Dear Ms. Glashagel:

Congratulations on your continued eligibility for Certification as a **Woman-owned Business (WBE)** by Cook County Government. This certification is valid until **December 9, 2019**; however, you must re-validate your firms' certification annually.

As a condition of continued Certification during this five (5) year term, you must file a **"No Change Affidavit"** within sixty (60) business days prior to the date of Annual Certification Expiration. Failure to file this Affidavit shall result in the termination of your Certification. You must notify Cook County Government's Office of Contract Compliance of any change in ownership or control or any other matters or facts affecting your firm's eligibility for Certification within **fifteen (15) business days** of such change.

Cook County Government may commence action to remove your firm as a **WBE** vendor if you fail to notify us of any changes of facts affecting your firm's Certification, or if your firm otherwise fails to cooperate with the County in any inquiry or investigation. Removal of status may also be commenced if your firm is found to be involved in bidding or contractual irregularities.

RE: Contract No. 1650-15538 – Amendment No. 1

Dear Ms. Alexander:

Motorola Solutions is in the process of completing a \$1.45M contract amendment #1 with the Cook County Sheriff's Department to supply two-way radios and accessories for the county-wide public safety radio system. The original \$12.8M contract 1650-15538 is nearly complete and has received \$10.14M in funding from the County to date. The specifications in the proposed amendment # 1 call for Motorola two-way radios and accessories to be provided to Cook County agencies. Motorola two-way radios and accessories ship directly from our manufacturing facilities before being deployed and used by the Cook County Department agencies. Shipping is performed via an existing Federal Express contract with Motorola Solutions. Radio programming and installation services in the contract are being subcontracted to Chicago Communications LLC., a Cook County certified WBE. There are no additional services being offered in the contract that could be directly performed by MBE or WBE firms.

Motorola Solutions is proposing to utilize Chicago Communications for direct and indirect participation, for a total of \$2,498,690.70. These combined efforts, will allow Motorola to achieve an overall indirect WBE participation of 11.3% and direct WBE participation of 6.2% WBE for a total of 17.5% participation.

Motorola Solutions is using Quantum Crossings for direct MBE participation, for a total of \$49,485.28 in the original contract. This commitment has been met and Quantum Crossings has completed the work. Quantum Crossings will not be utilized in amendment #1 because they are no longer eligible as a MBE firm.

Thank you for the opportunity to allow Motorola Solutions to explain its WBE indirect participation request. Motorola Solutions prides itself in maximizing participation in minority and woman owned enterprises and will work with Cook County Contract Compliance in an attempt to attain the highest possible MBE & WBE utilization.

If you have any questions, please don't hesitate to call me at (847) 489-9379.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

“Familial relationship” means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:
