by the Consultant, reject the Proposal, or to negotiate a more satisfactory Proposal with one or more Consultants.

5. Notice to Proceed.

Consultant will commence its Services immediately upon receipt of an executed Notice to Proceed issued by the Chief Procurement Officer and Chief Information Officer or their authorized designee.

C. Deliverables

1. City Approval Required. In carrying out Services, the Consultant must prepare or provide Deliverables. 2. Partial Deliverables. Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the Commissioner. Such Deliverables may not be considered as satisfying the requirements of this Agreement. Partial or incomplete Deliverables will in no way relieve Consultant of its commitments hereunder. In addition, at the CIO's request, the Consultant must attend other meetings with the City or other interested parties designated by the CIO. The CIO reserves the right to require the Consultant to track time and report progress performing Services in a format prescribed by the CIO upon written notice by the CIO.

3.02 Standard of Performance

A. General

1. Professional and Fiduciary. The Consultant will perform all Services required of it under this Agreement with that degree of skill and care normally shown by a professional performing Services of a comparable nature and scope. With respect to the Consultant's duties to the City, the Consultant will be deemed to be acting in a fiduciary capacity for the City and will be held to a fiduciary standard in performing its Services. Nothing contained in this Section, however, shall be construed to relieve Consultant of its obligations pertaining to a Proposal and a Task Order as set forth in Sections 3.01(B)(2) and 3.02(A)(2).

2. Satisfactory Performance. The Consultant will perform or cause to be performed all Services required by the Agreement in accordance with the terms and conditions of this Agreement, in accordance with any federal, state and local laws, statutes, ordinances, regulations and standards applicable to this Agreement, and to the satisfaction of the Commissioner. The Consultant must at all times act in the best interests of the City consistent with the professional and fiduciary obligations assumed by it in entering into this Agreement and will assure timely and satisfactory rendering and completion of its Services, including but not limited to Deliverables.

3. Qualified Personnel. The Consultant must assure that all Services which require the exercise of professional skills or judgment must be accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Consultant covenants with the City to furnish its best professional expertise and judgment in furthering the City's interests.

4. Efficiency. The Consultant agrees to furnish efficient business administration and supervision to render and complete the Services at reasonable cost, if furnished on a time and material basis.

5. Compatibility and Integration. The Consultant must ensure that the Services, Deliverables, and other resources and materials (collectively, the "Provided Resources") that are provided by the Consultant to the City, incorporated by Consultant, or approved or recommended by Consultant for use by the City in connection with Services rendered via approved Task Orders, be fully compatible with, and must not materially and adversely affect, or be materially and adversely affected by each other or the other hardware, software, equipment, network components, systems, services and other resources that are owned or leased by, or licensed to the City, as of the Effective Date of the approved Task Order (collectively, City Resources"). At all times, Consultant must cooperate and work as requested with the other services providers of the City to coordinate the development and the provision of Services with the services and systems of such other service providers.

Such coordination shall include: (i) facilitating with such other relevant service providers the timely resolution of all problems that may arise and impact the Services, regardless of the actual or suspected root-cause of such problems, and using all commercially reasonable efforts to obtain and maintain the active participation, cooperation, and involvement of such other services providers as is required for such problem resolution; (ii) providing information concerning any of all of the Provided Resources or the data, computing environment, and technology direction used in implementing and providing the Services; (iii) working with the City's other service providers in the implementation and integration of the Services with the City Resources in City's environment and the integration and interfacing of the services of such other service providers with the Services; (iv) providing reasonable access to and use of the Provided Resources; and (v) performing other reasonably necessary tasks in connection with the Services in order to accomplish the foregoing activities described in this sentence. In the event of any dispute between the parties as to whether a particular service or function falls within the scope of services to be provided by the City's third-party providers (or by the City itself), or within the scope of Services to be provided by the Consultant, such particular service or function shall be considered to be a part of the Services hereunder if it is consistent with, and reasonably inferable to be within, the scope of Consultant's work, as set forth in this Agreement, and it more reasonably would be associated with the scope for Consultant's work than with the scope of the services to be provided by such other service providers.

B. Cooperation

The Consultant will at all times cooperate fully with the City, its agents, employees, consultants, and Sub Consultants; any other parties providing services with respect to this Agreement; and any interested governmental agency. The Consultant will at all times act in the City's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, the Consultant will make every effort to assure an orderly transition to another provider of the Services, if any; an orderly demobilization of its own operations in connection with the Services; uninterrupted provision of Services during any transition period; and will otherwise comply with the reasonable requests and requirements of the Commissioner in connection with the termination or expiration.

C. Failure to Comply

If Consultant fails to comply with the above standards, Consultant will perform again, at its own expense, any and all Services required to be performed again as a direct or indirect result of such failure.

The duty to perform again is in addition to and not a limitation on any other remedies available to the City under this Agreement, at law, or in equity.

D. Related Services

The parties have attempted to delineate in this Agreement and its Exhibits, and will attempt to delineate in each Task Order, the specific tasks, activities, and Services that will be performed by Consultant, and the specific Deliverables that will be provided by Consultant, in the Project. Nevertheless, and notwithstanding anything to the contrary herein, the parties acknowledge and agree that no such delineation may possibly be entirely exhaustive or complete and that all such delineations will be interpreted as illustrations of the general types and natures of Services and Deliverables that are to be provided by Consultant, rather than as complete and exhaustive lists of such Services and Deliverables. Notwithstanding anything to the contrary elsewhere in this Agreement or in any Task Order, the parties agree that the Services to be performed by Consultant with respect to any Project as a whole shall be deemed to include not only such delineated tasks, activities, responsibilities and services, but also such other tasks, activities, responsibilities, and services as are consistent with and reasonably related to those that are so delineated and are otherwise necessary to provide City with the requirements of this Agreement.

3.03 Personnel

A. Adequate Staffing

The Consultant will, immediately upon receiving a fully executed copy of this Agreement, assign during the term of this Agreement and any extension of it an Account Manager who will be the Consultant's designated person to receive Task Order Requests and to submit Proposals. If assigned a Project, the Consultant will, immediately upon receiving a fully executed Task Order, assign during the term of the Project and any extension of it, an adequate staff of competent personnel which is fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. The Consultant will identify such personnel and their positions in a staffing schedule which will be included in each Proposal.

B. Key Personnel

1. Minimum Requirements. The Consultant's Key Personnel under this Agreement will consist of an Account Manager who will be the contact person for the City and such other personnel as may be named for specific projects in the respective Proposal (see Exhibit 5 for the list of Key Personnel). Changes in the assignment of committed key personnel due to commitments not related to this Agreement are prohibited without the Commissioner's approval. Key personnel may also include other critical members of the project as specified in the Proposal.

2. No Substitutions. The Consultant will not reassign or replace Key Personnel without the written consent of the Commissioner which consent will not be unreasonably withheld. The CPO may at any time in writing notify the Consultant that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel. Upon such notice the Consultant will immediately cease to assign that person or those persons to perform the Services and will replace him or them with personnel qualified to perform the function and acceptable to the Commissioner.

If any Key Personnel furnished by the Consultant to perform Services under this Agreement are unable to continue in the performance of assigned duties for reasons beyond the Consultant's control, the

Consultant shall promptly notify the City, explaining the circumstances. Within 10 days of notification by either party of the need to replace Key Personnel, the Consultant must furnish to the City the name of the substitute person and any other information the City may require. If the City does not approve such substitute person, the Consultant must propose another substitute person within 5 days. Such 5-day cycle will be repeated for a reasonable period until a proposed replacement has been approved by the City or the City has declared an Event of Default.

C. Conduct on City's Premises

Consultant must exercise due care and diligence to prevent any injury to persons or damage to property while on the City's premises. The operation of vehicles by and Consultant personnel on City's property must conform to posted and other regulations and safe driving practices. Vehicular accidents on City's property and involving any Consultant personnel must be reported promptly to the appropriate City personnel. Consultant covenants that it and its Subcontractors, and their respective employees, agents and representatives (including all Consultant personnel), shall at all times comply with, and shall at no time take action that results in the City being in violation of, any federal, state, local law, ordinance, regulation, or rule, including those regarding use or possession of contraband and those regarding confidentiality, privacy, security, or exportation.

D. Salaries and Wages

The Consultant must pay, and cause each of its Sub Consultants to pay, salaries and wages due to all employees of the Consultant and its Sub Consultants, respectively, performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations. If, in the performance of this Agreement, the Consultant or any Sub Consultant underpays any such salaries or wages, the Comptroller may withhold, out of payments due to the Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement or the applicable subcontract and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of the Consultant to the respective employees to whom they are due. The parties acknowledge that this section is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

3.04 Minority and Women Business Enterprises

In the performance of this Agreement, including the procurement and lease of materials or equipment, Consultant must abide by the minority and women's business enterprise commitment requirements of the Municipal Code of Chicago ("**Municipal Code**"), §§ 2-92-420 *et seq.* (1990), except to the extent waived by the Chief Procurement Officer and the Special Conditions Regarding MBE/WBE Commitment for Task Order Contracts set forth in Exhibit 3.

Consultant will provide a fully executed Schedule D-3 with each Task Order Proposal which indicates the individual M/WBE percentage goals established for each specific project at the Task Order level. A separate Schedule C-3 for each proposed M/WBE Sub Consultant will also be required at the Task Order level, and will become a part of the Project Documents upon acceptance by the Commissioner and CPO. The City reserves the rights to require replacement of any proposed M/WBE that is not certified by the City of Chicago and/or increase or decrease the M/WBE compliance participation based on the available pool of City of Chicago certified Minority and Women owned businesses.

Each Consultant will be required to submit an MBE/WBE Utilization Report, as included in Exhibit 3, and supporting documentation within ninety (90) days after award of Task Order and quarterly thereafter to the City of Chicago, Office of Compliance, Supplier Diversity Program, 333 S. State Street, Suite 320, Chicago, Illinois 60602. The MBE/WBE Utilization Reports must reflect actual amounts paid to each MBE/WBE to date based on percentages of total contract value.

3.05 Ownership of Documents

All Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to Consultant under this Agreement are property of the City, including, as further described in Section 3.06 below, all copyrights inherent in them or their preparation. During performance of its Services, Consultant is responsible for any loss or damage to the Deliverables, data, findings or information while in Consultant's or any Sub Consultant's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at the expense of Consultant. If not restorable, Consultant must bear the cost of replacement and of any loss suffered by the City on account of the destruction, as provided in Section 9.02.

3.06 Copyright Ownership

Consultant and the City intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the City's instance and expense under this Agreement are conclusively deemed "**works made for hire**" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 *et seq.*, and that the City will be the sole copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement.

To the extent that any Deliverable does not qualify as a "work made for hire," Consultant hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement, and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Consultant will, and will cause all of its Sub Consultants, employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Consultant warrants to the City, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Consultant further warrants that it has not assigned and will not assign any copyrights and that it has not granted and will not grant any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Consultant warrants that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

3.07 Records and Audits

A. Records

(1) Consultant must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable

demand for them or upon termination or completion of the Services under this Agreement. If Consultant fails to make such delivery upon demand, then Consultant must pay to the City any damages the City may sustain by reason of Consultant's failure.

(2) Consultant must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Agreement. Consultant must not dispose of such documents following the expiration of this period without notification of and written approval from the City in accordance with Article 13.

B. Audits

(1) Consultant and any of Consultant's Sub Consultants must furnish the Department with all information that may be requested pertaining to the performance and cost of the Services. Consultant must maintain records showing actual time devoted and costs incurred. Consultant must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(2) To the extent that Consultant conducts any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then Consultant must maintain and make similarly available to the City detailed records supporting Consultant's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

(3) Consultant must maintain its books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred for or in connection with the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(4) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(5) The City may in its sole discretion audit the records of Consultant or its Sub Consultants, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of any such audit, it is determined that Consultant or any of its Sub Consultants has overcharged the City in the audited period, the City will notify Consultant. Consultant must then promptly reimburse the City for any amounts the City has paid Consultant due to the overcharges and also some or all of the cost of the audit, as follows:

- (a) If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then the Consultant must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

- (b) If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then Consultant must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Consultant to reimburse the City in accordance with subsection (a) or (b) above is an event of default under Section 11.01 of this Agreement, and Consultant will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

A. Consultant must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement: (i) unless otherwise provided for elsewhere in this Agreement; or (ii) without the express written consent of the CPO and the Commissioner. The absence of such a provision or written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the CPO, including approvals for the use of any Sub Consultants, operate to relieve Consultant of any of its obligations or liabilities under this Agreement.

B. All Sub Consultants are subject to the prior approval of the CPO. Approval for the use of any Sub Consultant in performance of the Services is conditioned upon performance by the Sub Consultant in accordance with the terms and conditions of this Agreement. If any Sub Consultant fails to perform the Services in accordance with the terms and conditions of this Agreement to the satisfaction of the Commissioner, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this Agreement by Consultant personally or through any other City-approved Sub Consultant. Any approval for the use of Sub Consultants in the performance of the Services under this Agreement under no circumstances operates to relieve Consultant of any of its obligations or liabilities under this Agreement.

C. Consultant, upon entering into any agreement with a Sub Consultant, must furnish upon request of the CPO or the Department a copy of its agreement. Consultant must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement, provide that the Sub Consultants are subject to all the terms of this Agreement and are subject to the approval of the Commissioner and the CPO. If the agreements do not prejudice any of the City's rights under this Agreement, such agreements may contain different provisions than are provided in this Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

D. Consultant must not transfer or assign any funds or claims due or to become due under this Agreement without the prior written approval of the CPO. The attempted transfer or assignment of any funds, either in whole or in part, or any interest in them, which are due or to become due to Consultant under this Agreement, without such prior written approval, has no effect upon the City.

E. Under § 2-92-245 of the Municipal Code, the CPO may make direct payments to Sub Consultants for Services performed under this Agreement. Any such payment has the same effect as if the City had paid Consultant that amount directly. Such payment by the City to Consultant's Sub Consultant under no circumstances operates to relieve Consultant of any of its obligations or liabilities under this Agreement. This section is solely for the benefit of the City and does not grant any third party beneficiary rights.

F. The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

3.09 Confidentiality

A. All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Consultant under this Agreement are property of the City and are confidential, except as specifically authorized in this Agreement or as may be required by law. Consultant must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Consultant by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Consultant must implement such measures as may be necessary to ensure that its staff and its Sub Consultants are bound by the confidentiality provisions in this Agreement. If any of the foregoing requires the disclosures of any proprietary information or Confidential Information of Consultant to any third party, such third party shall be required to enter into a reasonable confidentiality agreement with the City, with terms substantially equivalent to those of this Agreement regarding the protection of confidential Information.

B. Consultant must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

C. If Consultant is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Consultant's possession by reason of this Agreement, Consultant must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Consultant, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

D. HIPPA and AIDS Confidentiality Act. To the extent not defined here the capitalized terms below and in Exhibit 6 will have the meaning as set forth in the Health Insurance Portability and Accountability Act (Act). See 45 CFR parts 160, 162, and 164. Consultant and all its subcontractors must comply with the Act and all rules and regulations applicable to it including the Privacy Rule, which sets forth the Standards for Privacy of Individually Identifiable Health Information at 45 CFR part 160 and part 164 subparts A and E; the Standards for Electronic Transaction, which are located at 45 CFR parts 160 and 162 and the Security Standards, which are located at 45 CFR parts 160, 162 and 164. Consultant must also comply with the Illinois AIDS Confidentiality Act (410 ILCS 305/1 through 16) and the rules and regulations of the Illinois Department of Public Health promulgated under it. If Consultant fails to comply with the applicable provision under the ACT or the Illinois AIDS Confidentiality Act, such failure will constitute an event of default under this Agreement for which no opportunity for cure will be provided.

Additionally, if Consultant is a Business Associate it must comply with all requirements of the Act applical to Business Associates including the provision contained in Exhibit 6.

3.10 City's Policies and Procedures

Consultant covenants that it, the Consultant personnel, Sub Consultants of Consultant and their respective employees, and all other agents and representatives of Consultant or its Sub Consultants, shall at all times comply with and abide by all policies and procedures of City (as such may exist or be revised or established by City from time to time) that reasonably pertain to Consultant in connection with Consultant's performance hereunder, including all such policies that pertain to conduct on City's premises, use or possession of contraband, or the access to, or security and confidentiality of, City's information technology, data, or resources, or related systems, networks, equipment, property, or facilities. No such policies shall override the express provisions of this Agreement relating to ownership of Consultant's proprietary information. Written copies of such policies and procedures shall be provided to Consultant by City upon request. Prior to performing Services hereunder, each of the Consultant personnel who will have access to City's data, software, or Confidential Information shall execute City's standard form confidentiality agreements. Consultant shall issue to each Consultant personnel appropriate access mechanisms (e.g., access IDs, passwords, and access cards), which mechanisms shall be used only by the specific individuals to whom issued. Consultant shall provide each Consultant personnel with only the level of access that is appropriate and required to perform the tasks and functions for which such person is responsible. Consultant shall, from time to time, and promptly upon City's request, provide City with an updated list of those Consultant personnel who have the highest level of access to City's systems, software and data. Consultant shall maintain and ensure the confidentiality and security of City's information systems, networks, software and data in accordance with the terms of this Agreement, and shall, in any event, treat all such materials with a level of security at least equivalent to that then being maintained by: (i) City with respect to such materials; and (ii) Consultant with respect to its own similar systems and data. Consultant shall cooperate with City in ensuring Consultant's compliance with the policies and procedures described in this Section 3.10, and any violations or disregard of such policies or procedures shall, in addition to all other available rights and remedies of City, be cause for denial of access or use by the applicable Consultant personnel to City's information systems, networks, equipment, property and facilities.

ARTICLE 4. RESULTS TOR ACCEPTANCE TESTING CRITERIA AND PROCEDURES

4.01 Development of Acceptance Test

Each Task Order Request will contain functional specifications and a general statement of acceptance criteria for the Deliverables ("General Acceptance Criteria"). After reviewing the Proposal, and prior to issuing the Notice-to-Proceed, the City will propose a detailed, comprehensive set of acceptance criteria for each Deliverable designed to objectively verify the performance of each Deliverable or the Deliverables as whole ("Detailed Acceptance Criteria"). The City and the Consultant will mutually agree upon the Detailed Acceptance Criteria. The Detailed Acceptance Criteria will be contained in the Project Documents. As used here, the term "Acceptance Criteria" refers to the General Acceptance Criteria until the parties agree on the Detailed Acceptance Criteria and thereafter shall refer to the General Acceptance Criteria and the Detailed Acceptance Criteria, collectively.

4.02. Acceptance Procedures

A. Upon issuing a Notice-to-Proceed, the City will propose and the Consultant shall agree in writing on detailed, comprehensive acceptance procedures for the Deliverables ("Acceptance Procedures"). The Acceptance Procedures must include the provisions of this Section 4.02. Each submittal of a Deliverable by Consultant shall be accompanied by a written certificate from the Consultant that such Deliverable has met its Acceptance Criteria ("Completion Certificate"). Upon delivery of the Completion Certificate, the Consultant shall also provide a complete copy of the Deliverable to the City.

B. At the City's request, the Consultant will demonstrate to the City how the Deliverable meets or satisfies its Acceptance Criteria. The Consultant will conduct any additional review and/or testing of a Deliverable that the City requests in order to verify to its satisfaction that the Deliverable meets or satisfies the Acceptance Criteria. If the City determines that any submitted Deliverable does not perform the requirements specified by such Deliverable's Acceptance Criteria, the City will provide the Consultant with written notice specifying the identified failures. The Consultant must cure as promptly as possible any such failures and deficiencies and will apply necessary resources to perform such cure. After completing such cure, the Consultant must resubmit the Deliverable for review testing and must resubmit the Deliverable to the City along with a Completion Certificate. Disputes regarding claimed failures and deficiencies will be resolved pursuant to the disputes provision of Article 10.

ARTICLE 5. DURATION OF AGREEMENT

5.02 Timeliness of Performance

(A) Consultant must provide the Services and Deliverables within the time limits required under any Task Order pursuant to the provisions of Section 3.01 and Exhibit 1. **Further, Consultant acknowledges that TIME IS OF THE ESSENCE and that the failure of Consultant to comply with the required time limits may result in economic or other losses to the City.**

(B) Neither Consultant nor Consultant's agents, employees or Sub Consultants is entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Consultant by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

6.01 Basis of Payment

Each Task Order Request will specify the basis of payment for the satisfactory performance of the Services requested and will either be lump sum, hourly rate, time and materials with a guaranteed maximum price or such other method as specified in the Task Order Request. In each case where the Consultant is to be compensated based on an hourly rate, the Budget will specify a maximum payment that cannot be exceeded without an amendment.

The City will pay Consultant for completed Services and accepted Deliverables based on the defined basis of payment and in accordance with the Compensation Schedule shown in Exhibit 1 for each TOR.

6.02 Budget for Services

As provided in Section 3.01, the Consultant will prepare a Cost Proposal as part of each Proposal. The Cost Proposal for each Proposal will be deemed approved upon approval of the Task Order. The Consultant will prepare its Cost Proposal in accordance with the basis of payment specified in the applicable Task Order Request, either lump sum, hourly rate, or time and materials with a guaranteed maximum price or such other method as specified in the Task Order Request. If a time and materials basis is specified, the Consultant will estimate the number of hours to complete the project and calculate the guaranteed maximum price based upon its Fully-Loaded Hourly Rates. A Cost Proposal which does not conform to the specified basis of payment may be cause for rejection of the Proposal.

6.03 Method of Payment

The method of payment depends on the basis of payment. The method of payment will be specified in the Task Order Request. Payment will be made using the following processes:

For lump sum compensation, the Consultant will submit periodic invoices which may prorate the lump sum on the basis of milestone Deliverables provided. For hourly rate compensation (time and materials), the Consultant will submit monthly invoices for the hours and direct costs incurred during the month and will explain any variances from the Budget.

The Project Documents will specify a percentage of the compensation that will be retained by the City from every invoice until all Deliverables have been accepted as provided in this Agreement ("Retainage"). In no event shall the Retainage be less than 10%. The Project Documents may specify a higher Retainage percentage.

All invoices will be submitted in a format and detail acceptable to the City. Upon request by the City, the Consultant will supply original time sheets, payroll registers, invoices, and such other documentation as may be necessary to support the amount invoiced. No invoices will be submitted for under \$500.00 unless they are submitted for final payment/project close-out. If Consultant has an invoice for less than \$500 and it is not the final payment/project close-out, the Consultant will hold the invoice and submit it the next time the total exceeds \$500.

The City will process invoices for payment within 60 days after receipt of properly completed and signed invoices accompanied by all necessary supporting documents verifying all costs related to each TOR.

6.04 Funding

This is a Depends Upon Requirements (DUR) Agreement. The City is under no obligation to award any Task Orders pursuant to this Agreement. Any payments under this Agreement will be made from Fund No. 009-0100-0062005-0138-220138 and various other funds and are subject to the appropriation and availability of funds therein. Actual expenditures under this Agreement will depend upon requirements.

6.05 Non-Appropriation

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Agreement, then the City will notify Consultant in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement

are exhausted. Payments for Services completed to the date of notification will be made to Consultant except that no payments will be made or due to Consultant under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments under this Agreement.

6.06 Sub Consultant Payments

Consultant must submit a status report of Sub Consultant payments with each invoice for the duration of the Agreement on the "Sub Consultant Payment Certification" form required by the City. The form can be downloaded from the City's website at http://www.cityofchicago.org/webportal/COCWebPortal/COC_EDITORIAL/subcompliance.pdf. All subcontracts must inform Sub Consultants of the provision and require understanding and compliance with it.

7.05 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if the primary consultant conducts any business operations in Northern Ireland, the consultant must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 7.05. do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

7.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a “**business relationship**” as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. 7.07 Chicago “Living Wage” Ordinance

(A) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers (“**Covered Employees**”). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(1) If Consultant has 25 or more full-time employees, and

(2) If at any time during the performance of this Agreement, Consultant and/or any Sub Consultant or any other entity that provides any portion of the Services (collectively “**Performing Parties**”) uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(3) Consultant must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the “**Base Wage**”) for all Services performed under this Agreement.

(B) Consultant’s obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(C) As of July 1, 2010, the Base Wage is \$11.03 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this Agreement, Consultant and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Consultant and all other Performing Parties must pay the prevailing wage rates.

(D) Consultant must include provisions in all subcontracts requiring its Sub Consultants to pay the Base Wage to Covered Employees. Consultant agrees to provide the City with documentation acceptable to the CPO demonstrating that all Covered Employees, whether employed by Consultant or by a Sub Consultant, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Consultant and/or Sub Consultants to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(E) Not-for-Profit Corporations: If Consultant is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

7.08 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Consultant warrants and represents that it, and to the best of its knowledge, its Sub Consultants have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;

- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Consultant's or any SubConsultant's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the CPO. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Consultant's and its Sub Consultants' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the

termination of this Agreement, and may further affect Consultant's eligibility for future contract awards.

7.09 Prohibition on Certain Contributions

Consultant agrees that Consultant, any person or entity who directly or indirectly has an ownership or beneficial interest in Consultant of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, Consultant's Sub Consultants, any person or entity who directly or indirectly has an ownership or beneficial interest in any Sub-Consultant of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Consultant and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall not make a contribution of any amount to the Mayor of the City of Chicago ("**Mayor**") or to his political fundraising committee (i) after execution of this Agreement by Consultant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Consultant and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Consultant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Consultant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Consultant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

Provision(s) required by law, ordinances, rules, regulations, or executive orders to be inserted will be deemed inserted whether or not they appear in this Agreement or, upon application by either party, this Agreement will forthwith be amended to literally make such insertion; however, in no event will the failure to insert such provision(s) prevent the enforcement of this Agreement.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

B. Consultant represents that it, and to the best of its knowledge, its Sub Consultants if any (Consultant and Sub Consultants will be collectively referred to in this Section 8.05 as "**Contracting Parties**"), presently have no direct or indirect interest and will not acquire any direct or indirect interest in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

C. Upon the request of the City, Contracting Parties must disclose to the City their past client lists and the names of any clients with whom they have an ongoing relationship. Contracting Parties are not permitted to perform any Services for the City on applications or other documents submitted to the City by any of Contracting Parties' past or present clients. If Contracting Parties become aware of a conflict, they must immediately stop work on the assignment causing the conflict and notify the City.

D. Without limiting the foregoing, if the Contracting Parties assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for Proposals or bid specifications for a project, the Contracting Parties must not participate, directly or indirectly, as a prime, SubConsultant or joint venturer in that project or in the preparation of a Proposal or bid for that project during the term of this Agreement or afterwards. The Contracting Parties may, however, assist the City in reviewing the Proposals or bids for the project if none of the Contracting Parties have a relationship with the persons or entities that submitted the Proposals or bids for that project.

E. Further, Contracting Parties must not assign any person having any conflicting interest to perform any Services under this Agreement or have access to any confidential information, as described in Section 3.09 of this Agreement. If the City, by the Commissioner in his reasonable judgment, determines that any of Contracting Parties' services for others conflict with the Services that Contracting Parties are to render for the City under this Agreement, Contracting Parties must terminate such other services immediately upon request of the City.

F. Furthermore, if any federal funds are to be used to compensate or reimburse Consultant under this Agreement, Consultant represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Consultant must execute a Certification Regarding Lobbying, which is part of the EDS and incorporated by reference as if fully set forth here.

8.06 Non-liability of Public Officials

No official, employee or agent of the City will be charged personally by Consultant, or by any assignee or Sub Consultant of the Consultant, with any liability or expenses of defense or be held personally liable to them under any term of provision of this Agreement, or because of the City's execution or attempted execution, or because of any breach hereof.

8.07 EDS / Certification Regarding Suspension and Debarment

Consultant certifies, as further evidenced in the EDS attached as Exhibit 4, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Consultant further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, Proposals, contracts and subcontracts. If Consultant or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

8.08 Payment Card Industry Data Security Standard

Consultant shall at all times during the Term of this Agreement be compliant with the Payment Card Industry ("PCI") Data Security Standard to the extent applicable to the Services and shall be responsible for the security of the payment cardholder data in its possession. Consultant shall provide City such information as the City may reasonably require regarding Consultant's compliance with such PCI requirements, including, at a minimum, an annual certificate of compliance by Consultant with the PCI Data Security Standard. In the event of Consultant's non-compliance with the PCI Data Security Standard, Consultant will promptly perform, at Consultant's expense, all curative measures necessary to remedy such non-compliance.

For further details regarding this standard go to:

https://www.pcisecuritystandards.org/security_standards/pci_dss.shtml

8.09 Information Technology Accessibility Standards

Consultant shall at all times during the Term of this Agreement be compliant with the Illinois Information Technology Accessibility Act to the extent applicable to the Services. In the event of Consultant's non-compliance with the Information Technology Accessibility Act, Consultant will promptly perform at Consultant's expense, all curative measures necessary to remedy such non-compliance.

Further details regarding these standards are currently available at:

ARTICLE 9. RISK MANAGEMENT

9.01 Consultant's Insurance

Consultant must provide and maintain at Consultant's own expense, until contract completion and during the time period following completion if Consultant is required to return and perform any additional work, the insurance coverages and requirements specified in Exhibit 2, insuring all operations related to the Agreement.

9.02 Indemnification

A. General Indemnification

1. Consultant must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

- (a) injury, death or damage of or to any person or property;
- (b) Consultant's failure to perform or cause to be performed Consultant's promises and obligations as and when required under this Agreement, including Consultant's failure to perform its obligations to any Sub Consultant;
- (c) the City's exercise of its rights and remedies under Section 11.02 of this Agreement;
- (d) injuries to or death of any employee of Consultant or any Sub Consultant under any workers compensation statute; and
- (e) infringement or alleged infringement by any part of the Consultant's Deliverables of any patent or copyright or other proprietary rights.

2. "Losses" means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Consultant's breach of this Agreement or to Consultant's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, Sub Consultants or licensees.

3. At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

4. To the extent permissible by law, Consultant waives any limits on its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other law or judicial decision (such as, Kotecki v. Cyclops Welding Corporation, 146 Ill.2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, or any other statute or judicial decision.

5. The indemnities in this section survive the expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Consultant's performance of Services beyond the term. Consultant acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Consultant's duties under this Agreement, including the insurance requirements in Exhibit 2 of this Agreement.

B. Proprietary Rights Indemnification

1. In addition to the foregoing, in the event of any claim, action, suit or proceeding relating to infringement or alleged infringement of any patent or copyright or other proprietary rights, the Consultant will: (i) successfully defend such, or (ii) obtain the right for the City to continue using the infringing product or proprietary property, or (iii) modify the Consultant's Deliverables at Consultant's cost to make it non-infringing, without material loss of function or utility and without a material increase in operating costs, or (iv) replace the infringing Consultant material with materials containing at least equivalent functionality as the infringing Consultant material.

ARTICLE 10. DISPUTES

Except as otherwise provided in this Agreement, Consultant must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the CPO for decision based upon the written submissions of the parties. (A copy of the "Regulations of the Department of Procurement Services for Resolution of Disputes between Consultants and the City of Chicago" is available in City Hall, 121 N. LaSalle Street, Room 301, Bid and Bond Room, Chicago, Illinois 60602.) The Chief Procurement Officer will issue a written decision and send it to the Consultant by mail. The decision of the CPO is final and binding. The sole and exclusive remedy to challenge the decision of the CPO is judicial review by means of a common law writ of certiorari.

The Consultant will not withhold performance of any Services and the City will not withhold any undisputed payments during the dispute resolution period. The CPO's written determination must be complied with pending any judicial review of the dispute.

ARTICLE 11. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

11.01 Events of Default

A. Defined

The following constitute events of default:

1. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the City.
2. The Consultant's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:
 - a. Inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - b. Failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination;
 - c. Failure to have and maintain all professional licenses required by law to perform the Services;
 - d. Failure to timely perform the Services;

 - f. Discontinuance of the Services for reasons within Consultant's reasonable control;
 - g. Failure to promptly update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate; and
 - h. Any other acts specifically and expressly stated in this Agreement as constituting an event of default.
3. For Services or Deliverables provided in response to an Advice TOR:
- a. Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the satisfactory performance of the Services;
 - b. Failure to perform the Services in accordance with the standard of performance required by this Agreement or to the level specified in the Task Order then in effect;

6. The Consultant's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Consultant acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7. Consultant's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the CPO, it indicates a willful or reckless disregard for City laws and regulations.
8. Consultant's failure to update its EDS to reflect any changes in information, including changes in ownership, and to provide it to the City as provided under Section 7.01.

B. Declaration of Default

The occurrence of any event of default permits the City, at the City's sole option, to declare Consultant in default. The CPO may in his sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the CPO. Whether to declare Consultant in default is within the sole discretion of the CPO and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The CPO will give Consultant written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the CPO gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the CPO decides not to terminate, this decision will not preclude him from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The CPO may give a Default Notice if Consultant fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 11.01 and Article 13, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

11.02 Remedies

A. General

1. If the Consultant has failed to cure a default within the period granted by the CPO, or the CPO has declared an event of default, the City may invoke any or all of the following remedies:
 - a. The right to take over and complete the Services, or any part of them, at Consultant's expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the City would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the City as agent for Consultant under this Section 11.02.
 - b. The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City.
 - c. The right to seek specific performance, an injunction or any other appropriate equitable remedy.

- d. The right to seek money damages.
 - e. The right to withhold all or any part of the Consultant's compensation.
 - f. The right to declare the Consultant non-responsible in future contracts with the City.
 - g. The right to declare the Consultant in default under existing City contracts.
2. In addition, upon the giving of notice of a declaration of default under an Advice TOR as provided herein, the City may invoke any or all of the following remedies:
- a. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Consultant, either directly or through others.
 - b. The right to require the Consultant to discontinue any Services and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.
3. In addition, upon the giving of notice of a declaration of default under a Results TOR as provided herein, the City may:
- a. Obtain the Results by contracting to purchase results in substitution for those to be obtained under the Results TOR and recovering from the Consultant as damages the difference between the cost of cover and the Budget, together with any incidental or consequential damages.
 - b. Receive the difference between the value of the Results actually furnished and the value of the Results if they had been as warranted.
 - c. Recover its incidental damages resulting from the Contractor's breach including those expenses reasonably incurred in inspection and receipt of goods rightfully rejected, and in connection with effecting cover and any other reasonable expense incident to the delay or other breach.

B. City's Reservation of Rights

If the CPO considers it to be in the City's best interests, he may elect not to declare default or to terminate the Agreement hereunder. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Consultant to continue to provide the Services despite one or more events of default, the Consultant will in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor will the City waive or relinquish any of its rights.

C. Remedies Nonexclusive

The remedies under the terms of the Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy will be cumulative and will be in addition to any other remedies, existing now or hereafter, at law or equity. No delay or omission to exercise any right or power accruing upon any event of default will impair any such right or power nor will it be construed as a waiver

of any event of default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

11.03 Early Termination

(a) In addition to termination under Sections 11.01 and 11.02 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Consultant. The City will give notice to Consultant in accordance with the provisions of Article 13. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 13 of this Agreement (if no date is given) or upon the effective date stated in the notice.

(b) After the notice is received, Consultant must restrict its activities, and those of its Sub Consultants, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 6, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with Article 10 of this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

(c) Consultant must include in its contracts with Sub Consultants an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Consultant will not be entitled to make any early termination claims against the City resulting from any SubConsultant's claims against Consultant or the City.

(d) If the City's election to terminate this Agreement for default under Sections 11.01 and 11.02 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 11.03.

11.04 Suspension

The City may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the CPO and such equitable extension of time as may be mutually agreed upon by the CPO and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 6 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days,

Consultant by written notice to the City may treat the suspension as an early termination of this Agreement under Section 11.03.

11.05 Right to Offset

(a) In connection with Consultant's performance under this Agreement, the City may offset any incremental costs and other damages the City incurs in any or all of the following circumstances:

(i) if the City terminates this Agreement for default or any other reason resulting from Consultant's performance or non-performance;

(ii) if the City exercises any of its remedies under Section 11.02 of this Agreement;

(iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these incremental costs and other damages by use of any payment due for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, Consultant is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) As provided under § 2-92-380 of the Municipal Code, the City may set off from Consultant's compensation under this Agreement an amount equal to the amount of the fines and penalties for each *outstanding parking violation complaint* and the amount of any *debt* owed by Consultant to the City as those italicized terms are defined in the Municipal Code.

(c) In connection with any liquidated or unliquidated claims against Consultant, and without breaching this Agreement, the City may set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against Consultant unrelated to this Agreement. When the City's claims against Consultant are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse Consultant to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

ARTICLE 12. GENERAL CONDITIONS

12.01 Entire Agreement

A. General

The Consultant acknowledges that this Agreement, and the Exhibits attached to and incorporated in the Agreement, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises, or interpretations will be implied or impressed upon this Agreement that are not expressly addressed in the Agreement.

B. No Collateral Inducements

The Consultant agrees that, except only for those representations, statements, or promises expressly contained in this Agreement, and any exhibits attached to this Agreement and incorporated by reference, no representation, statement or promise, oral or in writing, or of any kind whatsoever, by the City, its officials, agents, or employees, has induced Consultant to enter into this Agreement or has been relied upon by Consultant including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities, needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of the Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (v) immediately above, affecting or having any connection with this Agreement, its negotiation, or its performance.

12.02 Counterparts

This Agreement is comprised of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

12.03 Amendments

No changes, amendments, modifications or discharge of this Agreement, or any part of it are valid unless in writing and signed by the authorized agent of Consultant and by the Mayor, Comptroller, and CPO of the City or their respective successors and assigns. The City incurs no liability for Additional Services without a written amendment to this Agreement under this Section 12.03.

Whenever under this Agreement Consultant is required to obtain the City's prior written approval, the effect of any approval that may be granted pursuant to Consultant's request is prospective only from the later of the date approval was requested or the date of approval is granted. In no event is approval permitted to apply retroactively to a date before the approval granted.

12.04 Governing Law and Jurisdiction

This Agreement will be governed as to performance and interpretation in accordance with the laws of the State of Illinois. The Consultant irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. The Consultant agrees that service of process on the Consultant may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail

addressed to the office actually maintained by the Consultant, or by personal delivery on any officer, director, or managing or general agent of the Consultant. If any action is brought by the Consultant against the City concerning this Agreement, the action will only be brought in those courts located within the County of Cook, State of Illinois.

12.05 Severability

If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

12.06 Interpretation

Any headings of this Agreement are for convenience of reference only and do not define or limit its provisions. Words of any gender will be deemed and construed to include correlative words of the other gender. Words importing the singular number will include the plural number and vice versa, unless the context otherwise indicates. All references to any exhibit or document will be deemed to include all supplements and/or amendments to any exhibits or documents entered into in accordance with the terms and conditions of such exhibit or document. All references to any person or entity will be deemed to include any person or entity succeeding to the rights, duties, and obligations of such persons or entities in accordance with the terms and conditions of this Agreement.

12.07 Contract Documents

In the event of any inconsistency or conflict between the terms and conditions of Articles 1 through 14 of this Agreement and the Exhibits of this Agreement, the Articles of this Agreement will prevail.

12.08 Assigns

All of the terms and conditions of this Agreement will be binding upon and inure to the benefit of the parties to this Agreement and their respective legal representatives, successors, transferees and assigns.

12.09 Cooperation

If this Agreement is terminated for any reason, or if it is to expire on its own terms, Consultant must make every effort to ensure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

12.10 Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the City by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the City's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.

12.11 Independent Consultant

(1) This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Consultant and the City. The rights and the obligations of the parties are only those set forth in this Agreement. Consultant must perform under this Agreement as an independent Consultant and not as a representative, employee, agent, or partner of the City.

(2) This Agreement is between the City and an independent Consultant and, if Consultant is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

(a) The City will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Consultant performing the Services required under this Agreement.

(b) Consultant is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

Democratic Organization of Cook County*, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) No City employee may direct an individual to apply for a position with Consultant, either as an employee or as a subcontractor. Nor may any City employee direct Consultant to hire an individual as an employee or as a subcontractor. Consultant must follow its own hiring and contracting procedures, without being influenced by City employees. The employees provided by Consultant under this Agreement are employees or subcontractors of Consultant, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the employees or professionals provided by Consultant and the

City.

(iii) Consultant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. The Chief Procurement Officer reserves the right to change the document format and/or the means of transmission upon written notice to the Consultant. Consultant shall ensure that the essential information, as determined by the Chief Procurement Officer, in the electronic document, corresponds to that information submitted by the Consultant in its paper documents. The electronic documents shall be in addition to paper documents required by this contract, however, by written notice to the Consultant, the Chief Procurement Officer may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

12.13 Participation by Other Local Government Agencies

Other local government agencies may be eligible to participate in this Agreement pursuant to the terms and conditions of this Agreement if such agencies are authorized, by law or their governing bodies, to execute such purchases, and if such authorization is allowed by the City of Chicago's Chief Procurement Officer, and if such purchases have no net adverse effect on the City of Chicago, and result in no diminished services from the Consultant to the City's user departments pursuant to such purchases. Examples of such Local Government Agencies are: Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts. Said purchases shall be made upon the issuance of a purchase order directly from the Local Government Agency. The failure of the City to obtain certificates or other insurance evidence from Consultant is not a waiver by the City of any requirements for the Consultant to obtain and maintain the specified coverages. SPECIAL CONDITION REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT Task Order Contracts (MBE/WBE Professional Services)

I. Policy and Terms

- A. It is the policy of the City of Chicago that businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code shall have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the Contractor shall not discriminate against any person or business on the basis of race, color, national origin or sex, and shall take affirmative action to ensure that women and minority businesses shall have the maximum opportunity to compete for and perform subcontracts for supplies or services.
- B. Failure to carry out the commitments and policies set forth herein shall constitute a material breach of the contract and may result in the termination of the contract or such remedy as the City of Chicago deems appropriate.
- C. Accordingly, the Contractor commits to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

MBE Contract Goal: 25%
WBE Contract Goal: 5%

- D. The commitment is met by the Contractor's status as an MBE or WBE, or by joint venturing with one or more certified MBEs or WBEs, or by subcontracting a portion of the work to one or more MBEs or WBEs on each task order, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the Contractor's business (but no dollar of such indirect MBE or WBE participation shall be credited more than once against a Contractor's MBE or WBE commitment with respect to all contracts of such Contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both an MBE and WBE shall not be credited more than once against a Contractor's MBE or WBE commitment in the performance of the contract.

- E. As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this contract. However, in determining the manner of MBE/WBE participation, the Contractor shall first consider involvement of MBEs/WBEs as joint venture partners, Subcontractor(s)/Subconsultant(s), and suppliers of goods and services directly related to the performance of this contract. In appropriate cases, the Chief Procurement Officer will require the Contractor to demonstrate the specific efforts undertaken to involve MBEs and WBEs in direct participation in the performance of this contract.
- F. The Contractor also may with prior approval of the Chief Procurement Officer or designee, meet all, or part, of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector projects.

II. Definitions

- A. **"Minority Business Enterprise" or "MBE"** means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations.
- B. **"Women Business Enterprise" or "WBE"** means a firm awarded certification as women owned and controlled business in accordance with City Ordinances and Regulations.
- C. **"Directory"** means the Directory of Certified "Disadvantaged Business Enterprises," "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the Executive Director. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE and WBE firms.
- D. **"Area of Specialty"** means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory. Credit toward this contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The Department of Procurement Services does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all Contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

- E. **"Joint Venture"** means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Contractors may develop joint venture agreements as an instrument to provide participation by certified MBEs and WBEs in the contract's work or services.
- F. **"Executive Director"** means the executive director of the Office of Compliance or his or her designee.
- G. **"Respondent"** means any individual or firm responding to a Request for Information (RFI), Request for Proposal (RFP), or Request for Qualification (RFQ).
- H. **"Task Order Request"** is a solicitation document issued by a user department for a specific task or tasks pertaining the scope of services required by the user department during the term or the agreement. The Consultants will respond to the department's request by submitting a complete Task Order proposal for the department's review and approval.
- I. **"Task Order Proposer"** means an approved pre-qualified consultant who has been awarded a consulting agreement in response to a Request for Proposal (RFP/Request for Qualifications (RFQ) and who is responding to the Task Order Request.
- J. **"Task Order Proposal"** means a complete package that consists of scope of services, a list of deliverables, staffing schedule, completing schedule, proposed sub-consultants including MBE/WBE sub-consultants and a detailed budget outlining billing rates and estimated number of hours of each discipline.

III. Joint Ventures

Respondents may develop joint venture agreements as an instrument to provide participation by certified MBEs and WBEs in contract work. A Joint Venture seeking to be credited for MBE and/or WBE participation may be formed among MBE and/or WBE firms or between an MBE and/or WBE firm and a non-MBE/WBE firm.

A joint venture is eligible for MBE or WBE credit if the MBE/WBE joint venture partner(s) share in the ownership, control and management responsibilities, risks and profits of the joint venture, and are responsible for a clearly defined portion of work to be performed, in proportion with the MBE and/or WBE ownership percentage.

Notice: The City requires that, whenever a joint venture is proposed as the prime Contractor, each joint venture partner must separately sign the proposal to the City, in the pages captioned TO BE EXECUTED BY A CORPORATION; TO BE EXECUTED BY A PARTNERSHIP; and/or TO BE EXECUTED BY A SOLE PROPRIETOR, as applicable.

IV. Counting MBE/WBE Participation toward the Contract Goals

- A. The inclusion of any MBE or WBE in the Contractor's MBE/WBE Utilization Plan shall not conclusively establish the Contractor's right to full MBE/WBE credit for that firm's participation in the contract. Once an MBE or WBE is determined to be eligible in accordance with these rules, the total dollar value of the work awarded to the MBE or WBE may be counted toward the MBE or WBE goal except as indicated below:
- B. The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the Contractor where any MBE or WBE is found to be engaged in substantial subcontracting or pass-through activities with others. A Contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a clearly defined and distinct element of work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Chief Procurement Officer shall evaluate the amount of work subcontracted, industry practices, and other relevant factors. The amount of MBE/WBE participation credit shall be based upon an analysis by the Chief Procurement Officer of the specific duties that will be performed by the MBE or WBE. Each MBE/WBE shall be expected to actually perform a substantial (i.e., more than eighty-five percent (85%)) of the work contemplated for it by any subcontract or agreement through the use of its own employees and equipment.

Requested information may include, without limitation: (1) specific information concerning broker's fees and/or commissions; (2) intended sub-suppliers or other sources of goods and/or services; and (3) specific financial or other risks to be assumed by the MBE/WBE.

- C. MBEs and WBEs who have been certified as "brokers" shall no longer be considered eligible to participate for any consideration of MBE or WBE credit on contracts awarded by the City in 1993 and thereafter, until further notice.
- D. A Joint Venture may count toward its MBE or WBE goal the dollar value of the actual work performed by the MBE and/or WBE joint venture partner with its own resources.

The Chief Procurement Officer reserves the right to disallow MBE and/or WBE goal credit for all or any portion of work performed by an MBE or a WBE joint venturer based on evaluations of non-compliance with these Special Conditions or any other City, State and/or Federal regulation.

V. Regulations Governing Reduction or Waiver of MBE/WBE Goals

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals identified on a Task Order Request is appropriate.

1. If a Task Order Proposer determines that it is unable to meet the MBE and/or WBE goal percentage identified on the Task Order Request, a written request for the MBE and/or WBE percentage reduction or a full waiver of the MBE/WBE goal must be included in the Task Order Proposal.

2. The Task Order Proposer's written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the Task Order Proposer letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure the services of certified Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or her designee shall determine whether the request for the reduction or waiver will be granted.
3. **Task Order Proposer will be considered responsive to the terms and conditions of these Regulations if a written request and all supporting documentation that adequately addresses the conditions for a reduction or waiver of MBE/WBE goals is submitted with each Task Order Proposal.** Failure to submit documentation sufficient to support the waiver request will cause the Task Order Proposal to be found non-responsive by the Chief Procurement Officer, and the Task Order Proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in her sole discretion, may include, but are not limited to, negotiating with the next Task Order Proposer or re-soliciting the Task Order Request. All Task Order Proposers are required to submit all required documents with each Task Order Proposal in order to expedite the approval process and issue a notice to proceed.

A. Conditions for a Reduction or Waiver of MBE/WBE Goals

Each of the following elements must be present in the Task Order Proposer's written request for reduction or waiver of MBE and or WBE goal in order for the Chief Procurement Officer to review and determine whether or not such a reduction or waiver is appropriate.

1. The Task Order Proposer has documented the unsuccessful solicitation of certified MBE/WBE subcontractor(s)/subconsultant(s) of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct services identified or related to in the Task Order Request. Direct participation involves subcontracting a portion of the services specifically required in the Task Order Request. Documentation must include but is not necessarily limited to:

- a. A detailed statement of efforts to identify and select portions of services identified in the Task Order Proposal for subcontracting to certified MBE/WBE firms;
- b. A listing of all MBE/WBE firms contacted by the Task Order Proposer that includes:
 - (1) Names, address and telephone numbers of MBE/WBE firms solicited;
 - (2) Date and time of contact;
 - (3) Method of contact (written or facsimile). A copy of the certified written correspondence and/or a confirmed facsimile transmittal receipt must be attached.
- c. Copies of certified letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that must include:
 - (1) Project identification and location;
 - (2) Classification/commodity of services or work items for which quotations were sought;
 - (3) Date, item and location for acceptance of subcontractor/subconsultant bid proposals;

- (4) Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portion of the services or work and indicates why negotiations were unsuccessful;
- (5) Affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve MBE/WBE goals by not imposing any limiting conditions which were not mandatory for all subcontractor(s)/ subconsultant(s); or denying the benefits ordinarily conferred on MBE/WBE subcontractors for the type of services or work that was solicited.

OR

2. Subcontractor/Subconsultant participation will be deemed excessively costly when the MBE/WBE subcontractor/subconsultant proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontract quote is excessively costly, the Task Order Proposer must provide the following information:

a. A detailed statement of the scope of services or work identified for MBE/WBE participation for which the Task Order Proposer asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% or higher).

- (1) A listing of all potential subcontractor(s)/subconsultant(s) contacted for a quotation on that scope of services or work item;
- (2) Prices quoted for the subcontract in question by all such potential subcontractor(s)/subconsultant(s) for that scope of services or work item.

b. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:

- (1) The City's estimate for the work under a specific subcontract;
- (2) The Task Order Proposer's own estimate for the work under the subcontract;
- (3) An average of the bona fide prices quoted for the subcontract;
- (4) Demonstrated increase in other contract costs as a result of subcontracting to the MWBE or other firm.

B. Assist Agency Participation

Every MBE and or WBE waiver and/or reduction request must include evidence that the Task Order Proposer has provided timely notice of the need for subcontractor(s)/subconsultant(s) to an appropriate association/assist agency representative of the MBE/WBE business community shown in Attachment A.

The notice requirement of this Section will be satisfied if a Task Order Proposer contacts at least one of the associations shown on Attachment A. When a Task Order Proposer seeks a waiver or reduction in the utilization of MBE/WBE goals, Attachment B provides the letter format a Task Order Proposer may use. If deemed appropriate, the Chief Procurement Officer or Executive Director may contact the assist agency for verification of notification.

C. Impracticability

1. If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular Task Order Request prior to the solicitation, the Task Order Request shall include a statement of such revised standard.

2. The MBE/WBE goal requirements set forth in these Regulations shall not apply where the Chief Procurement Officer determines prior to the issuance of a Task Order Request solicitation that MBE/WBE subcontractor/subconsultant participation is impracticable

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known to the Procurement Department administrator, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made by the Chief Procurement Officer prior to solicitation in connection with a particular Task Order Request.

VI. Procedure to Determine MBE/WBE Compliance

A. Schedule B: MBE/WBE Affidavit of Joint Venture

Where the Proposer includes the participation of any MBE or WBE as a joint venture partner, the Proposer must submit with its proposal at the Request for Qualification ("RFQ") stage, a Schedule B and the proposed joint venture agreement. These documents must clearly evidence that the MBE or WBE joint venture partner will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

1. The parties' contributions of capital, personnel and equipment and share of the costs of insurance and bonding (if required);
2. Work items to be performed by the MBE's or WBE's own forces/equipment (if needed);
3. Work items to be performed under the supervision of the MBE or WBE venture partner; and
4. The MBE's or WBE's commitment of management, supervisory and operative personnel dedicated to the performance of the Task Order Services.

B. Schedule C-3: Letter of Intent to Perform as SubContractor/Subconsultant.

The Task Order Proposer must submit with its' Task Order Proposal an executed original Schedule C-3 for each MBE and WBE included on the Schedule D-3 in response to each Task Order Request. Each Schedule C-3 must accurately detail the scope of services to be performed by the MBE or WBE and the agreed rates and prices to be paid.

C. Schedule D-3: Compliance Plan Regarding MBE and WBE Utilization

The Task Order Proposer must submit with its' Task Order Proposal a completed Schedule D-3 in response to each Task Order Request. An approved Compliance Plan is a condition precedent to commencement of an approval of each Task Order.

Except in cases where the Task Order Proposer has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section V. above, the Compliance Plan must commit to the utilization of each listed MBE and WBE. The Task Order Proposer is responsible for calculating the dollar equivalent of the MBE and WBE Task Order goals identified in each Task Order Request, as percentages of the total proposed dollar value of the Task Order Proposal. All Compliance Plan commitments must conform to the Schedule C-3s.

D. Letters of Certification.

A copy of each proposed MBE's and WBE's current Letter of Certification from the City of Chicago must be submitted with each Task Order Proposal in response to a Task Order Request.

A Letter of Certification includes a statement of the MBE's or WBE's area(s) of specialty. The MBE's or WBE's scope of services as detailed in the Schedule C-3 must conform to its area(s) of specialty. Where an MBE or WBE is proposed to perform services not covered by its Letter of

Certification, the MBE or WBE must request the addition of a new area at least 30 calendar days prior to the Task Order Proposal submittal date.

VII. Reporting Requirements during the Term of the Contract

A. After each Task Order has been completed, the Task Order Proposer must submit a MBE/WBE Utilization Report for that specific Task Order project.

B. "MBE/WBE Utilization Reports" are to be submitted directly to: Office of Compliance, ATTN: Supplier Diversity Program, 333 State Street, Suite 320, Chicago, IL 60604

C. The Executive Director shall be entitled to examine, on five (5) business days prior notice, the Contractor's books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the Contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the contract. Such rights are in addition to any other audit inspection rights contained in the contract.

VIII. MBE/WBE Substitutions

Changes by the Task Order Proposer of the commitments earlier certified in the Schedule D-3 are prohibited. In some cases, however, it may become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE/WBE requirements.

The Task Order Proposer must notify the Chief Procurement Officer immediately in writing of the necessity to reduce or terminate an MBE/WBE subcontract and to utilize a substitute firm for some phase of services.

The Task Order Proposer's notification should include the reason for the substitution request, as well as, the name, address and principal official of the substitute MBE/WBE and the dollar value and scope of work of the subcontract. Attached should be all the requisite MBE/WBE affidavits and documents, as enumerated above in Section VI above, "Procedure to Determine Bid Compliance."

The City will not approve extra payment for escalated costs incurred by the Task Order Proposer when a substitution of Subcontractor(s)/Subconsultant(s) becomes necessary for the Task Order Proposer in order to comply with MBE/WBE contract requirements.

After a Notice to Proceed has been issued, no relief of the MBE/WBE requirements will be granted by the City except in exceptional circumstances. Requests for complete or partial waiver of the MBE/WBE requirements identified in each Task Order Request must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the Contractor to locate specific firms, solicit MBE/WBE bids, seek assistance from technical assistance agencies, etc., as outlined above in the section V. above, entitled "Regulations Governing Reductions To or Waiver of MBE/WBE Goals."

IX. Non-Compliance and Damages

The following constitutes a material breach of this Contract and shall entitle the City to declare a default, terminate the contract and exercise those remedies provided for in the contract, at law or in equity.

- (1) Failure to satisfy the MBE/WBE percentages required by the Contract; and
- (2) The Contractor, Subcontractor or Subconsultant is disqualified as an MBE or WBE, when such status was a factor in Contract award, and was misrepresented by the Task Order Proposer.

In the event that the Task Order Proposer is determined not to have been involved in any misrepresentation of the status of the disqualified Subcontractor/Subconsultant, the Task Order Proposer shall seek to discharge the disqualified Subcontractor/Subconsultant, upon proper notification to the Chief Procurement Officer and/or Executive Director and make every effort to identify and engage a qualified MBE or WBE as its replacement. Furthermore, continued eligibility to enter into future contracting arrangements with the City may be jeopardized as a result of non-compliance. Payments due to the Contractor may be withheld until corrective action is taken by the Contractor/Consultant and approved by the Chief Procurement Officer.

X. Arbitration

- A. In the event that a Contractor has not complied with the committed MBE/WBE percentages, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the Contractor damages suffered by such MBE/WB Entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the Contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorneys fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such MBE/WBE entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a Contractor and an MBE/WBE.
- B. An MBE/WBE desiring to arbitrate shall contact the Contractor in writing to initiate the arbitative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, Section X. A. above, within ten (10) days of the Contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA"), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.
- C. All fees of the arbitrator are the initial responsibility of the MBE/WBE; provided, however, that the arbitrator is authorized to award reasonable expenses, including attorneys and arbitrator fees, as damages to a prevailing MBE/WBE.
- D. The MBE/WBE must send the City a copy of the "Demand for Arbitration" within ten (10) days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

XI. Penalty for Failure to Meet MBE/WBE Commitments

In accordance with Article IV Section 2-92-445 of the Municipal Code of Chicago, in the event a Contractor fails to meet its overall MBE/WBE commitment on a specific contract, a penalty may be assessed.

XII. Record Keeping

The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs/WBEs, retaining these records for a period of at least three years after final acceptance of the work. Full access to these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U.S. Department of Justice, or any duly authorized representatives thereof.

Specification No. 66760

Purchase Order No. 23005

ACKNOWLEDGMENT

Consultant, Clarity Partners, LLC, acknowledges, accepts and agrees that P.O. No. 23005 (the "Contract") is modified in the manner specified below. The following Contract changes are incorporated into the Contract as if fully set forth in the body of the Contract.

1. The current Proprietary Rights of Indemnification language as identified in Article 9 Section 9.02(B) of the Master Consultant Agreement is stricken, and is replaced by the following provision:

Section 9.02(B) Proprietary Rights of Indemnification

1. The Consultant will indemnify, defend and hold completely harmless the City Indemnitees from and against any Losses relating to or arising out of infringement or alleged infringement by any part of the Consultant's Deliverables of any patent or copyright or other proprietary rights, provided however, that this indemnification provision will (i) not apply to an infringement or alleged infringement caused by any modification or alteration of the Consultant's Deliverables not approved by Consultant, if, but only to the extent that, the infringement would not have occurred but for such modification or alteration.

2. Promptly after the Consultant receives written notice of any claim, action, suit or proceeding which is subject to indemnification under this Section, Consultant must: (i) notify the City that Consultant will undertake the defense thereof, and (ii) retain legal counsel reasonably satisfactory to the City to conduct the defense thereof. The Consultant and the City will cooperate with the party which undertakes the defense of such claim, action, suit or proceeding in any manner that such party reasonably requests of the other. In the event that the Consultant fails to undertake its defense or subsequently abandons its defense, the City may (but is not obligated to) defend, compromise or settle such claim, action, suit or proceeding at Consultant's expense. The Consultant will not compromise or settle any claim, action, suit or proceeding in which any relief other than the payment of money damages is sought against the City without the prior written consent of the City.

3. In the event of any claim, action, suit or proceeding, the Consultant will successfully defend such, and (i) obtain the right for the City to continue using the infringing product or proprietary property, or (ii) modify the Consultant's Deliverables at Consultant's cost to make it non-infringing, without material loss of function or utility and without a material increase in operating costs, or (iii) replace the infringing material with materials containing at least equivalent functionality as the infringing material.

EXHIBIT 4

Special Conditions for Federal and Grant Funded Projects

Cook County 2011 Federal Clauses

1.1 Interest of Members of or Delegates to the United States Congress

In accordance with 41 U.S.C. § 22, the Contractor agrees that it will not admit any member of or delegate to the United States Congress to any share or part of the Contract or any benefit derived therefrom.

1.2 False or Fraudulent Statements and Claims

(1) The Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended, 49 U.S.C. §§ 3081 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the Contract. Accordingly, by signing the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make pertaining to the Contract, including without limitation any invoice for its services. In addition to other penalties that may be applicable, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the Contractor to the extent the Federal Government deems appropriate.

(2) The Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the County or Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.

1.3 Federal Interest in Patents

(1) General. If any invention, improvement, or discovery of the Contractor is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor agrees to notify County immediately and provide a detailed report.

(2) Federal Rights. Unless the Federal Government later makes a contrary determination in writing, the rights and responsibilities of the County, Contractor, and the Federal

Government pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Unless the Federal Government later makes a contrary determination in writing, the Contractor agrees that, irrespective of its status or the status of any subcontractor at any tier (e.g., a large business, small business, non-profit organization, institution of higher education, individual), the Contractor agrees it will transmit to the Federal Government those rights due the Federal Government in any invention resulting from the contract.

1.4 Federal Interest in Data and Copyrights

(1) Definition. The term "subject data" used in this section means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. Examples include, but are not limited, to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to Contract administration.

(2) Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the Contract. Except as provided in the Contract and except for its own internal use, the Contractor may not publish or publicly reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the written consent of the County and the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.

(3) Federal Rights in Data and Copyrights. In accordance with subparts 34 and 36 of the Common Rule, the County and the Federal Government reserve a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for County or Federal Government purposes, the types of subject data described below. Without the copyright owner's consent, the County and Federal Government may not extend their license to other parties.

(a) Any subject data developed under the contract or subagreement financed by a federal Grant Agreement or Cooperative Agreement, whether or not a copyright has been obtained; and

(b) Any rights of copyright which the Contractor purchases ownership with Federal assistance.

(4) Special Federal Rights for Planning Research and Development Projects. When the Federal Government provides financial assistance for a planning, research, development, or demonstration project, its general intention is to increase public knowledge, rather than limit the benefits of the project to participants in the project. Therefore, unless the Federal Government determines otherwise, the Contractor on a planning, research, development, or demonstration project agrees that, in addition to the rights in data and copyrights set forth above, the County or Federal Government may make available to any third party either a license in the copyright to the subject data or a copy of the subject data. If the project is not completed for any reason whatsoever, all data developed under the project will become subject data and will be delivered as the County or Federal Government may direct. This subsection, however, does not apply to adaptations of automatic data processing equipment or previously existing software programs for the County's use whose costs are financed with Federal transportation funds for capital projects.

(5) Hold Harmless. Unless prohibited by state law, upon request by the County or the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the County and the Federal Government and their officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Contract. The Contractor will not be required to indemnify the County or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the County or Federal Government.

(6) Restrictions on Access to Patent Rights. Nothing contained in this section on rights in data will imply a license to the County or Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the County or Federal Government under any patent.

(7) Application on Materials Incorporated into Project. The requirements of Subsections 2, 3, and 4 of this Section do not apply to material furnished by the County and incorporated into the work.

1.5 Records and Audits

Contractor will deliver or cause to be delivered all documents (including but not limited to all Deliverables and supporting data, records, graphs, charts and notes) prepared by or for the County under the terms of this Agreement to the County promptly in accordance with the time limits prescribed in this Contract, and if no time limit is specified, then upon

reasonable demand therefor or upon termination or completion of the Services hereunder. In the event of the failure by the Contractor to make such delivery, then and in that event, the Contractor will pay to County reasonable damages the County may sustain by reason thereof.

The County and the Federal Government will have the right to audit all payments made to the Contractor under this Agreement. Any payments to the Contractor which exceed the amount to which the Contractor is entitled under the terms of this Agreement will be subject to set-off.

The Contractor will keep and retain records relating to this Agreement and will make such records available to representatives of the County and the Federal Government, including without limitation the sponsoring federal agency, other participating agencies, and the Comptroller General of the United States, at reasonable times during the performance of this Agreement and for at least five years after termination of this Agreement for purposes of audit, inspection, copying, transcribing and abstracting.

No provision in this Agreement granting the County or the Federal Government a right of access to records is intended to impair, limit or affect any right of access to such records which the County or the Federal Government would have had in the absence of such provisions.

1.6 Environmental Requirements

The Contractor recognizes that many Federal and state laws imposing environmental and resource conservation requirements may apply to the Contract. Some, but not all, of the major Federal Laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. The Contractor also recognizes that U.S. EPA, U.S. DOT and other agencies of the Federal Government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Contract. Thus, the Contractor agrees to adhere to, and impose on its subcontractors, any such Federal requirements as the Federal Government may now or in the future promulgate. Listed below are requirements of particular concern. The Contractor acknowledges that this list does not constitute the Contractor's entire obligation to meet all Federal environmental

and resource conservation requirements. The Contractor will include these provisions in all subcontracts.

(1) Environmental Protection. The Contractor agrees to comply with the applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq. in accordance with Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 59 Fed. Reg. 7629, Feb. 16, 1994; U.S. DOT statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Part 1500 et seq.; and U.S. DOT regulations, "Environmental Impact and Related Procedures," 23 C.F.R. Part 771 and 49 C.F.R. Part 622.

(2) Air Quality. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Specifically, the Contractor agrees to comply with applicable requirements of U.S. EPA regulations, "Conformity to State of Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.

(3) Clean Water. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et seq. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.

(4) List of Violating Facilities. The Contractor agrees that any facility to be used in the performance of the Contract or to benefit from the Contract will not be listed on the U.S. EPA List of Violating Facilities ("List"), and the Contractor will promptly notify the County if the Contractor receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.

(5) Preference for Recycled Products. To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of the work, the Contractor agrees to use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 C.F.R. Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962.

1.7 No Exclusionary or Discriminatory Specifications

Apart from inconsistent requirements imposed by Federal statute or regulations, the Contractor agrees that it will comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any Federal assistance to support subcontracts procured using exclusionary or discriminatory specifications.

1.8 Cargo Preference-Use of United States Flag Vessels

The Contractor agrees to comply with U.S. Maritime Administration regulations, "Cargo-Preference -- U.S. Flag Vessels," 49 C.F.R. Part 381, and to include the clauses required by those regulations, modified as necessary to identify the affected parties, in each subcontract or subagreement involving equipment, materials, or commodities suitable for transport by ocean vessel.

1.9 Fly America

Section 14.c of the Master Agreement states that if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air, the contract must require Contractors and subcontractors at every tier to use U.S.-flag air carriers, to the extent service by these carriers is available. 49 U.S.C. 40118 and 4 C.F.R. Part 52.

1.10 No Federal Government Obligations to Third Parties

The Contractor agrees that, absent the Federal Government's express written consent, the Federal Government will not be subject to any obligations or liabilities to any contractor or any other person not a party to the Grant Agreement or Cooperative Agreement between the County and the Federal Government which is a source of funds for this Contract. Notwithstanding any concurrence provided by the Federal Government in or approval of

any solicitation, agreement, or contract, the Federal Government continues to have no obligations or liabilities to any party, including the Contractor.

1.11 Allowable Costs

Notwithstanding any compensation provision to the contrary, the Contractor's compensation under this Contract will be limited to those amounts which are allowable and allocable to the Contract in accordance with OMB Circular A-87 and the regulations in 49 C.F.R. Part 18. To the extent that an audit reveals that the Contractor has received payment in excess of such amounts, the County may offset such excess payments against any future payments due to the Contractor and, if no future payments are due or if future payments are less than such excess, the Contractor will promptly refund the amount of the excess payments to the County.

1.12 Trade Restrictions

Contractor certifies that neither it nor any Subcontractor:

- (1) is owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
- (2) has knowingly entered into any contract or subcontract with a person that is a citizen or national of a foreign country on said list, nor is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- (3) will procure, subcontract for, or recommend any product that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no Notice-to-Proceed will be issued to an entity who is unable to certify to the above. If Contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the USDOT may direct, through the County, cancellation of the Contract at no cost to the Government.

Further, Contractor agrees that it will incorporate this provision for certification without modification in each subcontract. Contractor may rely on the certification of a prospective Subcontractor unless it has knowledge that the certification is erroneous. Contractor will provide immediate written notice to the County if it learns that its certification or that of a Subcontractor was erroneous when submitted or has become erroneous by reason of

changed circumstances. Each Subcontractor must agree to provide written notice to Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 1001.

1.13 Termination for Convenience

In addition to any other rights of termination or other remedies available to the County under the Contract, at law, or in equity, the County may, by written notice, terminate this Contract in whole or in part at any time, for the convenience of the County or the Federal Government. Upon Contractor's receipt of such notice, Contractor will immediately cease to perform Services (unless otherwise directed in the notice) and deliver to the County all materials, equipment, and supplies as may have been accumulated in the performance of this Contract, whether completed or in process. The Contractor will be paid an equitable portion of the Contract price for Services performed prior to the effective date of termination, but no amount will be allowed for anticipated profit on unperformed Services. If this Contract has been terminated for Contractor's default and it is determined that the Contractor did not default, the termination will be deemed to have been effected hereunder.

1.14 Contract Work Hours and Safety Standards Act

If applicable according to their terms, the Contractor agrees to comply and assures compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 333, and implementing U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5; and U.S. DOL regulations, "Safety and Health Regulations for Construction," 29 C.F.R. Part 1926. In addition to other requirements that may apply:

(1) In accordance with section of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 332, the Contractor agrees and assures that, for the Contract, the wages of every mechanic and laborer will be computed on the basis of a standard work week of 40 hours, and that each worker will be compensated for work exceeding the standard work week at a rate of not less than 1.5 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The Contractor agrees that determinations pertaining to these requirements will be made in accordance with applicable U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5.

(2) In accordance with section 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. § 333, the contractor agrees and assures that no laborer or mechanic working on a construction contract will be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to his or her health and safety, as determined in accordance with U.S. DOL regulations, "Safety and Health Regulations for Construction," 29 C.F.R. Part 1926.

1.15 Veteran's Preference

In the employment of labor (except in executive, administrative, and supervisory positions), preference will be given to Vietnam-era veterans and disabled veterans. However, this preference may be given only where individuals are available and qualified to perform the work to which employment relates.

1.16 Copyright Ownership

Consultant and the County intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the County's instance and expense pursuant to this Agreement are conclusively deemed "**works made for hire**" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 *et seq.* (the "Copyright Act"), and that the County will be the copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist.

To the extent that any Deliverable does not qualify as a "work made for hire," Consultant irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the County, its successors and assigns, all right, title and interest in and to the copyrights and all U.S.

and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the County under this Agreement, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Consultant will execute all documents and perform all acts that the County may reasonably request in order to assist the County in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the County. Consultant warrants to County, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Consultant further warrants that it has not assigned any copyrights nor granted any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Consultant warrants and represents that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

1.17 Accessibility Compliance

If this Agreement involves design for construction, the Consultant warrants that all design documents produced or utilized under this Agreement and all construction or alterations undertaken under this Agreement will comply with all federal, state and local laws and regulations regarding accessibility standards for persons with disabilities or environmentally limited persons including, but not limited to, the following: the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 *et seq.* and the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("ADAAG"); the Architectural Barriers Act, Pub. If the above standards are inconsistent, the Consultant must comply with the standard providing the greatest accessibility. Also, the Consultant must, prior to construction, review the plans and specifications to insure compliance with the above referenced standards. If the Consultant fails to comply with the foregoing standards, the Consultant must perform again, at no expense, all services required to be re-performed as a direct or indirect result of such failure.

1.18 Visual Rights Act Waiver

The Consultant/Contractor waives any and all rights that may be granted or conferred under Section 106A and Section 113 of the United States Copyright Act, (17 U.S.C. § 101 *et seq.*) (the "*Copyright Act*") in any work of visual art that may be provided pursuant to this
