PURPOSE OF THE DOCUMENT

In order to meet the needs and expectations of Cook County, IL, it is imperative that the Appriss project team has a clear and defined scope of work to follow. The purpose of this document is to outline the scope of the Illinois Cook County AVN (VINE) system.

SCOPE OF WORK OBJECTIVE

To outline the components required to deliver the VINE custody and court notification system that includes offender custody status and court case status from Cook County.

PROJECT SCOPE

To provide this service, the following scope has been identified and documented to assist in delivering the needed solution. Based on the availability of data from the Cook County jail and court systems the following strategy was used.

Logical Diagram:

DATA COLLECTION METHODOLOGY (interfaces)

There are interface adapters that have been created for the county jail and circuit clerk to collect the necessary Offender and Court data to load into the Appriss VINE system.

The interface adapters are based on a mutually agreeable file format. Appriss interfaces with each of the Cook County booking systems participating in the VINE program to retrieve the necessary data elements to make victim notifications.

In the event that the county jail does not have an electronic booking system, Appriss can provide a hosted web-based booking system (DSI Lite) that will be used to collect the basic VINE data elements necessary to make victim notifications.

In the event that Appriss provides data appliance hardware, Appriss will warranty the appliance during the life of the contract. Please be aware that any appliance deployed as part of an interface in association with this service or for the collection of data elements is restricted to VINE use only. Any misuse of hardware deployed to a county will invalidate the warranty. In these situations, Cook County will be responsible for any repair or replacement costs.

PRODUCT FEATURES INCLUDED

I. Standard Feature Set:

The following VINE Services are included as part of the Cook County VINE project:

1. **Statewide VINE Toll-free Phone line** - A service that provides automated inbound call services for crime victims within Cook County. Victims of crime call the assigned toll-free number, 1-877-846-3445 to receive basic information and have the option to register for notifications about an offender in custody and/or with an eligible court case. When a victim registers, VINE monitors the offender custody status and case status and automatically begins making notification attempts when a change occurs.
2. **VINELink** – Public Web Portal that allows victims and the general public to search and register against an offender or court case for notifications.
3. **VINEWatch** – Secure Administrative Web Portal that allows the customer to register victims for notification. This site also provides statistics and audit reports on all notification calls that the system processes. Every contact to a victim is logged to provide assurance of the system's performance.
4. **Live Operator Assistance** - VINE Service Representatives (VSR's) are available 24 x 7 x 365 for all callers in English. Translation services will be provided for additional languages including Spanish as needed.

Key Types of Notifications:

As changes occur in the offender's and/or case status, notifications are made to all registered individuals in the language they selected to be notified.

- Discharge
- Transfer to another facility (IL DOC)
- Upcoming court event
- Case Number Change

Delivery Methods for Notifications:

- **Phone** - Telephone notifications can be delivered to any direct dial number (e.g., home, work, and or cell).
- **Email** - E-mail notifications are initiated at the time of the event change.

Languages:

Calls are made in the language the caller selects at registration. Both the inbound and outbound VINE phone lines are offered in the following languages:

- English
- Spanish
- Polish

Emergency Override Line

VINE provides a special line that allows you to call and enter an override. All you need is your special access code and the offender number to do an emergency override.

VINE System Promotional Material and Training Support:

Appriss prepares and assists the customer with training support, promotion, and public relations campaign designed to ensure that the program effectively reaches crime victims within the community.

An Account Manager (AM) is assigned to your account and will work with your program manager to schedule annual onsite trainings annually as needed.

Your AM will also work with you to schedule media events to promote the service. You will receive annual supplies of promotional materials, designed specifically for your system. The AM will work with you to design these materials. If more than one language is included with your system, your annual quantities can be divided between the different languages.

Annual supplies of promotional materials will include:

- 40,000 Victim Brochures
- 1,000 Tear-Off Pads (25 sheets per pad)
- 500 Promotion Posters

ASSUMPTIONS & RISKS

Identified assumptions include:

- All identified Cook County Booking systems are available and able to transmit data.
- There is no Statewide Offender ID number available, which will preclude Cook County's VINE Custody System from passing registrations between local county agencies and the Department of Corrections (DOC).
- The local jail and/or court agencies not using an electronic booking system (manual – handwritten system) will use DSI Lite as their method to transmit offender data to the VINE System.
- All other necessary data elements as required for VINE to fulfill the lookup and notification requirements of Cook County AVN are available to ensure timeliness of notifications

In the event Contractor shall breach any material terms or conditions of this Contract on more than one occasion during any twelve month period during the term hereof, or in the event Contractor expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County may, at its option, declare the Contractor to be in default and the County shall be entitled to exercise all available remedies including, but not limited to, termination of the Contract, without affording the Contractor further opportunity to cure such breach. GC-13 COUNTY'S REMEDIES

Following notice of material breach to Contractor, the County reserves the right to withhold payments otherwise owed to Contractor until such time as Contractor has cured the breach.

If the Contractor fails to remedy a material breach during the ten (10) day cure period pursuant to General Condition GC-12, Default, or if Contractor commits a subsequent material breach within a twelve month period or expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County shall have the right to terminate this Contract upon written notice to the Contractor which shall set forth the effective date of such termination.

In addition, the County shall have the right to pursue all remedies in law or equity.

Contractor shall have the right to pursue all remedies available in law or equity. In all cases the Contractor's damages shall be those actual provable damages not to exceed the amount of the Contract as awarded by the Cook County Board of Commissioners less all amounts paid to Contractor. In no event shall Contractor be entitled to any consequential damages. Irrespective of the exercise of remedies hereunder, Contractor shall not disrupt the County's operations or repossess any component thereof.

GC-15 DELAYS

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

The parties may during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

In the case of Contracts approved by the Board, the total cost of all such amendments shall not increase the Contract by more than 10% of the original contract award and the term may only be extended for up to one (1) year. Such action may only be made with the advance written approval of the Chief Procurement Officer.

In the case of Contracts approved by the Board, modifications and amendments which individually or cumulatively result in additional costs of greater than 10% of the original awarded amount or which extend the term of the Contract by more than one (1) year shall be deemed as authorized with the advance approval of the Cook County Board of Commissioners.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

GC-18 COMPLIANCE WITH THE LAWS

The Contractor shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES
COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND
CONSULTING SERVICE AND SOLE SOURCE

I. POLICY AND GOALS

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in the County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women- Owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority-and-Women-Owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five percent (35%) of the annual total dollar amount of professional, consulting service and sole source contracts and agreements to certified MBEs and WBEs.
- B. A Proposer may achieve the MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a Mentor-Protégé Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the Proposer's business; or by a combination of the foregoing.

GC-19 **MINORITY AND WOMEN BUSINESS ENTERPRISES**
COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND
CONSULTING SERVICE AND SOLE SOURCE (CON'T.)

- C. A Waiver Request must be submitted with the Proposal, documenting the inability of the Proposer to meet the goals, and providing written evidence of "Good Faith Efforts," to obtain goals.
- D. A Proposer's failure to carry out its MBE/WBE commitments in the course of performance on a contract shall constitute a material breach of the contract, and if such breach is not appropriately cured, may result in the termination of the contract or such other remedies authorized by the Ordinance as the County deems appropriate.

II. REQUIRED SUBMITTALS

To be considered responsive to the requirements of the Ordinance, a Proposer shall submit Items A, B and C listed below. All documentation submitted shall be reviewed by the Contract Compliance Administrator. Failure to submit one of the items required shall be cause to consider a contract non-responsive to the Ordinance goals and may be rejected.

A. MBE/WBE Participation Documentation

Each Proposer shall submit supporting documentation which evidences efforts taken to achieve the County's "best efforts" MBE/WBE participation goals. Such documentation shall include:

1. In response to EDS-3 B "Reason for Full/Reduction Waiver Request" the following provides the relevant factors validating the waiver request.

Appriss, Inc. is a privately held company that for more than eighteen years has provided information specific to offender custody changes through patented technology services. The service is VINE (Victim Information Notification Everyday) and has specifically benefited over 100 million registrants since its inception.

Appriss is considered a sole source vendor and not in the position to work with MBE/WBE providers based on the following facts:

- Software is a proprietary product owned exclusively by the vendor;
- Software is not sold through third party vendors; and
- Maintenance and technical support are only available through the vendor.

If you have any further questions please direct them to our Vice President, Public Safety Account Services, Lalla O'Bryan at lobryan@appriss.com or 502/815-5533. Thank you for this opportunity to continue to serve crime victims and citizens in Illinois.
