Dear Ms. Lourdes Coss,

We have a unique situation which we are asking your department to assist us with. Our Low Cost Rabies Clinics have been so well received by the residents of Cook County that we are now in need of purchasing additional vaccines to keep up with the demand. Our clinics continue to operate during September and October throughout Cook County.

The Imrab rabies vaccine is approved for ferrets which we also vaccinate along with dogs and cats. We have included the vendor's sole source letter for the Imrab rabies vaccine.

Your assistance in this matter is greatly appreciated.

Sincerely,

Mark Rosenthal
Deputy Director
