AGREEMENT

This Agreement is made and entered into by and between the County of Cook, a public body corporate of the State of Illinois, on behalf of the Office of the Chief Judge hereinafter referred to as "County" and Treatment Alternatives for Safe Communities (TASC), doing business as a not-for profit corporation of the State of Illinois hereinafter referred to as "Provider", pursuant to authorization by the County.

BACKGROUND

Provider represents that it has the professional experience and expertise to provide the necessary services and further warrants that it is ready, willing, and able to perform in accordance with the terms and conditions as set forth in this Agreement.

NOW, THEREFORE, the County and Provider agree as follows:

TERMS AND CONDITIONS

ARTICLE 1) INCORPORATION OF BACKGROUND

The Background information set forth above is incorporated by reference as if fully set forth here.

ARTICLE 2) DEFINITIONS

a) Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

"Additional Services" means those services, which are within the general scope of Services of this Agreement, but beyond the description of services required under Article 3, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the Chief Procurement Officer in a written modification to this Agreement before Provider is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.

"Agreement" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"Chief Procurement Officer" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"Using Department" means the Office of the Chief Judge, Social Services, and/or Adult Probation Department.

"Services" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"Subcontractor" means any person or entity with whom Provider contracts to provide any part of the Services, including Subcontractors and Subconsultants of any tier, suppliers and materials contractors, whether or not in privity with Provider.

b) Interpretation

- I. The term **"include"** (in all its forms) means, "include, without limitation" unless the context clearly states otherwise.
- II. All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.
- III. Words importing persons include firms, associations, partnerships, trusts, corporations, and other legal entities, including public bodies, as well as natural persons.
- IV. Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.
- V. Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.
- VI. All references to a number of days mean calendar days, unless expressly indicated otherwise.

c) Incorporation of Exhibits

The following attached Exhibits are made a part of this Agreement:

- | | |
|-----------|--|
| Exhibit 1 | Scope of Services and Schedule of Compensation |
| Exhibit 2 | Evidence of Insurance |
| Exhibit 3 | Economic Disclosure Statement / Signature Page |

ARTICLE 3) DUTIES AND RESPONSIBILITIES OF PROVIDER

a) Scope of Services and Schedule of Compensation

This description of Services is intended to be general in nature and is neither a complete description of Provider's Services nor a limitation on the Services that Provider is to provide under this Agreement. Provider must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Provider must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Schedule of Compensation which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) Deliverables

In carrying out its Services, Provider must prepare or provide to the County various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports, and analyses, produced by Provider for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Provider has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Provider of its failure. If Provider does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Provider of its commitments under this Agreement.

c) Standard of Performance

Provider must perform all Services required of it under this Agreement with that degree of skill, care, and diligence normally shown by a Provider performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Provider acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information; Provider agrees to be held to the standard of care of a fiduciary.

Provider must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Provider must provide copies of any such licenses. Provider remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Provider or its Subcontractors or others on its behalf.

All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Provider fails to comply with the foregoing standards, Provider must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance, or payment for any of the Services by the County does not relieve Provider of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Provider either under this Agreement, at law or in equity.

d) Personnel

i) Adequate Staffing

Provider must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Provider must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Provider to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) Key Personnel

Provider must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "Key Personnel" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d (ii). The Department may at any time in writing notify Provider that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice, Provider must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services and Schedule of Compensation.

iii) Salaries and Wages

Provider and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement

Provider underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Provider, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on

account of Provider to the respective employees to whom they are due. The parties acknowledge that this Section 3.4(c) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) Minority and Women's Business Enterprises Commitment

In the performance of this Agreement, including the procurement and lease of materials or equipment, Provider must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director. Provider's completed MBE/WBE Utilization Plan evidencing its compliance with this requirement are a part of this Agreement, in Section 1 of the Economic Disclosure Statement, upon acceptance by the Compliance Director. Provider must utilize minority and women's business enterprises at the greater of the amounts committed to by the Provider for this Agreement in accordance with Section 1 of the Economic Disclosure Statement.

During the performance of the Agreement Provider shall be responsible for any loss or damage to the Documents while they are in possession, and any such loss or damage shall be restored at the expense of the Provider. The County and its designees shall be afforded full access to the Documents and the work at all times.

In the event the Provider receives payment under the Agreement, reimbursement for which is later disallowed by the County, the Provider shall promptly refund the disallowed amount to the County on request, or at the County's option, the County may credit the amount disallowed from the next payment due or to become due to the Provider under any Agreement with the County.

To the extent this Agreement pertains to Deliverables which may be reimbursable under the Medicaid or Medicare Programs, Provider shall retain and make available upon request, for a period of four (4) years after furnishing services pursuant to this Agreement, the Agreement, books, documents and records which are necessary to certify the nature and extent of the costs of such services if requested by the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives. If Provider carries out any of its duties under the Agreement through a Subcontractor with a related organization involving a value of cost of \$10,000.00 or more over a 12 month period, Provider will cause such Subcontract to contain a clause to the effect that, until the expiration of four years after the furnishing of any service pursuant to said Subcontract, the related organization will make available upon request of the Secretary of Health and Human

Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of said Subcontract and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of such costs. This paragraph relating to the retention and production of documents is included because of possible application of Section 1861(v) (1) (I) of the Social Security Act to this Agreement; if this Section should be found to be inapplicable, then this paragraph shall be deemed inoperative and without force and effect.

j) Subcontracting or Assignment of Agreement or Agreement Funds

Once awarded, this Agreement shall not be subcontracted or assigned, in whole or in part, without the advance written approval of the Chief Procurement Officer, which approval shall be granted or withheld at the sole discretion of the Chief Procurement Officer. In no case, however, shall such approval relieve the Provider from its obligations or change the terms of the Agreement. The Provider shall not transfer or assign any Agreement funds or any interest therein due or to become due without the advance written approval of the Chief Procurement Officer. The unauthorized subcontracting or assignment of the Agreement, in whole or in part, or the unauthorized transfer or assignment of any Agreement funds, either in whole or in part, or any interest therein, which shall be due or are to become due the Provider shall have no effect on the County and are null and void.

Prior to the commencement of the Agreement, the Provider shall identify in writing to the Chief Procurement Officer the names of any and all Subcontractors it intends to use in the performance of the Agreement. The Chief Procurement Officer shall have the right to disapprove any Subcontractor. Identification of Subcontractors to the Chief Procurement Officer shall be in addition to any communications with County offices other than the Chief Procurement Officer. All Subcontractors shall be subject to the terms of this Agreement. Provider shall incorporate into all Subcontracts all of the provisions of the Agreement which affect such Subcontracts. Copies of Subcontracts shall be provided to the Chief Procurement Officer upon request.

The Provider must disclose the name and business address of each Subcontractor, attorney, lobbyist, accountant, Provider and any other person or entity whom the Provider has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Provider is not required to disclose employees who are paid or estimated to be paid. The Provider is not required to disclose employees who are paid solely through the Provider's regular payroll. "Lobbyist" means any person or entity who undertakes to influence any legislation or administrative action on behalf of any person or entity other than: 1) a not-for-profit entity, on an unpaid basis, or (2), himself. "Lobbyist" also means any person or entity any part of whose duties as an employee of another includes undertaking to influence any legislative or administrative action. If the Provider is uncertain whether a disclosure is required under this Section, the Provider must either ask the County whether disclosure is required or make the disclosure.

The County reserves the right to prohibit any person from entering any County facility for any reason. All Providers and Subcontractors of the Agreement shall be accountable to the Chief Procurement Officer or his designee while on any County property and shall abide by all rules and regulations imposed by the County.

l) Professional Social Services Contracts

If applicable, and in accordance with 34-146, of the Cook County Procurement Code, all Contractors or Providers providing services under a Professional Social Service Contract or Professional Social Services Agreement, shall submit an annual performance report to the Using Agency, i.e., the agency for whom the Contractor or Provider is providing the professional social services, that includes but is not limited to relevant statistics, an empirical analysis where applicable, and a written narrative describing the goals and objectives of the Contract or Agreement and programmatic outcomes. The annual performance report shall be provided and reported to the Cook County Board of Commissioners by the applicable Using Agency within forty-five days of receipt. Failure of the Contractor or Provider to provide an annual performance report will be considered a breach of contract or agreement by the Contractor or Provider, and may result in termination of the Contract or Agreement.

ARTICLE 4) TERM OF PERFORMANCE

a) Term of Performance

This Agreement takes effect on **October 01, 2013** and continues until **June 30, 2014** or until this Agreement is terminated in accordance with its terms, whichever occurs first.

b) Timeliness of Performance

- i. Provider must provide the Services and Deliverables within the term and within the time limits required under this Agreement, pursuant to the provisions of Section 4.a and Exhibit 1. Further, Provider acknowledges that TIME IS OF THE ESSENCE and that the failure of Provider to comply with the time limits described in this Section 4 may result in economic or other losses to the County.
- ii. Neither Provider nor Provider's agents, employees or Subcontractors are entitled to any damages from the County, nor is any party entitled to be reimbursed by the County, for damages, charges or other losses or expenses incurred by Provider by reason of delays or hindrances in the performance of the Services, whether or not caused by the County.

ARTICLE 5) COMPENSATION

a) Basis of Payment

The County will pay Provider according to the Scope of Services and Schedule of Compensation in the attached Exhibit 1 for the successful completion of services.

b) Method of Payment

All invoices submitted by the Provider shall be in accordance with the cost provisions according to the Scope of Services and Schedule of Compensation in the attached Exhibit 1. The invoices shall contain a detailed description of the Deliverables for which payment is requested. All invoices shall reflect the amounts invoiced by and the amounts paid to the Provider as of the date of the invoice, and shall be submitted together with a properly

completed County Voucher form (29A). Invoices for new charges shall not include "past due" amounts, if any, which amounts must be set forth on a separate invoice. No payments shall be made with respect to invoices which do not include the County Voucher form or which otherwise fail to comply with the requirements of this paragraph. Provider shall not be entitled to invoice the County for any late fees or other penalties.

c) Funding

The source of funds for payments under this Agreement is identified in Exhibit 1, Scope of Services and Schedule of Compensation. Payments under this Agreement must not exceed the dollar amount shown in Exhibit 1 without a written amendment in accordance with Section 10.c.

d) Non-Appropriation

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the County for payments to be made under this Agreement, then the County will notify Provider in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Provider. No payments will be made or due to Provider and under this Agreement beyond those amounts appropriated and budgeted by the County to fund payments under this Agreement.

e) Taxes

Federal Excise Tax does not apply to materials purchased by the County by virtue of Exemption Certificate No. 36-75-0038K. Illinois Retailers' Occupation Tax, Use Tax, and Municipal Retailers' Occupation Tax do not apply to deliverables, materials or services purchased by the County by virtue of statute. The price or prices quoted herein shall include any and all other federal and/or state, direct and/or indirect taxes, which apply to this Provider. The County's State of Illinois Sales Tax Exemption Identification No. is E-9998-2013-05.

f) Price Reduction

If at any time after the award, Provider makes a general price reduction in the price of any of the Deliverables, the equivalent price reduction based on similar quantities and/or considerations shall apply to this Agreement for the duration of the Agreement period. For purposes of this Section 5.f., Price Reduction, a general price reduction shall include reductions in the effective price charged by Provider by reason of rebates, financial incentives, discounts, value points, or other benefits with respect to the purchase of the Deliverables. Such price reductions shall be effective at the same time and in the same manner as the reduction Provider makes in the price of the Deliverables to its prospective customers generally.

g) Provider Credits

To the extent the Provider gives credits toward future purchases of goods or services, financial incentives, discounts, value points or other benefits based on the purchase of the materials or services provided for under this Agreement, such credits belong to the County and not any specific using department. Provider shall reflect any such credits on its invoices and in the amounts it invoices the County.

ARTICLE 6) DISPUTES

The Chief Procurement Officer shall decide any dispute arising under the Agreement between the County and Provider. The complaining party shall submit a written statement detailing the dispute and specifying the specific relevant Agreement provision(s) to the Chief Procurement Officer. Upon request of the Chief Procurement Officer, the party complained against shall respond to the complaint in writing within five days of such request. The Chief Procurement Officer will reduce her decision to writing and mail or otherwise furnish a copy thereof to the Provider. The decision of the Chief Procurement Officer will be final and binding. Dispute resolution as provided herein shall be a condition precedent to any other action at law or in equity. However, unless the Chief Procurement Officer issues a notice indicating that additional time is required to review a dispute, the parties may exercise their contractual remedies, if any, if no decision is made within sixty (60) days following notification to the Chief Procurement Officer of a dispute. No inference shall be drawn from the absence of a decision by the Chief Procurement Officer. Notwithstanding a dispute, Provider shall continue to discharge all its obligations, duties, and responsibilities set forth in the Agreement during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

ARTICLE 7) COMPLIANCE WITH ALL LAWS

The Provider shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Provider including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Provider's employees, agents, or Subcontractors shall be the responsibility of the Provider.

The Provider shall secure and pay for all federal, state, and local licenses, permits, and fees required hereunder.

ARTICLE 8) SPECIAL CONDITIONS

a) Warranties and Representations

In connection with signing and carrying out this Agreement, Provider:

- i. warrants that Provider is appropriately licensed under Illinois law to perform the Services required under this Agreement and will perform no Services for which a professional license is required by law and for which Provider is not appropriately licensed;

- ii. warrants it is financially solvent; it and each of its employees, agents and Subcontractors of any tier are competent to perform the Services required under this Agreement; and Provider is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated in this Agreement;
- iii. warrants that it will not knowingly use the services of any ineligible Provider or Subcontractor for any purpose in the performance of its Services under this Agreement;
- iv. warrants that Provider and its Subcontractors are not in default at the time this Agreement is signed, and have not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any Agreement awarded by the County;
- v. represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Provider warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
- vi. represents that Provider and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended, and the Illinois Municipal Code, 65 ILCS 5/11-42.1-1; and
- vii. acknowledges that any certification, affidavit, or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.1 and 9.3.

b) Ethics

- i) In addition to the foregoing warranties and representations, Provider warrants:
 - (1) no officer, agent, or employee of the County is employed by Provider or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.
 - (2) no payment, gratuity, or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractor to the prime Provider or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a Subcontract or order.

c) Joint and Several Liability

If Provider, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without

limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Provider is the joint and several obligation or undertaking of each such individual or other legal entity.

d) Business Documents

At the request of the County, Provider must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) Conflicts of Interest

- i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.
- ii) Provider covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or Agreement that would conflict in any manner or degree with the performance of its Services under this Agreement.
- iii) Upon the request of the County, Provider must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Provider is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Provider's past or present clients. If Provider becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.
- iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties has a relationship with the persons or entities that submitted the proposals or bids for that project.
- v) The Provider further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.11 of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Provider's Services for others conflict with the Services Provider is to render for the County under this Agreement, Provider must terminate such other services immediately upon request of the County.

- vi) Furthermore, if any federal funds are to be used to compensate or reimburse Provider under this Agreement, Provider represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Provider must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Provider and any assignee or Subcontractor of Provider must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

a) Events of Default Defined

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Provider to the County.
- ii) Provider's material failure to perform any of its obligations under this Agreement including the following:
- (a) Failure due to a reason or circumstances within Provider's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;
 - (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
 - (d) Discontinuance of the Services for reasons within Provider's reasonable control; and
 - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.

- iii) Any change in ownership or control of Provider without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
- iv) Provider's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Provider acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
- v) Failure to comply with Section 7a. in the performance of the Agreement.
- vi) Provider's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

b) Remedies

The occurrence of any event of default permits the County, at the County's sole option, to declare Provider in default. The Chief Procurement Officer may in his sole discretion give Provider an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Provider in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Provider written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Provider fails to affect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Provider must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Provider's expense and as agent for Provider, either directly or through others, and bill Provider for the cost of the Services, and Provider must pay the difference between the total amount of this bill and the amount the County would have paid Provider under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Provider under this Section 9.2;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;

- iii) The right of specific performance, an injunction, or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Provider's compensation under this Agreement;
- vi) The right to consider Provider non-responsible in future Agreements to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Provider to continue to provide the Services despite one or more events of default, Provider is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of neither default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.1 and 9.2 of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Provider. The County will give notice to Provider in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Provider or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Provider must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for based on a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Provider must attempt to agree on the amount of

compensation to be paid to Provider, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Provider is in full settlement for all Services satisfactorily performed under this Agreement.

Provider must include in its Contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the county arising from termination of Subcontracts after the early termination. Provider will not be entitled to make any early termination claims against the county resulting from any Subcontractor's claims against Provider or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.1 and 9.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered an early termination under this Section 9.3.

d) Suspension

The County may at any time request that Provider suspend its Services, or any part of them, by giving 15 days prior written notice to Provider or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Provider must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Provider when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Provider as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Provider by written notice may treat the suspension as an early termination of this Agreement under Section 9.3.

e) Right to Offset

In connection with performance under this Agreement:

The County may offset any excess costs incurred:

- (i) If the County terminates this Agreement for default or any other reason resulting from Provider's performance or non-performance;
- (ii) If the County exercises any of its remedies under Section 9.2 of this Agreement; or
- (iii) If the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Provider is liable

for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Provider agrees that no charges or claims for damages shall be made by Provider for any delays or hindrances from any cause whatsoever during the progress of any portion of this Agreement.

g) Prepaid Fees

In the event this Agreement is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Provider shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

h) Termination for Convenience

The County may terminate this Contract, or any portion, at any time by notice in writing from the County to the Provider. Unless otherwise stated in the notice, the effective date of such termination shall be three business days after the date the notice of termination is mailed by the County. If the County elects to terminate the Agreement in full, unless otherwise specified in the notice of termination, the Provider shall immediately cease performance and shall promptly tender to the County all Deliverables, whether completed or in process. If the County elects to terminate the Agreement in part, unless otherwise specified in the notice of partial termination, the Provider shall immediately cease performance of those portions of the Agreement, which are terminated and shall promptly tender to the County all Deliverables relating to said portions of the Agreement, whether completed or in process. Provider shall refrain from incurring any further costs with respect to portions of the Agreement which are terminated except as specifically approved by the Chief Procurement Officer.

ARTICLE 10) GENERAL CONDITIONS

a) Entire Agreement

i) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not expressly addressed in this Agreement.

ii) No Collateral Agreements

Provider acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to it and

incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the County, its officials, agents or employees, has induced Provider to enter into this Agreement or has been relied upon by Provider, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

iii) No Omissions

Provider acknowledges that Provider was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise, or provision that it desired or on that, it wished to place reliance. Provider did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Provider relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) Modifications and Amendments

The parties may during the term of the Agreement make modifications and amendments to the Agreement but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing. In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

Subject to the foregoing, the Chief Procurement Officer may, by written order, make changes with respect to the dates of delivery and places of performance of the Agreement, provided that any such changes shall not increase the Agreement price or the time required for Agreement performance.

No County department or employee thereof has authority to make any modifications or amendments to this Agreement. Any modifications or amendments to this Agreement made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Provider is hereby notified that, except for modifications and amendments which are made in accordance with this Section 10.c. Modifications and Amendments, no County department or employee thereof has authority to make any modification or amendment to this Agreement.

No County department or employee thereof has authority to make any modifications or amendments to this Provider. Any modifications or amendments to this Provider made without the express written approval of the Chief Procurement Officer is void and unenforceable.

d) Governing Law and Jurisdiction

This Agreement shall be governed by and construed under the laws of the State of Illinois. The Providers Irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Agreement, or arising from any dispute or controversy arising in connection with or related to the Agreement, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Provider consents and submits to the jurisdiction thereof. In accordance with these provisions, Provider waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Agreement.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness, or unenforceability of any one or more phrases, sentences, clauses, or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Provider must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Provider must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state, or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Provider's performance in any respect or waives a requirement or condition to either the County's or Provider's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement, or condition. Such waivers must be provided to Provider in writing.

i) Independent Contractors

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Provider and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Provider must perform

under this Agreement as independent Providers and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent Provider and, if Provider is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

- i. The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Provider performing the Services required under this Agreement.
- ii. Provider is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.
- iii. The County is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to the Provider.

j) Governmental Joint Purchasing Agreement

Pursuant to Section 4 of the Illinois Governmental Joint Purchasing Act (30 ILCS 525) and the Joint Purchase Agreement approved by the Cook County Board of Commissioners (April 9, 1965), other units of government may purchase goods or services under this Agreement.

**TASC, Inc. (Treatment Alternatives for Safe Communities)
 Adult Redeploy Illinois:
 Cook County Access to Community-based Treatment (ACT) Court
 Cost Proposal
 September 2013**

As one of the collaborating agencies for this project, TASC will provide intensive outreach, engagement and case management services. Dedicated staff will encourage retention in treatment and recovery support services, deliver toxicology customized to Court needs, serve as the liaison between providers and the Court, and participate in Court staffings and steering committee activities.

PERSONNEL

Case Managers II. TASC will provide two Master degree-level case managers who will conduct assessments of new cases, prepare Finding's Letters which outline the biopsychosocial and addiction assessments, and generate recommendations for treatment planning. The case managers will create a comprehensive treatment plan and facilitate clients' re-entry into the community for treatment and stabilization through appropriate linkages to community providers based on client needs. These services will be provided within two weeks of referral. TASC will also offer continued intensive monitoring of each client's progress through effective and regular communication with community providers, and provide updated clinical information to the Court at each scheduled court appearance. A total cost of \$45,334 has been budgeted for these direct services, based on the following detailed rate calculations.

	<u>Annual Salary</u>	<u>% of Effort</u>	<u>No. of Months</u>	<u>Amount Requested</u>
1 Case Manager II	\$32,000	100%	8.5	\$22,667
1 Case Manager II	\$32,000	100%	8.5	<u>\$ 22,667</u>
<i>Total Personnel:</i>				<u>\$ 45,334</u>

Fringe Benefits. Fringe benefits are estimated at 25% of employee compensation. This estimate is based on federally established regulations and the actual costs based on competitive market conditions. Fringe benefits include FICA/Medicare (7.65%), Worker's Compensation (2.3%), State Unemployment insurance (1.5%), Health insurance (12.55%) and Retirement benefits (1%). A total cost of \$11,334 has been budgeted for employee fringe benefits, based on the following detailed rate calculation. Fringe benefits include

\$45,334 (Case Manager total salaries for 8.5 months) @ 25%	<u>\$11,334</u>
<i>Total fringe benefits:</i>	<u>\$11,334</u>
Total Personnel and Fringe Benefits:	\$56,668

TRAVEL

Local Travel. Two full-time project staff (Case Managers) will incur local travel, primarily mileage, in the conduct of their responsibilities including client visits and transport, community provider visits, and court appearances and staffings. Local travel has been based on 120 miles per month per clinical staff at .55 cents per mile (TASC mileage allowance within State of Illinois rates) for 8.5 months. A total cost of \$1,122 has been budgeted for Case Manager travel, using personal vehicles, based on the following detailed rate calculation.

120 miles per month x 2 FTE x \$.55/mile for 8.5 months	<u>\$1,122</u>
Total Travel:	\$1,122

SUPPLIES

Supplies. Office supplies and materials will be required for the two full-time Case Managers, and are based on an average internal monthly cost. Office supplies include paper, pens, paper clips, flip charts, markers, tape, etc. for operating the program, i.e. client consents, court documents, presentations. A total cost of \$680 has been budgeted for office supplies, which will be used exclusively for the ARI ACT Court program, based on the following detailed rate calculation.

\$40.00/month x 2 FTE for 8.5 months	<u>\$ 680</u>
Total Supplies:	\$ 680

OTHER COSTS

Toxicology. Drug testing will be customized to various needs of the new Court Program. Initially, this will be a six-test panel containing the same tests as being monitored under Cook County Probation. The Court will provide necessary staff to collect specimens and prepare them for pick up by TASC staff on a daily basis. A total cost of \$18,432 has been budgeted for client toxicology testing, based on the following detailed rate calculation.

1,920 drops from program clients over 8.5 month program period at \$9.60/test	<u>\$ 18,432</u>
Total Toxicology:	\$ 18,432

Cellular Phones. As a community-based program, a mobile phone is critical for communication among staff, partners, service providers and clients. The program's two dedicated Case Managers will work in a large geographic area and must manage client and provider contacts and scheduling and be able to communicate with clients and Court stakeholders as needed. Cellular phone charges include the monthly cost of cellular phone service, including local and long distance calling fees. A total cost of \$850 has been budgeted for mobile phones, which will be used exclusively for ARI ACT Court program activities, based on the following detailed rate calculation.

\$50/month x 2 FTE x 8.5 months	<u>\$ 850</u>
Total Cell Phones:	\$ 850

Local Conferences/Training. Local training costs for clinical staff (Case Managers) have been budgeted for to allow for training and conferences on topics that are salient to the program, i.e. evidence-based practices, clinical assessments, health care reform. A total cost of \$350 has been budgeted for these conferences/trainings, based on the following detailed rate calculation.

\$175/staff x 2 FTE	<u>\$ 350</u>
<i>Total Training/Conferences:</i>	<u>\$ 350</u>

Occupancy. Two Case Managers will operate the program out of TASC's Halsted Office (1500 N. Halsted St.) in Chicago, Illinois. TASC owns the subject office building on Halsted Street where various programs and TASC administration staff are housed. The total cost of maintaining the building (building and equipment leases, repairs and maintenance, utilities, janitorial service and supplies, security, telephone and internet system, etc.) is allocated to all cost centers that utilize the facility. A total cost of \$7,172 has been budgeted for staff occupancy, based on the following detailed rate calculation

2 FTE x 250 sq. ft. @ \$20.25 for 8.5 months	<u>\$7,172</u>
<i>Total Occupancy:</i>	<u>\$ 7,172</u>

Client Assistance. Many specialty court participants are faced with extreme transportation challenges. To ensure client participation and satisfaction, incentives for travel and attendance in activities related to court compliances (toxicology tests, treatment appointments, etc.) have been budgeted for. The figure presented is based on anticipated client numbers and estimated frequencies of staff-client contacts, including screening, assessment, and treatment appointments, and length of such appointments. Funds requested have been based on standard TASC client assistance rates that account for public transportation fees (in Chicago, Cook County, and state wide) which range from approximately \$5.00-7.00 round trip. Therefore, the budgeted figure is calculated to provide round trips for an average of 2,430 unduplicated client trips over 8 months (at an average public transportation cost of \$6.00/client), and will be distributed to clients in various geographic areas with demonstrated transportation need. A total cost of \$14,580 has been budgeted for client assistance funds, based on the following detailed rate calculations.

2 round trips/week/client during Phase 1 (3 months; 13 weeks total); 1 round trip/week/client in Phases 2 and 3 or program (5 months; 21 weeks total) x 2 new clients/week @ \$6/ trip = 2,430 unduplicated round trips x \$6.00	<u>\$14,580</u>
<i>Total Client Assistance:</i>	<u>\$ 14,580</u>

Total Other:	\$ 41,384

These costs represent TASC agency overhead as defined in federal guidelines associated with the preparation of indirect cost proposals. Of the remaining 20% of TASC's costs, a significant portion do not lend themselves to minority participation such as rent, electricity, natural gas, sewer and water, telephone service, conferences, reimbursable staff expenses, depreciation and amortization, interest on debt, gasoline, organization memberships,

ADDENDUM TO AGREEMENT

The Cook County, hereafter referred to as the "Implementing Agency" and TASC, Inc, hereafter referred to as the "CONTRACTOR", agree to adhere to and comply with the following terms and conditions, as an addendum to, and in the performance of, the agreement to which these provisions are attached.

SECTION 1 INDEPENDENT CONTRACTOR

The CONTRACTOR, in the performance of this agreement, shall act as an independent contractor and not as an agent or employee of the Authority or the Implementing Agency. The Illinois Criminal Justice Information Authority (Authority) shall not be responsible for the performance, acts or omissions of the Contractor. The Implementing Agency shall be liable, and agrees to be liable for, and shall indemnify, defend and hold the Authority harmless for all claims, suits, judgments and damages arising from the performance of this agreement, to the extent permitted by law.

SECTION 2 TRANSPARENCY ACT COMPLIANCE

The CONTRACTOR agrees to comply with any and all requirements of 2 C.F.R. §33.200 that are imposed on recipients of federal funds by the Federal Funding Accountability and Transparency Act of 2006. The CONTRACTOR agrees to comply with the following:

a) To acquire and use a DUNS (Data Universal Numbering System) number. The DUNS number shall be procured from Dun and Bradstreet, Inc online at www.dunandbradstreet.com or by calling 1-866-705-5711.

CONTRACTOR'S DUNS Number: 024976110

b) To maintain a current registration in the System for Award Management (SAM) database. The CONTRACTOR must update or renew their CCR registration at least once per year to maintain an active status. Information about registration procedures can be accessed at www.sam.gov or by calling 1-888-227-2423.

CONTRACTOR'S SAM registration is valid until: 9/12/2014

c) The CONTRACTOR shall provide their Commercial And Government Entity (CAGE) Code. The CAGE Code request process is incorporated into the SAM registration.

CONTRACTOR'S CAGE Code: 3UCN6

d) The CONTRACTOR further agrees that all agreements entered into with subcontractors, shall require compliance by the subgrantee or contractor with the Federal Funding Accountability and Transparency Act of 2006 and all requirements of 2 C.F.R. §33.200 including obtaining a DUNS number and maintaining registration with the CCR.

e) The acquisition of a DUNS number and registration with the CCR database is not required of contractors and subcontractors who are individuals.

SECTION 3 RECORD RETENTION:

CONTRACTOR agrees to retain financial and program records for a minimum of 3 years after the expiration date of this agreement, or 3 years after closure of CONTRACTOR's most recent audit report, whichever is later. CONTRACTOR shall maintain, for this 3-year period, adequate books, records, and supporting documents to verify the amounts, recipients, and uses of all disbursements of funds passing in conjunction with this agreement; the agreement and all books, records, and supporting documents related to the agreement shall be available for review and audit by the Auditor General, the Authority, or any person duly authorized by the Authority; and CONTRACTOR agrees to cooperate fully with any audit conducted by the Auditor General, the Authority or any person duly authorized by the Authority, and to provide full access to all relevant materials. Failure to maintain the books, records, and supporting documents required by this Section shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the agreement for which adequate books, records, and supporting documentation are not available to support their purported disbursement.

Records shall be maintained beyond the 3-year period if any litigation, claim, audit, fiscal review, negotiation, or other action involving the records has been started before the expiration of the above three-year period; in such cases, these records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three-year period, whichever is later. In addition, the CONTRACTOR understands and agrees that the Department of Justice (DOJ), including the Office of Justice Programs (OJP), Office of the Inspector General (OIG) and its representatives, and the Government Accountability Office (GAO) are authorized to interview any officer or employee of the CONTRACTOR regarding transactions related to the Recovery Act Award. Furthermore, DOJ and GAO are authorized to interview subgrantees, contractors and subcontractors regarding transactions related to this award.

SECTION 4 CERTIFICATION:

CONTRACTOR certifies that it has not been barred from contracting with a unit of state or local government as a result of a violation of Section 33E-3 or 33E-4 of the Criminal Code of 1961.

SECTION 5 EQUIPMENT CONDITIONS:

CONTRACTOR certifies that any equipment purchased using funds from this agreement shall be year 2000 compliant and shall be able to process all time/date data after December 31, 1999.

SECTION 6 ELIGIBILITY FOR EMPLOYMENT IN THE UNITED STATES:

CONTRACTOR shall complete and keep on file, as appropriate, the Immigration and Naturalization Service Employment Eligibility Form (I-9). This form shall be used by CONTRACTOR to verify that persons employed by CONTRACTOR are eligible to work in the United States.

SECTION 7 CONFIDENTIALITY OF INFORMATION:

To the extent permitted by Illinois state law, including the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*, CONTRACTOR agrees not to use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with applicable federal legislation, regulations and guidelines. Such information shall be immune from legal process and shall not, without the consent of the person furnishing the information, be admitted as evidence or used for any purpose in any action, suit or other judicial, legislative or administrative proceeding.

SECTION 8 PROCUREMENT REQUIREMENTS/CONFLICT OF INTEREST:

All procurement transactions shall be conducted by CONTRACTOR in a manner to provide, to the maximum extent practical, open and free competition. CONTRACTOR must use procurement procedures that minimally adhere to applicable executive orders, state laws, and regulations. No employee, officer or agent of CONTRACTOR shall participate in the selection, or in the award or administration of a contract supported by Adult Redevelopment Illinois funds if a conflict of interest, real or apparent, would be involved.

1) What are the services or items that will be contracted for and how do these services or items fit into your agency's program?

Cook County will serve as the Implementing Agency for this 2013 Adult Redeploy program, the Access to Community-Based Treatment Court ("ACT"). The Circuit Court of Cook County will be the Program Agency. Cook County will contract with TASC, Inc. (Treatment Alternatives for Safe Communities) to deliver intensive case management services to the ACT program. These services will include:

1. Provision of screenings and assessments;
2. Provision of treatment recommendations and referrals;
3. Provision of service planning and placement;
4. Provision of linkage case management to appropriate services for substance use, mental health, and other necessary services (to include medication compliance monitoring and, where appropriate, transportation, securing living arrangements, family engagement, and connections to provider vocational/employment supports); and

TASC, Inc. will also serve as the liaison between providers and the courts, and serve on the ACT Court's steering committee.

Overall, this project will take place in districts under the Circuit Court of Cook County's jurisdiction, sustaining services for Cook County ACT Court participants.

2) **Explain the necessity to make a non-competitive, sole-source procurement by answering the following:**
a) **What is the expertise and experience of the contractor?**

TASC (Treatment Alternatives for Safe Communities) is a not-for-profit organization that provides behavioral health recovery management services for individuals with substance use and mental health disorders. Through a specialized system of clinical case management, the agency initiates and motivates positive behavior change and long-term recovery for individuals in Illinois' criminal justice, corrections, juvenile justice, and child welfare systems. The agency has over 37 years experience in building collaborative partnerships between criminal justice systems, community-based service providers, policymakers, and academic institutions. TASC's purpose is to see

that underserved populations gain access to the culturally appropriate services they need for health and self-sufficiency, while ensuring that public and private resources are used most efficiently.

Operating in every county in the state, TASC now provides direct services to over 27,000 adults and youth in Illinois each year. TASC's clinical case management model is nationally recognized, and its services include comprehensive assessment, specialized service planning, treatment matching and placement, community linkages with primary care and supportive service providers, and ongoing recovery support and program monitoring.

b) What are the unique qualities of this contractor and why are those qualities necessary for the program?

TASC, Inc. employs best-practice case monitoring and client advocacy strategies that have proved successful with criminally involved persons with substance abuse issues. These strategies incorporate illness recovery and management techniques that foster client responsibility, self-sufficiency, and habilitation as well as integrated treatment programs for psychiatric and substance use disorders for clients with co-occurring addiction.

By efficiently bridging the requirements of the criminal justice system with clinical services in the community, and by doing so on a large scale, TASC's services have proven to increase treatment success and reduce recidivism. For instance, compared to the Substance Abuse and Mental Health Services Administration's recent Treatment Episode Data Set (TEDS), TASC clients referred by Illinois courts and probation departments have 55% higher rates of treatment completion compared to other addiction treatment clients referred by the justice system (Office of Applied Studies, 2010). Further, an analysis of client data demonstrated that the organization's court- and probation-referred clients experience a 71% reduction in arrests for drug and property crimes two years after enrollment in TASC.

c) Does the contractor have special management abilities that would benefit the program? If yes, what are these special management abilities?

In addition to the significant collaborations the Circuit Court of Cook County has facilitated to establish its specialty courts infrastructure, DASA, the single state agency for substance abuse in Illinois, has made a significant commitment to this goal through funding of TASC as a designated agency to address substance use in the criminal justice system, and by establishing those offenders most prone to high risk behaviors as priority populations for treatment. Likewise, TASC, the Cook County Adult Probation Department, and community-based treatment and recovery support providers have worked together for many years to respond to the massive intervention needs of all probationers charged with non-violent offenses.

d) How would the contractor be responsive to the needs of the program?

Due to TASC's longstanding role in Illinois' treatment court programs, particularly its clinical expertise as well as its neutral, third-party status, the agency is well versed in responding to defined needs (or clients, family members, and court partners), as well as adapting to very specific needs based on presenting health, safety, or administrative issues.

e) Does the contractor have knowledge of the program? If yes, how is this a benefit to the program?

As detailed, TASC has in-depth knowledge of the Cook County specialty courts system, and understands documentation review, court process review, and systems integration issues. Thus, the agency (and all partners) will require only additional education on grant and infrastructure-building components to ensure service delivery and processes are upheld to the highest standards.

- f) **Is this the ONLY contractor that can supply these kinds of services or items?
If YES, how did your agency determine that this is the only contractor that can supply them?**

Yes. The Alcoholism and Other Drug Abuse Dependency Act (AODADA), codified as Chapter 20 of the Illinois Compiled Statutes, Act 301, mandates the availability of treatment alternatives to drug involved offenders under the supervision of a "designated program". The option for treatment under the supervision of the designated program was intended by the legislature to particularly target those offenders who, were it not for the designated program process and services, would be incarcerated. TASC is the designated program in the State of Illinois. As such, it is the clear leading agency and the only one with the authority and expertise with which to partner on the Adult Redeploy Illinois program. The fact that they are willing and able to provide not only assessment services but also staff training makes them an invaluable asset to the program and crucial to its success.

Moreover, features of TASC's history, relationships and expertise are unlikely to be found in other agencies. These include:

- *Proven Expertise and Experience.* TASC has a successful organizational track record (beginning in 1976) of providing independent substance abuse assessment and case management services for thousands of mandated clients each year.
- *Established Relationships with Referral Systems Statewide.* TASC has established formal relationships and credibility with corrections, courts, and other referral systems throughout Illinois. Referral systems rely on TASC's knowledge and understanding of the requirements of the referral system, independent clinical expertise and recommendations, uniform assessment and placement criteria; and objective monitoring and reporting services.
- *Statewide Infrastructure.* TASC's area offices provide services in every county and jurisdiction in Illinois.
- *Statewide Network of Providers.* TASC currently maintains formal mutual service agreements and memoranda of understanding with a statewide network of close to 150 different treatment facilities, and works with over 400 facilities providing critical support services (e.g., housing, employment, child care). This allows TASC to place and monitor clients in appropriate levels of treatment to ensure the most efficient and cost-effective use of clinical resources.
- *Community Relationships and Partnerships Statewide.* TASC supports individuals' reentry and restoration of productive citizenship through access to a full continuum of community-based services, from treatment and recovery support to housing, employment, family services, and more.

If NO, how did your agency find out about these other contractors? Why is your agency proposing to use a non-competitive, sole-source procurement when other contractors are available?

- 3) **If applicable, explain any time constraints that would be involved in a competitive procurement by answering the following:**
- a) **When does your agency want to start this service or purchase these items and why is this date important?**

Upon receipt of the formal agreement of award, the court would immediately proceed with a request to the Cook County Board of Commissioners to enter into an agreement with TASC for the program. TASC's services are integral to the project. A significant delay in their retention (as would be required for an RFP, for example) would likely push the project start date into 2014. Given that the implementation period for these funds ends on June 30, 2014, a delay of this significance would adversely affect the program's ability to meet proposed goals during the funding period.

- b) **Will the program be affected if the start date or purchase is delayed to allow for a competitive procurement? If yes, how will the program be affected?**

As noted above, if an RFP were required, the project would be significantly delayed. Upon the retention of the ACT Project Manager, expected on or about October 2, 2013, this person would immediately be required to divert attentions to developing the RFP. The RFP process, from design, to evaluation generally requires at least six months, after which contracts must be negotiated and approved by the county board. As a result, the project start date, now anticipated for November 1, 2013 would likely be pushed back into late spring 2014.

c) How long would it take another contractor to reach the same level of competence as this contractor?

We are not aware of any other vendor which possesses TASC's breadth of service, and detailed knowledge of the courts. As such, the chances for another vendor to win a contract are unlikely. However, if a new vendor were introduced into the process, perhaps an additional four-six months would be required to get them up to speed, effectively delaying the program into the spring of 2014.

d) Are there financial implications if the start date or purchase is delayed for a competitive procurement? If yes, what are the financial implications?

The ACT Court aims to take advantage of federally funded expanded health coverage under the Affordable Care Act. By diverting individuals from locally funded jail and prison into federally-funded medical and behavioral health services, ACT proposes to considerable financial benefit to Cook County and the State of Illinois. Any delay in starting ACT would waste these savings, as eligible ACT participants would be detained and treated in county and state-funded correctional facilities.

4) Are there any other factors that support the sole source procurement? If yes, describe these other factors.

None.

I, James R. Anderson, Executive Officer, Office of the Chief Judge, certify that this sole source procurement is in the best interest of the program and that the above statements, to the best of my knowledge, are true and accurate.
