## BACKGROUND

*The County of Cook issued a Request for Proposals "RFP" for Recidivism Reduction Demonstration Grants. Proposals were evaluated in accordance with the evaluation criteria published in the RFP. The Consultant was selected based on the proposal submitted and evaluated by the County representatives.*

*Consultant represents that it has the professional experience and expertise to provide the necessary services and further warrants that it is ready, willing and able to perform in accordance with the terms and conditions as set forth in this Agreement.*

**NOW, THEREFORE**, the County and Consultant agree as follows:

## TERMS AND CONDITIONS

### **ARTICLE 1) INCORPORATION OF BACKGROUND**

The Background information set forth above is incorporated by reference as if fully set forth here.

### **ARTICLE 2) DEFINITIONS**

#### **a) Definitions**

The following words and phrases have the following meanings for purposes of this Agreement:

**"Additional Services"** means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Article 3, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the Chief Procurement Officer in a written modification to this Agreement before Consultant is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.

**"Agreement"** means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"**Chief Procurement Officer**" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"**Department**" means the Cook County Using Department.

"**Services**" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"**Subcontractor**" means any person or entity with whom Consultant contracts to provide any part of the Services, including subcontractors and subconsultants of any tier, suppliers and materials providers, whether or not in privity with Consultant.

**b) Interpretation**

i) The term "**include**" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.

iii) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.

iv) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.

v) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

vi) All references to a number of days mean calendar days, unless expressly indicated otherwise.

**c) Incorporation of Exhibits**

The following attached Exhibits are made a part of this Agreement:

- Exhibit 3      Evidence of Insurance

## ARTICLE 3) DUTIES AND RESPONSIBILITIES OF CONSULTANT

### a) Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Consultant's Services nor a limitation on the Services that Consultant is to provide under this Agreement. Consultant must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Consultant must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

### b) Deliverables

In carrying out its Services, Consultant must prepare or provide to the County various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Consultant for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Consultant has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Consultant of its failure. If Consultant does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Consultant of its commitments under this Agreement.

### c) Standard of Performance

Consultant must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a consultant performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Consultant agrees to be held to the standard of care of a fiduciary.

Consultant must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Consultant must provide copies of any such licenses. Consultant remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Consultant or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Consultant fails to comply with the foregoing standards, Consultant must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Consultant of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Consultant either under this Agreement, at law or in equity.

**d) Personnel**

**i) Adequate Staffing**

Consultant must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Consultant must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Consultant to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

**ii) Key Personnel**

Consultant must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Department may at any time in writing notify Consultant that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Consultant must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Consultant and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Consultant underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Consultant to the respective employees to whom they are due. The parties acknowledge that this Section 3.4(c) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women's Business Enterprises Commitment**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Consultant must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director. Consultant's completed MBE/WBE Utilization Plan evidencing its compliance with this requirement are a part of this Agreement, in Section 1 of the Economic Disclosure Statement, upon acceptance by the Compliance Director. Consultant must utilize minority and women's business enterprises at the greater of the amounts committed to by the Consultant for this Agreement in accordance with Section 1 of the Economic Disclosure Statement.

f) **Insurance**

Consultant must provide and maintain at Consultant's own expense, during the term of this Agreement and any time period following expiration if Consultant is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

i) **Insurance To Be Provided**

(1) Workers Compensation and Employers Liability

Workers Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$500,000 each accident or illness.

(2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than \$2,000,000 per occurrence for bodily injury, personal injury and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, separation of insureds, defense and contractual liability (with no limitation endorsement). Cook County is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Services.

Subcontractors performing Services for Consultant must maintain limits of not less than \$1,000,000 with the same terms in this Section 3.6(a)(ii).

(3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with Services to be performed, Consultant must provide Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence limit, for bodily injury and property damage. The County is to be named as an additional insured on a primary, non-contributory basis.

(4) Professional Liability

---

When any professional consultants perform Services in connection with this Agreement, Professional Liability Insurance covering acts, errors or omissions must be maintained with limits of not less than \$2,000,000. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of Services on this Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years.

Subcontractors performing Services for Consultant must maintain limits of not less than \$1,000,000 with the same terms in this Section 3.6(a)(iv).

(5) Valuable Papers

When any designs, drawings, specifications and documents are produced or used under this Agreement, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

ii) **Additional Requirements**

(1) Consultant must furnish the County of Cook, Cook County, Office of the Chief Procurement Officer, 118 N, Clark St., Room 1018, Chicago, IL 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Consultant must submit evidence of insurance on the County Insurance Certificate Form (copy attached as Exhibit 3) or equivalent prior to Agreement award. The receipt of any certificate does not constitute agreement by the County that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the County to obtain certificates or other insurance evidence from Consultant is not a waiver by the County of any requirements for Consultant to obtain and maintain the specified coverages. Consultant must advise all insurers of the provisions in this Agreement regarding insurance. Non-conforming insurance does not relieve Consultant of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the County retains the right to terminate this Agreement or to suspend this Agreement until proper evidence of insurance is provided.

---

(1) The insurance must provide for 60 days prior written notice to be given to the County in the event coverage is substantially changed, canceled or non-renewed. All deductibles or self-insured retentions on referenced insurance coverages must be borne by Consultant. Consultant agrees that insurers waive their rights of subrogation against the County of Cook, its employees, elected officials, agents or representatives.

(2) The coverages and limits furnished by Consultant in no way limit Consultant's liabilities and responsibilities specified within this Agreement or by law. Any insurance or self-insurance programs maintained by the County of Cook apply in excess of and do not contribute with insurance provided by Consultant under this Agreement.

(3) The required insurance is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

(4) Consultant must require all Subcontractors to provide the insurance required in this Agreement, or Consultant may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements as Consultant unless otherwise specified in this Agreement. If Consultant or Subcontractor desires additional coverages, the party desiring the additional coverages is responsible for its acquisition and cost.

(5) The County's Risk Management Office maintains the right to modify, delete, alter or change these requirements. "**Risk Management Office**" means the Risk Management Office, which is under the direction of the Director of Risk Management and is charged with reviewing and analyzing insurance and related liability matters for the County.

**g) Indemnification**

The Contractor covenants and agrees to indemnify and save harmless the County and its commissioners, officials, employees, agents and representatives, and their respective heirs, successors and assigns, from and against any and all costs, expenses, attorney's fees, losses, damages and liabilities incurred or suffered directly or indirectly from or attributable to any claims arising out of or incident to the performance or nonperformance of the Contract by the Contractor, or the acts or omissions of the officers, agents, employees, contractors, subcontractors, licensees or invitees of the Contractor. The Contractor expressly understands and agrees that any Performance Bond or insurance protection required of the Contractor, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify the County as hereinabove provided.

**h) Confidentiality and Ownership of Documents**

Contractor acknowledges and agrees that information regarding this Contract is confidential and shall not be disclosed, directly, indirectly or by implication, or be used by Contractor in any way, ~~whether during the term of this Contract or at any time thereafter, except solely as required in the~~ course of Contractor's performance hereunder. Contractor shall comply with the applicable privacy laws and regulations affecting County and will not disclose any of County's records, materials, or other data to any third party. Contractor shall not have the right to compile and distribute statistical analyses and reports utilizing data derived from information or data obtained from County without the prior written approval of County. In the event such approval is given, any such reports published and distributed by Contractor shall be furnished to County without charge.

All documents, data, studies, reports, work product or product created as a result of the performance of the Contract (the "Documents") shall be included in the Deliverables and shall be the property of the County of Cook. It shall be a breach of this Contract for the Contractor to reproduce or use any documents, data, studies, reports, work product or product obtained from the County of Cook or any Documents created hereby, whether such reproduction or use is for Contractor's own purposes or for those of any third party. During the performance of the Contract Contractor shall be responsible of any loss or damage to the Documents while they are in Contractor's possession, and any such loss or damage shall be restored at the expense of the Contractor. The County and its designees shall be afforded full access to the Documents and the work at all times.

**i) Patents, Copyrights and Licenses**

If applicable, Contractor shall furnish the Chief Procurement Officer with all licenses required for the County to utilize any software, including firmware or middleware, provided by Contractor as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Contractor agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and consultants' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Contractor's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

**j) Examination of Records and Audits**

The Contractor agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after the final payment under the Contract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices, and records of the Contractor related to the Contract, or to Contractor's compliance with any term, condition or provision thereof. The Contractor shall be responsible for establishing and maintaining records sufficient to document the costs associated with performance under the terms of this Contract.

The Contractor further agrees that it shall include in all of its subcontracts hereunder a provision to the effect that the subcontractor agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after final payment under the subcontract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices and records of such subcontractor involving transactions relating to the subcontract, or to such subcontractor's compliance with any term, condition or provision thereunder or under the Contract.

In the event the Contractor receives payment under the Contract, reimbursement for which is later disallowed by the County, the Contractor shall promptly refund the disallowed amount to the County on request, or at the County's option, the County may credit the amount disallowed from the next payment due or to become due to the Contractor under any contract with the County.

To the extent this Contract pertains to Deliverables which may be reimbursable under the Medicaid or Medicare Programs, Contractor shall retain and make available upon request, for a period of four (4) years after furnishing services pursuant to this Agreement, the contract, books, documents and records which are necessary to certify the nature and extent of the costs of such services if requested by the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives. If Contractor carries out any of its duties under the Agreement through a subcontract with a related organization involving a value of cost of \$10,000.00 or more over a 12 month period, Contractor will cause such subcontract to contain a clause to the effect that, until the expiration of four years after the furnishing of any service pursuant to said subcontract, the related organization will make available upon request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of said subcontract and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of such costs. This paragraph relating to the retention and production of documents is included because of possible application of Section 1861(v)(1)(I) of the Social Security Act to this Agreement; if this Section should be found to be inapplicable, then this paragraph shall be deemed inoperative and without force and effect.

**k) Subcontract Subcontracting or Assignment of Contract or Contract Funds**

Once awarded, this Contract shall not be subcontracted or assigned, in whole or in part, without the advance written approval of the Chief Procurement Officer, which approval shall be granted or withheld at the sole discretion of the Chief Procurement Officer. In no case, however, shall such approval relieve the Contractor from its obligations or change the terms of the Contract. The Contractor shall not transfer or assign any Contract funds or any interest therein due or to become due without the advance written approval of the Chief Procurement Officer. The unauthorized subcontracting or assignment of the Contract, in whole or in part, or the unauthorized transfer or assignment of any Contract funds, either in whole or in part, or any interest therein, which shall be due or are to become due the Contractor shall have no effect on the County and are null and void.

Prior to the commencement of the Contract, the Contractor shall identify in writing to the Chief Procurement Officer the names of any and all subcontractors it intends to use in the performance of the Contract. The Chief Procurement Officer shall have the right to disapprove any subcontractor. Identification of subcontractors to the Chief Procurement Officer shall be in addition to any communications with County offices other than the Chief Procurement Officer. All subcontractors shall be subject to the terms of this Contract. Contractor shall incorporate into all subcontracts all of the provisions of the Contract which affect such subcontract. Copies of subcontracts shall be provided to the Chief Procurement Officer upon request.

The Contractor must disclose the name and business address of each subcontractor, attorney, lobbyist, accountant, consultant and any other person or entity whom the Contractor has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Contractor is not required to disclose employees who are paid or estimated to be paid. The Contractor is not required to disclose employees who are paid solely through the contractor's regular payroll. "Lobbyist" means any person or entity who undertakes to influence any legislation or administrative action on behalf of any person or entity other than: (1) a not-for-profit entity, on an unpaid basis, or (2), himself. "Lobbyist" also means any person or entity any part of whose duties as an employee of another includes undertaking to influence any legislative or administrative action. If the Contractor is uncertain whether a disclosure is required under this Section, the Contractor must either ask the County, whether disclosure is required or make the disclosure.

The County reserves the right to prohibit any person from entering any County facility for any reason. All contractors and subcontractors of the Contractor shall be accountable to the Chief Procurement Officer or his designee while on any County property and shall abide by all rules and regulations imposed by the County.

#### **ARTICLE 4) TERM OF PERFORMANCE**

##### **a) Term of Performance**

This Agreement takes effect when approved by the Cook County Board and its term shall begin on **December 15, 2012 ("Effective Date")** and continue until **December 14, 2013** or until this Agreement is terminated in accordance with its terms, whichever occurs first.

##### **b) Timeliness of Performance**

i) Consultant must provide the Services and Deliverables within the term and within the time limits required under this Agreement, pursuant to the provisions of Section 4.a and Exhibit 1. Further, Consultant acknowledges that TIME IS OF THE ESSENCE and that the failure of Consultant to comply with the time limits described in this Section 4.2 may result in economic or other losses to the County.

ii) Neither Consultant nor Consultant's agents, employees or Subcontractors are entitled to any damages from the County, nor is any party entitled to be reimbursed by the County, for damages, charges or other losses or expenses incurred by Consultant by reason of delays or hindrances in the performance of the Services, whether or not caused by the County.

## **ARTICLE 5) COMPENSATION**

### **a) Basis of Payment**

The County will pay Consultant according to the Schedule of Compensation in the attached Exhibit 2 for the successful completion of services.

### **b) Method of Payment**

All invoices submitted by the Contractor shall be in accordance with the cost provisions according to the Schedule of Compensation in the attached Exhibit 2. The invoices shall contain a detailed description of the Deliverables for which payment is requested. All invoices shall reflect the amounts invoiced by and the amounts paid to the Contractor as of the date of the invoice, and shall be submitted together with a properly completed County Voucher form (29A). Invoices for new charges shall not include "past due" amounts, if any, which amounts must be set forth on a separate invoice. No payments shall be made with respect to invoices which do not include the County Voucher form or which otherwise fail to comply with the requirements of this paragraph. Contractor shall not be entitled to invoice the County for any late fees or other penalties.

### **c) Funding**

---

The source of funds for payments under this Agreement is identified in Exhibit 2, Schedule of Compensation. Payments under this Agreement must not exceed the dollar amount shown in Exhibit 2 without a written amendment in accordance with Section 10.c.

### **d) Non-Appropriation**

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the County for payments to be made under this Agreement, then the County will notify Consultant in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Consultant. No payments will be made or due to Consultant and under this Agreement beyond those amounts appropriated and budgeted by the County to fund payments under this Agreement.

### **e) Taxes**

Federal Excise Tax does not apply to materials purchased by the County by virtue of Exemption Certificate No. 36-75-0038K. Illinois Retailers' Occupation Tax, Use Tax and Municipal Retailers' Occupation Tax do not apply to deliverables, materials or services purchased by the County by virtue of statute. The price or prices quoted herein shall include any and all other federal and/or state, direct and/or indirect taxes which apply to this Contract. The County's State of Illinois Sales Tax Exemption Identification No. is E-9998-2013-05.

**f) Price Reduction**

If at any time after the contract award, Contractor makes a general price reduction in the price of any of the Deliverables, the equivalent price reduction based on similar quantities and/or considerations shall apply to this Contract for the duration of the Contract period. For purposes of this Section 5.f., Price Reduction, a general price reduction shall include reductions in the effective price charged by Contractor by reason of rebates, financial incentives, discounts, value points or other benefits with respect to the purchase of the Deliverables. Such price reductions shall be effective at the same time and in the same manner as the reduction Contractor makes in the price of the Deliverables to its prospective customers generally.

**g) Contractor Credits**

To the extent the Contractor gives credits toward future purchases of goods or services, financial incentives, discounts, value points or other benefits based on the purchase of the materials or services provided for under this Contract, such credits belong to the County and not any specific using department. **d) Business Documents**

At the request of the County, Consultant must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

**e) Conflicts of Interest**

If Consultant becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.

iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

v) The Consultant further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.11 of this Agreement. ## **ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET**

### **a) Events of Default Defined**

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the County.
- ii) Consultant's material failure to perform any of its obligations under this Agreement including the following:
  - (a) Failure due to a reason or circumstances within Consultant's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;
  - (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
  - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
  - (d) Discontinuance of the Services for reasons within Consultant's reasonable control; and
  - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Consultant without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
- iv) Consultant's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Consultant acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
- (v) Failure to comply with Section 7a. in the performance of the Agreement.
- (vi) Consultant's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

**b) Remedies**

The occurrence of any event of default permits the County, at the County's sole option, to declare Consultant in default. The Chief Procurement Officer may in his sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Consultant in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Consultant written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Consultant fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Consultant's expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the County would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Consultant under this Section 9.2;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Consultant's compensation under this Agreement;
- vi) The right to consider Consultant non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

**c) Early Termination**

In addition to termination under Sections 9.1 and 9.2 of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Consultant. The County will give notice to Consultant in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Consultant must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

Consultant must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Consultant will not be entitled to make any early termination claims against the County resulting from any

Subcontractor's claims against Consultant or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.1 and 9.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.3.

**d) Suspension**

The County may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Consultant by written notice may treat the suspension as an early termination of this Agreement under Section 9.3.

**e) Right to Offset**

i) In connection with performance under this Agreement:

The County may offset any excess costs incurred:

(i) if the County terminates this Agreement for default or any other reason resulting from Consultant's performance or non-performance;

(ii) if the County exercises any of its remedies under Section 9.2 of this Agreement; or

(iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Consultant is liable for and must

promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

**f.) Delays**

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

**g.) Prepaid Fees**

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Contractor shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

Consultant acknowledges that Consultant was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Consultant did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Consultant relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

**b) Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

Modifications and amendments which increase cost by less than \$1,000.00 or which do not extend the term of the Contract by more than thirty (30) days may only be made with the written approval of the Chief Procurement Officer.

Subject to the foregoing, the Chief Procurement Officer may, by written order, make changes with respect to the dates of delivery and places of performance of the Contract, provided that any such changes shall not increase the Contract price or the time required for Contract performance.

Contractor is hereby notified that, except for modifications and amendments which are made in accordance with this Section 10.c., Modifications and Amendments, no County department or employee thereof has authority to make any modification or amendment to this Contract.

**d) Governing Law and Jurisdiction**

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. **h) Waiver**

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the County's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.

**i) Independent Contractor**

The proposed model shall be based on an integrated team approach and be adaptable and based on current realities. The proposed model shall specifically recognize and assess the roles of: history of trauma and violence; co-occurring disorders; family relationships; fatherhood; peer supports and socialization; connectedness with societal values; spirituality; education; income and employment; and ancillary services a Programs should utilize a strength and asset-based, motivational approach to treatment and skill building and selection of staff that have embraced this approach. Several studies have indicated that the most effective interventions are those that use cognitive behavioral techniques to improve functioning.

All interventions shall remove barriers to re-entry and provide specific services to reduce recidivism. Strategies may include cognitive-behavioral strategies that shall promote critical thinking and healthy decision-making. The overall focus shall be on enhancing participants' functioning and behavior, developing skills for living a productive life within the community and engaging in behaviors that contribute to positive outcomes in society.

The Contractor shall offer a safe, supportive and encouraging environment that encourages trust, bonding, and connection. Staff selection should take into account the population being served with consideration to parity, economic challenges and cultural values.

The JAC expects equitable treatment by staff towards all participants throughout their course of treatment. Each reentry service plan shall be based on the participant's individual needs and his progression through rehabilitative and supportive services, as evidenced by periodic reviews of the plan documented in the case records.

**Project Component**

The Contractor shall provide a creative approach to recidivism reduction for persons leaving incarceration. The expectation is that programs will provide innovative services in a community friendly manner. The program shall maintain continuous focus on planning and implementation of services that support individual reentry and shall work collaboratively with the initiatives that support services to reduce recidivism.

The Contractor shall be required to ensure confidentiality and shall agree that all information about its work and the work performed by the JAC shall remain confidential. This includes, and is not limited to, all information about the programs supplied to the Contractor by the JAC and the County.

Roseland CeaseFire Project's Re-entry Program is a re-entry program whose purpose is to reduce the recidivism rate of ex-offenders by changing behavior and cultivating community involvement. Roseland CeaseFire and its collaborative efforts approach is directed at organizing the community: families, peer groups, and community faith based organizations, to ensure the ex-offender re-entry into society's social network is a seamless transition. Utilizing seven, evidenced based principles for Changing At-Risk Behaviors and Cultivating Resiliency Among Adults and Youth. Each principle briefly describes the integration of how the application of the village model will be utilized to supplement the efforts of Roseland CeaseFire's program for re-entry. These principles will be used as the basis for each of its affiliated operations:

1. Rebuilding the Village-Reestablish a sense of community by bringing together churches, schools, and families to create networks, organize resources and establish programs that provide an effective process for re-entry.
2. Provide Cognitive Learning Techniques to Provide Practical Systems for the Application of Knowledge-Provide models and tools such as Psychological First Aid, positive decision-making tools, employment skills, training on establishing budgets and proper use of credit, assistance with setting realistic goals, political literacy and community involvement, and opportunities to release will be utilized to cultivate resiliency and wellness and foster accountability for provision through family and self-sufficiency.
3. Provide a Sense of Connectedness-Create situations that foster a sense of connection, attachment and belonging to a larger group for a common goal. This effort counters feelings of alienation and helps provide feelings of security and consequently increased self-esteem. Providing opportunities for ex-offenders to

increase their Connectedness with others in their community by providing access to club meetings, community organizations, and volunteer opportunities to “give back”, which is also extremely important as this Connectedness is a protective factor.

4. Provide Opportunities to Learn Social and Emotional Skills-Provide social and emotional skills that are needed to interact and communicate with others. This not only increases self-esteem, but effectiveness in relationships. Emotional skills also help people have affect regulation so, for example, they can control their tempers or how they talk to others to maintain good relationships, give and receive respect (i.e. connectedness) so as not to provoke them creating interpersonal conflict that can lead to violence and other unsocial behavior.
5. Provide Opportunities to Increase Self-esteem-Provide ex-offenders with a sense of power (self-efficacy) by showing them they can do things for themselves and positively influence their lives; provide a sense of fellowship with the community and their family to help the ex-offender make sense of the world and teach them how the world has evolved and changed; create a sense of connectedness and encourage bonding and connection to a culture, group or an idea.
6. Provide Protective Shield-Provide the ex-offender with a protective shield and mentor to assist with their reintegration back into society. These foster a sense of safety and security.
7. Minimizing Trauma-As we all know, being incarcerated is a traumatic experience. We must help the ex-offender realize that he has been traumatized and how to deal with that traumatization through spiritual and psychological skills, how to

recognize his/her emotions through stress management and to encourage a sense of wholeness to deal with the emotional stress of re-entry.

## **I. AFFILIATED OPERATIONS**

As stated previously, Roseland CeaseFire's recidivism prevention services are categorized as re-entry and community development. Each will be briefly described below:

### **A. Community Development**

Roseland Ceasefire's services are based on methods and ideologies that understand that assistance for re-entry to the community must be provided to the ex-offender. We plan to do this through family, faith and community to help the individual realize their full potential. The goal is to develop social, economic, and educational skills that lead to employment and embraces a reaching back element of ex-offenders helping the next offender to return to the community.

The goals of the program are:

1. Create a strong sense of community in the ex-offenders life by encouraging community involvement. This will be accomplished by having churches and business adopt an ex-offender. Social engagement training/seminars, increased involvement with CAPS and Block Club meetings,
2. Create a sense of safety, wellbeing and security among ex-offenders. This will be accomplished through mentorship and developing support groups for the ex-offender.
3. Minimize the frequency of violent incidents and drug abuse and their impact on the ex-offender.
4. Provide an alternative to gang involvement, cliques or other negative influences.

5. Teach Social Emotional Learning skills to improve self-esteem, provide alternatives and options to counteract gang involvement with emphasis on restorative justice techniques, as well as offer employment assistance and work place training.
6. Prevent retaliatory action(s) through the use of anger management, conflict resolution techniques through teaching techniques for setting boundaries, effective listening, assertive communication, and developing alternatives.
7. Teach social skills to assist the ex-offender in dealing with everyday life in a relationship with family, friends and community. This will be accomplished by having trained professionals and interns assist the ex-offender in dealing with personal situations that may occur ( i.e. family and sexual relationships, alternative lifestyles)

The re-entry initiative will identify and work directly with ex-offenders to facilitate a safe learning environment that supports both ex-offenders and the community. The project will employ three categories of workers to promote non-violent ways of resolving differences, and to discourage conflicts. This will be accomplished through educational and life skill training.

#### **B. Peer to Peer Advocates**

Peer-to-Peer Advocates are other ex-offenders, male and female, who based on their past history and previous incarceration, and who have demonstrated re-socialization back into the community and society. They may or may not have been involved in gang activity. They will be able to demonstrate how to navigate back into society. Qualifying elements include:

- a. 100% attendance to the program

- b. Conflict resolution counseling
- c. No new cases
- d. No fighting
- e. Compliance with Drug Free Workplace policy, including drug testing policy, if requested
- f. No criminal violations
- g. Attend counseling sessions as required
- h. 100% participation in Social Emotional Learning program

Roseland Ceasefire will utilize the 50-100 ex-offender participants who we will work in the Roseland CeaseFire parent program as volunteers which will reinforce community connectiveness.

Social Emotional Learning is the basis for preparing ex-offenders to meet the daily challenges they face in their communities. The Social Emotional Learning model derived from years of research in the educational community and. The model is evidenced based. This growing body of research suggests that social emotional learning is fundamental to ex-offenders' success in the community and beyond. Social Emotional learning is considered the process by which individuals develop the skills to recognize and manage emotions, form positive relationships, solve problems, stress management, conflict resolution, make responsible decisions and avoid risky behavior has been positively linked with academic achievement, while anti-social behaviors has been correlated with incarceration.

Roseland Ceasefire will link up each participant in the program with a selection of educational training process which will help create conditions that endow ex-offenders with feelings of being supported and valued and a sense of attachment to the community

and family. Through role play applicable to real life situations and reflection, ex-offenders acquire personal and interpersonal skills important to life and learning. In the process they gain a greater sense of self-efficacy, i.e., belief that they affect their own lives and the lives of others in a positive ways.

## **Seven Principles**

### **A. Rebuilding the Village**

Roseland Ceasefire proposes to continue to work with existing community service organizations for the purpose of developing an ex-offender program to serve both the ex-offender and their families who live in the Greater Roseland area. These organizations will be identified and used as referral resources to offer education and support services for their educational and development needs. The existing services in the Roseland community offer a variety of services and activities, including but not limited to: recreation, education, arts, cultural, mentoring, community development, counseling, tutoring, field experience, music, training, etc.

### **B. Provide Cognitive Learning Techniques to Provide Practical Systems for the Application of Knowledge**

Roseland Ceasefire will offer a number of **educational support** and training programs, e.g., life skills, job readiness skills and preparation, GED preparation, on-line and virtual high schools (that lead to the applicant receiving an actual diploma), computer science, remedial education, performing arts, music recording, tutorial, math and science, cooking, dance, etc. Additionally, Roseland Ceasefire will offer a series of **growth development** classes for youth and their families, including teen dating, conflict resolution, improving self-esteem, conflict resolution, parenting, etc. In this vein, Roseland Ceasefire will also provide

***Psychological First Aid*** training for all program participants. Psychological First Aid is an evidence-informed modular approach to help children, adolescents, adults and families in the aftermath of disaster and terrorism. Psychological First Aid is designed to reduce the initial distress caused by traumatic events and to foster short-and long-term adaptive functioning and coping. Principles and techniques of Psychological First Aid meet four basic standards. They are: (1) consistent with research evidence on risk and resilience following trauma; (2) applicable and practical in the setting; (3) appropriate for developmental levels across the lifespan; (4) culturally informed and delivered in a flexible manner. Psychological First Aid does not assume that all survivors will develop severe mental health problems or long-term difficulties in recovery. Instead, it is based on an understanding that disaster survivors and others affected by such events will experience a broad range of early reactions, e.g., physical, psychological, behavioral, spiritual, etc.

***Financial/Political Literacy*** provides the most basic skills of budgeting, proper use of credit and economic survivability. Including recognition of the importance of their political voice and they are encourage to participate in the societal functions of this great country. By being a part of the system rather than standing on the outside looking in, they develop ownership of what happens in their community/neighborhood.

### **C. Provide A Sence of Connectedness**

As a "Safe Haven," the Center is the perfect venue for bringing ex-offenders who represent different communities together under a common environment. It is also a perfect venue for including parents, mentors and service providers to work on a common concern -- reduction of recidivism. The Center will offer educational training and activities to encourage bonding and a sense of pride in the work that takes place at the Center.

#### **D. Provide Opportunities to Learn Social & Emotional Skills**

A primary component of Roseland Ceasefire's program plan focuses on helping ex-offenders develop to their full potential and providing positive life experiences for ex-offenders. Roseland Ceasefire will require ex-offender participants to attend Social Emotional Learning training sessions. Roseland Ceasefire will also offer general counseling and educational advisory services to ex-offenders who are in need. It will also collaborate to offer alcohol and drug prevention and cessation services. Basic cognitive skills will also be instilled in the program schematics reinforcing positive thought process:

1. Assessment
2. Reconceptualization
3. Skills acquisition
4. Skills consolidation and application training
5. Generalization and maintenance
6. Post-treatment assessment follow-up

#### **E. Provide Opportunities to Increase Self-Esteem**

Roseland Ceasefire will rely on research by Bean R (1992). The Four Conditions of Self-Esteem. They are:

1. The sense of connectiveness - ex-offenders must be able to gain satisfaction from people, places or things that they feel connected to. Program participants will be made to feel they are a part of something; feel related in important ways to specific people, places or things; identify with a group of people; feel connected to a past or heritage; feel something important belongs to them (feel a sense of ownership); feel they belong to something or someone; feel good about the things they feel part of

(feel satisfied); know the people or things they feel connected to are thought well of by others; feel they are important to others; feel comfortable with their bodies and trust them to work will feel connected to themselves)

2. Sense of uniqueness - ex-offenders must acknowledge and respect the qualities and characteristics about themselves that are special and different, and they must receive confirmation from other people that those qualities and characteristic are important and good.

These ex-offenders feel there is something special about themselves; they feel they know things or can do things that no one else knows or can do; they know that other people think they are special; they are able to express themselves in their own unique way; they feel creative and imaginative and have opportunities to safely express their creativity; they feel respect for themselves; they are able to enjoy feeling different or unusual; they feel they are being affirmed for what they are rather than being judged for what they are not.

3. Sense of power - To have high self-esteem, ex-offenders need to have competence to do what they must, the resources required to effectively express their competence, and the opportunity to use their competence to influence important circumstances of their lives.

Ex-offenders with a high sense of power believe they can do what they set out to do; feel confident they can handle, one way or another, what is put before them to do, including things that may be risky or challenging; know they can get what they need to do what have to do; feel they are in charge of their own lives, overall, despite having to depend on others some of the time; feel comfortable when they have a responsibility to fulfill; feel others can't make them do things they really don't want to

do; feel confident they can make the decisions they need to in order to solve the problems they're faced with; know they're not going to lose control of themselves, despite the pressures they may experience; are able to use the skills they have in situations calling for them, and are comfortable about acquiring new skills.

#### **F. Provide Adult Protective Shield**

Roseland Ceasefire is in the process of recruiting adult volunteers via churches, mailings, and street canvassing to support reduction of recidivism and this will become a campaign (Rebuilding the Village). Roseland Ceasefire will use the Psychological First AID training model, which is evidence based, to prepare volunteers to respond to the aftermath of violent incidences in the community. Volunteers will be galvanized to mount an immediate outcry to shootings in the form of “responses” such as marches, vigils and moments of silence at the site of a shooting or killing, as well as provide a support base after the lights, cameras and crowds fade away. The goal is to connect residents with one another and to support offenders as well as the victim and/or their loved ones.

#### **G. Minimizing Trauma**

Roseland Ceasefire’s mission is to reduce street violence and its resultant trauma by addressing individuals who are directly responsible for maintaining it in the community. This involves looking at violence in a holistic perspective and targeting the various systems that support and maintain violence and developing strategies that have the greatest opportunities for reducing it. It also involves organizing the community to mount a successful campaign to reduce the frequency and incidents of violence acts. It is obvious that locking up offenders has had little or no impact on reducing violence and the numbers

## Re-Entry Program Plan Framework

Program anchored by early assessment tools, educational/employment training, mentoring and case management techniques.

### Early Assessment:

1. Intake interview
  - ❖ Program Orientation
  - ❖ Assessment of education and skill levels
  - ❖ Determine life goals and objectives
  - ❖ Review aftercare plan or parole order

### Re-Entry Service Plan

1. Design customized Re-Entry Service Plan for each male and female which incorporates recommendations and requirements of the parole order or aftercare plan. (Females who will resume their duties as custodial parent present the additional problem of rebuilding parental relationships with children and caregiving responsibilities). Resources will be outlined and referrals prepared for re-entry

### Case Management Plan

1. Devise case management plan frequency of contact based upon re-entry service plan
2. Coordinate implementation of re-entry service plan with Parole Department and aftercare specialist to ensure case management objectives are realized

### Mentoring/Outreach

Program participants will meet regularly with the mentoring/outreach coordinator to discuss barriers to program goals and participation. The coordinator will use community volunteers, peers and family to mentor and the business community provide transitional employment and training.

- ❖ TUTORING AND MENTORING

- ❖ Will encourage Teens to stay in school and seek alternatives to crime by offering mentors and tutors who will be available to them through the entire school year
- ❖ Outreach Coordinator will engage the participant at street-level, church and general community

### Education/Employment

Program participants will each participate in weekly training classes designed to teach social skills and prepare them for employment. Program participants will be directed to community agencies for services and vocational training as needed

### JOB-READINESS

- ❖ Will provide a 4-week course to train program participants, to understand and adapt to the work environment.
- ❖ Clients receive instructions in resume writing, interview techniques and personal presentation.

### Target Group

Inmates, males and females, who are within a year of parole and between ages of 18 – 40 years of age, and returning to the target community of Roseland and near south suburbs will comprise the target group. The inmate clients will be identified by IDOC, COOK COUNTY JAIL, and JUVENILE DETENTION CENTER staff and community agencies.

### Assessment Intake

After a brief orientation to acclimate inmate clients with scope and program expectations, each inmate client will be given a battery of tests to determine level of education and pre-

existing marketable job skills. The interview process will also be used to determine life goals and objective. The intake application will give insight into inmate clients' community environs (family affiliation, housing, religious, etc.) upon reentry.

#### Re-Entry Service Plan

Based upon the results of intake, re-entry service plan will be developed for each inmate client. The Re-Entry Service Plan will include:

- To build upon existing skills and education, encourage and direct inmate clients to take advantage of in-house services offered by their facility, i.e., G.E.D., job certification programs, job preparedness/training and life skills program while awaiting parole
- Undergo counseling to address anger management and character rebuilding, family counseling, parenting classes
- Maintain healthy family relationships so that upon re-entry housing is not an issue and inmate does not experience feelings of loneliness and detachment
- Case Management will provide structure and direction for inmate clients and assurance that personal goals are achieved. Frequency will be determined on a case by case basis. However, case managers will make monthly visits to institution
- Coordinate with Parole Office and/or Aftercare Specialist will also offer assurance that clients maintain and continue with re-entry service plan parameters
- Referral to direct services, i.e., housing, vocational/educational training, counseling services and other social services will also be provided
