I. Responsibilities of Employees, Management, and County Officials

Employees and Officials requesting Necessary Business Expense reimbursements are responsible for ensuring that the reimbursement request is truthful and accurate, complies with all applicable policies, is properly authorized before the expense is incurred, and is supported by the required receipts and documentation. Strict conformance with this policy is required to ensure eligibility for reimbursement when incurring expenses on behalf of the County and/or requesting expense reimbursements. Fraudulent or improper submissions for reimbursement may lead to disciplinary action or ethics fines/penalties. In addition, using or attempting to use this expense reimbursement policy when an Employee or Official should be using the Procurement Code process to purchase items or services on behalf of the County may lead to the expense being ineligible for reimbursement.

Moreover, any Employee or Official who receives an unauthorized or an erroneously issued reimbursement payment from the County, must immediately return such payment within thirty (30) days from the time the Employee or Official has become aware of the unauthorized or erroneous reimbursement or notice from the Comptroller’s Office or the Budget Office. Failure to comply with this provision will result in disciplinary or other appropriate action depending on the Employee(s) or Officials(s) involved and the specific circumstances. In the event repayment is made by an Employee or Official through payroll deduction, the Comptroller’s Office will handle in accordance with its procedures for payroll deductions.

Strict adherence to the County’s Code of Ethical Conduct and Office of the Independent Inspector General Ordinance is required. Expenditures that do not comply with the County’s Ethics Ordinance or Office of the Independent Inspector General Ordinance and this policy shall be denied and may be referred to the Board of Ethics or Inspector General for investigation. For example, expenditures made in connection with “prohibited political activity,” as defined in section 2-562 of the Cook County Code, shall not be reimbursed.

Each Appropriate Authorizing Party is responsible for ensuring that all expenditures made on behalf of the County comply with all applicable policies. Additionally, each Appropriate Authorizing Party is accountable for the appropriate use of County funds and must verify that all Necessary Business Expenses are budgeted and charged to the proper account(s). In addition, before approving any expense reimbursement, the Authorizing Party must ensure that the requesting Employee or Official received pre-authorization to incur the expense where required, the expense is legitimate, properly documented, and, if proper procedures are not followed, not approving the reimbursement request. Failure to adhere to

these obligations may result in appropriate corrective action, including but not limited to disciplinary action, depending on the Employees(s) or Official(s) involved and the specific circumstances.

The Chief Financial Officer has designated the Director of Budget and Management Services to monitor County practices to ensure compliance with, and answer questions concerning, the information presented in this policy.

The County has a fiduciary responsibility to ensure County resources are used responsibly and that Employees and Officials do not incur inappropriate or excessive expenses or gain financially from the County. Necessary Business Expenses will be reimbursed in accordance with IRS guidelines and with the provisions of this policy, provided there is sufficient funding for this purpose in the Department’s budget and doing so would not circumvent the Cook County Procurement Code. A Necessary Business Expense must have a clear and legitimate business purpose. All out of country travel-related expenditures will conform to the IRS guidelines and the U.S. General Services Administration whenever possible. See, <https://www.gsa.gov/travel-resources>. Where compliance with IRS and the U.S. General Services Administration guidelines cannot be met, approval of such expense must be documented by the Appropriate Authorizing Party. Excessive costs or unjustifiable costs are not acceptable and will not be reimbursed.

1. **Appropriated Funding.** Expenditures shall be charged to the appropriate account of the department incurring the expense, as designated in the department’s annual appropriation.
2. **Grant requirements.** Expenditures connected to and/or funded by a grant award (or other financial awards) shall be made in accordance with the grantor’s requirements, and reimbursement will be made at the rate specified by the grant (or other financial award), or if no specified rate, at the County’s rate defined by this policy.

Individuals are strictly prohibited from authorizing their own requests to incur and be reimbursed for a Necessary Business Expense. The Appropriate Authorizing Party must confirm there is available funding in the Agency’s appropriated annual budget prior to approving the Pre-Authorization Form.

- 4. The reimbursement request shall be submitted in a form or manner established by the Budget Director (i.e., Expense Report) upon review and approval of the Appropriate Authorizing Party or their designee.

II. INELIGIBLE EXPENSES

The following expenses are not Necessary Business Expenses and shall not be reimbursed under this policy:

6. Eligible Non-Local Transportation Reimbursable Expenses: Non-Local Travel that is performed for official County business may be permissible if authorized by the Appropriate Approving Party.

(a) *Travel by Personal vehicle.* When the Employee or Official uses a Personal vehicle per the approval of the Appropriate Authorizing Party, only mileage, parking, and toll expenses are eligible for reimbursement. Mileage reimbursement for County business is limited to the current standard IRS deduction rate for business related transportation currently in effect and authorized by the Bureau of Finance. The mileage must be supported by detailed mileage logs including date(s) of travel, number of miles driven, locations traveled to and from, and business purpose. This documentation shall be attached to the Expense Report and submitted to the Appropriate Authorizing Party.

The IRS per-mile rate is generally established annually (but may be subject to a mid-year increase) and covers the total cost of operating a personally owned vehicle for Non-local Travel, including such items as gasoline, oil, maintenance, repairs, etc. The mileage reimbursement per trip may not exceed the cost of the lowest available non-stop, roundtrip airfare to/from the destination. Reimbursement for meals and incidental expenses shall be limited to the expenses incurred during the time spent traveling for County business; 75% of the expenses submitted for reimbursement on the first and last days of travel, and 100% of the expenses on the other days.

If an employee assumes the charge for another employee, the employee shall identify other employees' costs and request the reimbursement of the total costs up to the allowance established by the GSA per person. To seek reimbursements for meals which include other employees' costs that exceed their daily allowance, the employee must submit the itemized receipts and proof of payments. The employee assuming the expense shall clearly note on their receipt who the other employee(s) were for which the expense was assumed. Further, the other employees whose meal costs are assumed by another employee shall deduct the cost of the meal from their reimbursement request for the meal. (e.g., if a employee A pays for a meal for two at \$30 each and if the daily allowance is \$65 per person, the employee is reimbursed up to \$95 and the other employee must deduct the reimbursement value by \$30 for that day). Failures to comply with this policy will result in disciplinary actions.

If meals are furnished at a nominal or no cost to the employee or are included within the conference/event registration fee, the per diem allowance for meals and incidental expenses (M&IE allowance) must be adjusted by deducting the appropriate amount, for each meal. Bureau Chief/Department head, at its discretion, may allow the employee to claim the full M&IE allowance if employee is unable to consume the furnished meal(s) because of medical requirements or religious belief.

- (f) *Lodging reimbursement.* Lodging reimbursement is limited to Non-local travel requiring an overnight stay and must be supported by itemized receipts which list the traveler's name, the date, time, location of the lodging, and detail every individual item included in the bill. Travelers are to use the most economical hotel or the preferred hotel offered by the conference unless there is justification approved by the Appropriate Authorizing Party on the Reimbursement Form. Travelers will receive the lesser of the actual costs or the current federal travel allowance for lodging published by the General Services Administration at <https://www.gsa.gov/travel/plan-book/per-diem-rates> unless the increased rate is approved by the Appropriate Authorizing Party.

Employees and Officials shall request authorization to incur a Necessary Business Expense of \$300.00 or more per event/incident/travel using the Pre-Authorization Form at least thirty (30) calendar days in advance of having to incur the expenditure or loss so the Appropriate Authorizing Party has an opportunity to assess and potentially approve the request in accordance with this

Dear Mr. Martinez:

We are pleased to inform you that **Quantum Crossings, LLC** is recertified as a **Minority-Owned Business Enterprise ("MBE")** by the City of Chicago ("City"). This **MBE** certification is valid until **1/31/2026**; however, your firm's certification must be revalidated annually. In the past the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. Therefore, we require you to be even more diligent in filing your **annual No-Change Affidavit 60 days** before your annual anniversary date.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification during the five-year period stated above, you must file an **annual No-Change Affidavit**. Your firm's annual No-Change Affidavit is due by **1/31/2022, 1/31/2023, 1/31/2024 and 1/31/2025**. Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the date of expiration. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

Your firm's five-year certification will expire on **1/31/2026**. You have an affirmative duty to file for recertification **60 days** prior to the date of the five-year anniversary date. Therefore, you must file for recertification by **11/30/2025**.

It is important to note that you also have an ongoing affirmative duty to notify the City of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification **within 10 days** of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a **MBE** if you fail to:

- File your annual No-Change Affidavit within the required time period;
- Provide financial or other records requested pursuant to an audit within the required time period;

Handwritten initials

- Notify the City of any changes affecting your firm's certification **within 10 days** of such change; or
- File your recertification within the required time period.

Please be reminded of your contractual obligation to cooperate with the City with respect to any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the **City's Inspector General at chicagoinspectorgeneral.org, or 866-IG-TIPLINE (866-448-4754).**

Be advised that if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. In addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining a contract with the City by falsely representing the individual or entity, or the individual or entity assisted is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months, or a fine of not less than \$5,000 and not more than \$10,000 or both.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

“*Familial relationship*” means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:
