COOK COUNTY ORDINANCE CHAPTER 34, DIVISION 8 SECTION 34-260 to SECTION 34-300

I. POLICY AND GOALS

A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County Contracts and to eliminate arbitrary barriers for participation in such Contracts by local businesses certified as a Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) as both prime and sub-contractors. In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes annual goals for MBE and WBE participation as outlined below:

Contract Type	Goals	
	MBE	WBE
Goods and Services	25%	10%
Construction	24%	10%
Professional Services	35% Overall	

GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES
COOK COUNTY ORDINANCE CHAPTER 34, DIVISION 8 SECTION 34-260 to SECTION 34-300 (con't.)

B. **The County shall set contract-specific goals, based on the availability of MBEs and WBEs that are certified to provide commodities or services specified in this solicitation document. The MBE/WBE participation goals for each Contract are stated in the Special Conditions.** A Bid, Quotation, or Proposal shall be rejected if the County determines that it fails to comply with this General Condition in any way, including but not limited to: (i) failing to state an enforceable commitment to achieve for this contract the identified MBE/WBE Contract goals; or (ii) failing to include a Petition for Reduction/Waiver, which states that the goals for MBE/WBE participation are not attainable despite the Bidder or Proposer Good Faith Efforts, and explains why. If a Bid, Quotation, or Proposal is rejected, then a new Bid, Quotation, or Proposal may be solicited if the public interest is served thereby.

C. To the extent that a Bid, Quotation, or Proposal includes a Petition for Reduction/Waiver that is approved by the Office of Contract Compliance, the Contract specific MBE and WBE participation goals may be achieved by the proposed Bidder or Proposer's status as an MBE or WBE; by the Bidder or Proposer's enforceable joint-venture agreement with one or more MBEs and/or WBEs; by the Bidder or Proposer entering into one or more enforceable subcontracting agreements with one or more MBE and WBE; by the Bidder or Proposer establishing and carrying out an enforceable mentor/protégé agreement with one or more MBE and WBE; by the Bidder or Proposer actively engaging the Indirect Participation of one or more MBE and WBE in other aspects of its business; or by any combination of the foregoing, so long as the Utilization Plan evidences a commitment to meet the MBE and WBE Contract goals set forth in (B) above, as approved by the Office of Contract Compliance.

D. A single Person, as defined in the Procurement Code, may not be utilized as both an MBE and a WBE on the same Contract, whether as a contractor, subcontractor or supplier.

E. Unless specifically waived in the Bid or Proposal Documents, this General Condition, GC-19; the Ordinance; and the policies and procedures promulgated thereunder shall govern. If there is a conflict between this GC-19 and the Ordinance or the policies and procedures, the Ordinance shall control.

F. A Contractor's failure to carry out its commitment regarding MBE and WBE participation in the course of the Contract's performance may constitute a material breach of the Contract. If such breach is not appropriately cured, it may result in withholding of payments under the Contract, contractual penalties, disqualification and any other remedy provided for in Division 4 of the Procurement Code at law or in equity.

II. REQUIRED BID OR PROPOSAL SUBMITTALS

A Bidder or Proposer shall document its commitment to meeting the Contract specific MBE and WBE participation goals by submitting a Utilization Plan with the Bid or Proposal. The Utilization Plan shall include (1) one or more Letter(s) of Intent from the relevant MBE and WBE firms; and (2) current Letters of Certification as an MBE or WBE. Alternatively, the Bidder or Proposer shall submit (1) a written Petition for Reduction/Waiver with the Bid, Quotation or Proposal, which documents its preceding Good Faith Efforts and an explanation of its inability to meet the goals for MBE and WBE participation. The Utilization Plan shall be submitted at the time that the bid or proposal is due. **Failure to include a Utilization Plan will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.**

A. MBE/WBE Utilization Plan

Each Bid or Proposal shall include a complete Utilization Plan, as set forth on Form 1 of the M/WBE Compliance Forms. The Utilization Plan shall include the name(s), mailing address, email address, and telephone number of the principal contact person of the relevant MBE and WBE firms. If the Bidder or Proposer submits a Bid or Proposal, and any of their subcontractors, suppliers or consultants, are certified MBE or WBE firms, they shall be identified as an MBE or WBE within the Utilization Plan.

GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES
COOK COUNTY ORDINANCE CHAPTER 34, DIVISION 8 SECTION 34-260 to SECTION 34-300 (con't.)

1. Letter(s) of Intent

Except as set forth below, a Bid or Proposal shall include, as part of the Utilization Plan, one or more Letter(s) of Intent, as set forth on Form 2 of the M/WBE Compliance Forms, executed by each MBE and WBE and the Bidder or Proposer. The Letter(s) of Intent will be used to confirm that each MBE and WBE shall perform work as a subcontractor, supplier, joint venture, or consultant on the Contract. Each Letter of Intent shall indicate whether and the degree to which the MBE or WBE will provide goods or services directly or indirectly during the term of the Contract. The box for direct participation shall be marked if the proposed MBE or WBE will provide goods or services directly related to the scope of the Contract. The box for Indirect participation shall be marked if the proposed MBE or WBE will not be directly involved in the Contract but will be utilized by the Bidder or Proposer for other services not related to the Contract. Indirect Participation shall not be counted toward the participation goal. Each Letter of Intent shall accurately detail the work to be performed by the relevant MBE or WBE firm, the agreed dollar amount, the percentage of work, and the terms of payment.

Failure to include Letter(s) of Intent will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.

All Bids and Proposals must conform to the commitments made in the corresponding Letter(s) of Intent, as may be amended through change orders.

The Contract Compliance Director may at any time request supplemental information regarding Letter(s) of Intent, and such information shall be furnished if the corresponding Bid or Proposal is to be deemed responsive.

2. Letter(s) of Certification

Only current Letter(s) of Certification from one of the following entities may be accepted as proof of certification for MBE/WBE status, provided that Cook County's requirements for certification are met:

This Affidavit form can be downloaded from www.cookcountyil.gov/contractcompliance.

The Contract Compliance Director may reject the certification of any MBE or WBE on the ground that it does not meet the requirements of the Ordinance, or the policies and rules promulgated thereunder.

B. Petition for Reduction/Waiver

In the event a Bid or Proposal does not meet the Contract specific goals for MBE and WBE participation, the Bid or Proposal shall include a Petition for Reduction/Waiver, as set forth on Form 3. The Petition for Reduction/Waiver shall be supported by sufficient evidence and documentation to demonstrate the Bidder or Proposer's Good Faith Efforts in attempting to achieve the applicable MBE and WBE goals, and its inability to do so despite its Good Faith Efforts.

Failure to include Petition for Reduction/Waiver will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.

III. REDUCTION/WAIVER OF MBE/WBE GOALS

A. Granting or Denying a Reduction/Waiver Request.

1. The adequacy of the Good Faith Efforts to utilize MBE and WBE firms in a Bid or Proposal will be evaluated by the CCD under such conditions as are set forth in the Ordinance, the policies and rules promulgated thereunder, and in the "Petition for Reduction/Waiver of MBE/WBE Participation Goals" – Form 3 of the M/WBE Compliance Forms.

2. With respect to a Petition for Reduction/Waiver, the sufficiency or insufficiency of a Bidder or Proposer's Good Faith Efforts shall be evaluated by the CCD as of the date upon which the corresponding Bid or Proposal was due.

3. The Contract Compliance Director or his or her duly authorized Waiver Committee may grant or deny the Petition for Reduction/Waiver based upon factors including but not limited to: (a) whether sufficient qualified MBE and WBE firms are unavailable despite good faith efforts on the part of the Bidder or Proposer; (b) the degree to which specifications and the reasonable and necessary requirements for performing the Contract make it impossible or economically infeasible to divide the Contract into sufficiently small tasks or quantities so as to enable the Bidder or Proposer to utilize MBE and WBE firms in accordance with the applicable goals; (c) the degree to which the prices or prices required by any potential MBE or WBE are more that 10% above competitive levels; and (d) such other factors as are determined relevant by the Contract Compliance Director or the duly authorized Waiver Committee.

4. If the Contract Compliance Director or the duly authorized Waiver Committee determines that the Bidder or Proposer has not demonstrated sufficient Good Faith Efforts to meet the applicable MBE and WBE goals, the Contract Compliance Director or the duly authorized Waiver Committee may deny a Petition for Reduction/Waiver, declare the Bid or Proposal non-responsive, and recommend rejection of the Bid, Quotation, or Proposal.

IV. CHANGES IN CONTRACTOR'S UTILIZATION PLAN

A. A Contractor, during its performance of the Contract, may not change the original MBE or WBE commitments specified in the relevant Utilization Plan, including but not limited to, terminating a MBE or WBE Contract, reducing the scope of the work to be performed by a MBE/WBE, or decreasing the price to a MBE/WBE, except as otherwise provided by the Ordinance and according to the policies and procedures promulgated thereunder.

Failure to obtain an MBE or WBE replacement within 30 business days of the Contract Compliance Director's written approval of the removal of a purported MBE or WBE may result in the termination of the Contract or the imposition of such remedy authorized by the Ordinance, unless a written Petition for Reduction/Waiver is granted allowing the Contractor to award the work to a Person that is not certified as an MBE or WBE.

V. NON-COMPLIANCE

If the CCD determines that the Contractor has failed to comply with its contractual commitments or any portion of the Ordinance, the policies and procedures promulgated thereunder, or this GC-19, the Contract Compliance Director shall notify the Contractor of such determination and may take any and all appropriate actions as set forth in the Ordinance or the policies and procedures promulgated thereunder which includes but is not limited to disqualification, penalties, withholding of payments or other remedies in law or equity.

VI. REPORTING/RECORD-KEEPING REQUIREMENTS

The Contractor shall comply with the reporting and record-keeping requirements in the manner and time established by the Ordinance, the policies and procedure promulgated thereunder, and the Contract Compliance Director. Failure to comply with such reporting and record-keeping requirements may result in a declaration of Contract default. Upon award of a Contract, a Contractor shall acquire and utilize all Cook County reporting and record-keeping forms and methods which are made available by the Office of Contract Compliance. MBE and WBE firms shall be required to verify payments made by and received from the prime contractor.

VII. EQUAL EMPLOYMENT OPPORTUNITY

The County shall not be held responsible for any orders placed, deliveries made or payment for the goods, supplies, equipment or services ordered by these entities. Each entity reserves the right to determine the amount of goods, supplies, equipment or services it wishes to purchase under this Contract.

GC-38 FEDERAL CLAUSES

The following provisions apply to all Contracts which are funded in whole or in part with federal funds.

1. Interest of Members of or Delegates to the United States Congress
   In accordance with 41 U.S.C. § 22, the Contractor agrees that it will not admit any member of or delegate to the United States Congress to any share or part of the Contract or any benefit derived therefrom.

2. False or Fraudulent Statements and Claims

   (a) The Contractor recognizes that the requirements of the Program Fraud Civil Remedies Act of 1986, as amended, 49 U.S.C. §§ 3081 et seq and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the Contract. Accordingly, by signing the Contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make pertaining to the Contract, including without limitation any invoice for its services. In addition to other penalties that may be applicable, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the Contractor to the extent the Federal Government deems appropriate.

   (b) The Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the County or Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the Contractor the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.

GC-38 FEDERAL CLAUSES (con't.)

3. Federal Interest in Patents

(a) General. If any invention, improvement, or discovery of the Contractor is conceived or first actually reduced to practice in the course of or under the Contract, and that invention, improvement, or discovery is patentable under the laws of the Unites States of America or any foreign country, the Contractor agrees to notify County immediately and provide a detailed report.

(b) Federal Rights. Unless the Federal Government later makes a contrary determination in writing, the rights and responsibilities of the County, Contractor, and the Federal Government pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws and regulations, including any waiver thereof. Unless the Federal Government later makes a contrary determination in writing, the Contractor agrees that, irrespective of its status or the status of any subcontractor at any tier (e.g., a large business, small business, non-profit organization, institution of higher education, individual), the Contractor agrees it will transmit to the Federal Government those rights due the Federal Government in any invention resulting from the contract. Patent and rights in data requirements only apply to research projects in which the purpose of the grant is to finance the development of a product or information. These patent and data rights requirements do not apply to capital projects or operating projects, even though a small portion of the sales price may cover the cost of product development or writing the user's manual. Motorola software is developed at private expense for use in the commercial market place. Motorola software is considered confidential/propriety and is protected by the software license agreement. Any and all intellectual property rights are expressly limited by the provisions set forth in the software license agreement.

4. Federal Interest in Data and Copyrights

(a) Definition. The term "subject data" used in this section means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Contract. Examples include, but are not limited, to: computer software, engineering drawings and associated lists, specifications, standards, process sheets, manuals, technical reports, catalog item identifications, and related information. The term "subject data" does not include financial reports, cost analyses, and similar information incidental to Contract administration.

(b) Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the Contract. Except as provided in the Contract and except for its own internal use, the Contractor may not publish or publicly reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the written consent of the County and the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.

(c) Federal Rights in Data and Copyrights. In accordance with subparts 34 and 36 of the Common Rule, the County and the Federal Government reserve a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for County or Federal Government purposes, the types of subject data described below. Without the copyright owner's consent, the County and Federal Government may not extend their license to other parties.

(1) Any subject data developed under the contract or subagreement financed by a federal Grant Agreement or Cooperative Agreement, whether or not a copyright has been obtained; and

(2) Any rights of copyright which the Contractor purchases ownership with Federal assistance.

GC-38 FEDERAL CLAUSES (con't.)

(d) Special Federal Rights for Planning Research and Development Projects. When the Federal Government provides financial assistance for a planning, research, development, or demonstration project, its general intention is to increase public knowledge, rather than limit the benefits of the project to participants in the project. Therefore, unless the Federal Government determines otherwise, the Contractor on a planning, research, development, or demonstration project agrees that, in addition to the rights in data and copyrights set forth above, the County or Federal Government may make available to any third party either a license in the copyright to the subject data or a copy of the subject data. If the project is not completed for any reason whatsoever, all data developed under the project will become subject data and will be delivered as the County or Federal Government may direct. This subsection, however, does not apply to adaptions of automatic data processing equipment or previously existing software programs for the County's use whose costs are financed with Federal transportation funds for capital projects.

(e) Hold Harmless. Unless prohibited by state law, upon request by the County or the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the Federal Government and their officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Contract. The Contractor will not be required to indemnify the Federal Government for any such liability arising out of the wrongful acts of employees or agents of the County or Federal Government.

(f) Restrictions on Access to Patent Rights. Nothing contained in this section on rights in data will imply a license to the County or Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the County or Federal Government under any patent.

(g) Application on Materials Incorporated into Project. The requirements of Subsections 2, 3, and 4 of this Section do not apply to material furnished by the County and incorporated into the work.

(h) Patent and rights in data requirements only apply to research projects in which the purpose of the grant is to finance the development of a product or information. These patent and data rights requirements do not apply to capital projects or operating projects, even though a small portion of the sales price may cover the cost of product development or writing the user's manual. Motorola software is developed at private expense for use in the commercial market place. Motorola software is considered confidential/propriety and is protected by the software license agreement. Any and all intellectual property rights are expressly limited by the provisions set forth in the software license agreement.

5. Records and Audits

Contractor will deliver or cause to be delivered all documents (including but not limited to all Deliverables and supporting data, records, graphs, charts and notes) prepared by or for the County under the terms of this Agreement to the County promptly in accordance with the time limits prescribed in this Contract, and if no time limit is specified, then upon reasonable demand therefor or upon termination or completion of the Services hereunder. In the event of the failure by the Contractor to make such delivery, then and in that event, the Contractor will pay to County reasonable damages the County may sustain by reason thereof.

The County, the Illinois Emergency Management Agency ("IEMA") and the Federal Government will have the right to audit all payments made to the Contractor under this Agreement. Any payments to the Contractor which exceed the amount to which the Contractor is entitled under the terms of this Agreement will be subject to set-off.

GC-38 FEDERAL CLAUSES (con't.)

The Contractor will keep and retain records relating to this Agreement and will make such records available to representatives of the County and the Federal Government, including without limitation the sponsoring federal agency, other participating agencies, and the Comptroller General of the United States, at reasonable times during the performance of this Agreement and for at least five years after termination of this Agreement for purposes of audit, inspection, copying, transcribing and abstracting.

No provision in this Agreement granting the County, IEMA or the Federal Government a right of access to records is intended to impair, limit or affect any right of access to such records which the County or the Federal Government would have had in the absence of such provisions.

In no event shall Contractor be obligated to create or maintain documents not kept in the ordinary course of business nor shall Contractor be obligated to disclose any documents or information it deems, upon good faith and after due inquiry, to be confidential or proprietary.

6. Environmental Requirements

The Contractor recognizes that many Federal and state laws imposing environmental and resource conservation requirements may apply to the Contract. Some, but not all, of the major Federal Laws that may affect the Contract include: the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq.; the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. and scattered sections of 29 U.S.C.; the Clean Water Act, as amended, scattered sections of 33 U.S.C. and 12 U.S.C.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 U.S.C. §§ 9601 et seq. The Contractor also recognizes that U.S. EPA, U.S. DOT and other agencies of the Federal Government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Contract. Thus, the Contractor agrees to adhere to, and impose on its subcontractors, any such Federal requirements as the Federal Government may now or in the future promulgate. Listed below are requirements of particular concern.

The Contractor acknowledges that this list does not constitute the Contractor's entire obligation to meet all Federal environmental and resource conservation requirements. The Contractor will include these provisions in all subcontracts.

(a) Environmental Protection. The Contractor agrees to comply with the applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 et seq. in accordance with Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 59 Fed. Reg. 7629, Feb. 16, 1994; U.S. DOT statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Part 1500 et seq.; and U.S. DOT regulations, "Environmental Impact and Related Procedures," 23 C.F.R. Part 771 and 49 C.F.R. Part 622.

(b) Air Quality. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Specifically, the Contractor agrees to comply with applicable requirements of U.S. EPA regulations, "Conformity to State of Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. GC-38 FEDERAL CLAUSES (con't.)

(c) Clean Water. The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 et seq. The Contractor further agrees to report and require each subcontractor at any tier to report any violation of these requirements resulting from any Contract implementation activity to the County and the appropriate U.S. EPA Regional Office.

(d) List of Violating Facilities. The Contractor agrees that any facility to be used in the performance of the Contract or to benefit from the Contract will not be listed on the U.S. EPA List of Violating Facilities ("List"), and the Contractor will promptly notify the County if the Contractor receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.

(e) Preference for Recycled Products. To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of the work, the Contractor agrees to use recycled products in performance of the Contract pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 C.F.R. Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962.

7. No Exclusionary or Discriminatory Specifications

Apart from inconsistent requirements imposed by Federal statute or regulations, the Contractor agrees that it will comply with the requirements of 49 U.S.C. § 5323(h)(2) by refraining from using any Federal assistance to support subcontracts procured using exclusionary or discriminatory specifications.

8. Cargo Preference - Use of United States Flag Vessels

The Contractor agrees to comply with U.S. Maritime Administration regulations, "Cargo-Preference -- U.S. Flag Vessels," 49 C.F.R. Part 381, and to include the clauses required by those regulations, modified as necessary to identify the affected parties, in each subcontract or subagreement involving equipment, materials, or commodities suitable for transport by ocean vessel.

9. Fly America

Section 14.c of the Master Agreement states that if the contract or subcontracts may involve the international transportation of goods, equipment, or personnel by air, the contract must require Contractors and subcontractors at every tier to use U.S.-flag air carriers, to the extent service by these carriers is available. 49 U.S.C. 40118 and 4 C.F.R. Part 52.

10. No Federal Government Obligations to Third Parties

The Contractor agrees that, absent the Federal Government's express written consent, the Federal Government will not be subject to any obligations or liabilities to any contractor or any other person not a party to the Grant Agreement or Cooperative Agreement between the County and the Federal Government which is a source of funds for this Contract. Notwithstanding any concurrence provided by the Federal Government in or approval of any solicitation, agreement, or contract, the Federal Government continues to have no obligations or liabilities to any party, including the Contractor.

11. Allowable Costs

Notwithstanding any compensation provision to the contrary, the Contractor's compensation under this Contract will be limited to those amounts which are allowable and allocable to the Contract in accordance with OMB Circular A-87 and the regulations in 49 C.F.R. Part 18. To the extent that an audit reveals that the Contractor has received payment in excess of such amounts, the County may offset such excess payments against any future payments due to the Contractor and, if no future payments are due or if future payments are less than such excess, the Contractor will promptly refund the amount of the excess payments to the County.

GC-38 FEDERAL CLAUSES (con't.)

12. Trade Restrictions

Contractor certifies that neither it nor any Subcontractor:

(a) is owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);

(b) has knowingly entered into any contract or subcontract with a person that is a citizen or national of a foreign country on said list, nor is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;

Explanations

COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

However, this prohibition does not preclude the Grantee from shifting costs that are allowable under two or more awards in accordance with existing program agreements. Non-governmental entities are subject to this prohibition per 2 CFR Parts 220 and 230 and FAR Part 31.2.

RECORD KEEPING AND AUDITS: Grantee shall maintain records for equipment, non-expendable personal property, and real property. SPENDING LIMITATIONS: All allocations and use of funds by the Sub-recipient shall be in accordance with applicable notices of funding opportunity and grant award. The Sub-recipient shall comply with all applicable federal and state statutes, regulations, executive orders, and other policies and requirements in carrying out any project supported by these funds. The Sub-recipient recognizes that laws, regulations, policies, and administrative practices may be modified from time to time and those modifications may affect project implementation. Statement of Work

Infrastructure Repair with Advanced Replacement

1.0 Description of Services

Infrastructure Repair with Advanced Replacement is a repair service for Motorola and select third party Infrastructure as set forth in the applicable attached Exhibit(s), all of which are hereby incorporated into this Statement of Work (SOW) by this reference. Infrastructure may be repaired down to the Component level, as applicable, at the Motorola Infrastructure Depot Operations (IDO). At Motorola's discretion, select third party Infrastructure may be sent to the original equipment manufacturer or third party vendor for repair. If Infrastructure is no longer supported by the original equipment manufacturer or third party vendor, Motorola may replace Infrastructure with similar Infrastructure, when possible.

When available, Motorola will provide Customer with an Advanced Replacement unit(s) or FRU(s) in exchange for Customer's malfunctioning FRU(s). Non-standard configurations, Customer-modified Infrastructure and certain third party Infrastructure are excluded from Advanced Replacement service. Malfunctioning FRU (s) will be evaluated and repaired by IDO and returned to IDO FRU inventory upon completion of repair.

The terms and conditions of this SOW are an integral part of Motorola's Service Terms and Conditions or other applicable agreement to which it is attached and made a part thereof by this reference.

2.0 Motorola has the following responsibilities:

2.1. Use commercially reasonable efforts to maintain an inventory of FRU.

2.2. Provide new or reconditioned units as FRU to Customer or Servicer, upon request and subject to availability. The FRU will be of similar kit and version, and will contain like boards and chips, as the Customer's malfunctioning Infrastructure.

2.3. Program FRU to original operating parameters based on templates provided by Customer as required in Section 3.5. If Customer template is not provided or is not reasonably usable, a standard default template will be used.

2.4. Properly package and ship Advanced Replacement FRU from IDO or select third party FRU inventory to Customer specified address.

2.4.1. During normal operating hours of Monday through Friday 7:00am to 7:00pm CST, excluding holidays, FRU will be sent next day air via Federal Express Priority Overnight or UPS Red, unless otherwise requested. Select third party FRU may ship second day air via Federal Express Priority Overnight or UPS red as noted in the attached exhibit(s). Motorola will pay for such shipping, unless Customer requests shipments outside of the above mentioned standard business hours and/or carrier programs, such as NFO (next flight out). In such cases, Customer will be subject to shipping and handling charges.

2.4.2. When sending the Advanced Replacement FRU to Customer, provide a return air bill in order for Customer to return the Customer's malfunctioning FRU. The Customer's malfunctioning FRU will become property of IDO or select third party and the Customer will own the Advanced Replacement FRU.

2.4.3. When sending a Loaner FRU to Customer, IDO will not provide a return air bill for the malfunctioning Infrastructure. The Customer is responsible to arrange and pay for shipping the malfunctioning Infrastructure to IDO. IDO will repair and return the Customer's Infrastructure and will provide a return air bill for the customer to return IDO's Loaner FRU.

2.5. Provide repair return authorization number upon Customer request for Infrastructure that is not classified as an Advanced Replacement or Loaner FRU.

2.6. Receive malfunctioning Infrastructure from Customer and document its arrival, repair and return.

2.7. Perform the following service on Motorola Infrastructure:

2.7.1. Perform an operational check on the Infrastructure to determine the nature of the problem.

2.7.2. Replace malfunctioning FRU or Components.
2.7.3. Verify that Motorola Infrastructure is returned to Motorola manufactured specifications, as applicable
2.7.4. Perform a Box Unit Test on all serviced Infrastructure.
2.7.5. Perform a System Test on select Infrastructure.

2.8. Provide the following service on select third party Infrastructure:
2.8.1. Perform pre-diagnostic and repair services to confirm Infrastructure malfunction and eliminate sending Infrastructure with no trouble found (NTF) to third party vendor for repair, when applicable.
2.8.2. Ship malfunctioning Infrastructure to the original equipment manufacturer or third party vendor for repair service, when applicable.
2.8.3. Track Infrastructure sent to the original equipment manufacturer or third party vendor for service.
2.8.4. Perform a post-test after repair by Motorola, original equipment manufacturer, or third party vendor to confirm malfunctioning Infrastructure has been repaired and functions properly in a Motorola System configuration, when applicable.

2.9. Re-program repaired Infrastructure to original operating parameters based on templates provided by Customer as required by Section 3.5. If Customer template is not provided or is not reasonably usable, a standard default template will be used. If IDO determines that the malfunctioning Infrastructure is due to a Software defect, IDO reserves the right to reload Infrastructure with a similar Software version. Enhancement Release(s), if needed, are subject to additional charges to be paid by Customer unless the Customer has a Motorola Software Subscription agreement.

2.10. Properly package repaired Infrastructure unless Customer's malfunctioning FRU was exchanged with an IDO FRU. Motorola will return Customer's FRU(s) to IDO's FRU inventory, upon completion of repair.

2.11. Ship repaired Infrastructure to the Customer specified address during normal operating hours set forth in 2.4.1. FRU will be sent two-day air unless otherwise requested. Motorola will pay for such shipping, unless Customer requests shipments outside of the above mentioned standard business hours and/or carrier programs, such as NFO (next flight out). In such cases, Customer will be subject to shipping and handling charges.

3.0 Customer has the following responsibilities:

3.1. Contact or instruct Servicer to contact the Motorola System Support Center (SSC) and request an Advanced Replacement, or Loaner FRU and a return authorization number (necessary for all non-Advanced Replacement repairs) prior to shipping malfunctioning Infrastructure or third party Infrastructure named in the applicable attached Exhibit.
3.1.1. Provide model description, model number, serial number, type of System and Firmware version, symptom of problem and address of site location for FRU or Infrastructure.
3.1.2. Indicate if Infrastructure or third party Infrastructure being sent in for service was subjected to physical damage or lightning damage.
3.1.3. Follow Motorola instructions regarding inclusion or removal of Firmware and Software applications from Infrastructure being sent in for service.
3.1.4. Provide Customer purchase order number to secure payment for any costs described herein.

3.2 Pay for shipping of Advanced Replacement or Loaner FRU from IDO if Customer requested shipping outside of standard business hours or carrier programs set forth in section 2.4.1.

3.3 Within five (5) days of receipt of the Advanced Replacement FRU from IDO's FRU inventory, properly package Customer's malfunctioning Infrastructure and ship the malfunctioning Infrastructure to IDO for evaluation and repair as set forth in 2.7. Customer must send the return air bill, referenced in 2.4.2 above back to IDO in order to ensure proper tracking of the returned Infrastructure. Customer will be subject to a replacement fee for malfunctioning Infrastructure not properly returned. For Infrastructure and/or third party Infrastructure repairs that are not exchanged in advance, properly package Infrastructure and ship the malfunctioning FRU, at Customer's expense and risk of loss to Motorola. Customer is responsible for properly packaging the Customer malfunctioning Infrastructure FRU to ensure that the shipped Infrastructure arrives un-damaged and in repairable condition. Clearly print the return authorization number on the outside of the packaging.

3.4 If received, Customer must properly package and ship Loaner FRU back to IDO within five (5) days of receipt of Customer's repaired FRU.
3.5 Maintain templates of Software/applications and Firmware for reloading of Infrastructure as set forth in paragraph 2.3 and 2.9.
3.6 For Digital In-Car Video Infrastructure, remove video from equipment prior to sending Infrastructure in for repair. Video retrieval is a separate service and is not included as part of this SOW. Additional services and fee applies.
3.7 Cooperate with Motorola and perform all acts that are reasonable or necessary to enable Motorola to provide the Infrastructure Repair with Advanced Replacement services to Customer.

4.0 In addition to any exclusions named in Section 5 of the Service Terms and Conditions or in any other underlying Agreement to which this SOW is attached, the following items are excluded from Infrastructure Repair with Advanced Replacement:
1. All Infrastructure over seven (7) years from product cancellation date.
2. All Broadband/WiNS Infrastructure three (3) years from product cancellation date.
3. Physically damaged Infrastructure.
4. Third party Equipment not shipped by Motorola.
5. Consumable items including, but not limited to, batteries, connectors, cables, tone/ink cartridges.
6. Video retrieval from Digital In-Car Video equipment.
7. Test equipment.

Statement of Work

Network Preventative Maintenance

1.0 Description of Service

Network Preventative Maintenance will provide an operational test and alignment, on the Customer's Infrastructure Equipment (infrastructure or fixed network equipment only) to ensure the Infrastructure meets original manufacturer's specifications, as set forth in the applicable attached Exhibit(s), all of which are hereby incorporated by this reference. Customer's System type determines which Exhibit is applicable (i.e. SmartZone system exhibit, SmartNet system exhibit). Network Preventative Maintenance will be performed during Standard Business Days. If the System or Customer requirements dictate this service must occur outside of Standard Business Days, Motorola will provide an additional quotation. Customer is responsible for any charges associated with helicopter or other unusual access requirements or expenses.

The terms and conditions of this SOW are an integral part of Motorola's Service Terms and Conditions or other applicable agreement to which it is attached and made a part thereof by this reference.

2.0 Motorola has the following responsibilities:

- 2.1 Notify the Customer of any possible System downtime needed to perform this service.
- 2.2 Physically inspect the Infrastructure Equipment in the system (equipment cabinets, general circuitry, fault indicators, cables, and connections).
- 2.3 Remove any dust, and/or foreign substances from the Infrastructure.
- 2.4 Clean filters, if applicable.
- 2.5 Measure, record, align, adjust the Infrastructure Equipment parameters in accordance with the manufacturer's service manuals and the Rules and Regulations of the Federal Communications Commission (FCC), where applicable.

3.0 Customer has the following responsibilities:

- 3.1 Provide preferred schedule for Network Preventative Maintenance to Motorola.
- 3.2 Authorize and acknowledge any scheduled System downtime.
- 3.3 Maintain periodic backup of databases, Software applications and Firmware.
- 3.4 Establish and maintain a suitable environment (heat, light, and power) for the Equipment location and provide the Servicer full, free, and safe access to the Equipment so that the Servicer may provide services. All sites shall be accessible by standard service vehicles.
- 3.5 Cooperate with Motorola and perform all acts that are reasonable or necessary to enable Motorola to provide the Network Preventative Maintenance services to Customer.

Statement of Work

Service From the Start - LITE
End Users

1.0 Description

Service From the Start-LITE provides board level service for the Equipment that is specifically named in the applicable agreement to which this Statement of Work (SOW) is attached or any of the agreement's subsequent revisions. Services are performed at the Radio Support Center (RSC), or Federal Technical Support Center.

In addition to Equipment specifically named in the applicable agreement to which this Statement of Work is attached, Service From the Start LITE includes service on single mobile control heads provided that they are required for normal operation of the Equipment and are included at the point of manufacture.

Service From the Start LITE excludes repairs to: optional accessories; standard mobile palm microphones; non-standard mobile microphones; iDEN accessories; iDEN mobile microphones; portable remote speaker microphones; optional or additional control heads; mobile external speakers; single and multiple unit portable chargers; batteries; mobile power and antenna cables; mobile antennas; portable antennas, and power supplies. Engraving service is not covered under standard Service From the Start LITE. This service does not cover defects, malfunctions, performance failures or damage to the unit resulting from physical, liquid, or chemical damage. An estimate for non-covered repairs will be provided for units displaying extensive damage.

Service From the Start LITE is non-cancelable and non-refundable. If Equipment is added to the agreement subsequent to the Start Date, these units are also non-cancelable and non-refundable for the agreement duration. All added Equipment must be in "good working order" on the Start Date or when additional Equipment is added to the agreement. To ensure "good working order", added equipment will incur a time and material (T&M) repair fee if a repair is requested on that equipment within 30 days after being added to the agreement. Equipment may only be added to the agreement, via a customer signed or emailed Motorola Inventory Adjustment Form (IAF). Complete and accurate serial numbers and model descriptions must be supplied or the added unit will not be included under the agreement and will incur a T&M repair fee.

All inventory adjustment requests for add-on subscriber units received prior to the 15th of the month will be effective the 1st of the following month. Equipment add-on requests received after the 15th of the month will be effective the 1st of the next succeeding month.

Equipment deletions from the agreement may only be deleted under the following limited conditions:

a) Equipment was stolen and proof of theft is provided to Motorola; or
b) Motorola determines Equipment is damaged beyond repair; or
c) Motorola determines Equipment is no longer supportable or is obsolete; or
d) Equipment had already been under a previous contract for at least the twelve month requirement.

Equipment deletions, where applicable, will be effective at the end of the month in which the request was received.

The terms and conditions of this Statement of Work are an integral part of the Motorola Service Agreement or other applicable agreement to which it is attached and made a part thereof by this reference. If there are any inconsistencies between the provisions of the Motorola Service Agreement or other applicable agreement and this Statement of Work, the provisions of this Statement of Work shall prevail.

2.0 Motorola has the following responsibilities:

2.1 Test and Restore the Equipment to Motorola factory specifications, including Factory Mutual (FM), and Mine Hazard Safety Association (MHSA).

2.2 Reprogram Equipment to original operating parameters based on the Customer template, if retrievable, or from a Customer supplied backup. If the Customer template or code plug is not usable, a generic template or code plug utilizing the latest Radio Service Software (RSS) or Customer Programming Software (CPS) version for that Equipment will be used. The Equipment will require additional programming by the Customer to Restore the original template. All Firmware is upgraded to the latest release for each individual product line.

2.3 Clean external housing of the Equipment. External components of unit will only be replaced when functionality has been diminished.

2.4 Pay the outbound freight charges. Motorola will pay the inbound freight charges if the Customer uses the Motorola designated delivery service.

2.5 Provide the Motorola repair request and Inventory Adjustment Form (IAF) via Motorola On Line (MOL).

2.6 Process inventory adjustment requests received by email or fax from Customer. If the request is received by email, Motorola will email an acknowledgement to the sender.

2.7 Perform covered services as requested by Customer on the Motorola repair request form.

2.8 If applicable, notify Customer of changes in Motorola designated inventory adjustment email address or fax number.

3.0 Customer has the following Responsibilities:

3.1 Supply Motorola complete and accurate serial numbers and model description.

3.2 Utilize the Motorola designated delivery service program to obtain Motorola payment for inbound shipping

3.3 Access the Motorola repair request form and Inventory Adjustment Form (IAF) through Motorola On Line (MOL).

3.4 Initiate service request via Motorola On Line (MOL) or complete a Motorola repair request form with contract number referenced, and submit with each unit of Equipment sent in for service. Mobile control heads or accessory items sent in must reference the serial number of the main unit.

3.5 If desired, supply Motorola with a Software template or programming in order to assist in returning the Equipment to original operating parameters. This step must be completed for Equipment that will not power up. If applicable, record the current flashcode for each radio.

3.6 If Motorola must utilize a generic template or code plug to Restore Equipment to operating condition, Customer is responsible for any programming required to Restore Equipment to desired parameters.

3.7 Provide a signed or emailed Motorola Inventory Adjustment Form (IAF) for all Equipment additions.

3.8 Local services or annual maintenance required for maintaining normal operation of the equipment, unless specified on the service agreement.

MOTOROLA SOLUTIONS

STATEMENT OF WORK

ASTRO 25 SOFTWARE MAINTENANCE AGREEMENT (SMA)

1.0 Description of Service and Obligations

1.1 As major system releases become available, Motorola agrees to provide the system owner with the software required to execute up to one system infrastructure upgrade in a 12 month period for their ASTRO 25 system. Additionally, if purchased, the Security Update Service (SUS) coverage is defined in Appendix B.

1.2 Motorola agrees to provide minor software upgrades, known as "patch releases", which may include commercial Operating Software ("OS") and application software patches and service pack updates when and if available. Currently, the parties acknowledge that Motorola's service includes Microsoft Windows and Server OS, Red Hat Linux, Sun Solaris and any Motorola software service packs that may be available. Motorola agrees to provide only patch releases that have been analyzed, pre-tested, and certified in a dedicated ASTRO 25 test lab to ensure that they are compatible and do not interfere with the ASTRO 25 network functionality. Corresponding 3rd Party software and operating system patches will be released quarterly upon successful completion of the regular test cycle or at Motorola's discretion. Once a patch release has been validated as safe for deployment on the radio network, Motorola agrees to post it on a Motorola secure extranet site for the Customer to download and deploy.

1.2.1 The parties agree that minor software upgrades, and patch release coverage, which include commercial Operating Software ("OS") and application software patches and service pack updates, will terminate should the customers system release version become more than 5 system release versions form the current shipping release version.

1.3 The parties agree that ASTRO 25 system release upgrades are considered "major" upgrades if they include commercial OS and application software updates as well as Motorola system release software. System releases shall be pre-tested and certified in Motorola's Systems Integration Test lab. ASTRO 25 system releases shall improve the system functionality and operation from previous releases and may include some minor feature enhancements. At Motorola's option, system releases may also include significant new feature enhancements as optional features. The SMA does not include coverage for new optional feature software. Optional features may be offered for purchase.

1.4 The parties agree that the ASTRO 25 system release upgrades include limited security updates issued by Microsoft, Solaris and Red Hat certified with each individual system release.

1.5 Motorola agrees that this Agreement entitles a Customer to past software versions for the purpose of downgrading product software to a compatible release version.

1.6 The parties agree that the ASTRO 25 SMA pricing is based on the system configuration outlined in Appendix A. The parties further agree that this configuration is to be reviewed annually on the contract renewal date. Any change in system configuration may require an ASTRO 25 Software Maintenance Agreement price adjustment.

1.7 The parties agree and acknowledge that the ASTRO 25 SMA applies only to system release upgrades within the ASTRO 25 7.x platform.

1.8 Motorola agrees that the following ASTRO 25 system release software for the following products are covered under this Agreement: base stations, site controllers, comparators, routers, LAN switches, servers, dispatch consoles, NICE IP logging recorder, NICE replay stations (Scenario Replay and Inform Lite), network management terminals, Network Fault Management (NFM) products, network security devices such as firewalls and intrusion detection sensors, and associated peripheral infrastructure software.

1.9 Product programming software such as Radio Service Software ("RSS"), Configuration Service Software ("CSS"), and Customer Programming Software ("CPS") are also covered under this Agreement.

1.10 The parties agree that the SMA makes available the subscriber radio software releases that are shipping from the factory during the SMA coverage period. The parties further agree that new subscriber radio options and features not previously purchased are excluded from SMA coverage. Additionally, subscriber software installation and reprogramming are excluded from the ASTRO 25 SMA coverage.

1.11 Motorola agrees to issue the SMA bulletin on an annual basis and post it in soft copy on a designated extranet site for Customer access. Standard and optional features for a given ASTRO 25 system release are listed in the SMA bulletin.

1.12 Coverage Continuity.

1.12.1 The parties acknowledge and agree that the ASTRO 25 SMA requires continuous coverage beginning within (90) days after the expiration of system warranty. Should the Customer delay purchase of an ASTRO 25 SMA beyond (90) days from system warranty expiration or elect to discontinue the ASTRO 25 SMA and later decide to reinstate coverage, additional payment(s) will be necessary to cover the period for which coverage was discontinued or delayed. The total of payments for lapses in coverage will not exceed 3 years in equivalent ASTRO 25 SMA coverage.

1.13 The Customer agrees that they shall:

1.13.1 Contact Motorola upon receiving a bulletin to engage the appropriate Motorola resources for a system release upgrade.

1.13.2 Purchase any hardware and labor needed to implement system release upgrades.

1.13.3 Purchase optional system release features or system expansions.

1.13.4 Purchase any additional hardware and software needed to implement any optional system release features or system expansions.

1.13.5 Provide or purchase labor to implement optional system release features or system expansions.

1.13.6 Cooperate with Motorola and perform all acts that are reasonable or necessary to enable Motorola to provide software upgrade services.

2.0 Exclusions and Limitations

2.1 The parties agree that Systems that have non-standard configurations that have not been certified by Motorola Systems Integration Testing are specifically excluded from the ASTRO 25 SMA unless otherwise agreed in writing by Motorola and included in this SOW.

2.2 The parties acknowledge and agree that the ASTRO 25 SMA does not cover the following products:

- NICE Full Inform
- MCC5500 Dispatch Consoles
- MIP5000 Dispatch Consoles
- Plant/E911 Systems
- MOTOBRIDGE Solutions
- ARC 4000 Systems
- Motorola Public Sector Applications Software (PSA)
- Custom SW, CAD, Records Management Software
- Data Radio Devices
- Mobile computing devices such as Laptops
- Non-Motorola two-way radio subscriber products
- Genesis Products
- Point-to-point products such as Microwave terminals and association multiplex equipment

2.3 The parties agree that hardware upgrades and/or replacements, as well as pre-planning, design and implementation services required to deploy an ASTRO 25 system release upgrade are not included within the coverage of the ASTRO 25 Software Maintenance Agreement. The parties further agree that implementation services and any hardware upgrades and/or replacements required to support the system release upgrade will be quoted separately for the specific system release upgrade requested by the customer.

2.4 The parties agree that the ASTRO 25 system releases include limited security updates issued by Microsoft, Solaris and Red Hat certified with each individual system release.

2.5 The parties agree that the ASTRO 25 SMA does not cover software support for virus attacks or other applications that are not part of the ASTRO 25 system, or unauthorized modifications or other misuse of the covered software. Motorola is not responsible for management of anti-virus or other security applications (such as Norton). Anti-virus and/or security application support may be covered under a separate agreement.

2.6 The parties agree that upgrades for equipment add-ons or expansions during the term of the contract are not included in the coverage of this SOW unless otherwise agreed to by Motorola.

3.0 Special provisions

3.1 Customer acknowledges that if its System has a Special Product Feature, additional engineering may be required to prevent an installed system release from overwriting the Special Product Feature. Upon request, Motorola will determine whether a Special Product Feature can be incorporated into a system release and whether additional engineering effort is required. If additional engineering is required Motorola will issue a change order for the change in scope and associated increase in the price for the ASTRO 25 Software Maintenance Agreement.

3.2 Customer may use the software (including any System Releases) only in accordance with the applicable Software License Agreement. The SMA Statement of Work is not intended to modify or terminate an existing Software License Agreement. The SMA or services rendered by Motorola does not alter Motorola's software intellectual property rights.

3.3 Customer acknowledges that Software Maintenance Agreement services do not include repair or replacement of hardware or software necessary due to defects that are not corrected by the system release, nor does it include repair or replacement of defects resulting from any nonstandard or improper use or conditions or from unauthorized installation of software.

3.4 The parties agree that ASTRO 25 SMA coverage and the parties' responsibilities described in this Statement of Work will automatically terminate if Motorola no longer supports the ASTRO 25 7.x software version in the Customer's system or discontinues the SMA program; in either case, Motorola will refund to Customer any prepaid fees for Software Maintenance services applicable to the terminated period.

3.5 Motorola may suspend or terminate the ASTRO 25 Software Maintenance Agreement if the following conditions apply:

- Customer fails to pay Motorola any fees for the ASTRO 25 SMA when due
- Customer breaches the Software License Agreement or other applicable agreement
- Customer's rights to use the software under the Software License Agreement expire or are terminated
- Customer replaces its Motorola System with a system from another manufacturer

4.0 WARRANTIES AND DISCLAIMER:

Motorola warrants that its services will be free of defects in materials and workmanship for a period of ninety (90) days following completion of the service ("Warranty Period"). Your sole remedies are to require Motorola to re-perform the affected service or at Motorola's option to refund, on a pro-rata basis, the service fees paid for the affected service. Product and software documentation that specifies technical and performance features and capabilities, and the user, operation and training manuals for the Software (including all physical or electronic media upon which this information is provided) are collectively referred to as "Documentation." During the applicable Warranty Period, Motorola warrants that the tested anti-virus definitions, intrusion detection sensor signatures, and operating system security updates/patches do not degrade or compromise System functionality, and that after incorporation of the recommended remediation action the System Software, when used properly and in accordance with the Documentation, will be free from a reproducible defect that eliminates the functionality or successful operation of a feature critical to the primary functionality or successful operation of the software. Whether a defect occurs will be determined solely with reference to the Documentation. Motorola does not warrant that Customer's use of the software or products will be uninterrupted or error-free or that the software or the products will meet Customer's particular requirements.

MOTOROLA DISCLAIMS ALL OTHER WARRANTIES WITH RESPECT TO PRETESTED ANTI-VIRUS DEFINITIONS, DATABASE SECURITY UPDATES, OPERATING SYSTEM SOFTWARE PATCHES, AND INTRUSION DETECTION SENSOR SIGNATURE FILES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. FURTHER, MOTOROLA DISCLAIMS ANY WARRANTY CONCERNING THE NON-MOTOROLA SOFTWARE AND DOES NOT GUARANTEE THAT CUSTOMER'S SYSTEM WILL BE ERROR-FREE OR IMMUNE TO VIRUSES OR WORMS AS A RESULT OF THESE SERVICES.

1.0 Description of Services

Antenna Site Management includes the management of antenna site preventative maintenance, repairs, and associated site services. Motorola will coordinate and manage antenna site preventative maintenance activities, repairs and servicers for typical antenna site elements including, but not limited to, tower structure maintenance, grounds maintenance, site equipment maintenance, and building maintenance. Servicers or subcontractors used to provide preventative maintenance activities and repairs will be recommended by Motorola. Motorola reserves the right to decline to provide Antenna Site Management for those services performed by servicer(s)/subcontractor(s) utilized by Customer and not recommended by Motorola.

Subcontractor options can be added to Antenna Site Management whereby Motorola will contract directly with the servicer and costs of preventative maintenance will be included as part of Motorola's overall Antenna Site Management service costs. Subcontractor options are available for: UPS, generator, HVAC, fire extinguisher, janitorial services, pest control, snow removal, site exterior maintenance, building interior/exterior, and tower structure maintenance. If subcontractor options are not contracted by Motorola, then the Customer will hold the contract directly with the service provider. Customer contracts held directly with servicers are subject to Motorola's review as provided herein. Motorola may, in its reasonable discretion, decline to manage services provided by a particular servicer and such services will be excluded from this Statement Of Work (SOW). For Customer contracts held directly with the servicer, preventative maintenance costs are not included as part of Motorola's Antenna Site Management service, and Customer is responsible for any such costs. (see Exclusions below)

Motorola will leverage its expertise and experience in delivering Antenna Site Management by utilizing management and maintenance tools it has developed specific to the delivery of this service. The tools may include, but are not limited to, the quarterly antenna site audit form, and task lists developed specifically for site elements to be managed. These Motorola developed tools may reference Motorola Standards and Guidelines for Communication Sites - R56, Environmental Health and Safety, Occupational Safety and Health Administration, Electro Magnetic Energy, Federal Communications Commission, Federal Aviation Administration, National Fire Protection Association, Electronic Industries Alliance/Telecommunications Industry Association and/or other compliance guidelines.

Exclusions

Examples of items excluded as part of Motorola's Antenna Site Management services and related costs include the following: a) any services or costs related to compliance with applicable laws and regulations or costs including, but not limited to, FCC, environmental or worker safety and health, associated with items found by Motorola to be non-compliant, b) preventative maintenance service costs, unless Motorola is providing services through its subcontractor in which case such costs will be added to the overall Antenna Site Management costs,

c) any parts, capital improvements, and/or repair/replacement costs such as, but not limited to, paint, shingles, fuel, UPS batteries, tower light bulbs, repair of leaky roof, environmental cleanups and/or waste disposal, service costs, or equipment repair/replacement, d) management of radio communication system equipment maintenance, e) non-customer owned radio frequency equipment f) interference analysis or issues, g) Electro Magnetic Energy (EME) Survey, h) engineering services, and i) tower light monitoring.

The terms and conditions of this SOW are an integral part of Motorola's Service Terms and Conditions or other applicable Agreement to which it is attached and made a part thereof by this reference. In the event that the provisions in the SOW directly conflict with the provisions of Motorola's Service Terms and Conditions or other applicable Agreement to which this SOW is attached, the provisions of the SOW shall govern.

2.0 Motorola has the following responsibilities:

2.1. Receive and review Customer documentation including, but not limited to, maintenance history, area maps, plat drawing, site compound, shelter layout and construction specifications, electrical diagrams, HVAC diagrams, cable runway system, antenna tower specifications, tower orientation, antenna orientation, antenna placement, tower section configuration and complex antenna mount layout. 2.4. Identify and recommend (as applicable) qualified servicers or subcontractors to perform preventative maintenance per the specific task lists for antenna site elements. In the event that Customer uses a servicer or subcontractor not recommended by Motorola, Motorola may communicate areas of concern and suggest modifications relative to the antenna site and related services to be performed by such servicer or subcontractor for Customer. Motorola reserves the right to decline to provide Antenna Site Management for those services performed by servicer(s)/subcontractor(s) utilized by Customer and not recommended by Motorola.

2.5. Review Customer contracts held directly with servicers to ensure Motorola is able to effectively deliver the Antenna Site Management service to Customer. Motorola may communicate areas of concern and suggested modifications to Customer contracts held directly with servicers or subcontractors.

Critical issues are those that are non-compliant to federal, state or local guidelines and/or those issues that may threaten system performance, present a danger to the property or to servicers. Notification should include a description of the problem, compliance specifications, and a recommendation for resolution. If Customer fails to make the identified issue compliant within thirty (30) days of receipt of notice or within the time specified by local, state or federal requirements, Motorola may, but is not obligated to, make arrangements to enable Customer to achieve compliance and will bill the cost of such services to Customer. If compliance cannot be met, Motorola may, in its sole discretion, exclude the antenna site from Antenna Site Management services.

2.15. Confirm with Customer that required building leases, permits and registrations have been obtained and are current.

- Inspect condition and tension of all belts.
- Inspect cooling system to include condition of coolant, hoses, radiator and inlet and outlet dampers.
- Inspect fuel system to include above ground tank, day tank and day tank pump, all visible fuel lines and fittings.
- Clean or replace fuel filters and sediment bowls as required.
- Check condition of batteries and charge rate.
- Clean and refill air cleaner or change element as required.
- Inspect generator brushes and slip rings when necessary.
- Inspect generator control and engine wiring.
- Inspect AC wiring at generator and automatic transfer switch(es) using infrared probe.
- Inspect remote annunciator.
- Check all instruments for proper operation.
- Instruct proper personnel, if such personnel is available and present at the time of inspection, on operation and upkeep procedures between inspections.
- After all the above, run generator set and conduct testing (under load when practical.)
- Check automatic transfer switch(es) for proper operation to include logic, time relays, contacts, exercise cycle, and switching of power source.
- Submit a report of this inspection, and advise of any further work required. These repairs will only be made after proper authorization has been made and performed at standard hourly labor rates.

MOTOROLA SUPPLEMENTAL TERMS AND CONDITIONS FOR SERVICES

EXHIBIT E
SUPPLEMENTAL TERMS AND CONDITIONS FOR SERVICES

Section 1 DEFINITIONS AND INTERPRETATION

1.1. "Agreement" means Contract number 1511-15013 including Part I., Part II. General Conditions, all Exhibits (A, B, C, D, E, F, F-1, G, H, I, J and K) and the complete set of Cook County Economic Disclosure Statement (EDS) Forms, Evidence of Insurance, Evidence of Board Approval, Identification of Subcontractor/Supplier/Subconsultant Form and Minority and Women Owned Business Enterprise Utilization Plan.

1.2. "Equipment" means the equipment that is specified in the attachments or is subsequently added to this Agreement at the County's request.

1.3. "Services" means those installation, maintenance, support, training, and other services described in this Agreement.

Section 2 SCOPE OF SERVICES

2.1. Motorola will provide the Services described in this Agreement or in a more detailed statement of work or other document attached to this Agreement. At County's request, Motorola may also provide additional services at Motorola's then-applicable rates for the services.

2.2. If Motorola is providing Services for Equipment, Motorola parts or parts of equal quality will be used; the Equipment will be serviced at levels set forth in the manufacturer's product manuals; and routine service procedures that are prescribed by Motorola will be followed.

2.3. If County purchases from Motorola additional equipment that becomes part of the same system as the initial Equipment, the additional equipment may be added to this Agreement and will be billed at the applicable rates after the warranty for that additional equipment expires.

2.4. All Equipment must be in good working order on the effective date or when additional equipment is added to the Agreement. Upon reasonable request by Motorola, County will provide a complete serial and model number list of the Equipment. County must promptly notify Motorola in writing when any Equipment is lost, damaged, stolen or taken out of service.

2.5. County must specifically identify any Equipment that is labeled intrinsically safe for use in hazardous environments.

2.6. If Equipment cannot, in Motorola's reasonable opinion, be properly or economically serviced for any reason, Motorola may modify the scope of Services related to that Equipment; remove that Equipment from the Agreement; or increase the price to Service that Equipment.

2.7. County must promptly notify Motorola of any Equipment failure. Motorola will respond to County's notification in a manner consistent with the level of Service purchased as indicated in this Agreement.

Section 3 EXCLUDED SERVICES

3.1. Service excludes the repair or replacement of Equipment that has become defective or damaged from use in other than the normal, customary, intended, and authorized manner; use not in compliance with applicable industry standards; excessive wear and tear; or accident, liquids, power surges, neglect, acts of God or other force majeure events.

Section 3 EXCLUDED SERVICES (con't.)

3.2 The County has allocated funds in this Contract to cover items that are consumed in the normal operation of the Equipment, such as batteries or magnetic tapes; upgrading or reprogramming Equipment; accessories, belt clips, battery chargers, custom or special products, modified units, or software; and repair or maintenance of any transmission line, antenna, microwave equipment, tower or tower lighting, duplexer, combiner, or multicoupler. However, Motorola has no obligations for any transmission medium, such as telephone lines, computer networks, the internet or the worldwide web, or for Equipment malfunction caused by the transmission medium.

Section 4 TIME AND PLACE OF SERVICE

Service will be provided at the location specified in this Agreement. When Motorola performs service at County's location, County will provide Motorola, at no charge, a non-hazardous work environment with adequate shelter, heat, light, and power and with full and free access to the Equipment. Waivers of liability from Motorola or its subcontractors will not be imposed as a site access requirement. County will provide all information pertaining to the hardware and software elements of any system with which the Equipment is interfacing so that Motorola may perform its Services. Unless otherwise stated in this Agreement, the hours of Service will be 8:30 a.m. to 4:30 p.m., local time, excluding weekends and holidays. Unless otherwise stated in this Agreement, the price for the Services exclude any charges or expenses associated with helicopter or other unusual access requirements. Notwithstanding the foregoing, Motorola shall not incur such expenses on behalf of the County without prior written approval of the Chief Procurement Officer. The Parties understand and agree that if such expenses increase the total amount of the contract, reimbursement may be subject to prior approval by the Cook County Board of Commissioners.

Section 5 CUSTOMER CONTACT

County will provide Motorola with designated points of contact (list of names and phone numbers) that will be available twenty-four (24) hours per day, seven (7) days per week, and an escalation procedure to enable Customer's personnel to maintain contact, as needed, with Motorola.

Section 6 LIMITATION OF LIABILITY AND INSURANCE

6.1 Limitation of Liability. Except for personal injury or death, Motorola's total liability to the County, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the value of this Contract as awarded by the Cook County Board of Commissioners. . ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT MOTOROLA WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT OR THE PERFORMANCE OF SERVICES BY MOTOROLA PURSUANT TO THIS AGREEMENT. This limitation of liability will survive the expiration or termination of this Agreement and applies notwithstanding any contrary provision.

Section 7 FCC LICENSES AND OTHER AUTHORIZATIONS

County is solely responsible for obtaining licenses or other authorizations required by the Federal Communications Commission or any other federal, state, or local government agency and for complying with all rules and regulations required by governmental agencies. Neither Motorola nor any of its employees is an agent or representative of County in any governmental matters.

Section 8 MATERIALS, TOOLS AND EQUIPMENT

All tools, equipment, dies, gauges, models, drawings or other materials paid for or furnished by Motorola for the purpose of this Agreement will be held by County for Motorola's use without charge and remain the sole property of Motorola, The County will reasonably safeguard all such property while it is in the County's custody and control and will be liable for any loss or damage to such property to the extent such loss or damage is caused by the County's negligence. The County shall return such property to Motorola upon request.

Section 9 CONTINUATION OF SERVICES

If Motorola provides Services after the termination or expiration of this Agreement, the County agrees to pay for those services on a time and materials basis at Motorola's then effective hourly rates.

MOTOROLA EQUIPMENT AND PARTS PURCHASES SUPPLEMENTAL TERMS AND CONDITIONS

EXHIBIT F
EQUIPMENT AND PARTS PURCHASE
SUPPLEMENTAL TERMS AND CONDITIONS

Price and Payment Terms: Title to software will not pass to County at any time.

Software: Replacement parts provided pursuant to this Contract may include software embedded in it. If this transaction involves software, any software owned by Contractor ("Motorola Software") is licensed to County solely in accordance with Contractor's Software License Agreement ("SLA"), which is attached as Exhibit F-1 and incorporated herein by this reference. Any software owned by a third party ("Non-Motorola Software") is licensed to County in accordance with the standard license, terms, and restrictions of the copyright owner unless the owner has granted to Contractor the right to sublicense its software pursuant to the SLA, in which case the SLA applies and the owner will have all rights and protections under the SLA as the Licensor. Contractor makes no representations or warranties of any kind regarding Non-Motorola Software.

Express Limited Warranty for Equipment and Parts and Warranty Disclaimer: Motorola Software is warranted in accordance with the SLA. For one year from the date of shipment, Contractor warrants that the equipment and parts under normal use and service are free from material defects in material and workmanship. These warranties do not apply to (i) defects or damage resulting from: use of the equipment, part, or Motorola Software in other than its normal, customary, and authorized manner; accident, liquids, neglect, or acts of God; testing, maintenance, disassembly, repair, installation, alteration, modification, or adjustment not provided or authorized in writing by Contractor; or County's failure to comply with all applicable industry and OSHA standards; (ii) breakage of or damage to antennas unless caused directly by defects in material or workmanship; (iii) equipment that has had the serial number removed or made illegible; (iv) batteries (because they carry their own separate limited warranty) or consumables; (v) freight costs to ship equipment or parts to the repair depot; (vi) scratches or other cosmetic damage to equipment surfaces that does not affect the operation of the equipment; and (vii) normal or customary wear and tear. These express limited warranties are extended by Contractor to the original user purchasing the products for commercial, industrial, or governmental use only, and are not assignable or transferable. If County gives notice of a valid warranty claim before the expiration of the warranty period, Contractor will (at its option and at no additional charge to County) repair the defective product, replace it with the same or equivalent product, or refund the price of the defective product. This action will be the full extent of Contractor's liability for a warranty claim. Repaired or replaced product is warranted for the balance of the original applicable Warranty Period. All replaced products or parts will become the property of Contractor. THESE WARRANTIES ARE THE COMPLETE WARRANTIES AND ARE GIVEN IN LIEU OF ALL OTHER WARRANTIES. SELLER DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

LIMITATION OF LIABILITY: Except for personal injury or death, Motorola's total liability to the County, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the value of this Contract as awarded by the Cook County Board of Commissioners. . ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT MOTOROLA WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT OR THE PERFORMANCE OF SERVICES BY MOTOROLA PURSUANT TO THIS AGREEMENT. This limitation of liability will survive the expiration or termination of this Agreement and applies notwithstanding any contrary provision.

Miscellaneous: Each party will comply with all applicable laws, regulations and rules concerning the performance of this Agreement or use of the products. Customer will obtain and comply with all FCC licenses and authorizations required for the installation, operation and use of the products.

EXHIBIT F1

MOTOROLA SOFTWARE LICENSE AGREEMENT

Exhibit F-1 (Continued)
Software License Agreement

In this Exhibit F-1, the term "Licensor" means Motorola Solutions, Inc., ("Motorola"); "Licensee," means the County of Cook, Illinois ("County"); "Primary Agreement" means the contract to which this Exhibit and the Equipment and Parts Purchase Supplemental Terms and Conditions are attached; and "Agreement" means this Exhibit and the applicable terms and conditions contained in the Primary Agreement. The parties agree as follows:

Section 1 SCOPE

Licensor will provide to Licensee proprietary software, radio communications, computer, or other electronic products ("Products") containing embedded or pre-loaded proprietary software, or both. "Software" means the proprietary software in object code format, and adaptations, translations, de-compilations, disassemblies, emulations, or derivative works of the software, and may contain one or more items of software owned by a third party supplier ("Third Party Software"). Product and Software documentation that specifies technical and performance features and capabilities, and the user, operation and training manuals for the Software (including all physical or electronic media upon which this information is provided) are collectively referred to as "Documentation." This Agreement contains the terms and conditions pursuant to which Licensor will license to Licensee, and Licensee may use, the Software and Documentation.

Section 2 GRANT OF LICENSE

Subject to Section 1, Licensor hereby grants to Licensee a personal, non-transferable (except as permitted in Section 8 below), limited, and non-exclusive license under Licensor's applicable proprietary rights to use the Software and related Documentation for the purposes for which they were designed and in accordance with the terms and conditions of this Agreement. The license does not grant any rights to source code.

If the Software is or includes Integration Framework, Customer Service Request ("CSR"), or Cityworks software, that Software is licensed pursuant to this Software License Agreement plus a separate document entitled "Software License Agreement Rider for Integration Framework, Customer Service Request, or Cityworks Software" (which document is incorporated by this reference and is either attached to this Agreement or will be provided upon Licensee's request).

Section 3 LIMITATIONS ON USE

3.1. Licensee acknowledges that Licensor has made a considerable investment of resources in the development, marketing, and distribution of its proprietary Software and Documentation and that reasonable and appropriate limitations on Licensee's use of the Software and Documentation are necessary for Licensor to protect its investment, trade secrets, and valuable intellectual property rights concerning the Software and Documentation, Therefore, Licensee may use the Software only for Licensee's internal business purposes and only in accordance with the Documentation. Any other use of the Software is strictly prohibited. Licensee may not for any reason modify, disassemble, peel components, decompile, otherwise reverse engineer or attempt to reverse engineer, derive source code, create derivative works from, adapt, translate, merge with other software, copy, reproduce, distribute, or export any Software or permit or encourage any third party to do so, except that Licensee may make one copy of Software provided by Licensor to be used solely for archival, back-up, or disaster recovery purposes. Licensee must reproduce all copyright and trademark notices on all copies of the Software and Documentation.

3.2. Licensee may not copy onto or transfer Software installed in one Product device onto another device. Notwithstanding the preceding sentence, Licensee may temporarily transfer Software installed on one device onto another if the original device is inoperable or malfunctioning, if Licensee provides written notice to Licensor of this temporary transfer and it is discontinued when the original device is returned to operation. Upon Licensor's written request, Licensee must provide to Licensor a written list of all Product devices in which the Software is installed and being used by Licensee.

3.3. [Intentionally Omitted]

Section 4 OWNERSHIP AND TITLE

Title to all copies of Software will not pass to Licensee at any time but remains vested exclusively in the copyright owner. The copyright owner owns and retains all of its proprietary rights in any form concerning the Software and Documentation, including all rights in patents, patent applications, inventions, copyrights, trade secrets, trademarks, trade names, and other intellectual properties (including any corrections, bug fixes, enhancements, updates, or modifications to or derivative works from the Software whether made by Licensor or another party, or any improvements that result from Licensor's processes or, if applicable, providing information services). Nothing in this Agreement is intended to restrict the proprietary rights of Licensor or to grant by implication or estoppel any proprietary rights. All intellectual property developed, originated, or prepared by Licensor in connection with providing to Licensee Software, Products, or related services remain vested exclusively in Licensor, and this Agreement does not grant to Licensee any shared development rights of intellectual property.

Section 5 CONFIDENTIALITY

Licensee acknowledges that the Software and Documentation contain Licensor's valuable proprietary and Confidential Information and trade secrets, and that the provisions in the Agreement concerning Confidential Information apply.

Section 6 LIMITED WARRANTY

6.1. The commencement date and the term of the Software warranty will be as stated in the Primary Agreement, except that the Warranty Period for application Software that is provided on a per unit basis, the Warranty Period for subsequent units licensed is the remainder (if any) of the initial Warranty Period or, if the initial Warranty Period has expired, the remainder (if any) of the term of the applicable Software Maintenance and Support Agreement.

6.2. During the applicable Warranty Period, Licensor warrants that the unmodified Software, when used properly and in accordance with this Agreement, will be free from a reproducible defect that eliminates the functionality or successful operation of a feature critical to the primary functionality or successful operation of the Software. Whether a defect occurs will be determined solely with reference to the Documentation. Licensor does not warrant that Licensee's use of the Software or Products will be uninterrupted or error-free or that the Software or the Products will meet Licensee's particular requirements. Warranty claims are described in the Primary Agreement.

6.3. LICENSOR DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE TRANSACTION COVERED BY THIS AGREEMENT IS A LICENSE AND NOT A SALE OF GOODS.

Section 7 LIMITATION OF LIABILITY

[Intentionally Omitted]

Section 8 TRANSFERS

Licensee will not transfer Software to any third party without Licensor's prior written consent, which consent may be withheld in Licensor's reasonable discretion and which may be conditioned upon the transferee paying all applicable license fees and agreeing to be bound by this Agreement. Notwithstanding the preceding sentence, if Licensee transfers ownership of radio Products to a third party, Licensee may assign its rights to use the Software (other than Radio Service Software and Motorola's FLASHport® Software) embedded in or furnished for use with those radio Products if Licensee transfers all copies of the Software and the related Documentation to the transferee, and the transferee executes a transfer form to be provided by Licensor upon request (which form obligates the transferee to be bound by this Agreement).

Section 9 TERM AND TERMINATION

[Intentionally Omitted]

Section 10 NOTICES

Notices are described in the Primary Agreement.

Section 11 UNITED STATES GOVERNMENT LICENSING PROVISIONS

If Licensee is the United States Government or a United States Government agency, then this section applies. Licensee's use, duplication or disclosure of the Software and Documentation under Licensor's copyrights or trade secret rights is subject to the restrictions set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights clause at FAR 52.227-19 (JUNE 1987), if applicable, unless they are being provided to the Department of Defense. If the Software and Documentation are being provided to the Department of Defense, Licensee's use, duplication, or disclosure of Software and Documentation is subject to the restricted rights set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 (OCT 1988), if applicable. The Software and Documentation may or may not include a Restricted Rights notice, or other notice referring to this Agreement. The provisions of this Agreement will continue to apply, but only to the extent that they are consistent with the rights provided to the Licensee under the provisions of the FAR or DFARS mentioned above, as applicable to the particular procuring agency and procurement transaction.

Section 12 GENERAL

12.1. COPYRIGHT NOTICES. The existence of a copyright notice on the Software will not be construed as an admission or presumption that public disclosure of the Software or any trade secrets associated with the Software has occurred.

12.2. COMPLIANCE WITH LAWS. Licensee will comply with all applicable laws and regulations, including export laws and regulations of the United States. Licensee will not, without the prior authorization of Licensor and the appropriate governmental authority of the United States, in any form export or re-export, sell or resell, ship or reship, or divert, through direct or indirect means, any item or technical data or direct or indirect products sold or otherwise furnished to any person within any territory for which the United States Government or any of its agencies , at the time of the action, requires an export license or other governmental approval. Violation of this provision will be a material breach of this Agreement, permitting immediate termination by Licensor.

12.3. ASSIGNMENTS. [Intentionally Omitted]

12.4. GOVERNING LAW. [Intentionally Omitted]

DEPARTMENT OF PROCUREMENT SERVICES

DEC 27 2013 CITY OF CHICAGO

Cynthia Glashagel
Chicago Communications, LLC.
200 Spangler Avenue
Elmhurst, IL 60126

Dear Ms. Glashagel:

We are pleased to inform you that **Chicago Communications, LLC.** has been certified as a **Women Business Enterprise ("WBE")** by the City of Chicago ("City"). This **WBE** certification is valid until **12/30/2018**; however your firm's certification must be revalidated annually. In the past the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. As a consequence, we require you to be even more diligent in filing your **annual No-Change Affidavit 60 days** before your annual anniversary date.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification during the five year period stated above, you must file an annual No-Change Affidavit. Your firm's **annual No-Change Affidavit** is due by **12/30/2014, 12/30/2015, 12/30/2016, and 12/30/2017**. Please remember, you have an affirmative duty to file your **No-Change Affidavit 60 days** prior to the date of expiration. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

Your firm's five year certification will expire on **12/30/2018**. You have an affirmative duty to file for recertification **60 days** prior to the date of the five year anniversary date. Therefore, you must file for recertification by **10/30/2018.**

It is important to note that you also have an ongoing *affirmative duty to notify* the City of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification **within 10 days** of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a **WBE** if you fail to:

- File your annual No-Change Affidavit within the required time period;

- Provide financial or other records requested pursuant to an audit within the required time period;
- Notify the City of any changes affecting your firm's certification **within 10 days** of such change; or
- File your recertification within the required time period.

Please be reminded of your contractual obligation to cooperate with the City with respect to any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the **City's Inspector General at chicagoinspectorgeneral.org, or 866-IG-TIPLINE (866-448-4754).**

Be advised that if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. In addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining a contract with the City by falsely representing the individual or entity, or the individual or entity assisted is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months, or a fine of not less than $5,000 and not more than $10,000 or both.

Your firm's name will be listed in the City's Directory of Minority and Women-Owned Business Enterprises in the specialty area(s) of:

NAICS Code(s):
811213 – Communication Equipment Repair and Maintenance
Electrical Apparatus and Equipment, Wiring Supplies and Related Equipment Merchant Wholesalers
Electrical and Electronic Appliance, Television and Radio Set Merchant Wholesalers

Your firm's participation on City contracts will be credited only toward **Women Business Enterprise** goals in your area(s) specialty. While your participation on City contracts is not limited to your area of specialty, credit toward goals will be given only for work that is self-performed and providing a commercially useful function that is done in the approved specialty category.

Thank you for your interest in the City's Minority and Women-Owned Business Enterprise (MBE/WBE) Program.

Sincerely,

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than $25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of $100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.
