**GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES**  
**COOK COUNTY ORDINANCE CHAPTER 34, DIVISION 8 SECTION 34-260 to SECTION 34-300**

**I. POLICY AND GOALS**

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County Contracts and to eliminate arbitrary barriers for participation in such Contracts by local businesses certified as a Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) as both prime and sub-contractors. In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes annual goals for MBE and WBE participation as outlined below:

Contract Type	Goals	
	MBE	WBE
Goods and Services	25%	10%
Construction	24%	10%
Professional Services	35% Overall	

- B. **The County shall set contract-specific goals, based on the availability of MBEs and WBEs that are certified to provide commodities or services specified in this solicitation document. The MBE/WBE participation goals for each Contract are stated in the Special Conditions.** A Bid, Quotation, or Proposal shall be rejected if the County determines that it fails to comply with this General Condition in any way, including but not limited to: (i) failing to state an enforceable commitment to achieve for this contract the identified MBE/WBE Contract goals; or (ii) failing to include a Petition for Reduction/Waiver, which states that the goals for MBE/WBE participation are not attainable despite the Bidder or Proposer Good Faith Efforts, and explains why. If a Bid, Quotation, or Proposal is rejected, then a new Bid, Quotation, or Proposal may be solicited if the public interest is served thereby.

**GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES**  
**COOK COUNTY ORDINANCE CHAPTER 34, DIVISION 8 SECTION 34-260 to SECTION 34-300 (con't.)**

- C. To the extent that a Bid, Quotation, or Proposal includes a Petition for Reduction/Waiver that is approved by the Office of Contract Compliance, the Contract specific MBE and WBE participation goals may be achieved by the proposed Bidder or Proposer's status as an MBE or WBE; by the Bidder or Proposer's enforceable joint-venture agreement with one or more MBEs and/or WBEs; by the Bidder or Proposer entering into one or more enforceable subcontracting agreements with one or more MBE and WBE; by the Bidder or Proposer establishing and carrying out an enforceable mentor/protégé agreement with one or more MBE and WBE; by the Bidder or Proposer actively engaging the Indirect Participation of one or more MBE and WBE in other aspects of its business; or by any combination of the foregoing, so long as the Utilization Plan evidences a commitment to meet the MBE and WBE Contract goals set forth in (B) above, as approved by the Office of Contract Compliance.
- D. A single Person, as defined in the Procurement Code, may not be utilized as both an MBE and a WBE on the same Contract, whether as a contractor, subcontractor or supplier.
- E. Unless specifically waived in the Bid or Proposal Documents, this General Condition, GC-19; the Ordinance; and the policies and procedures promulgated thereunder shall govern. If there is a conflict between this GC-19 and the Ordinance or the policies and procedures, the Ordinance shall control.
- F. A Contractor's failure to carry out its commitment regarding MBE and WBE participation in the course of the Contract's performance may constitute a material breach of the Contract. If such breach is not appropriately cured, it may result in withholding of payments under the Contract, contractual penalties, disqualification and any other remedy provided for in Division 4 of the Procurement Code at law or in equity.

**II. REQUIRED BID OR PROPOSAL SUBMITTALS**

A Bidder or Proposer shall document its commitment to meeting the Contract specific MBE and WBE participation goals by submitting a Utilization Plan with the Bid or Proposal. The Utilization Plan shall include (1) one or more Letter(s) of Intent from the relevant MBE and WBE firms; and (2) current Letters of Certification as an MBE or WBE. Alternatively, the Bidder or Proposer shall submit (1) a written Petition for Reduction/Waiver with the Bid, Quotation or Proposal, which documents its preceding Good Faith Efforts and an explanation of its inability to meet the goals for MBE and WBE participation. The Utilization Plan shall be submitted at the time that the bid or proposal is due. **Failure to include a Utilization Plan will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.**

A. MBE/WBE Utilization Plan

Each Bid or Proposal shall include a complete Utilization Plan, as set forth on Form 1 of the M/WBE Compliance Forms. The Utilization Plan shall include the name(s), mailing address, email address, and telephone number of the principal contact person of the relevant MBE and WBE firms. If the Bidder or Proposer submits a Bid or Proposal, and any of their subcontractors, suppliers or consultants, are certified MBE or WBE firms, they shall be identified as an MBE or WBE within the Utilization Plan.

1. Letter(s) of Intent

Except as set forth below, a Bid or Proposal shall include, as part of the Utilization Plan, one or more Letter(s) of Intent, as set forth on Form 2 of the M/WBE Compliance Forms, executed by each MBE and WBE and the Bidder or Proposer. The Letter(s) of Intent will be used to confirm that each MBE and WBE shall perform work as a subcontractor, supplier, joint venture, or consultant on the Contract. Each Letter of Intent shall indicate whether and the degree to which the MBE or WBE will provide goods or services directly or indirectly during the term of the Contract. The box for direct participation shall be marked if the proposed MBE or WBE will provide goods or services directly related to the scope of the Contract. The box for Indirect participation shall be marked if the proposed MBE or WBE will not be directly involved in the Contract but will be utilized by the Bidder or Proposer for other services not related to the Contract. Indirect Participation shall not be counted toward the participation goal. Each Letter of Intent shall accurately detail the work to be performed by the relevant MBE or WBE firm, the agreed dollar amount, the percentage of work, and the terms of payment.

**GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES**  
**COOK COUNTY ORDINANCE CHAPTER 34, DIVISION 8 SECTION 34-260 to SECTION 34-300 (con't.)**

**Failure to include Letter(s) of Intent will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.**

All Bids and Proposals must conform to the commitments made in the corresponding Letter(s) of Intent, as may be amended through change orders.

The Contract Compliance Director may at any time request supplemental information regarding Letter(s) of Intent, and such information shall be furnished if the corresponding Bid or Proposal is to be deemed responsive.

This Affidavit form can be downloaded from [www.cookcountyil.gov/contractcompliance](http://www.cookcountyil.gov/contractcompliance).

The Contract Compliance Director may reject the certification of any MBE or WBE on the ground that it does not meet the requirements of the Ordinance, or the policies and rules promulgated thereunder.

The Joint Venture Affidavit shall be submitted with the Bid or Proposal, along with current Letter(s) of Certification.

The Petition for Reduction/Waiver shall be supported by sufficient evidence and documentation to demonstrate the Bidder or Proposer's Good Faith Efforts in attempting to achieve the applicable MBE and WBE goals, and its inability to do so despite its Good Faith Efforts.

**Failure to include Petition for Reduction/Waiver will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.**

**III. REDUCTION/WAIVER OF MBE/WBE GOALS**

4. Petition for Reduction/Waiver based upon factors including but not limited to: (a) whether sufficient qualified MBE and WBE firms are unavailable despite good faith efforts on the part of the Bidder or Proposer; (b) the degree to which specifications and the reasonable and necessary requirements for performing the Contract make it impossible or economically infeasible to divide the Contract into sufficiently small tasks or quantities so as to enable the Bidder or Proposer to utilize MBE and WBE firms in accordance with the applicable goals; (c) the degree to which the prices or prices required by any potential MBE or WBE are more than 10% above competitive levels; and (d) such other factors as are determined relevant by the Contract Compliance Director or the duly authorized Waiver Committee.

Where a Person listed under the Contract was previously considered to be a MBE or WBE but is later found not to be, or work is found not to be creditable toward the MBE or WBE goals as stated in the Utilization Plan, the Contractor shall seek to discharge the disqualified enterprise, upon proper written notification to the Contract Compliance Director, and make every effort to identify and engage a qualified MBE or WBE as its replacement. Failure to obtain an MBE or WBE replacement within 30 business days of the Contract Compliance Director's written approval of the removal of a purported MBE or WBE may result in the termination of the Contract or the imposition of such remedy authorized by the Ordinance, unless a written Petition for Reduction/Waiver is granted allowing the Contractor to award the work to a Person that is not certified as an MBE or WBE.

**V. NON-COMPLIANCE**

If the CCD determines that the Contractor has failed to comply with its contractual commitments or any portion of the Ordinance, the policies and procedures promulgated thereunder, or this GC-19, the Contract Compliance Director shall notify the Contractor of such determination and may take any and all appropriate actions as set forth in the Ordinance or the policies and procedures promulgated thereunder which includes but is not limited to disqualification, penalties, withholding of payments or other remedies in law or equity.

Failure to comply with such reporting and record-keeping requirements may result in a declaration of Contract default. Upon award of a Contract, a Contractor shall acquire and utilize all Cook County reporting and record-keeping forms and methods which are made available by the Office of Contract Compliance. MBE and WBE firms shall be required to verify payments made by and received from the prime contractor.

The following provisions apply to all Contracts which are funded in whole or in part with federal funds.

1. Interest of Members of or Delegates to the United States Congress

In accordance with 41 U.S.C. § 22, the Contractor agrees that it will not admit any member of or delegate to the United States Congress to any share or part of the Contract or any benefit derived therefrom.

2. False or Fraudulent Statements and Claims

(a) The Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended, 49 U.S.C. §§ 3081 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the Contract. Accordingly, by signing the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make pertaining to the Contract, including without limitation any invoice for its services. In addition to other penalties that may be applicable, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the Contractor to the extent the Federal Government deems appropriate.

- (b) The Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the County or Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.

3. Federal Interest in Patents

- (a) General. If any invention, improvement, or discovery of the Contractor is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor agrees to notify County immediately and provide a detailed report.
- (b) Federal Rights. Unless the Federal Government later makes a contrary determination in writing, the rights and responsibilities of the County, Contractor, and the Federal Government pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Unless the Federal Government later makes a contrary determination in writing, the Contractor agrees that, irrespective of its status or the status of any subcontractor at any tier (e.g., a large business, small business, non-profit organization, institution of higher education, individual), the Contractor agrees it will transmit to the Federal Government those rights due the Federal Government in any invention resulting from the contract.

4. Federal Interest in Data and Copyrights

- (a) Definition. The term "subject data" used in this section means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. Examples include, but are not limited, to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to Contract administration.
- (b) Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the Contract. Except as provided in the Contract and except for its own internal use, the Contractor may not publish or publicly reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the written consent of the County and the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.
- (c) Federal Rights in Data and Copyrights. In accordance with subparts 34 and 36 of the Common Rule, the County and the Federal Government reserve a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for County or Federal Government purposes, the types of subject data described below. Without the copyright owner's consent, the County and Federal Government may not extend their license to other parties.
  - (1) Any subject data developed under the contract or subagreement financed by a federal Grant Agreement or Cooperative Agreement, whether or not a copyright has been obtained; and
  - (2) Any rights of copyright which the Contractor purchases ownership with Federal assistance.
- (d) Special Federal Rights for Planning Research and Development Projects. When the Federal Government provides financial assistance for a planning, research, development, or demonstration project, its general intention is to increase public knowledge, rather than limit the benefits of the project to participants in the project. Therefore, unless the Federal Government determines otherwise, the Contractor on a planning, research, development, or demonstration project agrees that, in addition to the rights in data and copyrights set forth above, the County or Federal

Government may make available to any third party either a license in the copyright to the subject data or a copy of the subject data. If the project is not completed for any reason whatsoever, all data developed under the project will become subject data and will be delivered as the County or Federal Government may direct. This subsection, however, does not apply to adaptations of automatic data processing equipment or previously existing software programs for the County's use whose costs are financed with Federal transportation funds for capital projects.

- (e) **Hold Harmless.** Unless prohibited by state law, upon request by the County or the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the County and the Federal Government and their officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Contract. The Contractor will not be required to indemnify the County or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the County or Federal Government.
- (f) **Restrictions on Access to Patent Rights.** Nothing contained in this section on rights in data will imply a license to the County or Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the County or Federal Government under any patent.
- (g) **Application on Materials Incorporated into Project.** The requirements of Subsections 2, 3, and 4 of this Section do not apply to material furnished by the County and incorporated into the work.

5. Records and Audits

Contractor will deliver or cause to be delivered all documents (including but not limited to all Deliverables and supporting data, records, graphs, charts and notes) prepared by or for the County under the terms of this Agreement to the County promptly in accordance with the time limits prescribed in this Contract, and if no time limit is specified, then upon reasonable demand therefor or upon termination or completion of the Services hereunder. In the event of the failure by the Contractor to make such delivery, then and in that event, the Contractor will pay to County reasonable damages the County may sustain by reason thereof.

The County and the Federal Government will have the right to audit all payments made to the Contractor under this Agreement. Any payments to the Contractor which exceed the amount to which the Contractor is entitled under the terms of this Agreement will be subject to set-off.

The Contractor will keep and retain records relating to this Agreement and will make such records available to representatives of the County and the Federal Government, including without limitation the sponsoring federal agency, other participating agencies, and the Comptroller General of the United States, at reasonable times during the performance of this Agreement and for at least five years after termination of this Agreement for purposes of audit, inspection, copying, transcribing and abstracting.

No provision in this Agreement granting the County or the Federal Government a right of access to records is intended to impair, limit or affect any right of access to such records which the County or the Federal Government would have had in the absence of such provisions.

6. Environmental Requirements

The Contractor recognizes that many Federal and state laws imposing environmental and resource conservation requirements may apply to the Contract. Some, but not all, of the major Federal Laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation

and Recovery Act, as amended, 42 U.S.C. §§ 6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. The Contractor also recognizes that U.S. EPA, U.S. DOT and other agencies of the Federal Government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Contract. Thus, the Contractor agrees to adhere to, and impose on its subcontractors, any such Federal requirements as the Federal Government may now or in the future promulgate. Listed below are requirements of particular concern.

The Contractor acknowledges that this list does not constitute the Contractor's entire obligation to meet all Federal environmental and resource conservation requirements. The Contractor will include these provisions in all subcontracts.

- (a) Environmental Protection. The Contractor agrees to comply with the applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq. in accordance with Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 59 Fed. Reg. 7629, Feb. 16, 1994; U.S. DOT statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Part 1500 et seq.; and U.S. DOT regulations, "Environmental Impact and Related Procedures," 23 C.F.R. Part 771 and 49 C.F.R. Part 622.
- (b) Air Quality. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Specifically, the Contractor agrees to comply with applicable requirements of U.S. EPA regulations, "Conformity to State of Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.
- (c) Clean Water. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et seq. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.
- (d) List of Violating Facilities. The Contractor agrees that any facility to be used in the performance of the Contract or to benefit from the Contract will not be listed on the U.S. EPA List of Violating Facilities ("List"), and the Contractor will promptly notify the County if the Contractor receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.
- (e) Preference for Recycled Products. To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of the work, the Contractor agrees to use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 C.F.R. Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962.

7. No Exclusionary or Discriminatory Specifications

Apart from inconsistent requirements imposed by Federal statute or regulations, the Contractor agrees that it will comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any Federal assistance to support subcontracts procured using exclusionary or discriminatory specifications.

8. Cargo Preference - Use of United States Flag Vessels

The Contractor agrees to comply with U.S. Maritime Administration regulations, "Cargo-Preference -- U.S. Flag Vessels," 49 C.F.R. Part 381, and to include the clauses required by those regulations, modified as necessary to identify the affected parties, in each subcontract or subagreement involving equipment, materials, or commodities suitable for transport by ocean vessel.

9. Fly America

Section 14.c of the Master Agreement states that if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air, the contract must require Contractors and subcontractors at every tier to use U.S.-flag air carriers, to the extent service by these carriers is available. 49 U.S.C. 40118 and 4 C.F.R. Part 52.

10. No Federal Government Obligations to Third Parties

The Contractor agrees that, absent the Federal Government's express written consent, the Federal Government will not be subject to any obligations or liabilities to any contractor or any other person not a party to the Grant Agreement or Cooperative Agreement between the County and the Federal Government which is a source of funds for this Contract. Notwithstanding any concurrence provided by the Federal Government in or approval of any solicitation, agreement, or contract, the Federal Government continues to have no obligations or liabilities to any party, including the Contractor.

11. Allowable Costs

Notwithstanding any compensation provision to the contrary, the Contractor's compensation under this Contract will be limited to those amounts which are allowable and allocable to the Contract in accordance

with OMB Circular A-87 and the regulations in 49 C.F.R. Part 18. To the extent that an audit reveals that the Contractor has received payment in excess of such amounts, the County may offset such excess payments against any future payments due to the Contractor and, if no future payments are due or if future payments are less than such excess, the Contractor will promptly refund the amount of the excess payments to the County.

12. Trade Restrictions

Contractor certifies that neither it nor any Subcontractor:

- (a) is owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
- (b) has knowingly entered into any contract or subcontract with a person that is a citizen or national of a foreign country on said list, nor is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- (c) will procure, subcontract for, or recommend any product that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no Notice-to-Proceed will be issued to an entity who is unable to certify to the above. If Contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the USDOT may direct, through the County, cancellation of the Contract at no cost to the Government.

Further, Contractor agrees that it will incorporate this provision for certification without modification in each subcontract. Contractor may rely on the certification of a prospective Subcontractor unless it has knowledge that the certification is erroneous. Contractor will provide immediate written notice to the County if it learns that its certification or that of a Subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. Each Subcontractor must agree to provide written notice to Contractor if

at any time it learns that its certification was erroneous by reason of changed circumstances. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision.

The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 100.

13. Contract Work Hours and Safety Standards Act

If applicable according to their terms, the Contractor agrees to comply and assures compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 333, and implementing U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5; and U.S. DOL regulations, "Safety and Health Regulations for Construction," 29 C.F.R. Part 1926. In addition to other requirements that may apply:

- (a) In accordance with section of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 327 through 332, the Contractor agrees and assures that, for the Contract, the wages of every mechanic and laborer will be computed on the basis of a standard work week of 40 hours, and that each worker will be compensated for work exceeding the standard work week at a rate of not less than 1.5 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The Contractor agrees that determinations pertaining to these requirements will be made in accordance with applicable U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Nonconstruction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5.
- (b) In accordance with section 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. § 333, the contractor agrees and assures that no laborer or mechanic working on a construction contract will be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to his or her health and safety, as determined in accordance with U.S. DOL regulations, "Safety and Health Regulations for Construction," 29 C.F.R. Part 1926.

14. Veteran's Preference

In the employment of labor (except in executive, administrative, and supervisory positions), preference will be given to Vietnam-era veterans and disabled veterans. However, this preference may be given only where individuals are available and qualified to perform the work to which employment relates.

15. Copyright Ownership

Consultant and the County intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the County's instance and expense pursuant to this Agreement are conclusively deemed "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 et seq. (the "Copyright Act"), and that the County will be the copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist.

To the extent that any Deliverable does not qualify as a "work made for hire," Consultant irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the County, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the County under this Agreement, free and clear of any liens, claims or other

encumbrances, to the fullest extent permitted by law. Consultant will execute all documents and perform all acts that the County may reasonably request in order to assist the County in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the County.

Consultant warrants to County, its successors and assigns, that on the date of transfer Consultant is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Consultant further warrants that it has not assigned any copyrights nor granted any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Consultant warrants and represents that the Deliverables are complete and comprehensive, and the Deliverables are a work of original authorship.

16. Accessibility Compliance

If this Agreement involves design for construction, the Consultant warrants that all design documents produced or utilized under this Agreement and all construction or alterations undertaken under this Agreement will comply with all federal, state and local laws and regulations regarding accessibility standards for persons with disabilities or environmentally limited persons including, but not limited to, the following: the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 et seq. and the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("ADAAG"); the Architectural Barriers Act, Pub. L. 90-480 (1968), and the Uniform Federal Accessibility Standards ("UFAS"); and the Illinois Environmental Barriers Act, 410 ILCS 25/1 et seq., and all regulations promulgated thereunder, see Illinois Administrative Code, Title 71, Chapter 1, Section 400.110. If the above standards are inconsistent, the Consultant must comply with the standard providing the greatest accessibility. Also, the Consultant must, prior to construction,

review the plans and specifications to insure compliance with the above referenced standards. If the Consultant fails to comply with the foregoing standards, the Consultant must perform again, at no expense, all services required to be re-performed as a direct or indirect result of such failure.

17. Visual Rights Act Waiver

The Consultant/Contractor waives any and all rights that may be granted or conferred under Section 106A and Section 113 of the United States Copyright Act, (17 U.S.C. § 101 et seq.) (the "Copyright Act") in any work of visual art that may be provided pursuant to this Agreement. Also, the Consultant/Contractor represents and warrants that the Consultant/Contractor has obtained a waiver of Section 106A and Section 113 of the Copyright Act as necessary from any employees and subcontractors, if any.

18. Equal Employment Opportunity

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

To Whom It May Concern:

YWCA Metropolitan Chicago (YWCA), a nonprofit social enterprise committed to eliminating racism and empowering women, is the oldest and largest women's organization in the region, offering services to the community for over 40 years.

YWCA recognizes that the health of our communities relies on three critical priorities for women and families: (1) Achieving Freedom from Violence, (2) Accessing Quality Education and Training and (3) Obtaining Economic Sustainability. Through our many programs and services, we work to address these issues locally and seek to be a global role model for assisting women and families. For more than 40 years, YWCA Metropolitan Chicago has been a leader and convener in the field of sexual violence advocacy, prevention and treatment and is the largest provider of comprehensive sexual assault services for adults and children in Illinois. Serving the city of Chicago, South Suburban Cook County, and DuPage County, we deliver a comprehensive victim-centered approach - offering a network of support services to help women, children, and significant others recover from their traumatic experience. The YWCA operates the Chicago Rape Crisis Hotline. Highly trained staff and volunteers are available 24-hours a day, 7 days a week to provide empowerment-model crisis intervention and referrals to a network of support services for survivors.

YWCA is the proposed victim advocacy partner for the Consent Clinic program and was written into the FY 2023 Improving Criminal Justice Response (ICJR) Program. Through funding from the FY 2023 ICJR Program (CFDA # 16.590), the Cook County State's Attorney's Office will be subcontracting with YWCA in the amount of \$222,426.00 for a period of the date of awarded contract to September 30, 2026. The CCSAO will reimburse YWCA monthly who will provide two part time victim advocates responsible for providing in person support to victims of sexual assault where there are issues of consent.

The funds will be allocated to support two part-time sexual assault victim advocates who are 100% dedicated to the program and will provide victim advocacy services for sexual assault victims. The advocates will: 1) provide in-person support to victims during detective interviews; 2) provide in-person support to victims during meetings with the ASA handling the review of their case; 3) provide in-person support to victims/families whose cases are being prosecuted in

criminal court; 4) work with ASA and Victim Witness to ensure communication of important case updates and court proceedings; 5) work with victims/families whose cases have not been accepted for prosecution to access other legal and supportive remedies; and 6) provide support services to victims of sexual assault including safety planning, explanation of court proceedings, advocacy with employers/landlords/schools/various social service agencies, and referrals to other community services that victims may need. Funds will also be allocated for local travel and indirect costs.

Below is the breakdown of the funding for the program period:

<b>Budget Category</b>	<b>Total Costs through 9/30/2026</b>
Salaries/fringes	\$191,435
Travel	\$5,751
Indirect Costs	\$25,240
<b>Total</b>	<b>\$222,426</b>

Under this subcontract, in addition to responsibilities detailed in the program narrative and subcontract budget, YWCA agrees to 1) submit biannual data reports on or before the 5<sup>th</sup> on the month reports are due; 2) submit monthly billing on or before the 5<sup>th</sup> of each month for the previous month's grant spending, including backup materials; and 3) comply with subrecipient site visits conducted by the SAO.

YWCA Metropolitan Chicago has the capacity to carry out this program. The YWCA's Finance Department includes a CFO, Controller, Grant Accountant, Payroll and Benefits Administrator and an Account Manager which handle responsibilities including A/P Processing, Cash Applications, Monthly Funder billing, and other activities. As an organization with a \$44+ million budget, appropriate segregation of duties and internal controls exists. A separate cost center will be created in our General Ledger system (Blackbaud/Financial Edge) to track program income and expenditures, including payroll, for the program. In addition, YWCA Metropolitan Chicago has vast experience managing government contracts. Our major contracts for FY23, totaling at \$32,856,397, include:

- U.S. Department of Health and Human Services – Head Start, Early Head Start
- Illinois Coalition Against Sexual Assault – VAWA Protection and VOCA RISE

The YWCA is confident that we will carry out the program with integrity and meet the fiscal requirements for this award.

Sincerely,

ELECTRONIC PAYABLES PROGRAM ("E-PAYABLES")

**OFFICE OF THE COOK COUNTY COMPTROLLER  
ELECTRONIC PAYABLES PROGRAM (“E-PAYABLES”)**

**FOR INFORMATION PURPOSES ONLY**

**This document describes the Office of the Cook County Comptroller’s Electronic Payables Program (“E-Payables”).**

**If you wish to participate in E-Payables, please contact the Cook County Comptroller’s Office, Accounts Payable, 118 N. Clark Street, Room 500, Chicago, IL 60602.**

**DESCRIPTION**

To increase payment efficiency and timeliness, we have introduced E-Payables program, a new payment initiative to our accounts payable model. This new initiative utilizes a Visa purchasing card and operates through the Visa payment network. This is County’s preferred method of payment and your participation in our Visa purchasing card program will provide mutual benefits both to your organization and ours.

As a vendor, you may experience the following benefits by accepting this new payment type:

- Improved cash flow and accelerated payment
- Reduced paperwork and a more streamlined accounts receivable process
- Elimination of stop payment issues
- Reduced payment delays
- Reduced costs for handling paper checks
- Payments settled directly to your merchant account

There are two options within this initiative:

**1. Dedicated Credit Card – “PULL” Settlement**

For this option, you will have an assigned dedicated credit card to be used for each payment. You will provide a point of contact within your organization who will keep credit card information on file. Each time a payment is made, you will receive a remittance advice via email detailing the invoices being paid. Each time you receive a remittance advice, you will process payments in the same manner you process credit card transactions today.

**2. One-Time Use Credit Card – “SUGA” Settlement**

For this option, you will provide a point of contact within your organization who will receive an email notification authorizing you to process payments in the same manner you process credit card transactions today. Each time payment is made, you will receive a remittance advice, via email, detailing the invoices being paid. Also, each time you receive a remittance advice, you will receive a new, unique credit card number. This option is ideal for suppliers who are unable to keep credit card account information on file.

**I. Responsibilities of Employees, Management, and County Officials**

Employees and Officials requesting Necessary Business Expense reimbursements are responsible for ensuring that the reimbursement request is truthful and accurate, complies with all applicable policies, is properly authorized before the expense is incurred, and is supported by the required receipts and documentation. Strict conformance with this policy is required to ensure eligibility for reimbursement when incurring expenses on behalf of the County and/or requesting expense reimbursements. Fraudulent or improper submissions for reimbursement may lead to disciplinary action or ethics fines/penalties. In addition, using or attempting to use this expense reimbursement policy when an Employee or Official should be using the Procurement Code process to purchase items or services on behalf of the County may lead to the expense being ineligible for reimbursement.

Moreover, any Employee or Official who receives an unauthorized or an erroneously issued reimbursement payment from the County, must immediately return such payment within thirty (30) days from the time the Employee or Official has become aware of the unauthorized or erroneous reimbursement or notice from the Comptroller’s Office or the Budget Office. Failure to comply with this provision will result in disciplinary or other appropriate action depending on the Employee(s) or Officials(s) involved and the specific circumstances. In the event repayment is made by an Employee or Official through payroll deduction, the Comptroller’s Office will handle in accordance with its procedures for payroll deductions.

Strict adherence to the County’s Code of Ethical Conduct and Office of the Independent Inspector General Ordinance is required. Expenditures that do not comply with the County’s Ethics Ordinance or Office of the Independent Inspector General Ordinance and this policy shall be denied and may be referred to the Board of Ethics or Inspector General for investigation. For example, expenditures made in connection with “prohibited political activity,” as defined in section 2-562 of the Cook County Code, shall not be reimbursed.

Each Appropriate Authorizing Party is responsible for ensuring that all expenditures made on behalf of the County comply with all applicable policies. Additionally, each Appropriate Authorizing Party is accountable for the appropriate use of County funds and must verify that all Necessary Business Expenses are budgeted and charged to the proper account(s). In addition, before approving any expense reimbursement, the Authorizing Party must ensure that the requesting Employee or Official received pre-authorization to incur the expense where required, the expense is legitimate, properly documented, and, if proper procedures are not followed, not approving the reimbursement request. Failure to adhere to these

obligations may result in appropriate corrective action, including but not limited to disciplinary action, depending on the Employees(s) or Official(s) involved and the specific circumstances.

The Chief Financial Officer has designated the Director of Budget and Management Services to monitor County practices to ensure compliance with, and answer questions concerning, the information presented in this policy.

**J. Policy and Procedures**

1. General. The County has a fiduciary responsibility to ensure County resources are used responsibly and that Employees and Officials do not incur inappropriate or excessive expenses or gain financially from the County. Necessary Business Expenses will be reimbursed in accordance with IRS guidelines and with the provisions of this policy, provided there is sufficient funding for this purpose in the Department’s budget and doing so would not circumvent the Cook County Procurement Code. A Necessary Business Expense must have a clear and legitimate business purpose. All out of country travel-related expenditures will conform to the IRS guidelines and the U.S. General Services Administration whenever possible. See, <https://www.gsa.gov/travel-resources>. Where compliance with IRS and the U.S. General Services Administration guidelines cannot be met, approval of such expense must be documented by the Appropriate Authorizing Party. Excessive costs or unjustifiable costs are not acceptable and will not be reimbursed.

- (a) *Appropriated Funding*. Expenditures shall be charged to the appropriate account of the department incurring the expense, as designated in the department’s annual appropriation.
- (b) *Grant requirements*. Expenditures connected to and/or funded by a grant (or contract) shall be made in accordance with the grantor’s requirements, and reimbursement will be made at the rate specified by the grant (or contract), or if no specified rate, at the County’s rate defined by this policy.
- (c) *Appropriate Authorizing Party*. Necessary Business Expenses using the Pre-Authorization Form must be submitted for pre-authorization to the Requester’s:

**FAMILIAL RELATIONSHIP DISCLOSURE PROVISION**

**Neotism Disclosure Requirement:**

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

**Additional Definitions:**

<b>Project Description:</b> Improving Criminal Justice Responses to Domestic Violence, Dating Violence, Sexual Assault, and Stalking Grant Program is authorized by 34 U.S.C. §§ 10461-10465 and implemented through regulations at 28 C.F.R. Part 90, Subpart D. The program fosters victim safety and offender accountability in cases of domestic violence, dating violence, sexual assault, and stalking by encouraging state, local, and tribal governments and courts to work collaboratively with community partners to identify problems and share ideas that will result in effectively responding to these crimes. An integral component of this program is the development, revitalization, or enhancement of a coordinated community response that brings together criminal justice agencies, victim services providers, and community-based organizations that respond to domestic violence, dating violence, sexual assault, and stalking.  The grantee, in collaboration with its project partners, will use this continuation award to continue improving the jurisdiction's criminal justice system response to domestic violence, dating violence, sexual assault, and stalking. Specifically, the project will: 1) implement activities focused on victim safety and offender accountability; 2) participate in mandated OVW training and technical assistance; and 3) work toward sustainability of project activities.  Through this continuation Grant to Improve the Criminal Justice Response project, the County of Cook, in partnership with the victim service provider the Young Women's Christian Association of Metropolitan Chicago, will implement a project addressing the following purpose areas: 5 and 19. Specific activities will include: 1) establishing the Consent Clinic to strengthen the investigation and prosecution of sexual assault cases with issues of consent in Chicago; 2) creating a unified structure for Chicago Police Department and State Attorney's Office to refer sexual assault victims to victim advocacy agencies earlier in the criminal justice process; 3) providing sexual assault victims with a process that does not re-traumatize them throughout the investigation and prosecution of their case; and 4) increasing criminal justice advocacy service hours and trauma-informed support services provided to sexual assault victims in Chicago.	

## Award Letter

September 27, 2023

Dear Toni Preckwinkle,

On behalf of Attorney General Merrick B. Garland, it is my pleasure to inform you the Office on Violence Against Women (OVW) has approved the application submitted by COOK, COUNTY OF for an award under the funding opportunity entitled 2023 OVW Fiscal Year 2023 Grants to Improve the Criminal Justice Response - Solicitation. The approved award amount is \$800,000.

Review the Award Instrument below carefully and familiarize yourself with all conditions and requirements before accepting your award. The Award Instrument includes the Award Offer (Award Information, Project Information, Financial Information, and Award Conditions) and Award Acceptance. For COPS Office and OVW funding the Award Offer also includes any Other Award Documents.

Please note that award requirements include not only the conditions and limitations set forth in the Award Offer, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. These requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds). Therefore, all key staff should receive the award conditions, the assurances and certifications, and the application as approved by OVW, so that they understand the award requirements. Information on all pertinent award requirements also must be provided to any subrecipient of the award.

Should you accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Prior to accepting the award, your Entity Administrator must assign a Financial Manager, Grant Award Administrator, and Authorized Representative(s) in the Justice Grants System (JustGrants). The Entity Administrator will need to ensure the assigned Authorized Representative(s) is current and has the legal authority to accept awards and bind the entity to the award terms and conditions. To accept the award, the Authorized Representative(s) must accept all parts of the Award Offer in the Justice Grants System (JustGrants), including by executing the required declaration and certification, within 45 days from the award date.

To access your funds, you will need to enroll in the Automated Standard Application for Payments (ASAP) system, if you haven't already completed the enrollment process in ASAP. The Entity Administrator should have already received an email from ASAP to initiate this process.

Congratulations, and we look forward to working with you.

**Office for Civil Rights Notice for All Recipients**

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973, require recipients of federal financial assistance to give assurances that they will comply with those laws. Taken together, these civil rights laws prohibit recipients of federal financial assistance from DOJ from discriminating in services and employment because of race, color, national origin, religion, disability, sex, and, for grants authorized under the Violence Against Women Act, sexual orientation and gender identity. Recipients are also prohibited from discriminating in services because of age. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>.

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria.

These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a nondiscriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5).

The OCR is available to help you and your organization meet the civil rights requirements that are associated with DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to contact the OCR at askOCR@ojp.usdoj.gov.

## Award Conditions

**This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.**

1

Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period - may result in the Office on Violence Against Women (OVW) taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2

Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The recipient agrees to comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the Department of Justice (DOJ) in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements"), and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. The recipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

### 3

#### Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify OVW in writing of the potential duplication, and, if so requested by OVW, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

### 4

#### Requirements related to System for Award Management and unique entity identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining current information in SAM.

The recipient also must comply with applicable restrictions on subawards (subgrants) to first-tier subrecipients (subgrantees), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier assigned by SAM.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Requirements related to System for Award Management (SAM) and unique entity identifiers), and are incorporated by reference here.

### 5

#### Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any subrecipient at any tier) must have written procedures in place to respond in the event of an actual or imminent breach (as defined in OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of personally identifiable information (PII) (as defined in 2 C.F.R. 200.1) within the scope of an OVW grant-funded program or activity, or 2) uses or operates a Federal information system (as defined in OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OVW Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

### 6

#### Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OVW authority to terminate award)

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients (subgrantees), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Prohibited conduct by recipients and

subrecipients related to trafficking in persons (including reporting requirements and OVW authority to terminate award)), and are incorporated by reference here.

## 7

### Determinations of suitability to interact with participating minors

This condition applies to this award if it is indicated in the application for the award (as approved by DOJ) (or in the application for any subaward at any tier), the DOJ funding announcement (solicitation), or an associated federal statute that a purpose of some or all of the activities to be carried out under the award (whether by the recipient or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

## 8

### Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

## 9

### OVW Training Guiding Principles

The recipient understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OVW Training Guiding Principles for Grantees and Subgrantees, available at <https://www.justice.gov/ovw/resources-and-faqs-grantees#Discretionary>.

## 10

### Effect of failure to address audit issues

The recipient understands and agrees that OVW may withhold award funds, or may impose other related requirements, if (as determined by OVW) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

## 11

### Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by OVW during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

## 12

### Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal

employment opportunity program.

## 13

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient (subgrantee) organizations that engage in or conduct explicitly religious activities.

## 14

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

## 15

Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds may not be used by the recipient, or any subrecipient (subgrantee) at any tier, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, in order to avoid violation of 18 U.S.C. 1913. The recipient, or any subrecipient (subgrantee) may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

## 16

Compliance with general appropriations-law restrictions on the use of federal funds for this fiscal year

The recipient, and any subrecipient (subgrantee) at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OVW for guidance, and may not proceed without the express prior written approval of OVW.

## 17

Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient and any subrecipients (subgrantees) must promptly refer to the DOJ Office of the Inspector General

(OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards (subgrants), procurement contracts, or both--

a. it represents that--

## 19

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact OVW for guidance.

## 20

### Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients (subgrantees) to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

## 21

If the recipient is designated high risk by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OVW by email to [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov). For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: (1) the federal awarding agency that currently designates the recipient high risk; (2) the date the recipient was designated high risk; (3) the high-risk point of contact at that federal awarding agency (name, phone number, and email address); and (4) the reasons for the high-risk status, as set out by the federal awarding agency.

## 22

### Availability of general terms and conditions on OVW website

The recipient agrees to follow the applicable set of general terms and conditions that are available at <https://www.justice.gov/ovw/award-conditions>. These do not supersede any specific conditions in this award document.

## 23

### Compliance with statutory and regulatory requirements

Reports must be submitted throughout the project period, even if no funds were spent and no activities were conducted in a given reporting period. Delinquent reports may affect future discretionary award decisions and may lead to suspension and/or termination of the award.

The information that must be collected and reported to OVW can be found in the reporting form associated with the grant program or initiative under which this award was made. Performance progress reports must be submitted within 30 days after the end of the reporting periods, which are January 1 - June 30 and July 1 - December 31. Without prior approval from OVW, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to the OVW award, the recipient must seek approval from its program manager via a budget modification Grant Award Modification (GAM) prior to generating any program income. Any program income added to the federal award must be used to support activities that were approved in the budget and follow the conditions of the OVW award. Any program income approved via budget modification GAM must be reported in the recipient's quarterly Federal Financial Report SF-425 in accordance with the addition alternative. EXHIBIT XI  
PROJECT NARRATIVE

**Purpose of Application**

**1. Communities to be served, including location and populations:** The proposed project will serve sexual assault victims in the city of Chicago, Illinois. The U.S. Census estimates that in 2021 there were over 2.7 million residents of the city of Chicago. Chicago boasts residents of diverse racial, ethnic, religious, and socioeconomic backgrounds. Census data estimates for 2021 show that Chicago’s population is: 33% White, 29% Black, 29% Hispanic, 7% Asian, 7% from a mixed background, and .5% are American Indian. Almost 13% of Chicago residents are age 65 or older. Most Chicagoans speak English as their first language; however, about one third of Chicago residents speak a language other than English at home. Current socioeconomic figures indicate over 17% of residents live below the poverty level. Data from the Chicago Department of Public Health estimates that about 7.5% of Chicago’s population identify as LGBTQ.

**2. Service area of project:** The proposed program will be implemented in the City of Chicago, located within Cook County, Illinois. The City of Chicago includes 77 community areas covering over 234 square miles. According to data from the Chicago Police Department (CPD), there were over 1,648 incidents of sexual assault in 2021, more than a 10% increase from the previous year. See attached service area map of Chicago.

**3. Need faced by the community:** Many rape victims never report their crime to the police, but those that do report too often find an unfriendly criminal justice system that can discourage cooperation and engagement with the system from the first interview through disposition. For example, rape victims are often interviewed multiple times throughout the police investigation, during the prosecuting agency’s charging decision process, and at various stages of the criminal prosecution. The neurobiology of trauma principles explains that a victim of a traumatic event such as rape should not be interviewed immediately after the event, and that initial and

subsequent interviews can trigger the same trauma and stress as the rape itself. Throughout the investigation of the case, detectives often must present the case to multiple prosecutors, each time requiring the new prosecutor to be brought up to speed on the case and having different ideas about if/how the case should move forward and what/whether additional evidence is needed. Furthermore, when cases are not criminally charged, victims may not understand a detective’s explanation about a prosecutor’s reason for not being able to file charges. This cumbersome and unpredictable felony review process can be re-traumatizing to victims and inhibit their willingness to be re-interviewed.

According to findings from the National Intimate Partner and Sexual Violence Survey, one in three women in the United States experience some form of contact sexual violence in their lifetime. Most recent data from the CPD Annual Reports show the incidents of reported criminal sexual assault in Chicago increased by over 10% from 2020 to 2021.<sup>1</sup> The numbers below, while showing much lower rates of sexual assault in 2020, begin to increase again as COVID-19 restrictions lifted in Chicago.

	<u>2018</u>	<u>2019</u>	<u>2020</u>	<u>2021</u>
<i>Rape offense statistics in Chicago:</i>	1,841	1,761	1,493	1,648

Despite the gradual decrease in sexual assaults reported, there remains an alarming number of victims each year. Additionally: Over 70% of rape victims were known to their attackers; 50% of all acquaintance rapes involve alcohol consumption by the offender, victim, or both; and 90% of rape victims who knew their attackers did not report the attack to police.<sup>2</sup> Sexual assault cases involving issues of consent are the most difficult to investigate, charge, and prosecute. There are four types of consent issues that come up when dealing with certain sexual assaults that this

<sup>2</sup> By the Numbers: Sexual Violence Statistics, Illinois Coalition Against Sexual Assault.

project will address: 1) drug and alcohol induced, 2) mentally/intellectually disabled, 3) professional setting (i.e., doctor, masseuse, teacher, etc.), and 4) victim consents initially, but then withdraws consent and defendant does not stop.

These types of consent cases can be very difficult to charge and prosecute successfully because there often are no witnesses to the crime and if physical evidence exists at all, it can be equally indicative to both consensual and non-consensual events. Given the high statistics of how many rape victims know their attackers, it is not uncommon for the rape report to be delayed, for victims to question if what happened to them was rape, and for family and friends to take sides on whom to believe. These factors can leave a rape victims feeling very isolated and can prevent attackers from being held accountable for their crime.

**4. Gaps in services and how the proposed project will complement existing services:** These cases need additional guidance by a trained and experienced prosecutor that can assist CPD with evidence to obtain in the investigation that may help with filing the charges. While sexual assault cases are vertically prosecuted once charges are filed, there is no mechanism for vertical prosecution from the felony review stage through disposition. Each time a case changes hands, it creates more room for error in addressing the victim's needs and can be retraumatizing for the victim. Having one dedicated assistant state's attorney (ASA) working on the entire case ensures the prosecutor will develop a deeper understanding of the facts. The ASA will also have a firm grasp on the victim's needs and can make earlier referrals to the partner sexual assault victim service agency, YWCA Metropolitan Chicago (YWCA) who will: be present with the victim throughout the process; ensure the victim understands the process; and refer the victim for other needed services, such as sexual assault counseling, advocacy, and education, career services, financial management, and health insurance assistance.

If charges are not approved or the investigation is continued, the victim is often left with no advocacy or support. In this program, the victim will receive the support and services of the YWCA even if the case is passed for more investigation or if charges are not approved. The SAO and YWCA partnership supports a victim-centered and trauma-informed approach and fills a gap in services that currently exist when cases are not approved. Often in this program, the law enforcement agency will confer with the program ASA, and it will be decided that a case needs to be continued for further investigation, whether that be locating more witnesses or working up evidence such as DNA; thus, this gap in time would allow the victim to obtain services with the YWCA on an ongoing basis while the case investigation continues. Furthermore, if a case cannot be prosecuted, the victim has already been connected with YWCA services and can continue working with the grant-funded advocate to meet their needs.

**5. Describe the coordinated community response and challenges to having victim-centered response that include community and criminal justice partners:** Victims of sexual assault are faced with unique barriers due to the intimate nature of the crime, the higher likelihood that they know their offender, and the cultural barriers/stereotypes that permeate into everyday life. These are some of the challenges that the criminal justice system and community partners face when trying to implement a victim-centered response. If a detective or prosecutor is not trained on trauma and the barriers victims face after sexual assault, then detrimental assumptions might be made that will have negative impacts on the investigation and the charging outcome of the case. Some victims might not trust law enforcement due to past trauma, cultural assumptions, or personal experience. Additionally, there might be a lack of knowledge about their rights, options, and what community resources are available to them. To address these barriers, the SAO has

developed multiple coordinated community response initiatives aimed at improving the systemic response to sexual assault.

One initiative was the development of a vertical prosecution program in the 2<sup>nd</sup> and 3<sup>rd</sup> suburban districts of Cook County with two prosecutors focused on prosecuting sex cases where the victim was unable to consent. The SAO saw a need for the same program to be started within the City of Chicago and the Chicago program was developed in 2020 through Improving Criminal Justice Responses Program (ICJR) Program funds. The Chicago Consent Clinic pilot went a step further and incorporated advocacy agencies into the program to better improve the coordinated community response. Through the Consent Clinic, detectives have been able to work hand in hand with the prosecutors to discuss the complex nature of the cases and brainstorm different ways to go about gathering evidence and investigating the crime. The Consent Clinic has worked with the partner advocacy agencies to educate CPD about available services for victims and the role of an advocate in a victim-centered response to sex crimes.

Another program is the Sexual Assault Multi-Disciplinary Team (SA MDT) which was developed by the SAO, CPD, Resilience (sexual assault victim service agency), and other partners in 2015. The SA MDT works together to identify, improve, and impact the systemic response to sexual assault through strengthened coordination and communication between advocates, law enforcement, prosecution, and medical personnel. Through the SA MDT's case review process, the SAO identifies training initiatives and policy/procedure updates needed. This specialized multidisciplinary approach to crimes involving sexual assault has a greater impact in meeting the unique needs of diverse victims as well as enhancing and strengthening the investigation and prosecution of sexual assault cases. To effectuate changes identified through

case reviews, the felony ASAs in SAO's Sexual Assault/Domestic Violence (SA/DV) Division meet quarterly to discuss topics gleaned from the work of the SA MDT.

Lastly, the SAO has convened a Sexual Assault Advisory Group (SAAG) since 2009 that brings together advocates, community service providers, law enforcement, and prosecutors to discuss all aspects of sexual assault and how to improve the community and criminal justice response. This group advises the SAO in programming decisions, informs the SAO of changing best practices, brings concerns to the SAO's attention, collaborates on legislation initiatives, and identifies training that benefits law enforcement and prosecutors, particularly on issues surrounding acquaintance rape and drug/alcohol facilitated rape. The SAAG comes together quarterly to address concerns around prosecutorial practices, promote collaboration with law enforcement, and educate stakeholders on current practices in Cook County.

### **What Will Be Done**

**1. Purpose areas:** Through this funding we will address **Purpose Area 19:** To develop and strengthen policies, protocols, and training for law enforcement officers and prosecutors regarding the investigation and prosecution of sexual assault cases and the appropriate treatment of victims, and **Purpose Area 5:** To strengthen legal advocacy service programs and other victim services for victims of domestic violence, dating violence, sexual assault, and stalking, including strengthening assistance to such victims in immigration matters. **Purpose Area 19:** with only 7 out of every 100 rapists being arrested, the proposed coordinated response by law enforcement, prosecutors, and victim advocates will hold more offenders accountable for their actions and reduce the incidence of sexual assault in Chicago. Through the work of our SA MDT over the past three years, CPD and the SAO have learned many lessons in how best to investigate and prosecute acquaintance rape. This will undoubtedly bring a new level of justice to sexual

assault victims. When more offenders are held accountable for their actions, particularly those actions that typically occur when no witnesses are present, victims of violent crime and their communities' benefit. Charging more rapists for their crimes can deter sexual assault. Holding offenders accountable allows people to feel safer, thrive in their communities, and live healthier lives. **Purpose Area 5:** YWCA part-time grant-funded advocates will provide 24-hour, in-person accompaniment to sexual assault survivors for meetings with CPD and with SAO victim witness specialists and prosecutors. Advocates will support sexual assault victims in the following ways: assistance in obtaining orders of protection, accompaniment to court or attendance on their behalf, crisis intervention support, and follow-up services and referrals. Advocates will also assist the SAO with CPD detective trainings. Sexual assault survivors and their non-offending significant others will have 24-hour access to crisis intervention through the Chicago Rape Crisis Hotline. Advocates will ensure that services are provided to a diverse population regardless of race, ethnicity, immigrant status, sexual identity/orientation, religious/spiritual beliefs, disability, homeless, or victims of prostitution or trafficking. Further, YWCA recognizes the vulnerability that accompanies immigrant status and therefore, ensures immigrant victims receive additional medial and criminal justice advocacy. Lastly, SAO has two dedicated staff who can certify U Visas and T Visas for qualifying crime victims.

**2. OVW Priority Areas/ICJR Statutory Priorities:** This application does not address these.

**3. Approach to addressing the need:** To better serve victims of sexual assault involved in the criminal justice system the Consent Clinic will continue to provide additional trauma-informed support to the investigation, prosecution, and victims of sexual assaults with issues of consent.

The grant will continue to fund one ASA dedicated to handling sexual assault cases with consent issues from the felony review process through disposition. This ASA will: 1) meet with

CPD detectives to discuss sexual assault cases with issues of consent to help work up the cases and assist with the investigation and charging of offenders; 2) vertically prosecute sexual assault cases from felony review through disposition; 3) provide a linkage for sexual assault victims to victim service provider so that they can access advocacy and supportive services early in the criminal justice process; 4) communicate with victims whose cases cannot be charged as to how that decision was made; 5) provide training to law enforcement about the program; 6) participate in OVW-sponsored training or technical assistance related to the program; 7) report to SA/DV supervisor; and 8) compile statistics to be used to complete the required data reports.

The ASA will conduct trainings for the five CPD detective areas and establish a process for detectives to present their sexual assault cases with issues of victim consent for felony review. These trainings will help build trust and collaboration with the project. The ASA that meets with the detective to review the evidence (including reviews of the victim's and any witnesses' recorded statements) and to create a continuing investigation list (additional evidence the detective needs to obtain to move forward) will be the same ASA that determines whether charges can be filed. Consent related cases tend to be long term investigations building a case using statements, medical/school/professional records, surveillance videos, and social media or other types of technological records, such as texts. Currently, detectives often must update multiple ASAs on an investigation, each with different ideas and criteria about needed evidence; having the detective work with the same ASA each time allows for the ASA to have a more complete understanding of the facts in that case and allows the detective to request follow-up with only one ASA. This will allow a victim to be kept better informed about the progression of the case, what evidence exists, and ultimately if charges are filed or if not, why not.

The grant-funded ASA will be highly trained and have extensive experience with litigation and identifying defense trial arguments at the onset of review that involve consent issues, which will lead to better investigation and prosecution of consent cases. The prosecutor will be involved from the felony review charging process through the prosecution if the case is charged. Research shows that sexual assault is one of the hardest crimes to investigate and prosecute due to the unique level of trauma involved in the crime, the intimate nature of the crime, and sometimes the lack of physical evidence.<sup>3</sup> The Consent Clinic will provide a specially trained prosecutor who will work on the most difficult sexual assault cases to ensure a consistent and thorough investigation and prosecution. Vertical prosecution allows the assigned prosecutor to make the best strategic case decisions because they become the expert on the case.<sup>4</sup> Additionally, the prosecutor can establish better rapport with the victim from the start of the case which in turn will allow them to better address the victims' unique needs by keeping them involved in the criminal justice process.

Grant funds will be used to support two part-time victim advocates at the YWCA, SAO's victim service partner for the Consent Clinic. YWCA will: 1) provide in-person support to victims during detective interviews; 2) provide in-person support to victims during meetings with the ASA handling the review of their case; 3) provide in-person support to victims/families whose cases are being prosecuted in criminal court; 4) work with ASA and Victim Witness to ensure communication of important case updates and court proceedings; 5) work with victims/families whose cases have not been accepted for prosecution to access other legal and supportive remedies; 6) provide support services to victims of sexual assault including safety

planning, explanation of court proceedings, advocacy with employers/landlords/schools/various social service agencies, and referrals to other community services that victims may need; and 7) compile statistics to be used to complete the required data reports.

The ASA will work with the YWCA advocates to ensure that victims are being educated on their rights and are provided services to assist them not only throughout the criminal justice process, but with any issues in their personal life (i.e., work, school, housing, etc.). Research and experience continuously show that victims are better supported and are more likely to participate in the criminal justice process when working with an advocate.<sup>5</sup> The Consent Clinic will provide an earlier opportunity for advocacy involvement by referring victims to the YWCA at the beginning of the charging review process, which is at the initial point of contact. The SAO and YWCA will work together to provide training to CPD detectives about the Consent Clinic, the role of an advocate, and how to connect victims to advocacy services. The first interaction a victim has with the criminal justice process is with police, therefore, it is important for the SAO and the YWCA to establish strong working relationships with CPD sex crimes detectives to improve a coordinated community response. Through education about the Consent Clinic, CPD detectives will have a better understanding of the best practices involved with vertical prosecution and will be better educated about consent related sexual assaults including how to better investigate these specific crimes. The prosecutor and advocate will educate CPD detectives through on-site training, informational materials, and a formal referral process. Informational material will include a Consent Clinic flyer with information such as the types of cases accepted for review, how to submit for review, and investigation best practices.

The majority of the victims who fit the Consent Clinic criteria of being unable to consent range between 18-29 years of age. Most of these cases are alcohol and/or drug facilitated sexual assault (DFSA) crimes. The maturity level and experience of these young adults are contributing factors to placing them in situations where they can be easily targeted as victims. Under-age drinking, inexperience with consumption of alcohol and drugs, and inexperience with dating situations and sexual partners are all risk factors prevalent with this age group. Chicago has 28 universities and 22 colleges that primarily serve this age range population. The Consent Clinic will give the ASA an opportunity to train the university/college police and/or campus security on the signs of DFSA. This collaboration would help increase efficiency in investigating, identifying, and closing criminal DFSA cases.

Lastly, grant funds will be used to contract with subject matter experts to provide testimony in these difficult to prosecute sexual assault cases involving consent. Expert testimony can positively impact a sexual assault case by providing the judge or jury with a better understanding of the relevant evidence and related scientific, forensic, and medical issues. The trauma of a sexual assault affects survivors in different ways and by providing insight into how trauma may affect the behavior of victims, an expert witness can provide critical information to a judge or jury that may assist them in reaching a more appropriate conclusion regarding the facts of the case than they would have without the expert's testimony.

**4. Project goals, objectives, and expected outcomes:** Through the Consent Clinic and in partnership with the Cook County State's Attorney's Office (SAO) and the YWCA Metropolitan Chicago, Cook County will implement the Consent Clinic Program, which will: **1) Increase trauma-informed support services for sexual assault victims, and 2) Strengthen the investigation and prosecution of sexual assault cases with issues of consent in Chicago.** The

Consent Clinic will work to achieve these goals through the implementation of the following objectives: **Objective 1)** Create a unified structure for CPD and SAO to refer sexual assault victims to victim advocacy agencies earlier in the criminal justice process; **Objective 2)** Provide sexual assault victims with a process that does not re-traumatize them throughout the investigation and prosecution of their case; **Objective 3)** Increase the number of sexual assault cases handled by ASA prosecutors from felony review through disposition; and **Objective 4)** Increase criminal justice advocacy service hours provided to sexual assault victims in Chicago.

Expected project outcomes include: 1) increased accountability for sexual assault offenders through the increase in the number of sexual assault cases with issues of consent charged in criminal court; 2) an increase in referrals to victim service agencies through partnership with YWCA; 3) improved communication and partnership across several types of agencies (e.g. social service providers, law enforcement, prosecutors) will foster greater collaboration with cases, shared success, and improved response to these crimes; and 4) best-practice guidelines indicate that these victim-centered, trauma-informed sexual assault investigations and prosecutions will increase victim participation and satisfaction with the criminal justice system and decrease re-traumatization.

**5. How program will benefit coordinated community response:** The Consent Clinic will foster a coordinated community response by building relationships between the key criminal justice agencies. The SAO and the YWCA will establish relationships with CPD sex crimes detectives through on-site trainings at police stations and outlining Consent Clinic review and victim advocate referral processes. This relationship will allow for more thorough and consistent investigations, thus reducing trauma for victims, improving the working relationships between all agencies involved, and fostering a trauma-informed and victim-centered approach to

investigation and prosecution. The SAO will work closely with the YWCA, a rape crisis center providing extensive advocacy services to victims of sexual assault. Through this relationship, the SAO will be better equipped to work with victims of sexual assault by being better informed of what victim services and support are available. Additionally, the ASA will be able to seamlessly connect a victim to an advocate who can help establish clear and consistent lines of communication between all involved parties. The YWCA will be able to establish working relationships with CPD sex crimes detectives through trainings and working with victims at the beginning of an investigation. The YWCA advocate will educate victims about the Consent Clinic and how the criminal justice system works, which will help manage expectations and provide a consistent support system throughout the process.

These relationships will have community impact beyond consent-related sexual assault cases because trauma-informed and victim-centered approaches are applicable to all gender-based crimes. By providing education to CPD detectives on trauma-informed approaches they will be better equipped to handle all sexual assault cases. The detectives will also become more aware of services available to victims and can help make more referrals to rape crisis centers across the City of Chicago. The grant-funded ASA will be able to educate their colleagues on lessons learned from the program and will gain knowledge that will improve their litigation and communication skills and develop best practices. Lastly, advocates from YWCA will be able to incorporate any knowledge gleaned from the Consent Clinic into their work with all victims. They will be able to share their knowledge of the criminal justice system and process with their victims and coworkers. Knowledge gained from the Consent Clinic will have a wide and long-lasting impact across Chicago.

**6. How program will develop and utilize trauma informed and survivor-centered**

**approaches:** The Consent Clinic will utilize trauma informed and victim-centered approaches to develop an appropriate training for CPD sex crimes detectives in order to educate them about the Consent Clinic and best practices when participating in the program. Additionally, program staff stay up to date on trauma-informed and survivor-centered best practices through continued education on working with sexual assault survivors, sexual assault investigations, and prosecutions. The prosecutor will create a training given to prosecutors statewide about the program, best practices, and lessons learned when dealing with consent issues. The program members will attend trainings relevant to the Consent Clinic focusing on best practices related to sexual assault and trauma informed and victim-centered approaches.

**7. Tangible products:** A training for law enforcement will be developed on: 1) identifying consent issues from the start of the investigation; 2) Felony review process for Consent Clinic cases and how to submit for prosecutorial review; and 3) how to effectively link sexual assault victims to service providers early in investigations. Lastly, a flyer will be created and distributed to CPD detectives containing informational material about the Consent Clinic. The trainings and informational materials can be shared with other jurisdictions.

**8. Address needs of traditionally underserved populations:** The vast majority of sexual assaults go unreported. Statistics show that LGBTQ+ and people of color are at higher risk of being victimized. To ensure prosecutors are equipped to handle underserved communities, the Consent Clinic ASA will be required to attend the SA/DV Division's statewide training on cultural competency and working with LGBTQ+ victims. SAO has met with transgender victims to learn more about how they are marginalized and how we can assist members of the trans community who are victims of sexual assault.

The Consent Clinic is better equipped to address the needs of these traditionally

underserved victims due to the coordinated community response. Since CPD consults with the prosecutor at an earlier point in the investigation, there will be increased collaboration to ensure that victims are being treated respectfully, victims are connected with an advocate, and that there is ongoing communication between victim, detective, and ASA. This communication and collaboration can help to build a sense of trust among the community.

The YWCA will work with victims to ensure that they are being supported and provided with appropriate service referrals. YWCA delivers culturally specific sexual violence support services designed to address the unique needs of traditionally underserved individuals and families and eliminate barriers to participation and healing. Services are delivered in a way that prioritizes autonomy, honors lived experience, and accounts for the complex trauma perpetuated by systemic racism and oppression embedded within medical and legal systems.

To ensure culturally specific service provision for traditionally underserved individuals, the YWCA intentionally recruits and retains staff whose race, ethnicity, geographical residence and lived experience align to those of the service population. YWCA offices are in communities where marginalized populations reside and where access to trauma-informed and culturally sensitive services are limited. YWCA actively recruits and hires staff to mirror the client population served. All job descriptions and postings include preferences for bilingual and bicultural staff. Staff come from varying racial and ethnic backgrounds, sexual orientations, and geographic residence.

**9. Accessibility to individuals who are Deaf or hard of hearing and those with limited**

**English proficiency:** The applicant and partners have staff or resources to assist in communicating with all victims regardless of their disability or limited English proficiency and those who are Deaf or hard of hearing. CPD and SAO use someone on staff, arrange for a

professional translator, utilize the language line, or utilize the Office of Accessibility and Education Outreach through the Cook County Office of the Chief Judge when working with these victims. Also, we will utilize available OVW trainings to ensure program personnel are up to date on trends and victim needs.

All YWCA staff receive training and actively meet the needs of individuals with disabilities including survivors who are Deaf or hard of hearing, survivors with intellectual disabilities, survivors with visual impairments, and survivors with physical disabilities. The YWCA employs a significant number of bilingual/bicultural staff who can provide services to survivors in Spanish. Staff may access a language line when working with survivors who seek services in languages other than English and Spanish. Through a partnership with the federal Office of Victims of Crime in 2019, YWCA led a multi-disciplinary team of service providers to develop a comprehensive language access plan. This includes making services to victims of crime available and accessible to hearing-impaired as well as Spanish-speaking individuals and families. YWCA also leads Illinois Imagines Chicago, a statewide project to improve services to women with disabilities who have been victims of sexual violence. In collaboration with 11 disability and sexual violence community-based partners from across the city, the initiative improves access to service, including the training and skill-building of over 300 first responders and community-based organizations to respond to the needs of survivors with a range of disabilities and other barriers.

**10. How survivors with lived experiences contributed to the project:** Program staff will utilize lessons learned and survivor feedback from prior Consent Clinic cases to implement the project. The lessons learned will be identified quarterly during meetings between program staff and supervisors. The program staff will be responsible for keeping track of the lessons learned

and for developing an action plan to address any concerns. Additionally, program staff will notate any survivor feedback that they receive during the duration of the cases. If there are any concerns brought to the program staff's attention, they will communicate those concerns with their supervisors to ensure they are addressed in an appropriate and timely manner. The program will continually review lessons learned and seek survivor feedback to make program changes or improvements. SAO provides opportunities for survivors to share their experiences at trainings.

Client feedback is continually solicited, reviewed, and incorporated to ensure the highest quality of service provision at the YWCA. They have extensive experience with designing and implementing programs as well as engaging program participants. Program design employs a holistic approach that prioritizes client needs. The YWCA meets clients "where they are" and maintains a longstanding community presence in the service area. The organization utilizes marketing and communications tools (flyers, social media, etc.) to conduct outreach, as well as a direct engagement approach, ensuring that clients connect authentically with staff.

### **Who Will Implement the Project**

**1. Key individuals/organizations involved in the proposed project:** Because the program is a prosecution-based program, the SAO, as the chief prosecuting office for Cook County, will serve as the lead agency in the implementation of the Program, led by ASA Tene McCoy Cummings and ASA Mary Jackovac (more below). ASA McCoy Cummings will supervise the grant-funded ASA (TBD) whose role is outlined in the approach to addressing the need. Finally, the sexual assault victim service provider for the program will be the YWCA (led by Debra Perry). Ms. Perry will supervise the grant-funded advocates (Ashele Knight and Francisca Coronado), whose roles are outlined previously.

**2. Capacity to address need and successful implementation:** The SAO is the second largest

prosecutorial office in the country and the largest in Illinois. The SAO is responsible for prosecuting all felony and misdemeanor cases that occur throughout Cook County, including the city of Chicago. Because the proposed Consent Clinic is a prosecution-based program, the **Cook County State's Attorney's Office (SAO)**, as the chief prosecuting office for Cook County, will serve as the lead agency in the implementation of the program. The SAO has one of the largest divisions in the country holding offenders accountable for gender-based violence. With more than 16 ASAs who are subject matter experts in sexual assault, the SAO can properly advise the over 100 law enforcement agencies (throughout Cook County) that present sexual assault cases to felony review for charges. Additionally, through the SAO's multitude of partnerships with advocates, law enforcement, probation, the courts, and community agencies, the SAO can ensure that best practices are always being followed in the felony review and prosecution of sexual assault cases. The SAO has victim witness specialists on staff who work directly with domestic violence and sexual assault victims. Further, the victim witness specialists are adept in dealing with victims from various backgrounds including those who are physically handicapped, mentally challenged, Deaf or hard of hearing, victims whose first language is not English, and victims who have been victimized in the past. SAO has met with transgender victims to discuss how they are particularly marginalized and victimized, and the SAO is addressing ways we can include and assist members of that community who are victims of crimes including sexual assault. ASAs conduct trainings regularly to law enforcement agencies, advocates, colleges, and the community related to gender-based violence including sexual assault.

ASA Tene McCoy Cummings, Chief of the SA/DV Division, has over 11 years of experience prosecuting intimate partner violence cases and has been a prosecutor for over 21 years. ASA McCoy Cummings oversees the day-to-day operations of the SA/DV Division and

ensures the collaborative nature of the Division and the seamless approach to all gender-based crimes. ASA McCoy Cummings routinely reviews cases to ensure policies are being implemented and current training knowledge is being applied. ASA Mary Jackovac, the Deputy Supervisor of the SA/DV Division, has specialized in prosecuting intimate partner violence and sexual assault cases for 13 years and has been a prosecutor for over 27 years. She has extensive trial experience as well as experience in supervising ASAs during the felony review process, charging, pre-trial, and subsequent litigation of cases involving issues of consent.

**YWCA Metropolitan Chicago (YMCA)**, a nonprofit social enterprise committed to eliminating racism and empowering women, is the oldest and largest women's organization in the region. For more than 40 years, the YWCA has been a leader and convener in the field of sexual violence advocacy, prevention, and treatment and is the largest provider of comprehensive sexual assault services for adults and children in Illinois. The YWCA delivers a comprehensive victim-centered approach, offering a network of support services to help women, children, and significant others recover from their traumatic experience. The YWCA operates the Chicago Rape Crisis Hotline. Additionally, advocates are on-call 24-hours a day, 7 days a week to confidentially help sexual assault victims navigate complicated medical and legal processes, ensuring they understand their options and are provided immediate support, crisis intervention, and additional referrals. Debra Perry, Director, Advocacy & Crisis Intervention Services will drive the YWCA's participation in the project.

With over 35 years of experience advocating on behalf of sexual violence survivors, Ms. Perry currently oversees the operations of Chicago Rape Crisis Hotline, Hospital Advocacy Services, and the Criminal Justice Services. Ms. Perry is a seasoned trainer, certified by the Illinois Law Enforcement and Standard Board in 1997 and the National Women and Policing in

2000. She is also a trainer for the Illinois Coalition Against Sexual Assault (ICASA). In 2019, she joined the Law Enforcement Investigation Curriculum Design Team lead by the ICASA and the Illinois Center for Public Safety and Justice.

**3. Roles and responsibilities of the applicant, partner, and key personnel:** From the SAO, ASA McCoy Cummings and ASA Jackovac will 1) coordinate the efforts of project implementation; 2) directly supervise the grant-funded ASA; 3) help ensure the cases chosen for potential inclusion in the project are the cases intended by this proposal; 4) provide daily oversight and guidance on the preparation and handling of eligible cases; and 5) lead meetings to discuss the progression of cases. The grant-funded ASA will be responsible for the day to day activities of the Consent Clinic including: 1) meet with CPD detectives to discuss sexual assault cases with issues of consent to help work up the cases and assist with the investigation and charging of offenders; 2) vertically prosecute sexual assault cases from felony review through disposition; 3) provide a linkage for sexual assault victims to victim service providers so that they can access advocacy and supportive services early in the criminal justice process; 4) provide training to law enforcement about the program; 5) participate in OVW-sponsored training or technical assistance related to the program; 6) report to SA/DV supervisor; and 7) compile statistics to be used to complete the required data reports.

From the YWCA, Ms. Perry will attend the project meetings, assist the team in developing training materials when needed, and supervise the victim advocacy and referral services to sexual violence survivors that are identified by the project. Grant-funded advocates will be responsible for providing support to victims, working with the SAO ASA and Victim Witness, and accompaniment to court and meetings with SAO.

**4. Project Director:** This program does not require a project director because it is a renewal.
