AGREEMENT

This Agreement is made and entered into by and between the County of Cook, a public body corporate of the State of Illinois, on behalf of Office of the Chief Procurement Officer hereinafter referred to as "County" and Boys and Girls Clubs of Chicago, doing business as a Not-for-Profit of the State of Illinois, hereinafter referred to as "Contractor".

BACKGROUND

The County of Cook issued a Request for Proposals "RFP" for Violence Prevention, Intervention and Reduction Demonstration Grants. Proposals were evaluated in accordance with the evaluation criteria published in the RFP. The Contractor was selected based on the proposal submitted and evaluated by the County representatives.

Contractor represents that it has the professional experience and expertise to provide the necessary services and further warrants that it is ready, willing and able to perform in accordance with the terms and conditions as set forth in this Agreement.

NOW, THEREFORE, the County and Contractor agree as follows:

TERMS AND CONDITIONS

ARTICLE 1: INCORPORATION OF BACKGROUND

The Background information set forth above is incorporated by reference as if fully set forth here.

ARTICLE 2: DEFINITIONS

a) Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

"**Additional Services**" means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Article 3, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the Chief Procurement Officer in a written modification to this Agreement before Contractor is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.

"**Agreement**" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"**Chief Procurement Officer**" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"**Department**" means the Cook County Using Department.

"**Services**" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"**Subcontractor**" means any person or entity with whom Contractor contracts to provide any part of the Services, including subcontractors and subcontractors of any tier, suppliers and materials providers, whether or not in privity with Contractor.

b) Interpretation

i) The term "**include**" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.

ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

iii) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.

iv) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.

v) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

vi) All references to a number of days mean calendar days, unless expressly indicated otherwise.

c) Incorporation of Exhibits

The following attached Exhibits are made a part of this Agreement:

Exhibit 1	Scope of Services
Exhibit 2	Schedule of Compensation
Exhibit 3	Evidence of Insurance
Exhibit 4	Economic Disclosure Statement Forms

ARTICLE 3: DUTIES AND RESPONSIBILITIES OF CONTRACTOR

a) Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Contractor must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) Deliverables

In carrying out its Services, Contractor must prepare or provide to the County various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its commitments under this Agreement.

c) Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Contractor either under this Agreement, at law or in equity.

d) Personnel

i) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Contractor must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Department may at any time in writing notify Contractor that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Contractor must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Contractor and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) Minority and Women's Business Enterprises Commitment

In the performance of this Agreement, including the procurement and lease of materials or equipment, Contractor must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director. Contractor's completed MBE/WBE Utilization Plan evidencing its compliance with this requirement are a part of this Agreement, in Section 1 of the Economic Disclosure Statement, upon acceptance by the Compliance Director. Contractor must utilize minority and women's business enterprises at the greater of the amounts committed to by the Contractor for this Agreement in accordance with Section 1 of the Economic Disclosure Statement .

f) Insurance

Prior to the effective date of this Contract, the Contractor, at its cost, shall secure and maintain at all times, unless specified otherwise, until completion of the term of this Contract the insurance specified below.

Nothing contained in these insurance requirements is to be construed as limiting the extent of the Contractor's responsibility for payment of damages resulting from its operations under this Contract.

Contractor shall require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements as Contractor or as specified otherwise. Contractor is responsible for any deductibles or self-insured retentions.

The Cook County Department of Risk Management maintains the right to modify, delete, alter or change these requirements.

During the performance of the Contract Contractor shall be responsible of any loss or damage to the Documents while they are in Contractor's possession, and any such loss or damage shall be restored at the expense of the Contractor. The County and its designees shall be afforded full access to the Documents and the work at all times.

i) Patents, Copyrights and Licenses

Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Chief Procurement Officer. iii) warrants that it will not knowingly use the services of any ineligible Contractor or Subcontractor for any purpose in the performance of its Services under this Agreement;

iv) warrants that Contractor and its Subcontractors are not in default at the time this Agreement is signed, and have not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the County ;

v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Contractor warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;

vi) represents that Contractor and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and

vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

b) Ethics

In addition to the foregoing warranties and representations, Contractor warrants:

i) no officer, agent or employee of the County is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.

ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

c) Joint and Several Liability

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

d) Business Documents

At the request of the County, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) Conflicts of Interest

i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

ii) Contractor covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

iii) Upon the request of the County, Contractor must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Contractor is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Contractor's past or present clients. If Contractor becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.

iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

v) The Contractor further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Contractor's Services for others conflict with the Services Contractor is to render for the County under this Agreement, Contractor must terminate such other services immediately upon request of the County.

vi) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

ARTICLE 9: EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

a) Events of Default Defined

The following constitute events of default:

i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the County.

ii) Contractor's material failure to perform any of its obligations under this Agreement including the following:

(a) Failure due to a reason or circumstances within Contractor's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

(b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(d) Discontinuance of the Services for reasons within Contractor's reasonable control; and

(e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.

iii) Any change in ownership or control of Contractor without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.

iv) Contractor's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Contractor acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.

v) Failure to comply with Article 7 in the performance of the Agreement.

vi) Contractor's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

b) Remedies

The occurrence of any event of default permits the County, at the County's sole option, to declare Contractor in default. The Chief Procurement Officer may in his sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Contractor in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Contractor fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the County would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Contractor under this Section 9.b;

ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;

iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

iv) The right to money damages;

v) The right to withhold all or any part of Contractor's compensation under this Agreement;

vi) The right to consider Contractor non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the
County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Contractor. The County will give notice to Contractor in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Contractor or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) Right to Offset

i) In connection with performance under this Agreement:

The County may offset any excess costs incurred:

(i) if the County terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;

(ii) if the County exercises any of its remedies under Section 9.b of this Agreement; or

(iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Contractor is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g.) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Contractor shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

iii) **No Omissions**

Contractor acknowledges that Contractor was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) Modifications and Amendments

The parties may during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond $150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond $150,000, then Board approval will be required.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Contractor is hereby notified that, except for modifications and amendments which are made in accordance with this Section 10.c, Modifications and Amendments, no County department or employee thereof has authority to make any modification or amendment to this Contract.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Contractor must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the County's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

i) Independent Contractor

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Contractor must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.

ii) Contractor is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.

Proposal Narrative Application

Executive Summary:

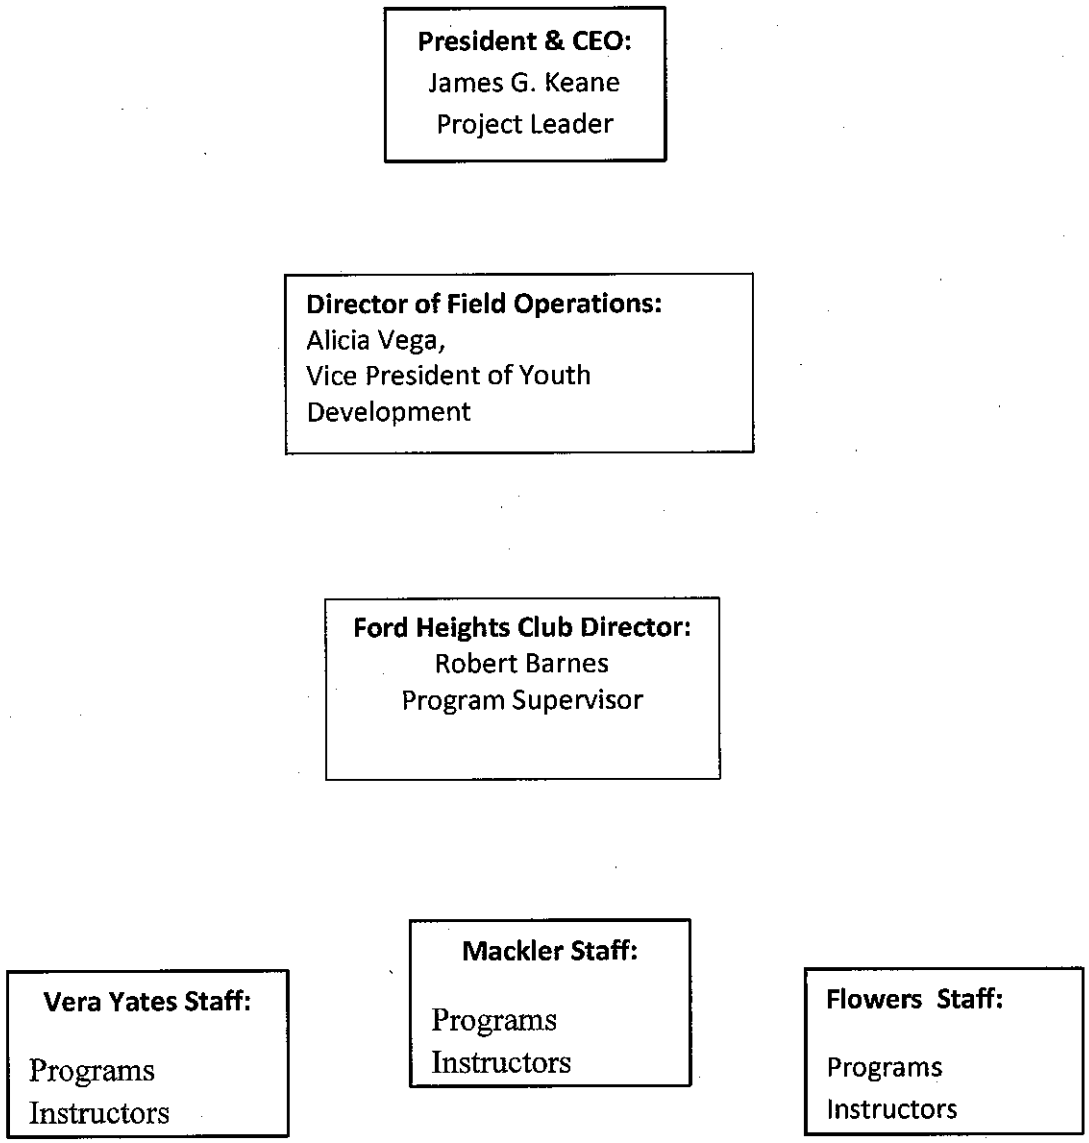
It was 1902 when the first Chicago Boys Club was founded by John F. Atkinson on South State Street to serve homeless newsboys and boys living in poverty. He said, "We must either build Boys Club rooms in which to instruct them, or we must build jails in which to incarcerate them. Which will it be?" Over 112 years later, the Boys & Girls Clubs of Chicago (BGCC, a local affiliate of Boys and Girls Clubs of America - BGCA) are providing a vital alternative to the rampant dangers of crime, gangs, drugs, and poverty that they face daily. Every youth who walks through the doors of one of our Clubs finds a safe haven, a clean facility, structured activities and guidance from caring, trained youth development professionals.

The proposed project requests $100,000 to serve 60 youth at risk for violence in three Housing Authority of Cook County (HACC) facilities that experience high rates of violence, substance abuse, and poverty, and high needs for academic achievement, mentorship, and one-on-one programming. These services will be offered to bring BGCC services to three sites located near our existing Ford Heights Club in southern Cook County.

Funding for this project will provide mentoring programs such as the educational Project Learn and two gender-specific programs for giving at-risk adolescents life skills and violence avoidance strategies, SMART Girls and Passport to Manhood. Every day homework help and physical fitness will also be a part of the program.

Outcomes will include both process and outcome objectives that relate to safety, a sense of belongingness, conflict resolution skill level, and general educational achievement goals. We expect that 75% of youth served will feel safer; 75% will have higher expectations of themselves; 70% will achieve a GPA of 2.0 or higher; and we will see improved graduation rates, and improved attendance. The overall goal of this project is to reduce the likelihood of youth becoming involved in violence by engaging them into safe, comprehensive programming that supports their social emotional learning, teaches conflict resolution skills, and ultimately reduces negative behaviors.

The organizational flow chart for this project is as follows:



Description of the Problem

An epidemic of violence affects every aspect of civic life in Cook County, including the health care system, courts and corrections systems. BGCC proposes Cook County assists, through this funding initiative, the organization's efforts to strengthen its comprehensive daily mentoring programs for children in three Housing Authority of Cook County (HACC) facilities faced with exceedingly high instances of poverty, high dropout rates, drug abuse, gang activity and other violent crime.

Through lack of funding, lack of resources, lack of structure, lack of support, and lack of employment opportunities, youth in these communities find themselves increasingly imperiled. Drugs, violence, hopelessness, and fear are all too present in the lives of Cook County's youth. Boys & Girls Clubs of Chicago staves off these horrible consequences for youth through holistic programs geared towards education, self-worth, civic engagement, healthy lifestyles and choice making; above all, youth are kept safe from the dangers of the streets in our facilities and given tools necessary to live productive and successful lives.

The target service areas are Ford Heights , Chicago Heights, and Robbins--- villages with some of the highest percentages of low- and moderate-income households in Cook

County, where 91.0% of the students qualify for free/reduced lunches. Recently, Ford Heights ranked on an index list of "Top 101 cities with the highest of the following types of crime per 10,000 residents":

- #2 in overall crime,
- #2 in robberies,
- #5 in auto thefts,
- #6 in arson,
- #23 in rapes, and
- #30 in burglaries.

Furthermore, Ford Heights does not have a police department, being patrolled by Cook County Sheriff's office.

We will provide enhanced services to in-need youth at HACC facilities in Ford Heights (Vera Yates), Robbins (Richard Flowers Homes), and Chicago Heights (Bergen/Mackler/Sunrise)).

These 60 youth will gain quality and holistic afterschool programming led by caring and well trained adult professionals in an area where there few other afterschool options exist; in fact, our current Ford Heights Club at the Tidye A. Phillips

Elementary School (1401 E. 13th Pl., 60411) has a waiting list of 25 youth for existing programming.

Description of Target Population to be Served

This proposal requests $100,000 to serve 60 youth at risk for violence in three communities that experience high rates of violence, substance abuse, and poverty, and have high needs for academic achievement, mentorship, and one-on-one programming. These services will be conducted at Housing Authority of Cook County (HACC) facilities in Robbins (Richard Flowers Homes), Chicago Heights (Bergen/Meckler/Sunrise), and Ford Heights (Vera Yates).

The following table presents selected demographic information about the communities this grant would serve. These demographics give an accurate representation of the demographics of the club members as well, since club members would be students of the schools in Ford Heights, Chicago Heights, and Robbins.

Population	**2,763**
Race/Ethnicity:	
White	**1.4%**

Black/African American	**95.4%**
Hispanic	**1.5%**
Asian	**0.1%**
Other	**1.6%**
Single female householder families with children under 18	**24.3%**
% Youth under 18	**36.3%**

Unemployment rate	**33.8%**
% College graduates or higher	**6.7%**

Demographic Analysis: At the club level, more than three out of five (68.1%) Ford Heights Club members report living in single parent homes. Almost nine out of ten (88.2%) FHC members report an annual household income of $28,000 or below. In Ford Heights, the percent of families living in poverty fell 2.7% from 2000 to 2007-2011. According to HACC, there are approximately 240 youth between the three facilities in the age range BGCC can supply programming to.

Program Implementation Plan & Implementation Schedule

Based on the needs for violence prevention services in the Ford Heights/Chicago Heights/Robbins area, academic support, and mentoring, BGCC's plan for providing programming for youth in HACC properties will be offering **educational and mentoring programs** connecting youth members to caring adult role models such as

- Project Learn: help address the academic achievement needs of the youth members in order to keep youth engaged in school and help support their job and college readiness
- SMART Girls: gives adolescent and teenage girls the tools they need to resist alcohol, tobacco and premature sexual activity
- Passport to Manhood: promotes and teaches responsibility for adolescent male Club members and focuses on assisting young men to adopt the character virtues that will give them a positive head start in their journey to manhood

Physical fitness and nutrition programs such as:

- Triple Play: A Game Plan for the Mind, Body and Soul strives to improve the overall health of Club members by increasing their daily physical activity,

teaching them good nutrition and helping our Club members make a lifelong commitment to fitness.

- basketball, volleyball, kickball, calisthenics, pool, ping pong, air hockey, foosball, Scrabble, chess

These activities allow members to learn to develop character and improve behavior and social emotional objectives, including sportsmanship and conflict resolution.

The following table illustrates the timeline of the program schedule of operation that would be in place for all sites described in this application.

Staff members organize daily and weekly program schedules to ensure all pre-teen and teenage Club members participate in academic assistance and supplemental high yield learning activities. This extends learning beyond the school day into the after-school hours to support the academic achievement needs described above.

Homework help (specifically around math, reading, and science), tutoring with staff and mentors, and volunteer encouragement helps teens develop the habit of completing homework daily in a safe, quiet space. These program activities offer many opportunities for staff to interact with Club members to discuss educational goals, progress, and challenges. The mentoring components built into Project Learn will continue to foster positive relationships that will help support the youth in providing alternatives to gang membership and teaching the necessary skills for academic achievement goals in the under-addressed subject areas of math, science, and reading.

Activity Frequency, Quantity, Rationale, and Target Population: The table below shows the frequency, number of sessions, length, and grade level of the programs to be offered. Note the different columns for the **school year** and the **summer** programming proposed.

<u>Qualifications of the Proposer:</u> Include a brief description of the organization's track record, including history, number of employees, number of years in operation, and a list of projects relevant to this RFP.

Founded in 1902, Boys & Girls Clubs of Chicago (BGCC) enriches young people's lives, providing a safe haven where they can learn and grow. The mission of the Boys & Girls Clubs of Chicago *is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens.* We provide Chicago's inner-city youth with quality after-school programs and services that enhance their lives and shape their futures. BGCC's 18 locations serve nearly 9,000 youth ages 6 to 18 from our city's most challenged neighborhoods. For 112 years, our dedicated staff has worked tirelessly to break the cycles of poverty and violence. Our extensive history in Chicago and Suburban Cook County and our commitment to a physical presence in so many underserved communities means that we are able to touch one in twenty children living in poverty. Our Clubs are an essential part of a movement that is gathering momentum to address the hopelessness that is immobilizing Chicagoland communities, families and the next generation of civic leadership. As a city and county, we struggle to balance our budgets while still supporting the economic stability, health and education of our youngest children. By implementing the activities that help prevent and reduce involvement in violence early on, these programs in effect save public funds by keeping youth out of the justice system.

To make sure that all of our members have great futures, BGCC has adopted the Formula for Impact, a research-based theory of change that describes how individual Clubs can increase our impact – exponentially – on our Club members. Our Formula begins with the young people in our Clubs – especially those who need us most. BGCC after-school and summer camp programs focus on five core areas: Character & Leadership; Education & Career; Health & Life Skills; The Arts; and Sports, Fitness & Recreation. Because we also know that attending the Club more frequently and over a greater length of time makes young people more likely to achieve positive outcomes, Club staff members pursue strategies to increase attendance, program participation and member retention. Finally, as a charter member of Boys & Girls Clubs of America, we have access to nationally developed and research-based programs, ensuring that we're offering the latest and greatest ideas in youth development. By providing leadership development skills on a daily basis to these children, we demonstrate a commitment to long-range solutions in the area of community and child development.

Even though the focus of the programs described in this proposal relates to Passport to Manhood, Smart Girls and Project Learn, it is relevant to note that the Club programming offers all youth members comprehensive and well-rounded programming that includes the additional following programs: Triple Play: A Game Plan for Mind Body and Soul, Sports and Fitness, Smart Moves, Power Hour, Youth of the Year, Keystone/Torch Clubs, Money Matters: Make It Count, Club Tech, Visual

Arts, and Performing Arts. This comprehensive programming addresses the physical, emotional, and social health of each youth member; it also focuses on outcomes related to financial management, technology skills, job readiness, good sportsmanship, and other skills that can be applied to many areas of one's current and future life.

Demonstrated experience with the populations to be served:

The Boys & Girls Club of Chicago's approximately 9,000 members come from families of lower socioeconomic status – and their racial/ethnic backgrounds mirror those of the neighborhood where they live. The description of the organizational history described above documents the experience with 18 Clubs in several Chicagoland communities. These mentoring programs are currently run in all of our current Clubs.

The following table presents a snapshot of our 9,000 members' racial and ethnic data from census tract information of the communities where Club members live, according to SMART GIS Mapping:

Planning & Preparation Activities

BGCC and Ford Heights Club Director will work closely with HACC staff to ensure a proper rollout of this partnership, including youth recruiting and facility preparedness. Because one room in each facility will be in use, preparation will include furnishing these rooms, cleaning them, and setting up work and play stations for youth.

BGCC Ford Heights Club Director Robert Barnes will train two current staff members for their assignments at the Ford Heights and Chicago Heights sites while hiring and training one new one for the Robbins site.

Two Program Aides will be hired on a part-time basis to float between the three sites, assisting the Program Directors there with programming.
