a) Events of Default Defined

The following constitute events of default:

i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the County.

ii) A party’s material failure to perform any of its obligations under this Agreement, which is not cured within 30 days of the breaching party’s receipt of non-breaching party’s written notice of breach .

b) Remedies

The non-breaching party shall give the breaching party an opportunity to cure the default within a certain period of time, which period of time must not be less than 30 days, unless extended by the Chief Procurement Officer. Whether to declare Consultant in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The non-breaching party will give the breaching party written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The non-breaching party may give a Default Notice if the reaching party fails to affect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the non-breaching party may invoke any or all of the following remedies:

i) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;

ii) The right of specific performance, an injunction or any other appropriate equitable remedy;

iii) The right to money damages;

iv) The right to withhold all or any part of Consultant's compensation under this Agreement;

v) The right to consider Consultant non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as a party considers expedient.

c) Early Termination

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Consultant. The County will give notice to Consultant in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all

Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Consultant must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

Consultant must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Consultant will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Consultant or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension

exceeds 45 days, Consultant by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) Right to Offset

In connection with performance under this Agreement, the County may offset any excess costs incurred:

i) if the County terminates this Agreement for default or any other reason resulting from Consultant's performance or non-performance;

ii) if the County exercises any of its remedies under Section 9.b of this Agreement; or

iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Consultant is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Consultant agrees that no charges or claims for damages shall be made by Consultant for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Consultant shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

ARTICLE 10) LIMITATION OF LIABILITY

NEITHER PARTY WILL BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, PUNITIVE, SPECIAL, OR ANY OTHER INDIRECT TYPES OF DAMAGES. IN THE EVENT OF ANY LIABILITY INCURRED UNDER THIS AGREEMENT, EACH PARTY'S LIABLITY SHALL BE LIMITED TO THE AMOUNTS THAT HAVE BEEN PAID BY THE COUNTY TO CONSULTANT UNDER THIS AGREEMENT AT THE TIME THAT THE CLAIM FOR DAMAGES ARISES, BUT IN NO EVENT MORE THAN THE AMOUNTS PAID BY THE COUNTY TO THE CONSULTANT OVER THE 24 MONTHS IMMEDIATELY PRECEDING THE CLAIM.

ARTICLE 11 GENERAL CONDITIONS

a) Entire Agreement

i) **General**

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not expressly addressed in this Agreement. For the avoidance of doubt, this Agreement does not supersede the software licensing agreement by and between the County and Consultant.

ii) **No Collateral Agreements**

Consultant acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the County, its officials, agents or employees, has induced Consultant to enter into this Agreement or has been relied upon by Consultant, including any with reference to:

(a) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement;

(b) the nature of the Services to be performed;

(c) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement;

(d) the general conditions which may in any way affect this Agreement or its performance;

(e) the compensation provisions of this Agreement; or

(f) any other matters, whether similar to or different from those referred to in (a) through (e) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

iii) **No Omissions-Intentionally Deleted.**

b) Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) Contract Amendments

The parties may during the term of the Contract make amendments to the Contract but only as provided in this section. Such amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond $150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond $150,000, then Board approval will be required.

No Using Agency or employee thereof has authority to make any amendments to this Contract. Any amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Consultant is hereby notified that, except for amendments which are made in accordance with this Section10.c. Contract Amendments, no Using Agency or employee thereof has authority to make any amendment to this Contract.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Consultant irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Consultant consents and submits to the jurisdiction thereof. In accordance with these provisions, Consultant waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Consultant will reasonably cooperate with the County. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Consultant will use commercially reasonable effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Using Agency in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the County's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.

i) Independent Consultant

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Consultant and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Consultant must perform under this Agreement as an independent Consultant and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent Consultant and, if Consultant is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Consultant performing the Services required under this Agreement.

ii) Consultant is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.

iv) The County is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to the Consultant.

j) Governmental Joint Purchasing Agreement

Pursuant to Section 4 of the Illinois Governmental Joint Purchasing Act (30 ILCS 525) and the Joint Purchase Agreement approved by the Cook County Board of Commissioners (April 9, 1965), other units of government may purchase goods or services under this Agreement.

In the event that other agencies participate in a joint procurement, the County reserves the right to renegotiate the price to accommodate the larger volume.

k) Comparable Government Procurement

As permitted by the County of Cook, other government entities, if authorized by law, may wish to purchase the goods, supplies, services or equipment under the same terms and conditions contained in this Contract (i.e., comparable government procurement). Each entity wishing to reference this Contract must have prior authorization from the County of Cook and the Consultant. If such participation is authorized, all purchase orders will be issued directly from and shipped directly to the entity requiring the goods, supplies, equipment or services supplies/services. The County shall not be held responsible for any orders placed, deliveries made or payment for the goods, supplies, equipment or services supplies/services ordered by these entities. Each entity reserves the right to determine the

amount of goods, supplies, equipment or services it wishes to purchase under this Contract.

l) Force Majeure

Neither Consultant nor County shall be liable for failing to fulfill any obligation under this Contract if such failure is caused by an event beyond such party's reasonable control and which is not caused by such party's fault or negligence. Such events shall be limited to acts of God, acts of war, fires, lightning, floods, epidemics, or riots.

m) Federal Clauses

The following provisions apply to all Contracts which are funded in whole or in part with federal funds including without limitation the following.

1. Interest of Members of or Delegates to the United States Congress
In accordance with 41 U.S.C. § 22, the Contractor agrees that it will not admit any member of or delegate to the United States Congress to any share or part of the Contract or any benefit derived therefrom.

2. False or Fraudulent Statements and Claims
(a) The Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended, 49 U.S.C. §§ 3081 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the Contract. Accordingly, by signing the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make pertaining to the Contract, including without limitation any invoice for its services. In addition to other penalties that may be applicable, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the Contractor to the extent the Federal Government deems appropriate.

(b) The Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the County or Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.

3. Federal Interest in Patents

(a) General. If any invention, improvement, or discovery of the is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the Unites States of America

or any foreign country, the Contractor agrees to notify County immediately and provide a detailed report.

(b) Federal Rights. Unless the Federal Government later makes a contrary determination in writing, the rights and responsibilities of the County, Contractor, and the Federal Government pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Unless the Federal Government later makes a contrary determination in writing, the Contractor agrees that, irrespective of its status or the status of any subcontractor at any tier (e.g., a large business, small business, non profit organization, institution of higher education, individual), the Contractor agrees it will transmit to the Federal Government those rights due the Federal Government in any invention resulting from the contract.

4. Federal Interest in Data and Copyrights

(a) Definition. The term "subject data" used in this section means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. Examples include, but are not limited, to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to Contract administration.

(b) Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the Contract. Except as provided in the Contract and except for its own internal use, the Contractor may not publish or publicly reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the written consent of the County and the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.

(c) Federal Rights in Data and Copyrights. In accordance with subparts 34 and 36 of the Common Rule, the County and the Federal Government reserve a royalty free, non exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for County or Federal Government purposes, the types of subject data described below. Without the copyright owner's consent, the County and Federal Government may not extend their license to other parties.

(1) Any subject data developed under the contract or subagreement financed by a federal Grant Agreement or Cooperative Agreement, whether or not a copyright has been obtained; and

(2) Any rights of copyright which the Contractor purchases ownership with Federal assistance.

(d) Special Federal Rights for Planning Research and Development Projects. When the Federal Government provides financial assistance for a planning, research, development, or demonstration project, its general intention is to increase public

knowledge, rather than limit the benefits of the project to participants in the project. Therefore, unless the Federal Government determines otherwise, the Contractor on a planning, research, development, or demonstration project agrees that, in addition to the rights in data and copyrights set forth above, the County or Federal Government may make available to any third party either a license in the copyright to the subject data or a copy of the subject data. If the project is not completed for any reason whatsoever, all data developed under the project will become subject data and will be delivered as the County or Federal Government may direct. This subsection, however, does not apply to adaptions of automatic data processing equipment or previously existing software programs for the County's use whose costs are financed with Federal transportation funds for capital projects.

(e) Hold Harmless. Unless prohibited by state law, upon request by the County or the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the County and the Federal Government and their officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Contract. The Contractor will not be required to indemnify the County or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the County or Federal Government.

(f) Restrictions on Access to Patent Rights. Nothing contained in this section on rights in data will imply a license to the County or Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the County or Federal Government under any patent.

(g) Application on Materials Incorporated into Project. The requirements of Subsections 2, 3, and 4 of this Section do not apply to material furnished by the County and incorporated into the work.

5. Records and Audits

The County and the Federal Government will have the right to audit all payments made to the Contractor under this Agreement. Any payments to the Contractor which exceed the amount to which the Contractor is entitled under the terms of this Agreement will be subject to set off.

The Contractor will keep and retain records relating to this Agreement and will make such records available to representatives of the County and the Federal Government, including without limitation the sponsoring federal agency, other participating agencies, and the Comptroller General of the United States, at reasonable times during the performance of this Agreement and for at least five years after termination of this Agreement for purposes of audit, inspection, copying, transcribing and abstracting.

No provision in this Agreement granting the County or the Federal Government a right of access to records is intended to impair, limit or affect any right of access to such records which the County or the Federal Government would have had in the absence of such provisions.

6. Environmental Requirements

The Contractor recognizes that many Federal and state laws imposing environmental and resource conservation requirements may apply to the Contract. Some, but not all, of the major Federal Laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. The Contractor also recognizes that U.S. EPA, U.S. DOT and other agencies of the Federal Government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Contract. Thus, the Contractor agrees to adhere to, and impose on its subcontractors, any such Federal requirements as the Federal Government may now or in the future promulgate. Listed below are requirements of particular concern.
The Contractor acknowledges that this list does not constitute the Contractor's entire obligation to meet all Federal environmental and resource conservation requirements. The Contractor will include these provisions in all subcontracts.

(a) Environmental Protection. The Contractor agrees to comply with the applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq. in accordance with Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low Income Populations," 59 Fed. Reg. 7629, Feb. 16, 1994; U.S. DOT statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Part 1500 et seq.; and U.S. DOT regulations, "Environmental Impact and Related Procedures," 23 C.F.R. Part 771 and 49 C.F.R. Part 622.

(b) Air Quality. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Specifically, the Contractor agrees to comply with applicable requirements of U.S. EPA regulations, "Conformity to State of Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.

(c) Clean Water. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et seq. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.

(d) List of Violating Facilities. The Contractor agrees that any facility to be used in the performance of the Contract or to benefit from the Contract will not be listed on the U.S. EPA List of Violating Facilities ("List"), and the Contractor will promptly notify the County if the Contractor receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.

(e) Preference for Recycled Products. To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of the work, the Contractor agrees to use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 C.F.R. Parts 247 253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962.

7. No Exclusionary or Discriminatory Specifications

Apart from inconsistent requirements imposed by Federal statute or regulations, the Contractor agrees that it will comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any Federal assistance to support subcontracts procured using exclusionary or discriminatory specifications.

8. No Federal Government Obligations to Third Parties

The Contractor agrees that, absent the Federal Government's express written consent, the Federal Government will not be subject to any obligations or liabilities to any contractor or any other person not a party to the Grant Agreement or Cooperative Agreement between the County and the Federal Government which is a source of funds for this Contract. Notwithstanding any concurrence provided by the Federal Government in or approval of any solicitation, agreement, or contract, the Federal Government continues to have no obligations or liabilities to any party, including the Contractor.

9. Allowable Costs

Notwithstanding any compensation provision to the contrary, the Contractor's compensation under this Contract will be limited to those amounts which are allowable and allocable to the Contract in accordance with OMB Circular A 87 and the regulations in 49 C.F.R. Part 18. To the extent that an audit reveals that the Contractor has received payment in excess of such amounts, the County may offset such excess payments against any future payments due to the Contractor and, if no future payments are due or if future

payments are less than such excess, the Contractor will promptly refund the amount of the excess payments to the County.

10. Trade Restrictions

Contractor certifies that neither it nor any Subcontractor:

(a) is owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
(b) has knowingly entered into any contract or subcontract with a person that is a citizen or national of a foreign country on said list, nor is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
(c) will procure, subcontract for, or recommend any product that is produced in a foreign country on said list.
Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no Notice to Proceed will be issued to an entity who is unable to certify to the above. If Contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the USDOT may direct, through the County, cancellation of the Contract at no cost to the Government.
Further, Contractor agrees that it will incorporate this provision for certification without modification in each subcontract. Contractor may rely on the certification of a prospective Subcontractor unless it has knowledge that the certification is erroneous. Contractor will provide immediate written notice to the County if it learns that its certification or that of a Subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. Each Subcontractor must agree to provide written notice to Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 100.

11. Contract Work Hours and Safety Standards Act

If applicable according to their terms, the Contractor agrees to comply and assures compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 333, and implementing U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part

5; and U.S. DOL regulations, “Safety and Health Regulations for Construction,” 29 C.F.R. Part 1926. In addition to other requirements that may apply:

(a) In accordance with section of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 332, the Contractor agrees and assures that, for the Contract, the wages of every mechanic and laborer will be computed on the basis of a standard work week of 40 hours, and that each worker will be compensated for work exceeding the standard work week at a rate of not less than 1.5 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The Contractor agrees that determinations pertaining to these requirements will be made in accordance with applicable U.S. DOL regulations, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act),” 29 C.F.R. Part 5.

(b) In accordance with section 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. § 333, the contractor agrees and assures that no laborer or mechanic working on a construction contract will be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to his or her health and safety, as determined in accordance with U.S. DOL regulations, “Safety and Health Regulations for Construction,” 29 C.F.R. Part 1926.

12. Copyright Ownership

Consultant and the County intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the County's instance and expense pursuant to this Agreement are not deemed "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq. (the “Copyright Act”), and that the Consultant will be the copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist. Nothing in this Agreement, not its performance shall constitute a sale, license, transfer, or assignment of any Consultant its intellectual property rights to the County.

13. Visual Rights Act Waiver

The Consultant/Contractor waives any and all rights that may be granted or conferred under Section 106A and Section 113 of the United States Copyright Act, (17 U.S.C. § 101 et seq.) (the "Copyright Act") in any work of visual art that may be provided pursuant to this Agreement. Such action shall include, but not be limited to the following:
Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

EXHIBIT 1

Statement of Work

COMPANION DATA SERVICES (CDS)

DOCFINITY

STATEMENT OF WORK

Upgrade Consulting Services

Cook County Treasurer's Office

Introduction/Background

Cook County (County) has been running the DocFinity suite of software since 2006. To date, that version of DocFinity software is no longer supported (v9) and the hardware in which the suite resides on is end-of-life and represents a current risk to the County in the case of a failure. This project is to migrate documents and data from the legacy version of the software suite (v9) to the latest version of the software suite (v12). As part of this project, the infrastructure supporting DocFinity will be revamped, so that the software is running on current hardware and software.

This Statement of Work (SOW) is for CDS Professional Services to assist Cook County with migrating and upgrading their DocFinity v9 platform to the latest version of the software suite. This SOW details the project scope, tasks and deliverables as related to the migration/upgrade of the Cook County DocFinity System.

Approach

This project is to focus purely on migration/upgrade of the DocFinity v9 environment to a new DocFinity v12 environment. With this upgrade, the architecture will need to be updated to newer versions of the OS and SQL Server DBMS. Cook County plans to provision new environments to host the new DocFinity platform and the application will be installed in 3 separate environments (DEV, TEST, and PROD). A CDS technical analyst will create a server recommendation diagram that will be used as a guide to provision the environment(s) necessary to support DocFinity.

In addition, the upgrade will require Cook County to attend additional product training to understand the new components required to design the best system for the Organization. Therefore, the first step will be for the customer project team who will be designing the system to attend the DocFinity Core training. This training will provide a thorough introduction to the system, and a set of terminology and concepts which will enable the customer team members to effectively communicate business goals during the design phase.

Once Core training has been completed, the teams will enter the design stage of the project. The design will include developing a new DocFinity taxonomy (documents and metadata) to support the v9 documents and data, as well as security and feature rights. Once the teams agree to an initial design, migration scripts will be generated and a sample migration will occur in the Development environment. Once the sample migration has been approved, a build and migration of all documents and data will be executed in the TEST region. The TEST region will be used for unit and user acceptance testing.

Before the design stage is completed, CDS will work with Cook County to assist with API Development via Consulting services as well as the creation / migration of Workflow / BPM process models from v9 into v12. As part of this upgrade each process model will need to be created new as there is no migration path for process models from v9 into v12. The County will be trained on the BPM Designer tool so that a Cook County resource can be familiar with how the designer works, so that adjustments and new development items can be completed without the assistance of CDS. Once the process models have been designed and constructed, the TEST instance will be fully staged with all designs, documents, and data in preparation for User Acceptance Testing. This will be the time when end-users are trained on the new platform and they will approve the data migration and day-forward processes for the new environment. Once testing has been accepted, the Production environment will be staged and all documents and data will be migrated in prep for Go-Live. Delta migrations may be necessary to reduce end-user impact, and will be determined later on in the project.

Project Overview

The DocFinity migration/upgrade process will be best accomplished by completing the following defined tasks. Below is a summary of what is included in each task:

Administrator Training
The following courses will provide the foundation necessary for the use and administration of DocFinity.

- **DocFinity 101** (1 day)
- **DocFinity Administration** (3 days)
- **DocFinity System Design** (1 day)
- **DocFinity BPM Training** (5 days)

Migration Services
The Migration Services will consist of the following services:

- **System Installation and Configuration**
  The DocFinity team will assist Cook County with setup and installation of the DocFinity software in each County instance (3 environments have been identified).

- **System Design Planning**
  After training, the DocFinity team will work with the project team to determine the ideal configuration of the DocFinity interface options that best provide proper access to documents. This includes configurable options such as document types, feature rights, security access, and searches.

- **Document / Data Migration**
  Planning is needed to ensure a smooth migration of the existing documents and associated data from DocFinity v9 to DocFinity v11. There are improved and important differences in the way v11 stores documents and associated data in the system, when compared with v9. An CDS consultant will work with the project team to map out the best method for migrating the system to v11. The project team will be involved in data cleansing exercises when necessary, as well as migration verification activities to ensure the entire repository has been migrated according to expectations.

- **API Consulting Services**
  DocFinity to work with the County to provide general consulting services to assist County developer's with how to interact with the DocFinity v11 APIs. Cook County will be responsible for writing the CODE necessary for these integrations.

- **Advanced Capture Consulting Services**
  DocFinity to work with the County to develop an Advanced Capture project to separate out documents and read barcode values for documents ingested by the application.

- **Project Management**
  DocFinity will provide a project manager for the project. The project manager will be responsible for coordinating the project between CDS and the customer. In addition, the project manager will manage CDS resources, milestones, and customer expectations for the duration of the project.

Project Deliverables

The project focuses on planning, training, setup and configuration, and migration of documents and data from v9 to v12 of the DocFinity suite At the end of the project, Cook County will have all documents and data migrated from the v9 into DocFinity v12 as well as a solution for day-forward processes.

- After the project has begun, any significant changes to the project may require a Change Order to be created. Please see the section on "Project Change Management", found later in this document, for further details of circumstances which can require the creation of a Change Order.
- All tasks included in this Statement of Work shall be performed over a consecutive time frame and performed within the timeframes designated in the Implementation Schedule or Project Plan.
- Cook County will be granting CDS remote access to all environments to execute tasks remotely.
- Cook County will be granting CDS access to a v9 DB backup to complete v9 DB analysis.
- Cook County will be responsible for provisioning any new hardware or additional software to support the new DocFinity v12 environment.
- DocFinity Core Training will be done web-based instructor-led.
- BPM Training will be done web-based instructor-led.
- Cook County doesn't have any annotations that need to be migrated to the new release of DocFinity.

Project Costs

This project is priced as a Time and Material project. CDS shall be paid on the basis of actual hours worked. To the extent that the fees accrued by CDS are less than the estimated hours for any activity, CDS shall only invoice Cook County for the fees representing actual hours worked. Travel expenses are not included in this estimate and if required will be charged according to the Cook County Travel and Business Expenses Policy and Procedures included in this contract. At this time, no travel is anticipated for this project.

Any changes to the assumptions and scope agreed by both parties and based on the enclosed change management procedure will require a Project Change Request Form, signed by both parties. The Change Request Process defines the steps to be taken to implement any change.

(Please see Schedule of Compensation for pricing details)

Appendix A: Project Change Management

Overview

During the course of the project changes and risks are encountered. To mitigate these risks and assure that both Customer and DocFinity are on the same page with respect to delivery timelines and scope a Change Order is issued when any of the following change factors occur. Any changes that impact the approved overall contract amount or contract term must be processed in accordance with Article 10 Section C of the Professional Services Agreement.

Scope Change

Often during the course of the project details uncover changes to scope that were not part of the original estimate. These changes could be as simple as requests for new features with no impact to the project schedule or cost. But often when discussed more deeply they could impact delivery times or how the solution will work. When the scope changes a timeline or project deliverable a Change Order will be generated to cover additional funding or schedule changes that affect the project delivery.

Financial Impact

Any work beyond that stated in this Statement of Work must be mutually agreed to by County and DocFinity. Any resulting changes to project costs and or software maintenance costs will be documented.

The Office of Contract Compliance is in receipt of the above-referenced contract and has determined an overall 0% MBE/WBE participation goal was recommended due to Sole Source and does not require the Office of Contract Compliance to review for MBE/WBE compliance with the Minority- and Women- owned Business Enterprises (MBE/WBE) Ordinance.

I. POLICY AND GOALS

A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County Contracts and to eliminate arbitrary barriers for participation in such Contracts by local businesses certified as a Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) as both prime and sub-contractors. In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes annual goals for MBE and WBE participation as outlined below:

Contract Type	Goals	
	MBE	**WBE**
Goods and Services	25%	10%
Construction	24%	10%
Professional Services	35% Overall	

B. **The County shall set contract-specific goals, based on the availability of MBEs and WBEs that are certified to provide commodities or services specified in this solicitation document. The MBE/WBE participation goals for this Agreement is zero percent (0%).** A Bid, Quotation, or Proposal shall be rejected if the County determines that it fails to comply with this General Condition in any way, including but not limited to: (i) failing to state an enforceable commitment to achieve for this contract the identified MBE/WBE Contract goals; or (ii) failing to include a Petition for Reduction/Waiver, which states that the goals for MBE/WBE participation are not attainable despite the Bidder or Proposer Good Faith Efforts, and explains why. If a Bid, Quotation, or Proposal is rejected, then a new Bid, Quotation, or Proposal may be solicited if the public interest is served thereby.

C. To the extent that a Bid, Quotation, or Proposal includes a Petition for Reduction/Waiver that is approved by the Office of Contract Compliance, the Contract specific MBE and WBE participation goals may be achieved by the proposed Bidder or Proposer's status as an MBE or WBE; by the Bidder or Proposer's enforceable joint-venture agreement with one or more MBEs and/or WBEs; by the Bidder or Proposer entering into one or more enforceable subcontracting agreements with one or more MBE and WBE; by the Bidder or Proposer establishing and carrying out an enforceable mentor/protégé agreement with one or more MBE and WBE; by the Bidder or Proposer actively engaging the Indirect Participation of one or more MBE and WBE in other aspects of its business; or by any combination of the foregoing, so long as the Utilization Plan evidences a commitment to meet the MBE and WBE Contract goals set forth in (B) above, as approved by the Office of Contract Compliance.

D. A single Person, as defined in the Procurement Code, may not be utilized as both an MBE and a WBE on the same Contract, whether as a Consultant, Subcontractor or supplier.

E. Unless specifically waived in the Bid or Proposal Documents, this Exhibit; the Ordinance; and the policies and procedures promulgated thereunder shall govern. If there is a conflict

between this Exhibit and the Ordinance or the policies and procedures, the Ordinance shall control.

F. A Consultant's failure to carry out its commitment regarding MBE and WBE participation in the course of the Contract's performance may constitute a material breach of the Contract. If such breach is not appropriately cured, it may result in withholding of payments under the Contract, contractual penalties, disqualification and any other remedy provided for in Division 4 of the Procurement Code at law or in equity.

II. REQUIRED BID OR PROPOSAL SUBMITTALS

A Bidder or Proposer shall document its commitment to meeting the Contract specific MBE and WBE participation goals by submitting a Utilization Plan with the Bid or Proposal. The Utilization Plan shall include (1) one or more Letter(s) of Intent from the relevant MBE and WBE firms; and (2) current Letters of Certification as an MBE or WBE. Alternatively, the Bidder or Proposer shall submit (1) a written Petition for Reduction/Waiver with the Bid, Quotation or Proposal, which documents its preceding Good Faith Efforts and an explanation of its inability to meet the goals for MBE and WBE participation. The Utilization Plan shall be submitted at the time that the bid or proposal is due. **Failure to include a Utilization Plan will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.**

A. MBE/WBE Utilization Plan

Each Bid or Proposal shall include a complete Utilization Plan, as set forth on Form 1 of the M/WBE Compliance Forms. The Utilization Plan shall include the name(s), mailing address, email address, and telephone number of the principal contact person of the relevant MBE and WBE firms. If the Bidder or Proposer submits a Bid or Proposal, and any of their subconsultants, suppliers or consultants, are certified MBE or WBE firms, they shall be identified as an MBE or WBE within the Utilization Plan.

1. Letter(s) of Intent

Except as set forth below, a Bid or Proposal shall include, as part of the Utilization Plan, one or more Letter(s) of Intent, as set forth on Form 2 of the M/WBE Compliance Forms, executed by each MBE and WBE and the Bidder or Proposer. The Letter(s) of Intent will be used to confirm that each MBE and WBE shall perform work as a Subcontractor, supplier, joint venture, or consultant on the Contract. Each Letter of Intent shall indicate whether and the degree to which the MBE or WBE will provide goods or services directly or indirectly during the term of the Contract. The box for direct participation shall be marked if the proposed MBE or WBE will provide goods or services directly related to the scope of the Contract. The box for Indirect participation shall be marked if the proposed MBE or WBE will not be directly involved in the Contract but will be utilized by the Bidder or Proposer for other services not related to the Contract. Indirect Participation shall not be counted toward the participation goal. Each Letter of Intent shall accurately detail the work to be performed by the relevant MBE or WBE firm, the agreed dollar amount, the percentage of work, and the terms of payment.

Failure to include Letter(s) of Intent will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.

All Bids and Proposals must conform to the commitments made in the corresponding Letter(s) of Intent, as may be amended through change orders.

The Contract Compliance Director may at any time request supplemental information regarding Letter(s) of Intent, and such information shall be furnished if the corresponding Bid or Proposal is to be deemed responsive.

2. Letter(s) of Certification

Only current Letter(s) of Certification from one of the following entities may be accepted as proof of certification for MBE/WBE status, provided that Cook County's requirements for certification are met:

- County of Cook
- City of Chicago

Persons that are currently certified by the City of Chicago in any area other than Construction/Public Works shall also complete and submit a MBE/WBE Reciprocal Certification Affidavit along with a current letter of certification from the City of Chicago. This Affidavit form can be downloaded from www.cookcountyil.gov/contractcompliance.

The Contract Compliance Director may reject the certification of any MBE or WBE on the ground that it does not meet the requirements of the Ordinance, or the policies and rules promulgated thereunder.

3. Joint Venture Affidavit

In the event a Bid or Proposal achieves MBE and/or WBE participation through a Joint Venture, the Bid or Proposal shall include the required Joint Venture Affidavit, which can be downloaded from www.cookcountyil.gov/contractcompliance. The Joint Venture Affidavit shall be submitted with the Bid or Proposal, along with current Letter(s) of Certification.

B. Petition for Reduction/Waiver

In the event a Bid or Proposal does not meet the Contract specific goals for MBE and WBE participation, the Bid or Proposal shall include a Petition for Reduction/Waiver, as set forth on Form 3. The Petition for Reduction/Waiver shall be supported by sufficient evidence and documentation to demonstrate the Bidder or Proposer's Good Faith Efforts in attempting to achieve the applicable MBE and WBE goals, and its inability to do so despite its Good Faith Efforts.

Failure to include Petition for Reduction/Waiver will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.

III. REDUCTION/WAIVER OF MBE/WBE GOALS

A. Granting or Denying a Reduction/Waiver Request.

1. The adequacy of the Good Faith Efforts to utilize MBE and WBE firms in a Bid or Proposal will be evaluated by the CCD under such conditions as are set forth in the Ordinance, the policies and rules promulgated thereunder, and in the "Petition for Reduction/Waiver of MBE/WBE Participation Goals" – Form 3 of the M/WBE Compliance Forms.

2. With respect to a Petition for Reduction/Waiver, the sufficiency or insufficiency of a Bidder or Proposer's Good Faith Efforts shall be evaluated by the CCD as of the date upon which the corresponding Bid or Proposal was due.

3. The Contract Compliance Director or his or her duly authorized Waiver Committee may grant or deny the Petition for Reduction/Waiver based upon factors including but not limited to: (a) whether sufficient qualified MBE and WBE firms are unavailable despite good faith efforts on the part of the Bidder or Proposer; (b) the degree to which specifications and the reasonable and necessary requirements for performing the Contract make it impossible or economically infeasible to divide the Contract into sufficiently small tasks or quantities so as to enable the Bidder or Proposer to utilize MBE and WBE firms in accordance with the applicable goals; (c) the degree to which the prices or prices required by any potential MBE or WBE are more that 10% above competitive levels; and (d) such other factors as are determined relevant by the Contract Compliance Director or the duly authorized Waiver Committee.

4. If the Contract Compliance Director or the duly authorized Waiver Committee determines that the Bidder or Proposer has not demonstrated sufficient Good Faith Efforts to meet the applicable MBE and WBE goals, the Contract Compliance Director or the duly authorized Waiver Committee may deny a Petition for Reduction/Waiver, declare the Bid or Proposal non-responsive, and recommend rejection of the Bid, Quotation, or Proposal.

IV. CHANGES IN CONSULTANT'S UTILIZATION PLAN

A. A Consultant, during its performance of the Contract, may not change the original MBE or WBE commitments specified in the relevant Utilization Plan, including but not limited to, terminating a MBE or WBE Contract, reducing the scope of the work to be performed by a MBE/WBE, or decreasing the price to a MBE/WBE, except as otherwise provided by the Ordinance and according to the policies and procedures promulgated thereunder.

B. Where a Person listed under the Contract was previously considered to be a MBE or WBE but is later found not to be, or work is found not to be creditable toward the MBE or WBE goals as stated in the Utilization Plan, the Consultant shall seek to discharge the disqualified enterprise, upon proper written notification to the Contract Compliance Director, and make every effort to identify and engage a qualified MBE or WBE as its replacement. Failure to obtain an MBE or WBE replacement within 30 business days of the Contract Compliance Director's written approval of the removal of a purported MBE or WBE may result in the termination of the Contract or the imposition of such remedy authorized by the Ordinance, unless a written Petition for Reduction/Waiver is granted allowing the Consultant to award the work to a Person that is not certified as an MBE or WBE.

V. NON-COMPLIANCE

If the CCD determines that the Consultant has failed to comply with its contractual commitments or any portion of the Ordinance, the policies and procedures promulgated thereunder, or this Exhibit, the Contract Compliance Director shall notify the Consultant of such determination and may take any and all appropriate actions as set forth in the Ordinance or the policies and procedures promulgated thereunder which includes but is not limited to disqualification, penalties, withholding of payments or other remedies in law or equity.

VI. REPORTING/RECORD-KEEPING REQUIREMENTS

The Consultant shall comply with the reporting and record-keeping requirements in the manner and time established by the Ordinance, the policies and procedure promulgated thereunder, and the Contract Compliance Director. Failure to comply with such reporting and record-keeping requirements may result in a declaration of Contract default. Upon award of a Contract, a Consultant shall acquire and utilize all Cook County reporting and record-keeping forms and methods which are made available by the Office of Contract Compliance. MBE and WBE firms shall be required to verify payments made by and received from the prime Consultant.

VII. EQUAL EMPLOYMENT OPPORTUNITY

Compliance with MBE and WBE requirements will not diminish or supplant other legal Equal Employment Opportunity and Civil Rights requirements that relate to Consultant and Subcontractor obligations.

INTRODUCTION

The County of Cook ("County") has a fiduciary responsibility to ensure County resources are used responsibly and that individuals do not incur inappropriate or excessive expenses, or gain financially from the County. As such, all persons who travel on behalf of the County are fiscally responsible and accountable for all County expenditures.

The purpose of the County's travel and business expense policy and procedures is to provide guidelines for payment of authorized travel expenses in an efficient, cost effective manner, and to enable County travelers to successfully execute their local and non-local travel requirements at the lowest reasonable costs, resulting in the best value for the County.

All official travel should be prudently planned so that the County's best interests are served at the most reasonable cost. Anyone traveling on County business is expected to exercise the same economy that a practical person would exercise when traveling on personal business.

Excessive costs or unjustifiable costs are not acceptable and will not be reimbursed. The individual requesting reimbursement is responsible for insuring that his/her expense and related reimbursement request complies with all applicable policies, is properly authorized, and is supported with necessary receipts and documentation.

Supervisors and department heads are accountable for use of County funds and must verify that all travel is budgeted and expenditures are charged to the proper account(s).

These guidelines and procedures described in this policy may not cover every possible situation. Travelers should contact supervisors and/or department heads for clarification as needed.

APPLICABILITY

The Cook County Travel and Business Expense Policy and Procedures, and all associated requirements, applies to all County employees and all County officials, whether elected or appointed, who incur travel or business expenses while conducting official business on behalf of the County.

GENERAL PRINCIPLES AND REQUIREMENTS

The County reimburses authorized travelers for reasonable and necessary expenses incurred in connection with approved travel on its behalf.

A necessary expense is one for which there exists a clear business purpose and is within the County's expense policy limitations. A clear business purpose contains all information necessary to substantiate the expenditure including a list of attendees, if appropriate, and their

purpose for attending, business topics discussed, or how the expenditure benefited the County.

Each county bureau and department is charged with the responsibility for determining the necessity, available resources and justification for the need and the method of travel.

All employees and supervisory staff should keep the following key points in mind when planning and/or approving travel on behalf of the County:

i. All official travel should be planned so that the best interests of the County are served at the most reasonable cost;
ii. All official travel shall be by the most economical mode of transportation available considering travel time, cost and work requirements;
iii. Most travel must be authorized in advance by the traveler's department head;
iv. Each department head is responsible for ensuring that all travel on behalf of the County complies with all applicable travel regulations;
v. Employees must be authorized to commit the County's resources, and are subject to disciplinary action up to and including the termination of employment if proper authorization is not obtained;
vi. All travel authorizations must be documented by the process established within each bureau or department as to how prior authorization for travel will be documented, e.g., travel request form, email;
vii. Under no circumstances should an individual approve his/her own expense report.
viii. Travel related costs shall not be reimbursed from petty cash funds; and
ix. The County will not reimburse personal expenses.

LOCAL TRAVEL

Definitions

"Local travel" means travel that is performed for official purposes in and around the employee's primary work location and does not entitle the traveler to lodging, meals or other travel related allowances.

"Primary work location" means the worksite to which the employee is assigned and reports to when not performing local travel.

Authorized Modes of Transportation for Local Travel

Authorized modes of local transportation for conducting local official County business in preferred order are:

i. Public transportation, i.e., CTA, Pace, Metra
ii. County-owned vehicles, i.e., Shared Fleet or ZipCar;
iii. Taxicabs and ride sharing services; and
iv. Personally owned vehicle.

Local Travel Requirements

Preferred Method of Travel

Public transportation is the preferred method of local travel. However, it is recognized that there are times when this mode of transportation may not be feasible due to location, timing, equipment/materials, and/or security reasons. In such cases, the use of a County-owned or personally owned vehicle ("POV") for local travel may be approved by a department head. Use of a POV for local travel may not be approved solely to accommodate the traveler's personal comfort or convenience.

County-owned vehicles

The following requirements apply to local travel by means of a County-owned vehicle:

i. The department head has determined public transportation is not feasible or practical.
ii. County owned vehicles are to be used only for County business. The use of County-owned vehicles for personal use is prohibited.
iii. Employees must follow the Vehicle Policy Ordinance, and any other rules, regulations or other applicable requirements adopted by the Cook County Board of Commissioners or the Vehicle Steering Committee.

Personally Owned Vehicles

The following requirements apply to the use of a POV for local travel:

i. County employees, with the prior written permission of their department head, may use their POV to conduct official County business. Department heads shall only approve the use of POV for County business when it is in the best interest of the County to do so.
ii. POV use is in the County's best interest when it is the least expensive option or the employee's department head determines in writing that a less expensive mode of transportation is clearly not feasible or practical.
iii. Each bureau (or equivalent operating unit) is responsible for developing a process for approving and documenting the use of a POV for official travel.

A copy of the department head's written approval for each instance of POV use must accompany each request for POV mileage reimbursement and related expenses.

Reimbursement for Local Travel by Public Transportation

Mass Transit and Metra

Local official travel via mass transit, e.g., CTA, PACE, Metra, may be reimbursed as a transportation expense. A receipt is required for reimbursement.

Taxicabs
Employees may utilize a taxicab if advantageous to the County and necessary for urgent business. Reimbursement is limited to the metered fare. Tipping is at the traveler's expense and not reimbursable. A receipt is required for reimbursement.

Uber/Lyft, etc.
Employees may utilize Uber or a similar service if advantageous to the County and necessary for urgent business. In such cases, an employee may only use the service's lowest-cost option, e.g., Uber X. Reimbursement for Uber and similar ride services is limited to the actual cost of the trip. A receipt is required for reimbursement.

Reimbursement for Local Travel by POV

Reimbursement for POV mileage shall be subject to the following terms and conditions:

i. An employee shall not be reimbursed for commuting mileage, i.e., the distance between the employee's residence and the employee' primary work location.
ii. When approved local travel starts and terminates at the employee's primary work location, only the most direct route mileage (using the TEVS mileage calculator) from the primary work location to the site(s) visited and back to the primary work location will be reimbursed. In the event the employee's work day ends at a site, the mileage from the last site to residence shall not be reimbursed.
iii. An employee driving a POV may start and terminate the field assignment at her/his home or official workstation, at the discretion of the department head, provided that where the assignment starts and/or terminates at the employee's home, mileage from residence to first location and last location to residence is deemed commuting mileage and shall not be reimbursed.
iv. The number of County business miles driven per month will be compensated at the standard IRS deduction rate for business related transportation currently in effect and authorized by the Bureau of Administration. IRS mileage rates adjusted midyear will not be made retroactive. The IRS per-mile rate covers the total cost of operating a POV for local travel or transportation away from home, including such items as gasoline, oil, maintenance, repairs, etc.
v. Any travel voucher for POV reimbursement that does not include a copy of the prior authorization for POV travel shall not be processed for payment.

Parking and Tolls

Employees can be reimbursed for parking and toll expenses when using a County owned vehicle or POV for County business. Parking and tolls shall be allowed for reimbursement if items are

supported by receipts.

Local Travel Reimbursement

Local travel expenses are reimbursed by means of a Travel Expense Voucher (TEV) on the Transportation Expense Voucher System (TEVS). A sample TEV is attached at Appendix 1.

All requests for local travel reimbursement must be generated from the TEVS. The Comptroller's Office will not accept handwritten vouchers.

Employees are required to utilize the TEVS for all mileage reimbursement and other transportation expenses associated with local travel including tolls and parking. TEVS automatically calculates the distance for the most direct route between the two points of travel.

All TEV expenses for parking, tolls, taxi, and public transportation costs shall be supported by receipts for all items, individually.

TEVs prepared through the TEVS must be prepared and signed by the employee who has incurred the expense and signed by his/her department head (or a designated representative). The original local travel voucher shall be submitted to the Comptroller's Office and a copy should be retained by the employee and by the department. Falsification of a TEV is considered a major cause infraction subject to disciplinary action up to and including discharge.

The traveler submitting the TEV is personally responsible for its accuracy and propriety. Local travel trip details are to be entered immediately following travel to eliminate possibility of errors. The TEV must be completed in its entirety.

Approval and Submission of Local Transportation Expense Voucher

In order to be eligible for local travel reimbursement, the employee must submit the TEV by no later than the 20th day of the month following the month in which the travel expense was incurred, unless the failure to submit a voucher within the 20 day period is due to extraordinary circumstances.

The local transportation expense voucher shall then be reviewed and approved by the traveler's department head (or a designated representative), or bureau chief (or equivalent) in the case of a department head, whose signature will represent his or her representation that he or she has reviewed the voucher and that the information contained on the voucher is complete and accurate.

Upon approving a TEV, a supervisor and department head (or a designated representative) are certifying:

i. Appropriateness of the expenditure and reasonableness of the amount;
ii. Availability of funds;
iii. Compliance with applicable reimbursement policies; and

iv. Completeness and accuracy of documentation.

A department must submit the TEV to the Comptroller's Office via TEVS by no later than the 60th day after the end of the month in which the travel expense was incurred. An employee who submits a voucher within the 20-day submission period will not be denied reimbursement for failure of his/her department to timely submit the voucher to the Comptroller's office. A copy of the TEV shall be retained by the department.

Any TEV not prepared in accordance with these regulations, including the proper signatures, will be returned to the originator for corrections.

A request for reimbursement of an expense that does not comply with these guidelines may be denied and treated as a personal expense to the traveler and shall be deducted from the reimbursement due the traveler.

NON-LOCAL TRAVEL

The following is not intended to cover routine local travel related to the performance of regular job duties and applies only to official travel that requires an overnight stay.

Before planning non-local travel to attend conferences, meetings, seminars or training sessions, every effort should be made to identify local options for comparable conferences, meetings, seminars or training sessions.

Travelers must verify that planned travel is eligible for reimbursement before making travel arrangements.

Non-local travel connected to and/or funded by a grant (or contract) must be made in accordance with the funding agency's travel requirements. Reimbursement is made at whichever rate is lower, the County's rate or the rate set out in the grant (or contract).

Reasons for Non-Local Travel

The County recognizes the following activities as appropriate for non-local travel purposes:

i. Delivery of legislative testimony:
ii. As a stipulation or condition of grant funding or otherwise required for County or federal certification.
iii. Presentation on behalf of the County at a conference or seminar.
iv. Financial or tax audit.
v. Site visits or operational evaluations related to departmental improvement efforts.
vi. Court proceedings or case preparation.
vii. Law enforcement related investigations.
viii. Attendance at conferences, meetings, seminars or training sessions for which: the topic is of critical interest to the County; representation at the event is in the best interest of the County, and the topic is related to an employee's

professional development.

Non-local travel for any other purpose(s) requires the prior written approval of the traveler's bureau chief (or equivalent).

Limits on Participants

Attendance at conferences, meetings, seminars or training sessions held outside the Chicago Metropolitan Area is limited to two employees unless otherwise approved by the travelers' bureau chief (or equivalent). (The Chicago Metropolitan Area is comprised of Cook County, DuPage County, Kane County, Kendall County, Lake County, McHenry County and Will County.)

Non-Local Travel Approval Procedure

If the County has contracted with a travel management company, all travel arrangements are required to be secured through the County's designated travel management company.

If the County has not contracted with a travel management company, travel arrangements are the responsibility of the traveler(s). In such cases, all travel should be by means of the most direct route and the least costly alternative consistent with the itinerary.

All travel outside the Chicago Metropolitan Area requires bureau chief (or equivalent) approval. A completed Travel Request Form ("TRF") must be approved by the traveler's department head and submitted to the bureau chief (or equivalent) as far in advance as possible, but no later than ten (10) business days prior to the date of non-local travel. A sample TRF is attached at Appendix 2.

Supporting documentation should be attached to the TRF. Supporting documentation includes, but is not limited to:

a. A cover memo from the department head justifying the benefit to the County that will result in the employee attending the conference, meeting, or training, etc.;

b. An agenda; and

c. The estimated travel cost (obtained either from the travel management company or prepared by the traveler, as the case may be).

The County is not obligated to reimburse employees for non-local travel expenses that do not comply with the applicable travel requirements or those not previously approved by the traveler's bureau chief (or equivalent).

All expenses incurred during non-local travel are to be charged to the 190 account.

Non-local travel paid by a third party must adhere to these travel guidelines and the County's Ethic's rules.

Non-local travel shall not be reimbursed from petty cash funds.

Travel Outside the Continental United States (U.S.)

All requests for travel outside the continental U.S. must be submitted to the traveler's executive department head, i.e., the chief administrative officer responsible for the policy and administration of the traveler's department, as far in advance as possible, but not later than fifteen (15) business days prior to travel. The executive department head will seek approval from the President's chief of staff or the chief of staff of the elected official for whom the employee works, as the case may be, and will notify the department of approval or denial.

Travelers should convert all foreign expenses to U.S. currency prior to submitting a Travel Reimbursement Voucher. Official documentation of the exchange rate at the time of travel (i.e., bank receipt) must accompany all original receipts.

First-class and business upgrades are prohibited.

In order to be eligible for reimbursement, the employee must submit the TRV by no later than the 20th day of the month following the month in which the travel expense was incurred, unless the failure to submit a voucher within the 20 day period is due to extraordinary circumstances.

The TRV shall then be reviewed and approved by the traveler's department head (or a designated representative), whose signature will represent his or her representation that he or she has reviewed the voucher and that the information contained on the voucher is complete and accurate.

Upon approving a TRV, a department head (or a designated representative) and supervisors are certifying:

v. Appropriateness of the expenditure and reasonableness of the amount;
vi. Availability of funds;
vii. Compliance with applicable reimbursement policies; and
viii. Completeness and accuracy of documentation.

A department must submit the TRV to the Comptroller's Office by no later than the 60th day after the end of the month in which the travel expense was incurred. Any TRV not prepared in accordance with these regulations, including the proper signatures, will be returned to the originator for corrections.

Electronic Payables Program (“E-Payables”)

OFFICE OF THE COOK COUNTY COMPTROLLER
ELECTRONIC PAYABLES PROGRAM ("E-PAYABLES")

FOR INFORMATION PURPOSES ONLY

This document describes the Office of the Cook County Comptroller's Electronic Payables Program ("E-Payables").

If you wish to participate in E-Payables, please contact the Cook County Comptroller's Office, Accounts Payable, 50 West Washington, Suite CL-25, Chicago, IL 60602 or Epay.Support@cookcountyil.gov.

DESCRIPTION

To increase payment efficiency and timeliness, we have introduced E-Payables program, a new payment initiative to our accounts payable model. This new initiative utilizes a Visa purchasing card and operates through the Visa payment network. This is County's preferred method of payment and your participation in our Visa purchasing card program will provide mutual benefits both to your organization and ours.

As a vendor, you may experience the following benefits by accepting this new payment type:

- Improved cash flow and accelerated payment
- Reduced paperwork and a more streamlined accounts receivable process
- Elimination of stop payment issues
- Reduced payment delays
- Reduced costs for handling paper checks
- Payments settled directly to your merchant account

There are two options within this initiative:

1. **Dedicated Credit Card – "PULL" Settlement**

For this option, you will have an assigned dedicated credit card to be used for each payment. You will provide a point of contact within your organization who will keep credit card information on file. Each time a payment is made, you will receive a remittance advice via email detailing the invoices being paid. Each time you receive a remittance advice, you will process payments in the same manner you process credit card transactions today.

2. **One-Time Use Credit Card – "SUGA" Settlement**

For this option, you will provide a point of contact within your organization who will receive an email notification authorizing you to process payments in the same manner you process credit card transactions today. Each time payment is made, you will receive a remittance advice, via email, detailing the invoices being paid. Also, each time you receive a remittance advice, you will receive a new, unique credit card number. This option is ideal for suppliers who are unable to keep credit card account information on file.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than $25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of $100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

"*Familial relationship*" means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:
