"**Chief Procurement Officer**" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"**Services**" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"**Subcontractor**" or "**SubContractor**" means any person or entity with whom Contractor contracts to provide any part of the Services, of any tier, suppliers and materials providers, whether or not in privity with Contractor.

"**Using Agency**" shall mean the department of agency within Cook County including elected officials.

b) Interpretation

- i) The term "**include**" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.
- ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

- Exhibit 6: Economic Disclosure Statement

ARTICLE 3) DUTIES AND RESPONSIBILITIES OF CONTRACTOR

a) **Scope of Services**

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Contractor must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) **Deliverables**

In carrying out its Services, Contractor must prepare or provide to the County various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its commitments under this Agreement.

c) Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its SubContractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Using Agency and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Contractor either under this Agreement, at law or in equity.

d) Personnel

i) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. The level of staffing may be revised from time to time by notice in writing from Contractor to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Contractor must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "Key Personnel" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Using Agency may at any time in writing notify Contractor that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women Owned Business Enterprises Commitment**

g) **Contractor Credits**

To the extent the Contractor gives credits toward future purchases of goods or services, financial incentives, discounts, value points or other benefits based on the purchase of the materials or services provided for under this Contract, such credits belong to the County and not any specific Using Agency. Contractor shall reflect any such credits on its invoices and in the amounts it invoices the County.

ARTICLE 6) DISPUTES

Any dispute arising under the Contract between the County and Contractor shall be decided by the Chief Procurement Officer. The complaining party shall submit a written statement detailing the dispute and specifying the specific relevant Contract provision(s) to the Chief Procurement Officer. Upon request of the Chief Procurement Officer, the party complained against shall respond to the complaint in writing within five days of such request. The Chief Procurement Officer will reduce her decision to writing and mail or otherwise furnish a copy thereof to the Contractor. The decision of the Chief Procurement Officer will be final and binding. Dispute resolution as provided herein shall be a condition precedent to any other action at law or in equity. However, unless a notice is issued by the Chief Procurement Officer indicating that additional time is required to review a dispute, the parties may exercise their contractual remedies, if any, if no decision is made within sixty (60) days following notification to the Chief Procurement Officer of a dispute. No inference shall be drawn from the absence of a decision by the Chief Procurement Officer.

Notwithstanding a dispute, Contractor shall continue to discharge all its obligations, duties and responsibilities set forth in the Contract during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

**ARTICLE 7) COOPERATION WITH INSPECTOR GENERAL AND COMPLIANCE
WITH ALL LAWS**

The Contractor, Subcontractor, licensees, grantees or persons or businesses who have a County contract, grant, license, or certification of eligibility for County contracts shall abide by all of the applicable provisions of the Office of the Independent Inspector General Ordinance (Section 2-281 et. seq. of the Cook County Code of Ordinances). Failure to cooperate as required may result in monetary and/or other penalties.

The Contractor shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Contractor's employees, agents or Subcontractor shall be the responsibility of the Contractor.

The Contractor shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

ARTICLE 8) SPECIAL CONDITIONS

a) Warranties and Representations

- v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Contractor warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
- vi) represents that Contractor and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and
- vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

b) Ethics

In addition to the foregoing warranties and representations, Contractor warrants:

- (i) no officer, agent or employee of the County is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.
- (ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

c) Joint and Several Liability

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

d) **Business Documents**

At the request of the County, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) **Conflicts of Interest**

- i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.
- ii) Contractor covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.
- iii) Upon the request of the County, Contractor must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Contractor is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Contractor's past or present clients. If Contractor becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.
- iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

- v) The Contractor further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Contractor's Services for others conflict with the Services Contractor is to render for the County under this Agreement, Contractor must terminate such other services immediately upon request of the County.
- vi) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

**ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION
AND RIGHT TO OFFSET**

a) Events of Default Defined

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the County.
- ii) Contractor's material failure to perform any of its obligations under this Agreement including the following:
 - (a) Failure due to a reason or circumstances within Contractor's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

- (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
 - (d) Discontinuance of the Services for reasons within Contractor's reasonable control; and
 - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Contractor without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
 - iv) Contractor's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Contractor acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
 - v) Failure to comply with Article 7 in the performance of the Agreement.
 - vi) Contractor's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.
- b) **Remedies**

The occurrence of any event of default permits the County, at the County's sole option, to declare Contractor in default. The Chief Procurement Officer may in his sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Contractor in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Contractor fails to affect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the County would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Contractor under this Section 9.b;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Contractor's compensation under this Agreement;
- vi) The right to consider Contractor non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Contractor. The County will give notice to Contractor in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Contractor or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) Right to Offset

In connection with performance under this Agreement, the County may offset any excess costs incurred:

- i) if the County terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;
- ii) if the County exercises any of its remedies under Section 9.b of this Agreement;
or
- iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Contractor is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Contractor shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

iii) **No Omissions**

Contractor acknowledges that Contractor was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) **Contract Amendments**

The parties may during the term of the Contract make amendments to the Contract but only as provided in this section. Such amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

No Using Agency or employee thereof has authority to make any amendments to this Contract. Any amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Contractor is hereby notified that, except for amendments which are made in accordance with this Section 10.c. Contract Amendments, no Using Agency or employee thereof has authority to make any amendment to this Contract.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Contractor must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Using Agency in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the County's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

i) Independent Contractor

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the County. Contractor must perform under this Agreement as an independent Contractor and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent Contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

- i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.
- ii) Contractor is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.

In the event that other agencies participate in a joint procurement, the County reserves the right to renegotiate the price to accommodate the larger volume.

k) Comparable Government Procurement

EXHIBIT 1
SCOPE OF SERVICES

Section B: Executive Summary and Organizational Chart

Since 1972 OMNI Youth Services has been a leader in providing life-changing counseling and prevention services to at risk youth and families. OMNI is a private non for profit community-based organization that has developed comprehensive, innovative programming for youth and has become one of the leading youth service agencies in Illinois incorporating experiential therapy and a positive youth development approach into its every day functioning. The mission of OMNI Youth Services is partnering with parents and the community to provide innovative transformational behavioral and educational support services to children, adolescents, and young adults that create pathways to successful and healthy behaviors throughout life. OMNI's service delivery system is unique in its comprehensiveness, providing a broad range of intervention, crisis, child welfare, and aftercare services. These multiple services are available to all community adolescents and their families at a sliding scale fee.

Since 1993 OMNI Youth Services has embraced a restorative justice philosophy that seeks to address offenses by understanding the harm that was caused, understanding who was harmed, and deciding what can be done to repair the harm. OMNI's restorative justice response focuses on repairing the harm by involving the offender, victim and community. Furthermore, the victim is often not just one person, but may include family and community members as well. The obligation is put right the harms and heal through accountability, engagement, and restoration. Hopkins (2002) conceptualizes restorative justice as a set of values (i.e. principles such as honesty, trust, respect, equality, non-judgment, collaboration, etc.), skills (i.e. counseling skills such as empathetic listening, and reflecting).

OMNI will serve a total 24 youth of which 12 minority youth of low-income families, ages 10-17 in Wheeling and Prospect Heights that have been arrested for a minor delinquent and status offenses, making them eligible for peer jury and diverting them from entering the juvenile court system.

Peer Mediation / Jury: OMNI has been implementing these programs since 1993, which empowers youth to be leaders in resolving their offenses between other youth colleagues, in a local police department. Peer mediation/juries are not used for serious offenses. OMNI has peer juries in Buffalo Grove, Prospect Heights and Wheeling police departments. Catalina Gomez is responsible for delivering these services.

OMNI will serve a total 24 youth of which 12 minority youth of low-income families, ages 10-17 on supervision or probation will receive ongoing treatment for substance abuse and/or mental health to support them in successfully completing supervision or probation and ultimately diverting them from detention or incarceration. This target probation population will be youth that are in need of substance abuse and/or mental health counseling. They will receive one to six hours of counseling services per week for the period of time that they are on supervision or probation, based on the treatment plan goals. Services include diagnostic evaluations, family, group, and individual counseling help youth deal with substance abuse, mental health and behavioral difficulties, while concurrently implementing the restorative justice of community and family group conferencing.

Community and Family Group Conferencing: OMNI has been using this approach since 2005 which brings together family, friends, and community members of both the victim and

offender, and uses an OMNI facilitator to discuss the consequences of an offense and identify an outcome satisfactory to all parties. The OMNI facilitator guides the process and ensures a more equitable and non-hierarchical dialogue where everyone's voice is heard. Carlos Rodriguez and Jennifer Rivera are responsible for delivering these services.

The **Seven Challenges** Program is designed specifically for adolescents with drug problems, to motivate a decision and commitment to change - and to support success in implementing the desired changes. The Program simultaneously helps young people address their drug problems as well as their co-occurring life skill deficits, situational problems, and psychological problems. Carlos Rodriguez and Jennifer Rivera are responsible for delivering these services. OMNI has implementing the Seven Challenges program since 2005.

Section C: Description of Problem and Target Population

The juvenile justice system disproportionately targets minority youth. Minority children ages 10-17 represent only 16% of the overall child population ages 10-17, but make up 34% of children arrested, 38% of children adjudicated, and 68% of children in residential placement, according to The State of America's Children 2014, Children's Defense Fund. In 2012, there were 29,822 juvenile arrests in Cook County. Cook County accounted for a disproportionately large number of juvenile arrests, 64%, despite the fact that Cook accounts for only 39% of the youth population in Illinois (Source: Illinois Criminal Justice Information Authority 2/7/14).

In 2006, the Illinois Department of Juvenile Justice (DJJ) was created as a standalone agency to focus on rehabilitation for juveniles rather than punishment. Unfortunately, this goal has yet to be realized because the Department has been chronically under-resourced since its inception. It is important to note that according to the Juvenile Justice in Illinois: A Data Snapshot (April 2014) by Mariame Kaba, 892 (or about 43%) of youth admitted to DJJ in FY 2012 were from Cook County. Cook County sends far and away more youth to Illinois juvenile prisons than any other county in the state. Going to jail also makes youth more likely to offend again. Youth offenders who were incarcerated were 67% more likely to be in jail again by the age of 25 than similar young offenders who didn't go to prison, Aizer and Doyle.

The Third Municipality District of Cook County Court currently has 146 youth on supervision or probation (as of 3/01/16). OMNI would serve 12 minority youth of low-income families, ages 10-17 on supervision or probation to receive ongoing treatment for substance abuse and/or mental health to support them in successfully completing supervision or probation and

ultimately diverting them from detention or incarceration. 64% of the youth on probation that OMNI currently serves are minorities which is highly disproportionate for the geographic area that the Third Municipality District of Cook County Court covers. According to the United States 2010 Census data, the minority population is around 30% in Wheeling and Prospect Heights. There is a need for balanced and restorative justice practices in this targeted area evident by the low socioeconomic status of the families that live in this target area. According to the 2010 US Census, 22% of the residents report a family income of \$25,000 or less and 35% have a family income of \$50,000. Existing state funding that OMNI receives has been reduced to these programs and could be eliminated entirely, therefore funding from Cook County is need to expand or replace. OMNI offers a sliding scale fee and with this funding families would have a greatly reduced or a waived fee depending on each of the family's income level. OMNI's services would be located at 210 N. Wolf Road, Wheeling and 1111 W. Lake Cook Road, Buffalo Grove.

In addition, OMNI would serve 12 minority youth of low-income families, ages 10-17 in Wheeling and Prospect Heights that have been arrested a minor delinquent and status offenses, making them eligible for peer jury and diverting them from entering the juvenile court system. By working this continuum of the juvenile justice system, we offering a preventative strategy that reaches youth earlier on, offering even more effective outcomes. Referrals come directly from the police or schools as alternative to suspension or expulsion. There is a disproportionate rate of minorities who are suspended or expelled within the schools in these communities. Peer jury is an outreach program that occurs at the Prospect Heights and Wheeling police departments.

Section D: Proposed Program and Implementation Schedule

OMNI wants to expand the number of minority youth of low-income families served by combining the use of evidence-based restorative justice practices and evidence-based substance abuse treatment. OMNI will serve a total of 24 youth, ages 10-17 and their families, 12 minority court diverted youth and 12 probation youth from Third Municipality District of Cook County Court. The target court diverted population will be involved with the peer jury programs. The implementation schedule is that participants would begin all of the following services within the first month of notified of funding.

Peer Mediation / Jury: OMNI has been implementing these programs since 1993, which empowers youth to be leaders in resolving their offenses between other youth colleagues, in a local police department. In this process, peer jurors are trained to gather information about the offense and those involved, and decide upon an appropriate disciplinary response. These processes aim to hold the offender accountable in a manner that does not involve a court referral and diverts a petition. Typical consequences involve writing victim apology letters, restitution, and community service. In addition, the peer jurors seek to connect the offender with further support and resources that will address root causes of an offense and decrease the likelihood of a re-offense. Victims and their families also have the option to participate to have their voice heard within this restoration process. Peer mediation/juries are not used for serious offenses. Referrals come directly from the police or schools as alternative to suspension or expulsion. OMNI implements peer juries in, Prospect Heights and Wheeling police departments, diverting youth from court involvement at the arrest or pre-arrest stage. Catalina

Gomez is responsible for delivering these services. Participant would begin services within the first month of notified of funding.

The target probation population will be youth that are in need of substance abuse and/or mental health counseling. They will receive one to six hours of counseling services per week for the period of time that they are on probation or the successful completion of their treatment goals. Services include diagnostic evaluations, family, group, and individual counseling help youth deal with substance abuse, mental health and behavioral difficulties, based on the development of an individualized treatment plans. OMNI believes the best way to make positive change in adolescents is by encouraging them to learn through their actions and setting up a treatment plan to guide the course of treatment. Hands-on challenges with a treatment approach known as experiential therapy, connects the learning experience with the development of skills for life that can be used for outside of counseling and for the rest of their life. In addition, the probation youth will be involved with a combination of community and family conferencing and Seven Challenges programming. Participant would begin services within the first month of notified of funding.

Community and Family Group Conferencing: OMNI has been using this approach since 2005 which brings together family, friends, and community members of both the victim and offender, and uses an OMNI facilitator to discuss the consequences of an offense and identify an outcome satisfactory to all parties. This process takes place while the offender is on supervision, probation, or parole. A conferencing meeting can include the victim, if willing and/or community members who has been a victim of similar offense. It can also involve others

families with a court involved youth by conducting the conferencing in a multi-family modality. The OMNI facilitator guides the process and ensures a more equitable and non-hierarchical dialogue. This approach reduces the reliance on detention and incarceration through the use of community solutions to crimes. Carlos Rodriguez and Jennifer Rivera are responsible for delivering these services. Participant would begin services within the first month of notified of funding.

The Seven Challenges[®] Program is designed specifically for adolescents with drug problems, to motivate a decision and commitment to change - and to support success in implementing the desired changes. The Program simultaneously helps young people address their drug problems as well as their co-occurring life skill deficits, situational problems, and psychological problems. The challenges provide a framework for helping youth think through their own decisions about their lives and their use of alcohol and other drugs. Counselors using The Seven Challenges Program teach youth to identify and work on the issues most relevant to them.

Independent studies funded by The Center for Substance Abuse Treatment in Washington, D.C. and published in peer reviewed journals -- one study at the University of Iowa and the other at the University of Arizona -- have provided evidence that demonstrates the effectiveness of The Seven Challenges as a "co-occurring" program that significantly decreases the substance use of adolescents and greatly improves their overall mental health status. Data also show that the program has been especially effective with the large number of substance abusing youth with trauma issues. These outcomes combined with The Seven Challenges Manual which is used by counselors as a learning tool and reference book, an array of other implementation materials,

and a comprehensive training and support process qualify the program to be categorized as evidence based. The SAMHSA National Registry of Evidence-Based Programs and Practices, gave Seven Challenges a perfect score for "Readiness for Dissemination." The Seven Challenges program reduces substance abuse recidivism rates and keeps them out of detention and incarceration for alcohol and drug related offenses. Carlos Rodriguez and Jennifer Rivera are responsible for delivering these services. OMNI has implementing the Seven Challenges program since 2005, but with this funding we can integrate the restorative justice practice of community and family conferencing within the Seven Challenges Program. Participant would begin services within the first month of notified of funding.

Per OMNI's Continuous Quality Assurance policy, this information will be presented to our staff, Board of Directors, the community, and be available for clients. The Continuous Quality Improvement policy requires that data be analyzed by staff to continually improve on outcomes.

Section G: Qualifications of the Proposer

OMNI Youth Services has been providing services to youth since 1972. OMNI has developed comprehensive, innovative programming for youth and has become one of the leading youth service agencies in Illinois, incorporating experiential therapy and a positive youth development approach into its every day functioning. OMNI's service delivery system is unique in its comprehensiveness, providing a broad range of intervention, crisis, and aftercare services. The multiple services that are available to all community adolescents (including runaway/homeless) at OMNI include the following: 24-hour crisis intervention; temporary emergency placement; family, group and individual counseling; comprehensive juvenile justice services; positive youth development programs; community resource centers for non-English speaking families; substance abuse treatment; parent training; in-school prevention/counseling services; outdoor experiential/stress challenge programs; outdoor behavioral healthcare; community education; and substance abuse assessment and treatment.

Specifically, OMNI has a long history of working with the juvenile justice system. Services were provided to youth in the Third District Court through our Second Choice Program from the mid-1990s until November 30, 2011. This program including providing services to 80 high risk juvenile justice involved youth who were referred by the court or probation, annually. OMNI consistently met the identified contract goals for this program, reducing the number of youth who were referred to juvenile detention or DOC. Currently, OMNI provides substance abuse treatment groups using the Seven Challenges Program in the Lake County Depke Juvenile Justice Complex.

OMNI's current Executive Director, Jay Meyer, was part of group with Judge Curtis Heaston that went down to Florida in the mid 1990's to be trained in restorative justice to bring practices into Illinois. OMNI's out-patient treatment program provides services to over 1,200 youth annually and uses the restorative justice philosophy throughout the organization. Service recipients then participate in various groups, family and individual counseling programs which are identified for their specific concerns.

OMNI is DASA (DHS Division of Alcoholism and Substance Abuse) licensed to provide out-patient and intensive out-patient services to adolescents. Additionally, OMNI has a Child Welfare License and provides case management services to over 300 DCFS wards, both through the Intact Program and Teen Parent Service Network.

OMNI employs 64 staff. The staff members who provide services in the counseling program possess a master's degree in a counseling related field. Each staff member is expected to achieve the highest level of licensing available to them, in addition to obtaining their certification in substance abuse treatment.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

"Familial relationship" means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:
