AGREEMENT

This Agreement is made and entered into by and between the COUNTY OF COOK, a public body corporate of the State of Illinois, on behalf of Office of the Chief Procurement Officer hereinafter referred to as "County" and Marcy Pritzen, LCSW doing business as a not-for-profit corporation in the State of Illinois hereinafter referred to as "Provider", on the _____ day of _____, 2013.

BACKGROUND

The County of Cook issued a Request for Proposal "RFP" for Sex Offender Treatment and Counseling Services. Proposals were evaluated in accordance with the evaluation criteria published in the RFP. The Provider was selected based on the proposal submitted and evaluated by the County representatives.

Provider represents that it has the professional experience and expertise to provide the necessary services and further warrants that it is ready, willing and able to perform in accordance with the terms and conditions as set forth in this Agreement.

NOW, THEREFORE, the County and Provider agree as follows:

TERMS AND CONDITIONS

ARTICLE 1) INCORPORATION OF BACKGROUND

The Background information set forth above is incorporated by reference as if fully set forth here.

ARTICLE 2) DEFINITIONS

a) Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

"Additional Services" means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Article 3, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the Chief Procurement Officer in a written Amendment to this Agreement before Provider is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.

"Agreement" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"Chief Procurement Officer" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"Using Department" means the Office of the Chief Judge, Social Services and/or Adult Probation Department.

"Services" means, collectively, the services, duties and responsibilities described in Article 3 and set forth in Exhibit 1 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"Subcontractor" means any person or entity with whom Provider contracts to provide any part of the Services, including subcontractors and subconsultants of any tier, suppliers and materials contractors, whether or not in privity with Provider.

b) Interpretation

i) The term **"include"** (in all its forms) means "include, without limitation" unless the context clearly states otherwise.

ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

iii) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.

iv) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.

v) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

vi) All references to a number of days mean calendar days, unless expressly indicated otherwise.

c) Incorporation of Exhibits

The following attached Exhibits are made a part of this Agreement:

Exhibit 1	Scope of Services/Key Personnel
Exhibit 2	Compensation
Exhibit 3	Evidence of Insurance
Exhibit 4	Economic Disclosure Statement /Signature Pages

ARTICLE 3) DUTIES AND RESPONSIBILITIES OF PROVIDER

a) Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Provider's Services nor a limitation on the Services that Provider is to provide under this Agreement.

Provider must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Provider must provide include, but are not limited to, those described in Exhibit 1, Scope of Services.

b) Deliverables

In carrying out its Services, Provider must prepare or provide to the County various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports and analyses, produced by Provider for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Provider has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Provider of its failure. If Provider does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Provider of its commitments under this Agreement.

c) Standard of Performance

Provider must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Provider performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Provider acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Provider agrees to be held to the standard of care of a fiduciary.

Provider must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Provider must provide copies of any such licenses. Provider remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Provider or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Provider fails to comply with the foregoing standards, Provider must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Provider of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Provider either under this Agreement, at law or in equity.

d) Personnel

i) Adequate Staffing

Provider must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Provider must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Provider to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Provider must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "Key Personnel" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d (ii). The Department may at any time in writing notify Provider that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Provider must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Provider and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Provider underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Provider, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Provider to the respective employees to whom they are due. The parties acknowledge that this Section 3.4(c) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women's Business Enterprises Commitment**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Provider must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director. Provider's completed MBE/WBE Utilization Plan evidencing its compliance with this requirement are a part of this Agreement, in Section 1 of the Economic Disclosure Statement, upon acceptance by the Compliance Director. Provider must utilize minority and women's business enterprises at the greater of the amounts committed to by the Provider for this Agreement in accordance with Section 1 of the Economic Disclosure Statement .

In no event shall any failure of the County to receive certificates of insurance required hereof or to demand receipt of such Certificates of Insurance be construed as a waiver of Vendor's obligations to obtain insurance pursuant to these insurance requirements.

All documents, data, studies, reports, work product or product created as a result of the performance of the Contract (the "Documents") shall be included in the Deliverables and shall be the property of the County of Cook. It shall be a breach of this Contract for the Provider to reproduce or use any documents, data, studies, reports, work product or product obtained from the County of Cook or any Documents created hereby, whether such reproduction or use is for Provider's own purposes or for those of any third party. During the performance of the Contract Provider shall be responsible of any loss or damage to the Documents while they are in Provider's possession, and any such loss or damage shall be restored at the expense of the Provider. The County and its designees shall be afforded full access to the Documents and the work at all times.

i) Patents, Copyrights and Licenses

If applicable, Provider shall furnish the Chief Procurement Officer with all licenses required for the County to utilize any software, including firmware or middleware, provided by Provider as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Provider shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Provider agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and Providers' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Provider's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the Provider receives payment under the Contract, reimbursement for which is later disallowed

by the County, the Provider shall promptly refund the disallowed amount to the County on request, or at the County's option, the County may credit the amount disallowed from the next payment due or to become due to the Provider under any contract with the County.

All subcontractors shall be subject to the terms of this Contract. Provider shall incorporate into all subcontracts all of the provisions of the Contract which affect such subcontract. Copies of subcontracts shall be provided to the Chief Procurement Officer upon request.

ii) Neither Provider nor Provider's agents, employees or subcontractors are entitled to any damages from the County, nor is any party entitled to be reimbursed by the County, for damages, charges or other losses or expenses incurred by Provider by reason of delays or hindrances in the performance of the Services, whether or not caused by the County.

vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.1 and 9.3.

b) Ethics

In addition to the foregoing warranties and representations, Provider warrants:

(1) no officer, agent or employee of the County is employed by Provider or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.

(2) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Provider or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

c) Joint and Several Liability

If Provider, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Provider is the joint and several obligation or undertaking of each such individual or other legal entity.

d) Business Documents

At the request of the County, Provider must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) Conflicts of Interest

i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any

functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

ii) Provider covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

iii) Upon the request of the County, Provider must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Provider is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Provider's past or present clients. If Provider becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.

iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

v) The Provider further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.11 of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of contractor's Services for others conflict with the Services Provider is to render for the County under this Agreement, Provider must terminate such other services immediately upon request of the County.

vi) Furthermore, if any federal funds are to be used to compensate or reimburse Provider under this Agreement, Provider represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Provider must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Provider and any assignee or Subcontractor of Provider must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

a) Events of Default Defined

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by provider to the County.
- ii) Provider's material failure to perform any of its obligations under this Agreement including the following:
 - (a) Failure due to a reason or circumstances within Provider's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;
 - (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
 - (d) Discontinuance of the Services for reasons within Provider's reasonable control; and
 - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Provider without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
- iv) Provider's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Provider acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
- (v) Failure to comply with Section 7a. in the performance of the Agreement.
- (vi) Provider's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

b) Remedies

The occurrence of any event of default permits the County, at the County's sole option, to declare Provider in default. The Chief Procurement Officer may in his sole discretion give Provider an opportunity to cure the default within a certain period of time, which period of time must not exceed 30

days, unless extended by the Chief Procurement Officer. Whether to declare Provider in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Provider written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Provider fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Provider must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Provider's expense and as agent for Provider, either directly or through others, and bill Provider for the cost of the Services, and Provider must pay the difference between the total amount of this bill and the amount the County would have paid Provider under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Provider under this Section 9.2;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Provider's compensation under this Agreement;
- vi) The right to consider Provider non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Provider to continue to provide the Services despite one or more events of default, Provider is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.1 and 9.2 of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Provider. The County will give notice to Provider in accordance with the

provisions of Article 11. The effective date of termination will be the date the notice is received by Provider or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Provider must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Provider must attempt to agree on the amount of compensation to be paid to Provider, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Provider is in full settlement for all Services satisfactorily performed under this Agreement.

Provider must include in its contracts with Subcontractor an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Provider will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Provider or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.1 and 9.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.3.

d) Suspension

The County may at any time request that Provider suspend its Services, or any part of them, by giving 15 days prior written notice to Provider or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Provider must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Provider when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Provider as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Provider by written notice may treat the suspension as an early termination of this Agreement under Section 9.3.

e) Right to Offset

In connection with performance under this Agreement:

The County may offset any excess costs incurred:

- (i) if the County terminates this Agreement for default or any other reason resulting from Provider's performance or non-performance;
- (ii) if the County exercises any of its remedies under Section 9.2 of this Agreement; or
- (iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Provider is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f.) Delays

Provider agrees that no charges or claims for damages shall be made by Provider for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g.) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Provider shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

h.) Termination for Convenience

The County may terminate this Contract, or any portion, at any time by notice in writing from the County to the Contractor. Unless otherwise stated in the notice, the effective date of such termination shall be three business days after the date the notice of termination is mailed by the County. If the County elects to terminate the Contract in full, unless otherwise specified in the notice of termination, the Contractor shall immediately cease performance and shall promptly tender to the County all Deliverables, whether completed or in process. If the County elects to terminate the Contract in part, unless otherwise specified in the notice of partial termination, the Contractor shall immediately cease performance of those portions of the Contract which are terminated and shall promptly tender to the County all Deliverables relating to said portions of the Contract, whether completed or in process. Contractor shall refrain from incurring any further costs with respect to portions of the Contract which are terminated except as specifically approved by the Chief Procurement Officer.

ARTICLE 10) GENERAL CONDITIONS

a) Entire Agreement

i) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not expressly addressed in this Agreement.

ii) No Collateral Agreements

Provider acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the County, its officials, agents or employees, has induced Provider to enter into this Agreement or has been relied upon by Provider, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

iii) No Omissions

Provider acknowledges that Provider was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Provider did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Provider relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) Modifications and Amendments

The parties may during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

In the case of Contracts approved by the Board, the total cost of all such amendments shall not increase the Contract by more than 10% of the original contract award and the term may only be

extended for up to one (1) year. Such action may only be made with the advance written approval of the Chief Procurement Officer.

In the case of Contracts approved by the Board, modifications and amendments which individually or cumulatively result in additional costs of greater than 10% of the original awarded amount or which extend the term of the Contract by more than one (1) year shall be deemed as authorized with the advance approval of the Cook County Board of Commissioners.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Provider irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Provider consents and submits to the jurisdiction thereof. In accordance with these provisions, Provider waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Provider must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Provider must make every effort to assure an orderly transition to another Provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Provider's performance in any respect or waives a requirement or condition to either the County's or Provider's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Provider in writing.

i) Independent Contractor

The Provider and its employees, agents and subcontractors are, for all purposes arising out of the Contract, independent contractors and not employees of the County. It is expressly understood and agreed that neither the Provider nor provider's employees, agents or subcontractors shall be entitled to any benefit to which County employees may be entitled including, but not limited to, overtime or unemployment compensation, insurance or retirement benefits, workers' compensation or occupational disease benefits or other compensation or leave arrangements.

Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent or of partnership or of joint venture or any relationship between the parties hereto other than that of independent contractors. Nothing herein shall be construed to confer upon any third parties the status of third party beneficiary.

This Agreement is between the County and an independent contractor and, if Provider is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Provider performing the Services required under this Agreement.

ii) Provider is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.

iii) The County is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to the Provider.

j) Governmental Joint Purchasing Agreement

Pursuant to Section 4 of the Illinois Governmental Joint Purchasing Act (30 ILCS 525) and the Joint Purchase Agreement approved by the Cook County Board of Commissioners (April 9, 1965), other units of government may purchase goods or services under this contract.

EXHIBIT 1

Scope of Services

SCOPE OF SERVICES

SEX OFFENDER TREATMENT AND COUNSELING SERVICES

The Departments provide specialized supervision for those convicted of sex-related criminal offenses. The Adult Probation Department specialized supervision handles primarily, but is not limited to, individuals who have committed felony sexual offenses (mainly criminal sexual assault or aggravated criminal sexual abuse) against adolescents or children who at the time of the offense were residing with and/or were closely acquainted to the offender. The Social Service Department's program handles a variety of misdemeanor offenses. The probation officers/caseworkers assigned to these caseloads have specialized training for working with sex offenders. In addition to standard probation conditions, sex offenders are often subject to numerous special conditions including: long-term counseling; curfews; increased office reporting; field visits and searches; drug testing; polygraph testing; sex offender registration; removal from the household; restricted contact with the victim and anyone under the age of 18; restitution for harm done to the victim; and continued financial support of the family. Supervision strategies are based upon the following basic assumptions: 1) sex offenses have serious consequences for victims, families, and the community; 2) sex offenders are responsible for their behavior and must be held accountable; 3) sex offending is a repetitive but controllable behavioral disorder; 4) specialized treatment and supervision are imperative to prevent further offending; and 5) a coordinated interdisciplinary approach is necessary to effectively manage sex offenders in the community. The Departments are seeking outside service agencies to provide court-ordered assessment and treatment services for sex offenders supervised in these specialized programs.

Requirements

Assessment Services

Upon having a probationer referred by the Using Department, the Provider shall conduct an assessment that includes a structured interview, psychological testing, Abel Assessment, polygraph, and information from appropriate collateral sources. The assessment and recommendations shall address the areas set forth by the Illinois Sex Offender Management Board in 20 Illinois Administrative Code 1905.230 General Standards for Conducting Evaluations, 20 Illinois Administrative Code 1905.240 Elements of Comprehensive Sex Offense Specific Evaluations, and 20 Illinois Administrative Code 1905.250 Evaluator Recommendations.

If, due to a probationer's noncompliance, an assessment cannot be completed in accordance with the above requirements, the Provider shall prepare a Report of Incomplete Assessment. The report shall minimally include the following: the components of the assessment that were completed; the components of the assessment that were not completed and an explanation for why they were not completed; the dates and times of all appointments missed by the probationer; a description of all attempts made by the Provider to complete the assessment; and if available, the probationer's reasons for not cooperating with the assessment process.

Treatment Services

The Provider shall provide sex offender treatment that is consistent with the guidelines set forth by the Illinois Sex Offender Management Board in 20 Illinois Administrative Code 1905.300 General Standards for Treatment, 20 Illinois Administrative Code 1905.310 Treatment Provider Client Written Treatment Agreement, and 20 Illinois Administrative Code 1905.320 Completion of Treatment.

Group therapy shall consist of one 90-minute session per week. The need for individual therapy shall be made on a case-by-case basis. When individual therapy is deemed necessary, it shall not exceed two 60-minute sessions per month.

Also, staffing meetings, attended by the therapist and probation officer, shall be held with new probationers. These staffing meetings shall be conducted after an evaluation has been completed and a treatment plan developed. The purpose of these staffing meetings shall be to discuss the probationer's treatment plan, the probation supervision plan, and any other pertinent issues. After the initial meeting, the probation officer and therapist shall jointly determine the need for, and frequency of, any such additional meetings.

Maintenance polygraph examinations shall be used on a limited basis to determine whether probationers have complied with probation and treatment conditions. However, no maintenance polygraph test shall be conducted without prior approval from the Using Department. Furthermore, if an offender fails a polygraph examination and a follow-up test is required, costs for the follow-up examination shall be borne by the offender as the Using Department will not pay for any part of such examinations.

Maintenance phallometry via Abel Assessment shall also be used on a limited basis to help assess offenders' progress in treatment by analyzing arousal to violence, to prepubescent and adolescent children, and to other deviant arousal stimuli. No maintenance Abel assessment shall be conducted without prior approval from the Using Department.

Conditions of Service

1. The Provider shall be on the Illinois Sex Offender Management Board's list of agencies that meet the qualifications for provision of evaluations and treatment of sex offenders and shall be in compliance with all requirements contained in 20 Illinois Administrative Code 1905. The Provider should also be certified members of the Association for Treatment of Sexual Abusers. Suspension or removal at any time from these listings and/or memberships must be reported in writing immediately to the Using Department.
2. The Provider shall use treatment contracts in accordance with 20 Illinois Administrative Code 1905.310 Treatment Provider Client Written Treatment Agreement. These contracts shall be available to the Using Department upon request.
3. Polygraph examinations shall be administered by a licensed polygraph examiner as required by 225 ILCS 430 "Detection of Deception Examiner's Act" and in accordance with Section V, "General Conditions" paragraph GC-02. Furthermore, polygraphers must have completed 40 hours of training specific to the area of sexual offenders.
4. The Using Department and Provider will require offenders to sign release of information forms.
5. The Provider shall agree that the probation officer/caseworker is a member of the case management and treatment team. To help ensure effective supervision of the offender, the treatment agency shall share all information pertaining to the offender's treatment and progress with the Using Department. The Provider shall be available (in person or via telephone) to Using Department staff to discuss treatment and supervision issues as needed. Information to be shared shall minimally include analysis of the probationer's progress, degree of denial, treatment plan, offense cycle, and relapse prevention plan.

6. Information obtained by the Using Department at the presentence stage, intake stage, or during on-going supervision will be available to the Provider.
7. The Using Department may, with prior notice to Providers, observe any aspect of treatment. The Using Department shall be allowed to review the Providers treatment protocols and curricula.
8. The Provider shall provide to the Using Department, monthly written offender progress reports (format to be provided by the Using Department) for each offender by the 15th of each month. Reports shall minimally include analysis of the offender's progress and attendance and any other pertinent information of which the Provider becomes aware. The intent of the report is to ensure that probation officers/caseworkers have the necessary information to do the following: be able to provide up-to-date and accurate information to the court; effectively supervise cases; be a meaningful part of the treatment team; and be able to identify problematic behavior and intercede appropriately.
9. The Provider shall notify the Using Department via email and telephone within one working day of incidents of non-compliance including but not limited to, incomplete homework assignments, suspensions, and unsuccessful terminations. Additionally, within five days of becoming aware of an offender's non-compliance, the agency shall forward a written report to the Using Department' designee. The report shall contain a detailed description of the non-compliance including all pertinent dates and times.
10. The Provider shall notify the Using Department via telephone and email to the assigned probation officer and supervisor within 24 hours of an offender's increased risk to re-offend. This notification does not diminish the Provider's duty to warn the victim and to notify the appropriate police agency as necessary.
11. The Provider shall notify the Using Department in writing of an offender's successful completion of treatment within five working days of discharge.
12. The Provider shall notify the Using Department of all rejections on the same working day that they occur. If an offender is placed on a waiting list, the Using Department must be notified on the same working day it occurs. It is expected that the Provider will accept the vast majority of referrals.
13. The Provider shall send to the Using Department a statistical report (format to be provided by the Using Department) every three months. The report shall include the following for each referral made by the Using Department: the client's name; the referring department (i.e., Adult Probation or Social Service); type of treatment provided; the date treatment began; the date treatment ended; hours of treatment completed; and type of discharge.
14. The Provider shall provide additional documentation/updates as requested by the Using Department.
15. The Provider shall complete and return assessments to the Using Department within 30 days of referral notification.
16. The Provider shall have strategies to address offenders who are in denial.
17. The Provider shall agree that offenders are responsible for their behavior and that community safety takes precedence over any other conflicting interests.
18. The Provider shall testify in court as required.

19. The Provider shall provide the Services in Cook County.

20. The Provider is required to maintain records on each case for a minimum of two (2) years after the termination of probation. Records shall be available for inspection by the Using Department upon request.
