#### 3.01 Scope of Services

##### A. General

The type of Services which the Consultant may be requested to provide under this Agreement are those described in this Article 3 and Exhibit 1, which is attached to this Agreement and incorporated by reference as if fully set forth here, and all tasks necessary to complete such Services. The Consultant must provide Services in accordance with the standards of performance set forth in Section 3.02.

The Consultant is acting as an independent Consultant in performing under this Agreement and nothing in this Agreement is intended or should be construed as in any way creating or establishing the relationship of partners or joint venturers between the City and the Consultant, or as constituting the Consultant or any officer, owner, employee or agent of the Consultant as an agent, representative or employee of the City for any purpose or in any manner whatsoever.

##### B. Task Order Requests

#### 1. Task Order Requests.

(a) From time to time the Commissioner and the CPO may issue Task Order Requests which are within the scope of this Master Consulting Agreement. Task Order Requests, if any, will set forth the project for which Services are to be performed pursuant to the proposed Task Order and a desired completion date. Consultant must respond by proposing a time schedule, Budget, Deliverables, list of key personnel, and MBE/WBE involvement, all of which conform to the terms of the TOR and the terms and conditions of the Master Consulting Agreement. Consultant must not respond to any TOR not approved in writing by the Commissioner and the Chief Procurement Officer or designee and/or not within the scope of service for the category awarded in the Master Consulting Agreement. Costs associated with the preparation of Task Order Proposals are not compensable under the Master Consulting Agreement and the City is not liable for any additional costs.

In the event that a project is funded in whole or part with state or federal funds, the Task Order Request may also set forth additional conditions required by the particular source of funds and such additional conditions will become part of this Agreement with respect to that specific project. By accepting a Proposal in response to a particular Task Order Request, this Agreement will be deemed to have been amended to include such special conditions pursuant to Section 11.03

but with respect to that project only. The Consultant will not respond to Task Order Requests which are not within the scope of this Agreement.

Following Consultant's submission of a Proposal in response to the TOR, the Commissioner and the Chief Procurement Officer will review the Task Order Proposal and may elect to approve it, reject it, or use it as a basis for further negotiations with the Consultant regarding the scope or fee of the project and the project completion date. If the City and the Consultant negotiate the scope or fee of the project and the project completion date, the Consultant must submit a signed revised Task Order Proposal (based upon such negotiations) to the City for approval.

All Task Orders are subject to the approval of the Chief Procurement Officer and no Task Order will become binding upon the City until it is approved, in writing, by the Chief Procurement Officer. Absent approval of a Task Order by the Chief Procurement Officer, the City will not be obligated to pay or have any liability, under any theory of recovery (whether under the Agreement, at law or in equity), to Consultant for any Services provided by Consultant pursuant to a Task Order, or otherwise.

(b) The Task Order Requests "TOR" will ask the Consultant to provide professional consulting services and advice to assist the City.

(c) The Consultant acknowledges and agrees that the City is under no obligation to issue any Task Order Requests to the Consultant; that the level of Services requested may vary by project; and that the City has entered into similar agreements with other Consultants and, in the CPO's sole discretion, the City may issue a Task Order Request to only one consultant or may issue the same Task Order Request to more than one consultant in order to obtain competitive proposals.

## 2. Proposals.

(a) The Consultant must respond to a Task Order Request by submitting a Proposal to the Commissioner which describes the Consultant's approach and plan for performing those Services and contains a time schedule for completion of Services, Deliverables to be provided and a schedule for delivery, a staffing schedule, and a Cost Proposal, all of which conform to the terms of the Task Order Request and the terms and conditions of this Agreement. Proposals will constitute irrevocable offers for a period of 60 calendar days after receipt by the City. Any and all costs associated with the preparation of Proposals will not be a reimbursable cost under this Agreement.

(b) Proposals satisfactory to the Commissioner must be signed on behalf of the City by the CPO before binding the City and Consultant. The City's acceptance will be demonstrated by a Notice-to-Proceed and a Task Order, issued pursuant to the Task Order procedures set forth in Section 3.01B. The Consultant will not commence Services, and the City will not be liable for any costs incurred by or payments to the Consultant, without a Notice-to-Proceed so executed. All approved Proposals will be governed by the terms and conditions of the Project Documents. The Project Documents will be interpreted in the following order of precedence: the terms of this Agreement, Task Order Request, and Task Order (approved Proposal).

Notwithstanding anything to the contrary contained in this Agreement, if any Task Order contains terms that are inconsistent or conflict with this Agreement, or shift the risk allocation contemplated in this Agreement, such Task Order must be treated as an amendment pursuant to Section 11.03. Further, it is contemplated that each Task Order will include scopes of services setting forth the obligations of the Consultant under that Task Order, but the parties recognize that, depending upon the nature of the scope of services, the terms and conditions in this Agreement

may not be appropriate for the undertaking contemplated by the Task Order. Therefore, any project for which the terms of this Agreement are deficient as a business and/or legal matter, such as, without limitation, deficient risk allocation provisions or licensing provisions given the nature of the project, must be done by amendment pursuant to Section 11.03.

(c) The Consultant acknowledges and agrees that the City either may select from among those Proposals submitted in response to a Task Order Request that Proposal which is in the best interests of the City or may reject any and all Proposals submitted in response to a Task Order Request. The Consultant further acknowledges and agrees that this Agreement and any Task Order may be subject to approval by other governmental agencies and that, if such approval is required, the Consultant will perform no Services relating to a Proposal until such approval is obtained.

3. Deadlines for Submittal of Proposals. Proposals will be submitted to the Commissioner no later than the date set forth in the Task Order Request and if no date is specified then no later than 15 business days following Consultant's receipt of the Task Order Request. Failure to provide a Proposal on a timely basis may result in rejection of the Proposal.

4. Negotiation Possible. The City reserves the right, at its option, either to accept a Proposal as submitted by the Consultant, reject the Proposal, or to negotiate a more satisfactory Proposal with one or more Consultants.

#### C. Deliverables

1. City Approval Required. In carrying out Services, the Consultant must prepare or provide Deliverables. Deliverables, include but are not limited to various written studies, procedural manuals, forms, work flow charts, methods, processes, plans, designs, transformed data, data studies, interfaces, briefs, drawings, maps, models, photographs, files, records, computer printouts, estimates, memoranda, computation, papers, supplies, notes, recordings, videotapes, pictorial reproductions, designs or other graphic representations, equipment descriptions, and other materials prepared by the Consultant under this Agreement. The City reserves the right to reject any and all Deliverables which in the sole judgment of the City do not adequately represent the intended level of completion or standard of performance, do not include relevant information or data, do not comply with federal, state, or local reporting requirements, or do not include all documents which are specified in this Agreement or the applicable Proposal or which are reasonably necessary for the purposes for which the City made this Agreement with Consultant or for which the City intends to use the Deliverables.

2. Partial Deliverables. Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the Commissioner. Such Deliverables may not be considered as satisfying the requirements of this Agreement. Partial or incomplete Deliverables will in no way relieve Consultant of its commitments hereunder. Deliverables shall not include any work product or intellectual property that existed prior to this Agreement or is created for the general use of Consultant with clients and is not specifically created for the City.

#### D. Meetings

The Consultant will meet regularly with the Commissioner to discuss matters relating to outstanding Projects. In addition, at the Commissioner's request, the Consultant must attend other meetings with the City or other interested parties designated by the Commissioner.

The Consultant will perform all Services required of it under this Agreement with that degree of skill and care normally shown by a professional performing Services of a comparable nature and scope. With respect to the Consultant's duties to the City, the Consultant will be deemed to be acting in a fiduciary capacity for the City and will be held to a fiduciary standard in performing its Services. Nothing contained in this Section, however, shall be construed to relieve Consultant of its obligations pertaining to a Proposal and a Task Order as set forth in Sections 3.01(B)(2) and 3.02(A)(2).

Consultant must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a licensed professional financial and tax consultant in the community performing services of scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the Commission and with respect to that information only, Consultant agrees to be held to the standard of care of a fiduciary.

2. Satisfactory Performance. The Consultant will perform or cause to be performed all Services required by the Agreement in accordance with the terms and conditions of this Agreement, in accordance with any federal, state and local laws, statutes, ordinances, regulations and standards applicable to this Agreement, and to the satisfaction of the Commissioner. The Consultant must at all times act in the best interests of the City consistent with the professional and fiduciary obligations assumed by it in entering into this Agreement and will assure timely and satisfactory rendering and completion of its Services, including but not limited to Deliverables.

The Consultant will at all times act in the City's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, the Consultant will make every effort to assure an orderly transition to another provider of the Services, if any; an orderly demobilization of its own operations in connection with the Services; uninterrupted provision of Services during any transition period; and will otherwise comply with the reasonable requests and requirements of the Commissioner in connection with the termination or expiration.

#### **C. Failure to Comply**

If Consultant fails to comply with the above standards, Consultant will perform again, at its own expense, any and all Services required to be performed again as a direct or indirect result of such failure. The duty to perform again is in addition to and not a limitation on any other remedies available to the City under this Agreement, at law, or in equity.

#### **D. Related Services**

The parties have attempted to delineate in this Agreement and its Exhibits, and will attempt to delineate in each Task Order, the specific tasks, activities, and Services that will be performed by Consultant, and the specific Deliverables that will be provided by Consultant, in the Project. Nevertheless, and notwithstanding anything to the contrary herein, the parties acknowledge and agree that no such delineation may possibly be entirely exhaustive or complete and that all such delineations will be interpreted as illustrations of the general types and natures of Services and Deliverables that are to be provided by Consultant, rather than as complete and exhaustive lists of such Services and Deliverables. Notwithstanding anything to the contrary elsewhere in this Agreement or in any Task Order, the parties agree that the Services to be performed by Consultant with respect to any Project as a whole shall be deemed to include not only such delineated tasks, activities, and Services, but also such other tasks, activities, responsibilities, and services as are consistent with and reasonably related to those that are so delineated and are otherwise necessary to provide City with the requirements of this Agreement.

#### **3.03 Personnel**

##### **A. Adequate Staffing**

The Consultant will, immediately upon receiving a fully executed copy of this Agreement, assign during the term of this Agreement and any extension of it an Account Manager who will be the Consultant's designated person to receive Task Order Requests and to submit Proposals. If assigned a Project, the Consultant will, immediately upon receiving a fully executed Task Order, assign during the term of the Project an adequate staff of competent personnel which is fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. The Consultant will identify such personnel and their positions in a staffing schedule which will be included in each Proposal.

##### **B. Key Personnel**

1. Minimum Requirements. The Consultant's Key Personnel under this Agreement will consist of an Account Manager who will be the contact person for the City and such other personnel as may be named for specific projects in the respective Proposal (see Exhibit 5 for the list of Key Personnel). Changes in the assignment of committed key personnel due to commitments not related to this Agreement are prohibited without the Commissioner's approval. Key personnel may also include other critical members of the project as specified in the Proposal.

2. No Substitutions. The Consultant will not reassign or replace Key Personnel without the written consent of the Commissioner which consent will not be unreasonably withheld. The CPO may at any time in writing notify the Consultant that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel. Upon such notice the Consultant will immediately cease to assign that person or those persons to perform the Services and will replace

him or them with personnel qualified to perform the function and acceptable to the Commissioner.

If any Key Personnel furnished by the Consultant to perform Services under this Agreement are unable to continue in the performance of assigned duties for reasons beyond the Consultant's control, the Consultant shall promptly notify the City, explaining the circumstances. Within 10 days of notification by either party of the need to replace Key Personnel, the Consultant must furnish to the City the name of the substitute person and any other information the City may require. If the City does not approve such substitute person, the Consultant must propose another substitute person within 5 days. Such 5-day cycle will be repeated for a reasonable period until a proposed replacement has been approved by the City or the City has declared an Event of Default.

### **C. Salaries and Wages**

The Consultant must pay, and cause each of its Subcontractors to pay, salaries and wages due to all employees of the Consultant and its Subcontractors, respectively, performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations. If, in the performance of this Agreement, the Consultant or any Subcontractor underpays any such salaries or wages, the Comptroller may withhold, out of payments due to the Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement or the applicable subcontract and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of the Consultant to the respective employees to whom they are due. The parties acknowledge that this section is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

### **3.04 Minority and Women Business Enterprises**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Consultant must abide by the minority and women business enterprise commitment requirements of the Municipal Code of Chicago, Section 2-92-420 et seq. Failure to commit to these goals may result in early termination of the agreement. Consultant acknowledges that the City reserves the right, based on Task Order Request solicitation description, to increase or decrease the M/WBE compliance participation based on the available pool of City of Chicago certified Minority and Women owned businesses. Consultant agrees to abide by Task Order Request, details which will include the required M/WBE participation. The special conditions governing minority and women's business enterprises are attached hereto as Exhibit 3 and are hereby incorporated by reference as if fully set forth herein. The Consultant's completed Schedules C-3 and D-3 evidencing its compliance must be submitted with each Proposal and will become a part of the Project Documents upon acceptance by the CPO.

Any proposed M/WBE on Task Order Request must be certified by the City's Department of Procurement Services at the time of the Proposal submittal. The City reserves the right to require replacement of any proposed M/WBE that is not certified by the City of Chicago.

### **3.05 Ownership of Documents**

All Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to Consultant under this Agreement are property of the City, including,

as further described in Section 3.06 below, all copyrights inherent in them or their preparation. During performance of its Services, Consultant is responsible for any loss or damage to the Deliverables, data, findings or information while in Consultant's or any Subcontractor's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at the expense of Consultant. If not restorable, Consultant must bear the cost of replacement and of any loss suffered by the City on account of the destruction, as provided in Section 8.02.

### **3.06 Copyright Ownership**

Consultant and the City intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the City's instance and expense under this Agreement are conclusively deemed "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. '101 *et seq.*, and that the City will be the sole copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement.

To the extent that any Deliverable does not qualify as a "work made for hire," Consultant hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement, and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Consultant will, and will cause all of its Subcontractors, employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Consultant warrants to the City, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Consultant further warrants that it has not assigned and will not assign any copyrights and that it has not granted and will not grant any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Consultant warrants that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

### **3.07 Records and Audits**

#### **A. Records**

(i) Consultant must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement. If Consultant fails to make such delivery upon demand, then Consultant must pay to the City any damages the City may sustain by reason of Consultant's failure.

(ii) Consultant must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Agreement. Consultant must not dispose of such documents

following the expiration of this period without notification of and written approval from the City in accordance with Article 12.

## **B. Audits**

(i) Consultant and any of Consultant's Subcontractors must furnish the Department with all information that may be requested pertaining to the performance and cost of the Services. Consultant must maintain records showing actual time devoted and costs incurred. Consultant must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) To the extent that Consultant conducts any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then Consultant must maintain and make similarly available to the City detailed records supporting Consultant's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

(iii) Consultant must maintain its books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred for or in connection with the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iv) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(v) The City may in its sole discretion audit the records of Consultant or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of any such audit, it is determined that Consultant or any of its Subcontractors has overcharged the City in the audited period, the City will notify Consultant. Consultant must then promptly reimburse the City for any amounts the City has paid Consultant due to the overcharges and also some or all of the cost of the audit, as follows:

- (a) If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then the Consultant must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;
- (b) If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then Consultant must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Consultant to reimburse the City in accordance with subsection (a) or (b) above is an event of default under Section 10.01 of this Agreement, and Consultant will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

### **3.08 Visual Artists Rights Act Waiver**

Consultant waives any and all rights, in any work of visual art that may be provided pursuant to this Agreement, that may be granted or conferred under Section 106A and Section 113 of the United States Copyright Act (17 U.S.C. § 101 et seq.) (the "Copyright Act").

### **3.09 Subcontracts and Assignments**

A. Consultant must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement: (i) unless otherwise provided for elsewhere in this Agreement; or (ii) without the express written consent of the CPO and the Commissioner. The absence of such a provision or written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the CPO, including approvals for the use of any Subcontractors, operate to relieve Consultant of any of its obligations or liabilities under this Agreement.

B. All Subcontractors are subject to the prior approval of the CPO. Approval for the use of any Subcontractor in performance of the Services is conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Agreement. If any Subcontractor fails to perform the Services in accordance with the terms and conditions of this Agreement to the satisfaction of the Commissioner, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this Agreement by Consultant personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this Agreement under no circumstances operates to relieve Consultant of any of its obligations or liabilities under this Agreement.

C. Consultant, upon entering into any agreement with a Subcontractor, must furnish upon request of the CPO or the Department a copy of its agreement. Consultant must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement, provide that the Subcontractors are subject to all the terms of this Agreement and are subject to the approval of the Commissioner and the CPO. If the agreements do not prejudice any of the City's rights under this Agreement, such agreements may contain different provisions than are provided in this Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

D. Consultant must not transfer or assign any funds or claims due or to become due under this Agreement without the prior written approval of the CPO. The attempted transfer or assignment of any funds, either in whole or in part, or any interest in them, which are due or to become due to Consultant under this Agreement, without such prior written approval, has no effect upon the City.

E. Under § 2-92-245 of the Municipal Code, the CPO may make direct payments to Subcontractors for Services performed under this Agreement. Any such payment has the same effect as if the City had paid Consultant that amount directly. Such payment by the City to

Consultant's Subcontractor under no circumstances operates to relieve Consultant of any of its obligations or liabilities under this Agreement. This section is solely for the benefit of the City and does not grant any third party beneficiary rights.

F. The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

### **3.10 Confidentiality**

A. All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Consultant under this Agreement are property of the City and are confidential, except as specifically authorized in this Agreement or as may be required by law. Consultant must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Consultant by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Consultant must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions in this Agreement.

B. Consultant must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

C. If Consultant is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Consultant's possession by reason of this Agreement, Consultant must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Consultant, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

### **3.11 City's Policies and Procedures**

Consultant covenants that it, the Consultant personnel, Subcontractors of Consultant and their respective employees, and all other agents and representatives of Consultant or its Subcontractors, shall at all times comply with and abide by all policies and procedures of City (as such may exist or be revised or established by City from time to time) that reasonably pertain to Consultant in connection with Consultant's performance hereunder, including all such policies that pertain to conduct on City's premises, use or possession of contraband, or the access to, or security and confidentiality of, City's information technology, data, or resources, or related systems, networks, equipment, property, or facilities. No such policies shall override the express provisions of this Agreement relating to ownership of Consultant's proprietary information. Written copies of such policies and procedures shall be provided to Consultant by City upon request. Prior to performing Services hereunder, each of the Consultant personnel who will have access to City's data, software, or Confidential Information shall execute City's standard form confidentiality agreements. Consultant shall issue to each Consultant personnel appropriate access mechanisms (e.g., access

IDs, passwords, and access cards), which mechanisms shall be used only by the specific individuals to whom issued. Consultant shall provide each Consultant personnel with only the level of access that is appropriate and required to perform the tasks and functions for which such person is responsible. Consultant shall, from time to time, and promptly upon City's request, provide City with an updated list of those Consultant personnel who have the highest level of access to City's systems, software and data. Consultant shall maintain and ensure the confidentiality and security of City's information systems, networks, software and data in accordance with the terms of this Agreement, and shall, in any event, treat all such materials with a level of security at least equivalent to that then being maintained by: (i) City with respect to such materials; and (ii) Consultant with respect to its own similar systems and data. Consultant shall cooperate with City in ensuring Consultant's compliance with the policies and procedures described in this Section 3.11, and any violations or disregard of such policies or procedures shall, in addition to all other available rights and remedies of City, be cause for denial of access or use by the applicable Consultant personnel to City's information systems, networks, equipment, property and facilities.

(a) Consultant must provide the Services and Deliverables within the time limits required under any Task Order pursuant to the provisions of Section 3.01 and Exhibit 1. **Further, Consultant acknowledges that TIME IS OF THE ESSENCE and that the failure of Consultant to comply with the required time limits may result in economic or other losses to the City.**

(b) Neither Consultant nor Consultant's agents, employees or Subcontractors is entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Consultant by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

## **ARTICLE 5. COMPENSATION**

### **5.01 Basis of Payment**

Each Task Order Request will specify the basis of payment for the satisfactory performance of the Services requested and will either be lump sum, hourly rate, time and materials with a guaranteed maximum price or such other method as specified in the Task Order Request. In each case where the Consultant is to be compensated based on an hourly rate, the Budget will specify a maximum payment that cannot be exceeded without an amendment. The hourly rates, attached as Exhibit 1 *Scope of Service and Compensation Schedule*, shall be effective for the term of the Agreement.

The City will pay Consultant for completed Services and accepted Deliverables based on the defined basis of payment and in accordance with the Compensation Schedule shown in Exhibit 1 for each TOR.

### **5.02 Budget for Services**

As provided in Section 3.01, the Consultant will prepare a Cost Proposal as part of each Proposal. The Cost Proposal for each Proposal will be deemed approved upon approval of the Task Order. The Consultant will prepare its Cost Proposal in accordance with the basis of payment specified in the applicable Task Order Request, either lump sum, hourly rate, or time and materials with a guaranteed maximum price or such other method as specified in the Task Order Request. If a time and materials basis is specified, the Consultant will estimate the number of hours to complete the project and calculate the guaranteed maximum price based upon its Fully-Loaded Hourly Rates. A Cost Proposal which does not conform to the specified basis of payment may be cause for rejection of the Proposal.

### **5.03 Method of Payment**

The method of payment depends on the basis of payment. The method of payment will be specified in the Task Order Request. Payment will be made using the following processes:

For lump sum compensation, the Consultant will submit periodic invoices which may prorate the lump sum on the basis of milestone Deliverables provided. For hourly rate compensation (time and materials), the Consultant will submit monthly invoices for the hours and direct costs incurred during the month and will explain any variances from the Budget.

The Project Documents will specify a percentage of the compensation that will be retained by the City from every invoice until all Deliverables have been accepted as provided in this Agreement ("Retainage"). In no event shall the Retainage be less than 10%. The Project Documents may specify a higher Retainage percentage.

All invoices will be submitted in a format and detail acceptable to the City as specified in section 5.07. Upon request by the City, the Consultant will supply original time sheets, payroll

registers, invoices, and such other documentation as may be necessary to support the amount invoiced. No invoices will be submitted for under \$500.00 unless they are submitted for final payment/project close-out. If Consultant has an invoice for less than \$500 and it is not the final payment/project close-out, the Consultant will hold the invoice and submit it the next time the total exceeds \$500.

The City will process invoices for payment within 60 days after receipt of properly completed and signed invoices accompanied by all necessary supporting documents verifying all costs related to each TOR.

Actual expenditures under this Agreement will depend upon requirements.

#### **5.05 Non-Appropriation**

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Agreement, then the City will notify Consultant in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Consultant except that no payments will be made or due to Consultant under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments under this Agreement.

#### **5.06 Subcontractor Payments**

#### **6.06 Business Relationships with Elected Officials**

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private

(a) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Consultant has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Consultant and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Consultant must pay its Covered Employees, and must ensure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Consultant's obligation to pay, and to ensure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2011, the Base Wage is \$11.18 per hour, and each July 1 thereafter, the Base Wage will be adjusted using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. The currently applicable Base Wage is available from the Department of Procurement Services. At all times during the term of this Agreement, Consultant and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Consultant and all other Performing Parties must pay the prevailing wage rates.

(d) Consultant must include provisions in all subcontracts requiring its Subcontractors to

pay the Base Wage to Covered Employees. Consultant agrees to provide the City with documentation acceptable to the CPO demonstrating that all Covered Employees, whether employed by Consultant or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Consultant and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Consultant is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of subsections (a) through (d) above do not apply.

#### **6.08 Environmental Warranties and Representations**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Consultant warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

During the period while this Agreement is executory, Consultant's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the CPO. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Consultant's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Consultant's eligibility for future contract awards.

Consultant agrees that Consultant, any person or entity who directly or indirectly has an ownership or beneficial interest in Consultant of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, Consultant's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Consultant and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall not

Consultant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Consultant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

Provision(s) required by law, ordinances, rules, regulations, or executive orders to be inserted will be deemed inserted whether or not they appear in this Agreement or, upon application by either party, this Agreement will forthwith be amended to literally make such insertion; however, in no event will the failure to insert such provision(s) prevent the enforcement of this Agreement.

(iii) store and provide output of date information in ways that are unambiguous as to century.

c. **No Other Rights Limited**

Nothing in the foregoing warranties will be construed to limit any other rights or remedies otherwise available to the City under this Agreement.

#### **7.02 Ethics**

(a) In addition to the foregoing warranties and representations, Consultant warrants:

(i) no officer, agent or employee of the City is employed by Consultant or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Consultant or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Consultant further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

#### **7.03 Joint and Several Liability**

In the event that Consultant, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination thereof), then and in that event, each and every obligation or undertaking herein stated to be fulfilled or performed by Consultant will be the joint and several obligation or undertaking of each such individual or other legal entity.

#### **7.04 Business Documents**

At the request of the City, Consultant must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

#### **7.05 Conflicts of Interest**

**A.** No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

**B.** Consultant represents that it, and to the best of its knowledge, its Subcontractors if any (Consultant and Subcontractors will be collectively referred to in this Section 7.05 as "**Contracting Parties**"), presently have no direct or indirect interest and will not acquire any direct or indirect interest in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

**C.** Upon the request of the City, Contracting Parties must disclose to the City their past client lists and the names of any clients with whom they have an ongoing relationship. Contracting Parties are not permitted to perform any Services for the City on applications or other documents submitted to the City by any of Contracting Parties' past or present clients. If Contracting Parties become aware of a conflict, they must immediately stop work on the assignment causing the conflict and notify the City.

**D.** Without limiting the foregoing, if the Contracting Parties assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Contracting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Contracting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Contracting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

**E.** Further, Contracting Parties must not assign any person having any conflicting interest to perform any Services under this Agreement or have access to any confidential information, as described in Section 3.10 of this Agreement. If the City, by the Commissioner in his reasonable judgment, determines that any of Contracting Parties' services for others conflict with the Services that Contracting Parties are to render for the City under this Agreement, Contracting Parties must terminate such other services immediately upon request of the City.

**F.** Furthermore, if any federal funds are to be used to compensate or reimburse Consultant under this Agreement, Consultant represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Consultant must execute a Certification Regarding Lobbying, which is part of the EDS and incorporated by reference as if fully set forth here.

## **7.06 Non-liability of Public Officials**

No official, employee or agent of the City will be charged personally by Consultant, or by any assignee or Subcontractor of the Consultant, with any liability or expenses of defense or be held personally liable to them under any term of provision of this Agreement, or because of the City's execution or attempted execution, or because of any breach hereof.

## **7.07 EDS / Certification Regarding Suspension and Debarment**

Consultant certifies, as further evidenced in the EDS attached as Exhibit 4, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Consultant further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Consultant or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

## **ARTICLE 8. INSURANCE AND INDEMNIFICATION**

### **8.01 Consultant's Insurance**

Consultant must provide and maintain at Consultant's own expense, until contract completion and during the time period following completion if Consultant is required to return and perform any additional work, the insurance coverages and requirements specified in Exhibit 2, insuring all operations related to the Agreement.

### **8.02 Indemnification**

#### **A. General Indemnification**

1. Consultant must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

(a) injury, death or damage of or to any person or property;

(b) Consultant's failure to perform or cause to be performed Consultant's promises and obligations as and when required under this Agreement, including Consultant's failure to perform its obligations to any Subcontractor;

(c) the City's exercise of its rights and remedies under Section 10.02 of this Agreement; and

(d) injuries to or death of any employee of Consultant or any Subcontractor under any workers compensation statute.

2. "Losses" means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court

costs and reasonable attorneys' fees and disbursements), claims (including proprietary rights claims), demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Consultant's breach of this Agreement or to Consultant's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, Subcontractors or licensees.

3. At the City Corporation Counsel's option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

4. To the extent permissible by law, Consultant waives any limits on its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Consultant that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other law or judicial decision (such as, Kotecki v. Cyclops Welding Corporation, 146 Ill.2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, or any other statute or judicial decision.

5. The indemnities in this section survive the expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Consultant's performance of Services beyond the term. Consultant acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Consultant's duties under this Agreement, including the insurance requirements in Exhibit 2 of this Agreement.

#### **B. Proprietary Rights Indemnification**

In addition to indemnity rights in the foregoing provisions with respect to proprietary material (i) obtain the right for the City to continue using the infringing product or proprietary property, or (ii) modify the Consultant's Deliverables at Consultant's cost to make it non-infringing, without material loss of function or utility and without a material increase in operating costs, or (iii) replace the infringing Consultant material with materials containing at least equivalent functionality as the infringing Consultant material.

#### **ARTICLE 9. DISPUTES**

Except as otherwise provided in this Agreement, Consultant must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the CPO for decision based upon the written submissions of the parties. (A copy of the "Regulations of the Department of Procurement Services for Resolution of Disputes between Contractors and the City of Chicago" is available in City Hall, 121 N. LaSalle Street, Room 301, Bid and Bond Room, Chicago, Illinois 60602.) The Chief Procurement Officer will issue a written decision and send it to the Consultant by mail. The decision of the CPO is final and binding. The sole and exclusive remedy to challenge the decision of the CPO is judicial review by means of a common law writ of certiorari.

The Consultant will not withhold performance of any Services and the City will not withhold any undisputed payments during the dispute resolution period. The CPO's written determination must be complied with pending any judicial review of the dispute.

## **ARTICLE 10. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET**

### **10.01 Events of Default**

#### **A. Defined**

The following constitute events of default:

1. Any misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the City.
2. The Consultant's failure to perform any of its obligations under the Agreement including, but not limited to, the following:
  - a. Inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
  - b. Failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination;
  - c. Failure to have and maintain all professional licenses required by law to perform the Services;
  - d. Failure to timely perform the Services;
  - e. Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;
  - f. Discontinuance of the Services for reasons within Consultant's reasonable control;
  - g. Failure to promptly update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate; and
  - h. Any other breach of a provision in this Agreement.
  - i. Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the satisfactory performance of the Services;
  - j. Failure to perform the Services in accordance with the standard of performance required by this Agreement or to the level specified in the Task Order then in effect;

- k. Failure to promptly perform again Services which were rejected as erroneous or unsatisfactory;
  - l. Discontinuance of Services for reasons within Consultant's reasonable control;
3. Any change in ownership or control of the Consultant without the prior approval of the CPO (when such prior approval is permissible by law), which will not be unreasonably withheld.
  4. The Consultant's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Consultant acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.
  5. Consultant's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the CPO, it indicates a willful or reckless disregard for City laws and regulations.
  6. Consultant's failure to update its EDS to reflect any changes in information, including changes in ownership, and to provide it to the City as provided under Section 6.01.

#### **B. Declaration of Default**

The occurrence of any event of default permits the City, at the City's sole option, to declare Consultant in default. The CPO may in his or her sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the CPO. Whether to declare Consultant in default is within the sole discretion of the CPO and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The CPO will give Consultant written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the CPO gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the CPO decides not to terminate, this decision will not preclude him from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The CPO may give a Default Notice if Consultant fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 10.01 and Article 12, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

#### **10.02 Remedies**

##### **A. General**

1. If the Consultant has failed to cure a default within the period granted by the CPO, or the CPO has declared an event of default, the City may invoke any or all of the following remedies:

- a. The right to take over and complete the Services, or any part of them, at Consultant's expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the City would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the City as agent for Consultant under this Section 10.02.
- b. The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City.
- c. The right to seek specific performance, an injunction or any other appropriate equitable remedy.
- d. The right to seek money damages.
- e. The right to withhold all or any part of the Consultant's compensation.
- f. The right to declare the Consultant non-responsible in future contracts with the City.
- g. The right to declare the Consultant in default under existing City contracts.
- h. Any other remedy available by law or equity.

#### **B. City's Reservation of Rights**

If the CPO considers it to be in the City's best interests, he may elect not to declare default or to terminate the Agreement hereunder. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Consultant to continue to provide the Services despite one or more events of default, the Consultant will in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor will the City waive or relinquish any of its rights.

#### **C. Remedies Nonexclusive**

The remedies under the terms of the Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy will be cumulative and will be in addition to any other remedies, existing now or hereafter, at law or equity. No delay or omission to exercise any right or power accruing upon any event of default will impair any such right or power nor will it be construed as a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

#### **10.03 Early Termination**

(a) In addition to termination under Sections 10.01 and 10.02 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Consultant. The City will give notice to Consultant in

accordance with the provisions of Article 12. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 12 of this Agreement (if no date is given) or upon the effective date stated in the notice.

(b) After the notice is received, Consultant must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with Article 9 of this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

(c) Consultant must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Consultant will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against Consultant or the City.

(d) If the City's election to terminate this Agreement for default under Sections 10.01 and 10.02 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 10.03.

#### **10.04 Suspension**

The City may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the CPO and such equitable extension of time as may be mutually agreed upon by the CPO and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Consultant by written notice to the City may treat the suspension as an early termination of this Agreement under Section 10.03.

#### **10.05 Right to Offset**

(a) In connection with Consultant's performance under this Agreement, the City may offset any incremental costs and other damages the City incurs in any or all of the following circumstances:

(i) if the City terminates this Agreement for default or any other reason resulting from Consultant's performance or non-performance;

(ii) if the City exercises any of its remedies under Section 10.02 of this Agreement;

(iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these incremental costs and other damages by use of any payment due for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, Consultant is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) As provided under § 2-92-380 of the Municipal Code, the City may set off from Consultant's compensation under this Agreement an amount equal to the amount of the fines and penalties for each *outstanding parking violation complaint* and the amount of any *debt* owed by Consultant to the City as those italicized terms are defined in the Municipal Code.

(c) In connection with any liquidated or unliquidated claims against Consultant, and without breaching this Agreement, the City may set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against Consultant unrelated to this Agreement. When the City's claims against Consultant are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse Consultant to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

## **ARTICLE 11. GENERAL CONDITIONS**

### **11.01 Entire Agreement**

#### **A. General**

The Consultant acknowledges that this Agreement, and the Exhibits attached to and incorporated in the Agreement, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises, or interpretations will be implied or impressed upon this Agreement that are not expressly addressed in the Agreement.

#### **B. No Collateral Inducements**

The Consultant agrees that, except only for those representations, statements, or promises expressly contained in this Agreement, and any exhibits attached to this Agreement and incorporated by reference, no representation, statement or promise, oral or in writing, or of any kind whatsoever, by the City, its officials, agents, or employees, has induced Consultant to enter into this

Agreement or has been relied upon by Consultant including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities, needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of the Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (v) immediately above, affecting or having any connection with this Agreement, its negotiation, or its performance.

### **C. No Omissions**

The Consultant agrees that it was given ample opportunity and time to review and was asked by the City to review thoroughly all documents forming this Agreement prior to execution of this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision which it desired or on which it wished to place reliance; that it did so review those documents; and that either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, that Consultant expressly relinquishes the benefit of any omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance thereon or making any other claim on account of such omission.

#### **11.02 Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

#### **11.03 Changes, Modifications, and Amendments**

No change, modification, or amendment of this Agreement, or any part hereof, is valid unless stipulated in writing and signed by the Mayor, Comptroller, and Chief Procurement Officer of the City. The City incurs no liability for Additional Services without a written amendment to this Agreement under Section 11.03. This Section, 11.03, does not apply, however, to Agreement extensions governed by Section 4.03, *Agreement Extension Option*.

#### **11.04 Governing Law and Jurisdiction**

This Agreement will be governed as to performance and interpretation in accordance with the laws of the State of Illinois. The Consultant irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. The Consultant agrees that service of process on the Consultant may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by the Consultant, or by personal delivery on any officer, director, or managing or general agent of the Consultant. If any action is brought by the Consultant against the City concerning this Agreement, the action will only be brought in those courts located within the County of Cook, State of Illinois.

#### **11.05 Severability**

If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

#### **11.06 Interpretation**

Any headings of this Agreement are for convenience of reference only and do not define or limit its provisions. Words of any gender will be deemed and construed to include correlative words of the other gender. Words importing the singular number will include the plural number and vice versa, unless the context otherwise indicates. All references to any exhibit or document will be deemed to include all supplements and/or amendments to any exhibits or documents entered into in accordance with the terms and conditions of such exhibit or document. All references to any person or entity will be deemed to include any person or entity succeeding to the rights, duties, and obligations of such persons or entities in accordance with the terms and conditions of this Agreement.

#### **11.07 Contract Documents**

In the event of any inconsistency or conflict between the terms and conditions of Articles 1 through 13 of this Agreement and the Exhibits of this Agreement, the Articles of this Agreement will prevail.

#### **11.08 Assigns**

All of the terms and conditions of this Agreement will be binding upon and inure to the benefit of the parties to this Agreement and their respective legal representatives, successors, transferees and assigns.

#### **11.09 Cooperation**

Consultant must at all times cooperate fully with the City and act in the City's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Consultant must make every effort to ensure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

#### **11.10 Waiver**

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the City by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the City's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.

#### **11.11 Independent Contractor**

(a) This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Consultant and the City. The rights and the obligations of the parties are only those set forth in this Agreement. Consultant must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

(b) This Agreement is between the City and an independent contractor and, if Consultant is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Consultant performing the Services required under this Agreement.

(ii) Consultant is not entitled to membership in any City Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Consultant.

#### **(c) Shakman Accord**

(i) The City is subject to the May 31, 2007 Order entitled Agreed Settlement Order and Accord (the Shakman Accord) and the August 16, 2007 City of Chicago Hiring Plan® (the City Hiring Plan) entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

**EXHIBIT 1**

**SCOPE OF SERVICES & COMPENSATION SCHEDULE**

**EXHIBIT 1**  
**SCOPE OF SERVICES**

**CATEGORY 1: APPRAISAL SERVICES**

The following is a general description of the procedures for obtaining Real Estate Appraisal Services. The term "**Appraiser**" means one or more qualified and licensed individual(s) employed by the selected Consultant to perform appraisal services covered under an awarded Task Order based on the Consultant's proposal in response to a Task Order Request. "**Appraisal Order**" means the Task Order awarded to the Consultant and subsequent Notice to Proceed issued by each respective Department for each property appraisal.

**A. General**

1. Appraisal Services. Appraisal Services may be ordered by an authorized Using Department at any time during normal business hours. Appraisals must be completed within the time limits specified in the Appraisal Order or otherwise required by the terms of this Agreement.
2. Appraisal Orders - An authorized representative of a Using Department will select the Consultant that best meets the needs of the City and that Department, as the need arises. The Using Department will then place an Appraisal Order as otherwise set forth in this Agreement.
  - a. The Using Department may request the services of a specific Appraiser in its Appraisal Order. In this case, the Consultant must assure that the appraisal is actually performed by that Appraiser, unless the Department approves substitution of an equally qualified Appraiser.
  - b. If the Appraisal Order does not request that a specific Appraiser perform the services, then the Consultant may assign any appraiser who is appropriately licensed and qualified by the Appraisal Order or this Agreement.
  - c. The Appraiser receiving the Order is required to provide the Appraisal Services at the price set forth in the of Agreement. The Consultant must perform all Services in accordance with the standards of performance set forth in the Agreement.

## **B. Description of Services**

The Appraiser must appraise all parcels of property in accordance with recognized professional practice and applicable principals of valuation including Uniform Standards of Professional Appraisal Practices ("USPAP") as promulgated by the Appraisal Foundation. The Appraiser must make all inspection and investigations, including verification and analysis of sales of comparable properties, as are necessary to enable the Appraiser to prepare an opinion on the value of the property interest under Appraisal, and to complete the required Appraisal Report to the full satisfaction of the Using Department. The Appraiser must inspect each parcel, including all building structures, fixtures, and other improvements to the property. If applicable, each Appraiser must comply with specific instructions or requirements as may be required for a specific appraisal assignment including, without limitation, eminent domain proceedings.

## **C. Testimony in Judicial Proceedings**

An Appraiser may be required to give testimony in Judicial Proceedings. Upon request from an authorized representative of a Using Department, the Consultant agrees that the Appraiser who completed the Appraisal Report will testify as to the value of the property interest appraised in any legislative or judicial proceedings in which such testimony is required. The Appraiser in preparation for deposition or testifying in a judicial proceeding must make available to the City for inspection all documents used in reaching their opinion of value. These documents could include but not be limited to all sales data, land sales research, surveys, maps, plats, models, land plans, artist renderings, architectural drawings, photographs, and other information used in reaching their opinion of value. In addition, if the Appraiser is required to provide copies of the documents in anticipation of deposition or trial they shall be reimbursed the costs for copying the documents at a rate agreed upon set forth in the Agreement.

The Consultant will be compensated for Testimony in Judicial Proceedings in accordance with the hourly rates agreed upon and set forth in the Agreement. These services must include time required for: (a) re-inspection of the property; (b) updating the Appraiser's valuation; (c) participating in pretrial conferences with counsel for the City; (d) verifying comparable sales, locating sales witnesses and supplying information relative to comparable sales; (e) time spent in depositions; (f) testifying in judicial proceedings; and, meetings with counsel in preparation for (e) and (f).

## **D. Cooperation with Review Appraiser**

The City may require that one or more Appraisers act as Review Appraisers for specific appraisals. Upon the issuance of an Appraisal Order by an authorized representative of a

Using Department, the Contractor will designate a Review Appraiser. The Review Appraiser will be required to examine all Appraisals performed for a particular parcel to assure that the Appraisals meet applicable appraisal requirements and seek, if necessary, corrections or revisions. Before the City will accept an Appraisal, the Review Appraiser must determine that the Appraiser's documentation, including valuation data and the analyses of that data supports the Appraiser's opinion of value. Appraisers will be required to cooperate with a Review Appraiser in every manner.

#### **E. Consultation with the City**

The Consultant must assure that all Appraisers performing services pursuant to this Agreement will be available to consult with City employees about services to be performed by the Appraiser, at mutually convenient times. The Appraiser must initiate consultations whenever the Appraiser is in doubt about whether an element of property is real or personal property, or needs legal advice on any aspect of the Appraisals to be furnished to the City. The City may also initiate consultations whenever the City is in doubt about whether an element of property is real or personal property, or needs legal advice on any aspect of the Appraisals. There will be no charge by any party for these consultations.

#### **F. Appraisal Reports**

##### **1. Reports in General**

An Appraiser must complete a written report on each parcel, and must supplement this report with any additional narrative required to fully explain and justify the Appraiser's conclusions as to value and all other matters. The Appraiser must submit two hard copies of the Appraisal Report plus an electronic copy (PDF or similar format) for each parcel of property appraised. All Appraisal Reports must be printed on good quality paper and bound. The Appraisal Reports must be suitable for submission as evidence in courts of law. Appraisal Reports must be submitted to the Using Department on the date required in the Appraisal Order, but no later than three weeks after the Using Department issues the Notice to Proceed with the Appraisal Order, unless otherwise agreed to in writing. The date of valuation must be as close as possible to the date of delivery and in no case more than two weeks prior. In issuing Appraisal Orders, Using Departments may require that Appraisal Reports be completed on standard forms approved by the Department or may require that the Appraiser produce a self-contained, summary, or restricted use report. If the Using Department informs the Appraiser in the Appraisal Order that the funds to be used are City funds, State of Illinois funds or Federal funds, then the Appraisal Report must conform to current regulations established by the City, the State of Illinois, the standards of the Appraisal Institute, or any applicable Federal funding agency, as necessary and as may be directed by the Using Department.

##### **2. General Requirements for Appraisal Reports**

Unless otherwise directed in an Appraisal Order, the Appraiser must provide the following information as part of each Appraisal Report:

- a. A summary entitled "Appraisal Report for City of Chicago and (the Name of the Requesting Agency)" which should include the following:
  - i. the City project name and number, if applicable;
  - ii. the Date of the Appraisal Report, date of valuation and permanent index number (PIN);
  - iii. the parcel number, address of the property, brief identification of all interests in the property appraised, and the name of the owner(s) including names of all tenants and parties in possession;
  - iv. the Date(s) of the Appraiser's inspection of the property with the owner(s) or the owner's designated representative, including the name of each owner or owner's representative who accompanied the Appraiser during his/her inspection, along with a statement of the interest in the property or the representative capacity held by each such person;
  - v. the Appraiser's opinion of the fair market value of the parcel and/or the fair rental value or other property interest as identified;
  - vi. the limiting conditions of the appraisal, which may include assumptions (i) that the title is good and marketable, (ii) that no responsibility is assumed by the Appraiser for legal matters, especially those affecting the title to the property, (iii) that the legal description of the property and the interest in the property to be appraised, furnished to the Appraiser by the City is correct; and that no survey of the property has been made, if applicable. Any other appropriate assumption or limiting condition may be added only if it has been specifically approved in writing by the City;
  - vii. certifications of the employee of the Appraiser performing the Appraisal, (1) that the employee personally made a thorough inspection of the property (2) that, to the best of such employee's knowledge and belief, everything contained in the report is true, and no relevant and important fact has been omitted, (3) that neither the employee's employment nor compensation is contingent on the valuation reported, and, (4) that such employee has no past, present or prospective interest (including as a real estate agent or broker) in the property, the parties involved, or any other interest that would conflict in any way with the employee's performance of the Appraisal Services in an impartial manner; and
  - viii. the signature of the Appraiser and statement of all pertinent license numbers, including State of Illinois license number and MAI designation number, if applicable.

- b. The name, telephone number and address of the property owner, and the name of any other party known or believed to hold a separate compensable interest in the property. The Appraiser must, to the extent practicable, ascertain the names and rights of all parties in possession, and the terms or conditions of their tenancy or possession, and note for consideration all factual information and comments furnished by the owner or their representative relevant to the appraisal. The Appraiser must give the owner or their designated representative an opportunity to accompany the Appraiser during the inspection. If the owner of a compensable interest in the property or a representative of the owner does not accompany the Appraiser during the inspection, the Appraiser must include in the Appraisal Report a copy of the notification to the owner of the opportunity to accompany the Appraiser, and evidence of the owner's receipt of such notification, or a statement that the owner could not be located despite diligent effort.
- c. Off-record title information, if ascertained, concerning interests or instruments that affect title, but are not of record, such as leases, options to renew a lease, contracts of sale, and other interests or rights of parties in possession.
- d. The street address and an accurate description of each parcel and all interests in the parcel appraised. In addition, the Appraisal Report should contain all basic property data, including pertinent information with respect to, but not limited to: (1) the environment and location of the property, (2) the zoning and any restrictive covenants, conditions, or servitudes affecting the available use or occupancy of the land, (3) the assessed value of the real property, the amount of current annual real estate taxes, and the name of taxpayer (4) the use and occupancy of the property at time of appraisal, (5) the public improvements, services and utilities serving and providing access to the property, (6) the character, topography, dimensions, and area of the land, (7) any special hazards or deleterious conditions upon the property, if known or observed, including environmental hazards, (8) the current rental and rental history of the property, if known, (9) the estimated annual costs of ownership and for operation and maintenance of the property, if applicable, and (10) a description of the buildings, structures (including outdoor advertising signs), type of business, tenants, and other improvements, if any, including relevant information about the type of improvements, designed use, construction materials and finish, equipment, dimensions, floor area, age, condition, space or room arrangement, functional utility or obsolescence and any other characteristics or attributes of the improvements germane to the value of the real property.
- e. The Appraisal Report must contain the legal description of the parcel and a general sketch plat showing the shape and dimensions of the land, the location of the principal improvements on the land, the location of any easements in the land, and the abutting streets, alleys, or other public rights of way must be attached to and made a part of each report. The Appraisal Report must also include a tax plat, neighborhood map or aerial, and photographs, each clearly identified, as may be

appropriate to be furnished to the City, in the sole discretion of the Using Department.

- f. The Appraisal Report should report any condition or occupancy of the property that the Appraiser believes may be a violation of law, or that may affect the value of the property; however, Appraiser is not required to undertake any environmental assessment or testing.
- g. The Appraiser's opinion about the highest and best use of the property. The highest and best use determination must be based on the property's economic potential, qualitative values (social and environmental) inherent in the property itself, and other utilization factors controlling or directly affecting land use, (i.e., zoning, physical characteristics, private and public uses in the vicinity or neighboring improvements). Projections should not be remote, speculative, or conjectural. Projections should be consistent with the legal standards set forth by the Illinois courts, and federal regulations if the source of funding is federal. If the highest and best use of the property is other than as developed, the Appraiser shall provide evidence in support of this position to the City, and confer with the City regarding such evidence as may be required prior to completion of the Appraisal Report. The Appraiser should be prepared to demonstrate expertise in support of any projections made for the property that defines a "highest and best use" that is other than the current use of the property. Appraiser will not assume a change in zoning in forming such opinion without the approval of the Corporation Counsel's Office.
- h. The Appraiser's opinion about the fair market value of the property and/or the fair rental value. The Appraisal Report must state the basis for the opinion of value, and all data and analyses needed to explain and support the opinion. The fair market value and/or the fair rental value is deemed to be the probable price, in terms of money, that the property would bring in an open and competitive market under all the conditions requisite to a fair sale or rental, all parties acting prudently, knowledgeably, and with the assumption that neither party is under duress. The supporting data and analyses furnished in the appraisal report should include, but not be limited to the following:
  - (a) any sale of the subject property that has occurred within the last five years, or any comparable rental that has occurred within the last six months, and sales and/or the fair rentals of comparable properties considered by the Appraiser;
  - (b) Information about sales or other dispositions of comparable properties considered by the Appraiser in estimating the fair market value and/or the fair rental value of the property for the designated use. In making these comparisons, appropriate allowance should be made for all differences

297

pertinent to the desirability for the proposed new use or uses of the property and the properties with which it is compared. Information about comparable properties must include identification of the grantor and grantee.

These comparisons should also take into account other factors such as the existence or absence of structural improvements on the property, location of the property, its surroundings, distance from business centers, location of improved streets and roads, location of industries, conditions and appearance, and other relevant factors. The income producing potentialities of the property when redeveloped for a proposed new use or other uses should also be considered where applicable;

- (c) All other information and analyses that the Appraiser considers relevant to the fair market value of the property;
- (d) If the property appraised is part of a larger parcel in the same ownership or is less than the entire interest of the ownership in the property, the Appraisal Report must contain the Appraiser's opinion of the market value for the part taken and any damages to the remainder as a result of this taking. The foregoing opinions must be supported in the report by the data and analyses by which the Appraiser formed these opinions;
- (e) All maps, plats, photographs, or other exhibits, as necessary to explain or illustrate the Appraiser's analyses. For all self-contained and summary reports, Appraisers must supply photographs of the subject property and all comparable properties used in the analysis, and supply a map indicating the relation of subject property to the comparable properties. Appraisers must also supply tables that summarize the pertinent characteristics, in description and of the transaction, of the comparable properties. The report must include identification of the grantor and grantee of each comparable transaction. Originals of these materials will be required on all copies of each Appraisal Report.

i. The Appraisal Report must include a list of all items of personal property considered to be part of the real property ("irremovable equipment").

j. A summary of special assessments for public improvements, if any, and a statement of the real estate taxes for the current year, if such can be ascertained.

### 3. Appraisal for a portion of a Parcel

Where the property sought to be acquired constitutes only a portion of a parcel, the Appraiser must generate an Appraisal Report in accordance with all requirements set forth above. In addition, the Appraiser must include in the Appraisal Report: (1) an

opinion as to the fair cash market value of the whole; (2) the fair cash market value of the part taken and the fair cash market value of the part not taken (and any damages which may accrue to the portion not sought to be acquired); (3) the special benefits accruing to the part not taken, if any; and (4) the Appraisal Report must fully explain and justify the reasons for such allocation of value and conclusions.

Appraisers must retain all field notes, which may be needed to support the valuation and appraisal findings in the event that Appraiser is called upon to testify in any judicial proceeding. Appraisers must be available to answer questions or otherwise explain the bases of valuations, opinions or conclusions to City employees.

#### 4. Supplements or Corrections

If an Appraiser must modify or supplement an Appraisal Report for any reason, this modification must be made, and a revised Appraisal Report completed within two weeks without additional cost to the City, if (1) applicable appraisal principles require the modification or supplement of the appraisal, (2) material omissions, inaccuracies, or defects in the appraisal are discovered, or (3) if there is significant delay between the date of the valuation and the date of the acquisition of any parcel or if the property has been materially altered since the appraisal, a revised opinion of the value of the property may be requested by the City, if a supplementary report is required.

#### 5. Specific Appraisal Services and Appraisal Report Requirements.

In addition to the general requirements for Appraisal Services as specified above, Appraisers must provide the following documentation or services for each category of Appraisal Services:

##### a. Acquisition Appraisals

Appraisal Reports for acquisition appraisals of improved properties must include express summaries of calculations for the three basic approaches to value, namely: (a) market; (b) income; and (c) cost approach. If it is not appropriate to provide all three calculations, then the appraiser must provide an explanation of why such calculation is not necessary.

##### b. RE-USE Appraisal

(1) The Appraiser must consult and advise the Using Department about the functions performed and to be performed under this Agreement, and the real estate aspects of the Using Department's plans and programs that are related to reports prepared and to be prepared by the Appraiser.

- (2) The Appraiser must appraise the property for such particular re-use as may be specified by the City.
- (3) The Appraiser must make all necessary or appropriate inspections, investigations, and studies to enable the Appraiser to perform properly the functions to be performed by the Appraiser under the Agreement.
- (4) The Appraiser must also prepare and deliver to the Using Department, within 45 calendar days after assignment of the parcel(s), or within the time specified in an Appraisal Order, an Appraisal Report containing:
  - (a) The Appraiser's estimates of the fair market re-use value of the property for the use specified by the Department;
  - (b) A discussion of the principal factors influencing the marketability and value of the property in the immediate area, including consideration of such matters as the activity of local real estate market during the past five years for properties comparable to the property appraised, the current demand for such properties and the extent of the competitive properties presently available to meet the current and future demand anticipated in a reasonable length of time, the environment of the area, and proposed improvements to be installed by the Using Department of which the Appraiser has been advised by the Using Department;
  - (c) Other information and analyses considered by the Appraiser or the Using Department to be relevant to the marketability or the valuation of the appraised property. For instance, vacant properties that are located in inactive real estate markets where the comparable sales information is insufficient from which to derive a reliable indication of value, the Appraiser should consider supporting the estimate of value by use of the land residual technique.

#### 6. Lease Appraisal

The Appraiser may be requested to prepare an Appraisal Report designed to determine the fair market rental value of property the City is considering leasing. Fair Market Rental Value is defined as:

"The rental income that a property would most likely command on the open market as indicated by current rentals being paid for comparable space (as of the effective date of the appraisal)."

The term is often synonymous with "economic rent." Fair market rental value should be based upon specified comparable rental properties.

**7. Appraisal Requirements for Vacations of Public Ways**

The Appraiser may be requested to determine the amount of money that represents the benefit that will accrue to the owners of the reversionary interest in the public way being vacated. In making this determination, the Appraiser must ascertain and compare the value of the subject property before the vacation to the value of the subject property after the vacation. All opinions of value must be supported by relevant comparable sales data. The appraisal report must state what value, if any, is attributed to the assemblage of any parcels which are affected by the vacation and include a statement of the Appraiser's opinion of highest and best use.

In determining the fair market value of the parcel appraised after the vacation of the public way, the Appraiser must consider any reservations of easements or dedications of property for public use as contained in the vacation ordinance or other documentation as instructed by the Corporation Counsel.

The Appraiser must be available to consult with the Corporation Counsel upon request and must furnish information and materials reasonably required to support or explain the Appraisal.

**8. Appraisals for Irremovable Equipment or Removable Fixtures.**

If machinery, equipment or other fixtures used in a trade or business, farm operation, or institutional or governmental function constitutes part of real property, the Appraiser may be requested to appraise fixtures and irremovable equipment. If there is more than one owner for each item, a separate schedule must be furnished for each owner. The information and conclusions being furnished on each item include:

- a. Descriptions of the items, including as appropriate: the manufacturer, model and serial numbers, size or capacity, age and condition, and degree of obsolescence of the item. Accessories and spare parts, special foundations and power wiring, and process piping generally should be listed separately, following the listing of the item(s) to which they apply;
- b. Estimates of the replacement cost installed for each item as listed and identified (excluding any elements listed separately). The Appraiser should separately identify the basis of estimated replacement cost (new or used);
- c. Conclusions as to the value added to the fair market value of the real property as a whole by the presence of the item(s);
- d. An estimate of the fair market value of the item if removed from the property at the purchaser's expense. This value must be considered the probable selling price of the item if the item were offered for sale for removal from the property by a third party,

allowing a reasonable time to find a purchaser buying with knowledge of the uses and purposes for which such item is adaptable, including salvage.

**9. Easement Appraisals**

If easements or other separate interests exist or are intended by the Using Department on a parcel of real property, and the division of ownership is not of such a character as to destroy the practical unity of the property, the Appraiser must determine the fair market value of the property to each interest held separately. The Appraisal Report must contain the data, analyses and reasoning by which the Appraiser made such determination.

**10. Grants of Privilege Appraisals**

The Appraiser may be requested to determine the per square foot fair market value of uses in, over and under the public way that are granted by the Using Department for permanent structures such as balconies, fences, generators, loading docks, conduit, irrigation systems, underground vaults, and temporary structures such as, but not limited to, windscreens, benches, kiosks, booths, that may be removed and the public way can be restored easily.

**SPECIAL CONDITION REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND  
WOMEN BUSINESS ENTERPRISE COMMITMENT  
Task Order Contracts  
(MBE/WBE Professional Services)**

**I. Policy and Terms**

- A. It is the policy of the City of Chicago that businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code shall have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the Contractor shall not discriminate against any person or business on the basis of race, color, national origin or sex, and shall take affirmative action to ensure that women and minority businesses shall have the maximum opportunity to compete for and perform subcontracts for supplies or services.
- B. Failure to carry out the commitments and policies set forth herein shall constitute a material breach of the contract and may result in the termination of the contract or such remedy as the City of Chicago deems appropriate.
- C. Accordingly, the Contractor commits to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

MBE Contract Goal: 25%  
WBE Contract Goal: 5%

- D. The commitment is met by the Contractor's status as an MBE or WBE, or by joint venturing with one or more certified MBEs or WBEs, or by subcontracting a portion of the work to one or more MBEs or WBEs on each task order, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the Contractor's business (but no dollar of such indirect MBE or WBE participation shall be credited more than once against a Contractor's MBE or WBE commitment with respect to all contracts of such Contractor), or by any combination of the foregoing.

**Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both an MBE and WBE shall not be credited more than once against a Contractor's MBE or WBE commitment in the performance of the contract.**

- E. As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this contract. However, in determining the manner of MBE/WBE participation, the Contractor shall first consider involvement of MBEs/WBEs as joint venture partners, Subcontractor(s)/ Subconsultant(s), and suppliers of goods and services directly related to the performance of this contract. In appropriate cases, the Chief Procurement Officer will require the Contractor to demonstrate the specific efforts undertaken to involve MBEs and WBEs in direct participation in the performance of this contract.

- F. The Contractor also may with prior approval of the Chief Procurement Officer or designee, meet all, or part, of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector projects.

## II. Definitions

- A. **"Minority Business Enterprise" or "MBE"** means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations.
- B. **"Women Business Enterprise" or "WBE"** means a firm awarded certification as women owned and controlled business in accordance with City Ordinances and Regulations.
- C. **"Directory"** means the Directory of Certified "Disadvantaged Business Enterprises," "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the Executive Director. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE and WBE firms.
- D. **"Area of Specialty"** means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory. Credit toward this contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

**NOTICE:** The Department of Procurement Services does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all Contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

- E. **"Joint Venture"** means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Contractors may develop joint venture agreements as an instrument to provide participation by certified MBEs and WBEs in the contract's work or services.
- F. **"Executive Director"** means the executive director of the Office of Compliance or his or her designee.
- G. **"Respondent"** means any individual or firm responding to a Request for Information (RFI), Request for Proposal (RFP), and Request for Qualification (RFQ).
- H. **"Task Order Request"** is a solicitation document issued by a user department for a specific task or tasks pertaining to the scope of services required by the user department during the term of the agreement. The Consultants will respond to the department's request by submitting a complete Task Order proposal for the department's review and approval.

- I. **"Task Order Proposer"** means an approved pre-qualified consultant who has been awarded a consulting agreement in response to a Request for Proposal (RFP/Request for Qualifications (RFQ) ad who is responding to the Task Order Request.
- J. **"Task Order Proposal"** means a complete package that consists of scope of services, a list of deliverables, staffing schedule, completing schedule, proposed sub-consultants including MBE/WBE sub-consultants and a detailed budget outlining billing rates and estimated number of hours of each discipline.

### III. Joint Ventures

Respondents may develop joint venture agreements as an instrument to provide participation by certified MBEs and WBEs in contract work. A Joint Venture seeking to be credited for MBE and/or WBE participation may be formed among MBE and/or WBE firms or between an MBE and/or WBE firm and a non-MBE/WBE firm.

A joint venture is eligible for MBE or WBE credit if the MBE/WBE joint venture partner(s) share in the ownership, control and management responsibilities, risks and profits of the joint venture, and are responsible for a clearly defined portion of work to be performed, in proportion with the MBE and/or WBE ownership percentage.

**Notice:** The City requires that, whenever a joint venture is proposed as the prime Contractor, each joint venture partner must separately sign the proposal to the City, in the pages captioned TO BE EXECUTED BY A CORPORATION; TO BE EXECUTED BY A PARTNERSHIP; and/or TO BE EXECUTED BY A SOLE PROPRIETOR, as applicable.

### IV. Counting MBE/WBE Participation toward the Contract Goals

- A. The inclusion of any MBE or WBE in the Contractor's MBE/WBE Utilization Plan shall not conclusively establish the Contractor's right to full MBE/WBE credit for that firm's participation in the contract. Once an MBE or WBE is determined to be eligible in accordance with these rules, the total dollar value of the work awarded to the MBE or WBE may be counted toward the MBE or WBE goal except as indicated below:
- B. The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the Contractor where any MBE or WBE is found to be engaged in substantial subcontracting or pass-through activities with others. A Contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a clearly defined and distinct element of work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Chief Procurement Officer shall evaluate the amount of work subcontracted, industry practices, and other relevant factors. The amount of MBE/WBE participation credit shall be based upon an analysis by the Chief Procurement Officer of the specific duties that will be performed by the MBE or WBE. Each MBE/WBE shall be expected to actually perform a substantial (i.e., more than eighty-five percent (85%)) of the work contemplated for it by any subcontract or agreement through the use of its own employees and equipment.

Requested information may include, without limitation: (1) specific information fees and/or commissions; (2) intended sub-suppliers or concerning brokers other sources of goods and/or services; and (3) specific financial or other risks to be assumed by the MBE/WBE.

- C. MBEs and WBEs who have been certified as "brokers" shall no longer be considered eligible to participate for any consideration of MBE or WBE credit on contracts awarded by the City in 1993 and thereafter, until further notice.
- D. A Joint Venture may count toward its MBE or WBE goal the dollar value of the actual work performed by the MBE and/or WBE joint venture partner with its own resources.

**The Chief Procurement Officer reserves the right to disallow MBE and/or WBE goal credit for all or any portion of work performed by an MBE or a WBE joint venturer based on evaluations of non-compliance with these Special Conditions or any other City, State and/or Federal regulation.**

**V. Regulations Governing Reduction or Waiver of MBE/WBE Goals**

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals identified on a Task Order Request is appropriate.

1. If a Task Order Proposer determines that it is unable to meet the MBE and/or WBE goal percentage identified on the Task Order Request, a written request for the MBE and/or WBE percentage reduction or a full waiver of the MBE/WBE goal must be included in the Task Order Proposal.
2. The Task Order Proposer's written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the Task Order Proposer letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure the services of certified Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or her designee shall determine whether the request for the reduction or waiver will be granted.
3. **Task Order Proposer will be considered responsive to the terms and conditions of these Regulations if a written request and all supporting documentation that adequately addresses the conditions for a reduction or waiver of MBE/WBE goals is submitted with each Task Order Proposal. Failure to submit documentation sufficient to support the waiver request will cause the Task Order Proposal to be found non-responsive by the Chief Procurement Officer, and the Task Order Proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in her sole discretion, may include, but are not limited to, negotiating with the next Task Order Proposer or re-soliciting the Task Order Request. All Task Order Proposers are required to submit all required documents with each Task Order Proposal in order to expedite the approval process and issue a notice to proceed.**

**A. Conditions for a Reduction or Waiver of MBE/WBE Goals**

Each of the following elements must be present in the Task Order Proposer's written request for reduction or waiver of MBE and or WBE goal in order for the Chief Procurement Officer to review and determine whether or not such a reduction or waiver is appropriate.

1. The Task Order Proposer has documented the unsuccessful solicitation of certified MBE/WBE subcontractor(s)/subconsultant(s) of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct services identified or related to in the Task Order Request. Direct participation involves subcontracting a portion of the services specifically required in the Task Order Request. Documentation must include but is not necessarily limited to:
    - a. A detailed statement of efforts to identify and select portions of services identified in the Task Order Proposal for subcontracting to certified MBE/WBE firms;
    - b. A listing of all MBE/WBE firms contacted by the Task Order Proposer that includes:
      - (1) Names, address and telephone numbers of MBE/WBE firms solicited;
      - (2) Date and time of contact;
      - (3) Method of contact (written or facsimile). A copy of the certified written correspondence and/or a confirmed facsimile transmittal receipt must be attached.
    - c. Copies of certified letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that must include:
      - (1) Project identification and location;
      - (2) Classification/commodity of services or work items for which quotations were sought;
      - (3) Date, item and location for acceptance of subcontractor/subconsultant bid proposals;
      - (4) Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portion of the services or work and indicates why negotiations were unsuccessful;
      - (5) Affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve MBE/WBE goals by not imposing any limiting conditions which were not mandatory for all subcontractor(s)/ subconsultant(s); or denying the benefits ordinarily conferred on MBE/WBE subcontractors for the type of services or work that was solicited.
- OR
2. Subcontractor/Subconsultant participation will be deemed excessively costly when the MBE/WBE subcontractor/subconsultant proposal exceeds the average price

quoted by more quote is?than twenty percent (20%). In order to establish that a subcontracts excessively costly, the Task Order Proposer must provide the following information:

a. A detailed statement of the scope of services or work identified for MBE/WBE participation for which the Task Order Proposer asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% or higher).

- (1) A listing of all potential subcontractor(s)/subconsultant(s) contacted for a quotation on that scope of services or work item;
- (2) Prices quoted for the subcontract in question by all such potential subcontractor(s)/subconsultant(s) for that scope of services or work item.

b. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:

The City\*s estimate for the work under a specific subcontract;

- (2) The Task Order Proposer's own estimate for the work under the subcontract;
- (3) An average of the bona fide prices quoted for the subcontract;
- (4) Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

## **B. Assist Agency Participation**

Every MBE and or WBE waiver and/or reduction request must include evidence that the Task Order Proposer has provided timely notice of the need for subcontractor(s)/subconsultant(s) to an appropriate association/assist agency representative of the MBE/WBE business community shown in Attachment A.

The notice requirement of this Section will be satisfied if a Task Order Proposer contacts at least one of the associations shown on Attachment A. When a Task Order Proposer seeks a waiver or reduction in the utilization of MBE/WBE goals, Attachment B provides the letter format a Task Order Proposer may use. If deemed appropriate, the Chief Procurement Officer or Executive Director may contact the assist agency for verification of notification.

## **C. Impracticability**

1. If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular Task Order Request prior to the solicitation, the Task Order Request shall include a statement of such revised standard.
2. The MBE/WBE goal requirements set forth in these Regulations shall not apply

where the Chief Procurement Officer determines prior to the issuance of a Task Order Request solicitation that MBE/WBE subcontractor/subconsultant participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known to the Procurement Department administrator, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made by the Chief Procurement Officer prior to solicitation in connection with a particular Task Order Request.

## **VI. Procedure to Determine MBE/WBE Compliance**

### **A. Schedule B: MBE/WBE Affidavit of Joint Venture**

Where the Proposer includes the participation of any MBE or WBE as a joint venture partner, the Proposer must submit with its proposal at the Request for Qualification ("RFQ") stage, a Schedule B and the proposed joint venture agreement. These documents must clearly evidence that the MBE or WBE joint venture partner will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

1. The parties' contributions of capital, personnel and equipment and share of the costs of insurance and bonding (if required);
2. Work items to be performed by the MBE's or WBE's own forces/equipment (if needed);
3. Work items to be performed under the supervision of the MBE or WBE venture partner; and
4. The MBE's or WBE's commitment of management, supervisory and operative personnel dedicated to the performance of the Task Order Services.

### **B. Schedule C-3: Letter of Intent to Perform as SubContractor/Subconsultant**

The Task Order Proposer must submit with its' Task Order Proposal an executed original Schedule C-3 for each MBE and WBE included on the Schedule D-3 in response to each Task Order Request. Each Schedule C-3 must accurately detail the scope of services to be performed by the MBE or WBE and the agreed rates and prices to be paid.

### **C. Schedule D-3: Compliance Plan Regarding MBE and WBE Utilization**

The Task Order Proposer must submit with its' Task Order Proposal a completed Schedule D-3 in response to each Task Order Request. An approved Compliance Plan is a condition precedent to commencement of an approval of each Task Order.

Except in cases where the Task Order Proposer has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section V. above, the Compliance Plan must commit to the utilization of each listed MBE and WBE. The Task Order Proposer is responsible for calculating the dollar equivalent of the MBE and WBE Task Order goals identified in each Task Order Request, as percentages of the

total proposed dollar value of the Task Order Proposal. All Compliance Plan commitments must conform to the Schedule C-3s.

**D. Letters of Certification**

A copy of each proposed MBE's and WBE's current Letter of Certification from the City of Chicago must be submitted with each Task Order Proposal in response to a Task Order Request.

A Letter of Certification includes a statement of the MBE's or WBE's area(s) of specialty. The MBE's or WBE's scope of services as detailed in the Schedule C-3 must conform to its area(s) of specialty. Where an MBE or WBE is proposed to perform services not covered by its Letter of Certification, the MBE or WBE must request the addition of a new area at least 30 calendar days prior to the Task Order Proposal submittal date.

**VII. Reporting Requirements during the Term of the Contract**

- A. After each Task Order has been completed, the Task Order Proposer must submit a MBE/WBE Utilization Report for that specific Task Order project.
- B. "MBE/WBE Utilization Reports" are to be submitted directly to: Office of Compliance, Attn: Supplier Diversity Program, 333 S. State Street, Suite 320, Chicago, IL 60604
- C. The Executive Director shall be entitled to examine, on five (5) business days prior notice, the Contractor's books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the Contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the contract. Such rights are in addition to any other audit inspection rights contained in the contract.

**VIII. MBE/WBE Substitutions**

Changes by the Task Order Proposer of the commitments earlier certified in the Schedule D-3 are prohibited. In some cases, however, it may become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE/WBE requirements.

The Task Order Proposer must notify the Chief Procurement Officer immediately in writing of the necessity to reduce or terminate an MBE/WBE subcontract and to utilize a substitute firm for some phase of services. The Task Order Proposer's notification should include the reason for the substitution request, as well as, the name, address and principal official of the substitute MBE/WBE and the dollar value and scope of work of the subcontract. Attached should be all the requisite MBE/WBE affidavits and documents, as enumerated above in Section VI above, "Procedure to Determine Bid Compliance."

The City will not approve extra payment for escalated costs incurred by the Task Order Proposer when a substitution of Subcontractor(s)/Subconsultant(s) becomes necessary for the Task Order Proposer in order to comply with MBE/WBE contract requirements.

After a Notice to Proceed has been issued, no relief of the MBE/WBE requirements will be

granted by the City except in exceptional circumstances. Requests for complete or partial waiver of the MBE/WBE requirements identified in each Task Order Request must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the Contractor to locate specific firms, solicit MBE/WBE bids, seek assistance from technical assistance agencies, etc., as outlined above in the section V. above, entitled "Regulations Governing Reductions To or Waiver of MBE/WBE Goals".

**IX. Non-Compliance and Damages**

The following constitutes a material breach of this Contract and shall entitle the City to declare a default, terminate the contract and exercise those remedies provided for in the contract, at law or in equity:

- (1) Failure to satisfy the MBE/WBE percentages required by the Contract; and
- (2) The Contractor, Subcontractor or Subconsultant is disqualified as an MBE or WBE, when such status was a factor in Contract award, and was misrepresented by the Task Order Proposer.

In the event that the Task Order Proposer is determined not to have been involved in any misrepresentation of the status of the disqualified Subcontractor/Subconsultant, the Task Order Proposer shall seek to discharge the disqualified Subcontractor/Subconsultant, upon proper notification to the Chief Procurement Officer and/or Executive Director and make every effort to identify and engage a qualified MBE or WBE as its replacement. Furthermore, continued eligibility to enter into future contracting arrangements with the City may be jeopardized as a result of non-compliance. Payments due to the Contractor may be withheld until corrective action is taken by the Contractor/Consultant and approved by the Chief Procurement Officer.

**X. Arbitration**

- A. In the event that a Contractor has not complied with the committed MBE/WBE percentages, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the Contractor damages suffered by such MBE/WB Entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the Contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such MBE/WBE entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a Contractor and an MBE/WBE.
- B. An MBE/WBE desiring to arbitrate shall contact the Contractor in writing to initiate the arbitative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation

contained in the last sentence of the previous paragraph, Section X. A. above, within ten (10) days of the Contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA"), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

- C. All fees of the arbitrator are the initial responsibility of the MBE/WBE; provided, however, that the arbitrator is authorized to award reasonable expenses, including attorney's and arbitrator fees, as damages to a prevailing MBE/WBE.
- D. The MBE/WBE must send the City a copy of the "Demand for Arbitration" within ten (10) days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

**XI. Penalty for Failure to Meet MBE/WBE Commitments**

In accordance with Article IV Section 2-92-445 of the Municipal Code of Chicago, in the event a Contractor fails to meet its overall MBE/WBE commitment on a specific contract, a penalty may be assessed.

**XII. Record Keeping**

The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs/WBEs, retaining these records for a period of at least three years after final acceptance of the work. Full access to these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U.S. Department of Justice, or any duly authorized representatives thereof.

For purposes of this Section GC-09, Price Reduction, a general price reduction shall include reductions in the effective price charged by Contractor by reason of rebates, financial incentives, discounts, value points or other benefits with respect to the purchase of the Deliverables. Such price reductions shall be effective at the same time and in the same manner as the reduction Contractor makes in the price of the Deliverables to its prospective customers generally.

**GC-10            CONTRACTOR CREDITS**

To the extent the Contractor gives credits toward future purchases of goods or services, financial incentives, discounts, value points or other benefits based on the purchase of the materials or services provided for under this Contract, such credits belong to the County and not any specific using department. Contractor shall reflect any such credits on its invoices and in the amounts it invoices the County.

However, unless a notice is issued by the Chief Procurement Officer indicating that additional time is required to review a dispute, the parties may exercise their contractual remedies, if any, if no decision is made within sixty (60) days following notification to the Chief Procurement Officer of a dispute. No inference shall be drawn from the absence of a decision by the Chief Procurement Officer. Notwithstanding a dispute, Contractor shall continue to discharge all its obligations, duties and responsibilities set forth in the Contract during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

**GC-12      DEFAULT**

Contractor shall be in default hereunder in the event of a material breach by Contractor of any term or condition of this Contract including, but not limited to, a representation or warranty, where Contractor has failed to cure such breach within ten (10) days after written notice of breach is given to Contractor by the County, setting forth the nature of such breach.

In the event Contractor shall breach any material terms or conditions of this Contract on more than one occasion during any twelve month period during the term hereof, or in the event Contractor expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County may, at its option, declare the Contractor to be in default and the County shall be entitled to exercise all available remedies including, but not limited to, termination of the Contract, without affording the Contractor further opportunity to cure such breach. Failure of County to give written notice of breach to the Contractor shall not be deemed to be a waiver of the County's right to assert such breach at a later time, should the Contractor commit a subsequent breach of this Contract.

A material breach of the contract by the Contractor includes but is not limited to the following:

1. Failure to begin performance under this Contract within the specified time;
2. Failure to perform under this Contract with sufficient personnel, equipment, or materials to ensure completion of said performance within the specified time or failure to assign qualified personnel to ensure completion within the specified time;

4. Refusal to perform services deemed to be defective or unsuitable;
5. Discontinuance of performance of Contractor's obligations under the Contract or the impairment or the reasonable progress of performance;
6. Becoming insolvent, being declared bankrupt or committing any act of bankruptcy or insolvency;
7. Any assignment of this contract for the benefit of creditors;
8. Any cause whatsoever which impairs performance in an acceptable manner; or
9. Any other material breach of any term or condition of this Contract.

County shall be in default hereunder if any material breach of the Contract by County occurs which is not cured by the County within ninety (90) days after written notice has been given by Contractor to the County, setting forth the nature of such breach.

**GC-13      COUNTY'S REMEDIES**

Following notice of material breach to Contractor, the County reserves the right to withhold payments otherwise owed to Contractor until such time as Contractor has cured the breach.

If the Contractor fails to remedy a material breach during the ten (10) day cure period pursuant to General Condition GC-12, Default, or if Contractor commits a subsequent material breach within a twelve month period or expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County shall have the right to terminate this Contract upon written notice to the Contractor which shall set forth the effective date of such termination.

In addition, the County shall have the right to pursue all remedies in law or equity.

**GC-14            CONTRACTOR'S REMEDIES**

If the County has been notified of breach and fails to remedy the breach during the ninety(90) day cure period pursuant to General Condition GC-12, Default, the Contractor shall have the right to terminate this Contract upon not less than thirty (30) days prior written notice to the County, which notice shall set forth the effective date of termination.

Contractor shall have the right to pursue all remedies available in law or equity. In all cases the Contractor's damages shall be those actual provable damages not to exceed the amount of the Contract as awarded by the Cook County Board of Commissioners less all amounts paid to Contractor. In no event shall Contractor be entitled to any consequential damages. Irrespective of the exercise of remedies hereunder, Contractor shall not disrupt the County's operations or repossess any component thereof.

**GC-15            DELAYS**

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

**GC-16            MODIFICATIONS AND AMENDMENTS**

The parties may during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

In the case of Contracts approved by the Board, the total cost of all such amendments shall not increase the Contract by more than 10% of the original contract award and the term may only be extended for up to one (1) year. Such action may only be made with the advance written approval of the Chief Procurement Officer.

In the case of Contracts approved by the Board, modifications and amendments which individually or cumulatively result in additional costs of greater than 10% of the original awarded amount or which extend the term of the Contract by more than one (1) year shall be deemed as authorized with the advance approval of the Cook County Board of Commissioners.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

**GC-17 PATENTS, COPYRIGHTS AND LICENSES**

Contractor shall furnish the Director of the Using Department with all licenses required for the County to utilize any software, including firmware or middleware, provided by Contractor as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Contractor agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and consultants' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Contractor's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

**GC-18 COMPLIANCE WITH THE LAWS**

The Contractor shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Contractor's employees, agents or subcontractors shall be the responsibility of the Contractor.

The Contractor shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

**COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND**  
**CONSULTING SERVICE AND SOLE SOURCE**

I. **POLICY AND GOALS**

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in the County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women- Owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority-and-Women-Owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five percent (35%) of the annual total dollar amount of professional, consulting service and sole source contracts and agreements to certified MBEs and WBEs.
- B. A Proposer may achieve the MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a

Mentor-Protégé Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the Proposer's business; or by a combination of the foregoing.

**GC-19** **MINORITY AND WOMEN BUSINESS ENTERPRISES**  
**COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND**  
**CONSULTING SERVICE AND SOLE SOURCE (CON'T.)**

- C. A Waiver Request must be submitted with the Proposal, documenting the inability of the Proposer to meet the goals, and providing written evidence of "Good Faith Efforts," to obtain goals.
- D. A Proposer's failure to carry out its MBE/WBE commitments in the course of performance on a contract shall constitute a material breach of the contract, and if such breach is not appropriately cured, may result in the termination of the contract or such other remedies authorized by the Ordinance as the County deems appropriate.

II. **REQUIRED SUBMITTALS**

To be considered responsive to the requirements of the Ordinance, a Proposer shall submit Items A, B and C listed below. All documentation submitted shall be reviewed by the Contract Compliance Administrator. Failure to submit one of the items required shall be cause to consider a contract non-responsive to the Ordinance goals and may be rejected.

A. **MBE/WBE Participation Documentation**

Each Proposer shall submit supporting documentation which evidences efforts taken to achieve the County's "best efforts" MBE/WBE participation goals. Such documentation shall include:

1. A **Utilization Plan** identifying all firms intended to be utilized to fulfill the goals; the MBE/WBE status of each firm; the name, address, e-mail address and telephone number of the contact person for each MBE/WBE firm; the dollar value of the goods and services to be provided by the MBE/WBE firm; and the dollar value expressed as a percentage (%) of the total value of the purposed contract. (See Section I)
2. A **Letter of Intent** for each MBE/WBE containing specific information regarding goods to be provided or services to be performed by the MBE/WBE; the dollar value of the goods or services, the percentage (%) of the dollar value; and the original signatures of the appropriate officer for both the Proposer and the MBE/WBE. (See Exhibit II)
3. Current **Letter of Certification** for each MBE/WBE firm. Acceptable certifying agencies are: Cook County, Illinois Unified Certification Program (IUCP) and U. S. Small Business Administration. (SBA) (8A) or any other governmental body or agency approved by the Contract Compliance Administrator as applying certification standards substantially similar to those applied by the County of Cook may also be accepted.
4. **Waiver/Goal Reduction Petition** must be included at the time of the submission of the Proposal document. Where the Proposer does not include all documentation in support of the Petition at the time of submission, such

documentation must be submitted to the Office of Contract Compliance not less than three (3) business days after the submission date.

**GC-19** **MINORITY AND WOMEN BUSINESS ENTERPRISES**  
**COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND**  
**CONSULTING SERVICE AND SOLE SOURCE (CON'T.)**

The Contract Compliance Administrator retains the right to reject the certification of any MBE or WBE on the ground that it does not meet the County's definition of a MBE or WBE.

B. Use of MBE/WBE Professionals

Each Proposer shall submit with its proposal, a statement which discloses how it intends to maximize the use of minority and women professionals in the course of performing the contract.

C. Affirmative Action Plan

Each Proposer shall submit a copy of its current EEO-1 Report and a copy of its current Letter of Compliance from the United States Department of Labor, Office of Federal Contract Compliance Programs. Absent a Letter from OFCCP, the Proposer shall submit a written report of the inclusion of minority and women professional in the workforce of their company.

III. NON-COMPLIANCE

If Contractor carries out any of its duties under the Agreement through a subcontract with a related organization involving a value of cost of \$10,000.00 or more over a 12 month period, Contractor will cause such subcontract to contain a clause to the effect that, until the expiration of four years after the furnishing of any service pursuant to said subcontract, the related organization will make available upon request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of said subcontract and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of such costs.
