VENDOR'S STATEMENT OF WORK AND PRICING PROPOSAL

## **Statement of Work**

This exhibit describes the Maintenance and Support Services (MSS) to be provided by PCI to Cook County, subject to the terms and conditions of this Agreement.

### **Section I. Toll-Free Telephone Support Line Services**

- A. **Telephone Support.** 800 phone support with unlimited support calls Monday-Friday 8 AM – 8 PM EST, excluding holidays. A PCI observed holiday listing will be provided annually at the beginning of the calendar year. Telephone support services include technical troubleshooting, limited training questions, database tuning / optimization assistance, and other such related services.
- B. **After-Hours Support.** Given reasonable advanced notice by Cook County, PCI shall provide "On Call" after hours support. PCI reserves the right to charge, the currently standard hourly support rate, to Cook County for after-hours support. Charges to Cook County will be based on the level and number of hours of support required. An estimated cost will be provided to Cook County at the time when Cook County requests the after-hours support. Examples of activities that might require such support include assistance for installations, upgrades and other special projects.
- C. **Support of Older Versions.** PCI shall maintain support for a version/release of the Software older than the most current for at least 24 months after release of the version of the Software subsequent to the version in question.

### **Section II. Internet-Based Support**

- A. **Email Support.** PCI shall provide an e-mail address for submitting support issues to PCI.
- B. **"Dial-Up" Support (remote diagnostics).** PCI shall maintain the ability to provide "dial-up", high speed, diagnostics into Cook County's system, or equivalent internet-based diagnostic capabilities, provided Cook County provides PCI the necessary connectivity technology, access and rights.
- D. **Escalation Procedures.** Support issues logged through telephone, e-mail or the internet will follow the same escalation procedure outline in Section III of this Exhibit.

**Section III. Escalation Procedures**

- A. Upon being contacted by Cook County with an issue, a PCI support team member familiar with Cook County's system will attempt to solve the problem via telephone, walking the person through the issue. If this cannot resolve the issue, a PCI programmer will work with the PCI support team member to solve the problem via telephone. If this cannot resolve the issue, the PCI support team and the PCI programmer will dial into the system remotely and rectify the situation immediately. Within 48 hours of a determination that remote techniques are not able to resolve a given issue, PCI will provide on-site support to resolve the problem. On-site support includes employee time, travel expenses are not included. The parties may mutually agree when on-site support is needed, but in any case, on-site support will be presumed warranted if an issue cannot be resolved within the escalation time frames described herein.
- B. PCI shall assign the issue a priority as defined in the table below. PCI shall perform in accordance with the following table.

Type of Error	Commitments
Minor (Severity Level 4)	<ul style="list-style-type: none"> <li>• Defined as a very minor problem or question that does not affect the application's function (for example, the text of a message is worded poorly or misspelled).</li> <li>• Response time to acknowledge issue no more than 2 business hours.</li> <li>• Provide resolution within 60 days.</li> </ul>
Standard (Severity Level 3)	<ul style="list-style-type: none"> <li>• Defined as a minor problem that exists with the application but the majority of the functions are still usable and some circumvention may be required to provide service (for example, an infrequently used subcommand gives an incorrect response).</li> <li>• Response time to acknowledge issue no more than 2 business hours.</li> <li>• Provide resolution within 30 days.</li> <li>• Notify Cook County of progress every other day.</li> </ul>
Priority (Severity Level 2)	<ul style="list-style-type: none"> <li>• Defined as a critical software system component that has significant outages and/or failure precluding its successful operation, and possibly endangering the Cook County's environment. The application may operate but is severely restricted (for example, a frequently used user exit gives an incorrect response).</li> <li>• Response time to acknowledge issue no more than 1 business hour.</li> <li>• Notify Cook County of progress every other business day.</li> <li>• Resolution of error without software fix required within 5 days after notice from Cook County, unless otherwise authorized in writing by the Cook County.</li> <li>• Resolution with software fix required within 10 days after notice from Cook County, unless otherwise authorized in writing by Cook County. Provision of a non-software fix does not relieve PCI from its obligation provide a software fix.</li> </ul>

<p>Critical (Severity Level 1)</p>	<ul style="list-style-type: none"> <li>• Defined as an urgent situation, when the Cook County's production system is down and the agency is unable to use the application.</li> <li>• Response time to acknowledge the issue within 1 business hour.</li> <li>• Reproduce and document software defect to development within 1 to 2 hours.</li> <li>• Resolution of error without software fix required within 1 business day after notice from Cook County, unless otherwise authorized in writing by Cook County.</li> <li>• Resolution of error with software fix required within 2 business days after notice from Cook County, unless otherwise authorized in writing by Cook County.</li> </ul>

**Section IV. Software Maintenance**

- A. **Provision of Standard Software Releases and Updates.** PCI initiated RCS application program enhancements will be provided to the installed version at no additional charge, for the life of the system, providing the license agreement is in good standing. This does not include hardware, third party software or installation expenses. Normally upgrades or enhancements to the product are provided twice a year with major revisions coming every two to three years.
- B. **Updates to Conform to Laws.** PCI will allocate a total of 10 days per year towards the development of software updates sufficient to enable Cook County to comply with Commonwealth and Federal law changes, as such law changes impact the Cook County as determined at the discretion of Cook County, impacting the business processes automated by the Software. Any developments which exceed this allocated number of days will first be quoted to Cook County with a detailed quote of the changes required and any costs associated to the changes. To the extent possible, PCI shall spread any additional cost of development over its impacted customer base, rather than charging the full cost to Cook County or its aforementioned 10 day allocation. The developments will be placed into the RBS/RCS development schedule. PCI will work with Cook County in scheduling these developments in order, such that the updates shall be delivered by the date Cook County is required to comply with such law changes.
- C. **Provision of Fixes and Defect Corrections.** PCI will immediately provide any fixes to problems that have been identified at no charge.
- D. **Upgrade Media.** Upgrades shall be delivered via any of the following: installation CD, delivered via VPN or dial-up, or pulled down from the PCI website.
- E. **Access to Successor Products.** In the event that PCI phases out the current line of Software and replaces it with a new software product (i.e., not just a version upgrade, but rather a completely new product) designed to perform substantially similar business functions, PCI shall provide Cook County with access to such software as is necessary to enable Cook County to continue to automate the same business functions as it is licensed to do so under the current Software, at that time. PCI shall also offer Cook County access to reasonably similar MSS for the successor product. Additional charges may be required

for the successor product for implementation, training and any customizations that are required in order to bring forward any of Cook County's functionality which is not part of the successor product. Any successor products may be subject to new maintenance and support agreements and costs.

- F. **Provision of Documentation.** PCI will provide access to revised documentation and/or release notes for all software upgrades, fixes, etc. described in this section.

#### **Section V. Other Services**

- A. **Customer Care Program.** PCI shall provide Cook County with regular communications providing advice on technical and functional issues with the Software. PCI shall also provide communications on new products and services.
- B. **Review of Outstanding Issues.** A PCI account representative will hold conference calls with the Cook County to review outstanding support issues, as required.
- C. **Design Review.** On an as-needed basis PCI shall hold conference calls to discuss and review potential enhancements or custom modifications.
- D. **On-Site Support.** Within 48 hours of a determination that remote techniques are not able to resolve a given issue, PCI will provide on-site support to resolve the problem. On-site support includes employee time, travel expenses are not included. The parties may mutually agree when on-site support is needed, but, in any case, on-site support will be presumed warranted if an issue cannot be resolved within the escalation time frames described in Section III, B.
- E. **NADA Maintenance.** PCI shall maintain the interoperability of its software with the NADA VIN-Prefix solution.

#### **Section VI. Cost & Warranty**

- A. **Commencement of Services.** MSS's for a given Software Component shall commence as of the first day of the month following the Go-Live Date for that Software Component.

- B. Duration of MSS.** MSS will be supplied to the Cook County in one-year periods. A one-year period during which PCI supplies MSS will be defined as a "Period" for the purposes of this Exhibit. At the end of each Period, PCI shall offer the Cook County the option to renew MSS for an additional year. Such option will be sent by written notice to the Cook County at least 60 days in advance of the expiration of the Period.
- C. Cost of Services.** The annual cost of MSS is described in the Software License Agreement. Annual cost increases, if any, from the previous year shall be capped at a rate equal to no more than 5%.
- D. Invoicing for MSS.** The annual MSS fee shall be invoiced on the first day of the first full month in a given Period, and is payable net thirty (30) days from date of receipt of the invoice by the Cook County.
- E. Cancellation of MSS.** The Cook County may cancel MSS at any time, upon 30 days, advanced written notice. Upon cancellation, PCI shall issue a prorated refund for any portion of the MSS Period that will be not be used by the Cook County. Should the Cook County later wish to reinstate MSS, PCI will make such services available at a fee substantially similar to that being charged other customers for a similar level of service. Prior to reinstatement, PCI may require the Cook County to pay a reinstatement fee equal to 50% of the annual MSS fees for intervening Periods for which MSS was not purchased by the Cook County.
- F. Warranties.** As is further described in the Agreement, all PCI software is warranted for the life of the system as long as the MSS fee is paid. All proposed hardware is covered with a one-year parts and labor warranty serviced by mail, unless stated otherwise.

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County contracts and to eliminate arbitrary barriers for participation, as both prime and sub-contractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women-owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes a goal of awarding not less than twenty-five percent (25%) of the annual total dollar amount of contracts to certified MBEs and ten percent (10%) of the annual dollar value of all such contracts to certified WBEs.
- B. **The County may set contract-specific goals for each contract, based on the commodities or services specified in this bid document. The MBE/WBE percentages required for this contract are 0% MBE and 0% WBE.** A Bid or Quotation shall be rejected if the County determines that a Bid or Quotation fails to comply with this General Condition, including but not limited to, commitments to achieve for this contract, the MBE/ WBE goals of the contract amount or to include a Petition for Reduction/Waiver documenting why the goals are not attainable despite the contractor's Good Faith Efforts. A Bid or Quotation may be rejected and a new Bid or Quotation may be solicited if the public interest is served thereby. Unless otherwise specified in the Bid or Quotation Documents, for purposes of this GC-19, the contract amount is the amount that has been entered on the Proposal page of the Bid or Quotation Documents.
- C. Except to the extent that a Bid or Quotation includes a Reduction/Waiver request, the contract MBE and WBE participation goals may be achieved by the Bid or Quotation entities' status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs and WBEs; by establishing and carrying out a mentor/protégé agreement; by the Indirect Participation of one or more MBEs and WBEs used by the entity submitting a Bid or Quotation in other aspects of its business; or by any combination of the foregoing so long as the Utilization Plan evidences a commitment to the MBE and WBE contract goals set forth in (B) above.
- D. The same Business Enterprise, whether as a contractor, subcontractor or supplier, cannot be utilized as both a MBE and a WBE on the same contract.
- E. To the extent that the Ordinance does not apply to this Bid or Quotation, unless specifically waived in the Bid or Quotation Documents, this GC-19 and the wording of the Ordinance shall apply. If there is a conflict between this GC-19 and the Ordinance or the wording of the Ordinance, the Ordinance or its wording controls.
- F. A Contractor's failure to carry out its commitments in the course of the Contract's performance shall constitute a material breach of the Contract and if such breach is not appropriately cured, may result in the termination of the Contract or such remedy authorized by the Ordinance as the County deems appropriate.

The County will be obligated to order and pay for only such quantities as are from time to time ordered, delivered, and accepted on purchase orders issued by the Chief Procurement Officer.

The Contractor shall be responsible for establishing and maintaining records sufficient to document the costs associated with performance under the terms of this Contract.

The Contractor further agrees that it shall include in all of its subcontracts hereunder a provision to the effect that the subcontractor agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after final payment under the subcontract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices and records of such subcontractor involving transactions relating to the subcontract, or to such subcontractor's compliance with any term, condition or provision thereunder or under the Contract.

In the event the Contractor receives payment under the Contract, reimbursement for which is later disallowed by the County, the Contractor shall promptly refund the disallowed amount to the County on request, or at the County's option, the County may credit the amount disallowed from the next payment due or to become due to the Contractor under any contract with the County.

INSTRUCTIONS TO BIDDERS AND GENERAL CONDITIONS**GC-31 GOVERNING LAW**

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the City of Chicago, County of Cook, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

It is expressly agreed that the provisions set forth in this Contract constitute all the understandings and agreements between the parties. Any prior agreements, promises, negotiations, or representations not expressly set forth in this Contract are of no force and effect.

**GC-35 FORCE MAJEURE**

Such events shall be limited to acts of God, acts of war, fires, lightning, floods, epidemics, or riots.

**GC-36 GOVERNMENTAL JOINT PURCHASING AGREEMENT**

Pursuant to Section 4 of the Illinois Governmental Joint Purchasing Act (30 ILCS 525) and the Joint Purchase Agreement approved by the Cook County Board of Commissioners (April 9, 1965), other units of government may purchase goods or services under this contract.

If such participation is authorized, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. The County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by these entities. Each entity reserves the right to determine their participation in this contract.

INSTRUCTIONS TO BIDDERS AND GENERAL CONDITIONSGC-38 FEDERAL CLAUSES1. Interest of Members of or Delegates to the United States Congress

In accordance with 41 U.S.C. § 22, the Contractor agrees that it will not admit any member of or delegate to the United States Congress to any share or part of the Contract or any benefit derived therefrom.

2. False or Fraudulent Statements and Claims

(a) The Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended; 49 U.S.C. §§ 3081 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the Contract. Accordingly, by signing the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make pertaining to the Contract, including without limitation any invoice for its services. In addition to other penalties that may be applicable, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the Contractor to the extent the Federal Government deems appropriate.

(b) The Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the County or Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.

3. Federal Interest in Patents

(a) General. If any invention, improvement, or discovery of the Contractor is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor agrees to notify County immediately and provide a detailed report.

(b) Federal Rights. Unless the Federal Government later makes a contrary determination in writing, the rights and responsibilities of the County, Contractor, and the Federal Government pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Unless the Federal Government later makes a contrary determination in writing, the Contractor agrees that, irrespective of its status or the status of any subcontractor at any tier (e.g., a large business, small business, non-profit organization, institution of higher education, individual), the Contractor agrees it will transmit to the Federal Government those rights due the Federal Government in any invention resulting from the contract.

4. Federal Interest in Data and Copyrights

(a) Definition. The term "subject data" used in this section means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. Examples include, but are not limited, to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to Contract administration.

(b) Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the Contract. Except as provided in the Contract and except for its own internal use, the Contractor may not publish or publicly reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the written consent of the County and the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.

INSTRUCTIONS TO BIDDERS AND GENERAL CONDITIONSGC-38 FEDERAL CLAUSES (CON'T.)

- (c) Federal Rights in Data and Copyrights. In accordance with subparts 34 and 36 of the Common Rule, the County and the Federal Government reserve a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for County or Federal Government purposes, the types of subject data described below. Without the copyright owner's consent, the County and Federal Government may not extend their license to other parties.
- (1) Any subject data developed under the contract or subagreement financed by a federal Grant Agreement or Cooperative Agreement, whether or not a copyright has been obtained; and
  - (2) Any rights of copyright which the Contractor purchases ownership with Federal assistance.
- (d) Special Federal Rights for Planning Research and Development Projects. When the Federal Government provides financial assistance for a planning, research, development, or demonstration project, its general intention is to increase public knowledge, rather than limit the benefits of the project to participants in the project. Therefore, unless the Federal Government determines otherwise, the Contractor on a planning, research, development, or demonstration project agrees that, in addition to the rights in data and copyrights set forth above, the County or Federal Government may make available to any third party either a license in the copyright to the subject data or a copy of the subject data. If the project is not completed for any reason whatsoever, all data developed under the project will become subject data and will be delivered as the County or Federal Government may direct. This subsection, however, does not apply to adaptations of automatic data processing equipment or previously existing software programs for the County's use whose costs are financed with Federal transportation funds for capital projects.
- (e) Hold Harmless. Unless prohibited by state law, upon request by the County or the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the County and the Federal Government and their officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Contract. The Contractor will not be required to indemnify the County or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the County or Federal Government.
- (f) Restrictions on Access to Patent Rights. Nothing contained in this section on rights in data will imply a license to the County or Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the County or Federal Government under any patent.
- (g) Application on Materials Incorporated into Project. The requirements of Subsections 2, 3, and 4 of this Section do not apply to material furnished by the County and incorporated into the work.

INSTRUCTIONS TO BIDDERS AND GENERAL CONDITIONSGC-38 FEDERAL CLAUSES (CON'T.)5. Records and Audits

Contractor will deliver or cause to be delivered all documents (including but not limited to all Deliverables and supporting data, records, graphs, charts and notes) prepared by or for the County under the terms of this Agreement to the County promptly in accordance with the time limits prescribed in this Contract, and if no time limit is specified, then upon reasonable demand therefor or upon termination or completion of the Services hereunder. In the event of the failure by the Contractor to make such delivery, then and in that event, the Contractor will pay to County reasonable damages the County may sustain by reason thereof.

The County and the Federal Government will have the right to audit all payments made to the Contractor under this Agreement. Any payments to the Contractor which exceed the amount to which the Contractor is entitled under the terms of this Agreement will be subject to set-off.

The Contractor will keep and retain records relating to this Agreement and will make such records available to representatives of the County and the Federal Government, including without limitation the sponsoring federal agency, other participating agencies, and the Comptroller General of the United States, at reasonable times during the performance of this Agreement and for at least five years after termination of this Agreement for purposes of audit, inspection, copying, transcribing and abstracting.

No provision in this Agreement granting the County or the Federal Government a right of access to records is intended to impair, limit or affect any right of access to such records which the County or the Federal Government would have had in the absence of such provisions.

6. Environmental Requirements

The Contractor recognizes that many Federal and state laws imposing environmental and resource conservation requirements may apply to the Contract. Some, but not all, of the major Federal Laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. The Contractor also recognizes that U.S. EPA, U.S. DOT and other agencies of the Federal Government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Contract. Thus, the Contractor agrees to adhere to, and impose on its subcontractors, any such Federal requirements as the Federal Government may now or in the future promulgate. Listed below are requirements of particular concern. The Contractor acknowledges that this list does not constitute the Contractor's entire obligation to meet all Federal environmental and resource conservation requirements. The Contractor will include these provisions in all subcontracts.

- (a) Environmental Protection. The Contractor agrees to comply with the applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq. in accordance with Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 59 Fed. Reg. 7629, Feb. 16, 1994; U.S. DOT statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Specifically, the Contractor agrees to comply with applicable requirements of U.S. EPA regulations, "Conformity to State of Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. - (c) **Clean Water.** The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et seq. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.
- (d) **List of Violating Facilities.** The Contractor agrees that any facility to be used in the performance of the Contract or to benefit from the Contract will not be listed on the U.S. EPA List of Violating Facilities ("List"), and the Contractor will promptly notify the County if the Contractor receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.
- (e) **Preference for Recycled Products.** To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of the work, the Contractor agrees to use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 C.F.R. Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962.

7. No Exclusionary or Discriminatory Specifications

Apart from inconsistent requirements imposed by Federal statute or regulations, the Contractor agrees that it will comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any Federal assistance to support subcontracts procured using exclusionary or discriminatory specifications.

8. Cargo Preference - Use of United States Flag Vessels

The Contractor agrees to comply with U.S. Maritime Administration regulations, "Cargo-Preference -- U.S. Flag Vessels," 49 C.F.R. Part 381, and to include the clauses required by those regulations, modified as necessary to identify the affected parties, in each subcontract or subagreement involving equipment, materials, or commodities suitable for transport by ocean vessel.

9. Fly America

Section 14.c of the Master Agreement states that if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air, the contract must require Contractors and subcontractors at every tier to use U.S.-flag air carriers, to the extent service by these carriers is available. 49 U.S.C. 40118 and 4 C.F.R. Part 52.

INSTRUCTIONS TO BIDDERS AND GENERAL CONDITIONS**GC-38 FEDERAL CLAUSES (CON'T.)**10. No Federal Government Obligations to Third Parties

The Contractor agrees that, absent the Federal Government's express written consent, the Federal Government will not be subject to any obligations or liabilities to any contractor or any other person not a party to the Grant Agreement or Cooperative Agreement between the County and the Federal Government which is a source of funds for this Contract. Notwithstanding any concurrence provided by the Federal Government in or approval of any solicitation, agreement, or contract, the Federal Government continues to have no obligations or liabilities to any party, including the Contractor.

11. Allowable Costs

Notwithstanding any compensation provision to the contrary, the Contractor's compensation under this Contract will be limited to those amounts which are allowable and allocable to the Contract in accordance with OMB Circular A-87 and the regulations in 49 C.F.R. Part 18. To the extent that an audit reveals that the Contractor has received payment in excess of such amounts, the County may offset such excess payments against any future payments due to the Contractor and, if no future payments are due or if future payments are less than such excess, the Contractor will promptly refund the amount of the excess payments to the County.

12. Trade Restrictions

Contractor certifies that neither it nor any Subcontractor:

- (a) is owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
- (b) has knowingly entered into any contract or subcontract with a person that is a citizen or national of a foreign country on said list, nor is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- (c) will procure, subcontract for, or recommend any product that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no Notice-to-Proceed will be issued to an entity who is unable to certify to the above. If Contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the USDOT may direct, through the County, cancellation of the Contract at no cost to the Government.

Further, Contractor agrees that it will incorporate this provision for certification without modification in each subcontract. Contractor may rely on the certification of a prospective Subcontractor unless it has knowledge that the certification is erroneous. Contractor will provide immediate written notice to the County if it learns that its certification or that of a Subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. Each Subcontractor must agree to provide written notice to Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 100.

Consultant will execute all documents and perform all acts that the County may reasonably request in order to assist the County in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the County. Consultant warrants to County, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Also, the Consultant must, prior to construction, review the plans and specifications to insure compliance with the above referenced standards. If the Consultant fails to comply with the foregoing standards, the Consultant must perform again, at no expense, all services required to be re-performed as a direct or indirect result of such failure.

### **FAMILIAL RELATIONSHIP DISCLOSURE PROVISION**

#### **Nepotism Disclosure Requirement:**

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

#### **Additional Definitions:**
