**NOW, THEREFORE**, the County and Contractor agree as follows:

**TERMS AND CONDITIONS**

**ARTICLE 1: INCORPORATION OF BACKGROUND**

The Background information set forth above is incorporated by reference as if fully set forth here.

**ARTICLE 2: DEFINITIONS**

**a) Definitions**

The following words and phrases have the following meanings for purposes of this Agreement:

"**Additional Services**" means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Article 3, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval of the Chief Procurement Officer in a written modification to this Agreement before Contractor is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.

**"Agreement"** means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

**"Chief Procurement Officer"** means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

**"Department"** means the Cook County Using Department.

**"Services"** means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

**"Subcontractor"** means any person or entity with whom Contractor contracts to provide any part of the Services, including subcontractors and subcontractors of any tier, suppliers and materials providers, whether or not in privity with Contractor.

**b) Interpretation**

- i) The term **"include"** (in all its forms) means "include, without limitation" unless the context clearly states otherwise.

- iii) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.
- iv) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.
- v) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

c) **Incorporation of Exhibits**

The following attached Exhibits are made a part of this Agreement:

Exhibit 1	Scope of Services
Exhibit 2	Schedule of Compensation
Exhibit 3	Evidence of Insurance
Exhibit 4	Economic Disclosure Statement Forms

**ARTICLE 3: DUTIES AND RESPONSIBILITIES OF CONTRACTOR**

a) **Scope of Services**

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Contractor must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) **Deliverables**

In carrying out its Services, Contractor must prepare or provide to the County various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its commitments under this Agreement.

**c) Standard of Performance**

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Contractor either under this Agreement, at law or in equity.

**d) Personnel**

**i) Adequate Staffing**

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Contractor must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "Key Personnel" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Department may at any time in writing notify Contractor that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Contractor must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Contractor and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women's Business Enterprises Commitment**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Contractor must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director. Contractor's completed MBE/WBE Utilization Plan evidencing its compliance with this requirement are a part of this Agreement, in Section 1 of the Economic Disclosure Statement, upon acceptance by the Compliance Director. Contractor must utilize minority and women's business enterprises at the greater of the amounts committed to by the Contractor for this Agreement in accordance with Section 1 of the Economic Disclosure Statement.

**f) Insurance**

Prior to the effective date of this Contract, the Contractor, at its cost, shall secure and maintain at all times, unless specified otherwise, until completion of the term of this Contract the insurance specified below.

Nothing contained in these insurance requirements is to be construed as limiting the extent of the Contractor's responsibility for payment of damages resulting from its operations under this Contract.

Contractor shall require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements as Contractor or as specified otherwise. Contractor is responsible for any deductibles or self-insured retentions.

The Cook County Department of Risk Management maintains the right to modify, delete, alter or change these requirements.

In no event shall any failure of the County to receive certificates of insurance required hereof or to demand receipt of such Certificates of Insurance be construed as a waiver of Contractor's obligations to obtain insurance pursuant to these insurance requirements.

iv) **Waiver of Subrogation Endorsements**

All insurance policies must contain a Waiver of Subrogation Endorsement in favor of Cook County.

**g) Indemnification**

The Contractor covenants and agrees to indemnify and save harmless the County and its commissioners, officials, employees, agents and representatives, and their respective heirs, successors and assigns, from and against any and all costs, expenses, attorney's fees, losses, damages and liabilities incurred or suffered directly or indirectly from or attributable to any claims arising out of or incident to the performance or nonperformance of the Contract by the Contractor, or the acts or omissions of the officers, agents, employees, contractors, subcontractors, licensees or invitees of the Contractor. The Contractor expressly understands and agrees that any Performance Bond or insurance protection required of the Contractor, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify the County as hereinabove provided.

Contractor shall comply with the applicable privacy laws and regulations affecting County and will not disclose any of County's records, materials, or other data to any third party. Contractor shall not have the right to compile and distribute statistical analyses and reports utilizing data derived from information or data obtained from County without the prior written approval of County. In the event such approval is given, any such reports published and distributed by Contractor shall be furnished to County without charge.

All documents, data, studies, reports, work product or product created as a result of the performance of the Contract (the "Documents") shall be included in the Deliverables and shall be the property of the County of Cook. It shall be a breach of this Contract for the Contractor to reproduce or use any documents, data, studies, reports, work product or product obtained from the County of Cook or any Documents created hereby, whether such reproduction or use is for Contractor's own purposes or for those of any third party. During the performance of the Contract Contractor shall be responsible of any loss or damage to the Documents while they are in Contractor's possession, and any such loss or damage shall be restored at the expense of the Contractor. The County and its designees shall be afforded full access to the Documents and the work at all times.

**i) Patents, Copyrights and Licenses**

If applicable, Contractor shall furnish the Chief Procurement Officer with all licenses required for the County to utilize any software, including firmware or middleware, provided by Contractor as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Contractor agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and Contractors' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Contractor's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

**j) Examination of Records and Audits**

The Contractor agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after the final payment under the Contract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices, and records of the Contractor related to the Contract, or to Contractor's compliance with any term, condition or provision thereof. In no case, however, shall such approval relieve the Contractor from its obligations or change the terms of the Contract. The Contractor shall not transfer or assign any Contract funds or any interest therein due or to become due without the advance written approval of the Chief Procurement Officer. The unauthorized subcontracting or assignment of the Contract, in whole or in part, or the unauthorized transfer or assignment of any Contract funds, either in whole or in part, or any interest therein, which shall be due or are to become due the Contractor shall have no effect on the County and are null and void.

Identification of subcontractors to the Chief Procurement Officer shall be in addition to any communications with County offices other than the Chief Procurement Officer. All subcontractors shall be subject to the terms of this Contract. Contractor shall incorporate into all subcontracts all of the provisions of the Contract which affect such subcontract. Copies of subcontracts shall be provided to the Chief Procurement Officer upon request.

Notwithstanding a dispute, Contractor shall continue to discharge all its obligations, duties and responsibilities set forth in the Contract during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

**ARTICLE 7: COMPLIANCE WITH ALL LAWS**

The Contractor shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Contractor's employees, agents or subcontractors shall be the responsibility of the Contractor.

The Contractor shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

**ARTICLE 8: SPECIAL CONDITIONS**

**a) Warranties and Representations**

- iv) warrants that Contractor and its Subcontractors are not in default at the time this Agreement is signed, and have not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the County ;

- v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Contractor warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
- vi) represents that Contractor and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and
- vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

**b) Ethics**

In addition to the foregoing warranties and representations, Contractor warrants:

- i) no officer, agent or employee of the County is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.
- ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

**c) Joint and Several Liability**

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

**d) Business Documents**

At the request of the County, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) **Conflicts of Interest**

- i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.
- ii) Contractor covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.
- iii) Upon the request of the County, Contractor must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Contractor is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Contractor's past or present clients. If Contractor becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.
- iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.
- v) The Contractor further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Contractor's Services for others conflict with the Services Contractor is to render for the County under this Agreement, Contractor must terminate such other services immediately upon request of the County.

- vi) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

**f) Non-Liability of Public Officials**

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

**ARTICLE 9: EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET**

**a) Events of Default Defined**

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the County.
- ii) Contractor's material failure to perform any of its obligations under this Agreement including the following:
  - (a) Failure due to a reason or circumstances within Contractor's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;
  - (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
  - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

- (d) Discontinuance of the Services for reasons within Contractor's reasonable control; and
  - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Contractor without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
  - iv) Contractor's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Contractor acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
  - v) Failure to comply with Article 7 in the performance of the Agreement.
  - vi) Contractor's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

**b) Remedies**

The occurrence of any event of default permits the County, at the County's sole option, to declare Contractor in default. The Chief Procurement Officer may in his sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Contractor in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Contractor fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the County would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Contractor under this Section 9.b;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Contractor's compensation under this Agreement;
- vi) The right to consider Contractor non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

**c) Early Termination**

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Contractor. The County will give notice to Contractor in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Contractor or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

**d) Suspension**

The County may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

**e) Right to Offset**

i) In connection with performance under this Agreement:

The County may offset any excess costs incurred:

- (i) if the County terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;
- (ii) if the County exercises any of its remedies under Section 9.b of this Agreement; or
- (iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Contractor is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

**f) Delays**

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

**g.) Prepaid Fees**

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Contractor shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

**ARTICLE 10: GENERAL CONDITIONS**

**a) Entire Agreement**

**i) General**

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not expressly addressed in this Agreement.

**ii) No Collateral Agreements**

Contractor acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the County, its officials, agents or employees, has induced Contractor to enter into this Agreement or has been relied upon by Contractor, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

---

iii) **No Omissions**

Contractor acknowledges that Contractor was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) **Modifications and Amendments**

The parties may during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

No County department or employee thereof has authority to make any modifications or amendments to this Contract. Any modifications or amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Contractor is hereby notified that, except for modifications and amendments which are made in accordance with this Section 10.c, Modifications and Amendments, no County department or employee thereof has authority to make any modification or amendment to this Contract.

**d) Governing Law and Jurisdiction**

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

**e) Severability**

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

**f) Assigns**

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

**g) Cooperation**

Contractor must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

**h) Waiver**

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the County's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

**i) Independent Contractor**

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Contractor must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

- i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.
- ii) Contractor is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.
- iii) The County is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to the Contractor.

**j) Governmental Joint Purchasing Agreement**

Pursuant to Section 4 of the Illinois Governmental Joint Purchasing Act (30 ILCS 525) and the Joint Purchase Agreement approved by the Cook County Board of Commissioners (April 9, 1965), other units of government may purchase goods or services under this contract.

### **7.2.3 Executive Summary**

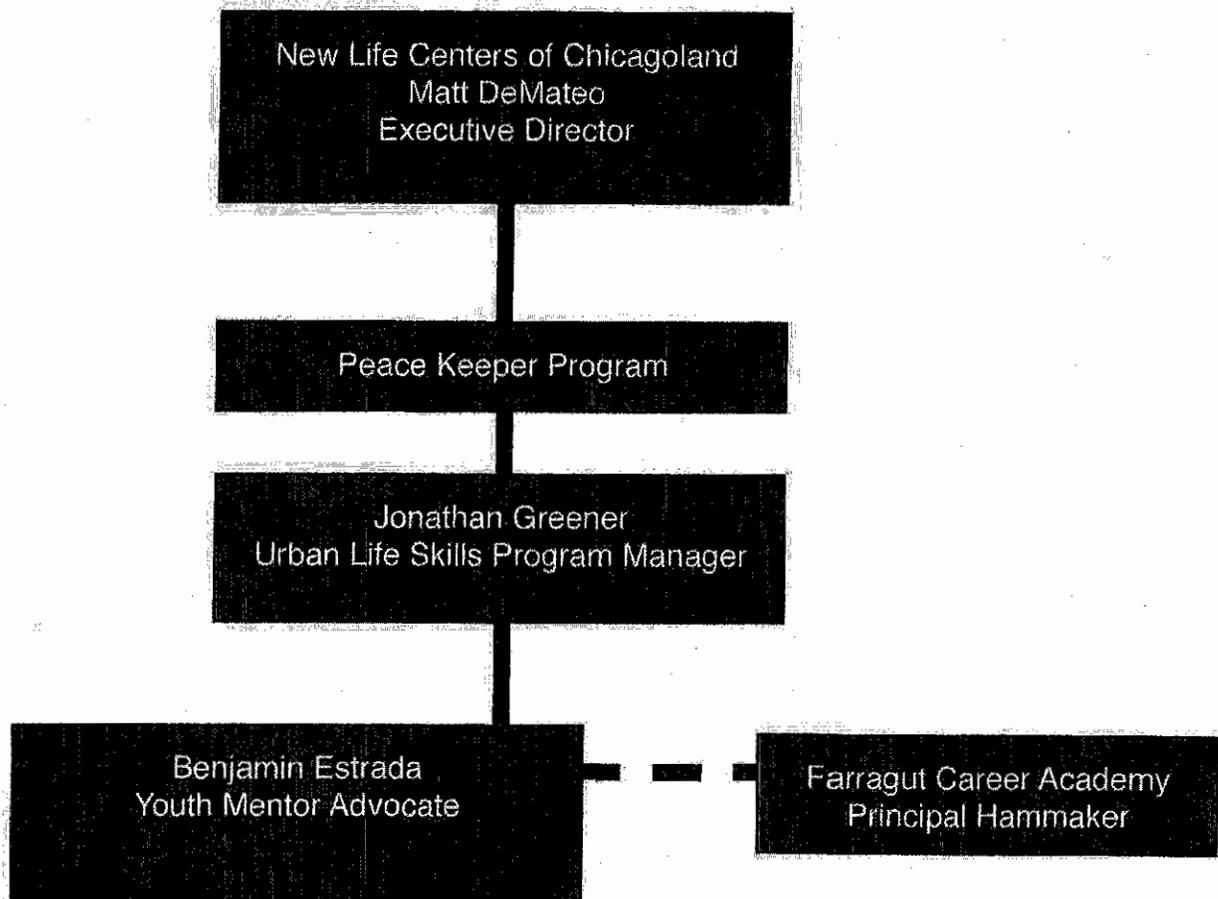

Youth in our communities face the many negative effects of violence, even in places like schools that aim to be safe havens for young people's cultivation and growth. Frequently, youth lack the tools necessary to navigate the complex systems and overwhelming odds stacked against them in underserved communities, succumbing instead to the lure of violence as a response to the problems they face. Mediation offers the opportunity for young people to be heard and understood in the midst of frustration and conflict, often preventing a difficult situation from escalating, and averting youth from making negative decisions with permanent consequences.

Through the proposed RFP project, New Life Centers of Chicagoland's Urban Life Skills Program in Little Village will provide mediation and restorative justice programming for students within Farragut Career Academy. New Life will collaborate with Farragut staff and administration to effectively mediate incidents of violence, responding by facilitating mutual resolution. The main objectives of the proposed Peace Keepers project is to provide mediation and resolution to specific instances of violence within and around the school and to provide weekly alternatives to disciplinary actions for students through restorative justice programming. As a part of the implementation of this proposed program, Peace Keepers staff will also provide mediation and conflict resolution training to school staff and administration. The overall vision of Peace Keepers is to see the culture of Farragut shift from violent and punitive to peaceful and restorative.

New Life Centers, led by executive director Matt DeMateo, will ensure that the proposed project Peace Keepers will be delivered as outlined in this RFP. The program will be a sub-

program of the Urban Life Skills Mentoring Program. Jonathan Greener, the Urban Life Skills Program Manager, will oversee the project and Benjamin Estrada, Urban Life Skills Youth Advocate, will provide the mediation and restorative justice programming. New Life staff will directly communicate with Farragut Career Academy's principal Tonya Hammaker and her staff throughout implementation of this program and will depend on them to make appropriate referrals.

## **7.2.4 Proposed Plan of Action/Program Plan**

### **Section A: Agency Description**

New Life Centers was founded in 2005 by New Life Community Church, a bilingual, multi-site organization, serving over 4,000 congregants weekly across 20 locations throughout Chicagoland. New Life Centers makes a conscious effort to serve local community needs, and developed organically to address the needs of the communities surrounding the church's locations. As neighbors approached the church with pressing issues—youth violence, domestic violence, teen pregnancy, and unemployment—New Life responded with uniquely designed programs that fit the needs of the surrounding community. Initial sites grew in the Little Village and Midway neighborhoods and subsequent programs sprang up in Humboldt Park, Jefferson Park, Portage Park and Oak Forest.

New Life Centers of Chicagoland exists to guide youth and families to abundant life through health, education, and employment. Each New Life Centers site is unique, and is designed to respond to specific needs and requests identified by the members of the communities they serve. The Little Village site of New Life Centers focuses heavily on providing violence prevention and intervention within the community through mentoring, gang intervention, sports outreach, after school programs, community development and wrap-around supportive services for youth 10-19 years old and their families. This work has been done primarily through the Urban Life Skills (ULS) Program, which has provided mentoring and restorative justice-based programming for over 400 youth since 2007. It is through Urban Life Skills and supportive programs that New Life Centers is able to address the high rates of violence within the Little Village community, one youth at a time.

## **Section B: Statement of Agency/Organizational Need**

ULS has become a proven restorative justice model for effectively engaging youth involved with violence and the juvenile justice system. The strength of the program has been our ability to provide comprehensive community-based mentoring that aims to interact holistically with every level of the youth's need. As a Restorative Justice Hub we provide a hospitable place for youth and their families to connect to needed resources and holistic wraparound services. One of the areas where Urban Life Skills has desired to grow is in educational advocacy and support within schools in the Little Village community.

One of these schools, Farragut Career Academy, has relied on Urban Life Skills staff in the past to help mediate incidents of violence that occur in and around the school, but our staff has been limited in the ability to respond due to a lack of funding. According to data compiled by Farragut staff, during the 2013-2014 school year, "1919 infractions occurred that could have potentially been avoided through the involvement of an Urban Life Skills mediator." The proposed member of the Urban Life Skills staff has been conducting formal conflict mediations for 7 years through over 200 separate incidents without specific funding for these interventions. Farragut's Principal Hammaker said of this staff, he "is a critical asset to Farragut's ability to deescalate potential violence at Farragut and in the community. He has an amazing ability to reach out to the community and fix complex situations in a timely manner."

---

Farragut does not currently have funding for supplementary mediation or restorative justice programming. Implementing the proposed Peace Keepers mediation program within the school will serve to expand Urban Life Skill's impact in the school and further expand the ability to provide mentoring services to a broader range of at-risk youth in the community.

### **Section C: Proposed Scope of Work**

New Life Centers desires to increase our capacity by meeting the need for support in violent incidents at our local high school, Farragut Career Academy. The program will be implemented on two separate levels of intervention by 1) responding to specific incidents of violence through trained mediation and 2) leading weekly restorative justice programming for youth victims and perpetrators of violence.

Referrals for mediation will begin with the Dean of Discipline, who will contact New Life Centers' staff with a description of the violent incident. Staff will then respond in a timely manner by speaking to all surrounding parties, formulating the best plan for mediation based on training and certification in violence interruption, gang intervention, and peace circle training. Staff will then connect directly with involved youth, whether it is a mutual conflict or one that involves perpetrators and victims. Part of this mediation will include networking with other mentors, community leaders, and family members to build rapport and establish a plan for the future. This plan will include, if necessary, referral to outside supportive services in the community such as mentoring, mental health support, etc.

The second aspect of the program implementation will include weekly restorative justice programming that functions as an alternative to in-school suspension. The youth who frequent in-school suspension are at high risk of being victims or perpetrators of violence. These programs will aim to impart the tools and abilities necessary for personally dealing with conflict and violence in their own lives.

## **Section D: Timeline for Proposed Scope of Work**

### **Preparations:**

From August 1 - August 20, 2014: Begin program preparation, including full curriculum development, community networking, and administrative systems implementation. August 20 – September 1, 2014: Program preparation with school administration including mediation trainings for school employees by Urban Life Skills staff and preparation of Peace Keepers program space.

### **Full program implementation:**

September 2, 2014 – June 16, 2015: Mediation referrals and response, along with weekly restorative justice programming begins. Restorative justice sessions will be at least one two-hour program once a week with youth who are either in or diverted from in-school suspension.

According to data provided by Farragut Career Academy there is a minimum of 15 youth per day in ISI (In School Intervention) who will be eligible to participate in programming. In the event of fewer mediation referrals more preventative programming will be offered. After June 16, 2015, the last day of school, Urban Life Skills staff will provide additional support during summer school until July 31, 2015 when the program ends.

### 7.2.5 Qualifications of the Proposer

New Life Centers (NLC) has been in operation since 2005 and has been committed to transforming communities within Chicago through health, education, and employment. NLC was developed as a partner to New Life Community Church to make a deeper impact in the church's high need communities, and both organizations work hand in hand for the betterment of their communities and the city overall. Programs focused on community development, advocacy, and outreach services are run through NLC. Presently, NLC has six locations in Chicago (Little Village East and West, Humboldt Park, Midway, Oak Forest, and Portage Park) and currently has 16 full-time equivalent employees.

NLC Little Village, has two locations; 2657 S. Lawndale Ave. and 4106 W. 28th St. NLC Little Village focuses on community development, outreach, mentoring and gang intervention for Little Village youth involved in the criminal justice system. This work has been done primarily through the Urban Life Skills (ULS) Program, which has provided mentoring and restorative justice based programming for over 400 youth since 2007. ULS is a proven restorative justice model for effectively engaging youth involved within the juvenile justice system and in the community.

In regards to the proposed program within Farragut Career Academy Principal Tonya Hammaker stated, "Farragut's academics and attendance will improve with the help of Urban Life Skills. The additional support staff will coach students on how to correct misbehavior in the classroom without the loss of instructional time." As further evidence Farragut provided the following narration from their disciplinary records: *On 12/20/13 there was another gang conflict involving two students and a mediation was attempted through Farragut's counseling and discipline.*

*Unfortunately, the mediation was not successful. However, Benny was then called to conduct a peer mediation and the conflict was soon resolved.*

Below is a list of New Life Little Village's track record in the work of Violence Prevention and Intervention:

- In 2014, Lawyers Lend A Hand awarded the Urban Life Skills Program the Thomas A. Demetrio Award of Excellence for the most exemplary mentoring program citywide.
- In 2013, Urban Life Skills expanded to providing prevention based mentoring to 30 middle school youth through the Little Village Testing the Model Initiative in collaboration with Enlace Chicago and other community partners.
- Spring 2013 Farragut Career Academy contracted New Life to provide high level mentoring and restorative justice programming for high-risk youth within the school to deter youth violence and behavior issues that plagued the school in the first semester of the school year.
- Ongoing requests are made by local school administration of Little Village schools including Farragut Career Academy, Little Village/Lawndale High School, Little Village Academy, Kanoon Elementary School, and Madero Elementary School to conduct mediations and assistance surrounding violence and gang issues among youth within these schools.
- In May 2012, ULS was contracted to implement full programming for the Juvenile Detention Reduction Project and was asked by Cook County Juvenile Court to train other churches and organizations on how to implement the ULS mentoring model.
