FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

"Familial relationship" means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:

Levi, Ray & Shoup, Inc. (“Contractor”) is requesting a full waiver of the MBE and WBE requirements of Contract #12-90-090 (“Contract”) for the first option year covering July 1, 2015, through June 30, 2016, on the following bases:

B. Reason for Full Waiver Request:

- 1. Contractor was previously granted a full waiver of the MBE and WBE requirements for the initial three (3) years of the Contract. This request is to extend that waiver to the first option year covering July 1, 2015 – June 30, 2016, pursuant to Contract which increased the original amount by \$18,307.00.**

- 2. The specifications and necessary requirements for performing the Contract make it impossible or economically infeasible to divide the Contract to enable the Contractor to utilize MBE’s and or WBE’s in accordance with the applicable participation.**

The fees that are the subject of the Contract are license fees for a license renewal of Contractor’s sole source proprietary software. Contractor does not subcontract any of the work/services that are provided to the County under the Contract; rather, all work is performed directly by Contractor, so there is no opportunity to subcontract to MBE’s or WBE’s.

Further, as to indirect spend with MBE’s and WBE’s, the opportunities are minimal as Contractor’s employees handle the creation, development, production, packaging and distribution of Contractor software products. Contractor employs accountants, general counsel, technical staff, support staff, marketing and sales staff, pilots, facilities maintenance staff, groundskeepers and human resources/recruiting personnel. Further, Contractor operates its own distribution department, travel department and education/training facility.
