Dear Valued Dealer,

As all of you know Point Blank rolls out a new price list effective April 1st 2022, which consisted of new pricing for the current year. This year will be no different but the amount of the price increase is going to be significantly more, due to the increase of the cost of raw materials and a significant increase in the cost of labor here in the state of Florida. It's important for you to understand that we received price increases from raw material suppliers last summer and now receiving a second round of price increase at the first of the year. Unlike our price increase to you these price increases are immediate and also effects orders for material that were accepted months ago and have not been delivered yet.

When increasing prices to you as our dealer and ultimately to our end users we always try to do this fairly and give you as much notice as possible when these increases are coming. We will be working on adjusting contract pricing as soon as possible to try and get this completed before the price increase on April first. This price increase will also roll over to any special price quotes that you have when they expire. So please make sure that you are communicating with your Point Blank sales rep about these SPRs.

We are currently working on the price list and hope to have it out to everyone by March 1st for you to review with your customers. You can expect to see a minimum of a 5% price increase from last year and possible up to 10% on certain products. Unfortunately this is the market that we are currently faced with and we do not see any reductions in the near future.

I want to thank all of our dealer network for the hard work and loyalty as we work through this process.

Thank you,

Hoyt Schmidt

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

“*Familial relationship*” means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:
