If the Contractor fails to remedy a material breach during the ten (10) day cure period pursuant to General Condition GC-12, Default, or if Contractor commits a subsequent material breach within a twelve month period or expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County shall have the right to terminate this Contract upon written notice to the Contractor which shall set forth the effective date of such termination.

GC-14 CONTRACTOR'S REMEDIES

If the County has been notified of breach and fails to remedy the breach during the ninety(90) day cure period pursuant to General Condition GC-12, Default, the Contractor shall have the right to terminate this Contract upon not less than thirty (30) days prior written notice to the County, which notice shall set forth the effective date of termination.

It is the policy of the County of Cook to prevent discrimination in the award of or participation in the County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women- Owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority-and-Women-Owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five percent (35%) of the annual total dollar amount of professional, consulting service and sole source contracts and agreements to certified MBEs and WBEs.
- B. A Proposer may achieve the MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a Mentor-Protégé Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the Proposer's business; or by a combination of the foregoing.

Supplier Diversity Program Overview

Pitney Bowes' commitment to diversity spans more than forty years and our supplier diversity program has been in place for almost twenty years. Our commitment is demonstrated by the increase in the number of diverse suppliers which was over 800 in 2012 and in the growth of our third party dollars spent with diverse suppliers per year. In addition, Pitney Bowes has been recognized both regionally and nationally for its supplier diversity performance and best practices. Pitney Bowes firmly believes diverse businesses enhance our supply base by providing innovative strategies, and process improvement solutions, while maintaining or exceeding expectations in the areas of cost, quality, and delivery.

Pitney Bowes continues to develop new strategies to ensure diverse businesses remain viable and grow in a changing environment. Log on to www.pb.com/Our-Company/Corporate-Responsibility/Customer-and-Suppliers/Supplier-Diversity.shtml to review our policy statement.

Committed to business diversity development since the 1960s

"We are committed to a diverse supplier base because we are committed to better value in our products and services and greater value for our shareholders."

- Peter Panzarella
Enterprise Procurement and Chief Procurement Officer

- Over 300 M/WBE, HUBZone, Disabled Veteran suppliers
- Over \$62 million purchased

It is the policy of Pitney Bowes Inc. that Minority, Women, Veteran, Service Disabled Veterans and Hub zone Small Businesses shall have the maximum opportunity to compete for our business. Pitney Bowes continues to develop new and innovative strategies to ensure diversity inclusion based on our supplier diversity strategic plan. Pitney Bowes is committed to achieving 8.0% of spend with minority and women owned business by the end of calendar year 2014. Furthermore we expect to be recognized as one of the leaders within our industry and achieve the level of "Advanced Supplier Diversity Process." Our strategy includes:

- **Sourcing:** Goals and targets implemented within the supply chain organization at the category level. Category managers are assigned subcontracting targets and must develop a sourcing plan to support the inclusion of diverse businesses.
- **Supplier Development:** PB will implement a plan to develop existing diverse suppliers with the vision of these suppliers expanding their offerings or improving current processes to allow PB to source additional products or services.
- **Communication:** Supplier Diversity is not just a procurement process. Stakeholders across the company must believe in the process and understand the benefits of a diverse supplier base. The manager of supplier diversity is committed to communicating the business case to senior management, and the leadership of our procurement partners; such as HR, Facilities, and Engineering. If we are to be successful, the decision makers within these departments must understand and commit to supplier diversity.
- **Metrics:** A performance scorecard addresses current state, future state, opportunities, and action items. The sourcing teams meet quarterly to address gaps and develop plans for inclusion. The scorecard is presented to senior management on a quarterly basis.

- **Commodity** areas of opportunity: Pitney Bowes will commit to "Good Faith Effort in identifying diverse suppliers in the following areas in support of this agreement: Commercial Print NAICS 323113; Logistics NAICS 541614, and Paper NAICS 322299

Diverse Supplier References

Diverse supplier references are available upon request from our contact at the end of this document.

Reporting

Pitney Bowes has the capability of reporting 2nd Tier Spend on a quarterly basis. Reporting method is via the indirect model, whereas the percentage revenue that the customer represents is allocated to our spend with diverse supplier categories and reported out to respective customers. Pitney Bowes currently monitors spend with the following business types: Small, Minority, Women, Veteran, Service Disabled Veteran and HubZone. Pitney Bowes agrees to report 2nd Tier data to customers which represent a minimum of \$1,000,000 in annual revenue.

Supplier Qualification and Certification

We expect all suppliers to meet our high standards of product and service quality, as well as specific objectives related to cost, quality and delivery. To be considered for business with us, diverse businesses are encouraged to seek certification from one of the following agencies:

- ◆ National Minority Supplier Development Council (NMSDC)
- ◆ Women's Business Enterprise National Council (WBENC)
- ◆ Small Business Administration (SBA)
- ◆ Association for Service Disabled Veterans (ASDV)
- ◆ We also accept certification by local and state governments.

Our engagement with advocacy groups extends beyond membership. We actively participate in events, volunteer on committees which define and implement programs, and regularly assume leadership roles. Laura Taylor (Vice President, Enterprise Procurement) serves as the Chairman of the Board of the Women's Business Enterprise National Council, and Lawrence Wooten (Manager, Supplier Diversity) serves as the Chairman of the Board of the Greater New England Minority Supplier Development Council.

Performance

Pitney Bowes Enterprise Procurement continues to actively engage in a company-wide strategic transformation initiative. Enterprise Procurement sourced a large percentage of its addressable spend and conducted significant supplier consolidation. Having modified our processes to include supplier diversity in our sourcing strategies, we were still able to make progress against aggressive supplier diversity goals. The 2012 percent of subcontracting with diverse suppliers is 6.3% or \$62M.

Highlights of successful contract awards to diverse businesses were in the areas of Staffing, Janitorial Services and Products, Courier Services, Security, IT, Manufacturing, and Logistics.

Pitney Bowes is committed to continuing building relationships with diverse suppliers on both the 1st and 2nd tier levels. Diverse suppliers participating in the Request for Proposal (RFP) process increased from 2009 to 2011. Pitney Bowes firmly believes this is a measure of success for future RFPs as diverse suppliers have a better understanding of the process and requirements for successfully competing for contract awards. Additional successes include:

- Created the Pitney Bowes Supplier Diversity Summit in 2011. This is a day-long Supplier Diversity Summit, where diverse suppliers can share ideas and meet with company management to gain a better understanding of Pitney Bowes procurement opportunities and processes. The event also features MBE/WBE experts and key note speakers. Representatives of about 75 diverse businesses were among the more than 150 attendees at Pitney Bowes World Headquarters in Stamford, CT.
- Identified two diverse suppliers to participate in a development program with the assistance of the Small Business Administration SCORE Organization. The suppliers were coached in process improvement strategies, marketing, communication, and product quality.
- Sponsored the President of IBIS Communication (Minority Women Owned Business) to attend Dartmouth Tuck School of Executive Management
- Received recognition as one of the 2012 recipients of the Women's Business National Council's America's Top Corporations for Women's Business Award.
- Laura Taylor serves as the Chairman of the Board of Directors for the Women's business Enterprise National Council (March 2011-Present).
- Lawrence Wooten services as the Chairman of the board of Directors for the Greater New England Minority Supplier Development Council (March 2012 - Present).

 - ◆ Pitney Bowes served as a speaker and panel participant at both national and local events in support of diverse supplier inclusion for National Minority Supplier Development Council and the Women's Business Enterprise National Council
- **Subcontracting Goals:** Pitney Bowes has consistently achieved subcontract goals over the past four (4) years:

	2009	2010	2011	2012
Dollars	\$41MM	\$49MM	\$63MM	\$53MM
Percentage	4.3%	5.5%	6.2%	6.3%

Note: Percentage increase for each preceding year.

The Pitney Bowes Supplier Diversity Program is aligned with the goals and objectives of Pitney Bowes Inc. vision and values. We are committed to increasing participation of diverse businesses in the overall supply management strategy. Pitney Bowes believes Supplier Diversity is an important part of our commitment to being a good corporate citizen; in addition, supplier diversity is a business imperative. We are convinced that successful companies recognize and adapt to the changing demographics of its customer base. We further believe companies who actively embrace diversity and continually demonstrate their commitment will ultimately establish a sustainable competitive advantage in the marketplace.
