The sealed envelope submitted by the Bidder shall carry the following information on the face of the envelope: Bidder's name, address, subject matter of Bid Proposal, advertised date of Bid Opening and the hour designated for Bid Opening as shown in the legal advertisement.

GC-17 MINORITY AND WOMEN BUSINESS ENTERPRISES

COOK COUNTY ORDINANCE CHAPTER 34, DIVISION 6, SECTION 34-275 to SECTION 34-303

I. POLICY AND GOALS

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County contracts and to eliminate arbitrary barriers for participation, as both prime and sub-contractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women-owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes a goal of awarding not less than twenty-five percent (25%) of the annual total dollar amount of contracts to certified MBEs and ten percent (10%) of the annual dollar value of all such contracts to certified WBEs.
- B. **The County may set contract-specific goals for each contract, based on the commodities or services specified in this bid document. The MBE/WBE percentages required for this contract are stated in the Special Conditions.** A Bid or Quotation shall be rejected if the County determines that a Bid or Quotation fails to comply with this General Condition, including but not limited to, commitments to achieve for this contract, the MBE/ WBE goals of the contract amount or to include a Petition for Reduction/Waiver documenting why the goals are not attainable despite the contractor's Good Faith Efforts. A Bid or Quotation may be rejected and a new Bid or Quotation may be solicited if the public interest is served thereby. Unless otherwise specified in the Bid or Quotation Documents, for purposes of this GC-17, the contract amount is the amount that has been entered on the Proposal page of the Bid or Quotation Documents.
- C. Except to the extent that a Bid or Quotation includes a Reduction/Waiver request, the contract MBE and WBE participation goals may be achieved by the Bid or Quotation entities' status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs and WBEs; by establishing and carrying out a mentor/protégé agreement; by the Indirect Participation of one or more MBEs and WBEs used by the entity submitting a Bid or Quotation in other aspects of its business; or by any combination of the foregoing so long as the Utilization Plan evidences a commitment to the MBE and WBE contract goals set forth in (B) above.
- D. The same Business Enterprise, whether as a contractor, subcontractor or supplier, cannot be utilized as both a MBE and a WBE on the same contract.
- E. To the extent that the Ordinance does not apply to this Bid or Quotation, unless specifically waived in the Bid or Quotation Documents, this GC-17 and the wording of the Ordinance shall apply. If there is a conflict between this GC-17 and the Ordinance or the wording of the Ordinance, the Ordinance or its wording controls.
- F. A Contractor's failure to carry out its commitments in the course of the Contract's performance shall constitute a material breach of the Contract and if such breach is not appropriately cured, may result in the termination of the Contract or such remedy authorized by the Ordinance as the County deems appropriate.

II. REQUIRED BID OR QUOTATION SUBMITTALS

To be considered responsive, a Bid or Quotation shall meet the MBE and WBE goals by submitting a Utilization Plan with the Bid or Quotation, which shall be (1) supported by Letters of Intent from the MBEs and WBEs together with the MBEs/WBEs Letters of Certification, and/or (2) include a written Petition for Reduction/Waiver with the Bid or Quotation supported by documentation of Good Faith Efforts to meet the goals. Failure to submit the documents set forth in (A) and (B) of this Section II in accordance with these guidelines will cause the Bid or Quotation to be considered non-responsive and shall be cause to reject the Bid or Quotation.

A. MBE/WBE Utilization Plan

Each Bid or Quotation shall include with the Bid or Quotation a complete Utilization Plan. The Utilization Plan shall list the names, mail and email addresses, telephone number and contact persons of businesses intended to be used as MBEs and WBEs on the Contract. If the entity submitting a Bid or Quotation, or any of its subcontractors, suppliers or consultants, are certified MBEs or WBEs they shall be identified as an MBE or WBE within the Utilization Plan.

1. Letter(s) of Intent

Except as set forth below, a Bid or Quotation shall include with its Utilization Plan, Letter(s) of Intent executed by each MBE and WBE included in the Utilization Plan and by the entity submitting the Bid or Quotation, which sets forth that each MBE and WBE intends to perform as a subcontractor, supplier, joint venture partner and/or consultant on the contract. The Letters of Intent must accurately detail the work to be performed by the MBE or WBE firm and the agreed rates and/or prices to be paid.

If the Bid or Quotation does not include all Letter(s) of Intent with its Utilization Plan, such Letter(s) of Intent may be submitted to the Office of Contract Compliance within three (3) business days after the date of the Bid or Quotation Opening. Failure to submit all Letter(s) of Intent as required shall result in the Contract Compliance Administrator's determination that a Bid or Quotation is not responsive and shall be cause to reject the Bid or Quotation.

All commitments made by a Bid or Quotation in its Utilization Plan must conform to those included in the submitted Letter(s) of Intent. The Contract Compliance Administrator reserves the right to request supplemental information regarding the Letter(s) of Intent submitted with a Bid or Quotation and such information shall be furnished. (Reference pages EDS-3/4 for a format sample of a Letter of Intent)

2. Letter(s) of Certification

Only a Letter of Certification from one of the following entities shall be accepted as certification of MBE/WBE status:

County of Cook
Small Business Administration 8A Program
Illinois Unified Certification Program
or any other governmental body or agency approved by the Contract Compliance Administrator as applying certification standards substantially similar to those applied by the County of Cook may also be accepted.

The Contract Compliance Administrator retains the right to reject the certification of any MBE or WBE on the ground that it does not meet the County's definition of a MBE or WBE.

3. Joint Venture Affidavit

III. REDUCTION/WAIVER OF MBE/WBE GOALS

A. Granting a Reduction/Waiver Request

1. The determination of the adequacy of the Good Faith Efforts to utilize MBEs and WBEs in a Bid or Quotation will be evaluated on the basis of the actions in attempting to achieve MBE and WBE participation goals set forth in the Bid or Quotation. Examples of actions constituting Good Faith Efforts for a Bid or Quotation are set forth within the Ordinance and in the "Petition for Reduction/Waiver of MBE/WBE Participation Goals" contained in the Bid or Quotation Documents.
2. The Contract Compliance Administrator may grant the Petition for Reduction/Waiver based upon the following criteria: (a) sufficient qualified MBEs and WBEs capable of providing the goods or services required by the contract are unavailable despite the good faith efforts of the contractor; (b) the specifications and the reasonable and necessary requirements for performing the contract make it impossible or economically infeasible to divide the contract into sufficiently small tasks or quantities to enable the contractor to utilize MBEs and WBEs in accordance with the applicable goals; (c) the price(s) quoted by any potential MBE or WBE source of goods or services is more than 10% above competitive levels; and (d) any other factor determined to be relevant by the Contract Compliance Administrator.

B. Denying a Reduction/Waiver Request

1. If the Contract Compliance Administrator determines that a Bid or Quotation has not demonstrated adequate Good Faith Efforts to meet the applicable contract MBE and WBE goals, the Contract Compliance Administrator may deny a Petition for Reduction/Waiver and declare the Bid or Quotation non-responsive and recommend rejection of the Bid or Quotation.
2. Failure to undertake and/or to document adequate Good Faith Efforts shall be cause to deny a Petition for Reduction/Waiver. Determination of the adequacy of a Bid's or Quotation's Good Faith Effort will be evaluated on the basis of the Bid's or Quotation's actions as of the date of the Bid or Quotation opening.

IV. CHANGES IN CONTRACTOR'S UTILIZATION PLAN

- A. Contractor, during its performance of the Contract, may not change the MBE or WBE commitments specified in its Utilization Plan, including but not limited to, terminating a MBE or WBE contract, reducing the scope of the work to be performed by a MBE/WBE, or decreasing the price to a MBE/WBE, except as otherwise provided by the Ordinance.
- B. Where an enterprise under the Contract was previously considered to be a MBE or WBE but is later found not to be, or work is found not to be creditable toward the MBE or WBE goals as stated in the Utilization Plan, the Contractor shall seek to discharge the disqualified enterprise, upon proper written notification to the Contract Compliance Administrator, and make every effort to identify and engage a qualified MBE or WBE as its replacement. Failure to obtain a MBE or WBE replacement within 30 working days of the Contract Compliance Administrator's written approval of the removal of a MBE or WBE may result in the termination of the contract or the imposition of such remedy authorized by the Ordinance, unless a written Petition for Reduction/Waiver is granted to Contractor allowing Contractor to award the work to a non-MBE or WBE.

V. NON-COMPLIANCE

If the County determines that the Contractor has failed to comply with its contractual commitments or any portion of the Ordinance or this GC-17, the Contract Compliance Administrator will notify the Contractor of such noncompliance and may take any and all appropriate actions as set forth within the Ordinance.

SPECIAL CONDITIONS

CONTRACT NO. 11-45-155

SC-01 SCOPE

The bidder shall furnish Uniforms for VARIOUS COOK COUNTY AGENCIES, all in accordance with the Contract Documents, Specifications and Proposal herein.

SC-02 CONTRACT PERIOD

This is a contract effective for twenty-four (24) months with three one-year renewal options, after award by the Board of Commissioners and after proper execution of the Contract Documents.

SC-03 AWARD OF CONTRACT

The contract shall be awarded in two Lots, Lot A: Uniforms for various Departments and Lot B: Staff Uniforms for JTDC. Each Lot shall be awarded to the lowest responsible and responsive bidder whose bid meets the requirements and criteria set forth in the Request for Sealed Bid. All items in each Lot, unless otherwise stated, will be assumed to meet all specifications and requirements as set forth in the Request for Sealed Bid. Ambiguous bids which are uncertain as to terms, delivery, quantity, or compliance with specifications may be rejected or declared non-responsive. The County shall be sole determinant of the relevant and appropriate cost factors used in evaluating any Base, Options and/or Alternate bids. Bidders must quote all lines in each Lot for consideration. It is the intent of the County to award two contracts from this bid.

SC-04 MBE/WBE REQUIREMENTS FOR THIS CONTRACT

The bidder shall have a subcontracting goal of not less than fifteen percent (15%) MBE and twenty percent (20%) WBE of the awarded contract price for work to be performed.

The bidder must comply with the County's MBE/WBE participation requirements. The County has issued MBE/WBE goals for this Project. The bidder shall submit with its Proposal, an MBE/WBE Utilization Plan indicating how it proposes to meet these goals. If the bidder has not met the goals or made good faith efforts to meet the goals, the bidder's response will (may) be deemed nonresponsive and will not be considered for award.

Certified MBE/WBE bidders may count their own participation, however, a female firm certified as M/WBE or W/MBE may be counted towards the MBE or WBE goal, but not both. (Designations cannot be changed after submission of the compliance plan.)

Unless otherwise specified in the Bid Documents, for purposes of this contract, the contract amount is the total bid amount that has been entered on the Proposal Page of the Bid Documents.

SPECIAL CONDITIONSSC-05 RENEWALS/PRICE ADJUSTMENT

All prices quoted in the Bid Proposal shall be firm and will not be subject to increase during the first twenty-four months of the Contract. Thereafter either the Contractor or the County shall be entitled to request an annual price adjustment which shall be calculated in the manner provided for in this section. The request for a price adjustment by the Contractor shall be submitted to the Office of the Purchasing Agent of Cook County within sixty (60) days after the end of the contract's twenty-four (24) month term. The County shall notify the Contractor of its request for price adjustment within the same time period.

Price adjustments shall be based upon the Index for Apparel, for all Urban Consumers for United States City Average, of the Producer Price Index, as published by the United States Department of Labor, Bureau of Labor Statistics.

The price increase or decrease will be determined by dividing the current index for a contract anniversary month by the same prior year, month's index. All calculations will be carried to three (3) places ONLY, with no rounding off to the next digit. Price increases/decreases shall not exceed three percent (3%) annually from one adjustment period to the next.

EXAMPLE:

\$0.855	=	Current Item Price
140.10	=	Current Index (Anniversary Month)
138.92	=	Last Year Month Index

PERCENTAGE INCREASE: 1.02%

$1.02 \times \$0.855 = \0.872
 $\$0.872 = \text{New Cost Per Item}$

This formula shall be the basis for determining the cost per item for the term of any extension or contract renewal which may be mutually agreed upon.

If the Undersigned believes a waiver is appropriate and necessary, Section 3, the Petition for Waiver of MBE/WBE Participation must be completed.

Section 4: Certifications. Section 4 sets forth certifications that are required for contracting parties under the Code. Execution of this EDS constitutes a warranty that all the statements and certifications contained, and all the facts stated, in the Certifications are true, correct and complete as of the date of execution.

Section 5: Economic and Other Disclosures Statement. Section 5 is the County's required Economic and Other Disclosures Statement form. Execution of this EDS constitutes a warranty that all the information provided in the EDS is true, correct and complete as of the date of execution, and binds the Undersigned to the warranties, representations, agreements and acknowledgements contained therein.

ADDENDUM 1

- Question 19: Items 314-325, 331-337, 340-347, 349-366, And 392-394: Are photos and/or examples available for the patch and embroidery items? Since embroidery is normally priced by the number of stitches and colors required it is helpful to have an accurate picture of what the expected finished product will be in order to price it.
- Answer:** Yes, samples may be provided to the Office of Procurement for vendor review and will be provided upon request. Pictures of current embroidery/patch samples have also been included in this addendum.
- Question 20: Please clarify if the prices for the items that require embroidery and/or patches should include the cost of the embroidery/patches, or are we to show that as a separate cost on line items 397-398? If we are required to include the embroidery/patch price in the actual item pricing, can you please clarify what this separate embroidery charge will be for items 397-398?
- Answer:** The County requires an all-inclusive price, one price per item that includes embroidery and hemming.
- Question 21: Will the County consider allowing additional time after the Q&A are posted to allow more time for vendors to be responsive to the changes as required in the Q&A?
- Answer:** Yes, an extension is provided. The new due date for bids is November 30, 2011 at 10:00 AM.
- Question 22: In regards to the pre-bid conversation, after reviewing the scope and specifications we feel that it is possible for a single vendor to bid and provide all of the items on this bid since the County will allow like or equivalent products to be bid.
- Answer:** The bidders must bid in whole on the Lot on which they bid. Lot A, Uniforms for various Departments, must be bid in whole, all items within the lot. Lot B, JTDC Staff Uniforms, must be bid in whole, all items within the lot. Bidders may bid on either Lot A or Lot B or both. But each Lot must be bid in whole.
- Question 23: Due to the fact that there were INQUIRES asked at November 1, 2011 Pre-Bid Conference, that have yet to be answered by purchasing that are very pertinent to submittal of a correct and complete bid to the county, will the Cook County Office of the Chief Procurement Officer take this into account and extend the bid opening date past 11/16/2011?
- Answer:** Yes, an extension is provided. The new due date for bids is November 30, 2011 at 10:00 AM.
- Question 24: Since it may be close to impossible for one bidder to Submit all off the products request, due to the specifications of several of the clothing of the BID can this contract be awarded out categorically to the Lowest responsive responsible bidders? Example if a bidder was the met all the county of cook requirements of contract#11-45-155 and was only able to find ALL PRODUCTS for 1.DEPARTMENT OF CORRECTIONS & 2. SHERIFF RELEASE CENTER
- Answer:** The bidders must bid in whole on the Lot on which they bid. Lot A, Uniforms for various Departments, must be bid in whole, all items within the lot.
