PROCUREMENT

Dear Ms. Coss:

The Cook County Assessor's Office is submitting the attached Requisition 2040 0029, System Requisition No. 102929, for the purchase of TV Monitors, wall mounts, and computer cable. This will commit to 2012 fiscal year funds.

These monitors will be used to display very important taxpayer information utilizing Digital Signage Technology. This technology software to be used on the monitors will allow the taxpayers to receive the most up to date information in the most time efficient way. Because the Assessor's Office is in its 2012 triennial assessment year for the City of Chicago, an extremely high volume of taxpayers will visit the office. The display of critical township updates and deadlines, and the ability to update the information at a moments notice, facilitates the work flow and helps address each taxpayer in the most efficient and effective manner.

The Assessor's Office is requesting a bid based on the quotes that are attached from three different vendors. Abt Electronics & Appliances submitted the lowest quote for the TV Monitors, wall mounts, and computer cable. Please see attached a requisition and three quotes. If you should need more information, please contact me at (312) 603-7514. Thank you.

Sincerely,

Victoria LaCalamita
