Whereas, the County, pursuant to Section 34-140 (the Reference Contract Ordinance") of the Cook County Procurement Code, states: "If a governmental agency has awarded a contract through a competitive method for the same or similar supplies, equipment, goods or services as that sought by the County, the Procurement may be made from that vendor at a price or rate at least as favorable as that obtained by that government agency without utilizing a competitive procurement method set forth in this Procurement Code;" and

Whereas, the City of Chicago solicited a formal Request for Qualifications process to purchase Stamps, Rubber Hand, Daters, Number Machines, and Service and as the Contractor was identified as the lowest total price responsive and responsible bidder for the goods and services; and

Whereas, the City of Chicago entered into a contract on June 1, 2007 for the provision of supplies by the Contractor for the City relative to the purchase Stamps, Rubber Hand, Daters, Number Machines, and Service, City Contract #14899 ("the City Contract"); and

Whereas, the Contractor warrants that it is ready, willing, and able to provide these goods and perform these services for the County set forth in Exhibit 1, County Statement of Work, all on pricing and payment terms equivalent to or more favorable to the County than those contained in the City Contract as set forth in Exhibit 2 County Price Proposal and incorporated herein by reference; and

Whereas, This Contract shall be effective after proper execution of the contract documents by the County through May 31, 2013, and the County may choose to exercise renewal options as stated in the City Contract; and

Whereas, Payment shall be as follows:

In no case shall such charges exceed the amount of **\$10,000.00**. Invoices in triplicate on County Invoice Form 29A shall be submitted by the Contractor to the Using Department when requesting payment. The County shall have the right to examine the books of the Contractor for the purpose of auditing the same with reference to all charges made to the County.

In the event the Contractor receives payment under the Contract, reimbursement for which is later disallowed by the County, the Contractor shall promptly refund the disallowed amount to the County on request, or at the County's option, the County may credit the amount disallowed from the next payment due or to become due to the Contractor under any contract with the County; and

Whereas, the County and the Contractor agree to the Terms and Conditions as stated in the City of Chicago Contract, hereto incorporated by reference as Exhibit 3 City of Chicago Contract, all as may be applicable to the County; and

Whereas, the County General Conditions are incorporated and attached by reference as Exhibit 4, and this Contract incorporates and is subject to the provisions attached hereto as Exhibit 4 General Conditions, and is incorporated herein by this reference; Notwithstanding such incorporation, none of the terms set forth in Exhibit 3 which conflict with the express terms of this Contract or its General Conditions shall be deemed or construed to supersede the terms of this Contract or its General Conditions; and

2. GENERAL CONDITIONS

Sealed bids will be received by the Chief Procurement Officer of the City of Chicago in accordance with Contract Documents as set forth herein.

2.1. PREPARATION OF PROPOSAL

The bidder must prepare its proposal on the attached proposal forms. Unless otherwise stated, all blank spaces on the proposal page or pages, applicable to the subject specification, must be correctly filled in. Either a unit price or a lump sum price, as the case may be, must be stated for each and every item, either typed in or written in ink, in figures, and, if required, in words.

If bidder is a corporation, the President and Secretary must execute the bid and the Corporate seal must be affixed. In the event that this bid is executed by other than the President, attach hereto a certified copy of that section of Corporate By-Laws or other authorization by the Corporation which permits the person to execute the offer for the corporation.

If bidder is a partnership, all partners must execute the bid, unless one partner has been authorized to sign for the partnership, in which case, evidence of such authority satisfactory to the Chief Procurement Officer must be submitted.

If bidder is a sole proprietorship, the sole proprietorship must execute the bid.

A Partnership, Joint Venture or Sole Proprietorship operating under an Assumed Name must be registered with the Illinois county in which located, as provided in 805ILCS 405 (1992).

2.2. SUBMISSION OF PROPOSALS

All prospective bidders must submit sealed proposals with applicable bid deposit enclosed in envelopes provided for that purpose to the DEPARTMENT OF PROCUREMENT SERVICES, Room 301, City Hall, and if proposals are submitted in envelopes other than those so provided for this purpose, then the sealed envelope submitted by the prospective bidder must carry the following information on the face of the envelope: bidders name, address, subject matter of proposal, advertised date of bid opening and the hour designated for bid opening as shown on the legal advertisement.

Where proposals are sent by mail to the Chief Procurement Officer, the bidders are responsible for their delivery to the Chief Procurement Officer before the advertised date and hour for the opening of bids. If the mail is delayed beyond the date and hour set for the bid opening, proposals thus delayed will not be accepted.

Proposals must be submitted with original signatures in the space provided on the appropriate Proposal Execution Page. Proposals not properly signed and notarized will be rejected.

2.3. WITHDRAWAL OF PROPOSALS

Bidders may withdraw their proposals at any time prior to the time specified in the advertisement as the closing time for the receipt of bids. However, no bidder will withdraw or cancel his proposal for a period of sixty (60) calendar days after said advertised closing time for the receipt of proposals nor must the successful bidder withdraw or cancel or modify his proposal after having been notified by the Chief Procurement Officer that said proposal has been accepted by the City. The City reserves the right to withhold and deposit, as liquidated damages and not a penalty, the bid deposit of any bidder requesting withdrawal, cancellation or modification of its proposal prior to the stated period for acceptance of proposal.

Where this Contract will be approved by another agency, such as the Federal Government or State of Illinois, then the bidder will not withdraw or cancel or modify his proposal for a period of ninety (90) calendar days after said advertised closing time for the receipt of proposals.

2.4. COMPETENCY OF BIDDER

The Chief Procurement Officer reserves the right to refuse to award a Contract to any person, firm or corporation that is in arrears or is in default to the City of Chicago upon any debt or Contract, or that is a defaulter, as surety or otherwise, upon any obligation to said City, or had failed to perform faithfully any previous Contract with the City.

The bidder, if requested, must present within a reasonable time, as determined by the Chief Procurement Officer, evidence satisfactory to the Chief Procurement Officer of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and Contract documents.

2.5. CONSIDERATION OF PROPOSALS

The Chief Procurement Officer will represent and act for the City in all matters pertaining to this proposal and Contract in conjunction therewith. The Chief Procurement Officer reserves the right to reject any or all proposals and to disregard any informality in the bids and bidding, when in the Chief Procurement Officer's opinion the best interest of the City will be served by such action.

The proposal is contained in these Contract documents and **MUST NOT BE DETACHED HERE FROM** by any bidder when submitting a proposal. Incomplete proposals are subject to rejection.

2.6. ACCEPTANCE OF PROPOSALS

The Chief Procurement Officer will accept in writing one of the proposals or more, if Basis of Award in Special Conditions allows for multiple awards and/or reject any/all proposals, within sixty (60) calendar days, or within ninety (90) calendar days where approval by other agencies is required, from the date of opening of bids, unless the lowest responsible bidder, upon request of the City, extends the time of acceptance to the City.

2.7. BID DEPOSIT

Bid deposit will be required for all competitive sealed bidding for Contracts when required in the legal advertisement. Bid deposit must be a bond provided by a surety company authorized to do business in the State of Illinois, or the equivalent in a cashier's check, money order or certified check. All certified checks must be drawn on a bank doing business in the United States, and must be made payable to the order of the City of Chicago. **CASH IS NOT AN ACCEPTABLE FORM OF BID DEPOSIT.**

Bid deposits must be in the amount shown in the advertisement or as may be prescribed herein, but not in excess of ten percent (10%) of the bid. Where the amount of the bid deposit shown in the advertisement should prove to be more than ten percent (10%) of the bid, then the bidder may submit, in lieu of the foregoing, an amount equal to ten percent (10%) of the bid. Compliance with the provisions herewith will be determined in all cases by the Chief Procurement Officer and his determination will be final.

When the legal advertisement requires a deposit, noncompliance requires that the bid be rejected unless it is determined that the bid fails to comply in a non-substantial manner with the deposit requirements.

After bids are opened, deposits will be irrevocable for the period specified herein. If a bidder is permitted to withdraw its bid before award, no action will be taken against the bidder or the bid deposit.

2.8. RETURN OF BID DEPOSIT

The bid deposit of all except the two (2) lowest bidders on each Contract will be returned shortly after the bid opening. The Chief Procurement Officer reserves the right to hold all bid deposits, if the intent is to award multiple Contracts for a requirement and/or if the two (2) lowest responsible bidders can not be readily determined based on price until all proposals have been evaluated.

The remaining bid deposits on each Contract will be returned with the exception of the accepted bidder, after the Chief Procurement Officer has awarded the Contract. The bid deposit of the accepted bidder will be returned after the Contract has been awarded and a satisfactory performance bond has been approved, where such bond is required.

2.9. INTERPRETATION OF CONTRACT DOCUMENTS

If any person contemplating submitting a proposal is in doubt as to the true meaning of any part of the specifications or other Contract documents, a written request for an interpretation thereof, may be submitted to the Chief Procurement Officer. The person submitting the request will be responsible for its prompt delivery. Any interpretation of the proposed documents will be made only by an addendum duly issued by the Chief Procurement Officer. A copy of such addendum will be faxed, electronically mailed, mailed or delivered to each person receiving a set of such Contract documents and to such other prospective bidders as will have requested that they be furnished with a copy of each addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of proposal. Bidder will acknowledge receipt of each addendum issued in the space provided on appropriate proposal execution page. Oral explanations will not be binding.

2.10. PERFORMANCE BOND

When required by the Chief Procurement Officer the successful bidder or bidders must, within seven (7) calendar days of receipt of notice from the City, furnish a Yearly re-newable Performance Bond in the full amount of 33.3% of the Stamps, Rubber Hands, Daters, Number Machines and Repair Service Contract value on Form P.W.O. 62, a specimen of which is bound herein.

Receipt of written notice from the City to furnish a Yearly Re-newable Performance Bond constitutes tentative notice of pending award and proposal acceptance. Release of the contract will be withheld pending receipt and approval of a satisfactory bond.

Attention is called to the provisions of 30 ILCS 550/1, et. seq. and to the provisions of Section 2-92-030 of the Municipal Code of Chicago.

NOTE: Section 2-92-040 of the Municipal Code of the City of Chicago requires that the Contractor's surety be listed as a certified surety in the current edition of U.S. Treasury Department Circular 570 and have an underwriting limitation in that publication in an amount equal to or greater than the amount bid by the Contractor. This Circular 570 is available on the Internet at www.fins.treas.gov/c570. Co-sureties may be accepted in the sole discretion of the Chief Procurement Officer, but each co-security must individually meet the foregoing requirement. Reinsurance may not be used to achieve a sufficient underwriting limitation.

2.11. FAILURE TO FURNISH BOND

In the event that the bidder fails to furnish the performance bond in said period of seven (7) calendar days, then the bid deposit of the bidder will be retained by the City as liquidated damages and not as a penalty.

2.12. TAXES

Federal Excise Tax does not apply to materials purchased by the City of Chicago by virtue of Exemption Certificate No. 36-6005820 and State of Illinois Sales Tax does not apply by virtue of Exemption No. E9998-Specification Number: 49013, Stamps, Rubber Hands, Daters, Number Machines and Repair Service, Page 5 of 89

1874-07. Illinois Retailers' Occupation Tax, Use Tax, and Municipal Retailers Occupation Tax do not apply to materials or services purchased by the City of Chicago by virtue of Statute. The price or prices quoted herein shall include all other Federal and/or State, direct and/or indirect taxes which apply. The prices quoted herein shall agree with all Federal laws and regulations.

2.13. CONTRACTOR'S FINANCIAL STATEMENT

If requested by the Chief Procurement Officer the bidder will file with the office of the Chief Procurement Officer a CONTRACTOR'S STATEMENT OF EXPERIENCE AND FINANCIAL CONDITION dated not earlier than the end of the Contractors last fiscal year period. The Contractor's Statement of Experience and Financial Condition will be kept on file by the Chief Procurement Officer as a representative statement for a period of one (1) year. The Contractor's Statement of Experience and Financial Condition forms are available at the office of the Bid and Bond Section, DEPARTMENT OF PROCUREMENT SERVICES, Room 301 City Hall, or may be obtained by addressing a request to the Chief Procurement Officer, Room 403, City Hall, Chicago, Illinois, 60602. Failure to have a current Contractor's Statement of Experience and Financial Condition form on file with the DEPARTMENT OF PROCUREMENT SERVICES may be cause for the rejection of Contractor's Proposal.

2.14. ORDER OF PRECEDENCE OF COMPONENT CONTRACT PARTS

The order of precedence of the component Contract parts will be as follows:

1. General Conditions.
2. Addenda, if any.
3. Special Conditions.
4. Plans or City Drawings, if any.
5. Detailed Specifications.
6. Standard Specifications of the City, State or Federal Government, if any.
7. Advertisement for proposals (copy of advertisement to be attached to back of cover).
8. Performance Bond, if required.
9. Bid Deposit, if required.

The foregoing order of precedence will govern the interpretation of the Contract in all cases of conflict or inconsistency therein, except as may be otherwise expressly provided by the City.

2.15. NOTICES

All communications and notices to the City herein provided for will be faxed, delivered personally, electronically mailed or mailed first class, postage prepaid, to the Commissioner of the using department by name and address listed on the cover hereof, and to the Chief Procurement Officer, Room 403, City Hall, 121 N. LaSalle Street, Chicago, Illinois 60602.

All communications and notices to the bidder, unless otherwise provided for, will be faxed, delivered personally, electronically mailed or mailed first class, postage prepaid, to the bidder by name and address listed on the proposal hereof.

2.16. NON-DISCRIMINATION

A. Federal Requirements

It is an unlawful employment practice for the Contractor (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individuals race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individuals race, color, religion, sex, age, handicap or national origin.

Contractor must comply with The Civil Rights Act of 1964, 42 U.S.C. sec. 2000 et seq. (1988), as amended. Attention is called to: Exec. Order No. 11,246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. 2000(e) note, as amended by Exec. Order No. 11,375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12,086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. sec. 6101-6106 (1988); Rehabilitation Act of 1973, 29 U.S.C. sec. 793-794 (1988); Americans with Disabilities Act, 42 U.S.C. sec. 12102 et seq.; and 41 C.F.R. Part 60 et seq. (1990); and all other applicable federal laws, rules, regulations and executive orders.

B. State Requirements

Contractor must comply with the Illinois Human Rights Act, 775 ILCS 5/1 - 101 et seq. (1992), as amended and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 44 Ill. Admin. Code 750 Appendix A. Furthermore, the Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq. (1992), as amended; and all other applicable state laws, rules, regulations and executive orders.

C. City Requirements

Contractor must comply with the Chicago Human Rights Ordinance, Ch. 2-160, Section 2-160-010 et seq. of the Chicago Municipal Code (1990), as amended; and all other applicable municipal code provisions, rules, regulations and executive orders. Further, Contractor must furnish or shall cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

2.17. INDEMNITY

Contractor must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

1. injury, death or damage of or to any person or property;
2. any infringement or violation of any property right (including any patent, trademark or copyright);
3. failure to pay or perform or cause to be paid or performed Contractors covenants and obligations as and when required under this Contract or otherwise to pay or perform its obligations to any subcontractor;
4. the City's exercise of its rights and remedies under this Contract; and
5. injuries to or death of any employee of Contractor or any subcontractor under any workers compensation statute.

"Losses" means, individually and collectively, liabilities of every kind, including Losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to the acts or omissions of Contractor, its employees, agents and subcontractors.

At the City Corporation Counsels option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Contract. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Contractor waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due under any Losses, including any claim by any employee of Contractor

that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute.

The indemnities in this section survive expiration or termination of this Contract for matters occurring or arising during the term of this Contract or as the result of or during the Contractor's performance of services beyond the term. Contractor acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Contractor's duties under this Contract, including the insurance requirements set forth in the Contract.

2.18. SAFETY AND LOSS CONTROL

The Contractor, its agents, employees, material suppliers and Subcontractors, will perform all work on the project in a safe and responsible manner. The Contractor, its agents, employees, material suppliers, and Subcontractors are required to maintain compliance with all local, state and federal regulatory requirements and current versions of applicable consensus standards (incorporated by reference), pertaining to the work being performed. This includes, but is not limited to the requirements of the City of Chicago Municipal Code, Illinois Department of Labor (IDOL), Illinois Department of Transportation (IDOT), Illinois Environmental Protection Agency (ILEPA), the Occupational Safety and Health Administration (OSHA), Department of Transportation (DOT) and the Environmental Protection Agency (EPA) where applicable.

Minimum requirements of the Contractor's accident/incident prevention program include, but are not limited to the following:

- A training program that includes safety and the identification of worksite hazards.
- Standard operating procedures, applicable directives, rules and regulations, which promote rather than discourage safe operating procedures, (i.e., encouraging employees to report unsafe conditions, to participate in investigations, and to report all work related injuries and illnesses immediately, or as soon as possible).
- Implementation of an Accident/Incident Reporting Program, which includes first-aid and injury treatment procedures at the job site and the use of the nearest medical facility. The Program must also include procedures for reporting incidents involving near misses or damage to City equipment and/or property. Procedures must ensure that injured or medically ill persons receive prompt first-aid and/or medical treatment and that every accident/incident occurring on City property, is promptly reported to Contractor management and the Commissioner. A completed report of the accident/incident must be promptly submitted to the Commissioner.
- Develop an Emergency Evacuation/Disaster Control Plan consistent with the Commissioner's requirements. The plan must include applicable names and telephone numbers of Contract Management. The Contractor must communicate the contents of the plan to its employees and subcontractors. The Contractor's employees and subcontractors must be trained in the use of the emergency procedures. Copies of the plan must be provided to the Commissioner.

Contractors must also comply with the safety and health requirements of the Commissioner. The Commissioner may at any time, require additional provisions, if such are deemed necessary for public safety or convenience.

The Contractor's attention is directed to the Health and Safety Act of the State of Illinois, 8209 ILCS 225/3 *et seq.* The rules pursuant to this Act are on file with the Secretary of State of Illinois and are identical in every respect with the standards in effect under the Federal OSHA law, pursuant to orders of the Illinois Industrial Commission. The Federal and State standards require that the Contractor provide reasonable

protection to the lives, health, and safety of all persons employed under this Contract. Such act and rules and the applicable parts thereof must be considered as part of this Contract.

The Contractor and subcontractors must comply with said requirements, standards, and regulations, as required; and be directly responsible for compliance therewith on the part of its said agents, employees, and material suppliers. The Contractor and subcontractors must directly receive, respond to, defend and be responsible for all citations, assessments, fines or penalties which may be incurred by reason of its failure on the part of its agents, employees, or material suppliers to so comply.

2.19. LIVING WAGE ORDINANCE

- A. Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers, and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated thereunder:
1. if the Contractor has twenty-five (25) or more full-time employees, and
 2. if at any time during the performance of the contract the Contractor and/or any subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses twenty-five (25) or more full-time security guards, or any number of other full-time Covered Employees, then
 3. The Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all work performed pursuant to the Contract.
- B. The Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the Contract term when the conditions set forth in A.1 and A.2 above are met, and will continue thereafter until the end of the Contract term.
- C. As of July 1, 2007, the Base Wage is \$10.33 per hour. Each July 1st, thereafter the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four (4) as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four (4) divided by two thousand (2000) hours or the current base wage, whichever is higher. At all times during the term of this Contract, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Contract, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Contractor must pay the prevailing wage rates.
- D. The Contractor must include provisions in all subcontracts requiring its subcontractors to pay the Base Wage to Covered Employees. The Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by the Contractor or by a subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit the Contractor and/or subcontractors to verify compliance herewith. Failure to comply with the requirements of this Section will be an event of default under this Contract, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to three (3) years.
- E. Not-for-Profit Corporations: If the Contractor is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Section A through D above do not apply.

2.20. PAYMENT TO CONTRACTOR

Work performed under this Contract is interpreted to include materials to be furnished under this Contract which are suitably stored at the site of the work. Unless otherwise provided in Special Conditions, which will be subject to the provisions of Chapter 26-13 of the Municipal Code of Chicago, the Chief Procurement Officer may from time to time, in cases where the Contractor must proceed properly to perform and complete this Contract, grant to such Contractor as the work progresses an estimate of the amount already earned. All partial payment estimates will be subject to correction by the final estimate.

Waivers from Subcontractors and suppliers indicating that they have received their share from the Contractor of the previous partial payment to the Contractor must be presented concurrently by the Contractor when he presents an estimate for a partial payment.

The Chief Procurement Officer may, whenever she has reason to believe that the Contractor has neglected or failed to pay any Subcontractors, workmen or employees for work performed or for materials furnished and used in or about the work contracted for, order and direct that no future vouchers or estimates be issued and no further payments be made upon the Contract until said Chief Procurement Officer has been satisfied that such Subcontractors, workmen and employees have been fully paid, and the reserve sum referred to in the above stated Chapter 26-13 has not been payable until the Contractor has satisfied the Chief Procurement Officer that all Subcontractors, material men, workmen and employees have been fully paid.

Whenever the Chief Procurement Officer notifies the Contractor, by notice personally served or by mailing a copy thereof to the Contractor to his office as shown by his bid, that no further vouchers or estimates will be issued or payments made on the Contract until Subcontractors, workmen and employees have been paid, and the Contractor neglect or refuse for the period of ten (10) calendar days after such notice is given, as above provided for, to pay such Subcontractors, workmen and employees, the City may then apply any money due or that may become due under the Contract to the payment of such Subcontractors, workmen and employees without other or further notice to said Contractor; but failure of the City to retain and apply such moneys, or of the Chief Procurement Officer to order or direct that no vouchers or estimates will be issued or further payments be made will not, nor will the paying over of such reserve sum without such Subcontractors, workmen or employees being first paid, in any way affect the liability of the Contractor or of his sureties to the City, or to any such Subcontractors, workmen or employees upon any bond given in connection with such Contract.

Before final payment is made under the Contract, and as a condition precedent to such final payment, the Contractor must furnish waivers of all liens and satisfactory guarantees against all claims on account of work performed, tools and plant employed, and material and labor furnished under the Contract. The Contractors will not be entitled to demand or receive final payment until all the stipulations, provisions and conditions set forth in the Contract have been complied with, and the work has been accepted by the Commissioner, whereupon the City will, at the expiration of thirty (30) calendar days after such completion and acceptance, pay the whole account of money due the Contractor under the Contract.

The acceptance by the Contractor of the final payment above mentioned will operate as and will be a release to the City from all claims or liability under this Contract for anything done or furnished or relating to the work under this Contract, or for any act or neglect of the City relating to or connected with this Contract.

2.21. SUBLETTING OR ASSIGNMENT OF CONTRACT OR CONTRACT FUNDS

No contract will be assigned or any part of the same sub-contracted without the written consent of the Chief Procurement Officer; but in no case will such consent relieve the Contractor from his obligations, or change the terms of the Contract.

The Contractor must not transfer or assign any Contract funds or claims due or to become due without the written approval of the Chief Procurement Officer having first been obtained.

The transfer or assignment of any Contract funds either in whole or in part, or any interest therein, which will be due or to become due to the Contractor, will cause the annulment of said transfer or assignment so far as the City is concerned.

2.22. SUBCONTRACTORS

The Contractor must notify the Chief Procurement Officer, in writing, of the names of all Subcontractors to be used and will not employ any that the Chief Procurement Officer may object to as incompetent or unfit.

The Contractor will not subcontract any portion of the services or work to be performed hereunder without the prior written consent of the Chief Procurement Officer. The Subcontracting of the services or work or any portion thereof without the prior written consent of the Chief Procurement Officer will be null and void. The Contractor will not make any substitution of a Subcontractor without the written consent of the Chief Procurement Officer. The substitution of a Subcontractor without the prior written consent of the Chief Procurement Officer will be null and void. The Chief Procurement Officer's consent will not relieve the Contractor from any of its obligations under the Contract.

The Contractor will subcontract with only competent and responsible Subcontractors. If, in the judgment of the Commissioner or the Chief Procurement Officer, any Subcontractor is careless, incompetent, violates safety or security rules, obstructs the progress of the services, acts contrary to instructions, acts improperly, is not responsible, is unfit, is incompetent, violates any laws applicable to this Contract, or fails to follow the requirements of this Contract, then the Contractor will, immediately upon notice from the Commissioner or the Chief Procurement Officer, discharge or otherwise remove such Subcontractor.

2.23. SUBCONTRACTORS WITH DISABILITIES

The City encourages Contractors to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

2.24. SUBCONTRACTOR PAYMENTS

Contractor must submit a status report of Subcontractor payments for each invoice for the duration of the Contract on the "Subcontractor Payment Certification" form required by the City. The form can be downloaded from the City's website at:

http://egov.cityofchicago.org/webportal/COCWebPortal/COC_EDITORIAL/subcompliance.pdf The statement must list the following for Contractor and for each Subcontractor and supplier for the period for which payment is requested:

- (i) Total amount invoiced by the Contractor for the prior month;
- (ii) The name of each particular Subcontractor or supplier utilized during the prior month;
- (iii) Indication if the Subcontractor or supplier is acting as an MBE, WBE, DBE, or non-certified firm on this Contract;
- (iv) The vendor/supplier number of each Subcontractor or supplier;
- (v) Total amount invoiced that is to be paid to each Subcontractor or supplier.

If a Subcontractor has satisfactorily completed its Work, or provided specified materials in accordance with the requirements of the Contract, Contractor must pay Subcontractor for such work or materials within fourteen (14) calendar days of Contractor receiving payment from the City.

2.25. DEMURRAGE AND RE-SPOTTING

The City will be responsible for demurrage charges only when such charges accrue because of the City's negligence in unloading the material.

The City will pay railroad charges due to the re-spotting of cars, only when such re-spotting is ordered by the City.

2.26. MATERIALS INSPECTION AND RESPONSIBILITY

The City, by its Chief Procurement Officer, will have a right to inspect any material to be used in carrying out this Contract.

The City does not assume any responsibility for the availability of any controlled materials or other materials and equipment required under this Contract. The Contractor will be responsible for the contracted quality and standards of all materials, components or completed work furnished under this Contract up to the time of final acceptance by the City.

Materials, components or completed work not complying therewith may be rejected by the Chief Procurement Officer and must be replaced by the Contractor at no cost to the City.

Any materials or components rejected must be removed within a reasonable time from the premises of the City at the entire expense of the Contractor, after written notice has been mailed by the City to the Contractor that such materials or components have been rejected.

2.27. CASH BILLING DISCOUNT

Any cash billing discounts offered will not be considered in the evaluation of bids.

2.28. AUDITS

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Contract or within five (5) years after the Contract ends, in connection with the goods, work, or services provided under this Contract. Each calendar year or partial calendar year is considered an audited period. If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

- A. If the audit has revealed overcharges to the City representing less than five percent (5%) of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for fifty percent (50%) of the cost of the audit and fifty percent (50%) of the cost of each subsequent audit that the City conducts;
- B. If, however, the audit has revealed overcharges to the City representing five percent (5%) or more of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Contractor to reimburse the City in accordance with A or B above is an event of default under this Contract, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys fees.

2.29. PRICE REDUCTION

If at any time after the date of the bid or offer the Contractor makes a general price reduction in the comparable price of any material covered by the Contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations will apply to the Contract for the duration of the Contract period (or until the price is further reduced). Such price reduction will be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision,

a general price reduction will mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this Contract. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a general price reduction under this provision. The Contractor must invoice the ordering offices at such reduced prices indicating on the invoice that the reduction is pursuant to the Price Reduction provision of the contract documents. The Contractor, in addition, must within ten (10) calendar days of any general price reduction notify the Chief Procurement Officer of the City of Chicago of such reduction by letter. Failure to do so may require termination of the Contract. Upon receipt of any such notice of a general price reduction all ordering offices will be duly notified by the Chief Procurement Officer.

The Contractor must furnish, within ten (10) calendar days after the end of the Contract period, a statement certifying either:

- i. that no general price reduction, as defined above, was made after the date of the bid or offer; or
- ii. if any such general price reductions were made, that is provided above, they were reported to the Chief Procurement Officer within ten (10) calendar days, and ordering offices were billed at the reduced prices.

Where one or more such general price reductions were made, the statement furnished by the Contractor must include with respect to each price reduction:

- i. the date when notice of any such reduction was issued;
- ii. the effective date of the reduction; and
- iii. the date when the Chief Procurement Officer was notified of any such reduction.

2.30. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 05-1

Contractor agrees that Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Contractor's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this bid, proposal or Agreement by Contractor, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Contractor and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Contractor or the date the Contractor approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor agrees that it will not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Contractor agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Contractor agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 05-1 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Contractor's bid.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Contractor is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

- B. neither party is married; and
- C. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

- E. two of the following four conditions exist for the partners:
 1. The partners have been residing together for at least 12 months.
 2. The partners have common or joint ownership of a residence.
 3. The partners have at least two of the following arrangements:

 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended.

2.31. CONFLICTS OF INTEREST

No member of the governing body of the City of Chicago or other unit of government and no other officer, employee or agent of the City of Chicago or other unit of government who exercises any functions or responsibilities in connection with the carrying out of the project will have any personal or financial interests, direct or indirect, in the Contract.

The Contractor covenants that he presently has no interest and will not acquire any interest, direct or indirect, in the project to which the Contract pertains which would conflict in any manner or degree with the performance of its work hereunder. The Contractor further covenants that in its performance of the Contract no person having any such interest will be employed.

2.32. DISCLOSURE OF OWNERSHIP

Pursuant to Chapter 2-154 of the Municipal Code of the City of Chicago, any person, business entity or agency submitting a bid or proposal to or contracting with the City of Chicago will be required to complete the Disclosure of Ownership Interests in the attached Economic Disclosure Statement and Affidavit. Failure to provide complete or accurate disclosure will render this Agreement voidable.

2.33. DISCLOSURE OF RETAINED PARTIES - EXECUTIVE ORDER 97-1

Bidder will be required to execute the Disclosure of Retained Parties Section of the Economic Disclosure Statement and Affidavit as required by Executive Order 97-1. Refusal to execute the Disclosure of Retained Parties Section of the Economic Disclosure Statement and Affidavit will result in the Chief Procurement Officer declaring the bidder non-responsible. Moreover, if a bidder is deemed non-responsible under this provision, the bidder's status as a non-responsible bidder may apply to the bidder's subsequent bids.

2.34. GOVERNMENTAL ETHICS ORDINANCE

Contractor must comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including but not limited to Section 2-156-120 of this Chapter pursuant to which no payment, gratuity or offer of employment will be made in connection with any City contract, by or on behalf of a subcontractor to the prime Contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of this Chapter will be voidable as to the City.

2.35. CHAPTER 2-56 OF THE MUNICIPAL CODE OF CHICAGO, OFFICE OF INSPECTOR GENERAL

It is the duty of any bidder, proposer, or Contractor, all subcontractors, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any bidder, proposer, contractor, or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Chicago Municipal Code. The Contractor understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago. Contractors must inform subcontractors of this provision and require understanding and compliance herewith.

2.36. SECTION 2-92-380 OF THE MUNICIPAL CODE OF CHICAGO

- a. In accordance with Section 2-92-380 of the Municipal Code of Chicago and in addition to any other rights and remedies (including any of set-off) available to the City of Chicago under the contract or permitted at law or in equity, the City will be entitled to set off a portion of the contract price or compensation due under the contract, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by the contracting party to the City. For purposes of this section, outstanding parking violation complaint means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint. debt means a specified sum of money owed to the City for which the period granted for payment has expired.
- b. Notwithstanding the provisions of subsection (a), above, no such debt(s) or outstanding parking violation complaint(s) will be offset from the contract price or compensation due under the contract if one or more of the following conditions are met:
 1. the contracting party has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation

complaints and debts owed to the City and the Contracting party is in compliance with the agreement; or

2. the contracting party is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or
3. the contracting party has filed a petition in bankruptcy and the debts owed the City are dischargeable in bankruptcy.

2.37. SECTION 11-4-1600(E) OF THE MUNICIPAL CODE OF CHICAGO

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;

7-28-440 Dumping on real estate without permit;

11-4-1410 Disposal in waters prohibited;

11-4-1420 Ballast tank, bilge tank or other discharge;

11-4-1450 Gas manufacturing residue;

11-4-1500 Treatment and disposal of solid or liquid waste;

11-4-1530 Compliance with rules and regulations required;

11-4-1550 Operational requirements; and

11-4-1560 Screening requirements.

During the period while this Contract is executory, Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Contract, constitutes a breach of and an event of default under this Contract, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Contract, at law or in equity.

This section does not limit the Contractor's and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Contract.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Contract, and may further affect the Contractor's eligibility for future contract awards.

2.38. BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the city, or any person acting at the direction of such official, to contact, either orally or in writing, any other city official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any city council committee hearing or in any city council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this contract will be grounds for termination of this contract. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial

interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the city; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the city.

2.39. NON-COLLUSION, BRIBERY OF A PUBLIC OFFICER OR EMPLOYEE

Contractor, in performing under this contract must comply with the Municipal Code of Chicago, Section 2-92-320, as follows:

No person or business entity will be awarded a contract or sub-contract if that person or business entity: (a) has been convicted of bribery or attempting to bribe a public officer or employee of the City of Chicago, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or employee's official capacity; or (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (c) has made an admission of guilt of such conduct described in (a) or (b) above which is a matter of record but has not been prosecuted for such conduct.

For purposes of this section, where an official, agent or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity shall be chargeable with the conduct. One business entity shall be chargeable with the conduct of an affiliated agency.

Ineligibility under this section will continue for three (3) years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the Chief Procurement Officer under certain specific circumstances. Reference is made to Section 2-92-320 for a definition of affiliated agency, and a detailed description of the conditions which would permit the Chief Procurement Officer to reduce, suspend, or waive the period of ineligibility.

2.40. MACBRIDE PRINCIPLES ORDINANCE

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of Chicago, if the primary Contractor conducts any business operations in Northern Ireland, it is hereby required that the Contractor will make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

For those bidders who take exception in competitive bid contracts to the provision set forth above, the City will assess an eight percent (8%) penalty. This penalty will increase their bid price for the purpose of canvassing the bids in order to determine who is to be the lowest responsible bidder. This penalty will apply only for purposes of comparing bid amounts and will not affect the amount of any contract payment.

The provisions of this Section will not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement

selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

2.41. CONTRACTOR CERTIFICATION

The Contractor or each joint venture partner, if applicable, must complete the appropriate subsections in the attached Economic Disclosure Statement and Affidavit (the Affidavit) under: Certification By Applicant, which certifies that the Contractor or each joint venture partner, its agents, employees, officers and any subcontractors (a) have not been engaged in or been convicted of bribery or attempted bribery of a public officer or employee of the City of Chicago, the State of Illinois, any agency of the federal government or any state or local government in the United States or engaged in or been convicted of bid-rigging or bid-rotation activities as defined in this section as required by the Illinois Criminal Code; (b) do not owe any debts to the State of Illinois, in accordance with 65 ILCS 5/11-42.1-1 and (c) are not presently debarred or suspended: Certification Regarding Environmental Compliance; Certification Regarding Ethics and Inspector General; and Certification Regarding Court-Ordered Child Support Compliance.

2.42. COMPLIANCE WITH CHILD SUPPORT ORDERS ORDINANCE

The Child Support Arrearage Ordinance, Municipal Code of Chicago, Section 2-92-415, furthers the City's interest in contracting with entities which demonstrate financial responsibility, integrity and lawfulness, and finds that it is especially inequitable for Contractors to obtain the benefits of public funds under City contracts while its owners fail to pay court-ordered child support, and shift the support of their dependents onto the public treasury.

In accordance with Section 2-92-415 of the Municipal Code of Chicago, if the Circuit Court of Cook County or an Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owner in arrearage on their child support obligations and: (1) a one such Substantial Owner has not entered into a court-approved agreement for the payment of all such child support owed, or (2) a Substantial Owner is not in compliance with a court-approved agreement for the payment of all such child support owed, (see Certification of Compliance with Child Support Orders in Economic Disclosure Statement and Affidavit), then:

For those bidders in competitive bid contracts, the City will assess an eight percent (8%) penalty. This penalty will increase their bid price for the purpose of canvassing the bids in order to determine the lowest responsible bidder. This penalty will apply only for purposes of comparing bid amounts and will not affect the amount of any contract payment.

For purposes of this section, "SUBSTANTIAL OWNER" means any person who owns or holds a ten percent (10%) or more percentage of interest in the bidder; where the bidder is an individual or sole proprietorship, substantial owner means that individual or sole proprietorship.

"PERCENTAGE OF INTEREST" includes direct, indirect and beneficial interests in the Contractor. Indirect or beneficial interest means that an interest in the Contractor is held by a corporation, joint venture, trust, partnership, association, estate or other legal entity, in which the individual holds an interest, or by agent(s) or nominee(s) on behalf of an individual or entity. For example, if Corporation B holds or owns a twenty percent (20%) interest in Contractor, and an individual or entity has a fifty percent (50%) or more percentage of interest in Corporation B, then such individual or entity indirectly has a ten percent (10%) or more percentage of interest in the Contractor. If Corporation B is held by another entity, then this analysis similarly must be applied to that next entity.

The provisions of this Section will only apply where not otherwise prohibited by federal, state or local law.

2.43. FEDERAL TERRORIST (NO-BUSINESS) LIST

Contractor warrants and represents that neither Contractor nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment.

"Affiliate" means a person or entity which directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity, either acting individually or acting jointly or in concert with others, whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

2.44. COMPLIANCE WITH ALL LAWS

Contractor must observe and comply with all applicable federal, state, county and municipal laws, statutes, regulations, codes, ordinances and executive orders, in effect now or later and whether or not they appear in the Agreement, including those specifically referenced herein or in any of the Contract Documents. Contractor must pay all taxes and obtain all licenses, certificates and other authorizations required in connection with the performance of its obligations hereunder, and Contractor must require all Subcontractors to do so. Failure to do so is an event of default and may result in the termination of this Agreement.

2.45. SEVERABILITY

If any provision of this Contract is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case or in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Contract or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any case or circumstances, or of rendering any other provision or provisions in this Contract invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Contract or any part of it.

2.46. FORCE MAJEURE EVENT

Notwithstanding anything to the contrary in this Contract, neither the City nor the Contractor will be liable to the other party for performance of their respective obligations under this Contract if such performance is prevented by the occurrence of a Force Majeure Event. However, if the Contractor is unable to provide the Stamps, Rubber Hands, Daters, Number Machines and Repair Service as required by this Contract due to the occurrence of a Force Majeure Event, and the Contractor is not able to restore full provision of the Stamps, Rubber Hands, Daters, Number Machines and Repair Service within seven (7) calendar days, then the City may elect to terminate this Contract in accordance with this Contract. In addition, if the Contractor is prevented from providing any portion of the Services due to a Force Majeure Event, then, if so directed by the City, the Contractor will cause its personnel to appear before the Chief Procurement Officer or any other interested group or body, as directed by the City, and such personnel will summarize both the Force Majeure Event and the efforts being made by the Contractor to resume the Services required by this Contract.

2.47. FALSE STATEMENTS

False statements made in connection with this Agreement, including statements in, omissions from and failures to timely update the EDS, as well as in any other affidavits, statements or contract documents constitute a material breach of the Agreement. Any such misrepresentation renders the Agreement voidable at the option of the City, notwithstanding any prior review or acceptance by the City of any

materials containing a such misrepresentation. In addition, the City may debar Contractor, assert any contract claims or seek other civil or criminal remedies as a result of a misrepresentation (including costs of replacing a terminated Contractor pursuant to Chicago Municipal Ordinance 1-21-010.

2.48. DEFAULT

The City may, subject to the provisions of paragraph (C) below, by written notice of default to the Contractor, terminate the whole or any part of this contract in any one of the following circumstances:

if the Contractor fails to make delivery of the supplies or to perform the services within the time specified herein or any extension thereof; or

if the Contractor fails to perform any of the other provisions of this contract, or so fails to make progress as to endanger performance of this contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of ten (10) calendar days (or such other period as the Chief Procurement Officer may authorize in writing) after receipt of notice from the Chief Procurement Officer specifying such failure.

In the event the City terminates this contract in whole or in part as provided in paragraph (A) of this clause, the City may procure, upon such terms and in such manner as the Chief Procurement Officer may deem appropriate, supplies or services similar to those so terminated, and the Contractor must be liable to the City for any excess costs for such similar supplies or service; provided, that the Contractor must continue the performance of this to the extent not terminated under the provisions of this clause.

The Contractor will not be liable for any excess of costs if acceptable evidence has been submitted to the Chief Procurement Officer the failure to perform the contract was due to causes beyond the control and without the fault or negligence of the Contractor.

2.49. DISPUTES

Except as otherwise provided in this Contract, Contractor must and the City may bring any dispute arising under this Contract which is not resolved by the parties to the Chief Procurement Officer for decision based upon the written submissions of the parties. (A copy of the "Regulations of the Department of Procurement Services for Resolution of Disputes between Contractors and the City of Chicago" is available in City Hall, 121 N. LaSalle Street, Room 301, Bid and Bond Room.) The Chief Procurement Officer will issue a written decision and send it to the Contractor by mail. The Contractor must furnish the City of Chicago, Department of Procurement Services, City Hall, Room 403, 121 North LaSalle Street, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Contract, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Contract. The Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to Contract award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. The Contractor must advise all insurers of the Contract provisions regarding insurance. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the City retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

Contractor must furnish Certificates Insurance of Coverage of any or all insurance policies listing the City as an additional insured upon request by the Chief Procurement Officer. All Certificates Insurance of Coverage must be signed, dated and reference the City contract number.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

The Contractor agrees that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Contract or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Contractor under the Contract.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Contract or any limitation placed on the indemnity in this Contract given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company and each of its separate constituent entities as named insureds.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Contract.

If Contractor or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

If a Contractor has more than one (1) Contract with the City, separate invoices must be prepared for each Contract in lieu of combining items from different Contracts under the same Invoice. Invoice quantities, Stamps, Rubber Hands, Daters, Number Machines and Repair Service description, unit of measure and pricing information must correspond to the items quoted on the Proposal Page. If invoicing catalog items, indicate catalog number, item number, catalog date and catalog page number on the invoice.

The City of Chicago is exempt from paying State of Illinois sales tax and federal excise taxes on purchases.

3.8. ELECTRONIC ORDERING AND INVOICES

The Contractor will cooperate in good faith with the City in implementing electronic ordering and invoicing, including but not limited to purchase orders, releases and invoices. Contractor will accept electronic

purchase orders and releases upon request of the Chief Procurement Officer. Contractor will provide the City electronic copies of invoices and other electronic documents upon request. The electronic ordering and invoice documents will be in a format specified by the City and transmitted by an electronic means specified by the City. Such electronic means may include, but are not limited to, disks, e-mail, EDI, FTP, web sites, and third party electronic services. The Chief Procurement Officer reserves the right to change the document format and/or the means of transmission upon written notice to the Contractor. Contractor will ensure that the essential information, as determined by the Chief Procurement Officer, in the electronic document, corresponds to that information submitted by the Contractor in its paper documents. The electronic documents will be in addition to paper documents required by this Contract, however, by written notice to the Contractor, the Chief Procurement Officer may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

3.9. PAYMENT

The City will process payment within sixty (60) calendar days after receipt of invoices and Subcontractors Payments Certification form completed in accordance with the terms herein, and all supporting documentation necessary for the City to verify the Stamps, Rubber Hands, Daters, Number Machines and Repair Service provided under this Contract.

The City will not be obligated to pay for any Stamps, Rubber Hands, Daters, Number Machines and Repair Service provided which are non-compliant with the terms and conditions of these specifications. Any Stamps, Rubber Hands, Daters, Number Machines and Repair Service which fail tests and/or inspections are subject to replacement at the cost of the Contractor.

3.10. SAMPLES

In order to determine that the proposed Stamps, Rubber Hands, Daters, Number Machines conform to this specification, the City reserves the right to test and/or inspect bidders products.

For evaluation purposes, the bidder must furnish and deliver, upon request by the Chief Procurement Officer, one (1) sample of the proposed specified Stamps, Rubber Hands, Daters, Number Machines within ten (10) calendar days from the receipt of notice. All samples must be delivered F.O.B., City of Chicago, the City Clark Department and Participating Departments, at various City locations. The samples must be tagged or labeled with the company name, address and City specification number. Failure to furnish said samples within this time period will be cause for rejection of the bid for being non-responsive to this requirement.

Other tests and measurements may also be performed throughout the contract term, as determined by the City.

The City will not be liable for the condition of the sample, if the bidder requests return of the sample. The cost to furnish and deliver the sample(s) will be borne by the bidder.

3.11. PRICE ESCALATION

The original bid prices will be valid and firm for the initial twelve (12) month Contract period beginning with the start date of the Contract. Beginning on the date after the initial twelve (12) month term, and for each twelve (12) month anniversary thereafter, annual price adjustments of the Contract pricing may be made after receipt of written request from the Contractor showing cause substantiating the need for the increase, made no later than thirty (30) calendar days after the expiration of each such twelve (12) month period. If Contractor does not request a price adjustment within such thirty (30) calendar day period, Contractor will not be entitled to a price adjustment for the upcoming year.

The Contractor's unit prices will be adjusted "New Contract Price(s)" by an amount of no more than three percent (3%) per year, for each additional twelve (12) month period. The Contractor will be required to furnish a certified statement or affidavit which states that the increase represents the cost of services only and in no way represents an increase for its profits, labor or overhead. The Contractor must justify its request for an increase by submitting detailed pricing data, support documentation and any other information requested by the Chief Procurement Officer to verify the price increase request.

If approved by the Chief Procurement Officer, a properly executed Contract modification must be signed by the Contractor and executed by the City to reflect the price change and the effective date for the change. Original bid prices are in effect until the modification has been fully executed and released to the Contractor unless the modification specifies an effective date for the agreed upon price change.

Any Stamps, Rubber Hands, Daters, Number Machines and Repair Service provided by the Contractor at a price change, without a properly executed Contract modification signed by the Chief Procurement Officer, is made at the Contractor's risk. Consequently, in the event such modification is not executed by the City, the Contractor releases the City from any liability whatsoever to pay for any Stamps, Rubber Hands, Daters, Number Machines and Repair Service provided at an unapproved increase price.

3.12. UNSPECIFIED STAMPS, RUBBER HANDS, DATERS, NUMBER MACHINES AND REPAIR SERVICE

Any Stamps, Rubber Hands, Daters, Number Machines and Repair Service not specifically listed herein may be added to this Contract if they fall within the same specific category of supply items specified (e.g. standard or custom made Rubber Stamps, Hand Operating Daters and Machines, Stamps etc.). The lifetime usage of the items added to this Contract must not exceed ten percent (10%) of the original Contract award dollar amount.

The City Clerk Department and Participating Departments will notify the Contractor in writing of the Stamps, Rubber Hands, Daters, Number Machines and Repair Service which are necessary and request a written price proposal for the addition of the Stamps, Rubber Hands, Daters, Number Machines and Repair Service to this Contract by modification, then forward the documents to the Chief Procurement Officer. Such Stamps, Rubber Hands, Daters, Number Machines and Repair Service may be added to the Contract only if the prices are competitive with current market prices and Stamps, Rubber Hands, Daters, Number Machines and Repair Service are approved by the Chief Procurement Officer in the form of a written modification signed by the Contractor and the City. The Chief Procurement Officer reserves the right to seek competitive pricing information on said Stamps, Rubber Hands, Daters, Number Machines and Repair Service from other suppliers and to procure such Stamps, Rubber Hands, Daters, Number Machines and Repair Service in a manner which serves the best interest of the City.

Any such Stamps, Rubber Hands, Daters, Number Machines and Repair Service delivered by the Contractor, without a properly executed Contract modification signed by the Chief Procurement Officer, are delivered entirely at the Contractor's risk. Consequently, in the event that such modification is not executed by the City, the Contractor hereby releases the City from any liability whatsoever to pay for Stamps, Rubber Hands, Daters, Number Machines and Repair Service delivered prior to the Contractor's receipt of the fully signed modification.

3.13. BASIS OF AWARD

Contracts will be awarded based on the responsive and responsible bidder offering the Highest Percentage Discount off Schedule of Prices for Group A and the Lowest Extended Prices for Groups B through F in compliance with the terms and conditions of the specification.

A Mark-up on Schedule of Prices will not be accepted.

Bidders must quote all line items and all Groups. Bids submitted to the contrary will be considered incomplete, and as a result, will be rejected.

The Contractor's bid pricing will incorporate any/all peripheral costs including, but not limited to the costs of transportation, warranty, the stamps repair service, taxes etc., required by the specification.

The Chief Procurement Officer reserves the right to award a Contract or reject any or all bids when, in her opinion, the best interest of the City will be served thereby.

3.14. CHICAGO BUSINESS PREFERENCE

The Chief Procurement Officer will accept the lowest bid price or lowest evaluated bid price from a responsive and responsible Chicago business, provided that the bid does not exceed the lowest bid price or lowest evaluated bid price from a responsive and responsible non-Chicago business by more than two percent (2%).

A Chicago business ("Chicago Business") is a business located within the corporate limits of the City, which has the majority of its regular, full-time work force located within the City, and is subject to City of Chicago taxes.

Where all partners to a joint venture are Chicago Businesses, the joint venture shall be deemed to be a Chicago Business. Where not all partners to a joint venture are Chicago Businesses, such joint venture shall be considered a Chicago Business only if Chicago Businesses hold at least a fifty percent (50%) interest in the venture. Chicago Businesses have a fifty percent (50%) interest in the joint venture only if the Chicago Business partners in the venture hold subcontracts equal to fifty percent (50%) or more of the amount of the bid. Joint venture bidders shall submit information and documentation (including, but not limited to, the joint venture agreement and subcontracts) with their bids to establish their eligibility for the Chicago Business Preference. A joint venture bidder which fails to submit such information shall not be entitled to the Chicago Business Preference.

The Chief Procurement Officer's determination of a bidder's eligibility for the Chicago Business Preference shall be final.

3.15. PARTICIPATION BY OTHER LOCAL GOVERNMENT AGENCIES

Other local government agencies may be eligible to participate in this agreement pursuant to the terms and conditions of this Contract if such agencies are authorized, by law or their governing bodies, to execute such purchases, and if such authorization is allowed by the City of Chicago's Chief Procurement Officer, and if such purchases have no net adverse effect on the City of Chicago, and result in no diminished services from the Bidder to the City's user departments pursuant to such purchases. Examples of such Local Government Agencies are: Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts. Said purchases shall be made upon the issuance of a purchase order directly from the Local Government Agency. The City will not be responsible for payment of any amounts owed by any other Local Government Agencies, and will have no liability for the acts or omissions of any other Local Government Agency.

3.16. CALCULATION OF MBE/WBE COMMITMENT

For purposes of calculating bidder's percentage of MBE and/or WBE dollar commitment toward the minimum goal stated in the Special Condition Regarding Minority Business Enterprise and Women Business Enterprise, the estimated amount of the bidders total bid price will be used to calculate the actual dollar commitment to each MBE and/or WBE firm listed on your Schedule D-1, MBE/WBE Goal Implementation Plan. If at the end of this Contract, the actual dollar value is below the estimated value, the

City will consider adjustments to your MBE/WBE plan which are proportionate to the actual dollar value of this Contract.

- A. The Contractor will, not later than thirty (30) calendar days from the award of a Contract by the City, execute formal Contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.
- B. During the term the Contract, the Contractor will submit monthly MBE/WBE Utilization Reports, a copy of which is attached. - C. MBE/WBE Utilization Reports are to be submitted directly to: Department of Procurement Services, Division of Contract Monitoring and Compliance, City Hall, Room 400, 121 N. LaSalle Street, Chicago, Illinois 60602.
(NOTICE: Do not submit invoices with MBE/WBE Utilization Reports.) Final payments may be held until the Utilization Reports have been received.
- D. The City of Chicago's Department of Procurement Services, Contract Compliance Administrator will be entitled to examine, on five (5) business days notice, the Contractors books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the Contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Contract. Such rights are in addition to any other audit inspection rights contained in the Contract.

The City will establish and enter the above start and expiration dates at the time of formal award and release of this Contract unless negotiated prior to release of the Contract.

The start date will be no later than the first day of the succeeding month from the date shown as the Contract Award and Release Date on the Acceptance Page herein. The expiration date will be the last day of the thirty-sixth (36th) full calendar month after the established start date.

3.19. CONTRACT EXTENSION OPTION

This Contract will be in effect for the dates indicated herein for the initial thirty-sixth (36th) month Contract period. The Chief Procurement Officer may exercise the City's right to extend this Contract following the expiration of the base Contract term for up to three (3) years, subject to acceptable performance by the Contractor and contingent upon the appropriation of sufficient funds for the procurement of services provided for in this Contract.

No less than ninety (90) calendar days before the expiration of the then current Contract term, the Chief Procurement Officer will give the Contractor notice of the City's intent to exercise its option to renew the Contract for the approaching option period. The date on which the Chief Procurement Officer gives notice is the date the notice is mailed, if it is mailed, or the date the notice is delivered, if sent by courier or messenger service.

With the same amount of notice as for options, the City reserves the right to extend the Contract period for a period of no more than one hundred eighty-one (181) calendar days, either in lieu of exercising an option period or following the exhaustion of all option periods, for the purpose of providing continuity of service while procuring a replacement Contract.

3.20. AVIATION SECURITY

This Contract is expressly subject to the airport security requirements of 49 United States Code, Chapter 449, as amended, the provisions of which govern airport security and are hereby incorporated by reference, including without limitation the rules and regulations in 14 CFR Part 107 and all other applicable rules and regulations promulgated thereunder. All employees providing services at the City's airports must be badged by the City. (*See Airport Security Badges section below.*) In the event that the Contractor, or any individual employed by the Contractor, in the performance of this Contract, has (i) unescorted access or regular escorted access to aircraft located on or at the City's Airport; (ii) unescorted access or regular escorted access to secured areas, or (iii) capability to allow others to have unescorted access to such aircraft or secured areas, the Contractor is subject to, and further must conduct with respect to its subcontractors and the respective employees of each, such employment investigations, including criminal history record checks, as the Administrator of the Federal Aviation Administration (FAA), the Under Secretary of the Transportation Security Administration (TSA), and the City may deem necessary. The Contractor and all employees, subcontractors, material men, laborers, invitees and all other persons under the control of the Contractor must comply strictly and faithfully with any and all rules, regulations and directions which the Commissioner, the FAA, or the TSA from time-to-time may issue during the life of this Contract with regard to security, safety, maintenance and operation of the Airport and must promptly report any information regarding suspected violations in accordance with those rules and regulations.

3.21. AIRPORT SECURITY BADGES

As part of airport operations and security, the Contractor must obtain from the airport badging office Airport Security Badges for each of his employees, subcontractors, material men, invitees or any person(s) over whom Contractor has control, which must be visibly displayed at all times while at the airport. No person will be allowed beyond security checkpoints without a valid Airport Security Badge. Each such person must submit signed and properly completed application forms to receive Airport Security Badges. Additional forms and tests may be required to obtain Airport Driver's Certification and Vehicle Permits. The application forms will solicit such information as the Commissioner may require in his discretion, including but not limited to name, address, date of birth (and for vehicles, driver's license and appropriate stickers). The Contractor is responsible for requesting and completing the form for each employee and subcontractors employee who will be working at the Airport and all vehicles to be used on the job site. Upon signed approval of the application by the Commissioner or his designee, the employee will be required to attend a presentation regarding airport security and have his or her photo taken for the badge. The Commissioner may grant or deny the application in his sole discretion. The Contractor must make available to the

Commissioner, within one day of request, the personnel file of any employee who will be working on the project.

As provided in *Aviation Security* above, in order for a person to have an Airport Security Badge that allows access to the airfield or aircraft, a criminal history record check (CHRC) conducted by the Department of Aviation will also be required. The CHRC will typically include a fingerprint analysis by the Federal Bureau of Investigation and such other procedures as may be required by the TSA.

Airport Security Badges, Vehicle Permits and Driver's Licenses will only be issued based upon properly completed application forms. Employees or vehicles without proper credentials may be removed from the secured area and may be subject to fine or arrest. Contractor will be jointly and severally liable for any fines imposed on its employees or its Subcontractors employees.

In addition to other rules and regulations, the following rules related to Airport Security Badges, Vehicle Permits and Driver's Licenses must be adhered to:

Each person must wear and display his or her Airport Security Badge on their outer apparel at all times while at the airport.

All individuals operating a vehicle on the Aircraft Operations Area (AOA) must be familiar and comply with motor driving regulations and procedures of the State of Illinois, City of Chicago and the Department of Aviation. The operator must be in possession of a valid, State-issued Motor Vehicle Operators Driver's License. All individuals operating a vehicle on the AOA without an escort must also be in possession of a valid Aviation-issued Airport Driver's Permit.

All operating equipment must have an Airport Vehicle Access Permit affixed to the vehicle at all times while operating on the Airport. All required City stickers and State Vehicle Inspection stickers must be valid.

Individuals must remain within their assigned area and haul routes unless otherwise instructed by the Department of Aviation.

The Contractor's personnel who function as supervisors, and those that escort the Contractor's equipment/operators to their designated work sites, may be required to obtain an added multi-area access designation on their personnel Airport Security Badge which must also be displayed while on the AOA.

3.22. GENERAL REQUIREMENTS REGARDING AIRPORT OPERATIONS

The Contractor must cooperate fully with the Commissioner and his representatives in all matters pertaining to public safety and airport operation. Whether or not measures are specifically required by this Contract, the Contractor at all times must maintain adequate protection to safeguard aircraft, the public and all persons engaged in the work and must take such precaution as will accomplish such end, without interference with aircraft, the public, or maintenance and operations of the airport.

The Contractor's attention is drawn to the fact that airport facilities and infrastructure, including but not limited to runways, taxiways, vehicular roadways, loadways, loading aprons, concourses, holdrooms, gates, and passenger right-of-ways, are being used for scheduled and unscheduled civilian air transportation. Arrivals and departures are under the control of the FAA control tower. Use of the airport for air transportation takes precedence over all of the Contractor's operations. No extra compensation will be allowed for any delays brought about by the operations of the airport which require that Contractor's work must be interrupted or moved from one part of the work site to another.

If Contractor requires interruption of airport facilities or utilities in order to perform work, Contractor must notify the Deputy Commissioner in charge of the project at least five (5) working days in advance of such time and must obtain the Deputy Commissioner's approval prior to interrupting the service. Interruption of

service must be kept to an absolute minimum, and to the extent practicable the work which occasions such interruptions must be performed in stages in order to reduce the time of each interruption. In case of interruptions of electrical services, service must be restored prior to sunset of the same day.

Prior to start of work, the Contractor must request the Deputy Commissioner in charge of the project to provide specific requirements and/or instructions which are applicable to the particular work site areas, including but not limited to areas available for storage of any equipment, materials, tools and supplies needed to perform the work. Contractors must advise the Deputy Commissioner in charge of the project of the volume of equipment, materials, tools, and supplies that will be required in the secured areas of the airport in order to make arrangements for inspection of such equipment, materials, tools, and supplies at a security checkpoint. The Contractor must not permit or allow its employees, subcontractors, material men, invitees or any other persons over whom Contractor has control to enter or remain upon, or to bring or permit any equipment, materials, tools, or supplies to remain upon any part of the work site if any hazard to aircraft, threat to airport security, or obstruction of airport maintenance and operations, on or off the ground, would be created in the opinion of either the Commissioner or the Deputy Commissioner. Contractors must safeguard, and may be required to account for, all items brought beyond a security checkpoint, especially with respect to tools used in a terminal building.

For any work on the airfield, between sunset and sunrise, any equipment and materials stored outside must be marked with obstruction lights conforming to the following paragraph, and be similar and equal to Crouse-Hinds Type EOL, conforming to FAA Specifications: -810. All obstruction lights must be kept continuously in operation between sunset and sunrise seven (7) days a week and also during any daylight periods when aircraft ceiling is below 500 feet and visibility is less than five (5) miles. Information on ceiling and visibility may be obtained by the Contractor on request at the office of the Deputy Commissioner of Operations or from the FAA Control Tower Operator. Proper compliance with these obstruction light requirements is essential to the protection of aircraft and human life and the Contractor has the responsibility of taking the initiative at all times to be aware of ceiling and visibility conditions, without waiting for the FAA Control Tower Operator or any other City representative to ask the Contractor to post obstruction lights.

For any work on the airfield, the Contractor must furnish aircraft warning flags, colored orange and white, in two sizes, one size two feet by three feet (2' x 3') for hand use, and one size three feet by five feet (3' x 5') in length. Each separate group or individual in all work areas, regardless of whether or not near runways, taxiways or aprons, must display a flag which must be maintained vertical at all times. Each truck or other piece of equipment of the Contractor must have attached to it, in a vertical and clearly visible position, a warning flag of the larger size. Except as otherwise agreed by the Commissioner or his designee, all cranes or booms used for construction work on the airfield must be lowered to ground level and moved 200 feet off the runways, taxiways and aprons during all hours of darkness and during all daylight hours when the aircraft ceiling is below the minimums specified in this section.

The Contractor acknowledges the importance of fully complying with the requirements of this section in order to protect aircraft and human life, on or off the ground. Failure on the part of the Contractor to perform the work in accordance with the provisions of this section and to enforce same with regard to all subcontractors, material men, laborers, invitees and all other persons under the Contractor's control, is grounds for the Chief Procurement Officer to declare an event of default and terminate this Contract immediately.

3.23. PARKING RESTRICTIONS

Prior to commencing work, the Contractor must provide the Deputy Commissioner in charge of the project with an estimate of the number of vehicles that will require parking. Contractors are encouraged to provide employee parking elsewhere and shuttle their employees to the work site. The Department of Aviation may, but is not required to, provide parking areas for a limited number of vehicles in designated storage areas. All other vehicles must be parked in the public parking lots at the Airport, and there will be no reduced rate or complimentary parking for such vehicles. Employees must not, at any time, park their personal automobiles, no matter how short the duration, in any drive, road, or any other non-parking lot location at the airport. Such vehicles will be subject to immediate towing at the employee's expense.

3.24. DEPARTMENT OF WATER MANAGEMENT SECURITY

For purposes of this section, "employee" refers to any individual employed or engaged by Contractor or by any Subcontractor. If the Contractor, or any employee, in the performance of this Contract, has or will have access to a Department of Water Management (DOWM) facility, the City may conduct such background and employment checks, including criminal history record checks and work permit documentation, as the Commissioner of the Department of Water Management and the City may deem necessary, on the Contractor, any Subcontractor, or any of their respective employees. The Commissioner of the Department of Water Management has the right to require the Contractor to supply or provide access to any additional information the Commissioner deems relevant. Before beginning work on the project, Contractor must:

Provide the City with a list of all employees requiring access to enable the City to conduct such background and employment checks;

Deliver to the City consent forms signed by all employees who will work on the project consenting to the City's and the Contractor's performance of the background checks described in this Section; and

Deliver to the City consent forms signed by all employees who will require access to the DOWM facility consenting to the searches described in this Section.

The Commissioner may preclude Contractor, any Subcontractor, or any employee from performing work on the project. Further, the Contractor must immediately report any information to the Commissioner relating to any threat to DOWM infrastructure or facilities or the water supply of the City and must fully cooperate with the City and all governmental entities investigating the threat. The Contractor must, notwithstanding anything contained in the Contract Documents to the contrary, at no additional cost to the City, adhere, and cause its Subcontractors to adhere, to any security and safety guidelines developed by the City and furnished to the Contractor from time to time during the term of the Contract and any extensions of it.

Each employee whom Contractor wishes to have access to a DOWM facility must submit a signed, completed "Area Access Application" to the DOWM to receive a DOWM Security Badge. If Contractor wishes a vehicle to have access to a DOWM facility, Contractor must submit a vehicle access application for that vehicle. The applications will solicit such information as the Commissioner may require in his discretion, including name, address, date of birth (and for vehicles, driver's license and appropriate stickers). The Contractor is responsible for requesting and completing these forms for each employee who will be working at DOWM facilities and all vehicles to be used on the job site. The Commissioner may grant or deny the application in his sole discretion. The Contractor must make available to the Commissioner, within one (1) day of request, the personnel file of any employee who will be working on the project.

At the Commissioner's request, the Contractor and Subcontractor must maintain an employment history of employees going back five years from the date Contractor began Work or Services on the project. If requested, Contractor must certify that it has verified the employment history as required on the form designated by the Commissioner. Contractor must provide the City, at its request, a copy of the employment history for each employee. Employment history is subject to audit by the City.

DOWM Security Badges and Vehicle Permits will only be issued based upon properly completed Area Access Application Forms. Employees or vehicles without proper credentials will not be allowed on DOWM property.

The following rules related to Security Badges and Vehicle Permits must be adhered to:

Each employee must wear and display the DOWM Security Badge issued to that employee on his or her outer apparel at all times.

At the sole discretion of the Commissioner and law enforcement officials, including but not limited to the Chicago Police Department, Cook County Sheriffs Office, Illinois State Police or any other municipal, state or federal law enforcement agency, all vehicles (and their contents) are subject to interior and/or exterior inspection entering or exiting DOWM facilities, and all employees and other individuals entering or exiting DOWM facilities are subject to searches. Vehicles may not contain any materials other than those needed for the project. The Commissioner may deny access to any vehicle or individual in his sole discretion.

All individuals operating a vehicle on DOWM property must be familiar and comply with motor driving regulations and procedures of the State of Illinois and the City of Chicago. The operator must be in possession of a valid, state-issued Motor Vehicle Operator's Driver License.

All required City stickers and State Vehicle Inspection stickers must be valid.

Individuals must remain within their assigned area and haul routes unless otherwise instructed by the City.

Access to the Work sites will be as shown or designated on the Contract Documents Drawings or determined by the Commissioner. The Commissioner may deny access when, in his sole discretion, the vehicle or individual poses some security risk to DOWM.

Whenever the Contractor receives permission to enter DOWM property in areas that are exit/entrance points not secured by the City, the Contractor may be required to provide gates that comply with DOWM design and construction standards. Contractor must provide a licensed and bonded security guard, subject to the Commissioner's approval and armed as deemed necessary by the Commissioner, at the gates when the gates are in use. DOWM Security will provide the locks. Failure to provide and maintain the necessary security will result in an immediate closure by DOWM personnel of the point of access.

Stockpiling materials and parking of equipment or vehicles near DOWM security fencing is prohibited.

Any security fencing, gates, or alarms damaged by the Contractor or its Subcontractors must be manned by a licensed and bonded security guard of the Contractor at Contractor's expense until the damaged items are restored. Contractor must restore them to their original condition within an eight (8) hour period from the time of notice given by the Commissioner.

Temporary removal of any security fencing, gate or alarm to permit construction must be approved by the Commissioner, and Contractor must man the site by a licensed and bonded security guard, approved by and armed as deemed necessary by the Commissioner, at Contractor's expense, on a twenty-four (24) hour basis during the period of temporary removal. Contractor must restore the items removed to their original condition when construction is completed.

Unauthorized hazardous or illegal materials, including but not limited to hazardous materials as defined in 49 C.F.R. Parts 100-185 (e.g. explosives, oxidizers, radiological materials, infectious materials), contraband, firearms and other weapons, illegal drugs and drug paraphernalia, may not be taken on DOWM property. Alcoholic beverages are also prohibited.

All employees and vehicles working within DOWM facilities must be properly identified. All vehicles and personnel passes will be issued to the Contractor by the Commissioner, as required. Contractor, Subcontractors, and employees must return identification material to the Commissioner upon completion of their respective work within the Project, and in all cases, the Contractor must return all identification material to the Commissioner after completion of the Project. Final Contract Payment will not be made until all passes issued have been returned to DOWM Security.

3.25. ACCEPTANCE

It is understood and agreed by and between the parties hereto, that the initial acceptance and inspection of any delivery will not be considered a waiver of any provision of these specifications and will not relieve the Contractor of its obligation to provide satisfactory Stamps, Rubber Hands, Daters, Number Machines and Repair Service which conforms to the specifications, as shown by any test or inspections for which provisions are herein otherwise made.

3.26. MODIFICATIONS/AMENDMENTS

No changes, amendments, modifications, cancellations or discharges of this Contract, or any part hereof, will be valid unless stipulated in writing and signed by the parties hereto, or their respective agents representatives.

Such changes which are mutually agreed upon by and between the City and the Contractor, will be incorporated in written modifications to this Contract.

Failure of the Contractor to familiarize himself/herself with all requirements of the Contract Documents will not relieve him/her from complying with all of the provisions thereof.

3.27. DEEMED INCLUSION

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in the Contract are deemed inserted in the Contract whether or not they appear in the Contract or, upon application by either party, the Contract will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after the Contract is signed prevent its enforcement.

3.28. NON-APPROPRIATION

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Contract, then the City will notify the Contractor of that occurrence and this Contract will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Contract are exhausted. No payments will be made to the Contractor under this Contract beyond those amounts appropriated and budgeted by the City to fund payments under this Contract.

3.29. TERMINATION

The City may terminate this Contract or all or any portion of the Contract, at any time by a notice in writing from the City to the Contractor. The City will give notice to the Contractor. The effective date of termination will be the date the notice is received by the Contractor or the date stated in the notice, whichever is later. If the City elects to terminate the Contract in full, all services to be provided under it must cease and all materials that may have been accumulated in performing this Contract whether completed or in the process, must be delivered to the City within ten (10) calendar days after the effective date stated in the notice.

After the notice is received, the Contractor must restrict its activities, and those of its Subcontractors to winding down any activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in the Payment clause and as outlined in the Proposal page, but if any compensation is described or provided for on the basis of a period longer than ten (10) calendar days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed services. The payment so made to the Contractor is in full settlement for all services satisfactorily performed under this Contract. If Contractor disputes the amount of compensation determined by the City to be due Contractor, then the Contractor must initiate dispute settlement procedures in accordance with provision on Disputes, in the General Conditions.

If the City's election to terminate this Contract for default pursuant to provision on Default, in the General Conditions is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be deemed to be an early termination pursuant to this Termination provision.

4. SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE AND WOMEN BUSINESS ENTERPRISE

4.1. POLICY AND TERMS

It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code will have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, national origin or sex, and will take affirmative action to ensure that women and minority businesses will have the maximum opportunity to compete for and perform subcontracts for supplies or services.

The Chief Procurement Officer has established a goal of awarding not less than twenty-five percent (25%) of the annual dollar value of all non-construction contracts to certified MBEs and five percent (5%) of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

Year Advertised	MBE Percentage	WBE Percentage
1991	21.1%	5%
1992	19.5%	4.9%
1993	17.7%	4.8%
after 1993	16.9%	4.5%

This commitment is met by the Contractor's status as a MBE or WBE, or by a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE or WBE participation in such joint venture), or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the Contractor's business (but no dollar of such indirect MBE or WBE participation will be credited more than once against a Contractor's MBE or WBE commitment with respect to all Contracts of such Contractor), or by any combination of the foregoing. Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both a MBE/WBE will not be credited more than once against a Contractor's MBE or WBE commitment in the performance of the Contract.

As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this Contract. However, in determining the manner of MBE/WBE participation, the Contractor will first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this Contract. In appropriate cases, the Chief Procurement Officer will require the Contractor to demonstrate the specific efforts undertaken by it to involve MBEs and WBEs directly in the performance of this Contract.

The Contractor also may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector projects.

4.2. DEFINITIONS

"Minority Business Enterprise" or "MBE" means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations.

"Women Business Enterprise" or "WBE" means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations.

"Directory" means the Directory of Certified "Disadvantaged Business Enterprises", "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the Contract Compliance Administrator. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE and WBE firms.

"Area of Specialty" means the description of a MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of its Area of Specialty. This information is also contained in the Directory. Credit toward this contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The City does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

"Joint Venture" means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Contractors may develop joint venture agreements as an instrument to provide participation by MBEs and WBEs in contract work. A joint venture seeking to be credited for MBE/WBE participation may be formed among certified MBE/WBE firms or between certified MBE/WBE firm(s) and non-MBE/WBE firm(s).

A joint venture is eligible for MBE/WBE credit if the MBE/WBE partner(s) share in the ownership, control, management responsibilities, risks and profits of the joint venture, and are responsible for a clearly defined portion of work to be performed, in proportion with the MBE/WBE ownership percentage.

"Contract Compliance Administrator" means the officer appointed pursuant to Section 2-92-490 of the Municipal Code of Chicago.

4.3. COUNTING MBE/WBE PARTICIPATION TOWARD THE CONTRACT GOALS

The inclusion of any MBE or WBE in the contractor's MBE/WBE Utilization Plan shall not conclusively establish the contractor's right to full MBE/WBE credit for that firm's participation in the contract.

The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the contractor where any MBE or WBE is found to be engaged in substantial subcontracting or pass-through activities with others. In this regard, a contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a clearly defined and distinct element of work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Chief Procurement Officer shall evaluate the amount of work subcontracted, industry practices, and other relevant factors. The amount of MBE/WBE participation credit shall be based upon an analysis by the Chief Procurement Officer of the specific duties that will be performed by the MBE or WBE. Each MBE/WBE shall be expected to actually perform a substantial (i.e., more than eighty-five percent (85%)) portion of the work contemplated for it by any subcontract or agreement through the use of its own employees and equipment.

Requested information may include, without limitation: (1) specific information concerning broker's fees and/or commissions; (2) intended sub-suppliers or other sources of goods and/or services; and (3) specific financial or other risks to be assumed by the MBE/WBE.

The participation of MBEs and WBEs who have been certified as "brokers" shall no longer be considered eligible to participate on contracts awarded by the City in 1993 and thereafter until further notice for any consideration of MBE or WBE credit.

Credit for the participation of MBEs/WBEs as joint venture partners shall be based upon an analysis of

the duties, responsibilities and risks undertaken by the MBE/WBE as specified by the joint venture's executed joint venture agreement. The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the contractor where any MBE/WBE joint venture partner is found to have duties, responsibilities, risks or loss and management control over the joint venture that is not commensurate with or in proportion to its joint venture ownership.

4.4. REGULATIONS GOVERNING REDUCTIONS TO OR WAIVER OF MBE/WBE GOALS

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder or proposer determines that it is unable to meet the MBE and/or WBE percentage on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder/proposer's letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

Bidders/proposers will be considered responsive to the terms and conditions of these Regulations if a waiver request and proof of notification to an assist agency is submitted at the time of bid/proposal opening. Once the bids have been opened, the lowest responsive and responsible bidder so deemed by the Chief Procurement Officer or authorized designee will have no more than fourteen (14) calendar days to submit to the Department of Procurement complete documentation that adequately addresses the conditions for waiver described herein. Proposers responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than fourteen (14) calendar days to submit to the Department of Procurement complete documentation that adequately addresses the conditions for waiver described herein. Respondents to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations. Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder/proposer; or readvertising the bid/proposal. All bidders/proposers are encouraged to submit all required documents at the time of bid opening to expedite the contract award.

Direct/Indirect Participation

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

The bidder/proposer has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least fifty percent (50%) (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Direct participation involves subcontracting a portion of the goods/services specifically required in the bid/proposal. Indirect participation is the subcontracting of goods/services not specifically related to the performance of this contract. Documentation must include but is not necessarily limited to:

A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;

A listing of all MBE/WBE firms contacted that includes:

Names, address and telephone numbers of MBE/WBE firms solicited;

Date and time of contact;

Method of contact (written, telephone, transmittal of facsimile documents, etc.)

Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:

Project identification and location;

Classification/commodity of work items for which quotations were sought;
Date, item and location for acceptance of subcontractor bid proposals;
Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
Affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve MBE/WBE goals by not imposing any limiting conditions which were not mandatory for all subcontractors; or denying the benefits ordinarily conferred on MBE/WBE subcontractors for the type of work that was solicited.

OR

Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontract's quote is excessively costly, the bidder/proposer must provide the following information:

A detailed statement of the work identified for MBE/WBE participation for which the bidder/proposer asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).

A listing of all potential subcontractors contacted for a quotation on that work item;

Prices quoted for the subcontract in question by all such potential subcontractors for that work item.

Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:

The City's estimate for the work under a specific subcontract;

The bidder/proposers own estimate for the work under the subcontract;

An average of the bona fide prices quoted for the subcontract;

Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

Assist Agency Participation

Every waiver and/or reduction request must include evidence that the bidder/proposer has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community.

The notice requirement of this Section will be satisfied if a bidder/proposer contacts at least one of the associations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required for any bid/proposal submitted to be deemed responsive on the date of bid opening. If deemed appropriate, the Chief Procurement Officer or Contract Compliance Officer may contact the assist agency for verification of notification.

Impracticability

If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

The requirements set forth in these Regulations shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Procurement Department administrator, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders/proposers, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

4.5. PROCEDURE TO DETERMINE BID COMPLIANCE

The following Schedules and described documents constitute the bidder's MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.

A Schedule C-1 executed by the MBE/WBE (or Schedule B/Joint Venture Subcontractor) must be submitted by the bidder/proposer for each MBE/WBE included on their Schedule D-1 and must accurately detail the work to be performed by the MBE/WBE and the agreed rates and prices to be paid. If any fully completed and executed Schedule C-1 is not submitted with the bid/proposal, it must be received by the Contract Administrator within ten (10) calendar days of the bid/proposal opening. (All post bid/proposal submissions must have original signatures on all documents). Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

Letters of Certification.

A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

Joint Venture Agreements.

If the bidder's/proposer's MBE/WBE proposal includes the participation of a MBE/WBE as joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement and a Schedule B. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g., check signing authority).

Required Schedules Regarding DBE/MBE/WBE Utilization.

Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. Except in cases where the bidder/proposer has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section 4.4. herein, the bidder/proposer must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, as percentages of the total estimated usage. All commitments made by the bidder's Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening (See Section 4.5A. above), the bidder/proposer may submit a revised Schedule D-1 (executed and notarized to conform with the Schedules C-1). Except in cases where substantial and documented justification is provided, bidders/proposers will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

All commitments for joint venture agreements must be delineated in the Schedule B.

4.6. REPORTING REQUIREMENTS DURING THE TERM OF THE CONTRACT

The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.

In the case of one (1) time procurements of supplies with either single or multiple deliveries to be performed in less than one (1) year from the date of contract award, a "MBE/WBE Utilization Report", indicating final MBE and WBE payments will be submitted directly to the Department of Procurement Services so as to assure receipt either at the same time, or before the using Department receives contractors final invoice. (NOTICE: Do not submit invoices with "MBE/WBE Utilization Reports.") Final payments may be held until the Utilization Reports have been received. During the term of the contract, the Contractor will submit quarterly "MBE/WBE Utilization Reports", a copy of which is attached. The frequency with which these reports are to be submitted will be in no case less often than on a quarterly basis. In the absence of written notice from the Chief Procurement Officer, the contractors first MBE/WBE Utilization Report will be due ninety (90) calendar days after the date of contract award, and reports will be due quarterly thereafter.

MBE/WBE Utilization Reports are to be submitted directly to: Department of Procurement Services, Division of Vendor Relations, City Hall, Room 400, 121 N. LaSalle Street, Chicago, Illinois 60602. The Contract Compliance Administrator will be entitled to examine, on five (5) business days notice, the contractors books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the contract. Such rights are in addition to any other audit inspection rights contained in the contract.

4.7. MBE/WBE SUBSTITUTIONS

Changes by the contractor of the commitments earlier certified in the Schedule D-1 are prohibited. In some cases, however, it may become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE/WBE requirements.

The Contractor must notify the Chief Procurement Officer immediately in writing of the necessity to reduce or terminate a MBE/WBE subcontract and to utilize a substitute firm for some phase of work. The Contractor's notification should include the name, address and principal official of the substitute MBE/WBE and the dollar value and scope of work of the subcontract. Attached should be all the requisite MBE/WBE affidavits and documents, as enumerated above in Section 5, "Procedure to Determine Bid Compliance."

The City will not approve extra payment for escalated costs incurred by the Contractor when a substitution of Subcontractors becomes necessary for the Contractor in order to comply with MBE/WBE Contract requirements.

After award of Contract, no relief of the MBE/WBE requirements will be granted by the City except in exceptional circumstances. Requests for complete or partial waiver of the MBE/WBE requirements of this Contract must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the Contractor to locate specific firms, solicit MBE/WBE bids, seek assistance from technical assistance agencies, etc., as outlined above in the section entitled "Regulations Governing Reductions To or Waiver of MBE/WBE Goals."

4.8. NON-COMPLIANCE AND DAMAGES

The following constitutes a material breach of this Contract and shall entitle the City to declare a default, terminate the Contract and exercise those remedies provided for in the Contract, at law or in equity:

Failure to satisfy the MBE/WBE percentages required by the Contract; and
The Contractor or Subcontractor is disqualified as a MBE or WBE, such status was a factor in
Contract award, and was misrepresented by the Contractor.

In the event that the Contractor is determined not to have been involved in any misrepresentation of
the status of the disqualified Subcontractor or supplier, the Contractor shall seek to discharge the
disqualified Subcontractor or supplier, upon proper notification to the Chief Procurement Officer
and/or Contract Compliance Administrator and make every effort to identify and engage a qualified
MBE or WBE as its replacement. Furthermore, continued eligibility to enter into future contracting
arrangements with the City may be jeopardized as a result of non-compliance. Payments due to the
Contractor may be withheld until corrective action is taken.

4.9. ARBITRATION

In the event a Contractor has not complied with the contractual MBE/WBE percentages in its
Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the
Contractor damages suffered by such entity as a result of being underutilized; provided, however,
that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or
substitution approved by the City. The Ordinance and Contracts subject thereto provide that any
disputes between the Contractor and such affected MBEs/WBEs regarding damages shall be
resolved by binding arbitration before an independent arbitrator other than the City, with reasonable
expenses, including attorney's fees, being recoverable by a prevailing MBE/WBE in accordance with
these regulations. This provision is intended for the benefit of any MBE/WBE affected by
underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by
this regulation are non-waivable and take precedence over any agreement to the contrary, including
but not limited to those contained in a subcontract, suborder, or communicated orally between a
Contractor and a MBE/WBE.

An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitrate
process. Except as otherwise agreed to in writing by the affected parties subject to the limitation
contained in the last sentence of the previous paragraph, within ten (10) calendar days of the
Contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described
disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American
Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue,
Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such
arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be
conducted by the AAA; and held in Chicago, Illinois.

All fees of the arbitrator are the initial responsibility of the MBE/WBE; provided, however, that the
arbitrator is authorized to award reasonable expenses, including attorney's and arbitrator fees, as
damages to a prevailing MBE/WBE.

The MBE/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar
days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of
the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award
rendered by the arbitrator may be entered in any court of competent jurisdiction.

4.10. RECORD KEEPING

The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs/WBEs,
retaining these records for a period of at least three years after final acceptance of the work. Full access to
these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U.S.
Department of Justice, or any duly authorized representatives thereof.

11.3. TRADE NAMES

In cases where an item is identified by a manufacturers name, trade name, catalog number, or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is definitely indicated therein by the bidder.

Reference to a specific manufacturer, trade name or catalog is intended to be descriptive but not restrictive and only to indicate to the prospective bidder articles that will be satisfactory. Bids on other makes and catalogs will be considered, provided each bidder clearly states on the face of the proposal exactly what it proposes to furnish, or forwards with the bid, a cut, illustration, or other descriptive matter which will clearly indicate the character of the article covered by the bid.

The Chief Procurement Officer hereby reserves the right to approve as an equal, or to reject as not being an equal, any article the bidder proposes to furnish which contains major or minor variations from specification requirements but which may comply substantially therewith.

In lieu of the inventory, the Contractor must be able to arrange such prompt delivery.

Repeated failures of the Contractor to meet the above stated delivery requirements may be used by the City as grounds for the termination of this Contract, and may further affect the Contractors eligibility for future Contract awards.

The Contractors compliance with these requirements will be determined by the Chief Procurement Officer, whose decision will be binding.

B. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

C. The City's Governmental Ethics and Campaign Financing Ordinances, Chapters 2-156 and 2-164 of the Municipal Code, impose certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of these ordinances and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. D. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded, void or voidable), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other transactions with the City. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

E. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided on this EDS and any attachments to this EDS may be made available to the public on the Internet, in response to a Freedom of Information Act request, or otherwise. F. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires.

The Disclosing Party represents and warrants that:

G. The Disclosing Party has not withheld or reserved any disclosures as to economic interests in the Disclosing Party, or as to the Matter, or any information, data or plan as to the intended use or purpose for which the Applicant seeks City Council or other City agency action.

For purposes of the certifications in H.1. and H.2. below, the term "affiliate" means any person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity. H.1. The Disclosing Party is not delinquent in the payment of any tax administered by the Illinois Department of Revenue, nor are the Disclosing Party or its affiliates delinquent in paying any fine, fee, tax or other charge owed to the City. This includes, but is not limited to, all water charges, sewer charges, license fees, parking tickets, property taxes or sales taxes.

H.2 If the Disclosing Party is the Applicant, the Disclosing Party and its affiliates will not use, nor permit their subcontractors to use, any facility on the U.S. EPA's List of Violating Facilities in connection with the Matter for the duration of time that such facility remains on the list.

H.3 If the Disclosing Party is the Applicant, the Disclosing Party will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in H.1. and H.2. above and will not, without the prior written consent of the City, use any such contractor/subcontractor that does not provide such certifications or that the Disclosing Party has reason to believe has not provided or cannot provide truthful certifications.

Contractor shall be in default hereunder in the event of a material breach by Contractor of any term or condition of this Contract including, but not limited to, a representation or warranty, where Contractor has failed to cure such breach within ten (10) days after written notice of breach is given to Contractor by the County, setting forth the nature of such breach.

In the event Contractor shall breach any material terms or conditions of this Contract on more than one occasion during any twelve month period during the term hereof, or in the event Contractor expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County may, at its option, declare the Contractor to be in default and the County shall be entitled to exercise all available remedies including, but not limited to, termination of the Contract, without affording the Contractor further opportunity to cure such breach. Failure of County to give written notice of breach to the Contractor shall not be deemed to be a waiver of the County's right to assert such breach at a later time, should the Contractor commit a subsequent breach of this Contract.

A material breach of the contract by the Contractor includes but is not limited to the following:

1. Failure to begin performance under this Contract within the specified time;

GC-13 COUNTY'S REMEDIES

Following notice of material breach to Contractor, the County reserves the right to withhold payments otherwise owed to Contractor until such time as Contractor has cured the breach.

If the Contractor fails to remedy a material breach during the ten (10) day cure period pursuant to General Condition GC-12, Default, or if Contractor commits a subsequent material breach within a twelve month period or expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County shall have the right to terminate this Contract upon written notice to the Contractor which shall set forth the effective date of such termination.

In addition, the County shall have the right to pursue all remedies in law or equity.

GC-14 CONTRACTOR'S REMEDIES

Contractor shall have the right to pursue all remedies available in law or equity. In all cases the Contractor's damages shall be those actual provable damages not to exceed the amount of the Contract as awarded by the Cook County Board of Commissioners less all amounts paid to Contractor. In no event shall Contractor be entitled to any consequential damages. Irrespective of the exercise of remedies hereunder, Contractor shall not disrupt the County's operations or repossess any component thereof.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

In the case of Contracts approved by the Board, the total cost of all such amendments shall not increase the Contract by more than 10% of the original contract award and the term may only be extended for up to one (1) year. Such action may only be made with the advance written approval of the Chief Procurement Officer.

In the case of Contracts approved by the Board, modifications and amendments which individually or cumulatively result in additional costs of greater than 10% of the original awarded amount or which extend the term of the Contract by more than one (1) year shall be deemed as authorized with the advance approval of the Cook County Board of Commissioners.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND
CONSULTING SERVICE AND SOLE SOURCE

I. POLICY AND GOALS

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in the County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women- Owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority-and-Women-Owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five percent (35%) of the annual total dollar amount of professional, consulting service and sole source contracts and agreements to certified MBEs and WBEs.

- B. A Proposer may achieve the MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a Mentor-Protégé Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the Proposer's business; or by a combination of the foregoing.

- D. A Proposer's failure to carry out its MBE/WBE commitments in the course of performance on a contract shall constitute a material breach of the contract, and if such breach is not appropriately cured, may result in the termination of the contract or such other remedies authorized by the Ordinance as the County deems appropriate.

II. **REQUIRED SUBMITTALS**

To be considered responsive to the requirements of the Ordinance, a Proposer shall submit Items A, B and C listed below. A **Utilization Plan** identifying all firms intended to be utilized to fulfill the goals; the MBE/WBE status of each firm; the name, address, e-mail address and telephone number of the contact person for each MBE/WBE firm; the dollar value of the goods and services to be provided by the MBE/WBE firm; and the dollar value expressed as a percentage (%) of the total value of the purposed contract. (See Section I)
2. A **Letter of Intent** for each MBE/WBE containing specific information regarding goods to be provided or services to be performed by the MBE/WBE; the dollar value of the goods or services, the percentage (%) of the dollar value; and the original signatures of the appropriate officer for both the Proposer and the MBE/WBE. (See Exhibit II)
3. Current **Letter of Certification** for each MBE/WBE firm. Acceptable certifying agencies are: Cook County, Illinois Unified Certification Program (IUCP) and U. S. Small Business Administration. 4. **Waiver/Goal Reduction Petition** must be included at the time of the submission of the Proposal document. Where the Proposer does not include all documentation in support of the Petition at the time of submission, such documentation must be submitted to the Office of Contract Compliance not less than three (3) business days after the submission date.
