B. REASON FOR PARTIAL/FULL WAIVER REQUEST:

Bidder/Proposer shall check each item applicable to its overall reason for a waiver request. Additionally, supporting documentation shall be submitted with this request.

- (1) Lack of sufficient qualified MBEs and/or WBEs capable of providing the goods or services required by the contract.
- (2) The specifications and necessary requirements for performing the contract make it impossible or economically infeasible to divide the contract to enable the contractor to utilize MBEs and/or WBEs in accordance with the applicable participation.
- (3) Price(s) quoted by potential MBEs and/or WBEs are above competitive levels and increase cost of doing business and would make acceptance of such MBE and/or WBE bid economically impracticable, taking into consideration the percentage of total contract price represented by such MBE and/or WBE bid.
- (4) There are other relevant factors making it impossible or economically infeasible to utilize MBE and/or WBE firms.

Acorn Garage Inc.

417 N. Hoyne Ave

Chicago, Il 60612

To whom it may concern,

We are requesting a full waiver for our MBE because Carson Tires is an indirect participant. We have reached out to him several times this month and he has not responded. We don't know if he is sick, or why he is not responding but we plan on continuing to use his services.

Southwest Spring is the only vendor our company can utilize, and the jobs sent to us for repair do not always include spring repair or replacement. There is a lack of sufficient qualified MBES and WBEs that sell truck parts on the vendor list. We are a Truck repair facility, and automotive vendors cater to car/auto parts which are entirely different from truck parts. We only repair med to heavy duty trucks and Buses; we can only utilize a vendor that carries/stocks and sells Truck and/or Bus parts. We looked through the entire vendor list and did not find one truck part vendor. We put in the search on the vendor list provided for truck part and it came up 0. The percentage amount should be on the amount of spring work sent to us by the various departments of cook county.

Sincerely,

Acorn Garage Inc.

Based on the original compliance plan letter and information contained in B2G the prime contractor, Acorn Garage, Inc., appeared to have originally committed to 25% Direct MBE participation through Carson's Tire Service, Inc. to provide tire and tire related truck parts and service. However, it appears they may have originally requested the 25% MBE Indirect Participation and Full MBE waiver when they originally submitted their bid, but this was not recorded by the Compliance Officer. Acorn is now again requesting that their 25% commitment to Carson's Tire Service be classified as indirect participation as while Acorn Garage utilizes Carson's Tire Service quite a bit in their overall business, the County does not require that many tires and or tire related repairs under this contract in order to make direct participation feasible. This waiver request was brought before the Office of Contract Compliance Waiver Review Committee which concurred on granting the 25% MBE waiver given the fact that the existing MBE sub-contractor, Carson's Tire Service, was still going to be utilized, albeit indirectly for 25% MBE participation.

Revised MBE/WBE forms were used in the determination of the responsiveness of this amendment.

Sincerely,

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:

“*Familial relationship*” means a person who is a spouse, domestic partner or civil union partner of a County employee or State, County or municipal official, or any person who is related to such an employee or official, whether by blood, marriage or adoption, as a:
