Vendor Information	
Name: PKWare	Requisition No. 109950/109951
Address: 648 N. Plankinton Avenue Suite 200 Milwaukee, WI 53203	Purchase Order No.
	Contract No.

Description. Please provide a description of the goods or services required, the duration or frequency of the requirement, and where will the services or goods be delivered.
The PKWare SecureZip software is required to compress and securely transfer mission critical data to Cook County vendors, departments and external agencies. The SecureZip software will give the Bureau of Technology (BOT) the ability to eliminate the need for human intervention when transferring payroll, accounts payable and employee benefits data to our vendors. The SecureZip solution will help BOT automate the compression and secure transfer of data across all of our current platforms which included WinTel, iSeries (AS/400) and mainframe (ZSeries). SecureZip is proprietary software and the software maintenance is only available through this vendor.

Type. Please select one of the options and explain below.
☐ Single Source ☒ Proprietary/Copyright Restrictions ☐ Equipment Compatibility ☐ Patented Product ☐ Exclusive or Unique Capability ☐ Only economically feasible source Other:

Due Diligence. Describe the due diligence performed that led to the conclusion that this is a sole source.
PKWare is the industry leader in file compression and provides the only complete system for reducing, securing, moving and storing data across the mainframe, AS/400 and Intel platforms. SecureZip integrates seamlessly with PKZip which is currently installed on the County's mainframe and AS/400; PKZip is critical for the County's data processing operations. With this contract, we are able to take advantage of a proprietary software price freeze.
