Ms. deLourdes Coss
Chief Procurement Officer
Purchasing Department
Room #1018
Cook County Building

Dear Ms. deLourdes Coss:

This letter is to help clarify my letter written to you on 10 August 2012. My original letter did not break down the cost of testing each applicant for the positions of Correctional Officer and Court Services Officer. The current purchase order has been expended and we wish to continue the services of Siemens Healthcare Systems, Inc. The Bureau of Human Resources Medical Unit is currently operating the initial drug test screening on two (2) onsite Syva Viva-Jr Testing System produced and manufactured by Siemens Healthcare System, Inc. Siemens is the sole manufacturer of the Gold Syva EMIT II therapeutic and drugs of abuse reagents. These metabolites are used for sole use and is in direct correlation with the Syva Viva-Jr equipment platform. These chemicals are not interchangeable with any other reagents for this equipment.

As required by the Cook County Sheriff's Merit Board, prior to hiring each applicant must be drug tested. This medical procedure is conducted by the Bureau of Human Resources Medical staff. From the fiscal period of December 01st, 2011 through the current date, 339 applicants have been tested. The medical unit requested our portion of the costs which work out to be \$42.92 per applicant, or \$14,550.00

Any assistance in expediting this request would be most appreciated. If you have any questions or need clarification please contact Deputy Director John Koch at 3-0166. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Koch".

RE: Drugs of Abuse Testing—Account number 112656

Siemens Healthcare Diagnostics Inc. has a current agreement with the Cook County Human Resources department to provide two (2) Viva-Jr Drug Testing Systems and the Syva EMIT® reagents needed for urinalysis drugs of abuse testing. Under the terms of this agreement Siemens will provide Cook County HR the equipment at no charge. Cook County HR agrees to purchase the reagents that are exclusively utilized on this piece of equipment from Siemens Healthcare Diagnostics Inc.

For over forty years, Siemens Syva EMIT® immunoassays have been the most widely used and scientifically documented screening tests for drugs of abuse. Siemens Healthcare Diagnostics is the sole manufacturer of the Syva EMIT® therapeutic and drugs of abuse homogenous immunoassay reagents packaged for use on the Viva platforms.

No other drugs of abuse screening tests have a longer or more reliable record. EMIT® test results have been upheld in numerous court decisions and at the highest level of the American judicial system, the United States Supreme Court. A document can be provided upon request that details this Supreme Court decision. The Syva EMIT® assays are considered the Gold Standard through out the industry.

As stated above, Siemens Healthcare Diagnostics is the only immunoassay manufacturer that has received documented acceptance by the United States Supreme Court. Siemens Healthcare Diagnostics is the only vendor that can sell exclusively the Gold Standard Syva EMIT® products for the Cook County Human Resources' testing needs.

If there are any questions regarding the agreement between Siemens Healthcare Diagnostics and the Cook County Human Resources Department of the facts that have been presented here in please direct to myself, Michael Neu, MT (ASCP). My contact information is listed below.

Thank you for doing business with us.

Sincerely,

Michael Neu, MT (ASCP)
