To Whom It May Concern:

This letter identifies Cellebrite USA, Corporation as the sole developer and provider of the UFED Forensic System. Cellebrite USA Corporation was established in 1999. Cellebrite USA is incorporated in state of Delaware and our U.S. & Canadian operations are based in Glen Rock, NJ. Cellebrite USA has been selling direct for the past 11 years and we do not sell to any first source, GSA or other resellers.

With over 55 carriers in the U.S. and over 100 worldwide we are the exclusive provider of mobile synchronization systems for Verizon Wireless, AT&T, Sprint/Nextel, T-Mobile, Metro PCS, Western Wireless, US Cellular, Cricket Communications as well as thousands of privately held cellular retailers.

The Cellebrite UFED System is the only hand-held, cellular exploitation device worldwide that requires no PC or associated phone drivers. The UFED system will quickly extract phonebook, pictures, videos, SMS messages, calls histories, ESN/IMEI information, and deleted SMS/call histories off the SIM/USIM for rapid analysis. Cellebrite supports all the major technologies (TDMA, CDMA, GSM, IDEN) including , Smartphone operating systems and PDAs (Apple iPhone, Blackberry, Google Android, Microsoft Mobile, Palm and Symbian) for over 95% of all handset models worldwide.

Cellebrite's competitive advantage is its extraction speed, intuitive user interface that is operable with little to no training. With our exclusive nationwide carrier agreements we are receiving pre-production handsets and source codes from the cell phone manufacturers 6 months prior to retail launch which is a major advantage for research and development.

With over 90,000 units sold worldwide and hundreds of thousands of end-users, our products have been deployed reliably and effectively throughout the world for both commercial data synchronization and forensic data analysis. Our forensic customers include the Department of Defense, Federal Government, Intelligence Organizations, Military, and Law Enforcement Divisions.

Please feel free to contact us with any questions.
