AGREEMENT

This Agreement is made and entered into by and between the County of Cook, a public body corporate of the State of Illinois, on behalf of Office of the Chief Procurement Officer hereinafter referred to as "County" and Woodlawn East Community and Neighbors, doing business as a Not-for-Profit of the State of Illinois, hereinafter referred to as "Contractor".

BACKGROUND

The County of Cook issued a Request for Proposals "RFP" for Violence Prevention, Intervention and Reduction Mini-Seed Grants. Proposals were evaluated in accordance with the evaluation criteria published in the RFP. The Contractor was selected based on the proposal submitted and evaluated by the County representatives.

Contractor represents that it has the professional experience and expertise to provide the necessary services and further warrants that it is ready, willing and able to perform in accordance with the terms and conditions as set forth in this Agreement.

NOW, THEREFORE, the County and Contractor agree as follows:

TERMS AND CONDITIONS

ARTICLE 1: INCORPORATION OF BACKGROUND

The Background information set forth above is incorporated by reference as if fully set forth here.

ARTICLE 2: DEFINITIONS

a) Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

"**Additional Services**" means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Article 3, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the Chief Procurement Officer in a written modification to this Agreement before Contractor is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.

"**Agreement**" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"**Chief Procurement Officer**" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"**Department**" means the Cook County Using Department.

"**Services**" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"**Subcontractor**" means any person or entity with whom Contractor contracts to provide any part of the Services, including subcontractors and subcontractors of any tier, suppliers and materials providers, whether or not in privity with Contractor.

b) Interpretation

- i) The term "**include**" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.
- ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.
- iii) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.
- iv) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.
- v) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.
- vi) All references to a number of days mean calendar days, unless expressly indicated otherwise.

c) Incorporation of Exhibits

The following attached Exhibits are made a part of this Agreement:

- Exhibit 1 Scope of Services
- Exhibit 2 Schedule of Compensation
- Exhibit 3 Evidence of Insurance
- Exhibit 4 Economic Disclosure Statement Forms

ARTICLE 3: DUTIES AND RESPONSIBILITIES OF CONTRACTOR

a) Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Contractor must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) Deliverables

In carrying out its Services, Contractor must prepare or provide to the County various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its commitments under this Agreement.

c) Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Contractor either under this Agreement, at law or in equity.

d) Personnel

i) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Contractor must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Department may at any time in writing notify Contractor that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Contractor must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Contractor and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women's Business Enterprises Commitment**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Contractor must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director. Contractor's completed MBE/WBE Utilization Plan evidencing its compliance with this requirement are a part of this Agreement, in Section 1 of the Economic Disclosure Statement, upon acceptance by the Compliance Director. Contractor must utilize minority and women's business enterprises at the greater of the amounts committed to by the Contractor for this Agreement in accordance with Section 1 of the Economic Disclosure Statement.

f) Insurance

Prior to the effective date of this Contract, the Contractor, at its cost, shall secure and maintain at all times, unless specified otherwise, until completion of the term of this Contract the insurance specified below.

Nothing contained in these insurance requirements is to be construed as limiting the extent of the Contractor's responsibility for payment of damages resulting from its operations under this Contract.

Contractor shall require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements as Contractor or as specified otherwise. Contractor is responsible for any deductibles or self-insured retentions.

The Cook County Department of Risk Management maintains the right to modify, delete, alter or change these requirements.

In no event shall any failure of the County to receive certificates of insurance required hereof or to demand receipt of such Certificates of Insurance be construed as a waiver of Contractor's obligations to obtain insurance pursuant to these insurance requirements.

iv) **Waiver of Subrogation Endorsements**

All insurance policies must contain a Waiver of Subrogation Endorsement in favor of Cook County.

g) **Indemnification**

The Contractor covenants and agrees to indemnify and save harmless the County and its commissioners, officials, employees, agents and representatives, and their respective heirs, successors and assigns, from and against any and all costs, expenses, attorney's fees, losses, damages and liabilities incurred or suffered directly or indirectly from or attributable to any claims arising out of or incident to the performance or nonperformance of the Contract by the Contractor, or the acts or omissions of the officers, agents, employees, contractors, subcontractors, licensees or invitees of the Contractor. The Contractor expressly understands and agrees that any Performance Bond or insurance protection required of the Contractor, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify the County as hereinabove provided.

Contractor shall comply with the applicable privacy laws and regulations affecting County and will not disclose any of County's records, materials, or other data to any third party. Contractor shall not have the right to compile and distribute statistical analyses and reports utilizing data derived from information or data obtained from County without the prior written approval of County. In the event such approval is given, any such reports published and distributed by Contractor shall be furnished to County without charge.

All documents, data, studies, reports, work product or product created as a result of the performance of the Contract (the "Documents") shall be included in the Deliverables and shall be the property of the County of Cook. It shall be a breach of this Contract for the Contractor to reproduce or use any documents, data, studies, reports, work product or product obtained from the County of Cook or any Documents created hereby, whether such reproduction or use is for Contractor's own purposes or for those of any third party. During the performance of the Contract Contractor shall be responsible of any loss or damage to the Documents while they are in Contractor's possession, and any such loss or damage shall be restored at the expense of the Contractor. The County and its designees shall be afforded full access to the Documents and the work at all times.

i) Patents, Copyrights and Licenses

If applicable, Contractor shall furnish the Chief Procurement Officer with all licenses required for the County to utilize any software, including firmware or middleware, provided by Contractor as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Contractor agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and Contractors' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Contractor's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

j) Examination of Records and Audits

The Contractor agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after the final payment under the Contract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices, and records of the Contractor related to the Contract, or to Contractor's compliance with any term, condition or provision thereof. The Contractor shall be responsible for establishing and maintaining records sufficient to document the costs associated with performance under the terms of this Contract.

If Contractor carries out any of its duties under the Agreement through a subcontract with a related organization involving a value of cost of \$10,000.00 or more over a 12 month period, Contractor will cause such subcontract to contain a clause to the effect that, until the expiration of four years after the furnishing of any service pursuant to said subcontract, the related organization will make available upon request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of said subcontract and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of such costs. k) Subcontracting or Assignment of Contract or Contract Funds

In no case, however, shall such approval relieve the Contractor from its obligations or change the terms of the Contract. The Contractor shall not transfer or assign any Contract funds or any interest therein due or to become due without the advance written approval of the Chief Procurement Officer. The unauthorized subcontracting or assignment of the Contract, in whole or in part, or the unauthorized transfer or assignment of any Contract funds, either in whole or in part, or any interest therein, which shall be due or are to become due the Contractor shall have no effect on the County and are null and void.

Copies of subcontracts shall be provided to the Chief Procurement Officer upon request.

- iii) warrants that it will not knowingly use the services of any ineligible Contractor or Subcontractor for any purpose in the performance of its Services under this Agreement;
- iv) warrants that Contractor and its Subcontractors are not in default at the time this Agreement is signed, and have not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the County ;

- v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Contractor warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
- vi) represents that Contractor and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and
- vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

b) Ethics

In addition to the foregoing warranties and representations, Contractor warrants:

- i) no officer, agent or employee of the County is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.
- ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

c) Joint and Several Liability

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

d) Business Documents

At the request of the County, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) **Conflicts of Interest**

- i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.
- ii) Contractor covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.
- iii) Upon the request of the County, Contractor must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Contractor is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Contractor's past or present clients. If Contractor becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.
- iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.
- v) The Contractor further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Contractor's Services for others conflict with the Services Contractor is to render for the County under this Agreement, Contractor must terminate such other services immediately upon request of the County.

- vi) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

ARTICLE 9: EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

a) Events of Default Defined

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the County.
- ii) Contractor's material failure to perform any of its obligations under this Agreement including the following:
 - (a) Failure due to a reason or circumstances within Contractor's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;
 - (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

- (d) Discontinuance of the Services for reasons within Contractor's reasonable control; and
 - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Contractor without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
 - iv) Contractor's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Contractor acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
 - v) Failure to comply with Article 7 in the performance of the Agreement.
 - vi) Contractor's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

b) Remedies

The occurrence of any event of default permits the County, at the County's sole option, to declare Contractor in default. The Chief Procurement Officer may in his sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Contractor in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Contractor fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the County would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Contractor under this Section 9.b;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Contractor's compensation under this Agreement;
- vi) The right to consider Contractor non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) **Early Termination**

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Contractor. The County will give notice to Contractor in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Contractor or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) Right to Offset

i) In connection with performance under this Agreement:

The County may offset any excess costs incurred:

- (i) if the County terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;
- (ii) if the County exercises any of its remedies under Section 9.b of this Agreement; or
- (iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Contractor is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g.) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Contractor shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

iii) **No Omissions**

Contractor acknowledges that Contractor was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) **Modifications and Amendments**

The parties may during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Contractor is hereby notified that, except for modifications and amendments which are made in accordance with this Section 10.c, Modifications and Amendments, no County department or employee thereof has authority to make any modification or amendment to this Contract.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Contractor must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the County's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

i) Independent Contractor

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Contractor must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

- i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.
- ii) Contractor is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.

WOODLAWN RESTORATIVE JUSTICE HUB PROPOSAL

EXECUTIVE SUMMARY

In the last 7 years the Woodlawn area experienced 72 youth homicides. Much of this violence is gang related. Woodlawn has the 8th highest number of youth in the juvenile detention center among communities in Chicago, yet Woodlawn youth programs serve less than 100 “high risk” youth.¹

The Woodlawn Restorative Justice (RJ) Hub Pilot Program will leverage relationships with gang affiliated “high-risk” youth from conflicting gang territories to interrupt their violent behavior and engage them in a long-term leadership development, violence prevention, and peace building initiative. The Woodlawn RJ Hub is part of a developing city-wide learning community and network of RJ Hubs.

The Goals of the Woodlawn RJ Hub are to:

- 1) Reduce violence
- 2) Develop community capacity to hold restorative justice peace circles
- 3) Create a long-term mentorship support system for youth who are most at risk
- 4) Develop youth civic leadership
- 5) Support mental health with trauma informed therapy
- 6) Develop marketable skills, work experience, and job readiness

The program is structured as 2 identical parallel programs that run simultaneously but separately with youth from 2 gang territories that are in conflict. Over the course of the program we will strategically foster a peace building dialogue across the groups.

Summer Program

The program begins in July with 2 parallel intensive 6-week summer programs. Each program will recruit 5 gang-affiliated “high-risk” youth to participate (10 total). Participants will receive stipends of \$150 per week. Each program will recruit an additional 10 youth to participate voluntarily in weekly program activities (20 additional youth served). The program will run 4 - 8pm, 4 days per week and includes:

- 1) **Restorative Justice** – a four-day RJ peace circle training followed by weekly circles.
- 2) **Civic Engagement** – training in organizing skills followed by weekly activities.
- 3) **Trauma Informed Art and Cognitive Behavioral Therapy** – hip-hop & video.
- 4) **Job Training** – in post construction clean up, maintenance and festival clean up.
- 5) **Mentorship** – All youth will be assigned a mentor (ratio of 2:1) with whom they will check-in weekly, create a life-plan, and participate in Friday Mentorship Nights.
- 6) **Case Management** - will manage mentor relationship and progress on life-plans.

¹ According to a 2012 analysis by Fearless Leading by the Youth, (FLY).

Fall through Spring we will continue to engage the youth through:

- Job placements
- Monthly civic engagement workshops and activities
- Monthly restorative justice peace circles
- One-on-one weekly check in with mentors
- Monthly group art / CBT therapy nights and/or mental health service referrals
- Every second Friday Mentorship Group Nights
- Youth will be given \$20 weekly stipends for participating in weekly activities.

Evaluation

Evaluation will be done by Adler School's Institute on Public Safety and Social Justice.

Key Personnel

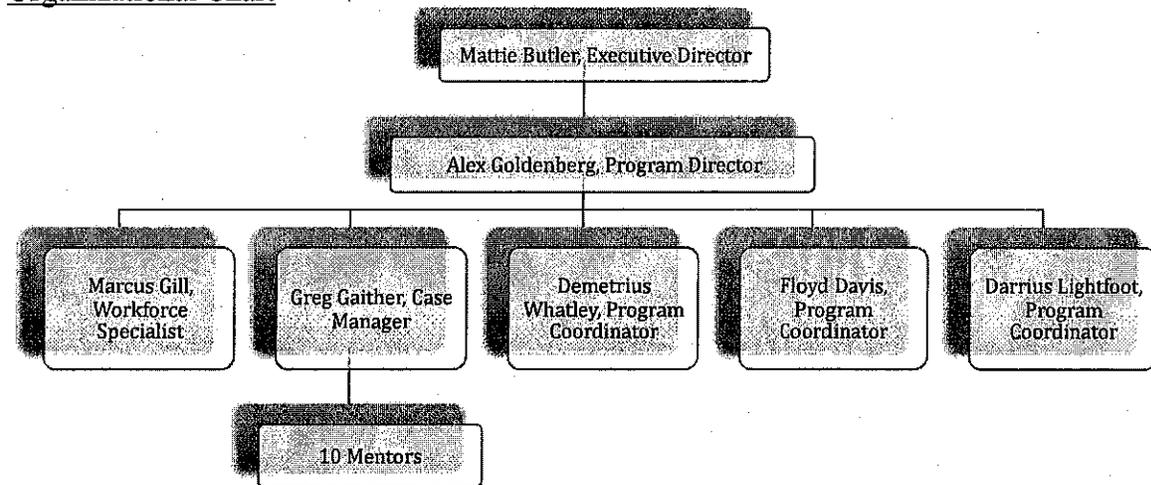

The Woodlawn RJ Hub Pilot Program will be run by a collaboration of Woodlawn youth programs and a community based business. Four key personnel, or 67% of our personnel, are former gang affiliated, victims and perpetrators of violence, who are now Woodlawn youth development workers and have relationships with youth in our target population.

Alex Goldenberg, Program Director, and Darrius Lightfoot, Program Coordinator, from Fearless Leading by the Youth will coordinate restorative justice and civic engagement components. The Community Justice Institute for Youth will do a RJ circle training.

Demeatreas Whatley and Floyd Davis of the Woodlawn Battle on Wax for Peace and Greg Gaither from the Woodlawn Re-Entry Program will coordinate the trauma informed art and cognitive behavioral therapy. Greg Gaither, an Illinois State Board of Education Certified School Social Worker, will also serve as case manager and mentor coordinator.

Marcus Gill from Dust Em Clean, a community-based business that is awarded clean up contracts with summer festivals, will coordinate job training.

Organizational Chart

Section A: Agency Description

Woodlawn East Community and Neighbors (WECAN) is a non profit social service agency that serves low income residents in Woodlawn and the surrounding communities. WECAN owns and operates affordable housing units, and provides CEDA services. WECAN convened a collaboration of Woodlawn youth programs and a community based business, which formed the Woodlawn Restorative Justice Hub Pilot Program, these programs include: Fearless Leading by the Youth, the Woodlawn Battle on Wax for Peace, and Dust Em Clean.

Fearless Leading by the Youth (FLY) was founded in 2007 as a youth civic engagement organization that focuses on organizing and leadership development. FLY works with youth ages 14-23 from west Woodlawn many of whom were/are gang affiliated. FLY holds leadership development trainings and engages youth through hands on social justice campaigns. One of FLY's major campaigns is to develop community based restorative alternatives to juvenile detention. FLY also trains its leaders in keeping restorative justice peace circles. FLY uses peace circles to peacefully resolve several potentially violent conflicts among west Woodlawn youth. FLY's also leads another major campaign which is to advocate for a south side trauma center.

The Woodlawn Battle on Wax for Peace organization was born out of the meeting of two residents from opposite sides of a gang line that runs through the Woodlawn community. Having positively transformed their own lives they now seek to transform the lives of Woodlawn's gang involved youth. Mr. Demeatreas Whatley and Mr. Floyd Davis are two gang intervention specialists who saw a need to not only focus on ending violent behavior but also promoting opportunities for entrepreneurship and positive development. Founded in 2009, Battle on Wax has engaged gang affiliated Woodlawn youth through the development of hip hop music and art therapy. Over the past 4 years, Battle on Wax has interrupted and mediated dozens of potentially violent conflicts.

Dust Em Clean was established in 1996 and operates out of the Woodlawn area. Dust Em Clean has maintained a reputation of hiring underserved and underemployed Woodlawn community residents. Over the years Dust Em Clean has employed hundreds of Chicagoans in the field of post-construction cleaning, lawn care, snow removal and commercial cleaning.

Section B: Statement of Agency/Organizational Need

Organizational Strengths: Fearless Leading by the Youth (FLY) has adult mentors and core youth leaders trained by Cheryl Graves from the Community Justice Institute for Youth in keeping restorative justice peace circles and they have practiced holding peace circles for over 2 years. FLY also has over 5 years of experience running youth civic engagement and leadership development. Woodlawn Battle On Wax for Peace has deep relationships with youth from two conflicting gang territories in the Woodlawn community and two strong mentor/leaders who are experienced and trusted gang intervention/specialists. Dust Em Clean has experience hiring, training and retaining hard to employ youth. FLY, Battle on Wax and Dust Em Clean all have strong African American male leaders/mentors who are from the community they serve.

Weaknesses: One weakness common to each of the three organizations is that we offer a limited set or type of service/intervention. Through collaboration we are able to more holistically address the needs of young people in Woodlawn.

Opportunities for growth, service expansion and capacity building: FLY, through its parent organization Southside Together Organizing for Power recently received a grant from the Cricket Island Foundation which has brought FLY organizers to a table with other leading youth leadership organizations from around the city to learn about organizational development best practices. These best practices will be incorporated into the work of the Woodlawn Restorative Justice Hub, they include: evaluation, board development and fundraising.

FLY, Battle on Wax and Dust Em Clean have deep relationships with gang affiliated youth from Woodlawn who they have only engaged minimally in their work. Through collaboratively drawing on our strengths we will grow our capacity to deeply engage more of these young people.

Finally, Dust Em Clean has recently acquired contracts with several concert venues and park district facilities which can provide job opportunities for the young people we work with through the Woodlawn Restorative Justice Hub.

Section C: Proposed Scope of Work

The Program's Goals are to: 1) Reduce violence; 2) Develop community capacity to hold restorative justice peace circles; 3) Create a mentorship support system for youth who are most at risk; 4) Develop youth as artists; 5) Provide mental health services; and 6) Develop marketable skills.

Program design: The program will serve 30 youth ages 15-23. It is structured as 2 identical parallel programs that run simultaneously but separately with youth from 2 gang territories that are in conflict. Over the course of the program we will strategically foster a peace building dialogue across the groups.

The Woodlawn Restorative Justice Hub includes six major components:

- 1) **Restorative Justice** – A four-day Restorative Justice peace circle keeping training will be done by the Community Justice Institute for Youth and will train program participants, mentors and ten community leaders. The training will be followed by weekly, then monthly RJ peace circles which will serve various purposes including: check ins, grieving circles, conflict resolution circles, and mutual support circles.
- 2) **Civic Engagement** – A four-module training in community organizing skills will be conducted with program participants and community leaders. The trainings will be followed by weekly community organizing activities including outreach, public speaking, and participatory research around an issue of concern to participants.
- 3) **Trauma Informed Art and Cognitive Behavioral Therapy** - a 5 module hip-hop and cognitive behavioral group therapy session will unpack issues of concern and traumatic experiences followed by weekly group therapy sessions or workshops.
- 4) **Job Training** – Participants will complete standard applications for Dust Em Clean, a community based maintenance company. They will go through a training on soft skills and then receive on the job training.
- 5) **Mentorship** – All youth will be assigned a mentor (2:1 ratio) with whom they will check-in weekly and create a life-plan. Mentors and program participants will participate in Friday Mentorship Nights.
- 6) **Case Management** - A case manager will manage the cases of each participant including their mentor relationship and progress on their life-plan. The case manager will also accompany youth in signing up for GED programs, city colleges and other relevant programs.

QUALIFICATIONS OF THE PROPOSER

Woodlawn East Community and Neighbors (WECAN) is a non profit social service agency whose mission is to address the changing needs and issues of Woodlawn and the surrounding communities by enriching and enhancing the lives of the residents.

WECAN was founded in 1980 and is a founding member of Chicago Rehab Network. In the 1980s WECAN established a Telephone Answering Service and advocated for affordable housing. In 1989 Mattie C. Butler, Executive Director of WECAN, was wrecognized with a Petra Foundation Award for Community Development. WECAN was a catalyst that led to Woodlawn's designation as an Empowerment Zone. WECAN owns and operates several affordable housing units, operates a Housing Resource Center, and provides CEDA services. WECAN is also active in community planning processes include the New Communities Program and the Network of Woodlawn. WECAN currently employs 8 people full time and 15 people part time. WECAN has operated several youth programs throughout the years and through community planning processes has built relationships with other youth program providers in the neighborhood. The Woodlawn Restorative Justice Hub Pilot Program will leverage these relationships by fostering collaboration that will lead to greater impact. The youth organizations and community based business which WECAN is collaborating with include: Fearless Leading by the Youth, the Woodlawn Battle on Wax for Peace, the Woodlawn Re-Entry Program and Dust Em Clean. *Woodlawn East Community and Neighbors - 6450 S. Fearless Leading by the Youth (FLY) was founded in 2007 as a youth civic engagement organization that focuses on organizing and leadership development. One of FLY's major campaigns is to develop community based restorative alternatives to juvenile detention. FLY's core members have been trained in keeping restorative justice peace circles by Cheryl Graves from the Community Justice Institute for Youth. FLY uses peace circles to peacefully resolve potentially violent conflicts and build community. FLY's other major campaign advocates for the expansion of trauma care on the south side. FLY's program budget is \$60,000 per year. *602 E 61ST Street - 773.217.9598 - flyleadingbytheyouth@gmail.com.* Reference: Cheryl Graves, Community Justice Institute for Youth, cheryl@cjiyi.org, 312-842-5345. The Woodlawn Battle on Wax for Peace organization was born out of the meeting of two residents from opposite sides of a gang line that runs through the Woodlawn community. Having positively transformed their own lives they now seek to transform the lives of Woodlawn's gang involved youth. Mr. Demeatreas Whatley and Mr. Floyd Davis are two gang intervention specialists who saw a need to not only focus on ending violent behavior but also promoting opportunities for entrepreneurship and positive development. Founded in 2009, Battle on Wax has engaged gang affiliated Woodlawn youth through the development of hip hop music and art therapy. Over the past 3 years, Battle on Wax has interrupted and mediated dozens of potentially violent conflicts. *<http://www.battleonwax.org> - demeatreaswhatley@yahoo.com - 1210 E 62nd ST - 312.217.0829.*

The Woodlawn Re-Entry Program was launched in 2011 with funding from the Illinois Violence Prevention Authority (IVPA) Neighborhood Recovery Initiative (NRI), to serve community aftercare needs of formerly incarcerated youth/young adults (age 12-24yrs) returning to Woodlawn from Illinois Department of Juvenile Justice (IDJJ). The Re-Entry Program staff included a Project Coordinator and a Case Manager. The centerpiece of aftercare services delivery is intensive street outreach and case management services linking clients to a network of support services, such as, alcohol/substance abuse, mental health, crisis response, education, GED, Vocational Skills Training. In addition, the Re-entry Program initiated two innovative Youth Entrepreneurial Training Programs (e.g., Landscape & Lawn Care and Digital Technology Marketing) through community-based partnerships with The Ingleside Block Club and Chicago Digital Alliance. These organizations provided training stipends for 20-25 clients. *822 E 63rd St - 773.363.4300.*

Dust Em Clean was established in 1996 and operates out of the Woodlawn area. Dust Em Clean has maintained a reputation of hiring underserved and underemployed Woodlawn community residents. Over the years Dust Em Clean has employed hundreds of Chicagoans in the field of post-construction cleaning, lawn care, snow removal and commercial cleaning.

Dust Em Clean has a track record of working with agencies such as Salvation Army and CAPS transitional jobs program. As a valued partner, we worked with the agencies to provide subsidized and unsubsidized employment opportunities for participants, especially those that might not have an opportunity to return to the workforce. Dust Em Clean understands the need for employment in the Woodlawn area and is committed to developing and hiring local residents. *548 E 61st ST Chicago IL 60637 - 773.407.0585 - dustemclean@gmail.com.* Reference: Robert Lidell, Director, Guiding Our Talented Youth Ahead, 773 704 1643, shakey45@gmail.com.
