AGREEMENT

This Agreement is made and entered into by and between the County of Cook, a public body corporate of the State of Illinois, on behalf of Office of the Chief Procurement Officer hereinafter referred to as "County" and Lawndale Christian Legal Center, doing business as a Not-for-Profit of the State of Illinois, hereinafter referred to as "Contractor".

BACKGROUND

The County of Cook issued a Request for Proposals "RFP" for Violence Prevention, Intervention and Reduction Demonstration Grants. Proposals were evaluated in accordance with the evaluation criteria published in the RFP. The Contractor was selected based on the proposal submitted and evaluated by the County representatives.

Contractor represents that it has the professional experience and expertise to provide the necessary services and further warrants that it is ready, willing and able to perform in accordance with the terms and conditions as set forth in this Agreement.

NOW, THEREFORE, the County and Contractor agree as follows:

TERMS AND CONDITIONS

ARTICLE 1: INCORPORATION OF BACKGROUND

The Background information set forth above is incorporated by reference as if fully set forth here.

ARTICLE 2: DEFINITIONS

a) Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

"Additional Services" means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Article 3, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the Chief Procurement Officer in a written modification to this Agreement before Contractor is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.

"Agreement" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"Chief Procurement Officer" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"Department" means the Cook County Using Department.

"Services" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"Subcontractor" means any person or entity with whom Contractor contracts to provide any part of the Services, including subcontractors and subcontractors of any tier, suppliers and materials providers, whether or not in privity with Contractor.

b) Interpretation

- i) The term **"include"** (in all its forms) means "include, without limitation" unless the context clearly states otherwise.
- ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.
- iii) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.
- iv) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.
- v) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.
- vi) All references to a number of days mean calendar days, unless expressly indicated otherwise.

c) **Incorporation of Exhibits**

The following attached Exhibits are made a part of this Agreement:

Exhibit 1	Scope of Services
Exhibit 2	Schedule of Compensation
Exhibit 3	Evidence of Insurance
Exhibit 4	Economic Disclosure Statement Forms

ARTICLE 3: DUTIES AND RESPONSIBILITIES OF CONTRACTOR

a) **Scope of Services**

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Contractor must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) **Deliverables**

In carrying out its Services, Contractor must prepare or provide to the County various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its commitments under this Agreement.

c) Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Contractor either under this Agreement, at law or in equity.

d) Personnel

i) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Contractor must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Department may at any time in writing notify Contractor that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Contractor must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Contractor and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women's Business Enterprises Commitment**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Contractor must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director. Contractor's completed MBE/WBE Utilization Plan evidencing its compliance with this requirement are a part of this Agreement, in Section 1 of the Economic Disclosure Statement, upon acceptance by the Compliance Director. Contractor must utilize minority and women's business enterprises at the greater of the amounts committed to by the Contractor for this Agreement in accordance with Section 1 of the Economic Disclosure Statement .

f) Insurance

Prior to the effective date of this Contract, the Contractor, at its cost, shall secure and maintain at all times, unless specified otherwise, until completion of the term of this Contract the insurance specified below.

Nothing contained in these insurance requirements is to be construed as limiting the extent of the Contractor's responsibility for payment of damages resulting from its operations under this Contract.

Contractor shall require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements as Contractor or as specified otherwise. Contractor is responsible for any deductibles or self-insured retentions.

The Cook County Department of Risk Management maintains the right to modify, delete, alter or change these requirements.

In no event shall any failure of the County to receive certificates of insurance required hereof or to demand receipt of such Certificates of Insurance be construed as a waiver of Contractor's obligations to obtain insurance pursuant to these insurance requirements.

All insurance policies must contain a Waiver of Subrogation Endorsement in favor of Cook County.

g) **Indemnification**

The Contractor covenants and agrees to indemnify and save harmless the County and its commissioners, officials, employees, agents and representatives, and their respective heirs, successors and assigns, from and against any and all costs, expenses, attorney's fees, losses, damages and liabilities incurred or suffered directly or indirectly from or attributable to any claims arising out of or incident to the performance or nonperformance of the Contract by the Contractor, or the acts or omissions of the officers, agents, employees, contractors, subcontractors, licensees or invitees of the Contractor. The Contractor expressly understands and agrees that any Performance Bond or insurance protection required of the Contractor, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify the County as hereinabove provided.

Contractor shall comply with the applicable privacy laws and regulations affecting County and will not disclose any of County's records, materials, or other data to any third party. Contractor shall not have the right to compile and distribute statistical analyses and reports utilizing data derived from information or data obtained from County without the prior written approval of County. In the event such approval is given, any such reports published and distributed by Contractor shall be furnished to County without charge.

All documents, data, studies, reports, work product or product created as a result of the performance of the Contract (the "Documents") shall be included in the Deliverables and shall be the property of the County of Cook. It shall be a breach of this Contract for the Contractor to reproduce or use any documents, data, studies, reports, work product or product obtained from the County of Cook or any Documents created hereby, whether such reproduction or use is for Contractor's own purposes or for those of any third party. During the performance of the Contract Contractor shall be responsible of any loss or damage to the Documents while they are in Contractor's possession, and any such loss or damage shall be restored at the expense of the Contractor. The County and its designees shall be afforded full access to the Documents and the work at all times.

i) Patents, Copyrights and Licenses

If applicable, Contractor shall furnish the Chief Procurement Officer with all licenses required for the County to utilize any software, including firmware or middleware, provided by Contractor as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Contractor agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and Contractors' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Contractor's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

j) Examination of Records and Audits

The Contractor agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after the final payment under the Contract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices, and records of the Contractor related to the Contract, or to Contractor's compliance with any term, condition or provision thereof. If Contractor carries out any of its duties under the Agreement through a subcontract with a related organization involving a value of cost of \$10,000.00 or more over a 12 month period, Contractor will cause such subcontract to contain a clause to the effect that, until the expiration of four years after the furnishing of any service pursuant to said subcontract, the related organization will make available upon request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of said subcontract and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of such costs. k) Subcontracting or Assignment of Contract or Contract Funds

In no case, however, shall such approval relieve the Contractor from its obligations or change the terms of the Contract. The Contractor shall not transfer or assign any Contract funds or any interest therein due or to become due without the advance written approval of the Chief Procurement Officer. The unauthorized subcontracting or assignment of the Contract, in whole or in part, or the unauthorized transfer or assignment of any Contract funds, either in whole or in part, or any interest therein, which shall be due or are to become due the Contractor shall have no effect on the County and are null and void.

Copies of subcontracts shall be provided to the Chief Procurement Officer upon request.

- iii) warrants that it will not knowingly use the services of any ineligible Contractor or Subcontractor for any purpose in the performance of its Services under this Agreement;
- iv) warrants that Contractor and its Subcontractors are not in default at the time this Agreement is signed, and have not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the County ;

- v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Contractor warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
- vi) represents that Contractor and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and
- vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

b) Ethics

In addition to the foregoing warranties and representations, Contractor warrants:

- i) no officer, agent or employee of the County is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.
- ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

c) Joint and Several Liability

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

d) Business Documents

At the request of the County, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) **Conflicts of Interest**

- i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.
- ii) Contractor covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.
- iii) Upon the request of the County, Contractor must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Contractor is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Contractor's past or present clients. If Contractor becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.
- iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.
- v) The Contractor further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Contractor's Services for others conflict with the Services Contractor is to render for the County under this Agreement, Contractor must terminate such other services immediately upon request of the County.

- vi) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

ARTICLE 9: EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

a) Events of Default Defined

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the County.
- ii) Contractor's material failure to perform any of its obligations under this Agreement including the following:
 - (a) Failure due to a reason or circumstances within Contractor's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;
 - (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

- (d) Discontinuance of the Services for reasons within Contractor's reasonable control; and
 - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Contractor without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
 - iv) Contractor's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Contractor acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
 - v) Failure to comply with Article 7 in the performance of the Agreement.
 - vi) Contractor's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

b) Remedies

The occurrence of any event of default permits the County, at the County's sole option, to declare Contractor in default. The Chief Procurement Officer may in his sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Contractor in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Contractor fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the County would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Contractor under this Section 9.b;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Contractor's compensation under this Agreement;
- vi) The right to consider Contractor non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Contractor. The County will give notice to Contractor in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Contractor or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) Right to Offset

i) In connection with performance under this Agreement:

The County may offset any excess costs incurred:

- (i) if the County terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;
- (ii) if the County exercises any of its remedies under Section 9.b of this Agreement; or
- (iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Contractor is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g.) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Contractor shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

iii) **No Omissions**

Contractor acknowledges that Contractor was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) **Modifications and Amendments**

The parties may during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Contractor is hereby notified that, except for modifications and amendments which are made in accordance with this Section 10.c, Modifications and Amendments, no County department or employee thereof has authority to make any modification or amendment to this Contract.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Contractor must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the County's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

i) Independent Contractor

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Contractor must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

- i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.

7.2.3 Executive Summary

By now, it is abundantly clear that youth violence does not erupt in a vacuum. Rather, there are a host of individual, family, peer, and community risk factors that provide fertile soil for violence.

Since 2010, Lawndale Christian Legal Center (LCLC) has been working to target the risk factors for violence among court-involved youth. LCLC's services are based on an integrated team approach; LCLC uniquely integrates the work of attorneys with that of social workers and other support staff to simultaneously decrease the impact of Disproportionate Minority Contact on youth that are charged with violent crimes, while addressing the underlying causes of violence in the North Lawndale community. In all its provisions, LCLC recognizes the prevalence of trauma and co-occurring disorders among its youth and has tailored its wholistic program to maximize cultural and logistical accessibility for court-involved youth.

Under this RFP, LCLC proposes to provide sustained multi-pronged services for court-involved youth that target their risk factors for violence, including mental health and behavioral counseling, substance abuse counseling, employment training and placement, mentoring, tutoring, and legal services. All staff and volunteers working with youth are trained in a strength based approach to intervention and relationship-building. LCLC's overall focus is on enhancing participants' functioning and behavior, developing skills for living a productive life within the community, and engaging in behaviors that contribute to positive outcomes in society.

LCLC will provide all of its comprehensive services to youth under this RFP, and RFP funds will be used specifically to enhance LCLC's case management component, which assists youth with short and long term goal setting and increases the rate of access to LCLC's wholistic

services and other community providers. Under this program, case managers and mentors walk alongside court-involved youth, appearing at their court dates, providing mentoring, and helping youth access services and attaining evaluations. These activities have been shown through research to be effective in addressing youth involvement with gangs, lack of involvement in conventional activities, poor academic performance, diminished economic opportunities, and low levels of community participation, all of which are risk factors for violence. Court-involved youth are particularly susceptible to such risk factors. Pending the final grant award date, from the period of August 1, 2014 through July 31, 2015, LCLC will provide these services to 50 court-involved youth (i.e. youth that have been arrested, or are on parole, probation, or supervision).

LCLC's Case Management Team, Kilo Sims, Kelvin Hampton, and Rona Clark, will be the team implementing this RFP. Specifically, Kilo Sims, Youth Case Manager is charged to the budget of this RFP. The Case Management Team works under the supervision of LCLC Lead Attorney/Executive Director, Cliff Nellis, and LCLC Director of Operations & Development, Danae Kovac.

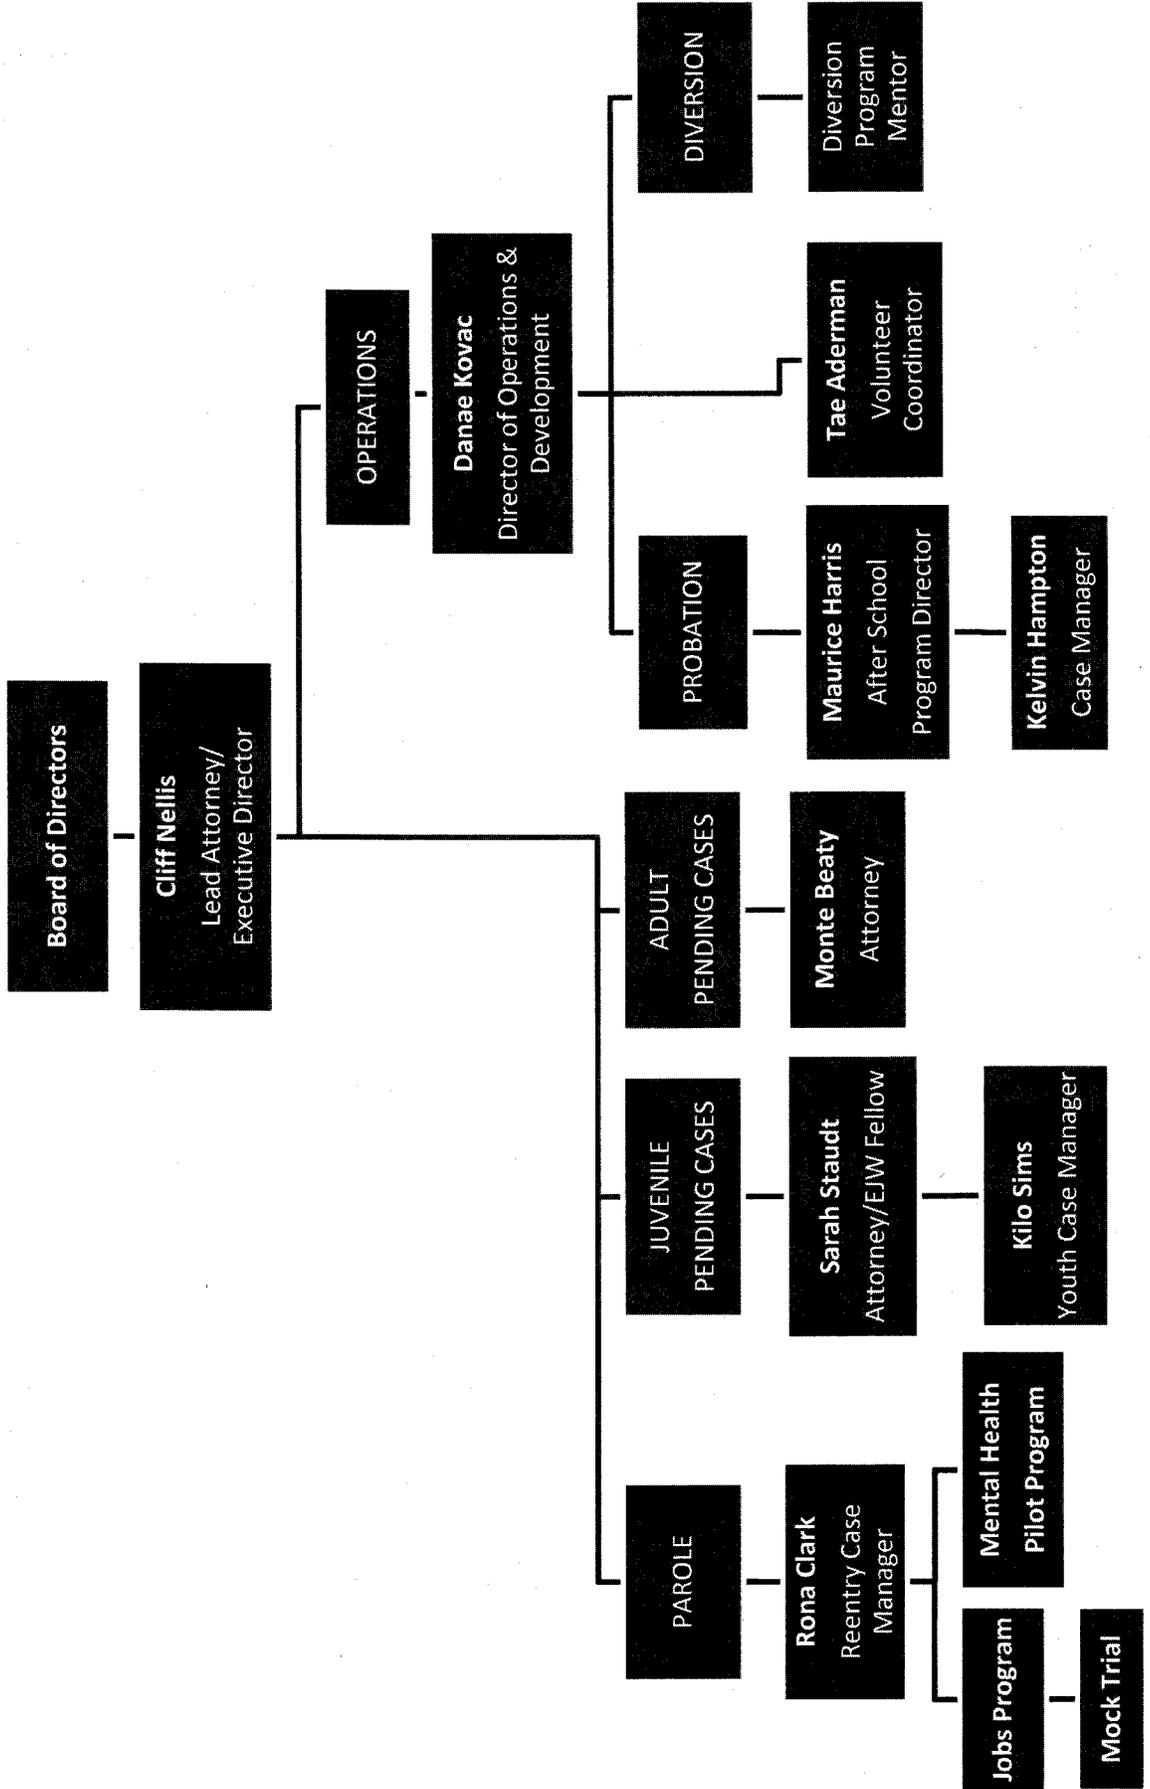

LCLC will track the rates at which youth are accessing services, as well as their involvement in violent crime, as measured by charges brought against them, for which the youth are found guilty.

LCLC's organizational staff chart is attached. Please note that volunteers, not represented here, are an integral part of LCLC's program as well.

Organizational Chart

7.2.4 Proposed Plan of Action/Program Plan

Section A: Description of Problem

The estimated violent crime index in Chicago's North Lawndale community is 41% higher than the City of Chicago average. According to the Chicago Tribune Crime in Chicagoland chart, which aggregates Chicago Police Department data, North Lawndale currently ranks fourth (tied) among Chicago's 77 community areas for violent crimes. Robbery, battery, and assault are the most prominent types of violent crime in the neighborhood.

While the national juvenile violent crime rate has been declining in recent years, and, according to the Office of Juvenile Justice and Delinquency Prevention, reached its lowest level in 2011 since 1980, violent crime and homicides remain a problem in many of Chicago's most economically disadvantaged neighborhoods, including North Lawndale. Additionally, studies show that even if a youth is not a direct victim of a violent crime, simply living within a 1,500 foot radius of a homicide location can have a negative effect on verbal and impulse control as well as place entire communities in perpetual states of fear and trauma induced stress. This places a majority of North Lawndale youth at risk, where in April 2014 alone there were two shootings, one resulting in the death of a 19 year old male.

Section B: Description of Target Population

Lawndale Christian Legal Center (LCLC) exclusively serves North Lawndale youth, age 24 and younger, who are involved with the criminal justice system at some level. LCLC works with youth at all stages of involvement with the criminal justice system including diversion, pending cases in juvenile and adult criminal courts, probation, supervision, and parole. The demand for LCLC's services far exceeds its capacity as there are over 1,500 juvenile arrests in North Lawndale annually.

LCLC stays with youth throughout their entire duration with the criminal justice system. Youth served are overwhelmingly young men of color. 98% of LCLC's clients are African American and 90% are male.

Youth reflect the broader statistics of their neighborhood. North Lawndale is notorious for leading Chicago in high rates of child poverty, high school dropouts, and neighborhood violence. According to a 2011 report commissioned by the Steans Family Foundation, over 71% of children and youth in North Lawndale live below the poverty line, and the 2010 Census reports that the median household income is \$25,797. Chicago Public Schools data shows a 33% high school dropout rate in North Lawndale high schools, and the violent crime rate is 2.3 reports per 1,000 residents, Chicago's fourth highest.

North Lawndale is geographically bounded by the Eisenhower Expressway (north) to Cermak Rd. (south) and Western Ave. (east) to Cicero Ave. (west).

While there are no simple answers to the question of why some youth engage in violence while others do not, many risk factors for youth violence have been identified and validated. Effective protective factors that counter these risk factors will address the specific

developmental and contextual needs of youth at risk for violence. According to a 2001 report published by the U.S. Department of Health and Human Services, "The most powerful early predictors of violence among youth are involvement in general offenses (serious, but not necessarily violent, criminal acts..." Successful anti-violence programs will target youth that are currently involved in general offenses. Sadly, these youth are not hard to find – they are the thousands of court-involved youth in Cook County that become entangled with the criminal justice system at an early age. A program that is tailored to court-involved youth will have a significant impact in reducing violence among youth in general.

Section C: Program Implementation Plan & Implementation Schedule

With this RFP, Lawndale Christian Legal Center (LCLC) proposes to expand its work of providing integrated legal and social services to court-involved youth, age 24 and younger, in North Lawndale, one of the most violent communities of Cook County.

LCLC recognizes that the legal and social needs of court-involved youth are inextricably intertwined and is one of a handful of organizations in Cook County providing integrated legal and social services for youth. LCLC's attorneys and social workers work together to provide continuing support and advocacy through youths' legal cases and to the end of any sentencing period. By surrounding court-involved with attorneys as well as case managers, tutors, mentors, and others, LCLC is in a unique position to increase youths' access to justice, in concert with social services that facilitate compliance with court orders and address the underlying needs of court-involved youth.

LCLC enrolls youth on a rolling basis and will serve 50 youth during the grant period.

LCLC's program model is as follows:

1. **Referral, Intake/Assessment, Program Enrollment:** Youth are referred on an ongoing basis through various partners including Cook County Juvenile Probation Department, Public Defender's Office for juvenile cases in North Lawndale, community partners, and word of mouth. Referred youth meet with an attorney for a Legal Intake that assesses the youth's criminal history as well as legal needs. Youth also meet with a social worker for a Social Intake that assesses the youth's social history and psycho-social needs. The attorney and social worker then present a report to LCLC's Selection Committee, which votes on whether or not a youth should be accepted into LCLC's program.

- 2. Drafting of Game Plan:** Once accepted into LCLC's program, the youth works with a social worker or case manager to draft a Game Plan, which is at the heart of LCLC's rehabilitative services for the youth. With the help of needs assessments conducted by LCLC staff, youth self-identify goals that will help him or her permanently walk away from the criminal justice system, i.e., those dynamic criminogenic factors particular to his life. These goals include educational or job attainment; mental health interventions; substance abuse treatment; and any other social skills that a youth and his or her case manager may deem important to reducing risks of violence and recidivism. If needed, LCLC staff will ask volunteer psychologists to perform additional assessments that may inform the Game Plan. LCLC staff will also engage the youth's existing support system, including family members, teachers, extant mentors, or probation officers, for input regarding the Game Plan. A mentor, if known, is paired with a youth at this point and can help the youth draft his Game Plan.
- 3. Implementation of Game Plan:** Dependent on the youth's needs, youth will meet frequently with LCLC staff and his mentor to discuss progress on the Game Plan. The Game Plan, in essence, provides protective factors tailored to each youth's risk for violence. LCLC's role as serving as a Restorative Justice Hub (RJ Hub) in North Lawndale is key to effectively linking youth to resources needed to be successful and violence free while maintaining a strong presence in their life. As their name implies, RJ Hubs are grounded in the principles and practices of restorative justice, a powerful approach to anti-violence work and peace-building across Cook County. Equally importantly, RJ Hubs are grassroots organizations rooted in specific communities, rather than a centralized,

systems-based approach, to provide contextualized community based alternatives which incorporate the unique factors of that community. The focus of restorative justice is repairing the harm caused by crime and conflict; engaging victims, offenders, and community to address the harm, restore relationships, promote competency, and community safety. RJ Hubs are safe spaces in the community where youth are welcomed and supported in building healthy relationships, expressing themselves, addressing trauma, and developing necessary skills and competencies. LCLC shares best practices around the implementation of RJ Hubs with the Leadership Circle, which includes Precious Blood Ministry of Reconciliation, New Life Centers Urban Life Skills, Community Justice for Youth Institute, and Cook County juvenile probation officials.

- 4. Graduation and Alumni Club:** LCLC works with youth from the time they are accepted into LCLC's program until the end of any period of probation, supervision, or parole. Studies generally find that the risk of recidivism is highest during the first year after admission to probation. Thus, LCLC's goal is to work intensively with youth during this vulnerable period and make sure that there are no obstacles to complying with probation/parole orders, and that the underlying needs of youth are addressed to reduce risk factors for recidivism. Once youth have successfully completed their court-ordered sentences, as well as have demonstrated reduction in risk factors for recidivism, LCLC staff vote on whether they can graduate from LCLC's program. Upon graduation, youth join LCLC's Youth Alumni Club and remain in contact with LCLC and its staff through social activities and continued open resources. The Alumni Club enables LCLC to continue to provide support to its youth and facilitates long-term tracking of outcomes.

Section D: Expected Outcomes

As a result of LCLC's comprehensive multi-modal services, LCLC expects to achieve the following goal, with related objectives and measurement tools noted.

Goal: To decrease the number of youth at risk for, and engaging in, violent acts.

Objective 1: 75% of youth receiving services under this RFP will meet at least once a week with his mentor.

Measurement Tool: The Mentor Coordinator will be responsible for tracking youth meetings with their mentors.

Objective 2: 75% of youth receiving services under this RFP will have shown monthly progress on their Game Plan.

Measurement Tool: LCLC case managers, mentors, and other members of a youth's support team will meet regularly with youth and track progress on individual Game Plans.

Objective 3: As a result of receiving legal representation through and participating in LCLC's wholistic program, the percentage of youth committing general offenses, including probation, supervision, or parole violations will be 25% (25 points below the recidivism rate for Illinois) over the grant period.

Measurement Tool: LCLC attorneys and case managers will keep track of technical violations as well as new offenses committed by our youth.

Objective 4: As a result of the committed and zealous advocacy of LCLC Attorneys, the percentage of RFP youth found guilty of committing violent offenses will be less than 15% of LCLC's youth.

Measurement Tool: LCLC attorneys and case managers will keep track of sentences resulting from any charges filed against youth.

Section E: Planning & Preparation Activities

Lawndale Christian Legal Center (LCLC) is currently building an online database system with New Life Centers Urban Life Skills, Precious Blood Ministry of Reconciliation, and the Adler School of Professional Psychology to enable better tracking of outcomes and youth's participation in programs. The system is estimated to roll out by the end of June 2014 and will assist LCLC with internal data tracking as well as allow Adler School of Professional Psychology to conduct evaluation across all Restorative Justice Hubs to measure the impact of restorative justice practices across the City of Chicago.

Upon notification of the grant award, Kilo Sims, LCLC Youth Case Manager will be trained in all aspects of tracking and reporting required for this RFP.

7.2.5 Qualifications of the Proposer

North Lawndale was once the headquarters of industrial giants like Sunbeam and Sears, Roebuck and Co. Within two short years of the riots that followed Dr. King's assassination in 1968, 75% of North Lawndale's businesses had left the area, precipitating drastic socioeconomic decline (Steans Family Foundation, 2009).

Lawndale Christian Legal Center (LCLC) was conceived in 1978, when members of Lawndale Community Church surveyed a group of North Lawndale residents about their greatest needs amid the devastated community. The residents listed inexpensive health care, a basketball gym, improved housing, and competent and affordable legal services. Within a decade, the church founded a thriving medical center, fitness center with a basketball gym, and development corporation. It wasn't until 2009, however, that the church had the means to establish a legal center. By January 2010, the church voted to found LCLC as a separate public benefit corporation, and in April 2010, LCLC opened its doors as a 501c3 non-profit with Cliff Nellis, a resident of North Lawndale and graduate of the University of Chicago Law School, as the Lead Attorney and executive director.

Concurrently with LCLC's incorporation, the North Lawndale community was surveyed once more. Given the staggering number of juvenile arrests in the community, Mr. Nellis asked North Lawndale youth what services they or other youth entangled in the criminal justice system needed. In addition to legal services, nearly every youth identified mentoring and positive peer groups, as well as a comprehensive approach to their social needs. In response to the youth focus groups, as well as published data on the effectiveness of wholistic programs in reducing recidivism, LCLC was established to take a wholistic approach to walking court-

involved youth through – and away from – the criminal justice system to become good citizens and leaders of the community.

LCLC accomplishes this by providing integrated legal and social services that surround youth with a multi-pronged support system that enables them to affirmatively exercise their legal rights during trial and successfully comply with court ordered sentences while pursuing educational and vocational achievement. LCLC integrates case management, mentoring, job training, mental health services, tutoring, peer groups, peace circles, and community service with zealous legal representation for court-involved youth. LCLC attorneys work closely with case managers, mentors, Educational Advocates, probation officers, and others to provide comprehensive services to youth unavailable elsewhere. LCLC attorneys represent youth at all criminal proceedings, including pre-trial, trial, and post-trial hearings during their sentencing period of probation, supervision, or parole. LCLC works exclusively with North Lawndale youth, age 24 and younger, who are involved in the criminal justice system at some level, and in 2013, LCLC served 177 youth.

LCLC has grown to currently have nine full-time staff members and is served by an eleven-member Board of Directors, an Advisory Board of professionals that includes seasoned attorneys, social service providers, and educators; and a corps of volunteers that serve in various capacities.

LCLC is strategically housed in a youth center located in North Lawndale, a location familiar to the community and friendly to youth. The youth center has a gym and mentoring room on the first floor and a computer lab and classroom on the second floor. LCLC's offices, a full kitchen, and conference room are on the third floor.

- (1) Lack of sufficient qualified MBEs and/or WBEs capable of providing the goods or services required by the contract. (Please explain)
