This Agreement is made and entered into by and between the County of Cook, a public body corporate of the State of Illinois, on behalf of Office of the Chief Procurement Officer hereinafter referred to as "County" and Alternatives Inc., doing business as a Corporation of the State of Illinois hereinafter referred to as "Consultant".

**BACKGROUND**

*Consultant represents that it has the professional experience and expertise to provide the necessary services and further warrants that it is ready, willing and able to perform in accordance with the terms and conditions as set forth in this Agreement.*

**NOW, THEREFORE**, the County and Consultant agree as follows:

**TERMS AND CONDITIONS**

**ARTICLE 1) INCORPORATION OF BACKGROUND**

The Background information set forth above is incorporated by reference as if fully set forth here.

**ARTICLE 2) DEFINITIONS**

a) Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

"**Additional Services**" means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Article 3, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Using Agency require the approval of the Chief Procurement Officer in a written amendment to this Agreement before Consultant is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.

"**Chief Procurement Officer**" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"**Services**" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"**Subcontractor**" or "**Subconsultant**" means any person or entity with whom Consultant contracts to provide any part of the Services, of any tier, suppliers and materials providers, whether or not in privity with Consultant.

"**Using Agency**" shall mean the department of agency within Cook County including elected officials.

**b) Interpretation**

- i) The term "**include**" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.
- ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.
- iii) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.
- iv) Any headings preceding the text of the Articles and Sections of this Agreement, and any tables of contents or marginal notes appended to it are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.
- v) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

- Exhibit 4 Juvenile Accountability Block Grant Agreement
- Exhibit 5 Identification of Subcontractor/Supplier/Subconsultant Form
- Exhibit 6 Electronic Payable Program
- Exhibit 7 Federal Clauses

**ARTICLE 3) DUTIES AND RESPONSIBILITIES OF CONSULTANT**

**a) Scope of Services**

This description of Services is intended to be general in nature and is neither a complete description of Consultant's Services nor a limitation on the Services that Consultant is to provide under this Agreement. Consultant must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Consultant must provide include, but are not limited to, those described in Exhibit 1, Scope of Services, Schedule of Compensation and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

**b) Deliverables**

In carrying out its Services, Consultant must prepare or provide to the County various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Consultant for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Consultant has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Consultant of its failure. If Consultant does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Consultant of its commitments under this Agreement.

c) **Standard of Performance**

Consultant must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a consultant performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Consultant agrees to be held to the standard of care of a fiduciary.

Consultant must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Consultant must provide copies of any such licenses. Consultant remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Consultant or its Subconsultants or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Using Agency and delivered in a timely manner consistent with the requirements of this Agreement.

If Consultant fails to comply with the foregoing standards, Consultant must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Consultant of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Consultant either under this Agreement, at law or in equity.

d) **Personnel**

i) **Adequate Staffing**

Consultant must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Consultant must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Consultant to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Consultant must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Using Agency may at any time in writing notify Consultant that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Consultant must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Consultant and Subconsultants must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Consultant underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Consultant to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women's Owned Business Enterprises Commitment**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Consultant must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance for all contracts which have an amount of \$25,000 or more, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director. **There is a zero percent (0%) MBE/WBE goal for this contract.**

f) **Insurance**

Consultant must provide and maintain at Consultant's own expense, during the term of this Agreement and any time period following expiration if Consultant is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

i) **Insurance To Be Provided**

- (1) Consultant must furnish the County of Cook, Cook County, Office of the Chief Procurement Officer, 118 N, Clark St., Room 1018, Chicago, IL 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Consultant must submit evidence of insurance on the County Insurance Certificate Form (copy attached as Exhibit 3) or equivalent prior to the effective date of the Agreement. The receipt of any certificate does not constitute agreement by the County that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the County to obtain certificates or other insurance evidence from Consultant is not a waiver by the County of any requirements for Consultant to obtain and maintain the specified coverages. Consultant must advise all insurers of the provisions in this Agreement regarding insurance. Non-conforming insurance does not relieve Consultant of the obligation to provide insurance as specified in this Agreement. ~~Nonfulfillment of the insurance conditions may constitute a violation of~~ this Agreement, and the County retains the right to terminate this Agreement or to suspend this Agreement until proper evidence of insurance is provided.

- (2) The insurance must provide for 60 days prior written notice to be given to the County in the event coverage is substantially changed, canceled or non-renewed. All deductibles or self-insured retentions on referenced insurance coverages must be borne by Consultant. Consultant agrees that insurers waive their rights of subrogation against the County of Cook, its employees, elected officials, agents or representatives.
- (3) The coverages and limits furnished by Consultant in no way limit Consultant's liabilities and responsibilities specified within this Agreement or by law. Any insurance or self-insurance programs maintained by the County of Cook apply in excess of and do not contribute with insurance provided by Consultant under this Agreement.
- (4) The required insurance is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.
- (5) Consultant must require all Subconsultants to provide the insurance required in this Agreement, or Consultant may provide the coverages for Subconsultants. All Subconsultants are subject to the same insurance requirements as Consultant unless otherwise specified in this Agreement. If Consultant or Subconsultant desires additional coverages, the party desiring the additional coverages is responsible for its acquisition and cost.
- (6) The County's Risk Management Office maintains the rights to modify, delete, alter or change these requirements. **"Risk Management Office"** means the Risk Management Office, which is under the direction of the Director of Risk Management and is charged with reviewing and analyzing insurance and related liability matters for the County.

**g) Indemnification**

The Consultant covenants and agrees to indemnify and save harmless the County and its commissioners, officials, employees, agents and representatives, and their respective heirs, successors and assigns, from and against any and all costs, expenses, attorney's fees, losses, damages and liabilities incurred or suffered directly or indirectly from or attributable to any claims arising out of or incident to the performance or nonperformance of the Contract by the Consultant, or the acts or omissions of the officers, agents, employees, Consultants, subconsultants, licensees or invitees of the Consultant. The Consultant expressly understands and agrees that any Performance Bond or insurance protection required of the Consultant, or otherwise provided by the Consultant, shall in no way limit the responsibility to indemnify the County as hereinabove provided.

**h) Confidentiality and Ownership of Documents**

Consultant acknowledges and agrees that information regarding this Contract is confidential and shall not be disclosed, directly, indirectly or by implication, or be used by Consultant in any way, whether during the term of this Contract or at any time thereafter, except solely as required in the course of Consultant's performance hereunder. Consultant shall comply with the applicable privacy laws and regulations affecting County and will not disclose any of County's records, materials, or other data to any third party. Consultant shall not have the right to compile and distribute statistical analyses and reports utilizing data derived from information or data obtained from County without the prior written approval of County. In the event such approval is given, any such reports published and distributed by Consultant shall be furnished to County without charge.

All documents, data, studies, reports, work product or product created as a result of the performance of the Contract (the "Documents") shall be included in the Deliverables and shall be the property of the County of Cook. It shall be a breach of this Contract for the Consultant to reproduce or use any documents, data, studies, reports, work product or product obtained from the County of Cook or any Documents created hereby, whether such reproduction or use is for Consultant's own purposes or for those of any third party. During the performance of the Contract Consultant shall be responsible of any loss or damage to the Documents while they are in Consultant's possession, and any such loss or damage shall be restored at the expense of the Consultant. The County and its designees shall be afforded full access to the Documents and the work at all times.

**i) Patents, Copyrights and Licenses**

If applicable, Consultant shall furnish the Chief Procurement Officer with all licenses required for the County to utilize any software, including firmware or middleware, provided by Consultant as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Consultant shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Consultant agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, as permitted by Illinois law, at its own expense (including reasonable attorneys', accountants' and consultants' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Consultant's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Consultant with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Consultant's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Consultant shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

**j) Examination of Records and Audits**

The Consultant agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after the final payment under the Contract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices, and records of the Consultant related to the Contract, or to Consultant's compliance with any term, condition or provision thereof. The Consultant shall be responsible for establishing and maintaining records sufficient to document the costs associated with performance under the terms of this Contract.

The Consultant further agrees that it shall include in all of its subcontracts hereunder a provision to the effect that the Subcontractor agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after final payment under the subcontract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices and records of such Subcontractor involving transactions relating to the subcontract, or to such Subcontractor compliance with any term, condition or provision thereunder or under the Contract.

In the event the Consultant receives payment under the Contract, reimbursement for which is later disallowed by the County, the Consultant shall promptly refund the disallowed amount to the County on request, or at the County's option, the County may credit the amount disallowed from the next payment due or to become due to the Consultant under any contract with the County.

To the extent this Contract pertains to Deliverables which may be reimbursable under the Medicaid or Medicare Programs, Consultant shall retain and make available upon request, for a period of four (4) years after furnishing services pursuant to this Agreement, the contract, books, documents and records which are necessary to certify the nature and extent of the costs of such services if requested by the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives.

If Consultant carries out any of its duties under the Agreement through a subcontract with a related organization involving a value of cost of \$10,000.00 or more over a 12 month period, Consultant will cause such subcontract to contain a clause to the effect that, until the expiration of four years after the furnishing of any service pursuant to said subcontract, the related organization will make available upon request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of said subcontract and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of such costs. This paragraph relating to the retention and production of documents is included because of possible application of Section 1861(v)(1)(I) of the Social Security Act to this Agreement; if this Section should be found to be inapplicable, then this paragraph shall be deemed inoperative and without force and effect.

**k) Subcontracting or Assignment of Contract or Contract Funds**

Once awarded, this Contract shall not be subcontracted or assigned, in whole or in part, without the advance written approval of the Chief Procurement Officer, which approval shall be granted or withheld at the sole discretion of the Chief Procurement Officer. In no case, however, shall such approval relieve the Consultant from its obligations or change the terms of the Contract. The Consultant shall not transfer or assign any Contract funds or any interest therein due or to become due without the advance written approval of the Chief Procurement Officer. The unauthorized subcontracting or assignment of the Contract, in whole or in part, or the unauthorized transfer or assignment of any Contract funds, either in whole or in part, or any interest therein, which shall be due or are to become due the Consultant shall have no effect on the County and are null and void.

If at any time after the contract award, Consultant makes a general price reduction in the price of any of the Deliverables, the equivalent price reduction based on similar quantities and/or considerations shall apply to this Contract for the duration of the Contract period. For purposes of this Section 5.f., Price Reduction, a general price reduction shall include reductions in the effective price charged by Consultant by reason of rebates, financial incentives, discounts, value points or other benefits with respect to the purchase of the Deliverables. Such price reductions shall be effective at the same time and in the same manner as the reduction Consultant makes in the price of the Deliverables to its prospective customers generally.

g) **Consultant Credits**

To the extent the Consultant gives credits toward future purchases of goods or services, financial incentives, discounts, value points or other benefits based on the purchase of the materials or services provided for under this Contract, such credits belong to the County and not any specific Using Agency. Consultant shall reflect any such credits on its invoices and in the amounts it invoices the County.

**ARTICLE 6) DISPUTES**

Any dispute arising under the Contract between the County and Consultant shall be decided by the Chief Procurement Officer. The complaining party shall submit a written statement detailing the dispute and specifying the specific relevant Contract provision(s) to the Chief Procurement Officer. Upon request of the Chief Procurement Officer, the party complained against shall respond to the complaint in writing within five days of such request. The Chief Procurement Officer will reduce her decision to writing and mail or otherwise furnish a copy thereof to the Consultant. The decision of the Chief Procurement Officer will be final and binding. Dispute resolution as provided herein shall be a condition precedent to any other action at law or in equity. However, ~~unless a notice is issued by the Chief Procurement Officer indicating that additional time is~~ required to review a dispute, the parties may exercise their contractual remedies, if any, if no decision is made within sixty (60) days following notification to the Chief Procurement Officer of a dispute. No inference shall be drawn from the absence of a decision by the Chief Procurement Officer.

Notwithstanding a dispute, Consultant shall continue to discharge all its obligations, duties and responsibilities set forth in the Contract during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

**ARTICLE 7) COOPERATION WITH INSPECTOR GENERAL AND COMPLIANCE  
WITH ALL LAWS**

The Consultant, Subcontractor, licensees, grantees or persons or businesses who have a County contract, grant, license, or certification of eligibility for County contracts shall abide by all of the applicable provisions of the Office of the Independent Inspector General Ordinance (Section 2-281 et. seq. of the Cook County Code of Ordinances). Failure to cooperate as required may result in monetary and/or other penalties.

The Consultant shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Consultant's employees, agents or Subcontractor shall be the responsibility of the Consultant.

The Consultant shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

**ARTICLE 8) SPECIAL CONDITIONS**

**a) Warranties and Representations**

In connection with signing and carrying out this Agreement, Consultant:

- i) warrants that Consultant is appropriately licensed under Illinois law to perform the Services required under this Agreement and will perform no Services for which a professional license is required by law and for which Consultant is not appropriately licensed;
- ii) warrants it is financially solvent; it and each of its employees, agents and Subcontractors of any tier are competent to perform the Services required under this Agreement; and Consultant is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated in this Agreement;
- iii) warrants that it will not knowingly use the services of any ineligible consultant or Subcontractor for any purpose in the performance of its Services under this Agreement;

- iv) warrants that Consultant and its Subcontractors are not in default at the time this Agreement is signed, and has not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the County;
- v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Consultant warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
- vi) represents that Consultant and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and
- vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

**b) Ethics**

- i) In addition to the foregoing warranties and representations, Consultant warrants:
  - (1) no officer, agent or employee of the County is employed by Consultant or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.
  - (2) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Consultant or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

**c) Joint and Several Liability**

If Consultant, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Consultant is the joint and several obligation or undertaking of each such individual or other legal entity.

**d) Business Documents**

At the request of the County, Consultant must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

**e) Conflicts of Interest**

- i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.
- ii) Consultant covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.
- iii) Upon the request of the County, Consultant must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Consultant is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Consultant's past or present clients. If Consultant becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.
- iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

- v) The Consultant further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Consultant's Services for others conflict with the Services Consultant is to render for the County under this Agreement, Consultant must terminate such other services immediately upon request of the County.
- vi) Furthermore, if any federal funds are to be used to compensate or reimburse Consultant under this Agreement, Consultant represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Consultant must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

**f) Non-Liability of Public Officials**

Consultant and any assignee or Subcontractor of Consultant must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

**ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET**

**a) Events of Default Defined**

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the County.
- ii) Consultant's material failure to perform any of its obligations under this Agreement including the following:
  - (a) Failure due to a reason or circumstances within Consultant's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

- (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
  - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
  - (d) Discontinuance of the Services for reasons within Consultant's reasonable control; and
  - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Consultant without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
  - iv) Consultant's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Consultant acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
  - v) Failure to comply with Article 7 in the performance of the Agreement.
  - vi) Consultant's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.
- b) **Remedies**

The occurrence of any event of default permits the County, at the County's sole option, to declare Consultant in default. The Chief Procurement Officer may in his sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Consultant in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Consultant written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Consultant fails to affect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Consultant's expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the County would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Consultant under this Section 9.b;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Consultant's compensation under this Agreement;
- vi) The right to consider Consultant non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

**c) Early Termination**

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Consultant. The County will give notice to Consultant in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Consultant must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

Consultant must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Consultant will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Consultant or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

**d) Suspension**

The County may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Consultant by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

**e) Right to Offset**

In connection with performance under this Agreement, the County may offset any excess costs incurred:

- i) if the County terminates this Agreement for default or any other reason resulting from Consultant's performance or non-performance;
- ii) if the County exercises any of its remedies under Section 9.b of this Agreement;  
or
- iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Consultant is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

**f) Delays**

Consultant agrees that no charges or claims for damages shall be made by Consultant for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

**g) Prepaid Fees**

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Consultant shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

**ARTICLE 10) GENERAL CONDITIONS**

**a) Entire Agreement**

**i) General**

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not expressly addressed in this Agreement.

**ii) No Collateral Agreements**

Consultant acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the County, its officials, agents or employees, has induced Consultant to enter into this Agreement or has been relied upon by Consultant, including any with reference to:

- (a) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement;
- (b) the nature of the Services to be performed;
- (c) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement;
- (d) the general conditions which may in any way affect this Agreement or its performance;
- (e) the compensation provisions of this Agreement; or
- (f) ~~any other matters, whether similar to or different from those referred to in~~ (a) through (e) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

iii) **No Omissions**

Consultant acknowledges that Consultant was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Consultant did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Consultant relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) **Contract Amendments**

The parties may during the term of the Contract make amendments to the Contract but only as provided in this section. Such amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

No Using Agency or employee thereof has authority to make any amendments to this Contract. Any amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Consultant is hereby notified that, except for amendments which are made in accordance with this Section 10.c. Contract Amendments, no Using Agency or employee thereof has authority to make any amendment to this Contract.

**d) Governing Law and Jurisdiction**

This Contract shall be governed by and construed under the laws of the State of Illinois. The Consultant irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Consultant consents and submits to the jurisdiction thereof. In accordance with these provisions, Consultant waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

**e) Severability**

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

**f) Assigns**

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

**g) Cooperation**

Consultant must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Consultant must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Using Agency in connection with the termination or expiration.

**h) Waiver**

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the County's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.

**i) Independent Consultant**

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Consultant and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Consultant must perform under this Agreement as an independent Consultant and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent Consultant and, if Consultant is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

- i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Consultant performing the Services required under this Agreement.
- ii) Consultant is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.
- iv) The County is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to the Consultant.

**j) Governmental Joint Purchasing Agreement**

Pursuant to Section 4 of the Illinois Governmental Joint Purchasing Act (30 ILCS 525) and the Joint Purchase Agreement approved by the Cook County Board of Commissioners (April 9, 1965), other units of government may purchase goods or services under this contract.

In the event that other agencies participate in a joint procurement, the County reserves the right to renegotiate the price to accommodate the larger volume.

**k) Comparable Government Procurement**

As permitted by the County of Cook, other government entities, if authorized by law, may wish to purchase the goods, supplies, services or equipment under the same terms and conditions contained in this Contract (i.e., comparable government procurement). Each entity wishing to reference this Contract must have prior authorization from the County of Cook and the Consultant. If such participation is authorized, all purchase orders will be issued directly from and shipped directly to the entity requiring the goods, supplies, equipment or services supplies/services. The County shall not be held responsible for any orders placed, deliveries made or payment for the goods, supplies, equipment or services supplies/services ordered by these entities. Each entity reserves the right to determine the amount of goods, supplies, equipment or services it wishes to purchase under this Contract.

**l) Force Majeure**

Neither Consultant nor County shall be liable for failing to fulfill any obligation under this Contract if such failure is caused by an event beyond such party's reasonable control and which is not caused by such party's fault or negligence. Such events shall be limited to acts of God, acts of war, fires, lightning, floods, epidemics, or riots.

**Scope of Services & Schedule of Compensation**

## Alternatives, Inc.

### SCOPE OF WORK

Alternatives will use the proposed funds to continue to support cultural shift at Uplift and Senn High School through providing supportive, pro-active talking circles and restorative conversations and, as an alternative to punitive punishments, peace circles, and peer jury services. The proposed program serves Uplift Community High School in Uptown and Senn High School in Edgewater. While both schools have different populations (320 vs 1,264) and environments (one is Level 2, arts developing and the other Level 1, International Baccalaureate [IB], and arts-excelling), both schools share diverse student profiles. The majority (97% Uplift; 90% Senn) of the student body is students of color, and nearly all of the students are from low-income families (95.3% Uplift; 88.3% Senn).

Alternatives will continue Senn's ongoing services and recent addition of a gender-specific (girl's) talking circle, to observe and record long-term, intensive program results on a school's environment, and to continue to perfect and hone a replicable model of implementation at Uplift. Alternatives will refine its sustainable model in which, for 2-3 days/week, a restorative justice practitioner teaches the school staff and students how to enact a restorative school environment (circles, conversations, and conferences) during an intensive, short period (3-5 year), followed by a more sustainable, long-term resolution of student- and staff-led restorative practices with minimal practitioner engagement (1 day/week to 1 day/two weeks). This model would then be documented and provided to the Justice advisory Council for replication at additional schools throughout Cook County.

Alternatives will comply with all reporting requirements of the JABG funding including, monthly expenditure reporting, metrics relevant to the program, and any other requests made by the funding agency as it relates to reports and deliverables.

**Please list the outcomes the proposed program seeks to achieve:**

Alternatives, Inc., is the restorative justice programs operating under Purpose Area #14. The restorative justice program offers services to youth who have been recently arrested, are risk of being arrested, and have violations of schools codes. The outcomes expected as the result of the support from the proposed funding are:

- Increased knowledge and use of conflict-resolution skills
- Intensively trained student peace ambassadors and school staff
- Improved relationships with peers, adults, and the community
- Decreased suspensions and expulsions, and improved truancy

The restorative justice model offers alternative ways for school systems to address behavioral issues proactively—before problems escalate to violence and before youth are involved in the criminal system. By offering schools additional non-punitive options for discipline, restorative justice programming is able to de-escalate these issues (Groups 1-4 of the Chicago Public Schools Student Code of Conduct) before they worsen. Peer conferencing, restorative conversations, and circles offer youth opportunities to understand how their actions affect their community. Youth are able to address the harm done in an environment that frames the issue with respect to its impact on persons harmed and the community. Youth gain communication and conflict-resolution skills that help them prevent problems from escalating and prevent the use of detrimental exclusionary discipline such as detention, suspension, and arrests.

These programs work with parents and families, teachers, victims, and the youth to work together to hold the students (minors) accountable for their actions and to reduce the probability and quantity of recidivism cases. Restorative justice practices such as peer conferences (formerly called “peer juries”), talking circles, restorative conversations, and peace circles (another form of victim/offender mediation) will be used to create a meaningful opportunity for the victims’ needs to be met and the youth to take responsibility for their actions.

Specifically, Alternatives will provide initial group professional development, one-on-one training, and hands-on technical assistance to Senn and Uplift teachers, school administrators, and students using BARJ philosophy and principles. In addition, Alternatives will provide ongoing training and technical assistance to these same groups to develop their knowledge, implementation, enhancement, and evaluation of a student-led Peer Conferencing program.

Alternatives’ Restorative Justice Programs focus on supporting youth to build skills and accountability to enhance school safety and prevent issues from becoming the purview of the juvenile justice system. In addition to creating changes for individuals, these programs promote a shift in school culture as school administrators and teachers develop a more restorative and effective means of dealing with discipline issues. An effective school-based program can impact culture in several ways: making the disciplinary process more collaborative and less confrontational; strengthening student-and-community, student-and-administration, and community-and-administration connections; offering mutual support between the community and school; building student ownership of the disciplinary process; and increasing student and teacher active-listening, problem-solving, and teamwork skills.

Through these services, young people are given a safe, supportive space to work through issues negatively affecting their educational, personal, and family lives (talking circles and restorative conversations). Additionally, victims and offenders resolve issues prior to an incident and resolve conflict in peer-led groups (peace circles). If an incident does occur, offenders are referred to peer conferences where they discuss the details that led to the incident, the effect of the incident on the victim and community, and then make agreements to complete actions that will repair the harm caused.

**Activities and services planned to achieve outcomes:**

The proposed funding will partially support the aforementioned program at a rate of 50% the actual costs. The total program costs are equivalent to 1.2 FTE (4 hours +20 hours +20 hours), including time for the Restorative Justice Manager and two Restorative Justice practitioners (one each at Uplift Community High School and Senn High School). Approximately 4 hours of the manager's weekly schedule is spent on the program; this time allows her to provide one hour per school of oversight of the programs' strategies, planning, and implementation and one hour per practitioner as supervisory support. The practitioners spend 20 hours weekly on the program. The funding will partially cover each practitioner's total time on her school's program; these 20 hours are comprised of four hours of administrative support at Alternatives' offices and two full days (eight hours each) of services within the schools. The following services are provided during the two days at the schools:

- Restorative Conversations
- Talking circles
- Peace circles
- Peer Conferences
- Additional Group Activities (Girls group, currently only at Senn High School)

**Please provide a narrative description of the program that is being proposed.**

Alternatives, Inc., is the restorative justice programs who will be operating under Purpose Area #14. The restorative justice program offers services to youth who have been recently arrested, are at risk of being arrested, and have violations of school codes. Alternatives, Inc. will continue to maintain its restorative justice program at Uplift Community High School, located in the Uptown community, and Nicholas Senn High School, located in the Edgewater community, both on Cook County's Northeast side. Alternatives will offer professional development services and continue to provide ongoing training and technical assistance to Senn teachers, school administrators, student volunteers ("Peace Ambassadors"), and parents in the implementation, enhancement, and evaluation of student-led Peer Conferences, Talking Circles, Peace Circles, restorative conversations, and family group conferencing programs.

These programs work with parents and families, teachers, victims, offenders, and volunteer youth to work together to hold the students accountable for their actions and reduce the probability of a repeat offense. Restorative justice practices such as peer conferences, peacemaking circles, and victim/offender mediation will be used to create a meaningful opportunity for the victims' needs to be met and the youth to take responsibility for their actions.

### **FAMILIAL RELATIONSHIP DISCLOSURE PROVISION**

#### **Nepotism Disclosure Requirement:**

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

(d) The execution and delivery of this Agreement and the other documents to be executed by Provider in connection with this Agreement, and the performance by Provider of its obligations hereunder, have been duly authorized by all necessary entity action.

Provider certifies that it does and will comply with the reporting requirements of the Federal Funding Accountability and Transparency Act of 2006 (P.L. 109-282) (FFATA) with respect to Federal grants greater than or equal to \$25,000. A FFATA sub-award report must be filed by the end of the month following the month in which the grant was awarded.

This Agreement generally refers to the OMB Circulars effective for awards issued before December 26, 2014, although if notified, the applicable

provision of 2 CFR Part 200 applies.

### ARTICLE III DEFINITIONS

3.1. Definitions. Capitalized words and phrases used in this Agreement have the following meanings:

"Administrative Costs" means those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective, *i.e.*, a particular Award, Program, Program, service, or other direct activity of an organization. A cost may not be allocated to an Award as an Indirect Cost if any other cost incurred for the same purpose, in like circumstances, has been assigned to an award as a Direct Cost. Provider is responsible for presenting costs consistently and must not include costs associated with its Indirect Cost Rate as Direct Costs. The term "Administrative Costs" is synonymous with the term "Indirect Costs." *See, e.g.*, U.S. Department of Health and Human Services Grants Policy Statement, January 1, 2007, at II-26.

"2 CFR Part 200" means the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards published in Title 2, Part 200 of the Code of Federal Regulations.

"Agreement" means this Agreement, and any addendum, schedules and exhibits thereto, all as amended from time to time. Words such as "herein," "hereinafter," "hereof," "hereto," and "hereunder" refer to this Agreement as a whole, unless the context otherwise requires.

"Allocable Costs" means costs allocable to a particular cost objective if the goods or services involved are chargeable or assignable to such cost objective in accordance with relative benefits received or other equitable relationship. Costs allocable to a specific Program may not be shifted to other Programs in order to meet deficiencies caused by overruns or other fund considerations, to avoid restrictions imposed by law or by the terms of this Agreement, or for other reasons of convenience.

"Allowable Costs" means costs associated with DHS Programs which are reimbursable from DHS funds. Allowable Costs include expenses that are (1) necessary and related to the provision of Program services, (2) reasonable to the extent that a given cost is consistent with the amount paid by similar agencies for similar services, (3) not specified as unallowable, and (4) not illegal. Research expenses may be considered Allowable Costs if Prior Approval is received from DHS. (89 Ill. Adm. Code §509.20(a))

"ARRA" means the American Recovery and Reinvestment Act of 2009 (P.L. 111-5).

"Award" means financial assistance that provides support to accomplish the purpose of this Agreement. Awards include grants and other agreements in the form of money by DHS to Provider.

"Budget" means the financial plan for the Program submitted by Provider and approved by DHS.

"CFDA" means the Catalog of Federal Domestic Assistance, a government-wide compendium of Federal programs, projects, services and activities that provide assistance or benefits to the American public.

"Consolidated Financial Report" means a financial information presentation in which the assets, equity, liabilities, and operating accounts of an entity and its subsidiaries are combined (after eliminating all inter-entity transactions) and shown as belonging to a single reporting entity.

"Cost Allocation Plan" means a document that identifies, accumulates and distributes allowable direct and

indirect costs under subgrants and contract and identifies the allocation methods used for distributing the costs. A plan for allocating joint costs is required to support the distribution of those costs to the grant program. All costs included in the plan must be supported by formal accounting records to substantiate the propriety of the eventual charges. Providers are required to maintain a Cost Allocation Plan, in accordance with Ill. Adm. Code §509.40(c), if they receive more than one source of funding or operate more than one Program. (89 Ill. Adm. Code §509.20(a)(2)).

“Direct Costs” means those costs that can be identified specifically with a particular final cost objective, *i.e.*, a particular Award, Program, service, or other direct activity of an organization, or that can be directly assigned to such an activity with a high degree of accuracy. Direct costs may be charged based on a full-time equivalent or pro-rated basis. A cost may not be assigned to an Award as a Direct Cost if any other cost incurred for the same purpose, in like circumstance, has been allocated to an Award as an Indirect Cost. Provider is responsible for presenting costs consistently and must not include costs associated with its Indirect Cost Rate as Direct Costs.

“Disallowed Costs” means those charges to an award that DHS determines to be Unallowable Costs.

“DUNS Number” means a unique nine digit identification number provided by Dun & Bradstreet for each physical location of Provider’s organization. Assignment of a DUNS Number is mandatory for all organizations required to register with the Federal government for contracts or grants.

“Fee-for-Service” means a Program for which the payments are made on the basis of a rate, unit cost or allowable cost incurred and are based on a statement or bill as required by DHS. (89 Ill. Adm. Code §509.15). Services provided on a Fee-for-Service basis are Medicaid-related.

“FFATA” means Federal Funding Accountability and Transparency Act of 2006 (P. L. 109-282).

“Fixed-Rate” means a Program for which the payments for non-Medicaid services are made on the basis of a rate, unit cost or allowable cost incurred and the payments are based on a statement or bill as required by DHS. Fixed-Rate payments are subject to all Federal administrative regulations and requirements, including, but not limited to, those set forth at OMB Circular A-102, OMB Circular A-100, OMB Circular A-133, and are subject to all applicable cost principles, including OMB Circular A-21, OMB Circular A-87 OMB Circular A-122 and 2 CFR Part 200, as applicable. Fixed-Rate services are non-Medicaid services. A Fixed-Rate agreement, in common terminology, is a non-Medicaid fee-for-service agreement. Fixed-Rate grants are exempt from cost principles but are subject to audit requirements set forth in the applicable OMB Circular.

“GAAP” means Generally Accepted Accounting Principles.

“Grant” means any assistance, whether financial or otherwise, furnished by DHS to a person or entity for obligation, expenditure, or use by Provider for a specific purpose(s) as authorized by law. This does not include advance payments made under the authority of Paragraph 9.05 of the State Finance Act, 30-ILCS 105/9.05.

“Indirect Costs” means those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective, *i.e.*, a particular Award, Program, service, or other direct activity of an organization. A cost may not be allocated to an award as an Indirect Cost if any other cost incurred for the same purpose, in like circumstances, has been assigned to an award as a Direct Cost. Provider is responsible for presenting costs consistently and must not include costs associated with its Indirect Cost Rate as Direct Costs. The term “Indirect Costs” is synonymous with the term “Administrative Costs.” See, *e.g.*, U.S. Department of Health and Human Services Grants Policy Statement, January 1, 2007, at II-26.

"Indirect Cost Rate" means is a device for determining in a reasonable manner the proportion of indirect costs each Program should bear. It is a ratio (expressed as a percentage) of the Indirect Costs to a Direct Cost base. If reimbursement of Indirect Costs is allowable under an Award, DHS will not reimburse those Indirect Costs unless Provider has established an Indirect Cost Rate covering the applicable activities and period of time, unless Indirect Costs are reimbursed at a fixed rate. If Provider has a current, applicable rate negotiated by a cognizant Federal agency, Provider shall provide to DHS a copy of its Indirect Cost Rate proposal and the acceptance letter from the Federal government. If Provider does not have a current, applicable rate negotiated by a cognizant Federal agency, DHS shall be responsible for establishing an Indirect Cost Rate for Provider.

"Indirect Cost Rate Proposal" means the documentation prepared by Provider to substantiate its request for the establishment of an Indirect Cost Rate.

"Net Revenue" means an entity's total revenue less its operating expenses, interest paid, depreciation, and taxes. "Net Revenue" is synonymous with "Profit."

"OMB" means the Executive Office of the President of the United States, Office of Management and Budget.

"OMB Circular" means instructions or information issued by the President's Office of Management and Budget ("OMB") to Federal agencies.

"Prior Approval" means written approval by an authorized member of DHS management evidencing prior consent.

"Profit" means an entity's total revenue less its operating expenses, interest paid, depreciation, and taxes. "Profit" is synonymous with "Net Revenue."

"Program" means the services to be provided pursuant to this Agreement.

"Program Costs" means all Allowable Costs incurred by Provider and the value of the contributions made by third parties in accomplishing the objectives of the Award during the Term of this Agreement.

"Program Income" means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the Award. Interest earned on advances of Federal funds under this Agreement is not Program Income.

"Related Parties" has the meaning set forth in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 850-10-50.

"State" means the State of Illinois.

"Term" has the meaning set forth in Paragraph 1.3.

"Unallowable Costs" means expenses which, pursuant to DHS rules or policies or Federal regulations, are not reimbursable from DHS funds, unless Prior Approval is received from DHS. Specific Unallowable Costs are set forth in 89 Ill. Adm. Code §509.20(b).

**ARTICLE IV  
PAYMENT**

4.1. Availability of Appropriation; Sufficiency of Funds. This Agreement is contingent upon and subject to the availability of sufficient funds. DHS may terminate or suspend this Agreement, in whole or in part, without penalty or further payment being required, if (i) sufficient funds for this Agreement have not been appropriated or otherwise made available to the Department by the State or the Federal funding source, (ii) the Governor or DHS reserves funds, or (iii) the Governor or DHS determines that funds will not or may not be available for payment. DHS shall provide notice, in writing, to Provider of any such funding failure and its election to terminate or suspend this Agreement as soon as practicable. Any suspension or termination pursuant to this Section will be effective upon the date of the written notice unless otherwise indicated.

4.2. Illinois Grant Funds Recovery Act. If the funds awarded are subject to the provisions of the Illinois Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), any funds remaining at the end of the Agreement period which are not expended or legally obligated by Provider shall be returned to DHS within forty-five (45) days after the expiration of this Agreement. The provisions of 89 Ill. Adm. Code §511 shall apply to any funds awarded that are subject to the Illinois Grant Funds Recovery Act.

4.3. Cash Management Improvement Act of 1990. If applicable, Federal funds received under this Agreement shall be managed in accordance with the Cash Management Improvement Act of 1990 (31 U.S.C. §6501 *et seq.*) and any other applicable Federal laws or regulations. Programs to which this applies will be listed in the applicable Program Manual and on DHS' website.

4.4. Payments to Third Parties. Provider agrees to hold harmless DHS when DHS acts in good faith to redirect all or a portion of any Provider payment to a third party. DHS will be deemed to have acted in good faith if it is in possession of information that indicates Provider authorized DHS to intercept or redirect payments to a third party or when so ordered by a court of competent jurisdiction.

4.5. Modifications to Estimated Amount. The Agreement amount is established on an estimated basis and may be increased at any time during the term. DHS may decrease the estimated amount of this Agreement at any time during the term if (i) DHS believes Provider will not use the funds during the term, (ii) DHS believes Provider has used funds in a manner that was not authorized by this Agreement, (iii) sufficient funds for this Agreement have not been appropriated or otherwise made available to the Department by the State or the Federal funding source, (iv) the Governor or DHS reserves funds, or (v) the Governor or DHS determines that funds will or may not be available for payment. Provider will be notified, in writing, of any adjustment of the estimated amount of this Agreement. In the event of such reduction, services provided by Provider under **Exhibit A** may be reduced accordingly. Provider shall be paid for work satisfactorily performed prior to the date of the notice regarding adjustment.

4.6. Interest.

(a) This Paragraph 4.6 does not apply to Fee-for-Service payments or to providers who are not subject to the terms of the Cash Management Improvement Act (31 U.S.C. §6501 *et seq.*).

(b) Federal pass-through grant funds disbursed under this Agreement and held for over five (5) days by Provider shall be placed, when possible, in an interest-bearing account. All interest earned shall be considered grant funds and are subject to the same restrictions. A Provider, which receives such funds, is subject to the requirements of the Cash Management Improvement Act (31 CFR 205 Subpart B)

and shall meet all record-keeping requirements. If Provider does not comply with these requirements, Provider will be subject to the interest penalties described in Subpart A of the Cash Management Improvement Act. Any exceptions to this requirement must be approved, in writing, by DHS.

(c) The provisions of the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, shall apply to any grant funds, except Fixed Rate, received by Provider under this Agreement. The period of time during which grant funds may be expended by Provider is the Term of this Agreement as set forth in Paragraph 1.3.

4.7. Timely Billing Required. This Paragraph 4.7 does not apply to Fee-for-Service payments. For all non-recurring Federal funding, such as one-time grants and ARRA funding, Provider must submit any bills to DHS within thirty (30) days of the end of the quarter. Failure to submit such bills within thirty (30) days will render the amounts billed an unallowable cost which DHS cannot reimburse. In the event that Provider is unable, for good cause, to submit its bills within thirty (30) days of the end of the quarter, Provider shall so notify DHS within that thirty (30) day period and may request an extension of time to submit the bills. DHS' approval of Provider's request for an extension shall not be unreasonably withheld.

4.8. Certification. Each invoice submitted by Provider must contain the following certification:

Provider certifies that the amounts shown on this invoice (1) are true and correct, (2) have not been falsified, inflated or otherwise improperly represented, (3) have been used only for the purposes set forth in the Community Services Agreement between Provider and DHS, (4) are allowable in accordance with State and Federal laws and regulations, and (5) have not been submitted for payment to any other State agency or entity.

#### **ARTICLE V SCOPE OF SERVICES/PURPOSE OF GRANT**

5.1. Services to be Provided/Purpose of Grant. Provider will provide the services as described in the applicable Program Manual and Exhibits, including Exhibit A (Scope of Services) and Exhibit B (Deliverables), incorporated herein and in accordance with all terms and conditions set forth herein and all applicable administrative rules. All programmatic reporting required under this Agreement is described in the attached Exhibits and applicable Program Manual.

5.2. Special Provisions. None.

#### **ARTICLE VI BUDGET**

6.1. Exemptions. Fee-for-Service payments are exempt from the Budget provisions of this ARTICLE VI. Unless notified in the Exhibits or the Program Attachment to this Agreement, Fixed-Rate payments are exempt from the Budget provisions of this ARTICLE VI.

6.2. Submission of Proposed Budget. Within thirty (30) days of execution of this Agreement, Provider must submit to DHS, via DHS' Community Services Agreement (CSA) Tracking System portal, available on the Internet at <https://grants.dhs.illinois.gov/gpsecure/gtp>, a detailed Budget prepared in accordance with the template provided by DHS.

6.3. Payment Contingency. Payment to Provider is contingent upon DHS' receipt and approval of Provider's proposed Budget. Provider will be paid for reasonable services provided prior to DHS' approval of Provider's Budget.

6.4. Budget Approval. A decision indicating approval or disapproval of the proposed Budget shall be made by DHS within sixty (60) business days after submission by Provider. The CSA Tracking System portal shall provide access to the status, including acceptance, of any approved Budget.

6.5. Preparation of Budget. Provider's Budget must be prepared in accordance with the template provided by DHS, which follows and adheres to all applicable Federal guidelines. DHS' policy requires that all Providers follow Federal regulations for Federal funding as set forth in Paragraph 7.11

6.6. Budget Revisions. The Budget is a schedule of anticipated grant expenditures that is approved by DHS for carrying out the purposes of the Grant. When Provider or third parties support a portion of expenses associated with the Award, the Budget includes the non-Federal as well as the Federal share of grant expenses. Provider shall obtain Prior Approval from DHS whenever a Budget revision is necessary because of:

(a) the transfer to a third party (by subgranting, contracting or other means) of any work under the Grant;

(b) the transfer of funds from other Budget detail line items greater than ten percent (10%) of the line item; or

(c) changes in the scope of services or objectives of the Grant.

6.7. Revision Approvals. All requests for Budget revisions shall be signed by Provider's grant administrator and submitted to DHS' Office of Contract Administration for approval by DHS management.

6.8. Notification. Within thirty (30) calendar days from the date of receipt of the request for Budget revisions, DHS will review the request and notify Provider whether or not the Budget revision has been approved.

## **ARTICLE VII ALLOWABLE COSTS**

7.1. Allowability of Costs; Cost Allocation Methods. The allowability of costs and cost allocation methods for work performed under Grants, Fee-for-Service and Fixed-Rate shall be determined in accordance with the applicable Federal cost principles and the terms and conditions of the award. However, DHS delegates to Provider the authority to approve costs that the applicable cost principles state are allowable only with the prior approval of the funding agency, unless specifically prohibited by other articles in these general provisions, or by the terms and conditions of the Award. Examples of such costs are foreign travel; equipment purchases; and publication and printing costs. This delegation does not relieve Provider of the responsibility to document that such charges are reasonable, necessary and allocable to the Program.

---

7.2. Indirect Cost Rate Proposal Submission.

(a) This Paragraph 7.2 applies only to:

- (i) Providers who charge, or expect to charge, any indirect costs; and
- (ii) Providers who are allowed to charge indirect costs under federal or state

statutes, state administrative rules, and agency or program rules, regulations and policies.

(b) Providers who receive \$250,000 or more in funding from the State of Illinois, including

all Departments or Agencies thereof, and whether state or federal funds, must submit an Indirect Cost Rate Proposal in accordance with federal regulations for approval no later than 60 days after their submission of audited financial statements, in a format prescribed by DHS (for example, if audited financial statements are submitted August 2016, then the Indirect Cost Rate Proposal must be submitted in October 2016).

(c) Providers who have had an Indirect Cost Rate Proposal approved by a cognizant Federal agency must submit an Indirect Cost Rate Proposal, but DHS will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

7.3. Transfer of Costs. Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. See U.S. Department of Health and Human Services Grants Policy Statement, January 1, 2007, at II-43; OMB Circular A-122, 2 CFR Part 230, Appendix A at A.4.b, 2 CFR Part 200.

7.4. OMB Circular A-21. The Federal cost principles that apply to public and private institutions of higher education are set forth in OMB Circular A-21 (relocated to 2 CFR Part 220), unless notified in an Exhibit or Attachment hereto (see Paragraph 2.6 hereof).

7.5. OMB Circular A-122. The Federal cost principles that apply to nonprofit organizations that are not institutions of higher education are set forth in OMB Circular A-122 (relocated to 2 CFR Part 230), unless notified in an Exhibit or Attachment hereto (see Paragraph 2.6 hereof).

7.6. OMB Circular A-87. The Federal cost principles that apply to State, local and Federally-recognized Indian tribal governments are set forth in OMB Circular A-87 (relocated to 2 CFR Part 225), unless notified in an Exhibit or Attachment hereto (see Paragraph 2.6 hereof).

7.7. 48 CFR Part 31. The Federal cost principles and procedures for cost analysis and the determination, negotiation and allowance of costs that apply to commercial organizations are set forth in 48 CFR Part 31.

7.8. Changes in Scope of Services. Any Program that is carried out must be consistent with the scope of services. No changes may be made to the scope of services without Prior Approval from DHS. All requests for a change in the scope of services shall be signed by Provider's grant administrator and submitted to DHS' Office of Contract Administration for approval by DHS management.

7.9. Changes in Key Grant Personnel. When it is specifically required as a condition of a Grant, the replacement of the Program director or the co-director or a substantial reduction in the level of their effort, *e.g.*, their unanticipated absence for more than three (3) months, or a twenty-five percent (25%) reduction in the time devoted to the Program, requires Prior Approval from DHS. When it is specifically required as a condition of a Grant, Prior Approval will be required for the replacement or the substantial reduction in the level of effort of other personnel whose work is deemed by DHS to be critical to the Program's successful completion. All requests for approval of changes in key Program personnel shall be signed by Provider's grant administrator and submitted to the appropriate DHS program officer. Evidence of the qualifications for replacement personnel (such as a *résumé*) shall be included.

7.10. Financial Management Standards. The financial management systems of Provider must meet the

following standards:

(a) **Accounting System.** Provider organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each State- and Federally-sponsored Program. Accounting records must contain information pertaining to State and Federal pass-through awards, authorizations, obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other grant funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger.

(b) **Source Documentation.** Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation should be clearly identified with the grant and general ledger accounts which are to be charged or credited.

(1) The documentation required for salary charges to grants is prescribed by the cost principles applicable to the entity's organization (see Title XX Social Services).

(2) For Providers subject to OMB Circular A-21 (educational institutions), documentation for salary charges shall either (i) use a payroll distribution based on one of the three methods listed in Section J(10)(c) of OMB Circular A-21 or, alternatively, (ii) with DHS Prior Approval, use a payroll distribution that meets the criteria specified in Section J(10)(b)(2) of OMB Circular A-21.

(3) For Providers subject to OMB Circular A-122 (nonprofit organizations), documentation for all salary charges shall be based on a system of personnel activity reports.

(4) For Providers subject to OMB Circular A-87 (State and local governments), documentation for salary charges shall be based on a system of personnel activity reports unless an employee is working solely on a single Federal award. In such case, the charge for salary will be supported by a certification signed by the employee or the employee's supervisor.

(5) Personnel activity reports shall account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the grant, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records should be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(6) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Provider.

(7) If third party in-kind (non-cash) contributions are used on a Program, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control.** Effective control and accountability must be maintained for all cash, real and personal property, and other assets. 22.3. Suspension. If the Provider fails to comply with terms and/or conditions of this Agreement or any other state-issued Grant, DHS may suspend this Agreement, withhold further payment and prohibit Provider from incurring additional obligations pending corrective action by Provider or a decision to terminate this Agreement by DHS. 34.2. Cost of Insurance. If, during the term of this Agreement, Provider's cost of property and casualty insurance increases by twenty-five percent (25%) or more, or if new State regulations impose additional costs on Provider, Provider may request that DHS review this Agreement and adjust the compensation or reimbursement provisions hereof in accordance with any agreement reached, all of which shall be at the sole discretion of DHS and subject to the limitations of DHS' appropriated funds.

34.3. **Claims.** If a claim is submitted for real and/or personal property purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered shall be surrendered to DHS.

#### **ARTICLE XXXV LAWSUITS**

35.1. **Indemnification.** Indemnification will be governed by the State Employee Indemnification Act (5 ILCS 350/1 *et seq.*) as interpreted by the Illinois Attorney General. 38.3. **Severability.** If any provision of this Agreement is declared invalid, its other provisions shall not be affected thereby.

38.4. **No Waiver.** No failure of DHS to assert any right or remedy hereunder will act as a waiver of its right to assert such right or remedy at a later time or constitute a course of business upon which Provider may rely for the purpose of denial of such a right or remedy to DHS.

38.5. **Applicable Law; Claims.** This Agreement and all subsequent amendments thereto, if any, shall be governed and construed in accordance with the laws of the State of Illinois. FEDERAL PROGRAM NAME: JUVENILE ACCOUNTABILITY BLOCK GRANT PROGRAM

STATE PROGRAM NAME: JUVENILE ACCOUNTABILITY BLOCK GRANT PROGRAM

PURPOSE OF GRANT

CFDA: 16.523 - Appropriation Code: 805814900  
Appropriation Desc: Juv Account Blk GrantJABG  
Appropriation Amount: \$461,573.80  
Maintenance of Effort (MOE): No

Exhibit A Purpose of Grant/ Scope of Services

The Illinois Juvenile Justice Commission (IJJC) administers the federally funded Juvenile Accountability Block Grants (JABG) Program, which is administered at the federal level by the Office of Juvenile Justice and Delinquency Prevention (OJJDP) within the Department of Justice (DOJ). The JABG Program is designed to help communities implement accountability-based programs that focus on both juvenile offenders and the juvenile justice system. The JABG Program funds state and local units of government to implement programs that focus on providing juvenile offenders with individualized consequences through which they are made aware of and held responsible for the impact of their actions on a victim; and to implement activities that increase the juvenile justice systems capacity to develop youth competence, efficiently track youth through the system, and provide enhanced alternative and restorative justice sanctions.

Through the JABG Program, the IJJC supports programs and activities that fall into one of the following five federally designated purpose areas:

Law Enforcement and Court Personnel Training Programs Aimed at Preventing and Addressing Juvenile Crime

Interagency Information Sharing Programs to Aid Informed Decision Making Regarding Juvenile Offenders

Accountability-Based Programs Designed to Reduce Recidivism

Programs to Provide Risk and Needs Assessments and Treatment for Juvenile Offenders

Restorative Justice Programs

By supporting programs and activities focused on the above priorities, the IJJC can help support long-term, sustainable justice system improvements which ensure that youth do not enter the justice system unnecessarily; that youth who do enter receive developmentally appropriate and effective services and support; and that youth leave the juvenile justice system with positive outcomes which, in turn, enhance community safety.

Formula Awards

JABG Program formula grants are awarded to units of local government designated by the Office of Juvenile Justice and Delinquency Prevention (OJJDP). The recipients of JABG formula funds and the amount of funds awarded to each recipient are determined annually by OJJDP based on a federal formula that takes into account population and juvenile justice system expenditures in each unit of local government in Illinois.

**EXHIBIT B  
DELIVERABLES**

In accordance with an approved Program Plan / Application, the Provider will, within the first 12 months of grant period, develop and implement a program or programs that serve juvenile offenders and/or strengthen the juvenile justice system and address one or more of the 5 purpose areas described in Exhibit A.

The Provider will demonstrate the use of data and evidence to inform program development, and will utilize models, practices and programs with demonstrated effectiveness for the target population.

Providers are expected to collaborate and partner with the IJJC, relevant juvenile justice system partners, and community based service providers to develop programs and strategies that address the purpose areas and achieve the goals described in Exhibit A. Purpose Area Requirements

In accordance with an approved Program Plan/Application, the Provider will develop and implement a program or programs that meet the requirements specific to each purpose area addressed. The purpose area specific requirements are as follows:

**Law Enforcement and Court Personnel Training Programs:** the Provider will implement training and technical assistance programs designed to improve the capacity of law enforcement and court personnel involved with youth to: 1) communicate and interact effectively with youth and families; 2) respond to youth in conflict with the law in a developmentally appropriate manner rooted in evidence and best practices; and/or 3) to better coordinate across systems to address the complex needs of youth in conflict with the law and their families. Programs will be substantially implemented within the first 12 months of the grant period.

**Interagency Information Sharing Programs:** the Provider will implement programs and activities to: 1) establish data and information sharing protocols and agreements across agencies that ensure the care of youth involved in the juvenile justice system is coordinated and focused on appropriate early and ongoing intervention services; and/or 2) improve and enhance the collection and analysis of case-level data on all youth in the juvenile justice system, from first contact through all decision-making points. Interagency Information Sharing Agreements will be substantially completed within the first 12 months of the grant period.

**Accountability-Based Programs:** the Provider will develop and implement programs that hold youth appropriately accountable while reducing overreliance on the use of secure detention and incarceration, such as high-quality alternatives to detention, diversion programs, evidence-based behavioral health services and support for community-based supervision. If sanctions are imposed on juvenile offenders as a component of the Accountability-Based programs provided, the Provider will demonstrate how the sanctions are a part of a system of responses to juvenile offending that are tailored to the individual offender and take into account the risks, needs and strengths of the juvenile offender in addition to public safety and the needs of crime victims. Programs will be substantially implemented within the first 12 months of the grant period.

**Risk and Needs Assessments and Treatment:** the Provider will develop and implement programs and activities designed to: 1) establish and/or improve use of validated screening and assessment to inform and identify appropriate juvenile justice system responses to juvenile offenders; 2) improve use of individualized case planning informed by enhanced screening and assessment; and/or 3) improve policies and practices that ensure screening, assessment and case planning actually result in youth receiving needed treatment and services. Programs will be substantially implemented within the first 12 months of the grant period.

**Restorative Justice Programs:** the Provider will develop and implement front-end/early intervention restorative justice programs and practices that promote youth accountability

**EXHIBIT B**

**DELIVERABLES**

and engagement of all stakeholders affected, connect participating youth with needed services and community supports, and divert participating youth from formal juvenile justice system involvement. Programs will be substantially implemented within the first 12 months of the grant period.

**Program Requirements**

**Individual Case Files:** Providers will develop and utilize a confidential record keeping system, including a central standardized file (that includes locked storage for all files kept in hard copy) for all youth directly served through the grant.

**Background Checks:** Providers will ensure that all staff and volunteers who have direct contact with youth pursuant to this grant will undergo criminal background checks and CANTs checks.

Providers are required to be present information on program implementation progress quarterly, provide data updates, or to answer questions arising from the Providers program as requested by the Department/IJJC.

The Provider agrees to participate in site visits as requested by the Department/IJJC and agrees that program and collaborating partners will be in attendance at such site visits.

**Juvenile Crime Enforcement Coalition**

Every JABG program funded is required to establish and maintain a local Juvenile Crime Enforcement Coalition (JCEC), consisting of representatives from the local police department, sheriffs department, prosecutors office, probation, juvenile court, schools, business and religious communities and non-profit or social service organizations involved in crime prevention. Existing community teams, committees or coalitions can and should be utilized whenever possible to meet this requirement.

The JCEC is required to maintain meeting minutes and make them available to the Department and the Illinois Juvenile Justice Commission upon request. Providers are required to submit, along with the application/plan, minutes of the JCEC meeting in which approval was authorized for the JABG application/plan.

**Annual Program Plan/Budget**

All Providers are required to submit an annual Program Plan and Budget on or before May 31st. The Program Plan must include annually updated juvenile justice population data for the Providers jurisdiction. Updated population data shall include juvenile justice population demographics, including race, ethnicity, gender, offense/incident type and disposition (whether formal or informal). In addition, the Program Plan must indicate which federally designated performance measures the Provider will be responsible for reporting, based on the purpose areas addressed by the proposed program. Please refer to the BYIS Program Manual for specific information and requirements.

Revisions to the program plan and budget: Please refer to the BYIS Program Manual for instructions regarding the submission of Program Plan or Spending Plan/Budget modifications.

**Administrative Costs**

Indirect costs are not allowed under this grant. (These are costs that are not directly attributable to and necessary for the implementation of a specific program.) It is expected that administrative costs will represent a small portion of the overall program budget. Administrative means those activities performed by staff and costs which are supportive of and required for project implementation for which there is no direct client contact such as fiscal staff, audit, clerical support, rent, utilities, insurance, general office equipment etc. Annual program budgets and narratives will detail how all proposed

**EXHIBIT B**

**DELIVERABLES**

expenditures are directly necessary for program implementation. Any budget deemed to include inappropriate or excessive administrative costs will not be approved.

**Subcontractors**

1. Subcontractor Agreement(s) must be pre-approved by the Department.
2. Subcontractor Agreement(s) and budgets must be on file with the Department.
3. Any subcontractors shall be subject to all provisions of this Agreement.
4. The Provider shall retain sole responsibility for the performance of the subcontractor.

**Match**

Providers are required to provide financial (cash) match from local public or private resources to supplement the JABG Program award. An in-kind match cannot be used to satisfy the match requirement. Funds awarded under the JABG Program may not cover more than 90 percent of the total costs of the project being funded. Applicants must identify the source of the 10 percent non-federal portion of the total project costs and how they will use match funds. The match amount should be calculated using the following formula:

$$\text{JABG Award Amount} = \frac{\text{Adjusted (Total) Project Costs}}{\text{Federal Share Percentage}}$$

$$\text{Required Recipients Share Percentage} \times \text{Adjusted Project Cost} = \text{Required Match}$$

Example: For an award of \$100,000, calculate match as follows:

$$\begin{aligned} \$100,000 \text{ (award amount)} &= \$111,111 \text{ (adjusted total project costs)} \\ 90\% \text{ (award share percentage)} & \end{aligned}$$

$$10\% \text{ (required share percentage)} \times \$111,111 \text{ (adjusted total project costs)} = \$11,111 \text{ (match)}$$

By claiming a dollar as match, you will be held accountable for ensuring that the same dollar is not being claimed as match to any other source.

**Quarterly Performance Measures Reporting**

The Provider shall submit quarterly Federal Performance Measure data reports and program narrative reports, in the format designated by the Department/IJJC. The due dates of these are variable, according to federal requirements. Providers will be notified of quarterly performance measure due dates no later than 30 days in advance of the due date.

**Expenditure Reports**

The Provider shall submit monthly expenditure documentation forms in the format prescribed by the Department. Discretionary grant expenditures must be tracked separately from Formula grant expenditures and Expenditure Documentation forms must be submitted for each. Expenditure Documentation forms must be submitted for The Expenditure Documentation forms must be submitted no later than the 15th of each month for the preceding month by email to: [DHS.YouthServicesInfo@illinois.gov](mailto:DHS.YouthServicesInfo@illinois.gov) with the Program Name/Acronym; Contract number and Month in the Subject Line. If there are any questions, please contact the Bureau at: 217-557-2943.

Please refer to Section VIII Billing Instructions in the BYIS Program Manual for additional requirements.

**Monitoring**

Monitoring.

----- END OF PROGRAM: JUVENILE ACCOUNTABILITY BLOCK GRANT PROGRAM -----

**EXHIBIT C  
PAYMENT**

Provider shall receive an estimated total compensation of \$461,573.80 for services under this Agreement.

Enter specific terms of payment here:

A. Payments to the Provider will be made on a prospective basis, rounded to the nearest \$100.00. Federally funded programs will be prospectively issued 1/12th of the funded amount and General Revenue (State) funded programs will be prospectively issued 3/12th (3 months) of the funded amount. Subsequent prospective payments will be issued based on previously submitted documented expenditures. The final prospective payment may be greater or lesser than the previous payments due to rounding.

B. The Department will compare the amount of the prospective payments made to date with the documented expenditures provided to the Department by the Provider. In the event the documented services provided by the Provider do not justify the level of award being provided to the Provider, future payments may be withheld or reduced until such time as the services documentation provided by the Provider equals the amounts previously provided to the Provider. Failure of the Provider to provide timely documentation may result in a reduction to the total award.

C. The Department will review documented match expenditures to determine if the required level of match is reported in the expenditure report. If sufficient match is reported, the Department will issue a full payment based on the acceptable reported expenditures. If an insufficient level of match is reported, the Department will issue a partial payment based on the reported match. (Match / 10% = match = payment). Payments may be withheld or reduced until such time as the documented match reaches the appropriate level when compared to reported grant funded expenditures. Grant funded expenditures must account for no more than 90% of the total reported expenditures.

Example 1 Full Payment: Total reported expenditures = \$10,000. \$9,000 charged to the grant and \$1,000 claimed as match. In this example a payment would be issued for \$9,000. ( $\$1000 / 10\% = \$1000 = \$9000$ ).

Example 2 Partial Payment: Total reported expenditures = \$10,000. \$9500 charged to the grant and \$500 claimed as match. In this example a payment would be issued for \$4500. ( $\$500 / 10\% = \$500 = \$4500$ ).

Total eligible payment for each month will be based on cumulative reported expenditures thereby ensuring that an under match or an over match in any given month will be considered in the overall payment eligibility determination. Failure of the Provider to provide timely documentation will result in delayed payments and may result in a reduction to the total award.

D. The final payment from the Department under this Agreement shall be made upon the Department's determination that all requirements under this Agreement have been completed, which determination shall not be unreasonably withheld. Such final payment will be subject to adjustment after the completion of a review of the Provider's records as provided in the Agreement.

**EXHIBIT H**  
**LINGUISTIC AND CULTURAL COMPETENCY GUIDELINES AND ASSURANCE**

These Linguistic and Cultural Competency Guidelines and Assurance (LCC Guidelines) are attached to the Community Services Agreement (Agreement) and incorporated into it. Throughout this attachment, DHS is referred to as the Agency.

**SECTION I**  
**INTRODUCTION**

1.1. Introduction. The purpose of these LCC Guidelines is to improve access to culturally competent programs, services, and activities for Limited English Proficient (LEP) customers, persons who are hard of hearing or Deaf, and persons with low literacy (collectively, the Goal). LEP Customers, as used herein, includes LEP Customers, persons who are hard of hearing or Deaf, and persons with low literacy.

1.2. Linguistic and Cultural Competency Mandate: These LCC Guidelines were developed because the State of Illinois must comply with the Constitution of the United States, Title VI of the Civil Rights Act of 1964, Americans with Disabilities Act of 1990, Americans with Disabilities Act Amendments Act of 2008, Illinois Human Rights Act, the 1970 Constitution of the State of Illinois and any laws, regulations or orders, federal or state, which prohibit discrimination on the grounds of race, sex, color, religion, national origin, age, ancestry, marital status, disability, or the inability to speak or comprehend the English language.

**SECTION II**  
**KEY CONCEPTS**

2.1. Cultural Competence. A set of behaviors, attitudes and policies in a system, agency or among professionals that affect cross-cultural work, evolving over time.

2.2. Individual Cultural Competence. Acquisition of the values, knowledge, skills and attributes that allows an individual to work appropriately in cross-cultural situations.

2.3. Organizational Cultural Competence. Systems and organizations approve, and in some cases mandate, the incorporation of cultural knowledge into policymaking, infrastructure and practice. An example of an LEP practice would include: requiring written material translated, adapted, and or provided in alternative formats based on needs and preferences of the populations served.

2.4. Language Access. Assuring language access means providing language assistance services, including bilingual personnel and interpreter services, at no cost to each LEP customer, at key points of contact, in a timely manner. Interpretation and translation services must comply with all relevant federal, state and local mandates governing language access. Consumers must engage in evaluation of language access and other communication to ensure quality and satisfaction. Importantly, Title VI of the Civil Rights Act of 1964 prohibits

discrimination on the basis of race, color or national origin including actions that *delay, deny, or provide different* quality services to a particular individual or group of individuals. See Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241, as amended.

2.5. Meaningful Access. Providers and their subcontractors, providing services subject to 7 CFR §272.4(b) are required to take reasonable steps to ensure meaningful access to their services and programs by LEP Customers. Compliance involves the balancing of four factors: 1) the number and proportion of eligible LEP Customers, 2) the frequency of contact with LEP Customers, 3) the importance or impact of the contact upon the lives of the person(s) served, and 4) the resources available to the organization. This four-factor analysis (LEP Assessment) may be applied to the different types of programs or activities the Provider provides to determine the level of language assistance measures sufficient to assure full compliance or to demonstrate reasonable efforts.

### SECTION III PLAN

3.1. Plan Development. Providers are required to develop a plan (the LCC Plan) to meet the Goal, which must include a description of the customer base served by the Provider and an analysis of the four factors discussed in section 2.5, following the LCC Guidelines contained herein. Appendix A provides the plan elements with corresponding indicators of plan compliance. Appendix B provides a guide for drafting the LCC Plan.

3.2. Language Assistance Services. The LCC Plan should explain how the Provider will meet the needs of LEP Customers, either through direct assistance, use of private interpretation services or use of State-funded or other interpretation programs, via both short-term and long-term strategies. For example, a Provider may solicit, through all reasonable and available means, the services of a subcontractor to provide interpretation, translation or other services to assist the Provider in meeting the Goal.

3.3. Personnel Strategies. The LCC Plan should include a description of how the Provider will promote strategies to increase recruitment, hiring, retention, and promotion of personnel with bilingual and bicultural backgrounds representative of the target population served, such as establishing requirements for specific language skills in job descriptions and compensation for bilingual skills or American Sign Language skills.

3.4. Data-Driven Approach. Providers must incorporate data-driven rationale for the approach in its LCC Plan. Providers should collect customer data on race, ethnicity, and primary spoken language to ensure every effort is made to provide consumers with effective, understandable and respectful services provided in the consumers' preferred language and in a manner sensitive to cultural beliefs and practices. Providers should maintain current demographic and cultural profile of the community to plan for services that respond to the ~~cultural and linguistic characteristics of the service area.~~

3.5. Additional Information. The LCC Plan should include any additional information that will aid the Agency in assessing the Provider's ability to provide access to services for LEP Customers.

3.6. Contract Inclusion. If applicable based on the Provider's customer base, the LCC Plan will include any executed agreements specifying the terms and conditions of the relationship between the Provider and any entity providing language access support to programs, services, and activities to meet the Goal.

3.7. Plan Submission. The Provider shall submit to the Agency its LCC Plan by June 30, 2015.

3.8. Plan Amendments. The Provider may amend the LCC Plan and provide written notice to the DHS of such amendment. The Provider must ensure that any amendments to the LCC Plan do not result in a reduction in access to programs, services, and activities for LEP Customers.

3.9. Plan Implementation. It is expected that once the initial LCC Plan has been submitted to the Agency, in subsequent years, the Provider will submit an annual report detailing progress toward implementation (LCC Plan Implementation Progress Report) at the time of contract execution, commonly July 1<sup>st</sup>. The LCC Plan Implementation Progress Report shall identify all goals met and describe any efforts made toward meeting additional goals still in progress.

#### **SECTION IV RECORDS AND COMPLIANCE**

4.1. Compliance. Compliance with the LCC Guidelines, as described herein, is an essential part of the Agreement.

4.2. Records. The Provider shall maintain a record of all relevant data with respect to the access of programs, services, and activities by LEP Customers for a period of at least five years after the completion of this Agreement. Complete access to these records, and data reasonably related to a representation by the Provider regarding these LCC Guidelines or the LCC Plan, shall be granted by the Provider upon 48 hours' written notice by the Agency.

4.3. Periodic Review. The Agency may periodically review the Provider's compliance with these LCC Guidelines, its LCC Plan and the terms of its contract. Without limitation, the Provider's failure to cooperate in providing information regarding its compliance with these LCC Guidelines or its LCC Plan, or the provision of false or misleading information or statements concerning compliance, customer base, good faith efforts, or any other material fact or representation shall constitute a material breach of this Agreement and entitle the Agency to declare a default, terminate the contract, or exercise those remedies provided for in the Agreement or at law or in equity.

**APPENDIX A**  
**LINGUISTIC AND CULTURAL COMPETENCE ELEMENTS AND INDICATORS**

This table lists the LCC Guideline elements and the respective indicators, which demonstrate full compliance.

LINGUISTIC AND CULTURAL COMPETENCY ELEMENTS	INDICATORS
<p><b>1. Organizations should have a linguistic and cultural competence plan for the funded program(s) or for the organization as a whole that includes clear goals, outcomes, policies and procedures related to the provision of culturally and linguistically appropriate services.</b></p>	<p>1. The LCC Plan addresses in a meaningful way the guidelines in this document and is consistent with the organization's mission.            2. The LCC Plan has defined short-term and long-term goals and outcomes that improve services to LEP Customers, persons who are hard of hearing or Deaf, and persons with low literacy.            3. The LCC Plan identifies a staff member responsible for overseeing its implementation.</p>
<p><b>2. Organizations should implement strategies to recruit, retain, and promote at all levels, diverse staff and leadership that are representative of the service area's population characteristics. Regular staff training should be incorporated as a key element to strengthen cultural competency.</b></p>	<p>1. The LCC Plan demonstrated hiring, retention and promotion of staff of racial and ethnic backgrounds representative of target population served.            2. The LCC Plan notes that personnel at different levels receive ongoing education and training in culturally and linguistically service delivery.            3. The LCC Plan establishes requirements for specific language skills in job descriptions and remuneration for language skills.</p>
<p><b>3. Organizations should provide hearing impaired and language assistance services, including bilingual personnel and interpreter services, at no cost to each LEP Customer, or those who are hard of hearing or Deaf, at key points of contact, in a timely manner that facilitates maximum access to services.</b></p>	<p>1. The LCC Plan includes evidence that appropriate interpretation services are provided to the LEP Customers in a timely manner.            2. The LCC Plan includes an assessment of personnel and interpreters' ability to effectively communicate in a language other than English or to provide American Sign Language in their specific field of service.            3. The LCC Plan notes that family, friends, or other unlicensed or untested individuals are not used to provide interpretation services.</p>

The LCC Plan notes that easily understood consumer-related materials and visible notices are posted in languages of commonly encountered groups represented in the service area.            2. The LCC Plan notes that pertinent written, oral, and symbolic consumer materials, including consent forms, statement of rights forms, posters, signs, and audio tape recordings, are available in the language of the consumer, including Braille, and available at all key points of access.            3. The LCC Plan puts quality assurance measures in place to verify accuracy of translated documents.</p>
<p><b>5. Organizations should collect customer data to ensure that every effort is made to provide consumers with effective, understandable and respectful services, provided in the consumer's preferred language and in a manner sensitive to cultural beliefs and practices.</b></p>	<p>1. The LCC Plan uses the data to assess new and emerging community and population needs.            3. The LCC Plan notes that the organization tracks consumer satisfaction with language access services and with sensitivity to consumer culture.</p>

**APPENDIX B  
DRAFTING AN LCC PLAN**

Providers must submit an LCC Plan to serve LEP Customers as described above. Providers should include any additional information that will add clarity to the Provider's proposed LCC Plan to provide access to services for LEP Customers

The following is a guide for drafting the LCC Plan submission:

1. Identifying the LEP Customers Who May Need Assistance. Describe the number or proportion of LEP Customers eligible to be served or encountered. Use the four factor analysis to provide an assessment of need and required effort, *i.e.* include the LEP Assessment. As described in section 2.5, the four factors are: 1) the number and proportion of eligible LEP Customers, 2) the frequency of contact with LEP Customers, 3) the importance or impact of the contact upon the lives of the person(s) served, and 4) the resources available to the organization.
2. Organizational or Program LCC Plan. Provide a general description of the linguistic and cultural competence plan for the funded program(s) or for the organization as a whole that includes clear goals, outcomes, policies and procedures related to the provision of culturally and linguistically appropriate services.
3. Diverse Personnel and LCC Training. Describe the strategies used to recruit, retain and promote at all levels, diverse personnel and leadership that are representative of the demographic characteristics of the service area. Provide a list of personnel positions that receive ongoing education and training in culturally and linguistically appropriate service delivery.
4. Language Assistance Measures. Describe any language assistance services, such as bilingual personnel and interpreter services, cost of services, point of accessing the services, and how the services are delivered. Describe efforts and solicitations to secure the services of a Provider to provide interpretation or translation services, or other services (e.g. LCC Provider) that will assist the Provider in meeting the Goal. Describe the use of services from available minority community organizations; minority business groups; local, state, and federal minority business offices; and other organizations that provide assistance in meeting the Goal.
5. Providing Notice to the LEP Customers. Describe practices established to ensure consumers receive both verbal and written notices, in their preferred language, of their right to receive language assistance or American Sign Language services. List any consumer-related materials and signage that are in languages of commonly encountered groups represented in the service area, including the languages in which the materials are available.
6. Quality Assurance. Describe the procedures that ensure that consumers receive effective, understandable and respectful services, provided in the consumer's preferred language and in a manner sensitive to cultural beliefs and practices including a description of data collection procedures.

**OFFICE OF THE COOK COUNTY COMPTROLLER  
ELECTRONIC PAYABLES PROGRAM ("E-PAYABLES")**

**FOR INFORMATION PURPOSES ONLY**

**This document describes the Office of the Cook County Comptroller's Electronic Payables Program ("E-Payables").  
If you wish to participate in E-Payables, please contact the Cook County Comptroller's Office, Accounts Payable, 118 N. Clark  
Street, Room 500, Chicago, IL 60602.**

**DESCRIPTION**

To increase payment efficiency and timeliness, we have introduced E-Payables program, a new payment initiative to our accounts payable model. This new initiative utilizes a Visa purchasing card and operates through the Visa payment network. This is County's preferred method of payment and your participation in our Visa purchasing card program will provide mutual benefits both to your organization and ours.

As a vendor, you may experience the following benefits by accepting this new payment type:

- Improved cash flow and accelerated payment
- Reduced paperwork and a more streamlined accounts receivable process
- Elimination of stop payment issues
- Reduced payment delays
- Reduced costs for handling paper checks
- Payments settled directly to your merchant account

There are two options within this initiative:

**1. Dedicated Credit Card – "PULL" Settlement**

For this option, you will have an assigned dedicated credit card to be used for each payment. You will provide a point of contact within your organization who will keep credit card information on file. Each time a payment is made, you will receive a remittance advice via email detailing the invoices being paid. Each time you receive a remittance advice, you will process payments in the same manner you process credit card transactions today.

**2. One-Time Use Credit Card – "SUGA" Settlement**

For this option, you will provide a point of contact within your organization who will receive an email notification authorizing you to process payments in the same manner you process credit card transactions today. Each time payment is made, you will receive a remittance advice, via email, detailing the invoices being paid. Also, each time you receive a remittance advice, you will receive a new, unique credit card number. This option is ideal for suppliers who are unable to keep credit card account information on file.

**Federal Clauses**

---

---

**SPECIAL CONDITION: FEDERAL CLAUSES**

The following provisions apply to all Contracts which are funded in whole or in part with federal funds.

1. Interest of Members of or Delegates to the United States Congress

In accordance with 41 U.S.C. § 22, the Contractor agrees that it will not admit any member of or delegate to the United States Congress to any share or part of the Contract or any benefit derived therefrom.

2. False or Fraudulent Statements and Claims

(a) The Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended, 49 U.S.C. §§ 3081 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the Contract. Accordingly, by signing the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make pertaining to the Contract, including without limitation any invoice for its services. In addition to other penalties that may be applicable, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the Contractor to the extent the Federal Government deems appropriate.

(b) The Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the County or Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.

3. Federal Interest in Patents

(a) General. If any invention, improvement, or discovery of the Contractor is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor agrees to notify County immediately and provide a detailed report.

(b) Federal Rights. Unless the Federal Government later makes a contrary determination in writing, the rights and responsibilities of the County, Contractor, and the Federal Government pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Unless the Federal Government later makes a contrary determination in writing, the Contractor agrees that, irrespective of its status or the status of any subcontractor at any tier (e.g., a large business, small business, non-profit organization, institution of higher education, individual), the Contractor agrees it will transmit to the Federal Government those rights due the Federal Government in any invention resulting from the contract.

~~4. Federal Interest in Data and Copyrights~~

(a) Definition. The term "subject data" used in this section means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. Examples include, but are not limited, to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to Contract administration.

- (b) **Federal Restrictions.** The following restrictions apply to all subject data first produced in the performance of the Contract. Except as provided in the Contract and except for its own internal use, the Contractor may not publish or publicly reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the written consent of the County and the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.
- (c) **Federal Rights in Data and Copyrights.** In accordance with subparts 34 and 36 of the Common Rule, the County and the Federal Government reserve a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for County or Federal Government purposes, the types of subject data described below. Without the copyright owner's consent, the County and Federal Government may not extend their license to other parties.
  - (1) Any subject data developed under the contract or subagreement financed by a federal Grant Agreement or Cooperative Agreement, whether or not a copyright has been obtained; and
  - (2) Any rights of copyright which the Contractor purchases ownership with Federal assistance.
- (d) **Special Federal Rights for Planning Research and Development Projects.** When the Federal Government provides financial assistance for a planning, research, development, or demonstration project, its general intention is to increase public knowledge, rather than limit the benefits of the project to participants in the project. Therefore, unless the Federal Government determines otherwise, the Contractor on a planning, research, development, or demonstration project agrees that, in addition to the rights in data and copyrights set forth above, the County or Federal Government may make available to any third party either a license in the copyright to the subject data or a copy of the subject data. If the project is not completed for any reason whatsoever, all data developed under the project will become subject data and will be delivered as the County or Federal Government may direct. This subsection, however, does not apply to adaptations of automatic data processing equipment or previously existing software programs for the County's use whose costs are financed with Federal transportation funds for capital projects.
- (e) **Hold Harmless.** Unless prohibited by state law, upon request by the County or the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the County and the Federal Government and their officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Contract. The Contractor will not be required to indemnify the County or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the County or Federal Government.
- (f) **Restrictions on Access to Patent Rights.** Nothing contained in this section on rights in data will ~~imply a license to the County or Federal Government under any patent or be construed as affecting~~ the scope of any license or other right otherwise granted to the County or Federal Government under any patent.
- (g) **Application on Materials Incorporated into Project.** The requirements of Subsections 2, 3, and 4 of this Section do not apply to material furnished by the County and incorporated into the work.

5. Records and Audits

Contractor will deliver or cause to be delivered all documents (including but not limited to all Deliverables and supporting data, records, graphs, charts and notes) prepared by or for the County under the terms of

this Agreement to the County promptly in accordance with the time limits prescribed in this Contract, and if no time limit is specified, then upon reasonable demand therefor or upon termination or completion of the Services hereunder. In the event of the failure by the Contractor to make such delivery, then and in that event, the Contractor will pay to County reasonable damages the County may sustain by reason thereof.

The County and the Federal Government will have the right to audit all payments made to the Contractor under this Agreement. Any payments to the Contractor which exceed the amount to which the Contractor is entitled under the terms of this Agreement will be subject to set-off.

The Contractor will keep and retain records relating to this Agreement and will make such records available to representatives of the County and the Federal Government, including without limitation the sponsoring federal agency, other participating agencies, and the Comptroller General of the United States, at reasonable times during the performance of this Agreement and for at least five years after termination of this Agreement for purposes of audit, inspection, copying, transcribing and abstracting.

No provision in this Agreement granting the County or the Federal Government a right of access to records is intended to impair, limit or affect any right of access to such records which the County or the Federal Government would have had in the absence of such provisions.

6. Environmental Requirements

The Contractor recognizes that many Federal and state laws imposing environmental and resource conservation requirements may apply to the Contract. Some, but not all, of the major Federal Laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. The Contractor also recognizes that U.S. EPA, U.S. DOT and other agencies of the Federal Government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Contract. Thus, the Contractor agrees to adhere to, and impose on its subcontractors, any such Federal requirements as the Federal Government may now or in the future promulgate. Listed below are requirements of particular concern.

The Contractor acknowledges that this list does not constitute the Contractor's entire obligation to meet all Federal environmental and resource conservation requirements. The Contractor will include these provisions in all subcontracts.

- (a) **Environmental Protection.** The Contractor agrees to comply with the applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq. in accordance with Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 59 Fed. Reg. 7629, Feb. 16, 1994; U.S. DOT statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Part 1500 et seq.; and U.S. DOT regulations, "Environmental Impact and Related Procedures," 23 C.F.R. Part 771 and 49 C.F.R. Part 622.
- (b) **Air Quality.** The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Specifically, the Contractor agrees to comply with applicable requirements of U.S. EPA regulations, "Conformity to State of Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. The Contractor further agrees to report and require each subcontractor at any tier

to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.

- (c) **Clean Water.** The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et seq. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.
- (d) **List of Violating Facilities.** The Contractor agrees that any facility to be used in the performance of the Contract or to benefit from the Contract will not be listed on the U.S. EPA List of Violating Facilities ("List"), and the Contractor will promptly notify the County if the Contractor receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.
- (e) **Preference for Recycled Products.** To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of the work, the Contractor agrees to use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 C.F.R. Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962.

7. No Exclusionary or Discriminatory Specifications

Apart from inconsistent requirements imposed by Federal statute or regulations, the Contractor agrees that it will comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any Federal assistance to support subcontracts procured using exclusionary or discriminatory specifications.

8. Cargo Preference - Use of United States Flag Vessels

The Contractor agrees to comply with U.S. Maritime Administration regulations, "Cargo-Preference -- U.S. Flag Vessels," 49 C.F.R. Part 381, and to include the clauses required by those regulations, modified as necessary to identify the affected parties, in each subcontract or subagreement involving equipment, materials, or commodities suitable for transport by ocean vessel.

9. Fly America

Section 14.c of the Master Agreement states that if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air, the contract must require Contractors and subcontractors at every tier to use U.S.-flag air carriers, to the extent service by these carriers is available. 49 U.S.C. 40118 and 4 C.F.R. Part 52.

10. No Federal Government Obligations to Third Parties

The Contractor agrees that, absent the Federal Government's express written consent, the Federal Government will not be subject to any obligations or liabilities to any contractor or any other person not a party to the Grant Agreement or Cooperative Agreement between the County and the Federal Government ~~which is a source of funds for this Contract. Notwithstanding any concurrence provided by the Federal~~ Government in or approval of any solicitation, agreement, or contract, the Federal Government continues to have no obligations or liabilities to any party, including the Contractor.

11. Allowable Costs

Notwithstanding any compensation provision to the contrary, the Contractor's compensation under this Contract will be limited to those amounts which are allowable and allocable to the Contract in accordance

with OMB Circular A-87 and the regulations in 49 C.F.R. Part 18. To the extent that an audit reveals that the Contractor has received payment in excess of such amounts, the County may offset such excess payments against any future payments due to the Contractor and, if no future payments are due or if future payments are less than such excess, the Contractor will promptly refund the amount of the excess payments to the County.

12. Trade Restrictions

Contractor certifies that neither it nor any Subcontractor:

- (a) is owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
- (b) has knowingly entered into any contract or subcontract with a person that is a citizen or national of a foreign country on said list, nor is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- (c) will procure, subcontract for, or recommend any product that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no Notice-to-Proceed will be issued to an entity who is unable to certify to the above. If Contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the USDOT may direct, through the County, cancellation of the Contract at no cost to the Government.

Further, Contractor agrees that it will incorporate this provision for certification without modification in each subcontract. Contractor may rely on the certification of a prospective Subcontractor unless it has knowledge that the certification is erroneous. Contractor will provide immediate written notice to the County if it learns that its certification or that of a Subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. Each Subcontractor must agree to provide written notice to Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision.

The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 100.

13. Contract Work Hours and Safety Standards Act

If applicable according to their terms, the Contractor agrees to comply and assures compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 333, and Implementing U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5; and U.S. DOL regulations, "Safety and Health Regulations for Construction," 29 C.F.R. Part 1926. In addition to other requirements that may apply:

- (a) In accordance with section of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 332, the Contractor agrees and assures that, for the Contract, the wages of every mechanic and laborer will be computed on the basis of a standard work week of 40 hours,

and that each worker will be compensated for work exceeding the standard work week at a rate of not less than 1.5 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The Contractor agrees that determinations pertaining to these requirements will be made in accordance with applicable U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5.

- (b) In accordance with section 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. § 333, the contractor agrees and assures that no laborer or mechanic working on a construction contract will be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to his or her health and safety, as determined in accordance with U.S. DOL regulations, "Safety and Health Regulations for Construction," 29 C.F.R. Part 1926.

14. Veteran's Preference

In the employment of labor (except in executive, administrative, and supervisory positions), preference will be given to Vietnam-era veterans and disabled veterans. However, this preference may be given only where individuals are available and qualified to perform the work to which employment relates.

15. Copyright Ownership

Consultant and the County intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the County's instance and expense pursuant to this Agreement are conclusively deemed "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq. (the "Copyright Act"), and that the County will be the copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist.

To the extent that any Deliverable does not qualify as a "work made for hire," Consultant irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the County, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the County under this Agreement, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Consultant will execute all documents and perform all acts that the County may reasonably request in order to assist the County in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the County.

Consultant warrants to County, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Consultant further warrants that it has not assigned any copyrights nor granted any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Consultant warrants and represents that the Deliverables are complete and comprehensive, and the Deliverables are a work of original authorship.

16. Accessibility Compliance

If this Agreement involves design for construction, the Consultant warrants that all design documents produced or utilized under this Agreement and all construction or alterations undertaken under this Agreement will comply with all federal, state and local laws and regulations regarding accessibility standards for persons with disabilities or environmentally limited persons including, but not limited to, the following: the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 et seq. and the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("ADAAG"); the Architectural Barriers Act, Pub. L. 90-480 (1968), and the Uniform Federal Accessibility Standards ("UFAS"); and the Illinois Environmental Barriers Act, 410 ILCS 25/1 et seq., and all regulations promulgated thereunder, see Illinois Administrative Code, Title 71, Chapter 1, Section 400.110. If the above standards are inconsistent, the Consultant must comply with the standard providing the greatest accessibility. Also, the Consultant must, prior to construction,

review the plans and specifications to insure compliance with the above referenced standards. If the Consultant fails to comply with the foregoing standards, the Consultant must perform again, at no expense, all services required to be re-performed as a direct or indirect result of such failure.

17. Visual Rights Act Waiver

The Consultant/Contractor waives any and all rights that may be granted or conferred under Section 106A and Section 113 of the United States Copyright Act, (17 U.S.C. § 101 et seq.) (the "Copyright Act") in any work of visual art that may be provided pursuant to this Agreement. Also, the Consultant/Contractor represents and warrants that the Consultant/Contractor has obtained a waiver of Section 106A and Section 113 of the Copyright Act as necessary from any employees and subcontractors, if any.

The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

20. Davis-Bacon Act, as amended (40 U.S.C. 276a to a-7)

When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction").

Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. 21. Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333)

~~Where applicable, all contracts awarded by recipients in excess of \$2000 for construction contracts and in excess of \$2500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by Department of Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 ½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the~~

purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

22. Rights to Inventions Made Under a Contract or Agreement

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

23. Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended
