Whereas, the Contractor warrants that it is ready, willing, and able to provide these goods and perform these services for the County set forth in Exhibit 1, County Statement of Work, all on pricing and payment terms equivalent to or more favorable to the County than those contained in the State Contract as set forth in Exhibit 2 County Price Proposal and incorporated herein by reference; and

Whereas, this Contract shall be effective after proper execution of the contract documents by the County through March 18, 2014, and the County may choose to exercise renewal options as stated in the State Contract; and

Whereas, Payment shall be as follows:

In no case shall such charges exceed the amount of **\$41,279.00**. Invoices in triplicate on County Invoice Form 29A shall be submitted by the Contractor to the Using Department

when requesting payment. The County shall have the right to examine the books of the Contractor for the purpose of auditing the same with reference to all charges made to the County.

In the event the Contractor receives payment under the Contract, reimbursement for which is later disallowed by the County, the Contractor shall promptly refund the disallowed amount to the County on request, or at the County's option, the County may credit the amount disallowed from the next payment due or to become due to the Contractor under any contract with the County; and

Whereas, the County and the Contractor agree to the Terms and Conditions as stated in the State of Illinois Contract, hereto incorporated by reference as Exhibit 3 State of Illinois Contract (Contract No. 4017150), all as may be applicable to the County; and

Whereas, the County General Conditions are incorporated and attached by reference as Exhibit 4, and this Contract incorporates and is subject to the provisions attached hereto as Exhibit 4 General Conditions, and is incorporated herein by this reference; Notwithstanding such incorporation, none of the terms set forth in Exhibit 3 which conflict with the express terms of this Contract or its General Conditions shall be deemed or construed to supersede the terms of this Contract or its General Conditions; and

GC-13 COUNTY'S REMEDIES

Following notice of material breach to Contractor, the County reserves the right to withhold payments otherwise owed to Contractor until such time as Contractor has cured the breach.

If the Contractor fails to remedy a material breach during the ten (10) day cure period pursuant to General Condition GC-12, Default, or if Contractor commits a subsequent material breach within a twelve month period or expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County shall have the right to terminate this Contract upon written notice to the Contractor which shall set forth the effective date of such termination.

In addition, the County shall have the right to pursue all remedies in law or equity.

Contractor shall have the right to pursue all remedies available in law or equity. In all cases the Contractor's damages shall be those actual provable damages not to exceed the amount of the Contract as awarded by the Cook County Board of Commissioners less all amounts paid to Contractor. In no event shall Contractor be entitled to any consequential damages. Irrespective of the exercise of remedies hereunder, Contractor shall not disrupt the County's operations or repossess any component thereof.

GC-15 DELAYS

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

In the case of Contracts approved by the Board, the total cost of all such amendments shall not increase the Contract by more than 10% of the original contract award and the term may only be extended for up to one (1) year. Such action may only be made with the advance written approval of the Chief Procurement Officer.

In the case of Contracts approved by the Board, modifications and amendments which individually or cumulatively result in additional costs of greater than 10% of the original awarded amount or which extend the term of the Contract by more than one (1) year shall be deemed as authorized with the advance approval of the Cook County Board of Commissioners.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

It is the policy of the County of Cook to prevent discrimination in the award of or participation in the County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women- Owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority-and-Women-Owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five percent (35%) of the annual total dollar amount of professional, consulting service and sole source contracts and agreements to certified MBEs and WBEs.
- B. A Proposer may achieve the MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a Mentor-Protégé Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the Proposer's business; or by a combination of the foregoing.
