NOW, THEREFORE, the County and Contractor agree as follows:

TERMS AND CONDITIONS

"**Agreement**" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"**Chief Procurement Officer**" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"**Services**" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"**Subcontractor**" or "**SubContractor**" means any person or entity with whom Contractor contracts to provide any part of the Services, of any tier, suppliers and materials providers, whether or not in privity with Contractor.

"**Using Agency**" shall mean the department of agency within Cook County including elected officials.

b) Interpretation

- i) The term "**include**" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.
- ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

- Exhibit 5 MBE/WBE Utilization Plan
- Exhibit 6: Economic Disclosure Statement

ARTICLE 3) DUTIES AND RESPONSIBILITIES OF CONTRACTOR

a) Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Contractor must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) Deliverables

In carrying out its Services, Contractor must prepare or provide to the County various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports and analyses, produced by Contractor for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Contractor has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Contractor of its failure. If Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its commitments under this Agreement.

c) Standard of Performance

Contractor must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Contractor must provide copies of any such licenses. Contractor remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Contractor or its SubContractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Using Agency and delivered in a timely manner consistent with the requirements of this Agreement.

If Contractor fails to comply with the foregoing standards, Contractor must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Contractor either under this Agreement, at law or in equity.

d) Personnel

i) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Contractor must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. "Key Personnel" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Using Agency may at any time in writing notify Contractor that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women Owned Business Enterprises Commitment**

g) Contractor Credits

To the extent the Contractor gives credits toward future purchases of goods or services, financial incentives, discounts, value points or other benefits based on the purchase of the materials or services provided for under this Contract, such credits belong to the County and not any specific Using Agency. Contractor shall reflect any such credits on its invoices and in the amounts it invoices the County.

ARTICLE 6) DISPUTES

Any dispute arising under the Contract between the County and Contractor shall be decided by the Chief Procurement Officer. The complaining party shall submit a written statement detailing the dispute and specifying the specific relevant Contract provision(s) to the Chief Procurement Officer. Upon request of the Chief Procurement Officer, the party complained against shall respond to the complaint in writing within five days of such request. The Chief Procurement Officer will reduce her decision to writing and mail or otherwise furnish a copy thereof to the Contractor. The decision of the Chief Procurement Officer will be final and binding. Dispute resolution as provided herein shall be a condition precedent to any other action at law or in equity. However, unless a notice is issued by the Chief Procurement Officer indicating that additional time is required to review a dispute, the parties may exercise their contractual remedies, if any, if no decision is made within sixty (60) days following notification to the Chief Procurement Officer of a dispute. No inference shall be drawn from the absence of a decision by the Chief Procurement Officer.

Notwithstanding a dispute, Contractor shall continue to discharge all its obligations, duties and responsibilities set forth in the Contract during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

ARTICLE 7) COOPERATION WITH INSPECTOR GENERAL AND COMPLIANCE WITH ALL LAWS

The Contractor, Subcontractor, licensees, grantees or persons or businesses who have a County contract, grant, license, or certification of eligibility for County contracts shall abide by all of the applicable provisions of the Office of the Independent Inspector General Ordinance (Section 2-281 et. seq. of the Cook County Code of Ordinances). Failure to cooperate as required may result in monetary and/or other penalties.

The Contractor shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Contractor's employees, agents or Subcontractor shall be the responsibility of the Contractor.

The Contractor shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

ARTICLE 8) SPECIAL CONDITIONS

a) Warranties and Representations

In connection with signing and carrying out this Agreement, Contractor:

- i) warrants that Contractor is appropriately licensed under Illinois law to perform the Services required under this Agreement and will perform no Services for which a professional license is required by law and for which Contractor is not appropriately licensed;
- ii) warrants it is financially solvent; it and each of its employees, agents and Subcontractors of any tier are competent to perform the Services required under this Agreement; and Contractor is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated in this Agreement;
- iii) warrants that it will not knowingly use the services of any ineligible Contractor or Subcontractor for any purpose in the performance of its Services under this Agreement;

- iv) warrants that Contractor and its Subcontractors are not in default at the time this Agreement is signed, and has not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the County;
- v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Contractor warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;
- vi) represents that Contractor and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and
- vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

b) Ethics

In addition to the foregoing warranties and representations, Contractor warrants:

- (i) no officer, agent or employee of the County is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.
- (ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

c) Joint and Several Liability

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

d) Business Documents

At the request of the County, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) Conflicts of Interest

- i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.
- ii) Contractor covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.
- iii) Upon the request of the County, Contractor must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Contractor is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Contractor's past or present clients. If Contractor becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.
- iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

- v) The Contractor further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Contractor's Services for others conflict with the Services Contractor is to render for the County under this Agreement, Contractor must terminate such other services immediately upon request of the County.
- vi) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

a) Events of Default Defined

The following constitute events of default:

- i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the County.
- ii) Contractor's material failure to perform any of its obligations under this Agreement including the following:
 - (a) Failure due to a reason or circumstances within Contractor's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

- (b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
 - (d) Discontinuance of the Services for reasons within Contractor's reasonable control; and
 - (e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.
- iii) Any change in ownership or control of Contractor without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.
 - iv) Contractor's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Contractor acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.
 - v) Failure to comply with Article 7 in the performance of the Agreement.
 - vi) Contractor's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.
- b) **Remedies**

The occurrence of any event of default permits the County, at the County's sole option, to declare Contractor in default. The Chief Procurement Officer may in his sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Contractor in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Contractor fails to affect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

- i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the County would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Contractor under this Section 9.b;
- ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;
- iii) The right of specific performance, an injunction or any other appropriate equitable remedy;
- iv) The right to money damages;
- v) The right to withhold all or any part of Contractor's compensation under this Agreement;
- vi) The right to consider Contractor non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Contractor. The County will give notice to Contractor in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Contractor or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) Right to Offset

In connection with performance under this Agreement, the County may offset any excess costs incurred:

- i) if the County terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;
- ii) if the County exercises any of its remedies under Section 9.b of this Agreement;
or
- iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Contractor is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Contractor agrees that no charges or claims for damages shall be made by Contractor for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Contractor shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

- b) the nature of the Services to be performed;
- (c) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement;
- (d) the general conditions which may in any way affect this Agreement or its performance;
- (e) the compensation provisions of this Agreement; or
- (f) any other matters, whether similar to or different from those referred to in (a) through (e) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

iii) **No Omissions**

Contractor acknowledges that Contractor was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) **Contract Amendments**

The parties may during the term of the Contract make amendments to the Contract but only as provided in this section. Such amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond \$150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond \$150,000, then Board approval will be required.

No Using Agency or employee thereof has authority to make any amendments to this Contract. Any amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Contractor is hereby notified that, except for amendments which are made in accordance with this Section 10.c. Contract Amendments, no Using Agency or employee thereof has authority to make any amendment to this Contract.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Contractor irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Contractor consents and submits to the jurisdiction thereof. In accordance with these provisions, Contractor waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Contractor must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Using Agency in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Contractor's performance in any respect or waives a requirement or condition to either the County's or Contractor's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Contractor in writing.

i) Independent Contractor

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the County. Contractor must perform under this Agreement as an independent Contractor and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent Contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

- i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Contractor performing the Services required under this Agreement.
- ii) Contractor is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.

The County shall not be held responsible for any orders placed, deliveries made or payment for the goods, supplies, equipment or services supplies/services ordered by these entities. Each entity reserves the right to determine the amount of goods, supplies, equipment or services it wishes to purchase under this Contract.

EXHIBIT 1
SCOPE OF SERVICES

SECTION B: EXECUTIVE SUMMARY

In the last 5 years the Woodlawn area experienced 49 homicides¹, most of which were youth aged 24 and under. Much of this violence is gang related. Woodlawn is among the top ten communities with the highest number of admissions to the juvenile detention center and Cook County Jail.

The Woodlawn Restorative Justice (RJ) Hub Program will leverage relationships with gang affiliated “high-risk” youth from conflicting gang territories to interrupt their violent behavior and engage them in a long-term leadership development, violence prevention, and peace building initiative. The Woodlawn RJ Hub is part of a developing city-wide learning community and network of RJ Hubs.

The Goals of the Woodlawn RJ Hub are to:

- 1) Reduce violence
- 2) Develop community capacity to hold restorative justice peace circles
- 3) Create a long-term mentorship support system for youth who are most at risk
- 4) Develop youth civic leadership
- 5) Create opportunities for artistic expression in a trauma informed context
- 6) Develop marketable skills, work experience, and job readiness

The program is structured as 2 identical parallel programs that run simultaneously but separately with youth from 2 gang territories that are in conflict. Over the course of the program we will strategically foster a peace building dialogue across the groups. Each

¹ homicides.redeyechicago.com

program will recruit 15 gang-affiliated “high-risk” youth to participate (30 total), participants will receive stipends for their participation in the program.

Summer - Winter

Funding from Cook County will allow the program to offer intensive one-on-one leadership development work with 16 participants, who will be recruited from the January – December 2016 cohort. Mentors will work with these 16 participants to plan and facilitate monthly activities, participants will take on leadership roles including creating agendas, chairing meetings, engaging in outreach, holding peace circles, and leading other projects. Participants will receive a stipend for their participation.

Monthly activities will engage a total of 30 youth participants, the activities include:

- Civic engagement workshops and activities
- Restorative justice peace circles
- Mentor outings and group nights
- Monthly arts cafes

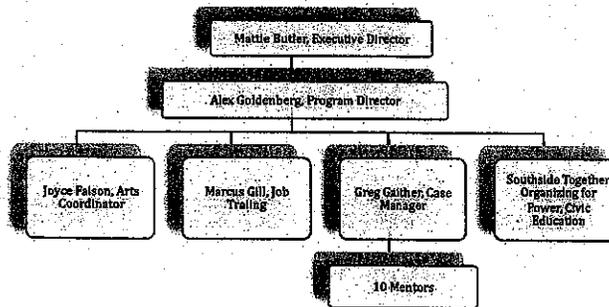

Funding from Cook County will allow the Woodlawn RJ Hub to increase the amount of intensive mentorship and engagement hours participants in the 2016 cohort receive. The relationships built with the participants will be leveraged to engage them in the planning and implementation of workshops and activities for the 2017 cohort which will be in the Spring.

Spring

In the Spring we will launch the 2017 cohort which will include 16 participants who will be recruited to participate in an intensive 6 week restorative justice, leadership development, arts and mentoring program that will include:

- 1) **Restorative Justice** – a four-day RJ peace circle training followed by weekly circles.
- 2) **Civic Engagement** – a 2-week organizing training followed by regular activities.
- 3) **Job Training** – resume building, soft skills and on the job training in maintenance.
- 4) **Arts** – a 2-week arts career training program, youth create hip-hop and other arts.
- 5) **Mentorship** – All youth will be assigned a mentor (ratio of 2:1).
- 6) **Case Management** – intake, referrals, manage mentor relationship and life-plans.

Organizational Chart

SECTION C: Description of the Problem and Target Population

In the last 5 years the Woodlawn area experienced 49 homicides², most of which were youth aged 24 and under, most of whom died as the result of gunshot wounds. Much of this gun violence occurs in the context of ongoing gang and interpersonal conflicts.

Like many south side neighborhoods, many of the young people who live and hang out on different blocks of Woodlawn identify with different clicks and gangs. There are at least 5 major clicks and gangs in Woodlawn and at least 3 ongoing conflicts between them. These conflicts include years of shootings, murders and retaliations. This cycle of violence results in trauma, detention and incarceration, lack of safety, anxiety and various other roadblocks to individual and community development.

It is mostly young people involved in these conflicts, and a small minority of them are at “high risk” of perpetrating violence. Most of the young people who do get caught up in violence have had adverse childhood experiences, have experienced trauma, have been pushed out of schools and are disconnected from any social services. These young people have not been trained in peaceful conflict resolution or restorative justice.

Relationships between “high risk” young people and family, friends, mentors, and service providers are necessary to steer young people away from violence, and intervene in violent conflicts to prevent further retaliation. In order to positively influence young

² homicides.redeyechicago.com

people these relationships must be built through engagement which “meets young people where they are at”.

In Woodlawn there is a limited number of programs that engage and build relationships with “high risk” youth. According to a participatory action research study done by a local youth organization in 2012, Woodlawn youth programs serve less than 100 “high risk” youth, this number has since gone down as state funded youth programs have been cut.

The response of the criminal justice system and some community members to violence has been to criminalize youth of color. Woodlawn is among the top ten communities with the highest number of youth in the juvenile detention and jail Chicago. Youth are being blamed and further marginalized preventing supportive and accountable relationships from being built between them and their elders. This criminalization is happening while the root causes of violence (poverty, joblessness, racism and other forms of oppression) persist. Woodlawn’s poverty indicators include: income per capita of \$13,005, median household income of \$20,707, and a poverty level of 39.4%.

Despite the poverty and violence in the neighborhood there is also a vibrant group of organizations and community leaders dedicated to working with “high risk” young people and supporting them in being part of the solutions to address racial and economic inequity. With increased capacity it is possible to engage young people in finding solutions to the root causes of violence and through this work to build restorative relationships that can prevent and lessen violence and transform our community.

Target Population

The Woodlawn Restorative Justice Hub Program will primarily serve youth aged 15-24 in the Woodlawn neighborhood who are primarily low-income and African American.

This population is at risk of being involved in violence because it is affiliated with neighborhood clicks and gangs that have been engaged in years-long conflicts that have resulted in violence, shootings, and retaliation. Most of the young people in our target population have had traumatic adverse childhood experiences. Most of the young people we will work with are also involved in the adult or juvenile justice system.

Woodlawn East Community and Neighbors has over a decade of experience running arts and youth development programs. Southside Together Organizing for Power and its youth program has over 7 years of experience running civic engagement and leadership development programs with the target population. Dust Em Clean Maintenance has experience hiring, training and retaining hard to employ youth. The Woodlawn Re-Entry Program has over 5 years of experience providing case management services for the target population.

Woodlawn East Community and Neighbors, Southside Together Organizing for Power, the Woodlawn Re-Entry Program and Dust Em Clean all have strong African American male and female leaders/mentors who are from the community they serve. In addition, Southside Together Organizing for Power and Dust Em Clean also have long standing relationships with youth from the two conflicting gang territories in the community from which the target population will be recruited. Southside Together Organizing for Power also has program staff and volunteers which include peer mentors from the community

who will offer encouragement and support. Our collective experience, staff, and relationships, as well as culturally relevant curriculum and the incentive of stipends will all be leveraged to ensure successful engagement of the target population.

This year the Woodlawn Restorative Justice Hub is launching a cohort of 16 youth and 8 adult mentors. Southside Together Organizing for Power has been holding restorative justice peace circles for over 4 years with neighborhood youth. These circles have ranged from conflict resolution circles, to circles focused on group dynamics to community building circles. Community building circles have also included community elders, block club leaders and neighbors. Southside Together Organizing for Power has deep relationships with block clubs and tenants' associations in Woodlawn. Woodlawn East Community and Neighbors has decades of deep relationships with community residents as does Dust 'Em Clean Maintenance. These relationships will be mobilized to recruit mentors and to engage in community building peace circles between the youth participants of the Woodlawn RJ Hub and community elders and neighbors.

Section D: Proposed Program & Implementation Schedule

The Program's Goals are to: 1) Reduce violence; 2) Develop community capacity to hold restorative justice peace circles; 3) Create a long-term mentorship support system for youth who are most at risk; 4) Develop youth civic leadership; 5) Create opportunities for artistic expression in a trauma informed context; and, 6) Develop marketable skills, work experience, and job readiness.

Program design: The program will serve 30 youth ages 14-24. It is structured as 2 identical parallel programs that run simultaneously but separately with youth from 2 gang territories that are in conflict. Over the course of the program we will strategically foster a peace building dialogue across the groups.

The Woodlawn Restorative Justice Hub includes five major components:

- 1) *Restorative Justice* – A four-day Restorative Justice peace circle keeping training will be done by the Community Justice Institute for Youth and will train program participants, program coordinators and mentors. The training will be followed by monthly RJ peace circles which will serve various purposes including: grieving, conflict resolution, mutual support and community building. The youth participants will take roles in planning and leading these circles.
- 2) *Civic Engagement* – A two week training in community organizing skills will be conducted with program participants and community leaders. Training will be conducted by facilitators from Southside Together Organizing for Power. Following the trainings youth participants will engage in regular community organizing

activities including outreach, public speaking, and participatory research around juvenile and criminal justice reform and healthcare issues.

- 3) *Job Training* – Participants will complete applications for Dust Em Clean Maintenance company. Marcus Gill, the Dust Em Clean program coordinator will train youth on soft skills, resume building, and then receive on the job training doing maintenance work with Dust Em Clean. Training will be followed by job placements. The combination of job training with civic engagement and the peer support the Woodlawn RJ Hub offers is modeled off of Project Quest in San Antonio, the effectiveness of which has been documented by national organizations such as the Ford Foundation (Dr. Paul Osterman) and the ASPEN Institute.
- 4) *Artistic expression* – Youth will participate in a two week arts module, run by Joyce Faison, the arts program coordinator, which will include music and video production, music industry fundamentals, and the creation of an artistic product. Following the module Joyce Faison will coordinate monthly arts workshop will be held to support their continued artistic expression.
- 5) *Mentorship* – All youth will be assigned a mentor (2:1 ratio) with whom they will check-in weekly and create a life-plan. Mentors and program participants will participate in Friday Mentorship Nights. Mentorship structure is modeled off of the national recognized successful Urban Life Skills mentorship program run by New Life in Little Village.
- 6) *Case Management* - A case manager will manage the cases of each participant including their mentor relationship and progress on their life-plan. The case manager will also coordinate a mentorship training which will include a workshop on trauma

informed care. The case manager or mentors will also accompany youth in signing up for jobs, GED programs, city colleges and other relevant programs.

SECTION E: Expected Outcomes

The Goals of the Woodlawn RJ Hub are to:

- 1) Reduce violence
- 2) Develop community capacity to hold restorative justice peace circles
- 3) Create a long-term mentorship support system for youth who are most at risk
- 4) Develop youth civic leadership
- 5) Create opportunities for artistic expression in a trauma informed context

Quantitative Outcomes:

- 1) No recidivism for program participants
- 2) Minimal involvement in violent conflicts
- 3) All program participants are engaged in working towards advancing educational attainment (GED, alternative school, or vocational training or college)
- 4) All program participants secure employment
- 5) Program participants participate in monthly volunteer civic engagement activities and arts workshops

Qualitative Outcomes:

- 1) Participants develop peace circle keeping skills
- 2) Participants develop public speaking and outreach skills
- 3) Participants develop artistic skills

We will measure outcomes by doing a thorough intake at the start of the program which will document participants court involvement, education level, and job status. We will then track these indicators throughout the program and document them with case notes. Mentors will be trained in taking brief case notes surveys after each weekly check in. Participation in program activities and civic engagement activities will be tracked with sign-in sheets.

Qualitative outcomes will be measured by observing participants and writing case notes and by engaging in reflection activities with participants which will also be documented in case notes.

We will input the data we gather into the Adler School of Psychology Institute on Public Safety and Social Justice database for the purposes of cross program comparison and evaluation of restorative justice hubs.

Planning & Preparation Activities

In the winter we will engage in program planning, relationship building with our network of service providers, and train our youth mentors. Program coordinators will hold meetings to coordinate curriculum continuity, coordinate recruitment of youth participants and mentors, and program logistics.

Program coordinators and mentors will receive training which will include meeting with other RJ Hubs, a training on the Urban Life Skills mentorship model, and a training on trauma informed care.

We will also hold meetings with mental health service providers, college student GED tutors, alternative school counselors, and other potential service providers to build relationships which will facilitate referrals.

SECTION G: Qualifications of the Proposer

Woodlawn East Community and Neighbors (WECAN) is a non profit social service agency whose mission is to address the changing needs and issues of Woodlawn and the surrounding communities by enriching and enhancing the lives of the residents.

WECAN was founded in 1980 and is a founding member of Chicago Rehab Network. In the 1980s WECAN established a Telephone Answering Service and advocated for affordable housing. In 1989 Mattie C. Butler, Executive Director of WECAN, was recognized with a Petra Foundation Award for Community Development. WECAN was a catalyst that led to Woodlawn's designation as an Empowerment Zone. WECAN owns and operates several affordable housing units, operates a Housing Resource Center, and provides CEDA services. WECAN is also active in community planning processes include the New Communities Program and the Network of Woodlawn. WECAN currently employs 8 people full time and 15 people part time. WECAN has operated several youth programs throughout the years and through community planning processes has built relationships with other youth program providers in the neighborhood. The Woodlawn Restorative Justice Hub Program is leveraging these relationships by fostering collaboration that will lead to greater impact. The youth organizations and community based business which WECAN is collaborating with include: Southside Together Organizing for Power, the Woodlawn Re-Entry Program, and Dust Em Clean. *Woodlawn East Community and Neighbors - 6450 S. Southside Together Organizing for Power was founded in 2004 and launched a youth program in 2007. The STOP youth program has supported young people in developing

community based restorative alternatives to juvenile detention. STOP has supported youth in being trained in keeping restorative justice peace circles by Cheryl Graves from the Community Justice Institute for Youth. The Re-Entry Program staff included a Project Coordinator and a Case Manager. The centerpiece of aftercare services delivery is intensive street outreach and case management services linking clients to a network of support services, such as, alcohol/substance abuse, mental health, crisis response, education, GED, Vocational Skills Training. In addition, the Re-entry Program initiated two innovative Youth Entrepreneurial Training Programs (e.g., Landscape & Lawn Care and Digital Technology Marketing) through community-based partnerships with The Ingleside Block Club and Chicago Digital Alliance. These organizations provided training stipends for 20-25 clients. 822 E 63rd St - 773.363.4300.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.
