Contractor shall be in default hereunder in the event of a material breach by Contractor of any term or condition of this Contract including, but not limited to, a representation or warranty, where Contractor has failed to cure such breach within ten (10) days after written notice of breach is given to Contractor by the County, setting forth the nature of such breach.

In the event Contractor shall breach any material terms or conditions of this Contract on more than one occasion during any twelve month period during the term hereof, or in the event Contractor expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County may, at its option, declare the Contractor to be in default and the County shall be entitled to exercise all available remedies including, but not limited to, termination of the Contract, without affording the Contractor further opportunity to cure such breach. Failure of County to give written notice of breach to the Contractor shall not be deemed to be a waiver of the County's right to assert such breach at a later time, should the Contractor commit a subsequent breach of this Contract.

A material breach of the contract by the Contractor includes but is not limited to the following:

1. Failure to begin performance under this Contract within the specified time;

7. Any assignment of this contract for the benefit of creditors;
8. Any cause whatsoever which impairs performance in an acceptable manner; or
9. Any other material breach of any term or condition of this Contract.

County shall be in default hereunder if any material breach of the Contract by County occurs which is not cured by the County within ninety (90) days after written notice has been given by Contractor to the County, setting forth the nature of such breach.

GC-13 COUNTY'S REMEDIES

Following notice of material breach to Contractor, the County reserves the right to withhold payments otherwise owed to Contractor until such time as Contractor has cured the breach.

If the Contractor fails to remedy a material breach during the ten (10) day cure period pursuant to General Condition GC-12, Default, or if Contractor commits a subsequent material breach within a twelve month period or expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County shall have the right to terminate this Contract upon written notice to the Contractor which shall set forth the effective date of such termination.

In addition, the County shall have the right to pursue all remedies in law or equity.

GC-14 CONTRACTOR'S REMEDIES

If the County has been notified of breach and fails to remedy the breach during the ninety(90) day cure period pursuant to General Condition GC-12, Default, the Contractor shall have the right to terminate this Contract upon not less than thirty (30) days prior written notice to the County, which notice shall set forth the effective date of termination.

Contractor shall have the right to pursue all remedies available in law or equity. In all cases the Contractor's damages shall be those actual provable damages not to exceed the amount of the Contract as awarded by the Cook County Board of Commissioners less all amounts paid to Contractor. In no event shall Contractor be entitled to any consequential damages. Irrespective of the exercise of remedies hereunder, Contractor shall not disrupt the County's operations or repossess any component thereof.

GC-15 DELAYS

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

GC-16 MODIFICATIONS AND AMENDMENTS

The parties may during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

In the case of Contracts approved by the Board, the total cost of all such amendments shall not increase the Contract by more than 10% of the original contract award and the term may only be extended for up to one (1) year. Such action may only be made with the advance written approval of the Chief Procurement Officer.

In the case of Contracts approved by the Board, modifications and amendments which individually or cumulatively result in additional costs of greater than 10% of the original awarded amount or which extend the term of the Contract by more than one (1) year shall be deemed as authorized with the advance approval of the Cook County Board of Commissioners.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

GC-17 PATENTS, COPYRIGHTS AND LICENSES

Contractor shall furnish the Director of the Using Department with all licenses required for the County to utilize any software, including firmware or middleware, provided by Contractor as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Contractor agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and consultants' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Contractor's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

GC-18 COMPLIANCE WITH THE LAWS

The Contractor shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Contractor's employees, agents or subcontractors shall be the responsibility of the Contractor.

The Contractor shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES
COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND
CONSULTING SERVICE AND SOLE SOURCE

I. POLICY AND GOALS

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in the County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women- Owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority-and-Women-Owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five percent (35%) of the annual total dollar amount of professional, consulting service and sole source contracts and agreements to certified MBEs and WBEs.
- B. A Proposer may achieve the MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a Mentor-Protégé Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the Proposer's business; or by a combination of the foregoing.

MINORITY AND WOMEN BUSINESS ENTERPRISES
COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND
CONSULTING SERVICE AND SOLE SOURCE (CON'T.)

- C. A Waiver Request must be submitted with the Proposal, documenting the inability of the Proposer to meet the goals, and providing written evidence of "Good Faith Efforts," to obtain goals.
- D. A Proposer's failure to carry out its MBE/WBE commitments in the course of performance on a contract shall constitute a material breach of the contract, and if such breach is not appropriately cured, may result in the termination of the contract or such other remedies authorized by the Ordinance as the County deems appropriate.

II. **REQUIRED SUBMITTALS**

To be considered responsive to the requirements of the Ordinance, a Proposer shall submit Items A, B and C listed below. All documentation submitted shall be reviewed by the Contract Compliance Administrator. Failure to submit one of the items required shall be cause to consider a contract non-responsive to the Ordinance goals and may be rejected.

A. **MBE/WBE Participation Documentation**

Each Proposer shall submit supporting documentation which evidences efforts taken to achieve the County's "best efforts" MBE/WBE participation goals. Such documentation shall include:

1. A **Utilization Plan** identifying all firms intended to be utilized to fulfill the goals; the MBE/WBE status of each firm; the name, address, e-mail address and telephone number of the contact person for each MBE/WBE firm; the dollar value of the goods and services to be provided by the MBE/WBE firm; and the dollar value expressed as a percentage (%) of the total value of the purposed contract. (See Section I)
2. A **Letter of Intent** for each MBE/WBE containing specific information regarding goods to be provided or services to be performed by the MBE/WBE; the dollar value of the goods or services, the percentage (%) of the dollar value; and the original signatures of the appropriate officer for both the Proposer and the MBE/WBE. (See Exhibit II)
3. Current **Letter of Certification** for each MBE/WBE firm. Acceptable certifying agencies are: Cook County, Illinois Unified Certification Program (IUCP) and U. S. Small Business Administration. (SBA) (8A) or any other governmental body or agency approved by the Contract Compliance Administrator as applying certification standards substantially similar to those applied by the County of Cook may also be accepted.
4. **Waiver/Goal Reduction Petition** must be included at the time of the submission of the Proposal document. Where the Proposer does not include all documentation in support of the Petition at the time of submission, such documentation must be submitted to the Office of Contract Compliance not less than three (3) business days after the submission date.

MINORITY AND WOMEN BUSINESS ENTERPRISES
COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND
CONSULTING SERVICE AND SOLE SOURCE (CON'T.)

The Contract Compliance Administrator retains the right to reject the certification of any MBE or WBE on the ground that it does not meet the County's definition of a MBE or WBE.

GC-41 **FEDERAL CLAUSES**

1. Interest of Members of or Delegates to the United States Congress

In accordance with 41 U.S.C. § 22, the Contractor agrees that it will not admit any member of or delegate to the United States Congress to any share or part of the Contract or any benefit derived therefrom.

2. False or Fraudulent Statements and Claims

(a) The Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended, 49 U.S.C. §§ 3081 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the Contract. Accordingly, by signing the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make pertaining to the Contract, including without limitation any invoice for its services. In addition to other penalties that may be applicable, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the Contractor to the extent the Federal Government deems appropriate.

(b) The Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the County or Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.

3. Federal Interest in Patents

(a) General. If any invention, improvement, or discovery of the Contractor is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor agrees to notify County immediately and provide a detailed report.

(b) Federal Rights. Unless the Federal Government later makes a contrary determination in writing, the rights and responsibilities of the County, Contractor, and the Federal Government pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Unless the Federal Government later makes a contrary determination in writing, the Contractor agrees that, irrespective of its status or the status of any subcontractor at any tier (e.g., a large business, small business, non-profit organization, institution of higher education, individual), the Contractor agrees it will transmit to the Federal Government those rights due the Federal Government in any invention resulting from the contract.

4. Federal Interest in Data and Copyrights

- (a) **Definition.** The term "subject data" used in this section means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. Examples include, but are not limited, to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to Contract administration.
- (b) **Federal Restrictions.** The following restrictions apply to all subject data first produced in the performance of the Contract. Except as provided in the Contract and except for its own internal use, the Contractor may not publish or publicly reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the written consent of the County and the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.
- (c) **Federal Rights in Data and Copyrights.** In accordance with subparts 34 and 36 of the Common Rule, the County and the Federal Government reserve a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for County or Federal Government purposes, the types of subject data described below. Without the copyright owner's consent, the County and Federal Government may not extend their license to other parties.
 - (1) Any subject data developed under the contract or subagreement financed by a federal Grant Agreement or Cooperative Agreement, whether or not a copyright has been obtained; and
 - (2) Any rights of copyright which the Contractor purchases ownership with Federal assistance.
- (d) **Special Federal Rights for Planning Research and Development Projects.** When the Federal Government provides financial assistance for a planning, research, development, or demonstration project, its general intention is to increase public knowledge, rather than limit the benefits of the project to participants in the project. Therefore, unless the Federal Government determines otherwise, the Contractor on a planning, research, development, or demonstration project agrees that, in addition to the rights in data and copyrights set forth above, the County or Federal Government may make available to any third party either a license in the copyright to the subject data or a copy of the subject data. If the project is not completed for any reason whatsoever, all data developed under the project will become subject data and will be delivered as the County or Federal Government may direct. This subsection, however, does not apply to adaptations of automatic data processing equipment or previously existing software programs for the County's use whose costs are financed with Federal transportation funds for capital projects.

GC-41 **FEDERAL CLAUSES (CON'T.)**

- (e) **Hold Harmless.** Unless prohibited by state law, upon request by the County or the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the County and the Federal Government and their officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Contract. The Contractor will not be required to indemnify the County or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the County or Federal Government.
- (f) **Restrictions on Access to Patent Rights.** Nothing contained in this section on rights in data will imply a license to the County or Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the County or Federal Government under any patent.
- (g) **Application on Materials Incorporated into Project.** The requirements of Subsections 2, 3, and 4 of this Section do not apply to material furnished by the County and incorporated into the work.

5. **Records and Audits**

Contractor will deliver or cause to be delivered all documents (including but not limited to all Deliverables and supporting data, records, graphs, charts and notes) prepared by or for the County under the terms of this Agreement to the County promptly in accordance with the time limits prescribed in this Contract, and if no time limit is specified, then upon reasonable demand therefor or upon termination or completion of the Services hereunder. In the event of the failure by the Contractor to make such delivery, then and in that event, the Contractor will pay to County reasonable damages the County may sustain by reason thereof.

The County and the Federal Government will have the right to audit all payments made to the Contractor under this Agreement. Any payments to the Contractor which exceed the amount to which the Contractor is entitled under the terms of this Agreement will be subject to set-off.

The Contractor will keep and retain records relating to this Agreement and will make such records available to representatives of the County and the Federal Government, including without limitation the sponsoring federal agency, other participating agencies, and the Comptroller General of the United States, at reasonable times during the performance of this Agreement and for at least five years after termination of this Agreement for purposes of audit, inspection, copying, transcribing and abstracting.

No provision in this Agreement granting the County or the Federal Government a right of access to records is intended to impair, limit or affect any right of access to such records which the County or the Federal Government would have had in the absence of such provisions.

6. Environmental Requirements

The Contractor recognizes that many Federal and state laws imposing environmental and resource conservation requirements may apply to the Contract. Some, but not all, of the major Federal Laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. The Contractor also recognizes that U.S. EPA, U.S. DOT and other agencies of the Federal Government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Contract. Thus, the Contractor agrees to adhere to, and impose on its subcontractors, any such Federal requirements as the Federal Government may now or in the future promulgate. Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962.

9. Fly America

- (b) has knowingly entered into any contract or subcontract with a person that is a citizen or national of a foreign country on said list, nor is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- (c) will procure, subcontract for, or recommend any product that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no Notice-to-Proceed will be issued to an entity who is unable to certify to the above. If Contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the USDOT may direct, through the County, cancellation of the Contract at no cost to the Government.

Further, Contractor agrees that it will incorporate this provision for certification without modification in each subcontract. Contractor may rely on the certification of a prospective Subcontractor unless it has knowledge that the certification is erroneous. Contractor will provide immediate written notice to the County if it learns that its certification or that of a Subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. Each Subcontractor must agree to provide written notice to Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 100

13. Contract Work Hours and Safety Standards Act

(the "Copyright Act"), and that the County will be the copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist.

If the above standards are inconsistent, the Consultant must comply with the standard providing the greatest accessibility. Also, the Consultant must, prior to construction, review the plans and specifications to insure compliance with the above referenced standards. If the Consultant fails to comply with the foregoing standards, the Consultant must perform again, at no expense, all services required to be re-performed as a direct or indirect result of such failure.

**EXHIBIT A:
PROGRAM NARRATIVE**

JUVENILE ACCOUNTABILITY BLOCK GRANT PROGRAM

Please respond to each of the items in the following eight sections. The answers to these questions will be your proposal. You may use additional sheets if necessary.

I. Description of Organization

In this section, we are trying to gain a general sense of your agency's overall goals and activities, NOT solely the program for which you are seeking JABG funds.

1. Please provide a *brief* description of the program agency.

Alternatives, Inc. is a not-for-profit youth and family service agency established in 1971, serving Chicago's northeast communities of Uptown, Edgewater, Rogers Park, Lakeview, North Center, Lincoln Square and West Ridge. The agency's mission is *facilitate personal development, strengthen family relationships, and enhance the community's well being.*

II. Summary of Program

This section will help us understand the program for which you are seeking JABG (federal and match) funds. **Do not** include a description of activities that will not be funded through JABG.

1. List the Goal(s) and Objective(s) of this program.

Goal(s):

Maintain and enhance a Restorative Justice program at Nicholas Senn High School (Senn) in the Chicago community of Edgewater.

Objective(s):

- 1). Provide on-going training and technical assistance to Senn teachers, school administrators, students, and parents in Balanced and Restorative Justice (BARJ) philosophy and principles.
- 2). Provide on-going training and technical assistance to Senn teachers, school administrators, students and parents in the implementation, enhancement, and evaluation of a student-led Peer Jury, Peer Mediation, and in Talking Circles.

2. Please provide the JABG purpose area(s) this program will address.

JABG Purpose Area: # 14

JABG Purpose Area: # _____

JABG Purpose Area: # _____

3. Please provide a narrative description of the program that is being proposed. This explanation should not exceed one page and should include (a) how the program will further the JABG purpose areas selected above, and (b) what strategies will be used to successfully implement the program.

Alternatives, Inc. is requesting \$40,000 from the State Attorney's Office/Juvenile Accountability Incentive Block Grant (JAIBG) for the implementation, maintenance, and enhancement of Restorative Justice programming at Senn High School (Senn). Senn is located in the Edgewater community in Northeastern Chicago and serves a diverse school population.

Alternatives' Restorative Justice programs focus on supporting youth in building skills and accountability to enhance school safety and prevent issues from becoming the purview of the juvenile justice system. In addition to creating changes for individuals, our programs promote a shift in school culture as school administrators and teachers develop a more restorative and effective means of dealing with discipline issues. An effective school-based program can impact culture in several ways: make the disciplinary process more collaborative and less confrontational; strengthen community and school connections and mutual support; build student ownership of the disciplinary process; and increase student and teacher emphasis on active listening, problem-solving, and teamwork skills.

For the upcoming grant period (November 27, 2011 – November 26, 2012), Alternatives' Restorative Justice staff will continue its strong and successful partnership with Senn in the maintenance, and enhancement of Restorative Justice programming. With the funds requested in this proposal, Alternatives will provide the following services:

- On-going training and technical assistance with Senn staff and students in restorative justice practices.
- Implementation, maintenance, and enhancement of Peer Jury, Peer Mediation, and Talking Circles at Senn.
- Observation and/or constructive feedback regarding Senn's hearings and agreements.
- Collaboration with Restorative Justice programs in neighboring high schools.
- Evaluation of school climate, disciplinary issues, current disciplinary options, and future direction of restorative justice programming.

4. Discuss progress made toward securing other funds to continue the program upon expiration of federal funding.

Alternatives' Restorative Justice programs are funded by additional sources that assist us

in serving schools and communities in our service area. Currently, Chicago Public Schools and various private corporations and foundations support Restorative Justice programming.

III. Statement of Problem

This section should document the problem(s) faced by juveniles in your area that explains why this program is needed. Describe the juvenile crime and delinquency problem in your area and how it has changed in recent years. If the problem is system-oriented (e.g. insufficient number of detention beds), provide sufficient information to describe how the problem developed. Include as much quantitative data as possible; anecdotal information should be provided only if it supports quantitative data. Be sure to include a description of current efforts to address the problem(s), along with an explanation of why these efforts are not sufficiently reducing or eliminating the problem. When applicable, provide information that demonstrates an understanding of previous effective and/or ineffective efforts to address similar problems. Please limit your problem statement to two pages.

This proposal would target Senn High School in the Edgewater community of Chicago. The school serves 1,067 students of whom 42.9% are Latino, 38.4% are African-American/Black, (Chicago Public Schools/ 2010).

Ninety-one percent of students are from low-income families. Sixteen percent of students are enrolled in special education classes and the school has a limited English proficiency rate of 17.2%. According to Senn's 2010 report card issued annually by CPS:

- a. 57.5% of Senn students enroll in post-secondary education.
- b. The average attendance rate is 82%.
- c. 73% of Senn freshmen are on track to graduate.
- d. 16.2% of Senn students are enrolled in special education.

Senn does possess strengths. There is a great deal of community involvement in the school as evidenced by Senn's Strategic Plan which was developed by school personnel, parents, community representatives, and local legislators. Senn is a highly diverse school with students hailing from 55 different nations and 38.9% of the school population being international students. Senn has shown great progress in implementing restorative justice practices over the past year and Peer Jury and Peer Mediation programs are beginning to improve school climate and student relations.

IV. Progress Review

This section should be filled out if this is a continuing grant only. If you are applying for a new grant, please mark N/A in each box and continue on to Section V.

1. Explain program progress during the past funding cycle(s) and progress toward program performance measures.

With previous fiscal year funding, Alternatives provided restorative justice technical assistance and consultation to Senn administrators, teachers, and students. Restorative justice practices have had a positive impact on this school community. During the 2010 – 2011 school year:

- 154 youth were served in restorative justice programming at Senn High School.
- 34 Peer Mediation cases were heard by Senn Peer Mediators and observed by Alternatives' Restorative Justice staff.
- 82% of all Peer Mediation cases resulted in successfully completed agreements.

2. Explain the impact the federal funds have had on your existing juvenile justice program.

Federal funds have supported the positions of Alternatives' Restorative Justice Manager and a Restorative Justice Specialist. These individuals have assisted numerous schools within the Chicago Public School system in implementing, maintaining, and enhancing restorative justice programming to reduce student misconduct and enhance school climate. In addition, Alternatives' Restorative Justice staff have advocated for restorative practices throughout the City of Chicago and State of Illinois through facilitation of and participation in restorative justice networks and advocacy groups.

V. Performance Measurement

In this section, the applicant should list the performance measures that will be used to measure progress throughout the grant period. Each grantee receiving JABG funds is responsible for collecting information on performance indicators. All of the information regarding purpose areas and performance indicators (i.e., output indicators, short-term outcomes, and intermediate-term outcomes) must be selected from the options provided. These indicators should not be altered; doing so will preclude the ability of the state and federal efforts to aggregate the data provided. Outcome indicators, short-term outcomes, and intermediate-term outcomes should be selected based upon their relevance to the program's objective(s).

1. Please provide the appropriate performance measures for each JABG purpose area the program will address. You are required to pick appropriate performance measures for each indicator (i.e. select at least one output indicator, one short-term outcome indicator, and one intermediate term outcome indicator for each purpose area).

JABG PURPOSE AREA (from Ily. A Instructions)	PERFORMANCE MEASURE (from Appendix A)	DATA FOR EACH PERFORMANCE MEASURE (from Appendix B)

VIII. Role of the Court and Graduated Sanctions

1. Role of the Court

One aim of JABG is to strengthen the relationship between the court system and juvenile justice agencies. Units of government need to certify that they have communicated in writing with the chief of the highest court. Please **attach the letter** to this Exhibit A.

Date Letter was Sent	Name of Addressee

Was there a response from the court to the letter? YES NO

If yes, and the response was written, please **attach the response** to this Exhibit A. If a response was given in another format, please detail what the response was in the following box.

Please provide a *brief* narrative description of how the needs of the judicial branch were taken into consideration in the development of this program.

2. Graduated Sanctions

While participation in a system of graduated sanctions by individual courts is voluntary, states and units of local government must encourage courts to participate. The unit of government must have in effect laws, or have implemented policies and programs, that provide for a system of graduated sanctions.
